Harvest Bonanza Ball a Resounding Success

Just more than 300 community supporters gathered on Saturday evening in the Viking Community Hall for the First Annual Bonanza Ball. And these 300 people showed the type of spirit that community-minded people are famous for.

By 6:30 p.m. on Saturday evening, 173 tickets had been sold for the event. By 8:00 p.m., there was not a ticket to be purchased. In an overwhelming display of social conscience, a large number of those in attendance, people who has already purchased $100 tickets, joined with others and purchased the remaining 27 tickets.

With the complete purchase of the 200 tickets, the Viking and District aGricultural Society should realize a profit of about $8,000 to fund the operation of Ag. Society projects.

The evening began with cocktails at 6:30 and the meal designed to begin at 7:30 p.m. However, due to the tremendous response by those in attendance in their efforts to make the event a "sell-out", the meal was delayed until 8:00 p.m.

The hall was tastefully decorated with pink and silver streamers. As well, a "mirror-ball" was centered above the dance floor. With a full spot light shining on it as it rotated during the dancing, a fine ballroom effect was created. The stage was placed in the southeast corner of the hall, thereby allowing more room for seating and movement of those who supported this event.

At about 9 p.m., President Gus Quattek welcomed everyone in attendance and thanked them for their support. He explained the format of the draw for the evening and then introduced the M.C. for the evening, Mr. Laurie Rasmussen. Mr. Quattek mentioned that Mr. Rasmussen was instrumental in the building of the Carena in the early 1950's.

Mr. Rasmussen said that he was glad to be "back home" and that it was good to see such great support for the event. Mr. Rasmussen then began the drawing of the first 50 names. Gus Quattek drew the first 50 names while Mr. Rasmussen read them out. This sequence of numbers saw three $100 winners - the 1st, 25th, and 50th numbers drawn.

The first ticket No. 137 was held by the Viking Town Councillors and Hospital Administration, while the 25th ticket drawn (No. 39) was purchased by Leo Stewart of Viking, and the 50th ticket drawn (No. 15) was held by Keith McLaren of Viking.

The band for the evening, Westwind, started their first set of the evening and proved to be an excellent group of musicians who kept the majority of those in attendance on the dance floor most of the evening.

During successive band breaks, the remaining tickets were drawn with 50 tickets being drawn each time. Sandra Nietfeld, Secretary of the Ag. Society, drew the next 50 names, with $100 cheques going to A. and E. Goika (No. 60) for being the 75th ticket out of ticket out of the barrel and to Heinz and Ruth Grube of Viking (No. 170) for being the 100th ticket out.

Dusty and Marie Hanson of Viking receive the keys to their 1979 Plymouth Volare from Laurie Rasmussen at the Harvest Bonanza Ball on Saturday night.
Staff Photo

Percy Wilkie, Chairman of the Bonanza Ball Committee, drew the next 50 tickets. The 100th ticket drawn was No. 114 (a $100 winner) while Glen and Marie Hanson came to the stage to receive the keys to their 1979 Plymouth Volare from Laurie Rasmussen.

The 125th ticket drawn (No. 166) belonged to Roy and Margaret Maxwell, while the 150th ticket drawn (No. 191) was owned by Gerard and Dolly Wadley. Each ticket was a $100 winner.

On Monday, Ivor Lefsrud donated his $100.00 prize back to the Viking and District Agricultural Society.

The final 50 numbers were drawn by Laurie Rasmussen, with Dick Morris reading out the names. The 175th ticket drawn, another $100 winner, was owned by Quinton Construction of Viking. Upon receipt of the cheque for $100, Murray Quinton of Quinton Construction returned the cheque to the Ag. Society as a donation.

The last two names on the board after 198 tickets had been drawn were Ivor Lefsrud (No. 114) and Glen (Dusty) Hanson (No. 90). The 190th ticket drawn was No. 114 (a $100 winner) while Glen and Marie Hanson came to the stage to receive the keys to their 1979 Plymouth Volare from Laurie Rasmussen.

The Harvest Bonanza Ball Committee and the Viking and District Agricultural Society would like to thank all those people who supported this effort through the purchase of their tickets. Also, everyone who helped in the sale of tickets, decorating, clean-up, or in any other way, is heartily thanked. The Committee and the Ag. Society also thank Mr. Laurie Rasmussen who gave of his time and effort at no expense to the event.

Due to the tremendous success of this year's event, the Second Annual Harvest Bonanza Ball is in the plans for October of 1979. The Viking and District Agricultural Society are looking forward to your support next year.

The large crowd that attended Awards Night at the Viking School on October 19th saw well deserving students receive numerous awards. Pictured are [front row left to right] Michael Watson, Debbie Petruk, Elaine Rozmahel, Sindy Piwowar, Marion Zelinski and Victor Sloboda. [Back row left to right] Glen McGinitie, Clint Nearing, Reg Stefaniszyn, Louise Petroskey, Kevin Stephenson, Daryl Melnyk. Missing from photo and receiving awards are Kenny Starzko, Cheryl Giroux and Darrel Maxwell.

Story on Page 16

County Drops Newspaper Contract

The Council of the County of Beaver has cancelled its policy of purchasing a newspaper for all County ratepayers.

At the October Council meeting, a motion to rescind Bylaw 356 was passed. Bylaw 356 provided that any ratepayer of the County of Beaver would be supplied with either with the Viking News or the Tofield Mercury. As of January 1, 1979, this will no longer be done by the County.

Mr. Bob Cross, Secretary Treasurer for the County of Beaver, said that a major problem with the contract was that it restricted competition. He said that Council felt it was not fair that they be involved in restricting the competition in this field.

As well, Mr. Cross noted that ratepayers live throughout North America and that some of the subscriptions paid for by the County seemed of little use. He also said that duplication in service was occurring due to some households receiving two newspapers. This occurred because both spouses were County ratepayers.

Thus, as of January 1, 1979, the County will no longer by supplying a "free" newspaper to ratepayers, thereby allowing for the ratepayers' choice of all available area newspapers.

Farmers' Market to Continue

The Viking Farmers' Market has operated successfully over the past season. As winter approaches we plan to open on the first Thursday of each month only. If arrangements can be made we may open twice in December. We would encourage anyone with handicrafts or home made products to rent a table. Our motto is "anything grown or made."

We would like to thank the Ag Society and the general public for their support.

Community Spirit Evident

Being involved in the organization of the First Annual Harvest Bonanza Ball, I learned most vividly the meaning of frustration and disappointment and complete elation and faith in people, in terms of spirit, involvement, and community-mindedness.

As this initial effort met several snags along the way, the ticket sales were begun late. Also, the poor weather put a "damper" on our hopes of a complete sell-out. However, these were minor set-backs. The major "frustration" and "disappointment" which I experienced came from the efforts of many dedicated ticket sellers. In our attempts to sell the $100 tickets, we heard more "disappointing" excuses from people who should not have been giving excuses. People with children who *constantly* use the Carena during the winter, people who are well-off financially and have grown-up using these facilities.

There are many people who cannot afford to purchase $100 tickets, or donate $100 to the Ag. Society, and it is reasonable not to expect them to do so. However there are many people in the area who could easily have responded to the needs of the community by buying a ticket, even if they were not able to go. There were many people who did purchase tickets who were not able to attend, or who did not wish to go. These people display a true sense of responsibility towards their community.

As well as the disappointment and frustration, I was able to experience, during the evening of October 21, near total elation and, as Gus Quattek noted, a return to faith in mankind. The response of some 300 people once they realized that all of the tickets were not sold was nearly *unbelievable*. The feeling of community responsibility and the pride in the realization that the people in the Hall had combined to make the event a sell-out showed that there are people in this area who do truly care about the facilities in this Town.

These people did not seem to be purchasing tickets for extra chances on the prizes. The feeling was one of "let's make sure that the event is a sell-out". I cannot remember a time when I have felt so good about the actions of a group of people. Those who purchased tickets, and those who went beyond this to make the event a total success financially, deserve a tremendous slap-on-the-back in acknowledgement of their community mindedness. Those who did not purchase tickets, yet know they financially could and probably should have, should take stock of their positions as members of this community.

Make it a Happy Hallowe'en

Next Tuesday, October 31, will see a large number of ghosts and goblins moving about the streets on their annual quest for treats, or tricks. As daylight saving time terminates two days prior to Halowe'en, evening and darkness, will come quickly. We urge everyone to take extra-special care on that evening as many of these youngsters are bundled up warmly and have masks on which obscure their vision. As well, parents should make sure that their children are wearing some articles of bright clothing.

As well, the young adults and the adults of our communities should work to ensure that each child has a happy evening. We should watch for the "bully" who may try to steal treats from the youngsters. As well, we should check the treats of our children to ensure that no harmful substance has been "tossed-in" amongst the goodies.

October 31 is an evening for the children. We should all strive to ensure that it truly is a "Happy Hallows Eve".

LET WANT ADS WORK FOR YOU

County of Beaver Meets

The regular meeting of the Council of the County of Beaver No. 9 was held in the County Office at Ryley on Thursday, October 12, 1978.

Present were: Councillors Armitage, Ewasiuk, Kmodkien, Kropielnicki, Maxwell and Sears. Also present were: A. Robert Cross, Secretary-Treasurer, Ronald G. Pepper, Assistant Secretary-Treasurer.

The meeting was called to order at 10:00 a.m. by the Reeve Cr. Kropielnicki.

Moved that the minutes of the meeting of September 14th, 1978 be approved.

Moved that the hospital reports be accepted.

Laurie Weatherill, Agricultural Fieldman attended with the following items being discussed: Warble Control and Beaver Dam Problems.

Moved that Council support Region 5 in the amount of $200.00 for Warble Control.

Moved that the Agricultural Fieldman attend an in service training session in November.

Moved that the Agricultural Fieldman's report be accepted.

Moved that the Financial Statement for September 1978 be accepted.

Moved that the Expenditure Statement to September 30th, 1978 be accepted.

Moved that the accounts as represented by General Cheque numbers 4751 to 5046 and the Payroll Cheque numbers 5035 to 6236 be approved.

By-Law No 479 regarding a Road Closure in the S.E. 28-50-20-W4 was presented. First reading Moved, Carried. Second reading Moved Carried.

The matter of the County supplying newspapers to land owners was discussed. It was the opinion of the Council that we should no longer be involved. Papers are being supplied to land owners who no longer live in the County and who may not be interested in receiving the paper. It was mentioned that the decision to supply newspapers was set out in By-Law No. 350 passed on May 12, 1952 and that this by-law should be rescinded if the Council decided to discontinue the service.

Moved that the practice of supplying newspapers be discontinued and that By-Law 350 be rescinded. Carried.

By-Law No 480 regarding newspapers was presented. First reading, Moved, Carried. Second Reading, Moved, Carried. Moved that Third Reading be given at this time. Carried Unanimously. Third Reading, Moved, Carried.

Paul Kallal attended the meeting at this time and requested that a road diversion in the N.E. 7-51-19-W4 be cancelled.

Moved that Council advertise its intention to close an abandoned road diversion in the N.E. of 7-51-19-W4, Carried.

Gordon Smith of Cambrian Engineering attended regarding water and sewer for Kinsella and Bruce.

Correspondence was received from Bruce and Kinsella indicating a vote had been held with the following results:

	For Water	Against Water and Sewer	and Sewer
Bruce	29	7	
Kinsella	24	9	

The Secretary-Treasurer contacted the Local Authorities Board and they stated that the decision should be put to a petition.

The Secretary-Treasurer presented the following example petitions:

Petition Regarding
Water and Sewer Services
IN KINSELLA

We the undersigned request the Council of the County of Beaver No. 9 to install water and sewer services in the Hamlet of Kinsella.

We realize the estimated net cost of the project is $271,200.00 which, if repaid on a frontage basis, would cost an estimated $6.38 per front foot per year for 25 years.

These are capital costs only. Operating costs will be in addition.

Signature I own the following lots.

Petition Regarding
Water and Sewer Services
IN BRUCE

We the undersigned, request the Council of the County of Beaver No. 9 to install water and sewer services in the Hamlet of Bruce.

We realize the estimated net cost of the project is $381,803.00 which, if repaid on a frontage basis, would cost an estimated $5.42 per front foot each year for 25 years.

These are capital costs only. Operating costs will be in addition.

Signature I own the following lots.

Moved that Council put the decision of water and sewer in Bruce and Kinsella to a petition basis. Carried.

Moved that Council authorize the petition as presented by the Secretary-Treasurer. Carried.

A copy of a letter to Marvin Moore, Minister of Agriculture by Peter Hrabec, Chairman, Agricultural Development Committee regarding the feed situation.

They requested assistance through Disaster Services for supply of feed in the County of Beaver No. 9. Because of the heavy rainfall very little feed would be useable and is of poor quality.

Moved that the Council of the County of Beaver endorse the Agricultural Development Committee letter.

Moved that road bans be removed effective November 1st., 1978.

By-Law No. 481 regarding an additional borrowing of $60,000.00 for the Tofield 6 x 6 Core School was presented. First Reading Moved. Carried. Second Reading, Moved, Carried.

Moved that Third Reading be given at this time. Carried Unanimously.

Third Reading, Moved, Carried.

Representatives of R. Angus Alberta Limited, Attended the meeting and gave a presentation on "Total Cost Building".

As there was no further business it was moved that the meeting adjourn to reconvene on October 26th, 1978, at 10:00 a.m.

Child and Adult Immunization Clinic

By Marlene Sinclair

The Well Child and Adult Immunization Clinic is a regular part of health services provided for us that we often take for granted. That is until a crisis arises; like the polio scare we encountered last summer. Then a large amount of people want to be immunized and the work done is then appreciated. We were told that there was a shortage of polio vaccine, and for anyone that lived through the polio epidemic of the 1950's a tinge of fear hit their hearts.

After consulting with nurse Sylvia Perin, of the Vegreville Health Unit - Holden Sub Office, at a clinic she held in Ryley last Tuesday, I felt relieved. I was told that the immunization program in this area, is going on in the usual manner. That there was some speculation as to whether the grade nine students of the county would be receiving their booster shots this year, but that has been resolved and immunization will proceed as usual. There definitely has been a run on the vaccine, but up until this point, they have been able to handle it.

The immunization program at present starts babies at three months with Diphtheria, Whooping Cough, Polio, Tetanus and Red Measles (only once). This program continues with boosters given until the child is about a year old. Then they receive other boosters at three years and before going to school.

In grade six girls are given Rubella shots and then all children are given boosters of Diphtheria, Tetanus and Polio in grade nine. Whooping Cough vaccine is not given to anyone over six years of age. After this, all adults should receive a booster every ten years. The whole immunization program is now in the process of reassessment, with the thought that there will be a longer period between boosters.

The clinic is not only an immunization clinic however, it provides physical assessments of children as well as developmental assessments. The nurses also give counselling on nutrition and family planning or whatever is needed. They also refer patients to a garnut of agencies when required.

There are two nurses that work out of the Holden Sub Office. The first being Sylvia Perin, she comes to us from Edmonton and has only been with this health unit since April. She has a Bachelor of Science in Nursing received from the University of Alberta. Before working here she was employed by the City of Edmonton Board of Health. Her area is "Holden West" which takes in Ryley and Tofield. Her co-worker is Janet Metcalfe. Janet hails from the Athabasca area and also received her Bachelor of Science at the University of Alberta. In addition, she also received nursing training at the University Hospital. Janet has been in this area for a little over a year. Before arriving here she worked in the Lac La Biche area for five years. She looks after "Holden East" which includes Holden and Viking.

The Clinic days are:
Ryley every 2nd Tuesday of the month. Tofield the 1st, 2nd and 3rd Thursday of the month. Holden the 2nd Friday of the month and Viking the 2nd Tuesday of the month. The clinic hours are from 10:00 a.m. to 12 noon and from 1:00 p.m. to 3:00 p.m. Please make an appointment by phoning Holden 688 3853 collect. There will be someone there to answer the phone every weekday from 8:30 a.m. to 12 noon.

The Sutters - A Hockey Family

With the hockey season rapidly approaching in the area, the name Sutter is heard more often. With a number of boys playing hockey from midget to the N.H.L., the Sutters have been, and still are, a family story on hockey.

Louis and Grace Sutter (nee Sauers) were married in 1954 and farmed in the Lornedale District north of Viking. In 1967 they moved to their present farm east of Viking. Both Louis and Grace have encouraged their seven sons in their pursuit of success in hockey.

Their first son, Gary, was born on January 7, 1955. Gary played all of his minor hockey in Viking, then moved up to play Junior B in Vegreville in the 1971-72 season. Following this, Gary played for one year with the Viking Gas Kings and has played in the Beaverhill League for 3 years.

Gary joined Northwestern Utilities in 1973 and worked in Edmonton for 4 years. He recently moved from Northwestern Utilities to Pembina Oilfield Supply Company.

Brian Sutter was born on October 7, 1956. He played his minor hockey in Viking and graduated to the Vegreville Junior B's when he was 14 years old (1971-72). From 1972-74 he played with the Red Deer Rustlers of the Alberta Junior Hockey League, where he was chosen Most Valuable Player, Most Dedicated Player and Most Popular Player for the team. The Lethbridge Broncos of the W.C.H.L. was Brian's next stop. He played there from 1974 until 1976. In the fall of 1974, Brian played on the Canadian team in the World Junior Hockey tournament in Winnipeg.

In June of 1976, Brian was drafted in the first round by the St. Louis Blues of the N.H.L. He is presently in his third season with the Blues, and as of October 21, Brian was leading the goal scorers with 8 goals after 6 games.

Brian married Judy Ohron of Red Deer in June of 1976 and the couple lives in Sylvan Lake during the summer months.

The Sutters' third son, Darryl, was born on August 18, 1958. He played all of his minor hockey in Viking and moved to the Red Deer Rustlers from 1974-77. In the 1976-77 hockey season, Darryl won the scoring championship for the A.J.H.L. and was named the League's Most Valuable Player. He was also named to the League's first all-star team. As well, Darryl was named Athlete of the Year 1977 for the city of Red Deer.

An outstanding family in the sport of hockey - the Sutters [Back Row left to right] Darryl, Brian, Gary, Duane and Brent. [Front Row left to right] Grace, Richard, Ronald and Louis.

In the 1977-78 season, Darryl played for the Broncos in Lethbridge. He was drafted in the 12th round by the Chicago Black Hawks of the N.H.L., but chose to go to Japan where he is presently playing for Hokkaicho Iwakura of the Japanese professional league. He is expected back in February and will probably move into the Chicago organization at that time.

Duane was born on March 16, 1960. He played all of his minor hockey in Viking, then moved to the Wainwright Bisons for Duane's 15-16 hockey season. From 1976 until 1978 he played with the Red Deer Rustlers. This year he is playing with the Lethbridge Broncos of the Western Hockey League. After nine games with Lethbridge, Duane had 3 goals and 12 assists.

The Sutters' fifth son, Brent, was born on June 10, 1962. He played his minor hockey (up to Bantam) in Viking and was a member of the Provincial D Pee Wee Champions in 1975 and on the runner-up team at the Provincial C Bantam Championship. Last year he joined the Red Deer Rustlers and was named team Rookie-of-the-Year due to his excellent play in netting 30 points in 60 games. After nine games with the Rustlers this year, Brent has 6 goals and 5 assists for an excellent start to his sophomore year.

Richard and Ronald, the Sutter twins, were born on December 2, 1963. The "twins" have played all of their minor hockey in Viking and have been on a number of very successful teams. They were members of the 1975 Provincial D Pee Wee Championship team (along with Brent), the 1976 Provincial C Pee Wee Champs, the 1977 Provincial C Bantam second place team, and the 1978 Provincial C Bantam Championship team. They both follow in the steps of their brothers who preceded them and were late cuts at the 1978 Red Deer Rustlers Rookie Camp. The twins will be playing this season in Viking with the local bantam team.

A fine line of hockey excellence has come from the union of Louis and Grace Sutter. Both the Sutters, and the people of the Viking area, can be proud of the accomplishments of these fine athletes.

Ryley and District News

RYLEY SCHOOL NEWS

All report cards will be out on November 1, with the Parent Teacher interviews scheduled for November 3. The Junior Volleyball games to begin this week with the first game to be held in Tofield on Wednesday, November 25 after school.

The soccer games are finished for this season, with Ryley doing quite well. No official standings are in as yet.

RYLEY LEGION - Remembrance Day plans are being made and will be released some time next week. See write up on the homecoming meeting elsewhere in the paper.

RYLEY LIONS CLUB - Six Lions members and their wives will be attending a Fall Officers Training session in Ft. McMurray on November 3, 4, and 5. They will be getting the latest information from the International Headquarters and learning about all the new forms. There will also be instruction in accounting for all the new treasurers. On Saturday evening, they will be attending the Ft. McMurray Charter night where there will be a banquet and dance. Anyone who is interested in renting the Community Hall should now contact Mr. Herman Jensen at 663-3591. Mr. George Baker is no longer in charge of this.

RYLEY 4-H BEEF CLUB

There will be a meeting on Monday, November 6th at 8:00 p.m. in the Ryley School. The meetings are scheduled for every Monday of the month.

SENIOR CITIZENS - The classes in weaving and ceramics have now been scheduled for Mondays. Indoor carpet bowling equipment has been purchased and a schedule will be set up in the near future. All Senior Citizens who wish to take leather craft this year should contact Mr. Pete Ness at 663-3840.

RYLEY TEEN CLUB - At the meeting held last week, a dance was planned by the members. They are planning the dance for Friday, November 10 from 10:00 p.m. until 2:00 a.m. in the Ryley Community Hall. The music will be "Fat Chance" a band from Sask. This dance will be open to all age groups.

DATES TO REMEMBER - The Ryley Saddle Sores 4-H Club are holding a bake sale on Thursday, October 26 at Wood's Hardware from 4:00 p.m. to 6:00 p.m.

The Cavelle Rebekah Lodge are holding a bazaar, tea and bake sale on Saturday, October 28, in the Legion Hall from 2:00 p.m. to 5:00 p.m.

The meeting for the Five Year Master Plan of Cultural and Recreational Activities in the County of Beaver is to be held in the Legion Hall on Thursday, October 26. All organizations in the County of Beaver have been asked to present briefs for the revision of this plan.

The Ladies Fastball Club are sponsoring a dance to be held in the Community Hall on Saturday, October 28 at 9:00 p.m. music is by "Standing Room Only".

Borshiw Parish are holding a masquerade dance in Borshiw Parish Hall on Saturday, October 28, at 9:30 p.m. music by the Melody Tones.

Ryley Church News

CATHOLIC CHURCH:

Ryley Catholic Womens League will hold their regular meeting on Wednesday, November 1, at 8:00 p.m. in the home of Mrs. Sara Diserlais.

SEVENTH DAY ADVENTIST CHURCH: The Dorcas society is now sponsoring a mini-meals-on-wheels for those persons that are sick or not able to make a hot meal at noon. This service will be offered every day except for the weekends. If anyone desires a pot of hot homemade soup, contact Beulah Oslund at 663-3018.

Saturday, October 28 has been set as Visitor's Day at the Ryley S.D.A. Church. While visitors are welcome anytime, the congregation annually sets one day as a special time in which people of the community are welcome to join the services.

Sabbath School, which begins at 10:00 a.m., provides Bible study classes for all ages including preschool children. Sabbath school is preceded by a song service; this week featuring a band from Sedgewick. The following worship service will have crusade speaker Verne Snow delivering the sermon. Mr. Snow has recently completed a series of meetings in Vegreville which many people attended. Special music will be provided by a local group and a saxaphone trio from Canadian Union College. Visitors Day is planned to give others an opportunity to visit and participate in S.D.A. services. Anyone wishing to take this opportunity to visit will be most welcome.

BORSHIW PARISH: There will be no mass held for the next two Sundays, which are October 28 and November 4. On November 12, a Thanksgiving Mass will be held at 11:00 a.m.

Profile: Dave England

A familiar sight in rural communities, particularly in the fall, is that of the Provincial "Game Warden".

Dave England is the Alberta Fish and Wildlife Resources Officer in the district, which includes an area of approximately 4,000 square miles with headquarters located in the Town of Vegreville.

Dave England was born and raised in Westlock, a thriving agricultural centre approximately 50 miles north of Edmonton. His schooling through grade twelve was also obtained at Westlock. As a youth he became an active member of the scouting movement; later to participate in the program in the capacity of leader and as patrol. This involvement exposed him to the many features of life among nature.

He enrolled at N.A.I.T. and took his first year in the "Forestry" program; his second in "Wildlife". Following this, he obtained a position as Warden with the provincial Fish and Wildlife Department.

Dave worked under the authority of a senior warden at Coldlake 1974, Hinton 1975, and at Calgary and Hanna 1976. He received a promotion to his first district in 1977 - Vegreville. Here, he allots about one third of his time to office duties; another third to law enforcement and the remainder to problem wildlife control. In the small portion of time which he allows himself for personal interests, he takes a keen interest in reading and fast cars. He estimates that 80 to 90 per cent of his day is spent on the job, as he is available 24 hours a day.

The Vegreville office hours are: from 8:15 a.m. to 12 noon and from 1:00 to 4:30 p.m. Monday to Friday. Assisting at the Vegreville office is Shirley Lotoski. Should your require assistance from their department, please call 632-3361 during office hours or after hours you may reach Dave at 632-4831.

Bridal Shower at Shaw

A mixed couples bridal shower was held for a Ryley couple, Sharon Helgeland and Jody Feuerstein, formerly of Flin Flon, Manitoba. It was held in the Shaw Community Centre with approximately fifty people attending. The shower was organized by Kay Norby, Carol Stefura and Inez Reil. There was a short program with Millie Helgeland reading a poem called "Lest We Forget". The brides older sister, Debbie Cross read a short history of Sharon and her three bridesmaids, Tammy Helgeland, Treva Nordby and Tweet (Valerie) Stensrud made up a song called "Together Forever" and gave their rendition of it as a tribute to the bride and groom.

The hall was beautifully decorated in a fall motif. Wheat, oats and pumpkins were used and fall colors adorned the room. The head table was enhanced with a cake that was decorated by Millie Helgeland. At this table sat the bride and groom to be, the three bridesmaids, and the mother of the bride, Mrs. Leonard Helgeland.

When it came time for the gifts to be opened, they were brought in by Lee Ann Reil and Denise Campbell on a wagon that was all decorated and made into a train like box. Sharon and Jody received many useful gifts and from the Ryley and district community a large starter box of groceries. Lunch was then served and enjoyed by all.

After the shower, the bridal party, along with the relatives and friends, congregated at the bride's parents' home for further good wishes and fellowship.

Sharon and Jody are to be united in holy matrimony on November 4 at 3:00 p.m. in the Ryley United Church. The reception will follow in the Ryley Community Hall. Jody's parents, some relatives and friends from Flin Flon will be attending the wedding here. Approximately two weeks after the marriage they will go to Flin Flon where a reception will be held for them and the community there will be able to wish them well.

Reported by Marlene Sinclair

Ryley Report

We are happy to report that Bill Wood has returned home from the University Hospital in Edmonton. He will be unable to return to work for some time, but his skull fracture is starting to mend.

Mr. and Mrs. Anton Podrusny are expecting their daughter Francis, now Sister Mary Blaise of the Philician Sisters of St. Catherines, Ontario, to visit them shortly. Sister Mary Blaise teaches emotionally disturbed children and seems to have a special way with them. She has success where others fail. She starts working with them and between eight months to two years she has them communicating. These are children others have given up on.

Mr. Tom Kerlee is in the Colonel Mewburne Hospital in Edmonton. He went in last week for tests and therapy..

Mrs. Marie Brix has taken her mother home to Cranbrook, B.C. She left last Saturday and should be home soon.

Mrs. Florence Booth has her daughter Marion Martindale from Chilliwack, B.C. and her nephew John Wells from St. Johns, Newfoundland visiting her. Mr. Wells is on his way to California to visit his mother. Unfortunately he had to be taken into the Tofield Hospital on Monday afternoon as his blood pressure was extremely high.

Mrs. Delores Lehman's sale on Saturday, October 21 went well. She has bought a house in Tofield.

Walter and Gladys Ewasiuk had a house-warming party given for them on Sunday afternoon, October 22. A house full of neighbors and relatives wished them well. They received a number of gifts and a purse of money.

Mrs. Ann Olson died in the Camrose Hospital on Friday, October 20. She was predeceased by her husband Harold just five short weeks ago. Her funeral will have been held at the Tronjem Church in Round Hill on Tuesday.

The Ryley Lutheran Church Women are now meeting on the first Thursday of the month instead of the first Friday. All ladies are reminded to bring their Love Offering boxes and that there will be an ingathering program at the next meeting. Five ladies from the Ryley congregation attended a Lutheran Workshop in Viking on Saturday, October 21. Everyone had an enjoyable time. The LCW also served at the Lauber - Oslund wedding on the same day.

Ryley Homecoming Meeting

The homecoming meeting that was organized by the Ryley Legion was very successful. An enthusiastic group of 25 people gathered at the Legion Hall on Wednesday, October 18. There were members from twelve organizations present and out of these a steering committee was formed. One member from each organization was selected to be part of this committee. The President is Mrs. Teresa Manderson and the Secretary is Mrs. Harriet Brown, other officers will be chosen at their first meeting of November 15. This homecoming is to commemorate the beginning of Ryley, which started with the naming of the Post Office in 1909. This is to be the 70th anniversary.

Some excellent ideas came out of the meeting, but not all organizations were represented. Mrs. Brown will be contacting these organizations this week, in hopes that there will be total participation in this worthwhile event.

Linda's Flower Shop was jacked up to move to the west end of town close to her residence during the week. This building has occupied that corner on main street for well over 50 years. Audrey Nissen has a photo showing it being moved on to that location by her father's six mules. [The late Percy Jones]. The above photo shows the building enroute to its new location.
Staff Photo

Hallowe'en

By Onesimus

Next Wednesday, November 1st is All Saint's Day. It is traditionally a very important day in the Church Year and was New Years Day or Samain Day in the ancient Celtic calendar. Up to the year 834, May 1st was the day set aside for "the feast in honour of all Christian Saints" and April 30th was 'Walpurgisnacht' in German tradition, a night when the witches held a great celebration in the Harz Mountains before the dawning of St. Walpurga's Day. Walpurgna lived in the eighth century. She was a missionary nun and was believed to be a protectress against magic. May 1st, her day, however became associated with pagan agricultural traditions as that day was the beginning of the activities of the season of Spring. The witches were supposed to meet with the Devil on April 30th to celebrate their increase in activity also.

Hallowe'en, which comes around again next Tuesday (a blessing to some and a nuisance to others!) is the "evening before All Saints' or All Hallows' Day". In Irish legend, Samain Eve was the time when spirits emerged from the fairy mounds to celebrate the end of the year (like some Scots do on Dec. 31 - Hogmanay!) and when Christianity arrived, Samain Eve became altered to Hallowe'en. The word "hallow" comes from an old English word meaning "holy man" or "saint" and is enshrined forever in the Lord's Prayer - "Our Father, which art in Heaven, hallowed be Thy Name".

As on Walpurgisnacht, so on Hallowe'en. The witches, warlocks and all evil spirits ride in celebration before the day of All Saints dawns and goodness and light triumphs again over "powers of darkness". Robert Burns described it all so beautifully in his poem, "Tam O'Shanter", a work which graphically depicts the hellish frenzy of the tortured spirits as they celebrate their "holiday".

In the light of all this, it is appropriate to draw attention to the fact of evil and that when a person reads the Bible, he also finds there a clear teaching as to the origin of evil. The Devil, or Satan, is a powerful PERSON. Devils, demons or evil spirits also really exist and the New Testament is full of accounts of Our Lord's dealings with the Devil and his followers. As there is such an interest today in black magic, spiritism, fortune-telling, and devil worship - the rock group KISS chose their name to indicate "Kids in Satan's Service" - common sense demands we return to the Biblical teaching.

It is sufficient to say on the occasion of Hallowe'en that in all His Dealings with the Devil, demons and demon possessed people, Our Lord was conqueror over, "the principalities, powers, world rulers of this dark age" and "spiritual hosts of wickedness in high places" (Ephesians 6 verse 12).

I have read Dr. Kurt Koch's books which describe his experiences in dealing with demon possession. He is a German Lutheran Pastor and he presents the fact that the Devil is still very active today but that "Jesus is Lord" and by His Power Alone, the Author of Evil will be destroyed. Hallowe'en may be the "day of the powers of darkness" but Christ is the One Who is "The Light of the World" (John 8 verse 12) and the conqueror of the Devil.

Viking C.W.L. Elects Executive

The Viking Catholic Womens League have begun yet another season with the new executive as follows: Alma Kelly - President; Marie Rushton, Secretary; Evelyn Carrington - Treasurer; Maxine Josephison 1st Vice-President and Emily Delaney 2nd Vice-President.

Throughout the year, this group of about forty ladies are busy in community affairs. Several committees are set up with their duties and responsibilities. Some activities include hosting Christmas and Birthday parties at the Lodge and Nursing Home, visiting shut-ins and welcoming newcomers to the community and fund raising projects to donate to Charities. They support a Foster Child in India, provide a scholarship for the student receiving the highest marks in the general diploma pattern, and donate to other needy causes.

One of their major undertakings have been the Arthritic and Rhuematism Drive under the direction of Eileen Cunningham. Last year, because of your generous donations they were able to submit $1,000.00 for which they received an appreciation award. Thank you ladies for your hard work and thank you Viking and surrounding area for your much appreciated support.

Weekly Inspirational Corner

The earth is the Lord's and the fullness thereof; the world and they that dwell therein.

For He hath founded it upon the seas, and established it upon the floods.

Who shall ascend into the hill of the Lord? Who shall stand in His holy place?

He that hath clean hands and a pure heart; who hath not lifted up his soul unto vanity, nor sworn deceitfully.

He shall receive the blessing from the Lord, and righteousness from the God of his salvation. Psalm 24: 1-5

IN MEMORIUM

In loving memory of KENNETH M. HENDERSON who passed away October 24, 1969.
So many things have happened
Since you were called away,
So many things we could have shared each day,
Had you been left to stay.
Our hearts still ache with sadness,
And silent tears still flow,
For what it meant to loose you,
No one will ever know.

Your memory keeps you ever near us, Lovingly remembered and sadly missed by Dad and Mom, Sisters and Brothers. 37p

Pioneer Portrait By Carol Maxwell

Mr. Lionel Guiltner or 'Guilt' as he is better known, has been a resident of Irma district for nearly 70 years. He settled near Jarrow in 1910 and homesteaded long enough to prove up his land before selling it and moving to Irma. There he worked at various jobs over the years - in a butcher shop, on the dray, and prior to his retirement at 75, he was school janitor for a number of year. As janitor, he is remembered affectionately by former students for his endearing ways.

'Guilt' was born in Nebraska in 1889. As the son of a railroader on the C.B. & Q. he moved around a good deal spending some of his growing years in Indiana and Illinois, the latter being where he completed his twelfth grade. After spending some time as a farm laborer, he worked in a livery in his native state, and there became a mail carrier. This meant making a daily round trip of 60 miles by horse and buggy into the interior.

Mr. Guiltner and his wife came to Canada the year following their marriage and in the ensuing years raised eleven children. In addition to caring for his family, hardball became a lifelong interest. His skill as catcher and third baseman was no doubt instrumental in the wins chalked up by the Irma team in the years between the wars. A special truimph he recalls, was a July 12th Orange celebration at Tofield. A special coach car was supplied to them for the day to carry them there and wait on the side track for the return trip.

Today, the World Series

LIONEL GUILTNER

keeps alive his love for the sport, and as many vintage handball players, he hesitates to mention fastball in the same breath.

Hunting, particularily game birds, was another favorite passtime. Mr. Guiltner especially remembers two companions whose company he enjoyed in this pursuite: Carl Finch and later Ross McFarlane Sr.

A love for gardening is rekindled each year with the arrival of the seed catalogue, and a large garden is tended to by him and his wife who cans and freezes the produce.

Together, the Guiltners are parents of a His, Hers and Ours family. As his second wife, she was the mother of two and together they are parents of one son, which brings their total family to six of each. Family gatherings are nostalgic affairs, punctuated by many "Remembers whens". Full scale family reunions, however, are not regular affairs; the last one was in 1961 when all but two were present. Today, distance and numbers make the possibility slim. Descendants of his own children now number 130 including 2 great-great grandchildren. Although Mr. Guiltner is not a big man physically, he seems to have enough love to spread around and share with them all.

Chacutenah Manor News

Visitors with Mrs. Simmermon this week were her brother-in-law, Mr. Sparrow and his two daughters, Mrs. S. Saunders and Mrs. L. Wolertus, all of Saskatoon.

Miss Mildred Smith and her sister Mrs. W. Matthews are in Victoria as guests of Mrs. Matthews' daughter and son-in-law, Mr. and Mrs. MacDuff.

Overnight guests with Mr. and Mrs. H. Riley this week were her brother and his wife, Mr. and Mrs. J. Reeves from Vernon, B. C.

Monthly Social Evening, was held in the Lounge on Wednesday with Mr. Riley and Mrs. McRoberts as host and hostess. Mr. Riley welcomed the gathering which including the Manor family, numbered over thirty. The program opened with an enjoyable sing song, to the accompanient on the violin and piano by the genial couple Mr. and Mrs. O. Nissen. Mrs. McRoberts conducted a contest and Mrs. E. Prosser's reading "Don't Tell Me Things Are Looking Up" received well-deserved applause. Daneing to old time music, again supplied by the Nissen couple, brought the program to a close.

Lunch was served by the host and hostesses with the assistance of several of the Manor family.

Mr. C. Milne on behalf of the guests, thanked the Manor folks for a pleasant evening and Mrs. McLean thanked those who had assisted in the program.

Next Social Evening will be held on October 18, with Mrs. McLean and Mrs. Hooper as hostesses.

Weekend guests with Mrs. Cockroft were her daughter Mrs. E. Burke and her grandson Bob Burke of Edmonton.

Irma Students Win A.T.A. Award

Each year the Wainwright local of the Alberta Teachers' Association honour the two top students in the Wainwright School Division at the grade twelve level.

Based on last year's academic results, the two outstanding students were Sylvia Strojek and Elaine Majcher. Both these young ladies are from the Irma School.

Sylvia Strojek was presented with a plaque and cheque for $100 as the top student in the division with an average of 93 per cent. Elaine Majcher came second, with 85 per cent and received a plaque and a cheque for $75. Mrs. McRoberts, President of the Teachers' Local, made the presentation at the Irma School Awards Night.

As teachers in the division, we are proud of the excellent standards reached by so many of our students, and congratulate them all in their achievements.

Irma News and Views

Harvey and Hazel Swainson visited with Lorna and Eddie Jackson on Sunday afternoon.

Bob and Geraldine Jackson and Charlie and friend Caroline Czar spent the weekend with Lorna and Eddie. The boys helped Eddie finish stacking bales.

Dorothy Bacon arrived home on Sunday afternoon. Her son Billy, his wife and two children brought her home from Edmonton where she had spent several weeks with her two boys and families, since returning from her trip to England.

A number of trucks have been busy hauling fill dirt to raise the ground level around the "Irma Motel" which is gradually nearing completion. The painters have also been busy on the outside walls.

That everlasting subject of conversation - the weather - has again been the subject of comment. Some of our more optomistic folk have been predicting a long spell of sunny Indian Summer and Thursdays hot sunny spell seemed to confirm their judgement. Friday heavy overcast conditions with rain in the afternoon and evening threw out some doubts. Reports of snow flurries in some places quite close and snow at other places almost makes our Indian Summer just a myth.

Frank Peterson, who has spent several months in the Irma district visiting his relations and friends and helping with the harvest, has returned to his home at Campbell River, B.C., His sister, Grace Archibald accompanied him. She is planning to spend at least several weeks, (perhaps even a few months) in that balmy climate.

Donald Gunn had a heart attack on Staurday forenoon and was taken to Viking hospital on Saturday afternoon. He was taken to Edmonton where we hear that his condition has now stabilized and he is resting comfortably.

Our wishes for a speedy and complete recovery are extended to Joey Jones who is recovering from pleurisy in Wainwright General Hospital.

We were all shocked and saddened by the news that Oren Spring had passed away in the University Hospital in Edmonton on Sunday, October 21.

Oren who has been having problem health for the past year or more, was in Irma on Tuesday forenoon, October 17. He had Hans Paubsen drive him home as he felt ill. Hans drove him home and then on to Hardisty where Dr. Cahill diagnosed a slight stroke and sent him by ambulance to Edmonton. Our sincere sympathy is hereby extended to his mother Elva.

Clarence Walter Renwick passed away in Wainwright General Hospital on Tuesday, October 17th after a brief illness. The funeral service was conducted in the Irma United Church by the Rev. Gordon Wilson on Friday, October 20, at 2 p.m.

Clarence was born in the United States and came to the Irma district with his parents at a very early age. He can be classed as an Irma old-timer.

Sympathy of the Weekly Review and the community is extended to his sister Dorothy and brothers Ernest and Victor and all other relatives.

Dolly Hearn from Hardisty has been spending a few days visiting her old neighbors Minnie and Jim Jackson and while here meeting many of her former friends and neighbors.

On Sunday, October 22, Jim and Minnie Jackson took Dolly Hearn with them to Sedgewick where they spent the day with Alma Harding and grandson Larry. Joe Harding and sons Ted and Stephen and wife are due at Edmonton International Air Port on Wednesday evening. After three weeks in Ireland, they will be happy to be home.

Congratulations to Ole Nissen who celebrated his 75th birthday on Saturday, October 21. Many more happy birthdays, Ole. Gary Jones and young son Walter arrived in Irma from Fox Creek to help Ole celebate his birthday.

Irma School News

The Student's Union initiation day for grade nine students and their family dance in the evening proved to be an enjoyable as well as financially successful undertaking. A big thank you to the chaperones and supervisors, without whom it would not be possible to have the event.

AWARDS NIGHT

Over 100 people participated in an evening honouring our outstanding students, and all helped make it a pleasant event. Our congratulations to all the students whose efforts last year were recognized.

From those nominated the overall winners in Best Effort, Most Improved and Academic were

Grade 1 Deanna Minchau, Greg MacKay, Alena Ho.
Grade 2 - Stacy Larson, Jason Costall, Leslie Creasy.
Grade 3 - Deana Prior, Heather White.
Grade 4 - Diana Soucy, Billie Jo King, Denise Crawford.
Grade 5 - Linda Larson, Sherry Haun, Douglas Hollinger.
Grade 6 - Lyndon Iddings, Leigh Currie, Stanley Boomhower, Trent Larson.
Grade 7 - Sherri Fuder, Lynette Iddings, Carrie Lien, Caurnie Lien.
Grade Eight - Karen Newton, Mary Ann Holt, Carolyn Ericksen.
Grade 9 - Susan Ho, Derek Pierre, Howard Jackson.
Grade 10 - Lynette Barss,, Gladys Ganie, Lynn Smith.
Grade 11 - Bonnie Dunbar, Roger King, Doug Burton.
Grade 12 - Elaine Majcher, Dianna Majcher, Sylvia Strojek
Music Award - Sylvia Strojek
Rural Safety Award - Trent Larson
Best Actress - Sylvia Strojek
Anita Newton
Best Actor - Bob Allen
Citizenship - Paralee Holt
Outdoor Education - Brad Hill
William Walker Memorial - Sylvia Strojek
Sportsmanship Awards
Darryl Nilson, Paralee Holt, Brad Hill, Dawn Kellar.
Terri Moore Award - Dale Torgunson
A.T.A. Award to the two top students in the Division both from Irma - Sylvia Strojek and Elaine Majcher.

The Student's Union wish to thank Mr. Racine, coach of the Wainwright Commandos, for their presentation of a plaque recognizing the Irma students who have supported the Commandos. A very nice gesture.

Our thanks as well to our guests who presented the awards: Mr. Birchill, Mr. Newton, Mr. Littlewood, Mrs. McRoberts, Mr. Racine, Mr. Moore, and Mr. MacKay.

We are only sorry that all our pictures which were taken that night were ruined in the developing.

SCHOOL PICTURES

Tomorrow (Thursday, 26 of October) Canadian School Studios will be taking student photographs. Pre-schoolers can come at 9:00 a.m. for photos.

DR. PUPPETRY

The Band Aiders, with the Recreation Board, are presenting Dr. Puppetry on November 2nd at 8:00 p.m. in the school auditorium. This is an excellent family show, with tickets only $2.50 for adults and $1.50 for students and younger if you buy them in the pre-sale drive. At the door, the tickets will be 50 cents more.

THE IRMA RESTAURANT

Enjoy Family Dining... Out

Harry Child Celebrates 80 Years

On October 4th, 1978 Harry Child celebrated his 80th birthday. On the 8th, the family gathered to celebrate the occasion with a pot-luck dinner. Folks came from Edson, Stony Plain, St. Albert, Edmonton, Sherwood Park, Bonnyville, Viking and Killam. A total of forty people attended the supper. Much reminiscing was enjoyed, especially over a photo album that "Grandpa" had put together. Harry is the first member of the Child family to reach the grand age of eighty years.

Harry was born in England. He moved to Canada in 1904 and resided in the Killam area until 1942, at which time he moved to the Viking area. This move brought him to a location just east of the Town of Viking (the land now being farmed by Steve and Andy Jakubec). In 1950, he moved to Viking and raised chickens on the outskirts of Town as well as doing some farming. In 1960, his beloved wife May passed away. In 1961, he suffered a slight heart attack and retired from farming. After living in Vialta Lodge as well as on his own, he remarried in 1969, at which time he moved to Moose Jaw, Saskatchewan.

Harry, during the years in Viking, was very active in the community. He was one of the founding directors of the Viking Co-op Store and Service Station, and acted as Chairman of the Board for a long period of time. Harry was also Chairman of the Viking Hospital Board for a number of years. He was Warden of the Viking Anglican Church as well as lending a helping hand in numerous other community affairs.

While resident in Moose Jaw, Harry became interested in building toys for children as a pastime. This blossomed into a very unique hobby that has become his pride and joy....the building of authentic scale sized repiras of covered wagons. There are now approximately 150 distributed throughout Canada. Harry has won prizes at the Royal Winter Fair and the Moose Jaw Fair as well as having one replica presented to the Lt. Governor of Saskatchewan and another to John Diebenbaker. Perhaps the most intriguing part of his hobby is that all items he constructs are made from "jigs" which assures that each model is exactly the same as the original it was designed from. Harry is very particular; choosing only authentic woods and spends a great deal of time gathering his materials.

In 1978, his second wife passed away, at which time he moved to his daughter's residence in Red Deer. He is now feeling quite well; although he was ill for a month or two and is now looking forward to getting back to his workshop.

Harry has one son - Ralph of Viking as well as two daughters, Mrs. Ilene Connolly of Red Deer and Mrs. Gwen Daniel who lives in Edson. harry would like to hear from his old friends in the area and can be reached at 45 Oats Green, Red Deer.

Irma New Horizons

Ten members of Irma New Horizons Club journeyed to Bruce on Monday October 16 to take part in the official opening of the Bruce Senior Citizens Club. The meeting took place in one of the two rooms which the club has rented in the school building. The room was filled to capacity with members from all the clubs from Irma to Tofield.

George Knudslien was chairman. He did a very good job of conducting the meeting and introducing the head table guests. The guests included Don Mazinkowski, M.P. from Vegreville, John Sowiak who appeared on behalf of John Petuak M.L.A. who was unable to attend due to legislative duties, Donald Mayne from New Horizons and Pastor Hindman, Mr. Baker and Collen Walker, Recreation Administrators for the County of Beaver.

The ribbon cutting was carried out by Mr. Mazinkowski, the ribbon being held by Art Minchau, President of the club and Mr. Seigel.

Representatives of the various clubs spoke and gave an outline of activities, etc.

The lady who represented the Ryley Club gave an interesting account of the activities of their members and said they were propreen as a Senior Citizens clubs in the area. They would like to suggest that an area organization be formed with one or two representatives from each club. This new group would meet once or twice each year when ideas would be exchanged and suggestions debated, etc.

Irma New Horizons Drop-In Centre is open every week day from 2 until 5 p.m. for members and friends. On Wednesday, a whist drive was enjoyed by six tables. Gunnar Larson and Otto Charlton a visitor, tied for gents first and had to cut cards. Otto won the cut. The Consolation went to Jim Jackson. Irene Hill won ladies first. Jenny Fuder got the prize for scrabble. After lunch the pool table and shuffle board were busy. A few played crib-bage.

Fair Committee Receives Grant

Recently the Viking Fair Committee was honored by having their 1978 grant money officially presented to them by Vermilion Viking M.L.A. Tom Lysons. Fair Secretary Ileen Brower accepted the cheque on behalf of the committee. This Grant money reimburses the committee 75 per cent of the money paid out in prizes this year. An additional grant of 50 per cent of the expenses will be forthcoming as financial matters are completed. For further details see the financial statement. Treasurer Jenny Bird has prepared for this edition.

The Viking Fair Committee was also pleased to received a $100 grant for our part in the province wide farm safety program sponsored by Alberta Agriculture and Labour.

Sandra Nietfeld and Dora Hacberle designed a safety display on behalf of Viking Agricultural Society for fair day, which was on display in the hall. The display featured a garden tractor with a well planned sign cautioning people to beware that this is NO TOY and children should be kept off. Complimenting this display was the Alberta Agriculture and Labour safety display complete with films and posters. The fair committe had a photo taken of the safety display and submitted it to the Farm Safety Program. Our submission was accepted and the grant money was sent to us.

We hope these safety displays on fair day did reach several of our citizens with the message to be extra careful around farm machinery especially during this very busy fall season. In Alberta in 1977, there were 27 fatal farm accidents. Tractors are still the number one killer on farms in Alberta, nearly half the deaths involved them. Combines and balers accounted for three of last year's deaths, followed by wagons and trailers with two each and one for tillage equipment.

Machinery is not the only hazard around the farm but it, together with over-head power wires opens a whole new field of danger. Moving grain augers winged type cultivators, machinery equipped with C.B. antennas, grain bins and bale elevators and wagons all become potential hazards if care is not used when passing under power lines strung across the farm yard.

Remember that small children do not realize the dangers to be found around the average farm yard. Last year nearly half (41 per cent) of the people killed in farm accidents were children under 13 years of age. Playing near farm machinery was one main contributing factor in the deaths of these eleven children.

All these statistics come from Alberta's own farm accident monitoring program. A similar program has been started to monitor disabling accidents. That survey, though not complete for the entire province, indicates two disabling accidents a day, 25 per cent involving children under 12.

Remember that farming is the third most dangerous occupation in North America. Safety cannot be taught. People must become aware by themselves that carelessness does not pay. Several of the adult fatalities involved the victims doing something they knew was unsafe. Common sense could have prevented most of these deaths.

Our thanks to the Alberta Government for the monetary support given the fair; to Sandra and Dora for making the safety display and to Farm Trends published by Unifarm and "The Farm Safety Manuel" by Alberta Agriculture and Labour for statistics and information used in this article.

Strawberry Plains W.I.

Our October 18th meeting was held on a lovely, sunny day at the home of Mrs. Jim Jackson. Eight members were present and with the help of the phone we tracked down our two missing members. We welcomed five visitors: Mrs. Dolly Hearne, Hardisty; Mrs. Vegso from Wainwright and Mrs. Jim Craig, Mrs. Allie Bacon and Mrs. Mark Russel of Irma.

We opened our meeting by singing 'O Canada' and repeating our creed. The minutes of the August meeting were read and the Treasurer's report given. A short discussion of our Bake Sale, Tea and Handicraft Sale took place. We would like to say Thank You to all those who made this its usual success, by their attendance.

Our Secretary, Ethel King, read an outline of a proposed tour in June, 1979, which would take us into Montana, Saskatchewan, Manitoba then back to Saskatoon for the conference. Special entertainment is being "Laid on" for any men who would like to accompany their wives on this tour.

Our President, Lorna Jackson, will check into the feasibility of our W.I. visiting the Battle River Lodge some time in November.

Ethel King gave us a very enjoyable description of her three week trip to England and Holland with her sister Kay. This trip took place in September. Ethel and Kay visited the Canadian cemetary in Holland where their brother who was killed in the last war is buried. She was very impressed with how well kept all the cemetaries are compared to ours in this country.

Minnie Jackson told us about her trip to Fort Edmonton and their tour. Minnie was pleased that she was able to ride to Edmonton with Irma W.I. members. She enjoyed meeting the visitors from England and hopes to be a pen-pal with a lady who visits the village where Minnie lived before coming to Canada.

Lorna Jackson read a very humorous article, written by a child "What is a Grandmother?" This was to let. Bernie Long know what is expected of her when the happy event takes place.

Pennies for Friendship exacted 7 cents from each member.

The November meeting will be held at the home of Mrs. Irving Bell; Hostesses - Lorna Jackson and Minnie Jackson; Raffle - Betty Passtor, Roll Call - Home and Country.

We enjoyed our lunch and visit and sampled Lorna's raffle gift.

Junior High Country and Western Day

The Viking Junior High Students Union held their first meeting on October 4th.

Four members were elected from each grade. This year's members are as follows: Cindy Fornal, Sandra Fornal, Clinton Hosler, Patti Ash, Jeff Johnston, Kevin Delaney, Shannon Place, Elaine Rozmahel, Gail Bird, Mike Hoffman, Victor Sloboda and Valerie Selzler.

Our first project is a country and western day, which will be held on Friday, October 27th. A country and western band, lead by Mr. Norrie will provide music for the elementary and junior high school students in the morning. The public is invited to attend during noon hour (11:45 - 12:45). All teachers and students are asked to dress "country" for the day.

By Valerie Selzler

Echo - Rodino Report

Mr. and Mrs. Norman Jones of Calgary visited last weekend at the home of Trudy Hollar.

Most of the week found work bees at Rodino Hall to get the panel board, insulation and furnace in before the dine and dance on Saturday night. All the hard work paid off as Saturday night found the hall in fine shape and ready for the large crowd that enjoyed themselves in our country hall.

Bruce and Harold Greenwood left Friday to take in a weekend of hunting in the Slave Lake area.

Mr. and Mrs. George Forester of Looma visited the Mike Mackowosky residence over the weekend.

Weekend visitors to their homes were Shirley Greenwood and Bill and Lisa Taylor and baby.

Lorraine and Douglas Prosser arrived home for the weekend with a friend, Morris, who had the misfortune of getting seriously hurt while riding a horse and ended up in hospital in Edmonton. Get well Morris.

Maxine, Kelly and Tom spent the weekend in Lloydminster with Maxine's daughter Trudy. While there, they attended a wedding of some friends.

Marlene and Larry Mizera and Baby Darwin of Edson were home for a visit to the Robert Greenwood residence. Grandpa and Grandma Greenwood got a chance to do a little spoiling on the grandson.

Ryley to Hold Swimathon

The annual swimathon sponsored by the Beaver Heritage and Agricultural Society will be held Sunday afternoon, October 29 at the Ryley pool. The event, which starts at 1:00 p.m. gives local swimmers the opportunity to help raise money for the operation of the pool. The pool is unique to any other swimming facility in that all monies for operation are raised by the Beaver Heritage and Agricultural Society and donations from groups and individuals - no money for operation comes from any provincial or municipal source.

Participating swimmers will be given a definite time in which to complete their laps. Beginners and pre-beginners will have fifteen minutes to swim or walk widths; more advanced swimmers will do lengths.

Each swimmer has a sheet which lists those individuals who sponsor the swimmer at a rate set by the sponsor. Income tax receipts will be issued by the society as soon as the money is collected and turned in. Spectators are encouraged to attend and watch the swimathon which will continue throughout the afternoon.

Viking School Awards Presented

The Viking School held its annual awards night on Thursday, October 19, 1978. The evening included a presentation by the Viking Wildlife Club and the debut of the Viking Holden Stage Band. As well, the Elementary School choir sang for the first time and awards were presented to junior and senior high school students.

The ceremonies opened with a welcome by the Principal, Dennis Watson. The stage band proceeded to play their first song of the evening, Chorale by J. C. Bach.

The Viking Wildlife Club gave a slide presentation of the trip they took to Goldeye, near Nordegg, Alberta. The trip taken last June, appeared to be very beneficial to all students who went.

Following the slide presentation, the Elementary Choir sang three songs, Puff the Magic Dragon, Happy Wanderer and You Are My Sunshine. Miss Laura Wesley was the soloist in the last song, You Are My Sunshine. All three songs were sang with such enthusiasm that it warmed your heart.

Awards were then presented to the students who showed exceptional abilities in the different areas of school work. The awards and winners are as follows:

GRADE SEVEN AWARDS
ACHIEVEMENT
Debbie Petruk
MOST IMPROVEMENT
Elaine Rozmahel
SCHOOL CITIZENSHIP
Sindy Piwowar

GRADE EIGHT AWARDS
ACHIEVEMENT
Marion Zelinski
MOST IMPROVEMENT
Kenny Starzko
SCHOOL CITIZENSHIP
Victor Sloboda

GRADE NINE AWARDS
ACHIEVEMENT
Glen McGinitie
MOST IMPROVEMENT
Cheryl Giroux

The Stage Band, under the direction of Mr. E. Norris, played Rock Around The Clock, and Let It Be Me. Although the Stage Band has only had four practices together, the sound that they produced was very good.

Coffee and cookies were then served to bring the evening to a close.

The grade ten boys dressed up as cheerleaders for "Super Soccer 78" held at the Viking School on Friday, October 20. The afternoon included a soccer game between the grade ten and eleven girls as the boys cheered them on. Students Union "awards" followed the game. Staff Photo

Report Released on Viking Hospital Emergency Plan Practice

Bill Taylor [pictured above] is one of thirty Canadians to attend the Emergency Planning Conference in Ottawa on November 6 to 9. Staff Photo

The Report on the Viking Hospital Emergency Plan Exercise, completed after consultation with local officials, has been released. Although the report is generally critical of the exercise, it does acknowledge that the exercise was "...a fine learning exercise for all concerned and much was gained".

Mr. S. Harbin, District Officer for the Alberta Disaster Services, noted that the alerting procedures for the disaster exercise were neither followed, nor were they effective. The report states that the delivery of stretchers to the scene was late due to a 21 minute delay in informing the hospital. The report also notes that the R.C.M.P. were never notified.

In terms of Emergency Site Control, the report states that "for sometime there was none". It goes on to read that "only the decision making of Councillor Taylor helped maintain some semblance of order".

Under Casualty Handling Arrangements at Site, the observations began with "surprisingly poor". Other observations were: "Very little patient sorting was done, there was no indication of priority setting, some serious injuries were over looked and no one exercised any authority". The conclusion in this area reads: "All the above points to a lack of training of response personnel and the need for a 'casualty handling' course. Most of all, an aggressive and well versed leader of the First Aiders is required".

In terms of Emergency Communications, the comments read "partially effective only". The telephone fan-out plan was not followed adequately, but the C.B. link with the Hospital was good.

The Traffic Control and External Security at the Hospital was rated as "very good". Praise went to the Director of the Hospital, Rod Krips, for personally taking charge and being strict with traffic flow and outside security.

As to whether or not the exercise was a meaningful test of the municipal plan insofar as implemented, Mr. Harbin's response was affirmative. He commented "Because of numerous and obvious mistakes by response personnel at the scene, many helpful lessons were learned. Key authorities now recognize the need for a more critical approach to the Peacetime Emergency Operations Plan, the value of training, practice, etc., and most certainly the necessity of having a site commander who will exercise some degree of authority".

In his concluding comments, Mr. Harbin noted that "instruction in casualty handling is acutely required. A more concerted effort to mobilize and record Response Personnel would enhance the local response capability".

Although the Emergency Plan Exercise was heavily criticized by the District Officer, it wa mainly a learning exercise and much was learned. Because of this exercise, Viking will be better able to handle a peacetime emergency.

Taylor to Attend Ottawa Conference

Bill Taylor of Viking has been chosen as one of four Albertans to attend the Emergency Planning Conference of Mayors and Municipal Officials in Ottawa from November 6 to 9. The aim of the Conference is to assist mayors and municipal officials in their responsibilities for the development of plans and the implementation of preparations to meet emergency situations.

The scope of the Conference will include planning, operational concepts and practices designed to emphasize the significance of municipal responsibilities and the extend of local contributions in emergencies.

The Conference provides for 30 representatives from across Canada, with Alberta being allocated 4 of the 30 openings. Mr. Taylor stated that he was attending as the Council representative in this area for the Alberta Disaster Services.

Mr. Taylor belonged to the old Emergency Measures Organization for a number of years, and was on the Viking Fire Department for approximately 15 years. He served for a period as Assistant Fire Chief of the Viking Fire Department.

During his work with the E.M.O. and A.D.S.,Mr. Taylor has attended many emergency oriented courses. Some of these included courses on radiation, the emergency feeding of evacuated residents, evacuation, first aid, and nuclear fall-out. He now serves in an advisory capacity with the Viking Fire Department due to his training and lengthy experience.

Mr. Taylor sees the aim of his attending the Conference as preparing him to help organize emergency procedures on the local level.

Big Game Hunting Season Opens

As the colors of fall slowly change from a colorful gold to a grayish-brown of the dormant forests, the big game hunter finds himself enthused in the "Art" of hunting a big game species which inhabits a particular habitat which he feels is the most beautiful factor in being engaged in such as outdoor sport.

In the surrounding area the most abundant big game species is the White-tailed deer, and Mule deer, which inhabits an Aspen-Parkland habitat.

The White-tailed deer is reddish-brown in colour with a white under-body. The tail is characterized by being large, bushy, and brown capped with white underpart. This species' technique of running is a series of short dashes and bounds. The antlers are characterized by individual lines off a main beam.

The mule deer is gray to brownish-gray in color, with white under-parts. The tail is small having a black tip which is set in a white rump patch. The running technique used by this species is a series of stiff-legged bounds characterized by the tail being held down. The antlers are branched from a six inch main beam.

The deer hunting season, this year, for this area is as follows: November 1 to 30 in B.G. 3 (East of Highway 36 and North of Highway 14) in B.G. 4 (West of Highway 36) November 15 to 30 in B.G. 13 (South of Highway 14 and East of Highway 36). Check 1978 Big Game Regulations for all the details concerning this year's hunting season.

Have a "Safe" and successful season. By Barry Kolenosky

Ryley Lions Sponsor Senior Citizens Housing

The Ryley Lions Club are happy to announce that the Senior Citizens' housing project that they will be administering has been approved in principal and that the Village of Ryley has forwarded an agreement for sale to Alberta Housing Corporation. Alberta Housing will be purchasing five lots located on 53rd avenue, directly south of the doctor's residence and will be building twelve apartment style living quarters there. The Lions Club have asked for twelve units, but there is the possibility that only eight will be approved.

Alberta Housing will be buying the property and paying all the construction costs and part of the administration costs, while the Lions Club will pick up the tab on the rest of the administration costs and all maintenance costs. The construction of these units is scheduled to start next fall with occupancy being aimed for the following spring.

Reported by Marlene Sinclair

On Friday, October 27, 1978 at approximately 12 noon a vehicle driven by Chester Bracha of Bruce was involved in a collision with an Alberta Power truck on Secondary Highway 857 - 5 miles north of Bruce. Chester sufferred a seperated shoulder, concussion and a severed artery of the right wrist. He is presently in Vegreville Hospital and will be transferred to Edmonton to have a specialist reset his shoulder. Staff Photo

Be a Responsible Parent

This Friday throughout the County of Beaver, and on November 28 in Irma, parent-teacher interviews will be held at the various schools. This is an opportunity for parents to question teachers on the progress of their child, to discover what specifically the teacher is attempting to accomplish with their child, and to provide input into the education of their child. For the teachers, it is an opportunity to relate the progress of the child to the parents, to clarify any misunderstandings between the parents, the teacher and the student, and to possibly work out a desirable home and school solution to any difficulties which the student may be experiencing.

This day of open communication between parents and teachers is very important in the life of the child. As parents, we should all be concerned about what is happening with our children within the educational system. Our children spend as much, if not more, time within the school as they do under parental guidance. We cannot, and must not, allow an open opportunity such as parent-teacher day to pass by without our taking part.

This is the opportunity for each parent to be involved in the education of their child. If we have questions, we must get adequate answers. As responsible parents, we must show responsibility towards both our children and the school by making every possible effort to attend this day. Students should accompany parents to the interviews. A potentially negative situation can be rectified if all parties are involved in the discussions.

On Parent-Teacher Day, let us show some responsibility towards our children by attending, with them, and taking part in their education.

AGRICULTURE
FROM MY VIEWPOINT

BY MARVIN E. MOORE,
ALBERTA MINISTER OF AGRICULTURE

Two weeks ago I had the opportunity to attend, together with the Manitoba Minister of Agriculture James Downey and a representative of Saskatchewan Minister of Agriculture Edgar Kaeding, the opening of the new Prairie Agricultural Machinery Institute (PAMI) testing station in Lethbridge.

PAMI is unique in the Western world. Its machinery test reports are in constant worldwide demand. And every year it continues to release about 50 new reports on various implements to everything but tractors with the information — strengths, capabilities and weaknesses — Alberta farmers need to judge a machine's worth. These reports also note the willingness of a manufacturer to acknowledge and overcome diagnosed faults, and sometimes include the date when a manufacturer hopes to have corrected these faults.

Since it first became operational four years ago, PAMI has built a reputation that continues to grow on Alberta farmers. Thus, the new Lethbridge station promises even more benefits for our farmers in both the immediate and longer term, and at the same time represents the completion of a long commitment of the three western governments of Alberta, Saskatchewan and Manitoba to provide adequate facilities for developing, researching and evaluating farm machinery that prairie farmers need.

Research and development is important to Alberta's agriculture industry. Many smaller prairie implement manufacturers from large companies to small one-man operations can build machines, but they can't always afford all the facilities or equipment needed to test their prototypes. In these cases, PAMI can help. When requested, its professionals go to work to test these implements and find their faults before reporting their recommendations back to the manufacturer.

In turn the manufacturer can use these suggestions to build a better machine, and in the long run market a product that Alberta farmers will find useful.

To Alberta farmers that should be significant. We hope locally built implements will be more reliable under and more specifically suited to our growing conditions. Certainly, as manufacturers produce more units, prices will be inclined to go down or at least hold steady. At the same time customer service could also be an important aspect since a local manufacturer would want to make certain of retaining his home market.

Implement exports even have a part to play. Just as grain and livestock export sales help bolster our economy, machinery sales would do the same. And greater manufacturing would provide more jobs, a continual goal of the Alberta government.

Holden Village Council Meets

Minutes of the organizational meeting of the Council of the Village of Holden, held in the village office on Wednesday, October 18, 1978.

Present were Councillors Shykora, Mackay, Lemko, Danilak, Giebelhaus, and Secretary-Treasurer Sorensen. Others present included Kathy Lemko, Secretary, and Karen Chupka, Treasurer, of the Holden Teen Club, and Earl Miller, Foreman for Border Paving.

The meeting was called to order at 7:00 p.m. by the Secretary-Treasurer and nominations for mayor of the Village of Holden for the ensuing term were called for.

Councillor Giebelhaus nominated Councillor Shykora, seconded by Councillor Lemko. There being no further nominations, the Secretary-Treasurer declared Oleh Shykora mayor of the Village of Holden and turned the meeting over to him after the Official Oath was subscribed to.

Mayor Shykora called for nominations for Deputy-Mayor. Councillor Mackay was nominated by Councillor Danilak, seconded by Councillor Giebelhaus. Councillor Lemko moved that nominations cease. Mayor Shykora declared Councillor Mackay Deputy-Mayor for the ensuing term.

Moved by Councillor Danilak that the regular meeting of the Council be held on the third Wednesday of each month at 7:30 p.m. in the Village office. Carried.

Moved by Councillor Lemko that the Village continue to use the services of the Royal Bank of Canada and that arrangements be made for signing authority of Mayor Shykora or Deputy-Mayor Mackay and Secretary-Treasurer Sorensen. Carried.

Moved by Councillor Giebelhaus that regular monthly accounts such as utility, salaries and debenture payments be authorized for payment by the Mayor and Secretary-Treasurer. Carried.

Moved by Councillor Mackay that Councillors appointed to committees remain the same as the previous year, which were as follows:

Finance and Garage - Mayor Shykora, Public Works, Sanitation and Weeds - Councillor Lemko, Water Sewer and Health - Councillor Danilak, Community Hall and Recreation - Councillor MacKay, Local and Regional Recreation Boards - Councillor MacKay and Councillor Giebelhaus as Alternate, Rural Development Council #4 - Councillor Giebelhaus, Councillor Danilak as Alternate, Director of Emergency Operation - Councillor Danilak, Beaver Foundation Board - Councillor Lemko, Vialta Lodge Management Board - Earl M. Hardy.

Moved by Councillor MacKay that the minutes of the regular meeting of September 20th, 1978 be adopted as printed. Carried.

Moved by Councillor Giebelhaus that the minutes of the special meeting of September 26th, 1978 be adopted as printed. Carried. Council agreed that the recently purchased grader be included in the present village insurance policy.

Moved by Councillor MacKay that the minutes of the special meeting of October 5th, 1978 be adopted as printed. Carried.

The Secretary-Treasurer reported that Mr. W. Boytzun was unable to attend this meeting and that he had agreed to attend the scheduled special meeting on November 8th, 1978.

Moved by Councillor Danilak that the attached accounts for payment for the amount of $31,373.09 be approved. Carried. Councillor Giebelhaus abstained from voting.

Moved by Councillor Danilak that the cash statement for the month of September, 1978 be accepted as presented. Carried.

A number of letters were received. Moved by Councillor Giebelhaus that the correspondence be received and filed. Carried.

Moved by Councillor Danilak that a letter be forwarded to CFCW in regards to the salute to Holden. Carried.

Moved by Councillor MacKay that the requested Sea Cadets' Hall bookings free of charge be approved with the stipulation that the hall and premises are left in a clean and tidy condition after each meeting. Carried.

Moved by Mayor Shykora that the Secretary-Treasurer's resignation, due to retirement, be accepted with regret and with thanks for past services. Carried.

Moved by Councillor Danilak that a new Secretary-Treasurer be advertised for. Carried.

Moved by Councillor MacKay that the billing remuneration be increased to $15.00 per month as requested by Paul McKinstry. Carried.

By-law No 12-1978 providing for the adoption of the 1978 Assessment roll for taxation purposes in the year 1978 excepting thereout all Mobile Units.

Moved by Mayor Shykora that By-law No. 12-1978 be now read for the second time. Carried. Moved by Councillor MacKay that third reading of By-law No. 12-1978 be now proceeded with. Carried unanimously. Moved by Councillor Danilak that By-law No. 12-1978 be now read for the third and final time Carried unanimously.

Councillor MacKay reported that a meeting would be held on October 23, 1978, at 8:00 p.m. for the purpose of deciding on renovations to the community hall, that the Local Recreation Board was in the process of making application for various grants and that a public meeting was scheduled for November 21, 1978, to discuss revisions to the Recreation Master Plan.

Kathy Lemko and Karen Chupka representatives of the Holden Teen Club, attended the meeting at 8:00 p.m. On behalf of the Club, they presented Council with a donation of $200 to be used towards installation of 220 wiring in the community hall in order to accommodate the dance bands. Moved by Councillor Lemko that the donation be accepted and that the necessary wiring be proceeded with as quickly as possible. Carried.

It was reported that some unruliness had been experienced during the closing time of the last Teen Club Dance.

Council suggested that the Teen Club forward a letter to the R.C.M.P. explaining the situation and asking same to patrol the Village during the closing hour of future dances.

Moved by Councillor Danilak that the Secretary-Treasurer be authorized to also forward a letter to the R.C.M.P. requesting same. Carried.

Moved by Councillor Danilak that an order be issued, according to the Municipal Government Act (Sec. 1581 to A. & C. Chomic to demolish and remove the buildings on lots E ½ 21 and all 22 in Block 1 and level the site thereof within 30 days. Carried.

Mr. Earl Miller, Border Paving Ltd. Foreman, attended the meeting at 9:00 p.m. Various items, in regards to the Street Improvement Program now in progress, were discussed, including the improvement of the approximately 250 ft. of road between the west end of the Progam and the Secondary Road 855. Mr. Miller agreed that his firm would supply equipment and materials for the improvement of the said 250 ft. at extra cost.

Moved by Councillor MacKay that the Street Improvement Committee be authorized to improve the road between west end of Program and Secondary Road 855 as seen fit. Carried.

Mr. Miller retired from the meeting at 9:15 p.m.

Councillor Lemko inquired as to whom was responsible for gravelling and maintaining the elevator road. Council were of the opinion that the village was not responsible for this road as it is on private property.

Councillor Lemko reported that arrangements were being made for a meeting among representatives of towns and villages within the county to discuss uses and users of nuisance grounds. Also that county equipment would be digging a new garbage pit at the village nuisance grounds in the near future.

This meeting adjourned at 9:45 p.m. on motion of Councillor Lemko.

Poppy Day - November 4th

On Saturday, November 4th, the local members of the C.G.I.T. program will be conducting their Annual Poppy Sale. The sale is sponsored by the Viking Branch of the Royal Canadian Legion.

All profits received from this sale are used to help Veterans and their dependants in the Viking district. Please give generously when approached by members of the C.G.I.T.

Former Resident to Mark 108 Years

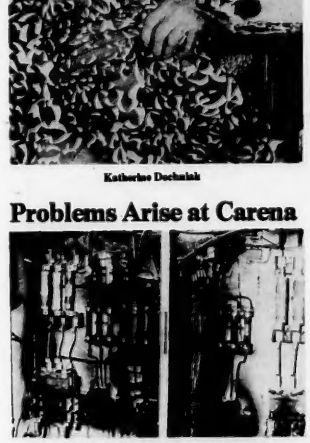
Katherine Dochniak

Katherine (Chony) Dochniak will mark her 108th birthday on December 18. On Sunday, October 22, a number of her relatives hosted a birthday celebration at the Beaver-Flagstaff Auxiliary Hospital at Killam, where she has made her home for the past eight years. Mrs. Dochniak lived in Bruce for fifteen years but moved to Vialta Lodge in Viking after her husband died. She was a guest there for eight years before moving to Killam.

"Grandma" Dochniak, as she is well known to people in this area, raised seven children. Her only son passed away many years ago but she has six daughters who, with the exception of one, live nearby: Mary Mizera of Camrose, Frances Mizera of Bruce, Rose Kishlawich of Dayaland, Josie Wozney of Wainwright, Louise Wancho of Round Hill and Angela Smith of Burnaby, B.C.

This amazing lady has 34 grandchildren, 67 great-grandchildren and 15 great great grandchildren. She was able to sit at the table and share her birthday cake with the guests and appreciate all the special attention from her family. Attending from Bruce were daughter and son-in-law, Frances and Pete Mizera and granddaughter Isabelle Lund and her husband Marvin.

Problems Arise at Carena



Pictured above is the electrical panel for the ice plant in the Viking Carena which was destroyed by fire on Friday, October 27. Staff Photo

The Viking Carena has been the site of two major problems in the last week. On Monday, October 23, the compressor in the Carena ceased to work due to the fact that the discharge valve broke. This valve fell into the cylinder causing the piston and rod to break.

That problem was rectified by Wednesday of last week and the installation of ice began.

However, on Friday it was discovered that there had been a fire in the electrical panel that operates the ice plant. Mr. Joe Makar and an Inspector tried to locate the cause of the fire. They feel that the fire may have been caused by the vibration of the motor causing two wires to rub together. Normally, the electricity in these two wires should have arced and a fuse should have blown. However, this section was not protected by a fuse and this caused a gas to build up and a flash fire to occur.

The Inspector suggested that to prevent the same problem from occurring, the electrical panel should be mounted on a wall rather than on the motor.

The electrical panel was sent to Edmonton to be repaired and sould be back by Wednesday, ready for installation. The Carena Committee hopes that the ice will be in by Sunday so that the Power Skating Clinic may proceed.

Recreation Report

By Colleen Walker

Holden Theatre Project

The progress of the Arts Centre (Holden Theatre) is moving along slowly. October is drawing to a close and we only have two and half weeks to complete painting, installing seats for the first booking of November 17, 1978.

Sub contractors are hard to keep on the job to get things completed. When they fail to arrive on the days they promised, it holds up the main general work.

To date the work that has been completed is:

Outside front of the building, the roof repairs, town installation of sewer and water to property line. Inside - Washroom partitions have all been built in and suspended ceiling. Gyprocing has been completed, taping and cracking, filling is being completed this week, then painting will take place. Accaustic tiling has been done. Sound is in and awaiting to be connected. Lighting - dimmer and colored lighting is in, put up and awaiting electricians to connect. Floors - should be tiled and carpet should be finalized by November 5/78. Wood flooring is now being laid. Scaffolding has been taken down now so the appearance is beginning to take shape.

The first use of the facility will be on October 24, 1978 at 7:30 p.m. when the Beaver Regional Arts Society will hold their fall meeting to plan for the 1979 Arts and Music Festival and look at programs of Performing Arts to book for 1978 and 1979.

Citizens of theCounty have already come forward and volunteered to help with the lighting, staging, etc. We could use help now to finish off the painting and little jobs, especially in the evenings.

November 13 and 14 will see a meeting being held each evening for all those interested in Drama. Discussion of forming a group to put on local amateur plays and the future casting will take place for "Butterflies are free".

Anyone that is interested in drama, comedy, musicals, stagecraft, properties, front of house, lighting, wardrobe, or any of the fine arts are welcome to come and take part. Bring your ideas and suggestions. Two directors are waiting to start action.

See you all there!!

Men's Basketball League

The first game of the men's basketball league will be held November 1st. Kinsella will be at Viking, 9:00 p.m. and Tofield will be at Holden, 7:30 p.m. If you are interested in playing on one of these teams, why not call the team representative for further information:

Kinsella - Jack Welch 336-2564

Viking - Jim Jepson 336-4799

Frank Morwood 336-3072

Holden - Walter Stefanik 336-3370

Tofield - Robert Schacker 662-2231

There is no charge for watching and everyone is welcome. Come out and watch some men's basketball.

Ladies' Basketball

The ladies are really doing well organizing teams. Viking has a team, contact Norma Pon for practise times and other information. Tofield and Ryley are ganging together to form a team.

Contact Susie Williams of Tofield for information on the Tofield-Ryley team.

Badminton

Badminton evenings are starting soon in almost every community. A reminder of the fee: 50 cents per evening or $5.00 for the season to play in one club or $10.00 for the season to play in Tofield, Ryley and Holden clubs.

Curling Clinic

Curling clinics will be held in Tofield, Ryley and Viking this year. Fee for all clinics is $8.00. Lessons will consist of three, one and a half hour sessions.

To register, mail in your name, address, phone number, and fee to Regional Recreation, Box 5, Ryley or drop by our office located in the County office building in Ryley.

Senior Citizens

"Dance All Night" is scheduled for November 22, 7:30-10:30 p.m. in the Tofield Community Hall. The Lions Club of Edmonton seniors whom we visited last April would like to return our visit. This evening has been planned with the Edmonton group in mind as well as our own County of Beaver gang. The evening will include dancing, cards, film presentation on the South Seas and lunch served by the Tofield Golden Club.

Tickets are $2.00 and can be purchased from the following people.

Kinsella - Mrs. Cazmar Garvie

Viking - Mrs. Day Dorwood

Bruce - Mrs. Lillian Teske

Holden - Mrs. Kathleen Hurum

Ryley - Mrs. Margaret Bruggy

Tofield - Jeanette Damberger

The fee includes busride and admission. Lunch will be available.

Please phone Colleen at 663-3730 for further information.

JAZZ, BALLET, TAP

BATON DANCE,

In January we are thinking of offering jazz, ballet, tap or baton dance lessons in the Viking area. Adult exercise courses could also be run at this time.

A qualified instructor has been in contact with us and would be interested in coming out January through May to do the above courses. Sessions would consist of four week classes in jazz, ballet, tap or baton. Five sessions could be available to each student.

Before we can even think of hiring an instructor, we must have forty people interested in taking some form of dance. If you would be interested, it is essential that you call. It might make the difference between having OR NOT having the lessons. Please contact Colleen at 663-3730 and leave your name, address and phone number.

LADIES VOLLEYBALL

Hey ladies, it's volleyball season again. A reminder that volleyball can be played every Monday evening 8:00 to 10:00 p.m. at the Ryley School gymnasium. The fee of $5 lets you play weekly from November to April. Pretty cheap entertainment.

It has been suggested that volleyball go co-ed. Do you think it is a good idea? Us gals will have to practise so the guys won't show us up.

CURLING CLINIC - RYLEY

The curling clinic has been pushed back a couple of weekends due to the fact that the Ryley curling club has been unable to find a caretaker. Dates will appear next week.

The clinic will be held in the same weekend format.

LADIES KEEP FIT - VIKING

The ladies keep fit at Viking has been cancelled because of lack of registrations.

CURLING CLINIC - VIKING

The Viking curling clinic will be held November 13, 14, and 15. I hope this post-ponement has not caused any problems.

PROGRESSIVE FARMING

James B. MacKay, Dist. Agriculturist — Bill Brass - Ass't Dist. Agriculturist

Applications are now available at the Ryley Agriculture Office for the Alberta Rapeseed Course to commence January 15, 1979. The Alberta Rapeseed Course is a home-study course consisting of 8 lessons and runs for 8 consecutive weeks. The course enables you to study at home where it is convenient to you. The course is flexible enough to let you study at the depth you require and yet comprehensive enough to answer your rapeseed production questions.

Topics will include the following:

1. How rapeseed is utilized
2. Varieties
3. Soils and how to fertilize rapeseed
4. Seed and Seeding
5. Harvesting, storage, and grading.
6. Weed, insect and pest control
7. Market

When completed, the Alberta Rapeseed Course will provide you with an excellent reference guide for future review.

The cost of this course is $39.00, which is quite reasonable.

There will be a Cattle Nutrition Home Study Course also commencing approximately January 15, 1979. This course will focus on Cattle Nutrition, feeding, and management. Further information concerning this course will be forthcoming.

SIDENOTE: Bumper sticker seen on a farmer's 1/2 ton truck, "Crime doesn't pay, neither does farming!"

A.A. Anniversary to be Held

Alcoholics Anonymous will celebrate its 28th Anniversary in the Province of Alberta, with a convention to be held November 3rd, 4th, and 5th, 1978, at the Hotel MacDonald and the Chateau Lacombe in Edmonton.

All meetings are open to those interested in the problem of alcoholism and there will be a special public information meeting on Sunday, November 5th at 1:30 p.m.

Speakers are members of A.A. who will comment on their past problems with alcohol and tell of their recovery through Alcoholics Anonymous. Also scheduled to speak are a member of Alanon and a member of Alateen (organizations for the family of the alcoholic).

A.A. is a fellowship of men and women who share their experience, strength and hope with each other in order to solve their common problem and to help others recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fees and A.A. is not allied with any other organization. The primary purpose of its members is to stay sober and to help other alcoholics achieve sobriety.

For further information please contact the A.A. office in Edmonton at 482-6783.

Profile: Rodney Krips

As Hospital Administrator at the Viking Hospital as well as holding positions in the Alberta Hospital Association; Rodney Krips still finds time to community involvement.

This is Rodney's second year on the Group Committee for cubs, beavers and scouts. He is also a member of the Fire Department and 2nd Vice-Pres. of the Viking and District Chamber of Commerce. He also coached the 10 and under baseball team in Viking for two years.

Rodney was born in Scott, Saskatchewan and raised on his parents farm in Unity, Saskatchewan. He received all his schooling in Unity and attended the University of Saskatchewan in Saskatoon where he took Hospital Administration. His father, now retired, was a farmer and the International Harvester dealer. Rodney's parents still live in Unity.

In 1970, he was employed by H & R Block as District Manager for Northern Saskatchewan. Two years later Rod and his wife Ellen moved to Jasper where he worked as Business Manager at the Seton General Hospital. While in Jasper, he was involved in the planning of their new hospital which is, coincidentally, very similar to the new one planned for Viking. In 1975, the Krips' moved to Viking where Rodney took the position as Hospital Administrator.

Rodney is also part of the Canadian College of Health Service Executives, and the Provincial Planning Committee of the Alberta Hospital Association and the Resolutions Committee for the 1978 Alberta Hospital Convention. The Planning Committee is made up of hospital representatives from across Alberta which join their opinions and ideas with the provincial government to get a more realistic idea of the needs of Alberta hospitals. The Resolutions Committee take resolutions from Alberta hospitals and present them during the agenda of the convention for discussion.

Besides these jobs, Rod is a Preceptor of hospital students. This involves being advisors, consultants and teachers to students in the management sector of the health care field through correspondence. He is also spending the majority of his time in planning and organizing Viking's new General Hospital.

Rodney and Ellen have two sons. Kelvin is in Grade six this year and Jason is in Grade two. Ellen is Head Nurse at the Viking Hospital.

Rodney tries to get in some flying when he can; having his pilots license for a number of years. He also reads a lot and enjoys hiking and the outdoors. He and his wife Ellen are also avid fans of the Saskatchewan Roughriders.

Vialta Lodge News

Visiting with Mrs. Reger from Camrose were her daughter and son-in-law and grandson, Carol, Wilfred and Dan Helgeland.

Calling on Mr. Elmer Johnson from Provost were Gladys and Dawn Paulgaard and Mary Finseth from Tofield.

Elma Loken, Florence Maasand, Carol Uglen, Esther Leiren and Sonja Uglen of Bawlf visited with Mrs. Sarjeant.

Mrs. Doris Likness of Irma was in to see Mrs. Elness.

Our sincere thanks to all who have left vegetables, crabapples quilt blocks, etc. at the Lodge, all are most appreciated.

Ashley Murray of Irma dropped in to see Mr. Masson.

Also visiting at the Lodge last Saturday were Mrs. Andy Place, Penny Place, Krystal Fyall of Kelowna, B.C. and Mrs. Shirley Kenry of Vernon, B.C.

Reg Suddaby called on Wednesday to see his Mother.

Mr. Stan Headrick of Vancouver visited his Mother on Friday and took her out for supper.

Helen and Nels Jensen from Everitt, Washington called to see Mr. Gibson, also Otto and Alma Koetke of Daysland.

Mrs. Evans had her daughter and son-in-law from Calgary call on Saturday. Delta and Harold Holmes called in. Mrs. Evans also attended the 50th Wedding Anniversary of Mr. and Mrs. Selma Holmes on Saturday evening. Also calling on her was Gwen Hooper of Holden who took her out for dinner.

Visiting Mrs. Elness and Mrs. D'Arcy were Mel, Myrna and Jamie and Kari Mackey of Killam.

Friday, the 27th, Mrs. Sorenson celebrated her birthday and had many of her relatives and friends call on her to wish her many happy returns.

Visiting Mrs. D'Arcy were her sisters from Edmonton, Ethel Couturier and A. Chadderton.

Our Anniversary Tea and Bazaar will be held on Saturday, November 18th, from 2 to 4 p.m. All are welcome.

Bingo for November will be held on Wednesday, November the 15th.

Mrs. Sheets enjoyed a family gathering with all her family on Sunday afternoon to celebrate her 90th birthday which is on November 2nd.

Mrs. Johnson spent the weekend in Camrose with her family.

Mrs. Rodwell had her daughter and family of Mannville call Sunday and take her out for dinner.

Mrs. Pederson had her son and grandson of Barrhead call on Sunday and take her home with them for a visit.

Greetings to Mrs. Suddaby and Mr. Beschell who are at present in the hospital.

Other guests out on Sunday with relatives were Mr. Lindberg, Mr. Gommeringer, Mr. Gibson, Mr. Whiteford, Mrs. Hunt and Mr. Roddick.

Thursday afternoon, we all enjoyed having the Grade one pupils and their teachers call and sing for us.

The Viking Brownie Pack meets every Tuesday after school. Making up the group this year are [front row Left to Right] Mary Lou McIsaac, Tracy Weeks, Luanne Marko, Glenda Klusnick, Laurie Plowsar [Back Row Left to Right] Laurie Sevcik, Pam Ovsenbek, Janeen Majchr., Kathy Kidd and Sandra Otto. Yvonne Anderson is the Brown Owl, Marie Hansen is Tawny Owl and Marilyn Ash is Snowy Owl.

Duck Identification

RUDDY DUCK

The Ruddy Duck is the most common duck in Alberta. This means that this species of duck lives in larger deeper water bodies and dives to the bottom of the water body to obtain food. They also have the ability to swim under water for great distances to escape danger. Their diets usually consist of fish, aquatic insects and aquatic plants which are used as a second choice of diet.

This species of duck has a thick body, with a short neck and fairly large head. The male has a large black crown on its with white cheek patches. The underparts are a whitish-gray, with the rest of the body reddish-brown in color.

The female is a light brown, with whitish cheeks and a darker brown crown. The underparts are a whitish-gray, streaked with brown. Both male and female have blue black beaks and feet.

Their flight is awkward, jerky and uneven paced, with no particular flight pattern. They also have no particular voice pattern. They also have particular voice patterns, but sometimes if greatly alarmed, they will "purr" loudly. The common name is the "Stout White Patch Diver".

BALDPATE (Widgeon)

The Baldpate is very common in Alberta and is found particularly in any shallow body of water. The Baldpate is considered to be a puddle duck, which means he spends most of the time feeding in shallow water bodies. It is not typical for this species to feed on land but, if water vegetation is scarce, they may turn to land feeding.

The male's neck and head is brownish-black, with a green patch behind the eye, and a white capped head. The rest of the body is reddish-brown with spots of black and white. The speculum is a greenish-black, barred with a white patch in the front of the wing. The female's head and neck is brownish-gray and the back brownish-red while the underparts are white. The speculum is the same as the male but instead of white, it has gray. Both male and female feet are grayish-black. Their beaks are also of the same color - greyish-black.

This species is considered to be a very watchful bird, since with the slightest alarm the bird will take to flight. They fly in small, compact flocks, having a fast, irregular flying pattern. The Drakes voice is a "whistle" and the hens voice is a loud "koow" or a soft "quawk".

Its common name is the widgeon or speckled belly.

New Business Opens

Shown above is Darlene Sroka who will officially open Darlene's Grocery and Coffee Shop on Saturday, November 4. Darlene has renovated the building which formerly housed Gladys' Grocery and besides carrying a full line of groceries, she will have a coffee shop in the rear of the store. She plans to be open for business Monday through Saturday from 9 a.m. to 6 p.m.

Darlene, who is 22 years old, was raised along with her brother and two sisters on a farm 12 miles south of Bruce. Her parents Peggy and Frank Sroka still live on the farm. Darlene spent her early years at Strome and completed her education at Daysland. For the past 4½ years she has been employed by the Hudson Bay Vending Wholesale where she made deliveries throughout the city. However she disliked city life and after much thought decided to try a business of her own. Darlene claims to be a country girl at heart.

A gala opening day is planned with free coffee and doughnuts all day and draw for a grocery hamper. We are pleased to welcome Darlene to our community and wish her success in her business venture.

The Homemaker

By Diane Luke

INDEPENDENT

Recently I spent a week in Moose Jaw visiting my parents. As I drove home I heard a radio action line speaker talking about family life. One of his remarks was that the mark of successful parenting was teaching the child to be independent. I though of this statement again as I listened to Pierre Turgeon speak at the Saskatchewan Home Economics Teachers Convention. He too stressed the importance of raising children to be independent. He talked about "lovingly booting his children out into the world" as they grew up.

Ruth Fremes, co-author of Nutriscore and hostess of "What's Cooking", also spoke at the Convention. She talked about the convention theme, "Feeling Groovy, Feeling Fine". She said that feeling fine simply means by and large we are comfortable with ourselves and in the best possible health. She emphasized the importance of good nutrition and exercise if we want to feel fine. She also discussed fostering independence. Her point was emphasized by the story of the little boy who ran away from home but wouldn't cross the street unless his mother took him. If we want the groovy feeling that comes from being independent, we have to have permission to cross the road.

A fostering of independence comes in stages. We need to give children a chance to make small decisions so that they can gain the practice and experience they need when they have to make larger ones. Sometimes parents need to say no and as Pierre Turgeon emphasized feel good about saying no because they know that it is in the child's best interest.

Independence comes in small ways too. My year old nephew is learning to feed himself. What a mess! It would be much simpler to take the spoon away from him and shovel the food in. However he is developing independence so we let him go to it....and then wash Michael, the chair, the floor, etc.

Independent....It's a good word.

CHEESE FOR LUNCH

I've heard a few people say lately that they'd like some different ideas for lunch. Why not try some cheese dishes.

Cooking with cheese is not difficult, but remember:

-Cheese, as with all high protein foods, becomes tough and stringy if overcooked.

-Long cooking of cheese must be at a low temperature; high temperatures should be used for frying or browning.

- Cheese is easily scorched, so always use a heavy pan or double boiler.

-Cheese heated beyond the melting point separates out, unless mixed with a starch such as pasta, flour or cereal.

-Grate cheese before adding to a sauce or casserole. This will prevent toughening and shorten the cooking time.

-A mild cheese is best with mild ingredients, a stronger cheese with stronger ingredients.

This is one of my favorite cheese lunch time meals.

WELSH RABBIT
Yield 1 1/2 Cups

2 tbsp butter or margarine
2 tbsp. flour
1 cup milk
1 cup grated cheese
1/2 tsp. salt
1/4 tsp. dry mustard
dash paprika

1. Melt margarine, add flour and blend. 2. Add milk, stir over low heat until thick. 3. Add cheese, stir until melted. 4. Add seasonings. 5. Serve immediately over buttered toast or pour over slice of tomato on toast, garnish with bacon slices.

REMINDERS

Don't forget to pre-register for the "Coping With Kids" Mother's Time Out in Ryley, beginning November 8 from 9:30 - 11:30 a.m.

There will be a sewing course at Spilstead Hall November 6, 7, 20, and 21 from 10:00 a.m. to 3:00 p.m. We will be reviewing techniques: zippers, bound button holes, and looking at speed sewing and tailoring.

DIANE LUKE
District Home Economist

Getting Your Poinsettia to Flower

The secret of getting last Christmas' poinsettia to bloom again this Christmas is to give it an uninterrupted dark period of 13 to 14 hours a day, beginning in early October and to put it in bright sunlight during the day. This treatment should be continued until the plants starts to flower, usually in six to eight weeks.

Alberta Agriculture's horticulturist specialist, Chris Campbell, says the best ways to ensure an uninterrupted dark period is to put the plant in a room where the light does not have to be turned on in the evenings or to put it in a cupboard every evenings and take it out the next when it has had 13 to 14 hours of darkness. This dark period is critical to the flowering of poinsettias. Even a minute of light during the dark period or the glare from an outside light can retard flowering.

A poinsettia plant that is undergoing the short-day treatment should be fertilized about every four weeks with a water-soluable complete fertilizer and it should have enough water to prevent it from dropping its leaves. The recommended temperature is 18 or 19 degrees C. A temperature of higher than 21 degrees C can delay flowering.

Bruce and District News

Friday, October 27, eighteen interested curlers met at the Recreation Centre to make plans for the coming season. A curling committee composed of Peter Miciak, Bruce Kawaliak, Shelley Calow, Jean and Jim Tkaczyk was appointed to get things underway. Curling fees will remain the same as last year - $20 for men, $10 for women and $5 for students. Judy Kalita will make a survey to see who are interested in ordering curling sweaters and crests. If you would like a new sweater get in touch with her at [redacted].

Koopel's store got a "new look" this week. Dennis Gahr and Adolph Tkaczyk were busy putting new shingles on the roof.

Evelyn and Harold Hissett and Bea and Grant Fredericks were in Red Deer on Saturday evening, October 28 to attend the Central Alberta Stampede Association banquet and dance to honor the winners in the C.A.S.A. rodeo circuit. Once again the Bruce Stampede Association donated a trophy for the Wild Horse Race. Ken Guenthner of Monitor was the big winner this year but was not present to receive the award.

Chester Bracha was involved in an unfortunate accident on Friday, October 27. His truck was in collision with a Calgary Power truck five miles north of Bruce at an intersection on the Bruce-Vegreville road. Chester's truck was completely demolished and he was taken to Vegreville General Hospital by ambulance.

Irvin and Eldon Lund of Edmonton were taking a look at the old hometown on Saturday afternoon. They were also taking a look at the ducks in the area and hoped to take home a few.

Holden and District News

Copies of The Weekly Review are available at the Holden Variety Store.

Mrs. Elmer Schultz of Vegreville and Mr. and Mrs. H. Raugast of Hanna are pleased to announce the engagement of their children Joan and Kevin. The wedding is to take place July 7, 1979. Joan attended all her school years at Holden school and was a graduate of the class of 1976.

Badminton, commencing on October 30th will be played on Monday nights at the Holden School Gymnasium. Badminton is being sponsored by Regional Recreation from 8 to 10 p.m. with fees of 50 cents per evening or $5 for the year being charged. (October to March) or $10.00 for the season which enables them to play in Holden, Ryley or Tofield.

Fall Supper sponsored by St. Gregory's C.W.L. will be held on Sunday, November 5th, 1978 from 5 to 7 p.m. in the R.C. Church. Adults $3.50, children agers 6 to 12 years $2.00 children under age of 6 will be admitted free. Everyone is welcome.

Anna Shavchook of Holden is a reporter for The Weekly Review in Viking and would appreciate anyone interested in a subscription to call her at 688-3939. Starting in 1979, readers will have to purchase their own subscriptions to area newspapers.

When several renovations have been completed at the Holden Community Hall, the Holden Teen Club will donate a cheque in the amount of $200 towards the improvement of the wiring. The club has the cheque on hand at present

Lois Laskoski is shown getting ready to type on one of the new IBM electric typewriters in the Holden School.

Holden Law Class Visits Court

Early in October the Law 20 class was bussed to Edmonton to spend a day observing Supreme, District and Provincial Courts in session. On arrival at the Law Courts Building the class was met by a Court Orderly who spent about an hour explaining what happened on each of the eight levels of the building and how a routine case might progress from time of arrest of the accused to the appeal trial (if the case progressed that far). He showed them an empty Supreme Court, Appellate Division court room where he explained the seating arrangement and duties of the three Judges, Court Orderly, Clerk of the Court, Court Reporter as well as those of the Crown Prosecutor and Defence Counsel.

The first case witnessed by the class was a Supreme Court of Alberta trial by Judge and Jury in which a man was being tried for first degree murder. The Class followed the rest of the four day trial to its conclusion by collecting Journal accounts of it, and learned that the accused was found guilty of second degree murder and sentenced to life in prison.

After lunch the group attended Divorce Court, presided over by a Supreme Court Judge, where they observed several divorces being granted.

For the last hour the class observed Provincial Court in action. Here cases involving illegal possession of alcohol and drugs, shoplifting, dangerous driving were seen by the group.

The day's trip provided a profitable learning experience for the class in that the group learned what the functions of the different levels of court are and were able to observe them in action.

In January the class plans to hold a mock trial and videotape it so that another class or group can watch it on television and act as Jury.

David Blain is shown doing his typing assignment on one of the Olympia manuals.

Echo - Rodino Report

Bruce and Harold Greenwood arrived home from their hunting trip at Slave Lake empty handed. They reported the moose were hard to find.

Sandra Paget and Bonny Mackowsky arrived home from the city with smiling faces and certificates in hand after their last week at Alberta College. Congratulations girls and best of luck in finding jobs.

Congratulations to Mr. and Mrs. Brent Hollar on the birth of a baby boy on Saturday.

Mr. and Mrs. Robert Greenwood and Lori travelled to Edson to spend the weekend visiting relations.

Bruce and Yvonne Greenwood motored to Camrose to shop and visit Mr. and Mrs. Dave Greenwood and family.

Maxine, Kelly and Tom surprised Maxine's Mother, Mrs. MacInroy of Minburn, on Sunday, by dropping by with a picnic dinner of fried chicken.

Walter (Doc) Faulkner stopped in to see Harriet Faulkner on Thursday. He was looking for Model T parts as his winter project is to put to working order an old Model T car.

Marvin Prosser of Sangudo spent the weekend visiting his brother Les Prosser and family. Marvin also called into the Bruce Greenwood home for Sunday dinner.

Community sympathy is extended to the families of Wayne Jackson on his sudden passing.

CARDS OF THANKS

CARD OF THANKS

We would like to thank all our many dear friends in Irma and Community for the purse of money. Also, many thanks for the very happy years we have spent in Irma with friends we will always remember.

Kiva and Ellen Brown 38c

CARD OF THANKS

We would like to express our sincere appreciation to all who attended our 25th Wedding Anniversary, for the good wishes, fine gifts, beautiful cards and a generous purse of money. A special thank you to the following: Harlan Fulton, who capably handled the Master of Ceremonies duties; Lorna Jackson who read the poem composed by Marney Barss; and also the humerous reading of a description of the groom's clothes on his wedding day; Donald Gun for his kind and inspiring words; Dad Saville for his presentation of a family gift; Jim Jackson for his kind words and humerous stories; Des George (a friend) who spoke about our family; Margaret Smith who prepared and decorated the cake; Dale Archibald who sang during the intermission; also special thanks to the Kinsella Royal Purple and Frank and Marilyn Saville and family for serving at the Open House and the midnight lunch. An extra special thank you to Myrnna Fulton and Francis and Clifford Overso for all thier help; and lastly our relatives, friends, neighbors and our family for their cheerful help. You all helped to make our 25th a memorial event in our lives. Phil and Josie Holt 38p

Card of Thanks

We wish to express our sincere thanks to friends and neighbours for kindness shown after the sudden passing of our husband, father, grandfather and great-grandfather. Your flowers, cards and baking to the house, also contributions to charities, was greatly appreciated. A special thanks to Jim and Minnie Jackson, Rev. Wilson, the pallbearers, the honorary pallbearers, and Harry Creech, who helped to make these trying times more bearable.

Margaret Dunbar and family

IN MEMORIAM

HOWRISH - In loving memory of Jim who passed away November 1, 1976.

As time unfolds another year,
Our memories keep you ever near.
Silent thoughts of times together,
Hold memories that will last forever,
Sadly missed by his loving wife, Katie, daughter Stella, sons Walker, Mike, Stan, Ernie, Paul and their families. 38c

ZELINSKI Joseph P - In loving memory of Joseph who passed away one years ago on November 6, 1977.

In tears we say you sinking,
We watched you fade away;
Our hearts were Oh so broken,
You fought so hard to stay.
So many things have happened,
Since you were called away,
So many things to share with you,
Had you been here to stay.
So many times we needed you,
Until so many times we cried,
If love could have saved you,
You never would have died.
It broke our hearts to lose you,
But you did not go alone,
For part of us went with you,
The day God called you home.

Sadly missed but remembered by his loving wife Ruth, children Marion, Shirley, Linda and Ron and Granddaughter Ruthie. Fond memories at this time of Keany Zelinski who passed away October 21, 1967, ten years before his Dad. 38p

Thank Offering Program to be Held

The L.C.W. of Golden Valley Lutheran Church, Viking, will present their annual Thank Offering Program on Sunday, November 5th, at 8:00 p.m. Guest speaker will be Mr. Robert Granke from Winnipeg, Administrative Assistant, Canadian Lutheran World Relief. He will supplement his talk with slides. The public is cordially invited to attend this service to join in thanksgiving, to learn more about C.L.W.R., and to enjoy the fellowship that follows.

Since C.L.W.R. was organized in 1946, the women of the church have been in the forground in their ongoing support of his mission of caring for the needs of the poorest peoples in the refugee laden, over populated and underdeveloped areas of the world.

From 1946 to 1977 over 4 million pounds of used clothing, more than 20,000 layettes, 25,000 quilts and blankets, 20,000 kienli-kits, kiddi-kits, clothing kits, and considerable quantities of soap have been shipped to C.L.W.R. warehouses. These gifts valued at more than $5,000,000 have been sent to Germany, Austria, Jordan, Syria, Hong Kong, Korea, Zambia, Vietnam, Morocco, Tanzania, Algeria and Bangladesh for distribution.

Hundreds of thousands of people have benefitted much by this generous show of Christian love and concern, including tens of thousands of infants and children who would otherwise have been without clothing or bedding or without school supplies to give them the will to learn.

In 1974, due to the substantial increase in ocean freight costs, the inadequate, yet costly distribution facilities and other factors, the used clothing program was discontinued. Gifts of blankets, quilts, layettes and various kinds of kits are still welcome.

With statistics indicating that there are 500 million people in this world who go to bed hungry every night, it is understandable that it would be impossible to continually try to feed and clothe them.

The aims of C.L.W.R. have been to increase financial support for self help and development projects in the Third World's most underdeveloped countries so that these people will be able to help themselves and purchase their own needs. Some areas receiving development and relief aid are India, Bangladesh, Middle East and Southeast Asia, West and Central Africa, Southern Africa and Brazil. Self-help projects and programs include building of homes, hospitals and health centres, schools and vocational centres and roads; digging wells, improving crops and crop lands, and providing education in the areas of health, literacy, small business management, family planning and agriculture extension.

Both the federal government (through the Canadian International Development Agency) and the provincial governments fully recognize the efforts of C.L.W.R. and provide matching contributions to those received from individuals and institutions. In this way a tax deductible gift to C.L.W.R. directly or through the church can be doubled or tripled.

Saints in 1978 By Onesimus

Since the year 834, November 1st has been the day in the Christian year when 'all saints' of the Church are honored. These saints are the large number of people, many of them now unknown and unnamed who never reached the "heights" of being prominent leaders in the Church. They are not named and specially revered as the great apostles and disciples are; people like Paul, Peter, James, Stephen and John. Yet they are equally as important in the eyes of God as the "great saints", and an examination of the New Testament indicates that God's Son is concerned for all His Saints, great and lowly alike!

What is a saint? In Church tradition, the saints are people who in some way were considered to be special people because of their holiness of life, the achievements they made through missionary or miraculous activities and so on. The New Testament, however, clearly shows further that a saint is a person who is a Christian! "Saint" means "a holy person" or "one made righteous (by God Himself)", and whenever the New Testament letter writers addressed their fellow-Christians, they often called them "saints" and "fellow saints" (see the opening verses of Paul's letters, for example.)

These people were the ordinary "rank and file" of the early Christian Communities, meeting in towns of the Roman and Greek world of nearly two thousand years ago. They suffered for Christ and witnessed to the power of His Resurrection and Love; they went about their everyday work with "gladness and singleness (single-minded purpose) of heart" (see Acts 2 verses 42 to 47), compelling others to take note of how Christ had changed their lives.

Christians - that is, Saints - are "righteous" and "holy" because of two very important truths: 1. Christ died and rose again from the dead so that He might win for Himself, people who would trust and honor Him as their Saviour. In doing this they would be pronounced righteous and in a real sense "sinless" in the Sight of God, because Christ has taken their punishment on the Corss on Himself.

2. Because Christians are so saved by God through Christ's Death for them on the Cross, they have a power, the Holy Spirit, God Himself, who enables them to live lives of holiness. Such lives are genuine proofs of the Work that God is doing in these people - creating in them lives of love, self-control, joy, peacefulness, patience, gentleness and goodness. Without such holiness, described in Galatians 5 verses 22 to 23 as "the fruit (or result of the Work) of the Spirit", it is impossible to please God in the Christian Life.

So, a Christian is - or should be if he is genuine - a holy person, a saint! If we call ourselves Christians, we should make sure that the descriptions given of true saints in the New Testament are true of us in our own experiences.

The Final Judgement of God upon us all will be whether we were like Christ in our Christian Profession, not whether we went to Church, gave to this and that good cause etc., or not.

If you are a genuine Christian today is your day, All Saints' Day, along with all those in history who have become His People, through faith in God and His Son, our Lord and Saviour, Jesus Christ.

Gideons Represented

The "Gideons" were ably represented in Viking on Wednesday, October 25th, at 8:00 p.m. when they were guests of the Viking United Church Women.

Introduced by President, Beth Merta, Mr. Gilchrist, of Wainwright, spoke of the beginning of the Society in the nineteenth century and the start of the Camp at Wainwright 18 years ago.

The membership consists of Christian businessmen of all denominations who are concerned about world conditions and see solutions through closer adherance and study of the Bible. Their work is volunteer and any donations go towards the printing of Bibles and Testaments, which are distributed free to hotels and schools. School children in grade five in public school and Grade four in seperate schools are all given New Testaments.

There are 3,300 Gideons across Canada, in 256 "camps". Membership requires that you be self employed, and is not open to the clergy. This ensures that members are free to travel when asked and no doctrine will bias the teachings.

Mr. Barry Brower of Wainwright accompanied at the piano by Mrs. Gilchrist sang two stirring spiritual songs and conducted a short devotional.

Donations may be made to the Gideons either directly, as memoriums or as "in lieu of" gifts to friends and relatives. Cards are available at Churches and Funeral Homes.

Do You Know The Bible Says

By Mrs. W. Myers

There is, therefore, now no condemnation to them who are in Christ Jesus, Rom 8:1. Christ's death on the cross, and His resurrection from the tomb is the only shelter you and I have, from divine judgement. That is where Gods wrath was poured out on His beloved Son for our sin.

By repenting of our sin and accepting Christ as our Saviour, (our sin bearer) He completely transforms our lives and makes us new born babes into the family of God.

A wagon train of pioneers western bound were faced with a prairie fire that threatened their lives. The west wind was driving flames swiftly toward them. The leader of the expedition rode to the rear of the caravan and set a fire behind them and of course the wind blew it away from them but it also burned off the grass unto which soon afterwards the caravan moved unto. Within minutes, they were safe but as the heat and smoke were difficult to cope with, a little girl cried out "Are you sure we're safe". Oh, yes, said the wagon master, we are safe because we are standing where the fire has been....The same is true in the spiritual realm.

The searing heat of divine judgement swept Golgothas hill and fully engulfed the Lord Jesus. All the demands of Gods holiness were met and satisfied by His righteous life and substitutionary death.

"He bore out sins in His own body on the tree". (1 Pet. 2:24) taking the condemnation we deserved. Now, we may stand "Where the Fire Has Been". We can stand in the place of hope for eternal life if we take Christ as our Savior.

Everyone who is in Christ IS secure. Friend, where do you stand?

To escape God's wrath, flee to His outstretched arms that are open to receive whosoever will come to Him.

Jack Dunbar Passes

Mr. Jack Dunbar of Irma passed away suddenly at his home on October 4th at the age of 78 years.

He was born March 8, 1900 in Forres, Scotland. In 1921 he married Margaret Paul. They had four sons - Bill, John, Hamish and Bob.

In 1926 they came to Canada, to make there home; first to Hardisty and then to Irma in 1927 where they farmed until retiring to the Village of Irma in 1964.

Jack Dunbar was a member of the Gratton Lodge of Irma.

He leaves to mourn his passing his loving wife Margaret, four sons Bill, John, and Hamish, all of Irma and Bob of Lacombe, Alberta, as well as one sister Mrs. Joan New of Vancouver and 15 grandchildren and 8 great-grandchildren.

Jack was predecessed by four brothers Bob, George, Bill ane Peter and one sister Jessie all of Scotland.

Funeral services were held at 10:30 on Saturday, October 7th in the Irma United Church Rev. Gordon Wilson conducting the service. Hymns sung were "Amazing Grace" and "Safe In The Arms of Jesus". The choir rendered the anthem "How Great Thou Art".

Honorary pallbearers were Ted Prior, Earl Prior, Bill Lawson, George Fischer, Jim Jackson, Bob Dempsey and Louis Larson.

Pallbearers were the grandsons - Wallace Dunbar, Lyndon Dunbar, Jim Dalseg, Jim Dunbar, David Dunbar and Dean Dunbar. Interment was in the Irma Cemetery with McLeod's Funeral Home in charge.

Albert Busy Beavers

The Albert Busy Beavers Girls Club has reorganized under the leadership of Lynette Barss. Supervisors are Anne Jones and Heather Barss and their parent organization is the Buffalo Coulee W.I.

The club is for girls ages 6 to 15 who wish to take an active part in the community. They are required to complete a project in each of the following categories: Social Services, Health and Welfare, Citizenship, Education, Home Ec. Agriculture and Handicraft.

Each girl is judged at each meeting according to behavior, effort and quality of work. The girl attaining the highest mark is awarded a proficiency cup and a trip to the Old's Annual Girl's Club Convention held in July.

The girls hold meetings every second Saturday. Their first meeting was held on October 7th with fourteen girls present. The slate of officers is as follows: President - Lorry Fleming, Vice-President - Keri Larson, Secretary - Lotty Fleming, Treasurer - Debbie Pierce, Directors - Kari Lynn Jones, Donna Pierce and Diane Fleming. Other members are Michelle Jones, Shelly Larson, Danette Pierce, Rhonda Fleming, Penny Fleming, Edna Fleming, Doris Fleming.

The club held their second meeting onOctober 21st at the hall. The girls baked cupcakes for the W.I. tea, bake sale and bazaar which will be held on the 25th of November at 3:00 p.m. in the Legion Hall in Irma. They made plans for a community Hallowe'en party at the A.C.O. hall for October 31st. All neighbors were invited to attend the masquerade party and potluck supper and were asked to bring their Hallowe'en candies. The girls plan to help organize a Christmas party and would welcome any suggestions of plays, songs, etc.

As handicrafts are a very important part of their program, the girls would appreciate scraps or pieces of material or felt, empty thread spools, fancy bottles, foam eff - cartons, craft books, popsicle sticks, patterns, yarn, phenlex, etc. If you have any material to donate please contact Heather at 754-2114, Anne at 754-2116 or Lynnette after school at 754-2113.

Kinsella Seniors News

The Kinsella Rose Senior Citizens held their second meeting of the month on Wednesday, October 25. There were sixteen members and one visitor present.

It was decided to have a Senior Citizens Card Party on November 8th, at 8:00 p.m. $1.00 Admission will be charged. Members are asked to please bring along some lunch and also a Card Table if you have one. Lunch at the meeting was served by Ruth Landers and Florence Johnston.

Our Apology

We at The Weekly Review would like to extend an apology to Malcolm Kirchmeyer for having omitted his name from the "caption" under the picture of the students of Viking School who received awards.

Irma News and Views

On Monday, October 23, Rev. Gordon Wilson conducted a graveside funeral service for James Paul at 2 p.m. in the Irma cemetery. Jim as he was known to his many friends in the Irma district was born on January 14, 1902 at Auldeon, Scotland; coming to Alberta in 1928. He worked and farmed just east of Irma; selling out in 1952 and moving to the west coast where he worked for many years at Ocean Falls. He worked in a lumber mill and later returned to Vancouver where he passed away after a short illness in St. Paul Hospital, Vancouver. Jim leaves to mourn his passing his sister Margaret Dunbar, a brother Dan and three sisters in Scotland, as well as many nieces and nephews. Following the service, lunch was served in the Legion Hall

Albert and Beverly Jackson were in Irma for a visit over the weekend and brought Mrs. Lewis with them for a visit with her son Ray and family. They returned to their homes in Edmonton on Sunday afternoon.

Minnie and Jim Jackson drove to Sedgewick on Sunday, October 29th to assist Joe and Alma Harding in celebrating their 56th Wedding Anniversary, held at the home of their son Stephen and family. Joe, Stephen and wife Sandy had just returned from a three week holiday in Tipperary. They report having a gala time. The weather was almost perfect for October.

Sarah Parkin returned to her home at Spruce Grove after spending ten days with her old friend and former neighbor, Margaret Dunbar.

Pastor Ray Niebergall officiated at the funeral service for Oren Denzil Spring at Sharon Lutheran Church on Wednesday, October 25.

Oren passed away on Sunday, October 22, at the University hospital at the age of 52 years. The church was filled to overflowing for the service. Interment was in the Sharon Lutheran Cemetery. The sympathy of our entire community is extended to Oren's mother Mrs. Elva Spring.

The big machines and work crew that have been operating on the road through the railroad trestle approximately two miles east of Irma have evidently completed their contract and have pulled out. The road has now been rerouted and appears to be ready for traffic.

We are all delighted to learn that Donald Gunn is out of intensive care and able to be up and around for short periods.

Mrs. Della Bang (nee Stone) visited with Georgina Enger during the week. Della taught school at Crescent Hill years ago and boarded with Georgina and Martin Enger for three or more years.

Sorry for the omission in the Irma 4-H Food report last week. The new leader is Mrs. Mary Newton and assistant leader is Mrs. Stella Glasgow.

Moved that By-law No. 842 pass its first reading. Carried. This By-law will be submitted to the Local Authorities Board for approval.

The following building permits were submitted for approval.

M. Pomeroy to re-locate the building on Lot 1, Block B, Plan 1560 W to Pt. N.E. 28-45-9-W4th. Mr. C.S. Smallwood, to construct a new dwelling on Lot 23, Block 21, Plan 772 -0574. Mr. E. Strojek - renovations and upgrading of residence Lot 10, Block 7, Plan 1560 W.

Moved that Building Permits as issued by Permit Officer A.C. Milne be approved subject to the requirements as set out in the Alberta Uniform Building Standards Act. Carried

Annexation: the Municipal Administrator advised that the survey has now been undertaken and that the pins have been set for the area proposed to enlarge the fairgrounds and that an annexation application should now be submitted in order to proceed with the subdivision Moved that this matter be tabled. Carried.

Disaster Services. At this time Mr. Jones presented a detailed outline on the Disaster Services Program and outlined Council's powers and responsibilities in the event of an emergency. The following were discussed as possible emergencies that could arise in this area: Major power failure in cold weather; chemical spillage from rail cars or tanker trucks, fire, and severe weather conditions.

Mr. Jones outlined procedures that should be followed to protect Council members in the event that an emergency should arise and it becomes necessary to enter into private property in the interest of safety and the community at large.

There being no further business before the meeting, Mayor Larson moved it adjourn. Carried.

R. Larson New Mayor of Village of Irma

The Organizational Meeting of the Council of the Village of Irma was held Tuesday, October 24, 1978 in the Village Office.

Present were Councillors Barber, Dempsey, Larson and Littlewood, and Municipal Administrator, D.D. Creasy.

The meeting was called to order by Municipal Administrator, who then called for the appointments to the various positions as set out hereunder.

Village of Irma Minutes

The council of the Village of Irma met in regular meeting in the Irma Village Office, Tuesday, October 3, 1978.

Present were Councillors, Barber, Dempsey, Larson and Littlewood and Municipal Administrator D.D. Creasy.

Mayor Littlewood in the chair; the meeting was called to order by Mayor Littlewood at 7:30 p.m.

Moved that the minutes of the September 5, 1978 regular meeting be adopted as written. Carried.

Moved that the accounts for payment as presented be approved for payment. Carried.

The financial statement for the month ending September 30, 1978 read as follows:

Net balance end of the previous month $24,826.92. Receipts for the month $101,171.11. Disbursements for the month $50,034.52. Net balance at the end of the month $26,309.67. Moved that the financial statement as presented be accepted. Carried.

Moved that the correspondence from Thurston, Long and Logan - Solicitors, advising that land sale to Solar Construction Northern Ltd. has been finalized; be received and filed. Carried.

Moved that correspondence from Disaster Services relating to Advanced Rescue Course "October 23 - 27" be received and filed. Carried.

Moved that correspondence from C.N.I.B. acknowledging grant be received and filed. Carried.

Moved that correspondence from Recreation Parks and Wildlife relating to the opening of an office in Wainwright be received and filed. Carried.

Moved that correspondence from Alberta Environment relating to training program for Waste Water Operators be received and filed. Carried.

Moved that correspondence from the Salvation Army acknowledging grants with thanks, be received and filed. Carried.

Correspondence was received from Canadian National Railways requesting payment of site for the camp kitchen. Moved that this request for payment not be granted. Carried.

Moved that the correspondence from EPEC Consulting Western Ltd. relating to progress payment for construction on the new lagoon be received and filed. Carried.

Moved that the minutes from the August 1978 regular meeting of the Chacutenah Manor Board be received and filed. Carried.

Moved that correspondence from Recreation Parks and Wildlife relating to the development and upgrading of the Gulbraa Lake Resort be referred to the Irma Recreation Area. Carried.

Correspondence was received from the Director of Zone 5 A.U.M.A.A. advising that the fall conference for the Administrators and Secretary-Treasurers will be held in Lamont, on October 20, 1978.

Moved that the Municipal Administrator be authorized to attend this conference. Carried.

Correspondence was received from the Alberta Municipal Finance Corporation advising that debenture funds with the total amount of $195,830 to finance construction of the lagoon have been authorized for payment.

Moved that correspondence be received and filed. Carried.

Moved that correspondence from the Solicitor General relating to training program for by-law enforcement officers be received and filed. Carried.

Moved that the Municipal Administrator contact Alberta Transportation and request that the culvert in the south end of Main Street be replaced. Carried.

Moved that the Foreman be appointed to supervise the reroofing of the Fire Hall. Carried.

Correspondence was received from Mrs. Ford requesting that a street light be erected at the east end of 52 avenue.

Moved that this request for a street light not be granted as the area in question will be reviewed when the newly annexed area is developed. Carried.

Correspondence was received from Mrs. Sunderberg requesting Council to purchase unused burial plots in the Irma Cemetery.

Moved that the plots in question be purchased at the original purchase price. Carried.

The Municipal Administrator advised that the Main Street Alberta Committee has requested Council's assistance in choosing a name for the Camp Site here in Irma.

Moved that the choosing of a name for the camp site be referred to the Chamber of Commerce. Carried.

Moved that Alberta Transportation be contacted and asked to add a character to the facility sign, advising that there is a trailer dump at camp site. Carried.

Building permits as followed were presented for approval: Mr. R. Larson, Pt. Block F. Plan 1560 W for renovations. Mr. L. Ward Lot 4, Block F. Plan 1650 E.O. for addition and renovations. Mr. D. Boomhower, Lots 39-40, Block 7, Plan 1560 W for renovations. Mr. d. Hill, Lots 13-14, Block B, Plan 1560 W for addition and renovations.

Moved that the above building permits be approved subject to the requirements as set out in the Alberta Uniform Building Standards Act. Carried.

Moved that Council has no objection to request of Mr. T. Copeland to move a double-wide Mobile Home onto Lot 24, Block 21, Plan 772-0574, upon acquiring the required building permit. Carried.

Correspondence was received from the Planning Branch, Department of Municipal Affairs, requesting Council's comments relating to a subdivision application by Mr. J. A. Smallwood to subdivide Lot 5, Block E, Plan 1650 E.O.

Moved that Council has no objection to the proposed subdivision. carried.

By-law No. 479-78; This By-law has been prepared to authorize consolidation of the Village outstanding debentures, as required by the Alberta Municipal Finance Corporation.

Moved that By-law No. 479-78 pass its first reading. Carried.
Moved that By-law No. 479-78 pass its second reading. Carried. Moved that By-Law No. 479-78 be presented for third reading. Carried. Moved that By-law No. 479-78 pass its third reading. Carried.

Correspondence was received from the Municipal District of Wainwright No. 61 acknowledging the Village Council's acceptance of its offer to sell the Grader Shed here in Irma.

Moved that this correspondence be received and filed. Carried.

Correspondence was received from Provincial Planning Branch advising that a hearing will be held on October 23, 1978 to deal with the subdivision appeal by Mr. R.R. Minchau. Pt N.E. 28-45-9-W4th and that Council should be represented at this hearing.

Moved that the Municipal Administrator be appointed to represent Council at the hearing. Carried.

Mr. Robert Hansen, Mr. and Mrs. Larry Froland were present as a committee to request Council's withdrawl of its requirement that a business be established from the building which as been renovate at lots 11 - 12 Block 7, Plan 1560 W, a commercial location.

Moved that this request be granted.

By-law No. 480; This By-law has been prepared to authorize a revision of the sewer service rates. This increase is necessary to meet the capital cost for the construction of the new sewage treatment facility. A major portion of the cost will be met by the Provincial Government under the department of the Environment. However, the Village is responsible for an amount up to $18.74 per capital each year for a period of 25 years. That is the term of the debenture. The department of the Environment is responsible for costs over and above the said amount.

Moved that By-law No. 480 pass its first reading. Carried. Moved that By-law No. 480 pass its second reading. Carried. Moved that By-law No. 480 be presented for third reading. Carried. Moved that By-law 480 pass its third and final reading. Carried.

A subdivision application was received from Mr. J. Barber, to subdivide Lot 12, Plan 3618 E.T. into two residential lots.

Moved that Council has no objection to the proposed subdivision. Carried.

Moved that the request from the Ladies Curling Club that the necessary action be taken to correct the sewer drain problem at the curling rink be granted. Carried.

Moved that EPEC Consulting Western Ltd. be authorized to undertake a preliminary study of projects that will qualify for grants under the street improvement program. Carried.

Moved that the organizational Meeting of Council be held 24th of October at 7:30 p.m. in the Village Office. Carried.

Moved that Committee reports as submitted be accepted. Carried. As there was no further business it was moved that the meeting adjourn.

Chacutenah Manor News

Mrs. S. Smith and small daughter, Erin of Edmonton, visited her mother Mrs. Simmermon on Thursday.

Mr. and Mrs. Copeland and sons of Lethbridge were recent visitors with her parents, Mr. and Mrs. W. Guy.

Mrs. Melda Guy was guest of honor at a Birthday supper party at her parents' home on Saturday night. Guests present were David, Diane and Terry Prior, Chris, Vern and Terry Russell and Mrs. Cockrell, all of Irma and Mr. Victor Carter of Viking. Linda and Norman Minchau and girls joined the party in the evening.

Mrs. E. Whidden of Jarrow and her daughter Mrs. All of Edmonton called on Manor friends on Thursday.

Mrs. R. Simmermon left from Edmonton by plane on Saturday for a two-week stay in Ontario. She will visit her daughter and son-in-law.

Mr. and Mrs. B. Moyer, at Long Sault and her son and his wife Mr. and Mrs. Don Simmermon in Ottawa will be looking forward to her visit.

Manor folk appreciated the use of Mrs. E. Prosser's garden plot this summer. Mr. Lambert proved a very efficient gardner. We have also been the pleased recipients of fresh vegetables from several neighbors.

Mrs. E. McRoberts is in Edmonton visiting at the home of her daughter, Mrs. S. Taylor.

Alberta Wheat Pool - Ryley

The first engine ever used in elevators was a 15 hp. Fairbanks Engine. The one pictured here was used at No. 2 Elevator at Dodds.

The Alberta Wheat Pool has become a standard part of every farm community, and Ryley is no exception. This operation did not come into effect overnight however, so I thought it might be interesting to trace back to the beginnings of the grain handling industry in the community. The following information is incorpleete, but should give some idea of what originally handled grain in the area and some of the first associates of the Wheat Pool.

The first grain produced here had to be hauled to either Vermille or Mundare, a long trip with horses and wagons. The railroad arrived in 1908 and for farmers here it was a tremendous boon. No one I spoke to was sure when the first elevator was built, but most knew that it was a Horse Power Elevator. This elevator burned down in 1951 and at that time was owned by Searle. In 1951, it was rebuilt. Between 1951 and 1913 #2 elevator was constructed and in 1968 #2 was built in 1968 69 the #1 elevator was erected. Searle and Alberta Pacific were bought out in 1968 69 by Federal Grain, then in 1972 the Alberta Wheat Pool bought the grain operation from Federal Grain.

Some of the buyers over the years have been: Henry Bray (he was one of the earliest), Ralph Hulbert (he was here for a long time), Hilmer Moen, Ray Findlay, Loftus Booth, Ted Chaney and up until very recent times Vern Likness and Howard Berker. The present Wheat Pool staff are Manager Richard Kope, Assistant Manager Pete Weins, Keith Murray and Secretary - Eleanor Weins.

In 1922 a new idea was taking hold and the Alberta Wheat Pool had its beginning. Some of the original contract signers were Chris and Arnold Bugge, James and Fred Manderson, Robert and Ben Jacobson, Sewell Booth and John Hrabec. From these small beginnings the Wheat Pool has mushroomed into a multi-million dollar grain business that serves farmers throughout Alberta.

To some people the grain buying business seems to be a snap, but for Richard Kope his first day was almost his last. At 8:00 a.m. the thermometer was frozen at -40 degrees F. That is not bad if it is a day for catching up on bookkeeping, but it was a day for loading cars. After cooperang cars and loading them, the Federal Grain Manager, Fred Syott, thought it would be a good idea to clean the boot, and for anyone knowledgeable about grain elevators this is the most disliked, dirtiest job there is. However, this ordeal and numerous others were overcome and Richard ended up becoming a manager himself. He took over at Dodds when the manager Norman Widerman was sick.

In June 1975, Richard hired on as a manager of the Alberta Wheat Pool #2 in Ryley. The years of good grain production were now upon us and the ever increasing business called for more help, numerous staff were hired and in the fall of 1977 Pete Weins of Tofield was transferred to Ryley #2 to become Assistant Manager. Mr. Weins has been in the grain business since 1955 and started his career in grain in this very elevator.

During the 1977-78 crop year the Kope Weins team received over one million bushels of grain; a feat that many elevator managers never attain. Agro sales of approximately 1.3 of a million dollars were made during this year also. In addition to this, Richard was selected to attend a Vancouver tour of Terminal Operations in March 1978, and won a trip to Indianappolis, Indiana for top sales of Treflan for the Pool and Elanco.

The grain handling industry has come a long way over the years and our pioneers have made it all possible. Without their determined efforts our country would not have developed into the nation that it is.

New Officers for Beef Club

The first meeting of the Irma 4-H Beef Club was held October 27, in the school gym. This year the club consists of 32 members. Our new executive is as follows: Leader - Bert Smith, Assistant Leader - Mary Newton, President - Gail Oracheski, Vice-President - Lynn Smith, Secretary - Darlene Lockhart, Treasurer - Sharon Lockhart, Junior Leaders: Ian Currie, Chris Oracheski, Sherri Fischer, Club Reporter - Karen Newton, Senior Committee - John Newton, Don Felton, Jack MacKay, Keith Currie, Mike Oracheski and Jerry Mark. Lunch and Entertainment Committee - Dianne Smith, Shelly MacKay, Karen Newton, Ian Currie, and Blake Prior.

Next we decided our weigh-in day. It was decided we would have it on November 4th at 9:00 a.m. at Mike Oracheski's. This year the calves must weigh between 500-700 pounds. It is optional this year to have a spare calf weighed in, but if we do, the calf must be used only if the other dies before January 1st.

The Record Books will be handed out on weigh-in day. Our meetings will be held in the homes on the first Monday of every month. The next meeting will be held December 4th at Jerry Mark's place.

Club Reporter
Karen Newton

Teachers Welcomed

The Alberta Teachers Association, Beaver Local, held their induction ceremonies on Friday, October 20, at the Tofield Legion Hall. The Agenda for the evening included, cocktails, supper, induction ceremonies and social with music supplied by Aino Jensen and Ray Pitter.

The following people were welcomed into the teaching profession. Lorna Brown and Gertjan Zwiggelaar from the Viking staff. Patrick Mealey from Ryley and from Tofield. Willard Handola, Darold Roles, Donna Kerber, Brian Lysons, Debra Budinski, Diane Beckmann, Ruby Pukola, Heather Waldie, Marilyn Lastiwka and Patricia Sinclair.

Area Artists

By Marlene Sinclair

Mr. and Mrs. Anton Podruzny are no strangers to this country. They arrived in the Ryley area in 1936 from Skorodyace, Poland. They started homesteading some C.P.R. land eight miles south east of Ryley and lived on that same land until 1958 when Mr. Podruzny had a heart attack and had to retire from farming. They then moved into Ryley where Mr. Podruzny could not be slowed down. He kept working around the yard and in his garden which resulted in two strokes. At this point he decided he could no longer do heavy manual labour, but he wanted to keep busy, thus started the art work he learned as boy of fourteen in Poland. Mr. Podruzny weaves rye straw, a dying art.

He started by braiding straw for hats while still in Poland, but now makes almost anything. Some articles he has made over the years are bishop hats, monstrances (holy pictures), 25th anniversary cakes, cups, flower baskets, lunch baskets, bread baskets, vases of all kinds and chalices for communion, just to name a few. It is obvious from the articles he makes, that the church is a very important part of his life. In fact, some of his straw pieces are in Rome. They were given to Bishop Wladyslow Rubin and Mr. Rodruzny received a letter thanking him for the chalice and monstrance he had woven for him. Archbishop O'Neil of Edmonton also has some of his pieces.

The Podruznys have not had a easy life, but it has been one of trusting in God. They were married on November 7, 1920 and had thirteen children, six of whom died. Four died while they were still in Poland and two after arriving in Canada. The Podruznys both had tuberculosis when they were in Poland and as a result of Mrs. Podruzny having it, her son Johnny was born with it. She said that for three years he just lay in his bed crying. Then something happened that strengthened her faith in the Lord's power to heal. In Poland in the month when the trees are just starting to turn green, there is a special festival when all growing things are blessed. Mrs. Podruzny saw some women taking branches off of a certain tree and she asked them why. They said that the leaves had miraculous powers - which she tended to disbelieve - but she decided she would take some anyway. At this point a woman came up to her (which she believes to be an angel) and asked her why she was taking these leaves if she did not know what to do with them. This woman then proceeded to tell her of her sick son and that she should boil these leaves and bathe him in the water. She went home and immediately prepared the concoction and proceeded to bathe him. The first time she bathed him, she could see he was getting color in his cheeks. By the third time she had finished bathing him he was sitting up, something he had never done before in his entire life. The Podruznys believe fully that God has led them throughout their lives, even to leading them to Canada. They had planned to go to South America and even had arranged for passage, but Mr. Podruzny had a dream that he was to go to Canada and so he decided to come here instead - a decision they have never regretted. Shortly after leaving Poland, the village they came from was attacked and many of their friends and relatives died and now they say, look what is happening in South America.

Mr. Podruzny learned to braid straw 68 years ago, but really did not start producing of weaving as his eyesight is failing and his health is not what it should be. Besides, he is now 82 years of age.

Photo taken in 1936 - [Left to Right] Johnny, Mrs. Podruzny, holding daughter Bernice, Frank [standing] Annie, Mrs. Podruzny.

until about 20 years ago. He usually braids four strands of straw at once, but occasionally does six strand braiding, something that is extremely difficult and intricate. After finishing the weaving he cuts off any loose ends and then puts the braid on the floor and rolls it flat with a rolling pin. He usually spends a long period of time weaving and then he starts putting his pieces together. He uses 100% cotton thread and waxes it with beeswax. This is so that it does not cut the straw. Mr. Podruzny would like to teach someone this art, but warns that it is very difficult and takes a lot of time. This will be his last year

Mrs. Podruzny is 76 and still an active homemaker. She weaves rugs of various materials and also makes other woven articles. She keeps in contact with her family, her sons Frank and Johnny in Peace River, Henry in Camrose Bert in Calgary and her daughters, Frances (now Sister Mary Blaise of the Philician Sisters in St. Catherines, Ontario), Mrs. Annie Shott of Daysland and Mrs. Bernice Kondrowski of Ryley. She and Mr. Podruzny have recently added another member to their family. They have adopted a little girl from Nigeria through the S.O.S. Children's Village named "Abosede". Abosede was an abandoned child, her background is unknown. She is living in the Red Cross Children's Village and the Podruznys support her. To give you another idea of how open-minded Mrs. Podruzny is, she was taken on her first motorcycle ride just after her 75th birthday in August by her granddaughter's husband, and she loved it.

If anyone is interested in learning this art of weaving straw, the Podruznys live in the first trailer east of the Catholic Church in Ryley. Mrs. Podruzny says she loves getting company.

What's New in Ryley

By Marlene Sinclair

WHATS NEW - Raymond and Adele Rokne are celebrating their 25th Wedding Anniversary on Saturday, November 4th. Their children are arranging a party for them to be held in Vegreville at the Chateleine Dining Room. Many guests have been invited.

Tom and Mary Macahonic from Camrose, originally of Ryley, are celebrating their 50th Wedding Anniversary on Saturday, November 4th at 6:30 p.m. at the Norseman Motor Inn in Camrose. Their children are hosting the event.

Molly Joe Garstead has had an appendix operation and was hospitalized in Tofield. She is now home recuperating.

Selmer Helgeland has been in the Camrose Hospital for quite some time. He has a sore on his leg that will not heal.

Dr. Joseph Robertson's wife Francine passed away suddenly on Wednesday, October 25. She was buried in Edmonton on Friday, October 27. The service was held in St. Andrews Catholic Church on 111 avenue and 128 street. Mrs. Robertson was 52 years of age.

Mr. Hans Nerassen is back in the Tofield Hospital. He has fluid on his lungs.

Mr. Donald Law is also back in Tofield Hospital with heart problems.

Mrs. Annie Krystal died on Wednesday, October 25 in an Edmonton hospital after having a gall bladder operation - complications set in. The funeral was held on Monday, October 30 in the Roman Catholic Church in Tofield.

The Odd Orbecks are in Norway. They have been visiting relatives and have been gone about two weeks.

Barb and Bradley Johnson went to Calgary to visit friends and stopped in Red Deer on the way back to see Barb's brother Dell Harrison.

Ivan Jacobson will be leaving on an extended tour on Nov. 6th. He will drive to New York and there take a plane to Israel and Switzerland for a ten day tour of these countries. After arriving back in the United States, he plans on visiting Florida and possibly other states as well. He says he does not think he will home until after Christmas.

Mr. Tom Kerlee is home from the hospital and says that he feels better than when he went in. He does not feel all that well but he does feel better.

CURLING RINK: The Curling rink will soon be open again. If anyone wants to curl this winter please contact Bill Wood at 663-3755.

Mrs. Ollie Manderson, Executive Member of Women of Unifarm and Mrs. Crispin, delegate from Tofield Local #63-20, will be attending the Women of Unifarm annual convention held in calgary on November 7th and 8th. Main speakers are Mary Engelmann, director of Senior Citizens Bureau and Shirley Marcuse, co-ordinator of Child Abuses Program. Resolutions pertaining to education, health and social well being of rural communities will be debated. Women of Unifarm also hold an excellent handicraft competition among the fourteen regions involved.

Kinsella News

Mr. and Mrs. William Rawluk have returned from an enjoyable trip to Vancouver where they were visiting with their daughter, Pat and family and William's mother, Mrs. Rawluk.

Visiting with Helga and Allan Barker on the weekend were Allan's cousin, Mr. and Mrs. R. Rees of Langley, B.C.

Men, Women, Children - Anyone interested in playing volleyball, badminton or other gym sport meet at the Kinsella School Gymnasium at 8 p.m. on Thursday, November 2.

Ryley and District News

By Marlene Sinclair

RYLEY LEGION - The Armistice Day program this year will be similar to other years. The ceremony at the cenotaph will be held at 11:15 a.m. Legion members, the Ladies Auxiliary and the Cadets will then form and parade to the Community Hall where a program will immediately follow. These parts of the ceremonies are open to the public. Then, there will be a dinner held for the Legion members, Auxiliary members, Cadets and their guests. In the evening a public dance will be held in the Legion Hall starting at 9 p.m. Music will be supplied by the Erickson band. The Homecoming Steering Committee meeting that was to be held on November 15 has been changed to Monday, November 13.

CAVELLE REBEKAH LODGE - had a very successful tea, bazaar and bake sale last Saturday. They were very pleased, as everything sold. Numerous people attended, even visitors from Edmonton. The door prize was won by Mrs. Ida Nord. On Monday night the lodge members attended the district meeting in Edmonton. The lodge presented a brief for the revision of the 5 year master plan supporting the Curling club and Lions club in their briefs for the building of a curling rink complex.

RYLEY LIBRARY - Mr. Joe Forsyth, Director of Library Services for Alberta was here on October 31. The Library Committee has put a request before the Village Council for a larger library building, as the present facilities are too small. They also submitted a brief for the revision of the 5 year master plan requesting inclusion in the budget in the fifth year of the 5 year plan for construction of a new library connected with the Village Office; construction beginning in the spring of 1980.

SENIOR CITIZENS - The senior citizens of Tofield have invited all senior citizens of the County of Beaver and a bus load from Edmonton to a dance, card and slide night on Wednesday, November 22. Many from Ryley are planning to attend.

RYLEY SCHOOL - The Junior High had a very successful greaser dance on Friday. Everyone dressed in costumes of the 1950's and thoroughly enjoyed themselves. Junior High Volleyball has been very successful for the Ryley teams of late. The boys won four games out of five over Tofield, while the girls won three games out of five. The Senior boys took four out of five games over Viking, while the Senior girls lost four out of five to Viking. The flu has hit the school hard recently and a number of students have been absent because of it.

RYLEY LIONS CLUB - At the meeting of the revision of the 5 year master plan the Lions club supported the Curling club in their brief to build a new Curling Rink Complex providing it includes washroom facilities that will serve the park and also a Cultural Arts and Crafts meeting room that is to meet government specifications.

RYLEY 4-H BEEF CLUB - The Club had their first meeting and an executive was elected and are as follows: President - Dale Bratrud, Vice-President - Doug Rerspel, Secretary Karen Magneson, Treasurer - Donnie Hellerkson, Social Convenors - Larry Burchill and Ricky Bratrud. The weigh in will be held in the elevator at Lyon's Ranch on Saturday, November 4th, from 10.00 a.m. to 12:00 a.m. Their regular meetings will be held every first Monday of the month in the Ryley School. The next meeting will be on November 6th.

RYLEY SWIMMING POOL - The Swimathon that was held last Sunday at the pool was successful with approximately $3,000.00 being earned by 36 swimmers if all monies are collected. The event was sponsored by the Agricultural Society. Ron Teske, manager of the pool, reported that they are having a very poor turnout for the lessons which started on October 23rd. All classes could have more swimmers registered. Pre-beginners to Senior classes are being held Tuesday and Thursday from 4 p.m. to 4:45 p.m. Adult classes are on Tuesday and Thursday from 9 p.m. to 10 p.m.

LADIES FASTBALL CLUB - The Halowe'en dance was very successful. Prizes were awarded for the best costumes, the winners are as follows: First prize was divided among seven persons 'The Three Little Pigs' Mickey and Minnie Mouse, and Donald and Daisy Duck. The Three Pigs were Bonnie Teske and her husband, Elaine Hammer, Mickey and Minnie Mouse were Sheila Mizera and Sharon Mizera and Donald and Daisy Duck were Terry and Fay Strickbuk. The two witches that won second prize did not unmask. The third prize was won by Jimmy Smorthim, dressed as a welder and Rick Slott using his torso as a face. The fourth prize was taken by Barry Mizera. He was adressed as a bear. Everyone had a great time.

BETHEL LUTHERAN CHURCH - Pastor Barr will be conducting new bible studies on November 8th, Wednesday, at 8 p.m. at the Ryley Church and on Thursday November 9th in Holden. This will be a two week study on the Christian Life style. The Lutheran Church Women will be having a meeting on Thursday, November 2 at 1:30 p.m. in the Parish Hall.

CATHOLIC CHURCH - Mass will be at 12:30 p.m. on November 5th - please note that this is a new time.

UNITED CHURCH - Last Sunday we had a guest speaker from Edmonton, Mr. Val Roos. The meeting concerning the new concrete supper that was spearheaded by the United Church Women was held recently and it was decided to have the event on Thursday, November 16 at the Community Hall at 4:30 p.m. all residents of Ryley and district are encouraged to come and meet the newcomers. Would everyone please bring food. More information on this supper will be coming shortly.

SEVENTH DAY ADVENTIST CHURCH - Visitors Day was very successful; we had a very good turnout with good music and fellowship and an excellent speaker. The fellowship dinner was enjoyed by all. The annual ingathering campaign was also a huge success. The response from the community was exceptional.

BORSHIW PARISH - No mass this week. The Halowe'en dance was a huge success; the music was good and everyone had a great time. The costumes were great and prizes were awarded to the best masqueraders. They are as follows: First prize went to Sophie Duduc who was dressed as a witch, second prize was won by Mr. and Mrs. Jim Hansen, dressed as indians, third prize was taken by Connie Kokotyn and Sonia Kropielnicki. They were made up as Baba and Giga Bob Kokotyn took fourth prize because he looked and acted his part so well; he was dressed as a wino. The fifth prize was won by Thelma Patrie - she was dressed as a good fairy.

Attention Readers

For the benefit of our readership, The Weekly Review will be printing a series of amended criminal code laws which have just changed or will be changed effective January 1, 1979.

(2) Everyone who, without lawful excuse, uses, carries, handles, ships or stores any firearm or ammunition in a careless manner or without reasonable precautions for the safety of other persons

(a) is guilty of an indictable offence and is liable to imprisonment

(i) in the case of a first for two years, and

(ii) in the case of a second or subsequent offence, for five years; or

(b) is guilty of an offence punishable on summary conviction.

Fastball Awards Night Held

The Wainwright Mens Fastball League held its Awards Banquet and Dance in the Centennial Hall in Wainwright on Friday evening. Approximately 100 people were in attendance for the occasion.

Among the many awards presented was a presentation by Ron Faas of Wainwright, to Mel Garbe, coach and manager of the Irma Lancers - the Knight Well Service Trophy for the Lancers success as Play-off Champions. The Lancers defeated the Viking Coyotes 2 to 1 in a best of 3 play off series.

The Most Valuable Players for the league and the various team M.V.P.'s were also named. Ron Tizzard of the Chauvin Combines was named the League M.V.P. The top three players on the Lancers team were Leonard Parsons, Brian Gulbras and Gordie Holt. The top three for the Viking Coyotes were Darryl Sutter, Gene "Springer" Hill and Lorne "Speed" Maxwell. For the Irma Tigers, Ken McIntosh, Merv McKay and Jay Fenton were named the top players.

Following the awards, the evening concluded with a dance with music by Horisek's orchestra.

Staff Photo

Mel Garbe, coach and manager of the Irma Lancers, receives a trophy on behalf of the fastball team for their success as Play-off Champions. Players from both Lancers and Coyotes were named top players at the Annual Banquet and Dance in Wainwright on Oct. 27.

Masks Compulsory in Minor Hockey

Face masks which completely cover the facial area are mandatory for all minor hockey players for the 1978-79 hockey season. The change to Rule 34 Section 3 of the Canadian Amateur Hockey Association rule book requires that all players from the juvenile leagues and downward must wear face masks which are securely fastened to their helmets.

The adoption of this rule follows several years of comprehensive study on injuries to the facial area of players at all levels. The use of face masks should greatly decrease the number of facial injuries which occur at the minor hockey level.

The masks must be built of strong material (preferrably C.S.A. approved) and have no protrusions which could be harmful to other players. The masks can be of any proper material. Suggestions that the masks must only be made in a "mesh" design are not correct. Plexi-glass and mesh-type masks are acceptable, as well as combinations of these two designs. The only two major stipulations are that the mask completely cover the player's facial area and that the mask must be securely fastened to the helmet.

The only other rule change deals with the "illegal shot" which is in for fee pee wee, mite and tom thumb players. Last year's rule (Rule 68, Section 5) read that "Any player who when shooting the puck raises the blade of his stick above the waist in "either" the back swing or the follow through shall be considered to have used an illegal shot and shall be assessed a minor penalty". The rule change strikes the word 'either' (as noted above) and replaces it with the word "both". Thus a Thumb, Mite or Pee Wee must raise the stick above his/her waist in "both" the back swing and follow through in order to incur a minor penalty.

A new policy on Match penalties has been adopted by the North Zone (our area) of the A.A.H.A. Referees Committee. A Match penalty is handed out for deliberate attempts to injure, for spitting, kicking, or physically abusing or threatening any game official. This penalty is considered the most severe penalty by officials.

The policy and interpretation on the Match penalty (Rule 33, Section 4) is that any player who is assessed a match penalty which only involves players will not be allowed to play in ANY games until such time as the League President rules on the penalty. Thus, a player cannot play in any exhibition or league games until the president of the league in which the team is registered has ruled on the matter. A team could be suspended by the A.A.H.A. if the coach and/or manager allows such a player to play before the ruling occurs.

Any Match penalty assessed for actions against a game official will carry an automatic one year suspension. This is irregardless of the ruling of the particular league president. The hope with this new policy is that the number of such incidents will decrease and the type of suspensions will become more uniform.

Local Girls Instruct Figures

The Viking Figure Skating Club held their first meeting of the 1978-79 season in the Viking Carena on Wednesday, October 25th.

Mrs. Irene Graham, newly elected secretary-treasurer began her duties with the club when President, Shirley Voltner called the meeting to order.

As A.R.S.A. members, the Figure Skating Club decided to man the Snack Bar rather than try to supply lunch for the Power Skating Workshop to be held at the Carena.

Registration for membership will be held on Saturday November 4, from 1 until 4 p.m. The skating fees and membership fees will remain the same as the previous year.

For the first time, the Club will have one senior instructor and three junior instructors. The Club is more than proud to announce that all the instructors are young ladies from Viking. They have travelled to Edmonton to attend teach clinics to enable them to make this contribution to our Club.

Miss Angela Mattinson and Miss Cheryl Astos will be teaching at the Learn to Skate and Beginner levels. Miss Valerie Seisler has agreed to take the Preliminary 1 level. Nellie Chkaluk will be the Senior Instructor, teaching Preliminary II, Bronze Silver and Gold Blade at the A.R.S.A. level.

For the benefit of those girls who have passed their gold blade, Nellie will also be teaching C.F.S.A. Standard Preliminary. The participants in this class will travel to Edmonton in the spring to take their test.

The personnel responsible for holding the A.R.S.A. workshops in Edmonton were very impressed with the interest, attitude and talent exhibited by these young ladies. The Club is proud to have them represent us in the city and with their help, we are looking forward to the new season. Hopefully our membership will increase and more youngsters will benefit from their talents.

Hospital Praised Re: Disaster Plan

The report on the Viking Hospital Emergency Plan Practice which appeared last week, dealt mainly with the operation of the plan external to the hospital itself. In that report, the "Director" who personally took charge of the traffic flow at the hospital was Mr. Bert Hill, not Rod Krips.

The following is the report of the exercise specifically for the hospital.

At 1306, Monday, the 11th of September, 1978, a mock fire and explosion was triggered in the Viking Community Hall. This resulted in simulated injuries to twenty-two (22) high school students.

The purpose of the exercise was:

(a) To observe the Hospital Emergency Plan in action and to determine whether there were any areas which would require strengthening.

(b) To provide the hospital staff with a method by which they could become familiar with the Plan and with their role in it.

(c) To provide the Director, Disaster Services, Town of Viking with a means to observe and assess the elements of the Viking Peacetime Operational Plan which would be required to become operational if the Hospital Emergency Plan were activated.

The objectives as related to the Hospital Emergency Plan were met.

Some comments are provided for consideration:

(1) The hospital was not alerted. The driver of a vehicle with a Citizen Band Radio brought a message to the Admitting Office asking the whereabouts of the ambulances. Stretcher bearers began arriving at the hospital. These events caused the Hospital Administrator some frantic moments as he attempted to find out if there was an accident and eventually the particulars of it.

(2) There was a massive breakdown in the town plan communication programme. The hospital had to instruct town officials to pick up stretchers and blankets. Guards were at the hospital for one-quarter of an hour before the proposed time of the mock accident.

(3) Because of the communication problem the Hospital Emergency Plan was not activated until 1327.

(4) Evacuation procedures were carried out quite calmly, although a condition of stress, due to the delay in hospital notification was present.

(5) Due to some misunderstanding the Reception Marshall went to the scene of the accident with the ambulance service. This created some confusion and loss of control at the Reception Area until another staff member was designated to act as Reception Marshall until the person originally designated returned to the hospital. It is suggested that, at an alert, a Reception Marshall be determined and be ready to conduct triage as soon as the first ambulance arrives.

(6) Initially the Ambulance Drivers ignored traffic control and proceeded to the Ambulance Entrance and had to be redirected to the Reception Area. This was soon rectified.

(7) A nurse carried out the triage procedures in the Sorting Area very efficiently. Some minor problems were encountered because some casualties were tagged at the site; some casualties were not tagged; some tags were tied to the casualty's wrist while others had the tag tied to the ankle. It is suggested that if tagging is done at the site that it be consistent. Also, if the casualty has not lost a hand the wrist is the most acceptable place to tag the person.

(8) It is suggested that the Plan procedures be reviewed for this area to ensure that wheelchairs are available in the Sorting Area.

(9) The Resuscitation Area was busy and, in all probability there would be a need to seek additional medical assistance to cope with the number of casualties received by the hospital.

(10) The Plan calls for the Information Slips to be sent to the Control Centre. However, there was a shortage of nursing help. It was decided, therefore, to have the slips taken to the Nursing Unit which allowed the Senior Nurse to function here and direct proceedings without having to move between the Control Centre and the Nursing Unit. This was a good decision.

(11) The Relative Centre was not activated and the clergy were not alerted. This is a very important facet of Emergency Planning and it is regrettable that this was not exercised.

(12) The Information Slips were correctly completed.

(13) Traffic Control was good

Hallowe'en Relatively Quiet in Area

Hallowe'en in the area was relatively quiet, yet did see the destruction of some property.

Corporal Lamertz of the Tofield detachment, R.C.M.P. reported a number of regular Hallowe'en pranks in Holden, plus the destruction of a swather and the damaging of an auger. As well, Mayor Oleh Shykora reported a number of incidents of rock throwing and the subsequent destruction of windows. He reported that the plate glass window in the Village garage was broken in this manner. Holden did not "lay on anything special" and relied on the R.C.M.P. to patrol the Village.

Most youngsters stuck to treating this Hallowe'en instead of tricking. The monsters and lady shown above stopped their rounds only long enough to have their picture taken.

Staff Photo

Bruce and Kinsella experienced fairly quiet evenings with no reports of the destruction of property being received, although a number of "pranks" were successful.

Corporal Anderson of the Viking R.C.M.P. reported a very quiet Hallowe'en in the Viking area. Soaped windows and the turning on of the odd fire hydrant were the major events of the night in Town. In the rural areas, some farm equipment acquired flat tires, but little seemed done in the way of destruction.

In Viking, the members of the Volunteer Fire Department did an excellent job of patrolling the streets, along with the local R.C.M.P. The effective use of C.B. radios enabled the Department to allow pranksters little room for free movement.

Constable McCartney of the Wainwright R.C.M.P. reports that Irma experienced a quiet Hallowe'en also. He reported that the usual number of eggs appeared, but little was done of a destructive nature.

Throughout the entire area, little use was made of fire by Hallowe'en pranksters. This in itself aided in the relative calm experienced in the area on Hallowe'en.

Leo Kelly School Representative

Leo Kelly was recently elected by acclamation as the Town of Viking's representative to the School Board of the County of Beaver. Leo is well known to local residents as co-owner, operator of Kelly's Hardware.

Leo is also an enthusiastic golfer and an avid local sports fan. Curling has also been a favorite winter pursuit.

His concern for quality education led to his being approached by others to represent the townspeople and serve in this townspeople and serving in this capacity, he will undoubtedly do his part to ensure those interests are well served.

No Need for Destruction

The annual festivities enjoyed on October 31 seem to be devised only for certain segments of the population and not for others. This year in the area, Hallowe'en was relatively quiet. Only a small amount of damage of a destructive nature was reported in the area. But isn't a small amount too large of an amount?

The youngsters enjoy getting dressed-up and knocking on doors to have their bags filled with all types of treats and goodies. Also many adults enjoy seeing these happy children in their costumes. This is a part of Hallowe'en that can be rewarding for young and old alike.

As well there are many older people who plan and enjoy masquerade parties in conjunction with the Hallowe'en spirit. The vast majority of these parties are fun-filled and provide a different type of entertainment for the participants.

But what of the group of so called trick or treaters who want only to destroy the property of others? Do we need to perpetuate the holiday for this group of people? On that one night, many people live in dread and fear that their property will be destroyed. In the past, entire stacks of bales have been incinerated under the guise of a Hallowe'en prank. This year a swather in Holden was destroyed as part of a prank. In a society in which the majority of the people are law-abiding, we do not need to perpetuate this night of tricking.

Many people in the various communities either patrolled the Town or protected their own property from potential damage. This should not be necessary! Hallowe'en pranks which do not destroy property are generally in good taste. But the major concern of the people is the fear of pranks of a destructive nature.

Perhaps each Town, or maybe the Province, should place a 9 a.m. curfew on anyone under the age of 18 years on Hallowe'en only. In this way, children who wish to seriously trick or treat will have ample time to make their rounds, while those who wish to destroy property late at night will be easily picked up, for one need not wait for them to destroy anything.

Hallowe'en is a time for people, young and old, who want to have FUN. There is no place for the destruction of property in the disguise of a Hallowe'en prank.

Hospital continued from page 1

as soon as the ambulance drivers recognized the traffic control guards.

(14) Security around the hospital was very good.

(15) Site/hospital communications were established. However, messages were slow arriving. It is suggested that this form of communication be reviewed to ensure more rapid transmission of information.

(16) There was no "take charge person" designated for the disaster site. A person at the site finally assumed this responsibility.

(17) There was a shortage of first aiders at the site.

(18) The R.C.M.P. were prepared to participate but did so only when learning of the disaster by accident.

The conduct of the exercise illustrated:

(a) The requirement for a well written Hospital Emergency Plan to provide the guidelines by which the hospital staff can respond to provide care for a large number of people brought to the hospital.

(b) The necessity for a Municipal Peacetime Emergency Operational Plan, through which the Director, Disaster Services, Viking can provide the necessary support elements to complement the hospital service when care is required for a large number of injured.

(c) The need for good on-site care and casualty management. Sound first aid procedures and casualty handling at the site can lessen considerably the workload of the hospital staff and increase the probability of casualty recovery.

This was a good exercise. The Hospital Emergency Plan is well written and appeared to meet the needs for which it was designed. The sincere and dedicated participation by the physicians, the hospital staff, the students and the volunteers from the community made a comprehensive assessment of the exercise possible. There are some amendments and revisions necessary to the Hospital Emergency Plan which the Emergency Planning Committee will implement where required. It is suggested that further meetings between representatives of the hospital and of the town be held to rectify the communications problem encountered in the conduct of the exercise.

Town of Viking Minutes

The meeting was called to order by Mayor Hafso at 7:00 p.m.

The minutes of the last regular meeting of October 4, 1978 were adopted as read on a motion by R. Evans.

M. Stephenson reported that he has talked with the Town Foreman and the utilities committee have agreed to send Mr. Massey to a water operators training course in Edmonton from February 12 to 16 and also to a chlorination workshop in Red Deer from April 23 to 27, 1979.

It was moved that the Town of Viking accept the Municipal Inspectors Report on the Town of Viking as read. The motion carried.

It was moved that a letter be written by the Administrator to Mr. Bob Laurie informing him that he cannot continue to service other peoples trucks and equipment in his garage or on his residential lot as the Town by-laws do not allow it. The motion carried.

It was moved that the minutes of the Organizational Meeting of Council, dated October 18, 1978 be adopted as read. The motion carried.

F. Morwood reported that receipts for October were $15,030.93 and disbursements were $18,010.25 giving a net balance on October 31, 1978 of $393,218.87. It was moved that the financial statement be accepted as read. The motion carried.

It was moved that the accounts be paid with the exception of County of Beaver in which only the taxes for 1977 are to be paid. Newman Hattersley Ltd., which is not signed. The motion carried.

Building Permits - McQueen, Pullen and Pullen to renovate old Viking Bakery on main street for office space, E. Kjelland to construct a garage on Lot 7, Block 46, Plan 7720614 in Rezmahel Subdivision, Bill Kamphuis to construct a garage on back of Lot 11, Block 38, Plan 7720614, Florence Maxwell to construct residence on Lot 5, Block 18, Plan 5533AO.

It was moved that the McQueen, Pullen and Pullen application for building permit be approved by Council. The motion carried. Council noted that a more accurate scale drawing of this proposal is required by the Town.

L. Josephson noted that a number of residents over the years have been building before applying for a building permit from the Town of Viking. He also noted that the Town does not permit this as it contravenes the Town of Vikings building by-law No. 294 as authorized under the Alberta Uniform Building Standards Act. He noted that it would be worthwhile for the Administrator to put a notice in the new spaper informing the public of this. Building permits may be obtained at the Town Office.

F. Morwood reported that Television Station CRTC has been turned down in its bid to supply cablevision to the Town of Viking by the Canadian Radio-Television and Telecommunications Commission. However, Television Station QCTV has contacted the Town Office and would like to meet with Council and discuss the possibility of their servicing the community. They are a larger station with more funding and they feel there would be no problem in getting such a proposition approved, provided the people are in favour of it. Council instructed Mr. Morwood to write Mr. Bill Lee of QCTV and inform him they would be welcome to come to a Council Meeting and discuss the proposition.

Corporal Lyle Anderson reported to Council that the R.C.M.P. will only finance one-quarter of a man year towards the employment of a secretary in the R.C.M.P. Barracks in Viking. This amounts to 450 hours at a rate of $6.15 per hour. This would amount to 330 man hours which must be made up from another source if the Town of Viking is to have a secretary in the barracks on Tuesdays and Fridays. Council asked that Corporal Anderson submit his proposal that the Town finance the remaining 330 hours, three months prior to the date when the Town budget is set.

Council received a letter from R.A. MacDonald, Manager of real estate for Canadian National, stating that the newly created crown corporation Via Rail is negotiating to buy or lease stations and station grounds and that he cannot therefore inform the Town of any information regarding their ambitions to make a park site out of the existing grounds. He feels that the negotiations could very easily take several months and that Viking will have to then deal with whoever has control of the assets at that time.

F. Morwood read a letter to council from Mr. R. Krips, Administrator of the Viking General Hospital requesting that a Town Development Permit be issued to the Viking Board of Hospital Trustees. Also enclosed were a set of preliminary drawings.

It was moved that Council issue a development permit to the Board of Trustees for the proposed Viking General Hospital. The motion carried.

A letter was read to Council from John, Dorothy, Philip and Daryl Penner thanking Town Council for the clock presented to them by the Mayor at their farewell tea.

It was moved that Council give Tom Sweeper By-law No. 312 Third reading. The motion carried.

M. Stephenson reported to Council that himself, Mayor Hafso and Mr. Morwood met with Mr. Jan Dermiter, an inspector from Water Resources Section of the Department of Environment today. He reported that the Town of Viking needs a license from the Department of Environment in order to be able to draw water from the existing water shed which feeds the town at present. This was never paid for. He also noted that the Beavers are not the Town concern as the Town does not have a responsibility to maintain the trench or waterway outside of its own corporate limits. Farmers cannot divert the waterway in any way though they are not responsible for the actions of the beavers.

It was moved that the Town apply for a water license. The motion carried.

Mr. Stephenson directed the Administrator to get Orion to shoot levels and see where the water backs up to from the Town "hetch basin". He also noted that cross sections of the waterway within the Town limits are needed for the water license.

Mayor Hafso reported that he has approached three different businesses regarding the location of a dumping station for trailers. Fountain Tire has no room, Gulf Service Station has no reply back yet from management and Texaco is definitely willing to work with the Town towards construction of one.

R. Labreche reported that he has contacted other towns in the county of Beaver and together they are in the process of setting up a meeting with the county to discuss county participation in the upkeep of landfill sites owned by the respective towns.

Mr. Labreche also noted that he felt the Town of Viking should dig a new trench only half to two-thirds the size of the present one at the landfill site as a full size one would be wasted during the winter months. He reported that garbage bags and paper are blowing east towards the road and making a considerable mess and that he will attempt to contact the Scouts and ask them if they will consider helping in a clean up of the area.

It was moved that the Town apply to the A.U.M.A. for an insurance survey of all town build ings and equipment including the community hall, arena and curling rink. The motion carried.

It was moved that the Town put a note in the paper thanking the Local Fire Department for patrolling Viking during Hallowe'en and through the rest of the night until four in the morning. The motion carried.

F. Morwood reported that he contacted Mr. Bob Cross at the County of Beaver regarding taxes owing on the ½ section and Mr. Cross informed him that if the Town does not draw revenue from the land that he will exempt it from the taxes. Councillor Taylor noted that the Town will not be drawing revenue from the half section in 1978. The Administrator will write the County and apply for tax exemption for the above named property for 1978.

F. Morwood reported that he contacted Mr. Adam Schmidt and that he has agreed to do plumbing and heating inspections for $7.50 per inspection. The Town will charge $10.00 for a plumbing permit and $10.00 for a heating permit from the date of this meeting on.

F. Morwood reported that Mr Wil Rushton of the Viking Airport Commission has informed him today that the survey crew will be coming into Viking on October 31, 1978 and the government are supplying the land for Viking's new airport. It will be the town's responsibility to maintain it through the airport commission. Construction will begin in the spring of 1979.

It was moved that the Administrator write the County of Beaver to inform them that there has been no revenue derived by the Town of Viking from its half section east of Town during 1978 and would they exempt the Town from county taxes. The motion carried.

Letters to the Editor

Dear Editor:

Through your newspaper, I would like to extend to the family of Lloyd Hanson, and to his brothers and sisters, the sincerest of sympathy of myself and my family.

I am sorry to say that I did not know of Lloyd's passing until this afternoon when I had a visitor from Viking. Had we known we would definitely have come to Viking to show our respects to Lloyd who has been a long time friend of this family. We are all so sorry to hear of his passing, a man who, I am sure, never hurt anyone, but helped many.

To all of you our sincerest sympathy.

Mrs. Damer Anderson
Connie, Mac and Don

Dear Sir:

Reference is made to the Profile which appeared in the November 1, 1978 issue of The Weekly Review.

In this profile it was stated that my wife Ellen is Head Nurse at Viking General Hospital. The sentence should have read general duty nurse.

The two senior positions in the Nursing Department are held by Miss Beverly Jaap, Director of Nursing, and Mrs Shelley Calow, Unit Coordinator. All other nurses act in a general duty capacity.

Yours truly, K.R. Krips

Ryley Man Builds Airplane

Mr. Denver Jacobson of Ryley has almost completed building, after approximately three years, an airplane. As a pilot, Mr. Jacobson has built the plane entirely from scratch, using his own knowledge and skills. Staff Photo

There are many people who build model airplanes as a hobby but very seldom do you see anyone whose hobby has been building a real airplane.

Mr. Denver Jacobson of Ryley is one of those unique individuals and as you can see the machine is nearly complete.

Mr. Jacobson who is now a helicopter engineer, began his flying career as a bush pilot and later became a helicopter pilot.

From 1969 until 1975 he operated a maintenance shop at the Camrose Airport and it was during this time that he began working on the construction of his own plane.

The basic plans for the plane were ordered from the United States at a cost of $50.00. They came from the Mooney Mite (Owners Association, an organization which owns the patent and manufacture rights to the original Mooney Mite Plane which has not been commercially manufactured for many years now.

Mr. Jacobson worked actively on construction of the plane through the years of 1973 to 1976 but has done very little in the past couple of years due to the lack of an adequate shop to work in. The entire plane has been built from scratch by Mr. Jacobson with the exception of the engine and landing gear which came from a wrecked plane.

To date, he has approximately $5,000.00 invested, not including labour but claims he would not sell it for three times that amount.

Dogs Pose a Problem

Complaints to the Town Office about dogs running loose on Viking streets have recently risen in number. Within the past month, two dogs have been destroyed under By-law 264. As Viking does not have a dog-catcher, Town employees have been involved in catching strays and taking them to Vegreville where they are destroyed. The fee at Vegreville for each dog being destroyed is $10.00, plus it costs the wages of a Town employee to transport the animals to Vegreville. These animals must be destroyed in Vegreville due to S.P.C.A. regulations.

On Wednesday evening, November 1, Viking Town Council discussed hiring a dog-catcher to move into the Town on a regular basis and remove strays. The Councillors decided that the Administrator should get quotes from various outside firms that may be interested in handling Viking's problem.

By-law 264 provides for the seizure and destruction of dogs which run loose in Viking. Following is a reprint of the complete By-law 264.

By-law No. 264
TOWN OF VIKING

This By-law shall be known as the "Dogs' By-law" and will rescind By-law No. 186 in its entirety.

Provisions of this By-law are as follows:

1. An owner of a dog MAY purchase at the Town Office an identification tag for the sum of Five Dollars a year or any portion thereof.

2. Dogs are prohibited from running at large.

3. Any dogs running at large are to be picked up by the dog-catcher.

4. If there is no identification tag on the dog it shall be considered a "stray" and disposed of immediately.

5. If there is an identification tag on the dog it will be impounded for up to 72 hours during which time it may be redeemed on the payment of a fine to the Town of Viking.

6. Fines will be as follows:
$20.00 for a first offence
$35.00 for a second offence
$50.00 for a third offence

New Ice Plant for Viking Curling Rink

With the installation of a new electric plant in the curling rink this year, keen ice should be a major attraction for curlers in the upcoming season.

At the Annual Curling Club meeting held on November 2, President C.R.McLean and committee reported that the 30 hp. motor with 30 ton compressor unit should be operational by November 6 and the ice will be useable sometime shortly thereafter. When the new Recreational facility becomes a reality, this new plant can easily be transferred.

To get curlers in the spirit, the club will be holding a fun mixed spiel one evening as soon as the ice is ready. This date will be announced later.

Because of increased operational costs and expenditures the club found it necessary to increase membership fees to the following: Men-$40, Ladies-$25, and Students-$15. This increase brings Viking's fees up to the same level as other clubs in the surrounding area. Fees are to be paid by the end of December.

The regular curling schedule is as follows: Men-Thursday evenings, Ladies-Wednesday afternoon and evening and Mixed-Friday evening. One of the free evenings will be a mixed challenge night for everyone, with details being presently worked out. Any ladies who are interested in afternoon curling are asked to contact Dawn Hodgins at 336-2440 as soon as possible so that babysitting arrangements can be made.

Bonspiel dates are as follows:
Farmers Bonspiel Jan 4-7
Mixed Open Bonspiel Feb 1-4
Mens Open Bonspiel Mar. 15-18
Ladies Open Bonspiel Mar 23-25

Third Grade Collects for U.N.I.C.E.F.

Front rows, left to right, Donna Larson, David Larson, Leanne Creasy, Jason Costall, Leslie Creasy, Kari Ann McCrea, Pam Poulton and Kari Lynn Jones. Back row, left to right, Mrs. Astley, Shelly Jones, Ronaye LePage, Ron King, Marvin Fuder, Stacy Larson and Tracy Shaw.

On Monday, October 3, the Grade III class accompanied by their teacher, Mrs. Astley and mothers Mrs. R. Jones, Mrs. Costall, Mrs. R. Larson Mrs. M. King and Mrs. Creasy canvassed the town to raise money for U.N.I.C.E.F. This is an international organization and money raised is used to help children in needy areas of the world

The boys and girls were enthusiastic about their venture and were well rewarded for their effort. They collected $122.00. Some money was also sent in from rural families.

Those participating would like to say a big thank you to each one who contributed to this worthy cause.

By Linda Jones

Young Alta Book Week

Young Alberta Book Week is being celebrated this year from November 18 to 25. It's motto is "Surface with Books".

School and public libraries are invited to participate by various activities and displays. A promotion such as this is important because good books can provide children with

(1) information
(2) an understanding of themselves and others
(3) experiences in the world of imagination
(4) a sense of just good fun

The objectives for the week are really daily objectives but setting aside a special week affords the opportunity to highlight library activities; to promote books and emphasize the importance of reading; broaden experiences and enrich lives through reading; develop an aesthetic appreciation for books; create an awareness of award winning books; acquaint readers with authors and illustrators; promote books through different types of media, encourage creative activites related to books; foster public awareness of the role of the publishing industry; create an awareness of libraries, their resources, programs and services.

Criminal Code

The following changes to the Criminal Code of Canada Sec 91 (1) should be noted.

91. (1) Every one who gives, lends, transfers or delivers any firearm to a person under the age of sixteen years who is not the holder of a permit under which he may lawfully possess the firearm;

(a) is guilty of an indictable offence and is liable to imprisonment for two years; or

(b) is guilty of an offence punishable on summary conviction.

(2) Subsection (1) does not apply to a person lawfully in possession of a firearm who permits a person under the age of sixteen years to use the firearm under his immediate supervision in the same manner in which he may lawfully use it

Ryley Trio Earn Medallions

Tom Pope, Ron Teske and Morris Sigalet recently earned their bronze, silver and gold medallions for the mile swim in the Red Cross Water Safety Program.

This award is given to anyone swimming one mile in under thirty minutes. If the lengths are made in under forty-five minutes a crest is awarded, under forty minutes a bronze medallion is earned, under thirty-five minutes a silver medallion and under thirty minutes a gold medallion.

All three medallions were given at one time to these Ryley residents, by a Red Cross examiner from Edmonton.

Ron Teske is the manager of the Ryley Swimming Pool, while Tom Pope is a lifeguard there. Not many people earn these medals, as it takes a lot of physical stamina.

By Marlene Sinclair

Vows Exchanged at Fall Wedding

Mardelle Faye Lauber, the eldest daughter of Mr. and Mrs. William of Tofield and Dale Geoffrey, sone of Mr. and Mrs. Walter Oslund of ryley were united in marriage in a pretty candlelight service at the Bardo Lutheran Church in Tofield on Saturday, October 21 at 7:00 p.m. Reverend Sogge officiated.

The guests were ushered into the church by Lonnie Lauber and Robert Clement, cousins of the bride and groom respectively. After the guests were seated, the candles were lit by Charlene Lauber, sister of the bride and Donnie Oslund, brother of the groom. They lit these with tall white tapered candles which they both carried.

The bride was radiant as she entered the church on the arm of her father. She wore a high waisted full length gown of polyester satin and polyester chiffon with a rounded neckline and self train. Her three-quarter length veil was lace edged and flowed from a tiara of lace and pearls. She also carried a bouquet of red roses.

The bride's attendants were Ann Oslund, sister-in-law of the groom, as Matron of Honor, bridesmaid was Laura Baker, friend of the bride and the flowergirl was her cousin Heidi Lauber. They work pink satalure gowns with small pink and white flocked flowers. The dresses featured fitted bodices, gathered shirts with puffed long sleeves gathered at the wrists. They carried nosegays of pink roses.

The groom was handsome in a dark blue suit and a red rose boutonniere. The bestman was Lyle Oslund, brother of the groom, and the groomsman was Roderick Lauber, brother of the bride. Both wore medium blue suits and pink rose boutonnieres.

For her daughter's wedding, the mother of the bride chose a blue polyester chiffon gown with tiny pink and white flowers. The mother of the groom wore a dark brown gown of polyester with multi-colored flowers. Both mothers wore white rose corsages.

The wedding music was beautifully played by Mrs. Sanford Boettger. The soloist, Mrs. Leo Lauber, aunt of the bride, sang two lovely selections "Because" and "O Perfect Love". Pastor Sogge's sermon ette on the "Four C's of Marriage" Communication, communion, consideration and most important Christ was much appreciated.

At the reception held in the Ryley Community Hall, the bride's uncle asked the table grace, after which a delicious turkey supper was served by the Ryley Lutheran ladies. Murray Lauber, uncle of the bride, acted as Master of Ceremonies, while Luella Lauber, cousin of the bride, was in charge of the guest book. Toward the end of the meal the guests were favored with a short program consisting of several special numbers. "The Lord is my Shepherd" was sung by Ellen, Leo, Ben, Calvin and Murray Lauber, aunts and uncles of the bride, a trumpet solo "Happy the Home" was played by Roger Oslund, cousin of the groom, a song was sung by the bride's cousins "Dale Went A Courting", and Rose Lehman and Donnie Oslund each read a poem. The groom's uncle, Norman Gossman, led in a toast to the bride to which the groom ably responded. The cake was then cut and passed.

After the first few waltzes to Don Tiedeman's Orchestra, the bride and groom unwrapped the gifts which were then left on display.

The happy couple left on a week's vacation to Jasper, Banff and Calgary. An open house at the home of the bride's parents was held upon the return of the newlyweds. Dale and Mardelle will be making their home in the country near Round Hill.

Ryley and District News

RYLEY LIONS CLUB - Five Lions and their wives had an excellent time in Ft. McMurray last weekend. They spent three days learning more about the Lions club and enjoying themselves at the charter night and banquet. They listened to a guest speaker from Ontario, Dr. Bud Danylchuk, speak on Lions and what they are doing in their communities. While in Ft. McMurray, these couples were taken on a tour of the Syncrude and Great Canadian Oil Sands operations. George Baker said he was most impressed with the massiveness of the project. He also stated that it was quite a shock to return home to this much snow, as there is very little there. On Thursday, November 9 the Lions will be having a special ladies night when all the wives and girlfriends will be treated to a banquet and slide show.

RYLEY SCHOOL - The parent-teacher day held last week was very successful with a large number of parents in attendance. Due to Remembrance Day falling on a Saturday this year, Ryley school will have their Poppy Day on Thursday, November 9th. The members of the Royal Canadian Legion will be selling poppies during the noon hour to all those wishing to buy the. A band comprised of Junior High Music students will be taking part in the Remembrance Day service to be held in the Community Hall on November 11. On October 25 a group of 75 students made their way to the Citadel Theatre in Edmonton where a drama called "Harold and Maude" was performed for them. Everyone thoroughly enjoyed themselves. The County Volleyball Tournament will be held on November 9 in Holden. Good luck team. The Senior High Students Union are beginning preparations for the graduation of 1979. Very few people realize how much work goes into an event of this type. The Homecoming Basketball game for students that have attended Ryley school in the past five years will be held on December 2 at 8 p.m. Invitations will be sent or delivered to the alumni soon. This year the games will be followed by a Disco from 10 p.m. to 1 a.m.

RYLEY LIBRARY - Young Alberta Book Week will be held from November 18 to 25, the Ryley Library staff will be promoting this by offering a contest to all the boys and girls of Ryley and District. The contest consists of guessing how many books are in the library and there will be a prize for both boys and girls. The guesses will be accepted from the 18th to the 25th in the library. The staff would also like adults to list their favorite authors on a chart that will be set up on a wall. This is to help them with the selection of new material for the library. A new shipment of books has arrived with the best sellers included.

SENIOR CITIZENS - The Senior Citizens have started their beginning projects on the floor loom. They are all weaving place mats. The leather craft lesson have been delayed until the new year as everyone is extremely busy at present. Those doing ceramics are producing a lot these days and there will be a large number of ceramic articles for sale at their sale on December 2nd. They will also take specific orders. Anyone wanting this service should contact Alice Albrecht or Lucille Knudsien.

RYLEY LEGION - Remembrance Day services will be held at 11:15 a.m. at the cenotaph, followed by a program in the Community Hall, a public dance will follow in the evening at 9 p.m.

What's New in Ryley

WHAT'S NEW - Dr. Robertson will be staying and continuing his practice in Ryley. He will be at his office in his home every day except Monday and Wednesday afternoons when he will be in Holden. For those wanting an appointment in Holden, please phone the Public Health Nurses or in Ryley phone Dr. Robertson at 663-3822. Dr. Robertson lives on 53rd Avenue just off Main Street in a white house with black trim.

Barry Stumbo had an unfortunate farm accident last weekend. He was at his mother-in-law's (Mrs. Adam Frebrowski), helping with the farming when he lost his thumb. They picked up the thumb and rushed him to the University Hospital where they operated in an attempt to reconnect the thumb to the hand. No one known as yet whether the operation was successful.

Ryley Motors was broken into on Wednesday night, November 1st. The thieves made off with some change, booster cables and flashlight lanterns. This is the third time this year that they have been broken into. The thieves entered by breaking a window in the rear of the building similar to the previous breakins. Terry Mizera and Darrel Albrecht, owners of the garage are considering an alarm system or a guard dog to help prevent another break-in. The same night, Jack's Esso in Holden was also a victim of thieves.

Ryley was fortunate this year as there was very little Hallowe'en damage done in this district. We must commend our youth, some were even out patrolling the town and any minor pracks that were played, they undid.

By Marlene Sinclair

There will be a Friendship Bible Study at the home of Brenda Cross, trailer number 14 in the trailer court, on Thursday morning from 9:30 a.m. to 11:00 a.m. Babysitting service will be provided for a minimal charge. Phone Beth Kope for further information. The study will start with the Book of Mark.

Mr. and Mrs. Nerassen have their daughter Marvel and son-in-law Doug Down and their granddaughters Laurie and Wendy and her husband Sheldon Whitlock and baby from Yellowknife, N.W.T. visiting with them.

Barbara Kozack fractured her knee while helping her husband Steve put siding on their garage. The ladder on which she was standing gave way and she came down hard. Barbara is in the University Hospital in Edmonton where she had a pin put in her knee.

Mrs. Seniuk is now living with her son Mike in Camrose. She is second in line for an opening in the Sherwood Park Nursing Home and will be moving there soon.

VILLAGE OF RYLEY - Curbs and gutters are progressing but some will have to be left until the spring. They will clean up as much as possible. All the important corners will be swaled (have curb returns for draining purposes). Drain age ditches will be left on 53rd Avenue for the storm sewer program. 49th street will be upgraded with grading after the curb and gutters are put in the west side. Curbs and gutters cannot be put in on the east side because the Curling Rink is on the road allowance. The new water treatment plant is progressing, the deep well is completed and ground level cemented.

MF MASSEY-FERGUSON MOVE UP TO

Beaver Motors Ltd.
Holden, Alta.
Ph. 688 3809

Profile: Oleh Shykora

Oleh Shykora has returned for a second term of office as Mayor of the Village of Holden.

Oleh was raised on a farm just outside of Radway, Alberta, the second of three boys. His father built and operated the general store and post office in Eldorena. When Oleh was four, the family moved to the Okanagan Valley in B.C. Two years later they moved back to Radway. Oleh received all but one year of his schooling there.

In 1958 he started at the University of Alberta and took one year of teaching training. In September of 1959, he moved to Holden and started teaching Grade 8. Since then he has taught most of the grades from 7 to 12 in most of the subjects.

In 1974 Oleh became Vice-Principal of the Holden School and in 1975 took the job of Principal. He has been Principal since then, excluding the year he went back to the University of Alberta to take educational administration.

Outside of school, Oleh is interested in politics. In 1968 he was elected to Town Council and is now serving his second term as Mayor. He was President of the Battle River Social Credit constituency committee. He once tried for a nomination to run for the provincial Social Credit Party and was part of the 14-40 Club which promoted Highways 14 to 40 (in Saskatchewan).

Oleh has also held offices in Elks (as Exalted Leader) and the Holden Chamber of Commerce (as President).

His wife Marilyn is the bank administrator at the Holden Royal Bank. Oleh spends his spare time fishing, hunting and doing carpentry work.

Phonics Can Be Fun - The Junior Opportunity Class using the Sound Ways Method. This method uses visual and auditory channels.

Holden and District News

The local Holden reporter, Anna Shavchook wishes to correct last week's item on the Holden Teen Club - saying the club will donate $200 to the Holden Community Hall. The teen club have already donated the $200 cheque to aid in wiring of the hall. The cheque was presented to the Mayor by teen club treasurer Karen Chupka and secretary Cathy Lemko. The money was raised by holding teen dances. The next teen dance will be held on November 18.

Hallowe'en in Holden was celebrated rather quietly. The staff at the Royal Bank dressed in costumes, went about their work joking with customers and friends. Treats for all included a large bowl of "witches brew" which tasted real good and mini-chocolate bars. The management and staff were very polite when asked to come forward to display their costumes.

Most children were very polite while Hallowe'ening for tricks or treats in the early evening. But, from 9 p.m. until midnight many business places in town were hurled with eggs. Tires, bales etc. were strung across main roads.

By Anna Shavchook

Business Changes Hands

Mr. Victor Pelesnky from Spruce Grove has purchased Holden Farm and Ranch.

The Holden Farm and Ranch business owned and operated by Steve and Larry Stokowsky for five and a half years was sold recently. From November 1, 1978 Victor will be operating the business under the name of Holden Farm and Ranch Centre (1978) Ltd.

The Village of Holden welcome Victor and his family to Holden and wish him every success in his new endeavour. For the past number of years it was pleasant to have Steve and Joyce Stokowsky and their staff operating the Farm and Ranch business, also taking part in many village activities. Larry Stokowsky co-owner lived in Edmonton but joined the staff on many Saturdays. Steve and Joyce will now keep busy with the operation of their farms near Holden.

Maria and Christopher Dorin were baptized on Sunday, October 29 at St. John's Lutheran Church in Vegreville with Pastor Heinemann officiating. Godparents were Arlene and Clifford Field, aunt and uncle of the twins. Marion and Malcolm Dorin entertained family and friends at their home after the service. Grandparents Ellen and Ernie Dorin reported a memorable day.

The regular monthly meeting of the Women's Institute was held at the home of Anne Motkoski on Thursday afternoon, November 2. Edith Guan Constituency Convenor, was present to speak to the ladies. At the present time the W.I. is holding a cake raffle each Saturday with the cake on display and tickets available at Rudy's General Store. Lucky winners so far have been Tom Dwyer, Dorie Hammermaster, Muriel Otto and Evelyn Hassett.

The Senior Citizen's Club reports a successful whist drive on Friday, November 3 and will hold another on Friday, November 10. Winners were Vivian Benson and Roy Haugen. Low scorers were Bert Siegel and Tom Dwyer.

Bruce Kawalilak is spending a couple of days in Edmonton at the Mayfield Inn where he is participating in a workshop sponsored by Shell Canada Ltd.

Despite the unpleasant weather, Darlene Sroka had a good attendance at her opening day activities. Darlene's Grocery and Coffee Shop opened officially at 9:00 a.m. on Saturday, November 4. Lillian Siegel was the first lady to receive a rose. These posies were presented to the first 25 ladies to come into the store. Winner of the draw for the grocery hamper was Mike Ziminsek of Viking. Free coffee and doughnuts were enjoyed all day by the many visitors.

Marlene and Peter Miciak entertained in their new home on Saturday, November 4. Honored guests were those people who gave them a helping hand when they were building their house.

Bev and Arnold Lund and children Laurie and Debbie came from Red Deer on the weekend to visit Arnold's parents Isabelle and Marvin Lund.

Joe and Paul Osinchuk of Edmonton spent the weekend with their daughter Paulette Erickson and her family.

Bruce Resident Passes

A long-time resident of the Bruce district, Emil Doria passed away at the Vegreville General Hospital on Friday, November 3, at the age of 67 years.

Emil was born on October 26, 1911, one of nine children of William and Wilhelmina Doria.

Emil farmed for many years ten miles southwest of Bruce. On July 4, 1929 he married Gladys Fredericks and in 1947 they moved to a farm one-half mile west of Bruce where he resided at the time of his death.

He leaves to mourn his loss his wife Gladys, daughter and son-in-law Audrey and Vernon Pratt and grandchildren Cathy and Gerald. He is also survived by one brother William of Westlock and three sisters: Martha Jacobson of Yellowknife, Alma Tubb of Nanaimo, B.C. and Tillie Schreiner of Spokane, Washington. He was predeceased by a brother Arnold and three sisters, Mary, Grace and Ann.

Funeral services will be conducted by Pastor Heinemann at the Immanuel Lutheran Church in Bruce at 2:30 p.m. on November 8. Park Memorial Funeral Home of Vegreville is in charge of arrangements.

By Bea Fredericks

Would You Like To Write?

Would you like to write? Would you like to see your name in print? Why not join our writing club? Bring a sample of your writing and have fun exchanging ideas and listening to constructive criticism, both of your own writing and that of other members of the club.

WHERE AND WHEN WILL THIS HAPPEN?

Meetings are held once every two weeks. The next meeting will be at Mrs. C. Findlay's house, University of Alberta Ranch, just a quarter mile north of Kinsella, at 7:30 p.m. on November 13th. Admission charged for these meetings are $1.00 per meeting.

In the new year we look forward to a course in Creative Writing, for which there will be an additional charge

Anyone interested is most welcome. For further information, phone our President - Mrs. H. Rauser. at 336-2193 or Mrs. Margaret Rollinson - Secretary at 336-2453.

Swinging Beavers

The Swinging Beaver Club opened their 1978-79 season on October 30 at the school auditorium at Bruce, with a masquerade dance, with Art Ziegler calling.

The crowd entered in to the spirit of the evening, the costumes many and varied, and few surprises when the masks were removed. We even had a family of six eager Beavers, Lil and Abner, Indian Chief, the inflated dollar sign, Mexicans and many others.

We had visitors from St. Paul, Edgerton and Mundare and had five squares dancing and a few extras.

The ones that were not in costume, judged those that were, for first prize for ladies and men.

The next square dance is on November 6th at Bruce School - Wilf West calling. The regular square dance night is every Monday at the Bruce School. See you all there!

Irma W.I. News

The November meeting was held at Mrs. A. Dootson's home with fifteen members and one visitor present. President - Kay Fahner welcomed those present with some happiness hints.

Plans were finalized for our fall tea and bazaar which is to be held in the Legion Hall on November 18th. At this tea the lucky raffle tickets will be drawn. The first prize is a hamper of groceries, second prize is a blanket and third prize is towels.

The W.I. will again sponsor the Community Christmas card. Give your donation to your favorite charity (minimum $3.00) to Mrs. A. Nissen, Mrs. E. Gunn or Mrs. Kay Fahner during the month of December and have your name on the Community Card.

Five large boxes of quilts, sheets, baby clothes, soap and good used clothing have been packed and sent to the Unitarian Service Committee in Edmonton.

The programme was by Mrs. Gladys Meyers who read an interesting article which featured U.N.I.C.E.F.

The annual meeting is to be on December 7th, at Mrs. A. Nissen's home. Mrs. E. Gunn and Mrs. B. Parsons as hostesses. The Social Service report will be given by Mrs. B. Parsons and the Secretary's annual report by Mrs. E. Wilson. Each member is to bring a guest.

Edmonton Choir to Sing at Viking

Word was told to The Weekly Review today that "The Choirs of Concordia College" from Edmonton will be giving a special concert Sat., November 18th here in Viking.

Saturday evening's 8 p.m. concert will be especially noteworthy for a native son, Gordon Hafso, will be directing the 60 member Concordia College Choir.

Mr. Hafso, now Assistant Professor of Music at Edmonton's Concordia College, grew up here in Viking, began his studies at Camrose Lutheran College, continues at St. Olaf's College in Northfield, Minnesota and completed his Master's work at the University of Southern California.

For twenty-three years he was Minister of Music for Emmanuel Lutheran Church and its 600 student parochial school in North Hollywood, California.

Since 1975, Mr. Hafso has been on the staff of Concordia College in Edmonton and Director of its well known Concordia College Choir.

Saturday evening's concert will take place at Golden Valley Lutheran Church at 8:00 p.m. Rev. Tim Johnson, pastor of the local Lutheran parish, who is sponsoring the Edmonton Choir's performance told The Weekly Review of the completion of arrangements which will bring the Choir to Viking on Saturday, November 18.

Actually there will be three choirs who will be appearing in the weekend concert - the 60 voice Concordia College Choir under the direction of Gordon Hafso and two student folk groups from within the Choir. "Happy Together" is a 15 member folk group of both young men and women, and "Sun Shine" is a 20 member, all girl folk singing group directed by student Esther Johnston of Peace River, Alberta.

"The Choirs of Concordia College" have become rather well-known throughout western Canada for their tours of the western provinces, appearances on a number of television shows, and public performances in Edmonton's Edmonton Centre and the Citadel Theatre complex.

According to Rev. Theordore E. Reiner, Tour Co-ordinator for the Choirs, the local appearance is part of a three day mini-tour which will see them performing in Viking, Wetaskiwin, Vegreville and Bruderheim the weekend of November 17 to 19.

"It's sort of a 'shakedown tour' to acquaint the students with what it means to cram into a bus and a van with all our props, live out a single suitcase, and get used to billeting with parishoners. The experience will serve us well when we go on extended tour next spring," Rev. Reiner told this newspaper.

"The Choirs of Concordia College" are currently slated for touring southern Ontario and the American states of Illinois, Michigan and Indiana late in April of 1979.

Concordia College, located in Edmonton's highlands at 7128 Ada Blvd. is a church related, autonomous college of the Lutheran Church - Canada.

Currently Concordia enrolls some 475 students from Canada and 15 foreign nations in one of its last three years of high school studies or in one of its first two years of university-level college years.

Anyone willing to provide billeting for singers the evening of the concert is asked to phone Pastor Johnston (mornings) at 336-3155.

Ryley Church News

SEVENTH DAY ADVENTIST CHURCH - Seventh Day Adventists joined other churches around the world this past week in the world week of prayer. We met every night from Monday to Thursday in the Ryley church for study and prayers. On Friday, Saturday and Sunday we went to Camrose to the Sparline School on 52nd Avenue and 52nd Street where Pastor Bill Lehman is holding revival meetings and bible studies. His talks are designed to help everyone have a more meaningful personal religion and are most refreshing. If anyone wants to study about Jesus and what he has done and is doing for us, you are most welcome to come. These meetings will be held at 7:30 p.m. every Tuesday, Friday, Saturday and Sunday until December. If you need a ride call Beulah Oslund at 663-3618.

BETHEL LUTHERAN CHURCH - A reminder that bible studies on the Christian Life style are beginning in Ryley on November 8 at 8 p.m. and in Holden on November 9. These studies will last for two weeks. Pastor Gary Barr will be leading the study.

CATHOLIC CHURCH - Mass will be held Saturday night, November 11 at 8 p.m. The Catholic Womens League meeting was held recently and a discussion regarding the welcoming supper and homecoming took place. A Christmas party is planned for the next meeting on December 6th at Agnes Hisey's. Everyone is to bring a gift costing from $1.50 to $2.00 and these will be exchanged there.

UNITED CHURCH - Bible studies are continuing every Wednesday at 7:30 p.m. in the Ryley church for the Ryley, Tofield and Holden congregations. There may be a break during the Christmas season.

BORSHW PARISH - Mass will be held this Sunday at 11 a.m.

Remembrance Day

The Annual Remembrance Day Service will be held in the Community Hall on Saturday, November 11th at 2 p.m. The service is sponsored by the Viking Branch of the Royal Canadian Legion, and conducted by the Viking and District ministerial Association. The public is cordially invited to attend.

All veterans will parade at the Legion Hall at 1:45 p.m. Berets and medals to be worn if possible.

After the service, a social hour will be held at the Legion Hall. All Comrades, their wives and families are invited to attend.

Do You Know The Bible Says

By Mrs. W. Myers

The heart is deceitful above all things, and desperately wicked, who can know it. Jer. 17:9. NEEDED A NEW HEART.

On the heels of last weeks comments and scripture it is just natural, to follow, that we are in line for the fires of afflictions and uncertain futures which are of great concern in these days in which we are living.

We are so helpless and our striving goes on day after day, year after year, with a question mark in our minds as to why are we here and where are we going. Where is it all going to end. It's not a pleasant picture but everything could be so different if we admitted that Jer. 17:9 is true in my heart and your heart. When we see and admit that we are sinners, lost sinners, and tell the Lord all about it and fall into the outstretched arms of the Lord Jesus. He will receive us and transform us into children of God.

Yes, we would become a part of the family of God with a blessed hope of eternity with God. This thrills my heart because I did just that and My life has been so different. I have such peace in my heart and a vibrant joy day by day. Now don't get me wrong, I have problems and difficulties sometimes but I have Jesus abiding and present in my heart and I tell Him all about it. He knows how to work out these things.

I needed a new heart as everyone does. When I called upon the name of the Lord,He heard me and saved me from sin...so, II Cor. 5:17 is so true....if any man be in Christ he is a new creature. Old things are passed away and behold all things are become new. How about you? Have you met Jesus at the cross where He shed His blood for your sin? Remember, He is knocking, but you must open the door.

IN MEMORIUM

In loving memory of our Grandmother CATHERINE LAWES, who passed away November 12, 1977.
She never failed to try her best,
Her heart was warm and tender.
She lived her life for those she loved,
And those she loved remember.

Always remembered and sadly missed by Grandaughters: Connie, Joan, Jean and Pat Hill and Grandson Glen Hill. — 39c

IN MEMORIAM
In loving memory of a dear mother and mother-in-law, MRS. CATHERINE LAWES of Viking, who passed away November 12, 1977.
Today recalls sad memories,
Of our Dearest one gone to rest,
God knows how much we miss her,
Never shall her memory fade.
Loving thoughts shall ever wander,
To the spot where she is laid.
Oh happy hours we once enjoyed
How sweet their memory still;
But death has left a loneliness,
The world can never fill.
The world can change from year to year,
And friends from day to day:
But never will the one we loved,
From our memory pass away.

Forever remembered and sadly missed by daughter Lilian and son-in law Bert. — 39c

Area Artists

Betty Monaghan is a potter living in Viking. She was born in Consort, Alberta, married and moved to Yellowknife, N.W.T. where she first became interested in clay. She took a course from Dodie Searle up north and then began teaching. She has since taken a weekend workshop in Edmonton from Santo Mignosa of the University of Alberta in Calgary. Betty has learned mostly by doing. Over the years she has taught approximately 300 students the art of handbuilding. In 1974 she taught for the County of Beaver in Tofield, Ryley, Kinsella and Viking and since then has taught privately out of her home in Viking.

Betty handbuilds abstracts, centerpieces using red shale and clay, weed pots and many functional pieces, however, her favorite pieces are her abstracts. She finds working with clay a very peaceful experience. She experiments with earth tone matt glaze that will crawl or uses wax resist to bring about the crawling effect.

Her late husband was interested in glaze chemistry and helped her with glaze testing. Once she got some glazes she liked, she stuck with them. Betty uses a medium fire Cress kiln and gets good results, she has also tried Raku firing using her kiln.

Her daughter Tami has her mother's love of clay. She makes mostly animals and Birds. Tami also paints and draws and here again animals are her subjects. Horses are something she spends time reproducing and she also likes to draw cartoons.

Betty has a son that is artistic in his own way. He is a T.V. announcer for C.B.C. and is very creative with lighting effects. Patrick Monaghan also has his own disco show and here he uses his lighting techniques to their greatest effect.

Betty has recently purchased the Lucky Dollar Store in Kinsella and is planning on a local artists display in one corner of her shop. She is interested in getting craft articles and local art. If you are interested, contact her at the store.

When asked what her plans were she said she plans to keep on potting, even with the store. She has worked and is working in other mediums. She makes pine cone flowers, candle centerpieces and makes all her gifts herself, but potting is her thing. She likes teaching, although her classes are cut down quite a bit this year. She has won awards for her pots at local fairs, at the County of Beaver Art Festival and in Calgary and hopes to continue for many years enjoying her art.

Echo-Rodino Report

Mildred Hollar visited for a few days last week with her sister and brother in Edmonton.

Hallowe'en night went off without too much excitement. Although there were a few bales hauled to the wrong locations and machinery reparked in inconvenient places.

The Hallowe'en potluck supper and party on Wednesday night at the Rodino Hall was a real success, with the children dressed in an array of costumes. After everyone did justice at the food table, games became the highlight of the night, with adults and children all taking part. The evening closed with children all receiving a hallowe'en candy bag as they left for home.

Snow finally arrived with a big flurry, catching some of us with fall work not quite done. The only ones happy with the white stuff where the children and hunters.

Yvonne Greenwood left Sunday with her mother, Florence Johnson for Vancouver, to attend the funeral of her uncle, Norman Bullock. Mr. Bullock was once a resident of Minburn.

By Yvonne Greenwood

Viking 4-H Beef Club Completes Executive

On Friday, November 3, thirty members of the Viking 4-H Beef Club attended the second meeting of the year, which was held at the club room.

Three more offices were filled, these being Lunch Committee - Eleanor Fulton, Marylee Armitage and Darrel Maxwell. Phone Committee - Darren McLean, Jason Place, Dean Cumming and Carrie Ruzicka. Vice President - Kirk Maxwell.

Weigh-in day was decided upon as November 18th from 2 until 4 p.m. at the Robert Ash farm. The calf should weigh from 450 to 650 pounds. Each member may have an extra calf weighed in the event of death of the initial calf.

The Adult Committee and 4-H Executive made the agenda for this year and decided to have two meetings each month. These will be held on the first and third Friday of each month.

Mr. Jack Roddick then presented two very interesting films on Parliamentary Procedures and commented on each. The meeting was adjourned.

The next meeting will be held on Friday, November 17 at the club room. New members are still welcome.

Irma New Horizons Have Busy Session

On Wednesday, November 1, at the regular monthly business meeting which was held in the Drop-in Centre, attended to a number of business matters.

Owing to Donald Gunn, our president, being in hospital in Edmonton, vice-president Georgina Enger conducted the meeting. Twenty-five members were present. They all stood with bowed heads and observed one minutes silence in respect for recently deceased member, Mr. Jack Dunbar.

Minutes of the last business meeting were read, discussed, and adopted. The treasurer's report was read, bills were ordered paid as presented.

Phyllis Craig displayed the Memory book and refills, also the book in which the history of the club is to be written. Phyllis had been commissioned to purchase the book, which she finally located in Esmonton after a intensive search.

The matter of putting on a Bingo was discussed at some length. Finally it was decided to try to arrange for a Bingo on the first Monday in December - the 4th at 8:00 p.m. and thereafter to have a Bingo on the first and third Monday of each month if possible. A committee of three was appointed to make the arrangements.

Yoga was the next matter discussed. About fourteen members indicated interest in attending the classes which are of one and a half fours duration. Arrangements are being made to hold those classes in the Drop-in on Wednesdays and Fridays in the forenoon - probably from 9:30 a.m. to 11 a.m.

It was decided to have our Xmas party on December 13th. The catering committee to mae arrangements along the same lines as the previous year.

Alma Enger was appointed to represent the club on the Home Care Development board of the Minburn-Vermilion Health Unit. The business meeting was adjourned.

While lunch was being prepared, games were enjoyed - pool, shuffle board, cribbage and scrabble.

After lunch games were resumed and some socialising. It was a rewarding afternoon.

Irma News and Views

The snow which has been forecast for several weeks finally arrived starting on Friday night November 3 and continuing through Saturday. A thin white blanket covered the landscape. However, Sunday morning brought bright sunshine and blue skies and the snow began to melt, making a slushy covering. We know the snow can all go and many of us hope it does. Skidoer's and hunters may not agree.

A plane belonging to Walker Flying Services crashed over to the north east of Irma on Friday afternoon. The crash occurred while in the process of spreading fertilizer on the farm of Larry Mark. Details are scanty but we understand that the pilot had a broken nose and other injuries which include a dislocated shoulder, broken ribs and numerous bruises. He was taken to the hospital in Edmonton.

Final arrangements have been made by the New Horizon committee for the holding of a Bingo on Monday, December 4th at 8:00 p.m. in the Drop-in Centre.

We are glad to report that Donald Gunn is coming along nicely and is to be released from hospital today (Monday) and may be home on Tuesday, or at least before this appears in print.

By J. Jackson

Buffalo Coulee W.I.

Our September meeting was held at Della Fellhauer's on Thursday the 21st., with eight members present. After the meeting we welcomed Lynette Barss, who told us of girls who were interested in forming a W.I. girls club again in the Albert School district.

Our vice-president, Eileen Prior, chaired the meeting while Nina Kellar took the minutes in the absence of our secretary.

We decided to donate to the W.W. Cross Institute and also to the Falcon Enterprises in Wainwright.

A letter from the Irma Recreation Board was read and discussed as this was our first meeting since June. Two members were asked to go to a meeting which is still pending a new date, but will be held at Irma.

An outline for the Federated Women's Institute of Canada Conference slated for Saskatoon in June of 1979, told of a tour planned for Alberta women going to the conference.

Della gave us a very interesting report on her trip to the Convention at Olds last spring.

The quilt which our W.I. have been working on was on display. After singing "God Save the Queen", Della served a very lovely lunch. Francis Prosser's was the hostess home for our October meeting. This October 19th, meeting found six members and two visitors present, who we are now very pleased to have as new members. Anne Jones and Heather Barss joined us as they are the new supervisors of the Albert Busy Beavers W.I. Girls Club. They reported 14 girls are in the club. May you find many hours of rewarding work with the girls.

As this was United Nations month our president, Marney Barss told us how our small branch has a voice in the U.N. organization.

A card and also a spoon order are to be placed so that we will have them in time for our Tea in November.

A short discussion of our Tea, Bazaar and Bake Sale took place. Tickets were handed out for the raffle of our quilt and doll which are to be drawn for on the 25th of November at the tea.

Staying with the theme of this month - U.N. Month - we enjoyed a united nations potluck lunch.

The November meeting will be held at the home of Mrs. Bob Lunkens with roll call being "ideas for an outing".

Mini-Art Show at Viking School

Viking School is presenting a mini-art show until November 10 with works by grade 7, 8, 9 and Art 10 students.

Presently, the Viking School is the site of a mini-art show which will run until November 10.

The Art Show consists of the work completed in the last two months by students in grades 7, 8, 9 and Art 10, which includes students in grades 10 to 12.

Pictures, done in pencil crayon, pastel, chalk and felts, will range from abstract to representational still life.

The art show will be judged on Friday by a panel of judges consisting of students and teachers.

The show may be viewed between the hours of 12 noon to 12:45 and 3:30 p.m. to 4:30 p.m. in rooms 13 and 15. A silver collection will be taken at the door.

Parents and interested persons are welcome to come and view the art.

FALL PROTECTION OF TREES AND SHRUBS

Are you wondering whether you need to give your ornamental trees and shrubs a good soaking this year before freeze-up? The answer is yes.

Herman Oosterhuis, in charge of Alberta Agriculture's tree planting programs, says that soil moisture reserves are still depleted in northern - central parts of the province (particularly western areas), despite the above normal precipitation that has fallen since May. The reason for the low soil moisture level in these areas is the small amount of snow that has fallen during the last three years. The melting snow in the spring is one of the main sources of subsoil moisture in Alberta.

"Watering ornamental trees and shrubs before freeze up is even more important in the south eastern part of the province where the abnormally low subsoil problem has been compounded by the very low rate of precipitation received last summer," Mr. Oosterhuis says.

He explains that a plentiful supply of water in the fall is needed to enable trees and shrubs in this province to withstand the drying winds and variation in temperature that occur during the winter months.

Since trees and shrubs have only limited ability to take up and transport moisture when the ground is frozen and they are relatively dormant, they must have an abundant supply of moisture to prevent dessication. Evergreens like pines, spruce and junipers are even more vulnerable to winter desiccation than trees that lose their leaves in the fall because evergreens lose moisture through their needles.

Birch trees are another species that should be well watered just before freeze-up. Their shallow root system prevents them from having access to the deep subsoil moisture.

Mr. Oosterhuis also points out that regardless of the rain that falls during the summer, the soil near the south and east sides of a house in Alberta is always very dry because it is in the rain shadow. Also, the soil on the south side of houses give up its moisture rapidly because of the heat of the sun. This means that all plants, including climbing vines like clematis, should be thoroughly watered, no matter how much rain has fallen, before they go into the winter.

Vialta Lodge News

Mrs. Henry Ziegler, Jeanette and George Ferguson, H. Brunlee, Mrs. C. Poulain and Betty Lowe were in to visit with Mrs. Ferguson and Mrs. Blanch Headrick.

Jeannette Worny of Edmonton called on Mrs. McNally.

Calling on Mrs. Elness and Mrs. D'Arey were Mel and Myrna Mackey.

Get well greetings to to Mr. Joe Beschell in the Viking Hospital.

Many thanks go to all our friends who have donated items to help with making quilts, also for vegetables..broccoli, beets, carrots etc. These kindnesses are very much appreciated by everyone at Vialta and vegetables enjoyed throughout the year.

Dates to remember for November are Bingo - Wednesday November 15th from 2 until 4 p.m. Bazaar - Saturday, November 18th. Anniversary Tea - from 2 to 4 p.m. Bake table, White Elephant - Aprons, Mitts, Slippers etc. All quilts will be auctioned.

Get your tickets on the raffle. Cost of the tickets is 25 cents each. The first draw will be for a quilt, with the second draw being held for a cushion.

A card party will also be held on Tuesday, November 28th at 8 p.m. See you all at Vialta Lodge on these dates.

Rodeo Arena Built

Quinton Construction is in charge of building the immense structure on the Bill Cikaluk farm. The arena will be used for rodeo training. Staff Photo

As you head south from Viking along Highway 36, you may notice a huge arena-like structure on the farm of Bill Cikaluk . The arena measures 60 feet by 200 feet and, when finished, will be complete with lighting and heating.

When asked about the future plans for the arena, Bill Cikaluk replied that it was to be used for training. He plans to train horses through the winter, his own and other people's as well. Most of the horse training will be for rodeos, though Bill is also going to be training running quarter horses.

There will also be Rodeo Schools throughout the winter. Each school lasts roughly three days and involves the basics of rodeo riding for beginners. Bill hopes to have three or four schools this winter for which he himself will be doing a lot of the teaching and training with help from instructors from Edmonton.

He also hopes to have Jackpot Roping when weather permits. Along with Bill's are two similar facilities in Lloydminster and another just east of there which enable roping enthusiasts to make a full weekend of it.

Bill hopes to have the roof shingled and work on the inside started in a week or two.

Pioneer Portrait

By Carol Maxwell

Ed and Elsie Bruhaug

To capture two individuals in one portrait might be considered presumptuous, but in the case of Elsie and Ed Bruhaug, it seems fitting. Both were born in Telemark, Norway; she in 1894 and he in 1886. Their early years were spent on their respective family farms prior to their marriage. Thereafter, Mr. Bruhaug worked for some time on a mixed farm as well as in a logging camp, while his wife tended cattle pasturing on mountain slopes.

Following the birth of their first daughter, they emigrated to Canada in 1927 seeking better opportunities than their homeland had to offer. They settled near Jarrow on a rented farm before buying their own to the north. There they operated a mixed farm and raised their family which increased by one more daughter after their arrival.

Lots of hard work characterized their lifestyle up to their retirement to Viking 15 years ago. They have in the past, made three trips home to Norway, each time marvelling at the changes that have taken place since their youth.

Working some around the yard of their self-contained home and doing the shopping occupies much of Mr. Bruhaug's time. Mrs. Bruhaug has over the years done handiwork typical of her homeland. Knitting the intricately patterned Scandinavian sweaters and doing embroidery on native costumes however, is taxing on the eyesight. At present she is busily sewing quilt cover pieces with very professional results.

Last week the Bruhaug's celebrated their 51st Wedding Anniversary. They have come a long way together in terms of years and distance and their mutual care and concern seems to have well stood the test.

There Is Still Time

Most towns are given a chance at something once - Viking is to have a second chance at having a Power Skating Club. The Power Skating Clinic which was held at the Carena on November 5th, was designed in part to gauge the feasibility of a Power Skating Club in Viking.

As it was no one's fault that Viking did not have ice for their workshop, the A.R.S.A. executive decided to go ahead with the scheduled workshop, believing that it could be and was a valuable opportunity to explain the course, its value and teach the necessary exercises and some basics of skating itself.

The out of town clubs who responded to the invitation were told it would be a floor session and came despite this, from places as far away as Ribstone, Chauvin and Stettler. The coaches from Chauvin are to be commended on their interest. They were at the rink before 9 a.m., not that they had any youngsters to take a lesson but as they explained, maybe they could learn something more about the approach to and teaching of better skating.

The planning for Power Skating in Viking began two years ago. The work of actually hosting a workshop started in Edmonton in April. Since then there have been many hours of talking, explaining, advertising and organizing plus expense gone into it. All of this seemed worth the effort expecially as the number of clubs in the surrounding area are increasing so rapidly.

Despite the response and support given to this effort November 5th, the organizers are still convinced that if we are to keep up with the trend, especially in hockey, it is needed. With this in mind, next Sunday we will try one more time.

To assume that Minor Hockey has no responsibility for a Power Skating Club is a heck of an approach to a program designed especially to improve power, agility and balance of the skaters. When you think about it, the Edmonton Oilers have hired a "Figure Skating" instructor who works with the coaches to improve the skating of professional players; it must have some merit. With this in mind, Sunday, November 12, 1978 the A.R.S.A. will be conducting an on ice power skating clinic at the Carena. The morning classes will be for skaters of all ages and in the afternoon a course designed specifically for coaches and instructors will be offered. There will be a $5 registration fee for the afternoon session.

Plans for a Viking Power Skating Club will be dropped if more support is not shown by skaters and coaches.

By Shirley Voltner

Minor Hockey Report

The Viking Minor Hockey Association held their regular meeting at the Carena on Monday night, November 6.

Dates for the up-coming clinics were reviewed. Power Skating with a complete "on-ice" program will be held at the Carena on Sunday, November 12. A coaches clinic for levels I and II is to be conducted at Tofield on November 18 and 19. Viking will hold a referees clinic on Saturday and Sunday, December 2 and 3.

Adequate insurance coverage while transporting hockey players was discussed. John Antos advised that coverage was provided through the county as approximately $900 for player insurance and an additional $300 for travel insurance is paid.

As these facts need further explanation, it was agreed that Mr. George Baker, Director of Regional Recreation for the County of Beaver, be contacted and possibly attend at our next meeting to clarify the extent of coverage that is provided through the county.

A total of 57 members were registered with Minor Hockey with 9 Tom Thumbs, 12 Mites, 17 Pee Wees, 10 Bantams and 9 Midgets. A full complement of coaches has not yet been arranged. Joe Voltner and John Antos have confirmed their positions with the Tom Thumbs and Pee Wees, while Gary Wolosinka has agreed to organize the Midget team.

Tabled from the annual meeting was a decision governing the advancing of younger players to the next level. Players will be allowed to "move up" at the discretion of the coaches and the parents.

Due to interest shown at time of registration, the possibility of a girls hockey team arose. Those in attendance voiced positive views and a delegate was apointed to spearhead the formation of a team.

Viking's R.C.M.P. Detachment advised that they will again be providing trophies to be presented to the player displaying the most sportsmanlike conduct on each team. The trophies to be awarded at the Wind-up Banquet, tenatively scheduled for Sunday, April 15th.

As a number of "Hockey Mermoir Booklets" are still on hand, it was decided to distribute them to the members of the Tom Thumb and Mite teams. Minor Hockey will also be holding their annual raffle as well as their dine and dance. Details will be announced at a later date.

Registration Deadlines Extended

The Viking Figure Skating Club is pleased to announce that following registration day held November 4th, we already have twelve new members.

It is encouraging to see the number of "learn-to-skate" youngsters who are registered and gratifying to see the size of this class increasing in the past two years. These tiny members will be our performers of tomorrow and without them recreational clubs such as ours would soon cease to exist.

To these members - welcome and to repeat members, I know I'll receive the same support and co-operation its been my priviledge to experience in the past. The V.F.S.C. executive wish you all an enjoyable year.

For anyone who is still interested in joining our club, you may contact Mrs. Joe Voltner - President by phoning 336-2264.

Due to the delay in ice preparations, the club has extended their registration deadline to December 1, 1978.

Veterans Pay Tribute

Remembrance Day Services in Viking began with a parade at 1:50 p.m. from the Legion Hall to the Community Hall. The parade was led by legion members and included Sea Cadets, Scouts, Cubs, Guides and Brownies.

The service in the Hall was conducted by Rev. J. Bennett. Father J. Adamyk, Pastor L. Koop and Pastor T. Johnson. Following the prayers and hymns, Pastor T. Johnson delivered an interesting sermon on the futility of war due to the potential destruction of mankind by man-made weapons.

Norman Hafso and Lorenz Teverud laid a wreath, followed by the Sea Cadets and the Guides. Two minutes of silence in commemoration of those who gave their lives in the service of Canada was observed, immediately followed by the playing of "The Last Post".

A large gathering of area residents returned with the marching troop to the Legion Hall following the service where everyone enjoyed fellowship and lunch.

Remembrance Day Services were held in the Irma School Auditorium on Saturday, Dec. 11th. Rev. Wilson conducted the service. Albert Glasgow acted in the capacity of M.C. Wreaths were placed honoring our war dead of two world wars. "The Last Post" was sounded by Brian Burr.

The annual bursaries presented by the Legion Auxiliary for the highest standing in grade nine were presented as follows: First - Howard Jackson and Second - Joe Holt as well. Third was divided between Lorne Smith and Paul Iddings.

The Ryley Branch of the Canadian Legion had a lovely Remembrance Day Service, with Legion members, Auxiliary members, the Sea Cadets and Ryley Junior High Band taking part. After the service at the cenotaph the Legion members, Ladies Auxiliary and Sea Cadets marched over to the community hall where a Memorial Service was conducted by the Legion Padre, Rev. Victor Cable of Sherwood Park. The Bugler was also from Sherwood Park, he was Jamie Willans. The Junior High Band played several numbers in the Community Hall program - they were led by Mr. Wolfgang Oeste. Following the program, a banquet was served to the Legion members, Ladies Auxiliary, Sea Cadets, Band members and guests. Everyone enjoyed the meal. Later that evening, the public dance held in the Legion Hall was extremely well attended with everyone having a good time.

Area Teachers Reject Contract

Teachers in the Elk Island Regional School Authorities Association rejected a Conciliation Board recommendation in a series of meetings this past week. The Elk Island Region includes the Counties of Beaver, Lamont, Minburn, Leduc, Vermilion River and Flagstaff and the School Divisions of Wainwright, Devon and Provost.

At meetings held in Wainwright, Viking and Leduc, the teachers voted 68.4 per cent in favor of rejecting the Conciliation Board recommendation. Seventy-five per cent of the teachers in the E.I.R.S.A.A. voted. The teachers have been working without a contract since December 31, 1977 and the proposed contract was for the calendar year of 1978.

The Conciliation Board recommended a 7.55 per cent increase to all positions on the salary grid. This position, as well as other incorporated changes, was accepted by the School Trustees early last week.

The present salary (1977 contract) for a teacher with four years of university education and ten years of teaching experience is $21,600. Under the Conciliation Board recommendation, this would have risen to $23,231.

The salary grid appears as the major stumbling block to a settlement. Teachers in the E.I.R.S.A.A. presently earn approximately $1,000 per year less than teachers in the city juriadictions. A spokesman for the teachers indicated that the lack of parity with both the cities and some other rural bargaining units is of major

The spokesman also stated that a lack of fringe benefits in the Conciliation Board recommendation was part of its lack of appeal to teachers. He indicated that recent settlements have been at or very near the 8 percent mark and these generally included extra benefits.

The next steps in the negotiating process involve mediation and/or arbitration. The possibility also exists that the teachers will be taking a supervised strike vote in the near future. This vote would have to receive majority support by the teachers before strike notice could be given.

A Sobering View of a Growing Problem

The March 13 issue of U.S. News and World Report contained a brief, but very sobering view of the problems of transporting hazardous materials in the U.S. and Canada. Prompted by the recent derailments in Tennessee and Florida and Canada, this account pointed out some facts which deserve repeating.

The U.S. Department of Transportation (DOT) reports a sharp increase in spills of hazardous materials during shipment over the past few years. There were over 16,000 incidents in 1977 compared with approximately 10,750 in 1975.

Transportation officials estimate that as many as 10 per cent of all interstate trucks, and one rail car in twenty-three carry hazardous cargoes.

The risk of encountering a "hazardous materials" incident is highest in the southern area. Forty per cent of all hazardous material shipments pass through this region.

While gasoline is still the commodity most often encountered, liquefied petroleum gas and anhydrous ammonia are involved more and more frequently. The bottom line to all of this is that the United States has had a poor history of transportation accidents involving hazardous materials.

We talk smugly about the "Hazardous Materials" sound us and those being shipped by rail and truck, saying that those rail cars and trucks have shut-off valves and it can't happen here. A recent spill in southern Alberta might jog your thinking. We must cut the smug talk and think in terms of what we will do with a derailment of hazardous material in one of our railway yards.

It should be pointed out that progress in these areas is being made. Sophisticated training programs dealing with hazardous materials emergencies are being produced and distributed. The impetus at this stage is to train the trainers.

Presented by the Viking Volunteer Fire Department.

Shopping Locally

With the Christmas season on the arrival, our thoughts turn to the spirit of Christmas - the happiness and warmth of the fellowship which we experience. One of the traditional ways in which we show our feelings to others is through the purchase of gifts. Whether they be large or small, expensive or inexpensive, the key lies in the joy of giving.

From now until the last shopping day before Christmas, many of us will be spending many hours perusing the stores for the "perfect" gift which will make someone else happy. During this time of year, the greatest volume of sales is registered by the businesses which provide for our needs and desires. Possibly Christmas does get overly commercial at times and we do lose sight of the ideas and ideals inherent in this annual holiday.

However, it remains, and will remain, a time when most of us will purchase something for someone. It is a time when we do choose carefully. And it is a time when we should support our local businesses.

We often hear of many area residents shopping exclusively in Edmonton, Vegreville, Camrose, Wainwright etc. This drain of revenue from our local merchants does nothing to enhance the viability of these businesses, or the viability of our communities. By shopping at home, we support those people who are attempting to supply us with the types of services which we require. A community which supports its local businesses will attract other businesses, for people who shop in their home community create a demand, or demands, which business people will attempt to fulfill.

By supporting our local businesses, we potentially create the need for businesses to expand, thereby creating more jobs. With more jobs comes more residents. With more residents comes increased demand. And with increased demand comes more businesses.

This Christmas, shop at the businesses in your community. They are the lifeblood of the community and we must ensure their continued existence.

FOUR WAYS TO A GOOD LUNCH. What did you have for lunch today? Did you take time to eat lunch? During Nutrition Week, November 13 to 18, why don't you concentrate on eating good lunches - it may become a habit.

A nutritious mid-day meal is composed of foods from all four food groups - meat and alternates, milk and milk products, fruits and vegetables, and bread and cereals. It's easy, a ham and cheese sandwich with tomato juice fills the bill.

Meat and meat alternates, such as eggs, dried beans or peas, nuts or peanut butter, are important to our diet as a source of protein. It is also from the meat group that we get many of our minerals such as iron.

Everyone knows we should drink milk to meet our needs for calcium. Don't forget that this includes adults as well as children. Cheese, yogurt or ice cream are also good sources of calcium.

We need fruits and vegetables in our diets to provide vitamins and minerals. As an extra bonus for those watching their weight, fruits and vegetables are low in calories, high in nutrients.

Including bread and cereals in a lunch is easy and important. We include them in our daily eating program to fulfill our body's need for carbohydrate which gives us energy. Whole grain breads and cereals are particularly good sources of B vitamins and fibre.

Choosing a food from each of the four food groups guarantees a good lunch and a better day. A peanut butter sandwich, a glass of milk and an apple, that's all it takes. A hamburger with tomatoes, and yogurt for dessert also answer the question - Lunch - What 4?

Success on Bill C-7

Bill C-7, an Act to Grant Borrowing Authority to the Government of Canada hit the House of Commons and the citizens of the country like a round of mortar fire. This is the 4th time this year that the government has come to Parliament with a Bill to request the right to borrow a further amount of money. This time they are asking for $17 billion.

It should be noted that $17 billion is more money that this collected in taxes from the citizens of the country throughout the last fiscal year. In other words, if taxes were to remain the same for the next fiscal year, the amount collected would only pay for the amount of this most recent borrowing.

While asking for the voluminous amount of $17 billion is disconcerting enough, the greatest signal of incompetence was yet to come. Upon questioning the government it was learned that of the $17 billion being requested, only $7 billion was to go to pay for items that had been considered by the Parliament of Canada and listed in the Main Estimates. The other $10 billion that they were asking the Parliament of Canada to authorize was for expenditures not yet detailed and still unwritten or placed before the House or any of its Committees. In fact, they were asking for a $10 billion blank cheque to do with whatever they wanted.

Ten years ago when the present Prime Minister came into office, the amount of the total federal spending for that year was just slightly more than $10 billion. Now, after three previous borrowing sessions, the government has returned for a request to ask the people of Canada to once again endorse a borrowing of $17 billion. That in itself signals the economic dilemma in which the country has found itself. Most unfortunate is the fact that present day Canadians will not likely be called upon to pay for the huge deficits that are being accumulated. That burden, unfortunately, will fall upon our children and our grandchildren as the debt of the nation has increased some 200 percent in the past ten years.

In ten years there have been ten Speeches from the Throne and in every one of those Speeches the government has underscored that the economy was the major issue. Yet, today we find our economic situation more depressed than any of the preceeding ten years. In short, our balance of payments in disfavor, our national debt is extremely high, the value of our dollar has reached record lows, our interest rates are the highest in history, and our sales in manufactured products are decreasing in favour of sales of raw materials.

The increase in government spending has risen some 230 percent in the last decade from approximately $10.5 billion to nearly $50 billion at the present time. The cost of government is not automatically an unacceptable situation. However, one must beg for value for investment. Ten years ago the Post Office deficit in Canada was $67 million; today, with a much lower level of service, the deficit is $567 million or an increase of $500 million.

The Bill was so disconcerting to Opposition Members that a strong, vigorous and sharp attack was placed upon the government, in particular for asking for a $10 billion line of credit for which they have not indicated to Parliament the nature of its use. On a motion by Her Majesty's Loyal Opposition, we were successful in splitting the Bill, granting the government the right to request a vote to borrow $7 billion and asking for the other funds only after the estimates have been tabled in the House of Commons.

The federal government, like any business operation, must learn to keep in touch with financial sense.

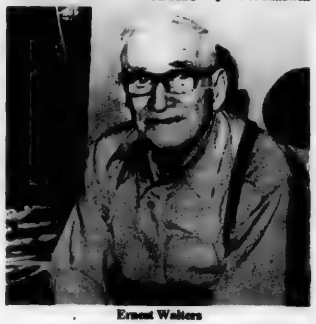
Pioneer Portrait By Carol Maxwell



Ernest Walters

November 11. The day we pay tribute to those who fought in wars to preserve our way of life. On that original Armistice Day in 1918, Mr. Ernest Walters was in Bisrut as a member of the British Army. He had by that time spent three and one half years in active duty and recalls the jubilant feelings among his ranks who were so accustomed to war they had forgotten what peacetime was like.

Mr. Walters was born in Derbyshire, England in 1896. When he was 19 he 'joined up', becoming a member of the 7th Indian Division. This division saw its first active duty in France but as the climate was too severe for the Indian members, they were shipped out to Egypt, where they spent the next 18 months.

The Seventh Division was then shipped to Mesopotamia (present day Iraq) where after making some 500 miles on foot they were an active part of the liberation of Bagdad. Cross country advance brought them to Bisrut where they heard the welcome news.

Back home in England, Mr. Walters worked some in the coal mines. Brothers who had emigrated to Canada coaxed him to do likewise but he stayed and married, but ultimately decided to make the move.

1923 found him in Central Alberta, stopping first in Czar at one brother's home. Headed for B.C. he stopped in Viking at a second brother's farm and here he was convinced to stay. Mrs. Walters joined him in 1924 and they began farming southwest of town.

In 1957, feeling the pinch of the depression, they sold their land and returned to England. But life in the English countryside was no more promising and ten months later they headed back. Southwest of Viking they remained until 1980 when they retired to town.

Here Mr. Walters and his wife of 57 years live a very quiet life. They speak highly of their neighbors who drop in often for a visit or to see if they can help out in any way.

Horineks Emigrate to New Zealand

Ron and Kathleen Horinek received a presentation from Mr. Bill Johnson, on behalf of the community, at a farewell held in their honor in Kinsella on Sunday, November 12. The Horineks are leaving to make a new home in New Zealand. Staff Photo

On Sunday afternoon family, friends and neighbors gathered at the Kinsella Hall to bid farewell to Ron and Kathleen Horinek and family.

The Horineks will be leaving by boat from Vancouver and travel to New Zealand where they will make their home. In New Zealand, Ron will be managing a large hog operation which is located just outside of Auckland, where he must remain for at least six months.

Ron Horinek was born in Killam, May 12, 1943. He moved to Kinsella in October, 1949 when his father Clarence bought the farm from his father. Kathleen Walton was born in Banbury, England, January 13, 1948. She lived in the village of South Newington until 1961 at which time her family moved to New Zealand.

Ron and Kathleen met in 1969 while Kathleen was visiting her uncle and aunt, Dan and Helen Taylor, but she returned to her home that summer. In April of 1972, Kathleen returned to Canada and the couple were married on July 29 of that same year. A daughter, Rochelle Kay was born July 3, 1973. Ron Kathleen and Rochelle visited the Waltons in New Zealand February of 1975. A second daughter, Melanie Dawn was born on April 3, 1977.

Master of Ceremonies for the afternoon's gathering was Nick Piwowar. Everyone enjoyed the entertainment which included two solos by Mrs. Bessie Pratt, a song be Kelly Horinek, a reading by Heather Horinek, the history of the couple's courtship as compiled by Fred and Carolyn Nordstrom, and a song by Debbie Orscheski. Everyone joined to sing "For They Are Jolly Good Fellows".

Mr. Bill Johnson followed with a presentation of two Commonwealth spoons and a purse of money from the community, while John Daugherty presented Rochelle with a gift from the Sunday School as momentos. Lunch and extending of "good wishes" brought the afternoon to a close.

Irma O.O.R.P.

Irma Lodge Order of the Royal Purple held its regular meeting Tuesday evening, oct. 10 with H.R.L. Coreen Larson in the chair.

The Conductress' chair being left vacant by Margaret Littlewood receiving her demit, Olive Jones was elected by acclamation and duly installed by D.D. Dorothy Kroser with Lady Szoke as Assistant Installing Officer.

The committee reported on work being done for the entertainment when the Edgerton Lodge brings the Travelling Gavel to our next regular meeting on November 21.

We were also asked how many could attend Hardisty when we take the Travelling Gavel to their next meeting.

The canvass for the blind washeld Saturday, October 21. Two members, Louisa Prosser and Linda Pomeroy were initiated and welcomed into our Lodge.

An application for membership was also read and voted upon. The Sunshine Committee gave their report.

A few ladies reported having visited Lady Ethel McFarland and gave her the twenty-five year pin which she had not received, being absent at the time of presentation of these pins.

We were reminded that the Sheltered Workshop at Wainwright was holding an auction sale on Saturday. We decided to give them a donation toward their work.

The H.R.L. thanked all members for filling in the vacant officer chairs and then various members thanked Lodge for gifts, cards, etc. sent them during the past month.

District Deputy Kroser gave her report of her official visit and closed her remarks with a poem "Bring a Little Sunshine"

Three birthdays were acknowledged, Ladies Lois Jack, Hazel Eisner, and Marge Guilfoner.

Lodge was closed in formal manner, after which a delicious lunch and social hour was enjoyed visiting with our three guests from Hardisty, Ladies Kroser, Szoke, and Nellie Scott who holds a dual membership in Hardisty and Irma Lodges.

Kinsella Seniors

On November 8th, the Kinsella Rose Senior Citizens club held a card party rather than their usual meeting. Winners were: Ladies first - Nellie Tessman. Ladies consolation - Olga Overbo. Gents first - Henry Greenwood, Gents consolation - Helene Grube.

Game Prizes were won by Jack McKie and Hilma Garvie. On the raffle draw the winners were: Lamp - donated by Jean McKie and won by Hilma Garvie. Tea Pot and package of tea donated by Pearl Brown and won by Wilfred Pyke.

There will be no meeting on Nov. 22. as several members will be in Tofield at the "Dance All Night".

A belated "thank you" to Claude Hollar for his generosity in donating $20.00 to Kinsella Rose Senior Citizens Club.

Irma News and Views

Mr. and Mrs. Clair Lukens have recently returned from a trip which took them to Smithers and Burns Lake, B.C., to watch their son Ken play hockey and also had the pleasure of staying with Dennis and Linda Lou and Teena Erickson and later took them to the Smithers airport to see them off to Disneyland.

Allie Bacon left Irma by bus on Wednesday, November 8, to see her Doctor in Edmonton. She was admitted, and expects to be detained for tests.

Also visiting an Edmonton Doctor is Dorothy Bacon.

A surprise "blackout" resulted in the Sharon Lutheran annual Turkey Supper being enjoyed by "candle-light".

Jack and Joyce Veer are home from holidaying in Saskatchewan.

Mrs. Della Nilson has rented and is now moved into the former Harry Riley house.

Sharon Lutheran church held their annual bazaar on Sat. Nov. 11. Carl Gulbraa was auctioneer and bidding was brisk.

Construction of the new grader shed has been held up, owing to difficulty in obtaining the large doors. A Calgary Power line is also holding up progress on the road being built to the shed.

Minnis Jackson is home from Hardisty Hospital where she had spent two days having some minor surgery.

Visitors with the Jacksons on Sunday included Bruce Jackson, Pamela Ord, Stan and Shelly Easton and Ron Gerrits all of Edmonton, who came to pick up their skidoos.

Albert Busy Beavers

The Hallowe'en party for the community was held on Oct. 31. at the A.C.O. Hall with over thirty children present. Following games, a pot-luck supper was enjoyed and each child was given a bag of candy to take home.

The regular meeting of the Albert Busy Beavers Girls Club was held on Nov. 3 with 16 girls present. We are pleased to welcome Tammy and Shawna Smithson to our club.

After their business meeting, the girls made crests, mounted their art pictures, made bazaar posters and sorted quilt pieces. The meeting was followed by supper.

Roll call for the next meeting - Nov 18 is "a favorite winter sport". The girls are asked to bring their short stories or poems, project books, scrap paper and pens.

The club would like to thank those who donated material for their projects. Remember the Buffalo Coulee W.I. tea and bake sale on Nov. 25 at 3:00 p.m. in the Legion Hall, Irma.

Bruce and District News

On Sunday, Nov. 12, Vernon Pratt drove the Bruce Stampede Association bus, filled with rodeo enthusiasts to the final performance of the Rodeo in Edmonton. Everyone reported an enjoyable day complete with a stop at McDonald's.

The passenger list included: Audrey, Cathy and Gerald Pratt, Jenn and John Stefanishen, Jess, Rodney and Ricky Tkaczyk, Norma Bablits, Ruth and Tom Dwyer, Sandy and Irven Fredericks, Vivian Benson, Lane Collison, Bruce Kawaliak, Jackie and Don Stefanik and friend, Evelyn and Harold Hissett, Ellen, Paul and Marie Chrystian, Agnes and Roy Erickson, Ann and Dennis Gahr, Andrew Erickson, Roy Haugen and Peter Tkaczyk.

The rodeo in Edmonton seemed to be the No. One attraction this week. Several people journeyed to one or more performances on their own. Ellen and Ernie Dorin, Dorie and Bud Hammermaster, Ruby and Stewart McMullen, Vicky and Hank Field, Myrna and Buster Curtis and Vernon Ozbuko reported super performances.

The Bruce Agricultural Society Board members met for their regular monthly meeting at the Recreation Centre on Tuesday, Nov. 7. Members in attendance were Stewart McMullen, Peter Miciak, Bea Fredericks, Anne Motkoski, Henry Field, Paul Malowany and Edna Stefanik.

Bruce Kawaliak and Jim Tkaczyk had submitted a joint bid for ice caretaking which was accepted by the board. As yet there has been no janitor appointed and bids for this position will remain open. A decision was made to purchase 200 additional Bingo cards before the Dec. 8 Turkey Bingo. A television set will also be bought for the waiting room. Retiring Board members, Henry Field, Jim Tkaczyk and Don Stefanik will serve on the nominating committee.

Remember the Christmas Turkey Bingo on Dec. 8 in the Community Centre (School). The committee in charge is planning a little variety this time.

The annual meeting of the Bruce Agricultural Society will be held on Tuesday, Dec. 5 in the Recreation Centre. The general public is invited. If you are interested in serving on the board please call Hank Field at 688-2316.

Avis and Earl Chamulke and children of Sherwood Park were weekend visitors with Ardis's parents, Nancy and Sam Field.

On November 12, a family gathering was held at the home of Mr. B.B. Starky to celebrate his 83 birthday which falls on November 14. His son Brian Starky and friend Bill Kragback of Cawston, B.C. and great-niece Sally Campbell of Spokane, Washington were special guests along with his sister-in-law and brother-in-law, Elsie and Tom Myles of Edmonton. Grandson Mark Fredericks was on hand to get his share of the birthday cake as his 20th birthday falls on the same day.

By Bea Fredericks

Criminal Code

The following changes to the Criminal Code of Canada Sec. 92 should be noted.

92. Everyone who sells, barters, gives, lends, transfers or delivers any firearm or other offensive weapon or any ammunition or explosive substance to a person who he knows or has good reason to believe is of unsound mind, is impaired by alcohol or drugs, or is a person who is prohibited by an order made pursuant to section 98 or 191 or by a condition of a probation order referred to in paragraph 663 (2)(d) from possessing the firearm or other offensive weapon, ammunition or explosive substance so sold, bartered, given, loaned, transferred or delivered,

(a) is guilty of an indictable offence and is liable to imprisonment for five years; or

(b) is guilty of an offence punishable on summary conviction.

ATTENTION COUNTY SUBSCRIBERS

The County of Beaver will no longer be paying for a local newspaper effective January 1, 1979.

TO ENSURE THAT YOU CONTINUE RECEIVING A NEWSPAPER AND SO THAT YOU WILL BE ABLE TO BE KEPT UP-TO-DATE WITH WHAT IS HAPPENING IN YOUR COMMUNITY, MAY WE SUGGEST A SUBSCRIPTION TO THE WEEKLY REVIEW. ALL PERSONS LIVING WITHIN A 40 MILE RADIUS OF VIKING CAN RECEIVE A 1 YEAR SUBSCRIPTION FOR $5.00 AND THE COST FOR PERSONS OUTSIDE THIS RADIUS BUT WITHIN CANADA IS $7.00 PER YEAR.

HERE IS WHAT YOUR SUBSCRIPTION TO THE WEEKLY REVIEW GIVES YOU:

- *A weekly, community newspaper which is concerned with serving the people within its coverage area.*
- *A weekly T.V. Report, listing the T.V. schedules and also giving a variety of other interesting services.*
- *Until January 31, 1979, a FREE entry for a trip for two to Las Vegas, courtesy of The Weekly Review.*

A noon lunch will be served for a nominal cost.

EXHIBITION GAME

Viking Gas Kings
vs.
Looma's Commercial Team

Saturday, Nov. 18, 8:30

The Athletes' Prayer

Help me to play the game, Dear Lord
With all my might and main,
Grant me the courage born of right
A heart to stand the strain . . .

Send me a sense of humor, Lord,
To laugh when victory's mine —
To laugh if I should meet defeat —
To never fret or whine . . .

Give me the grace to follow rules,
To play up to my skill;
And when my temper rises hot
Please help me keep it still . . .

When foes are tough and fighting fierce
And I am getting weak.

Dear God, don't ever let me show
A broad, bright, yellow streak . . .
I don't want an out if I don't deserve
But just an even "break" —
And if You will, please keep me safe
When dangerous plays I make . . .
Keep my spirits high, Dear Lord —
Keep them burning like a flame.
And no matter how the score turns
Just make it one swell game . . .
Then teach me, Lord, life's game to play
Just one day at a time - and,
With Thee as coach and trainer, Lord
Real victory must be mine!

Holden and District News

Congratulations to Mr. and Mrs. Lyle Andrusky on the arrival of their first born child, a daughter Kathryn Louise, 7 lbs. 3 ozs., born in Tofield hospital on November 1, 1978. Proud grandparents are Mrs. Pauline Andrusky of Edmonton and Mr. and Mrs. Melvin Carlson of Holden.

Holden and District Chamber of Commerce held their regular meeting on November 7, 1978, chaired by president, Mrs. Marg Hallett. Clay Sahaning read the minutes and gave the treasurer's report. Guest speaker for the evening was Ms. Molley Cunningham, Director of the Vegreville Health Unit. Ms. Cunningham spoke about the Home Care Program and its services, community nursing program, family planning program, and pre-school programs Mrs. Shykora, mayor of Holden was present at the meeting and was willing to answer any questions pertaining to village business.

Mr. Walter Buck, M.L.A., will be guest speaker at Holden on December 5. You are cordially invited to the Holden and District Chamber of Commerce for the Presidents' Night on December 5, 1978 at the Holden Community Hall. Cocktails, at 6:30 p.m., Dinner 7:00 p.m. Guest speaker, Dr. Walter Buck, M.L.A. plus floor show. Cost - $5.00 per person.

Law at School

Fifteen students are enrolled in a Law 20 course being offered at Holden School this Semester.

Law 20 is a course designed to provide students with an understanding of the basic principles and purpose of civil and criminal law and of the court system which administers the laws, as well as to make the student more aware of his responsibilities and rights. The Curriculum Guide for the course allows for enough flexibility in choice of topics that interests of class members can be catered to fairly well.

Topics being studied this year in the 5 credit course are History of our Law, Torts, civil wrongs, Contracts and Criminal, Family and Property Law.

Light Horse Club has Guest Speaker

William Darling, serving in the capacity of Vice-President of the club, called the meeting to order at 8:10 p.m. on November 2nd.

Thirty members rose and said the 4-H pledge.

Business discussions included the chosing of a suitable "club uniform". The members decided that blue jeans, a white shirt and a vest would be their club uniform.

The topic of attending the Canadian Finals Rodeo in Edmonton was open for discussion and the club finally agreed, that they should go to the spring rodeo instead of the finals.

A motion was then passed that the club reporter and secretary be allowed $3.50 petty cash for the purchase of stamps and envelopes etc.

Mr. Jack Roddick showed two films on parliamentary procedure and then talked to the members about the stand and procedures in a small club.

Johnny Ruzicka than thanked Mr. Roddick for coming and talking with the members.

The meeting was adjourned.

Club Reporter
Linda Erickson

Dairy Club Executive

On Thursday, October 26, 1978, the Viking 4-H Dairy Club held their opening meeting at the Anglican Church Hall.

The executive committee for the new year were elected as follows: Lisa Laing - president, Brent Childs - vice-president, Mary Lynn Laing - secretary, Willie Gotobed - treasurer and Clayton Rauser - club reporter.

The club leader is Mr. Norm Withers. The adult committee consists of Evelyn Laing, Ken Childs, Doug Carrie, George Gotobed and Harry Rauser.

The 1978-79 year sounds like a lot of fun, so if anyone would like to join, call our club leader Norm Withers at 658-2414 or our president - Lisa Laing at 336-2286.

Viking O.O.R.P. Welcomes Member

The November meeting of the Viking O.O.R.P. # 122 was held in the club rooms with twenty-three members and sixteen visitors from Chauvin in attendance. These ladies had journeyed here by school bus to present us with a gavel.

Mrs. Kohane, formerly of Fort Saskatchewan was welcomed to our lodge by the Honored Royal Lady.

Two visits are scheduled for this month. We are invited to Kinsella on November 28 and are to go to Edgerton with the gavel on November 23. It was decided to invite Holden and Kinsella lodges to attend out December meeting. Members will also attend the Elks' installation of officers on November 21.

Tickets for the annual "Doll Raffle" were distributed with instructions that sales are to be withheld until the raffle license has been received.

Isabel Jorgenson reported for the sunshine committee that flowers had been sent to one hospitalized member.

The attendance prize was won by Agnes Gilpin.

After the closing ceremonies, two members presented a skit depicting the anxieties and agonies of the husband of an ailing wife. We never did discover if the doctor was able to save the wife after he finally got his little black bag open.

Parkland Nursing Home

Pete and Ross Ward of Ryley called on Mrs. Ward last Wednesday.

Also on Wednesday, Joe and Kay Kawalilak of Holden called on their mother.

Mr. and Mrs. David Davidson of Sedgewick visited with Don Swanson on Thursday also Mary Leppage of Killam called.

Susan Wemp of Medicine Hat visited with Grammy, Mrs. Haeberle on Thursday.

Mrs. Gustafson had her sister Carrie and son Vergil of Irma call on her one day last week.

Mrs. Ward had many visitors on Sunday, Harry Ward and family of Edmonton, Heather and Robbie Teed of Holden and others.

Mrs. Kawalilak was 90 years young on Sunday and to help her celebrate her birthday were many family members and friends.

Charlie Auburn had his sister Honey Curtis and Pearl Angus of Strome call on him last week.

Elizabeth and Clarney Hornek visited with Mrs. Gabriel, Mrs. Clegg, Tom Berg and Mrs. Cartwright on Sunday.

Don't forget our fall Bazaar November 28th. The proceeds are to buy a film projector this year, so that we can show films to our guests.

We're A Concrete Business!

Kinsella O.O.R.P. Initiates Members

Kinsella Lodge Order of the Royal Purple held their Oct. 24th meeting in the Memorial Hall with 23 members and 3 visitors present.

District Deputy Supreme Honored Royal Lady Krozser of Hardisty was welcomed by H.R.L. Greenwood and seated at the front of the room. Mrs. B. Davidson and Mrs. M. Fossum were also welcomed.

The members performed the Initiation Ceremony and welcomed two new members, Mrs. Betty Haydon and Mrs. Marie Greer.

Mrs. Krozser gave her official report and offered many helpful suggestions.

All Lodges in District 4 are invited to attend our November 28th meeting.

Hostesses were Phyllis King, Hjordis Armitage, and Evelyn Mark.

Attendance prizes were won by Betty Oakes and Frances Overbo.

A successful Tea and Bazaar was held in the Hall on Nov. 4th. The ladies appreciated all who made the effort to attend in such bad weather. Draw winners were (1st) Mrs. Shirley Rawluk, (2nd) Karen Overbo.

Horse Wins Futurity

The Canadian Standardbred Horse Society Western Futurity held on November 13th, at Cloverdale, B. C, was won by a Viking entry.

Shirley B. Adios, 3 year old filly owned by Jim Rogers triumphed over a nine horse field to win the race. The race went for a total purse of $18,100 on a half mile track. This was the filly's 13th race of which she has a record of 3 wins, 5 seconds, 2 thirds and only having placed out of the money on three occasions.

Shirley B. Adios will be racing at Calgary's Stampede Park on Sunday, November 19th, where she is once again entered in a "Stake".

A Reminder for Farmers

Cattlemen are reminded that they can apply for an extension to their loan under the 1977 Cow-Calf Advance Program anytime up to thirty days after its due date.

The loan may be extended for up to one year from its due date or January 31, 1980, which ever comes first. An extension applies only to that portion of the principal amount of the loan that is not in arrears and borrowers must have paid up all interest that is due on the original loan. The interest rate on an extended loan will be one per cent per annum above the prime lending rate.

You can obtain further details on extending your loan by contacting the lending institution that processed your original loan under the 1977 Cow-Calf Advance Program.

PUBLIC NOTICE

It has come to the attention of Town Council that quite often residents begin construction before actually applying for a building permit. This contravenes Village's By-law No. 294 which states

No person shall commence the construction, demolition, relocation, alteration or repair of any building or part thereof nor the excavation of any land for the purpose of erecting or locating a building nor the installation of mechanical equipment unless a building permit has been previously obtained. A permit is not required for painting and decorating.

CARDS OF THANKS

We wish to express our sincere thanks to all our relatives, friends and neighbors for the many acts of kindness, messages of sympathy, floral tributes, baking to the house and contribution to charities during the loss of our husband, father and grandfather, Emil Dorin.

Special thanks to Dr. Lukenchuk and staff of the Vegreville Hospital.

Sincere thanks to Pastor Heinemann, Bud Hammermaster, pallbearers and Park Memorial Funeral Home who helped make this trying time more bearable. Thanks to the Senior Citizens Club and ladies who helped serve lunch.

Gladys Dorin, Vernon and Audrey Pratt and family

CARD OF THANKS

I would like to thank the Doctors and entire staff at the Viking Hospital for all the kindnesses and care given to me while a patient in hospital. Also, a special thank you to all the neighbors who helped my husband and family at home. Many thanks to all who sent cards, gifts, and all who stopped in to say "Hello". I all made time go quickly.

Sincerely,
Laura Bridgeman 40p

Ryley Church News

By Marlene Sinclair

BORSHIW PARISH: The Borshiw parish had their Thanksgiving service last Sun. Following the mass a congregational dinner was served by the parish ladies. Everyone enjoyed themselves. There will be no Mass until November 26. On the 26th the service begins at 9:00 a.m.

CATHOLIC CHURCH: The time of the Saturday evening Mass has been changed to 7:30 p.m. This Sunday Mass will be held at 12:30 p.m.

UNITED CHURCH: On Sunday, November 26th the Ryley, Holden and Tofield congregations will be having a combined service in Tofield at 10:00 a.m. After church last week the Sunday School teachers met to plan a white gift service to be held on December 17th. All the children will take part in giving gifts to the needy by bringing gifts wrapped in plain white paper. This custom was started by a king that encouraged his subjects to bring their gifts wrapped in this fashion so that none need feel badly because their gift was smaller or not as grand as some of the others. Also those that were able to afford more did not have their pride bolstered when the gifts were given in this fashion. The United Church carried on this tradition every year. The United Church Women met on November 7 in the afternoon and spent time completing plans for the Newcomer Banquet to be held on Thursday, November 16 at 6:30 p.m. and the Turkey Supper to be held on November 18 at the Community Hall beginning at 5:30 p.m. They received and discussed a letter from the Ryley Brownies requesting a representative from the U.C.W. to go to a meeting regarding getting a home for the Brownies. Plans were laid for a special U.C.W. meeting on Wed., Dec. 13. There will be a guest speaker present and a cookie exchange. Contact Ruth Munkedal for further information.

SEVENTH DAY ADVENTIST CHURCH: Last Sabbath a speaker from Blackstrap, Sask., Mr. Ted MacDonald, a nutritionist and physiotherapist spoke on nutrition. This coming week our Sabbath services will be conducted by Mr. Chuck Huedepohl. He will be having a special music program. Bible studies continue every Wednesday at 7:30 p.m. Last Thursday Grace Booth and Marlene Sinclair, selected delegates to the Youth Conference, left for the S.D.A. Foothills Camp at Bowden, Alberta, where they spent the weekend with other delegates from across Alberta. Ruth Smith went as cook for the camp and Vera Taylor and Cindy Oslund helped her in the kitchen. The meetings were held to encourage witnessing and to promote personal spiritual growth. Both delegates came back feeling they had gained a lot and were most impressed with the special speaker, Mr. Jan Doward, the S.D.A. General Conference Youth Director.

BETHEL LUTHERAN CHURCH: The Lutheran Church Women executive met at the home of Mrs. Alma Adams, whom they said was a gracious hostess, to plan the 1979 Year Book, which includes the programs of meetings. They also elected a new executive for a two year term. They are as follows: President - Mrs. Janette Johnson, First Vice-President - Mrs. Bea Wickstrom, Second Vice-President - Mrs. C. Sorenson, Secretary-Mrs. Greta Phillips, Treasurer-Mrs. Kay Hillerud, Education and Cradle Roll - Mrs. G. Barr, Mrs. Mavis Allot and Mrs. Audrey Steinwand, Stewardship - Mrs. Arnold Bugge and Mrs. Ole Hagen, Sewing - Mrs. W. Pope and Mrs. Pearl Kushnir, Greeting Cards and Stamps - Borghild Sundlie, Decorating - Mrs. C. Sorenson, Mrs. Karen Baraniuk and Mrs. Alma Adams, Memorial and History - Mrs. Pearl Kushnir and Mrs. Mary Oslund. Pianist - Mrs. G. Barr, Mrs. Bea Wickstrom and Mrs. Pearl Kushnir.

Do You Know The Bible Says

By Mrs. W. Myers

Jesus saith unto him, I am THE WAY, THE TRUTH and the LIGHT: no man cometh unto the Father, but by me. John 14:6.

I am the Door, by Me if any man enter in, he shall be saved, and shall go in and out and find pasture. John 10:9

I am the Resurrection and the Life: he that believeth in Me, though he dies, yet shall he live again. John 11:25. Jesus the central point of true faith. The living object of God's grate plan of salvation and eternal life. The focal point of our becoming a child of God. Without of confession of sin to Him, and our acceptance of Him into our heart, we have no access to God. In John 10, we read of Jesus as the door into the sheep fold, and there was no entrance except by Him. Anyone trying to come to God by any other way is called a thief and a robber by Christ Himself.

Now, you may be very pious, you may read the Bible and even study it. You may have been baptized in water, you may have been confirmed, you may take communion, you may speak in tongues, you may be a confirmed believer and a church member, but all these things are beside the point.

You are religiously pursuing a way that seems right but you are missing the way. See Prov. 16:25. You may be trying to have the gifts of the Spirit without first having the True Spirit of Christ in your heart. We all have sinful hearts and that sinful heart must be cleansed by the shed blood of Christ before His Holy Spirit can enter in. Sin must be confessed and forsaken before Christ will enter our heart and transform our lives.

When we follow this scriptural way He gives us eternal life. When we have Christ living in us then He is our righteousness, for we have none of ourselves. Why leave Christ as the last resource when He should be First.

Weekly Inspirational Corner

These words spoke Jesus, and lifted up His eyes to heaven, and said, Father, the hour is come; glorified they Son, that thy Son also may glorify thee:

As thou hast given Him power over all flesh, that He should give eternal life to as many as thou has given Him.

And, this is life eternal, that they might know thee the only true God, and Jesus Christ whom thou hast sent.

St. John 17:1-3.

What's New in Ryley

BEAVER DISTRICT OF UNIFARM #63 are holding a Fall Forum at the Holden Agricultural Complex at 1:00 p.m. on Friday, November 24. President Howard Falkenburg will be in attendance. The forum is to encourage farmers to bring their problems where they will be answered in the best of their ability or the farmer will be told which steps he should take to get information regarding his problem.

NEW BORSHIW UNIFARM LOCAL #6340 are meeting at the District Agriculturalist's office in Ryley on Tuesday, November 21 at 7:30 p.m. We will be picking a delegate for the annual convention to be held in Edmonton soon.

RYLEY 4-H BEEF CLUB met Monday, November 6th, due to some members dropping out a new election of officers was necessary. The new officers are as follows: President - Dale Bratrud, Vice-President - Rick Bratrud, Secretary-Karen Magneson, Treasurer - Ivan Muskedal, Club Reporter - Grant Muskedal, Club leader, Charles Magneson. As a result of this new start, the weigh-in day has been changed to Sat., November 18 from 10:00 a.m. to 12 noon. It will still be held in the elevator. All meetings will be held on the first Wednesday of each month. The next meeting is on December 6th at 7:30 p.m. in the Ryley school.

RYLEY LIBRARY: Remember the Young Alberta Book Week taking place from Nov. 18 to the 25th. The Library staff are striving to double their membership during this week. There are a lot of new juvenile books in stock, so come out to see them and join in our contest. Entries guessing how many books are in the library will be taken on the morning of November 18th from 9:30 to 11:30 a.m., Tuesday afternoon the 21st from 2:00 to 5:00 p.m., Thursday evening the 23rd from 7:00 to 9:00 p.m. and on Saturday morning the 25th from 9:30 to 11:30 p.m. The following week the winners will be announced.

RYLEY SCHOOL: Ryley Senior High Volleyball teams (both boys and girls) won their games in the tournament that was held in Ryley last Saturday They have been selected to go to Wetaskiwin this coming Wednesday for another series of games.

VILLAGE OF RYLEY: The town will be putting 2500 yeard of gravel on the streets very shortly. This is now out to tender and will be done as as soon as possible. The final meeting regarding curbs and gutters was held Wednesday. It has been decided to draw everything to a halt until next spring when the ground thaws and work can be completed.

RYLEY 4-H CLOTHING CLUB will be holding a bake sale on Saturday, November 25th at the Lucky Dollar at 10:00 a.m. The leaders Mrs. Hilda Jenson and Mrs. Pat Bekker will be going to a 4-H Leaders Conference on Nov. 17, 18 and 19 in Edmonton. They will be discussing new ways to organize 4-H Clubs, taking leadership training, etc. Different units such as the Beef Club, Clothing Club and Horse Club will be learning specific things relating to their areas. They hope to come back with a lot of new ideas.

Ryley and District News

It was recently reported that Donald Law was in the Tofield Hospital with heart problems. This was a mistake, he was in with bronchitis. He spent 10 days there.

The Ernest Browns have taken Ernest's mother who is 95 back to Athabasca. She has been visiting in Ryley for about a week and took in the Remembrance Day Service.

Janice Paulson (nee Stumbo) just had a baby boy, a grandson for Jack and Leona Stumbo. The baby was born in St. Mary's Hospital in Camrose on Saturday morning, November 11th and weighed in at 8 pounds 15 ounces. The mother and baby are both doing well.

Last week we reported on Barry Stumbo's accident where he lost his thumb and was operated on replacing the thumb. Last report is that the thumb is looking better, but they still are not sure if the operation has been successful Barry will be in the University Hospital where she had a pin put in her knee.

Mrs. Senuik is now living with her son Mike in Camrose.

for Sao Paulo, Brazil where they will be visiting Irene's father and brothers and sisters They left last Saturday and plan to be back on November 28.

Barb Kozack fractured her knee while helping her husband Steve put siding on their garage. The ladder which she was standing on, came down hard. Barbara is in the University Hospital where she had a pin put in her knee.

Mrs. Senuik is now living with her son Mike in Camrose.

Recreation Board Five Year Plan

By Marlene Sinclair

The Ryley and District Recreation Board held their Five Year Master Plan meeting on October 25th. The meeting was called to order at 8:15 p.m. by acting chairman, Mr. Keith Walls. Those present from the board were: Mr. Richard Kope, Mr. Keith Walls and Mrs. Marlene Podoborozny. Those present from other clubs as delegates were Mr. Oleh Hagen, Mrs. Harriet Ruddy, Mr. Ernest Brown, Mrs. Harriet Brown, Mr. Don Kondrat, Mr. Robert Cross, Mrs. Mildred Rokos, Mr. Bernie Kope, and Mr. George Baker.

Mr. Walls distributed copies of the section of the Five Year Master Plan which concerned Ryley and the surrounding district, after which a brief open discussion took place.

A brief from the Ryley Sunshine Club was presented by Mr. Oleh Hagen. They outlined their wishes for a lawn bowling green and expressed a need and desire for a grant of cash to be made available every year. Mr. Kope informed Mr. Hagen that plans, complete with costs should be submitted to the Local Recreation Board for further consideration.

Mrs. Harriet Ruddy presented the Ryley Public Library brief requesting that plans to construct a new facility to house the Public Library be considered for commencement in the fourth year of the revised plan. Consideration has been given to building an addition on the east side of the Village Office building. It appears that there are not existing grants available to construct a new building.

Mr. Ernest Brown of the Royal Canadian Legion, stated that in view of the fact that his group was unaware of the existing debt still remaining on the swimming pool they wished to withdraw their planned brief, which would support further capital facilities being undertaken by other groups. Mrs. Harriet Brown speaking for the Royal Canadian Legion Ladies Auxiliary, stated they also would withdraw their planned brief for the same reason and that a draft of their new brief would be sent to the recreation board secretary.

Mr. Don Kondrat presented the Ryley Adventure Playground Committees brief which specified the planned additions for stage 11. Monies for the labour and additional construction on the facility will be applied for as outlined.

A brief from the Ryley Ladies Fastball Club was received requesting washrooms, spectator facilities and assistance with the upkeep of the Ladies Ball Diamond, there was no delegate present.

Mr. A. Robert Cross represented the Beaver Heritage and Agricultural Society and informed the meeting that no capital facilities are being planned. There is still approximately $15,000.00 debt existing on the swimming pool. Monies raised will be used to pay off the debt and pay for operating costs.

The Ryley Curling Club brief had been presented to Mr. Walls prior to the meeting and was read. It contained a proposal to construct a Recreational Cultural Complex which would contain a curling rink and a large upstairs area to be used for social functions, cultural affairs and meetings. The estimated cost is $145,000.00.

The Ryley Junior Sports Club brief was presented by Mildred Rokos and concerned the baseball diamonds on the school grounds. The ball diamonds on the west side will require upgrading as the four diamonds on the east side of the school grounds have been displaced by the Adventure Playground equipment.

Mr. Bernie Kope representing the Ryley Men's Fastball Club stated that there would be a need for a new fence and major up-grading in a few years at the men's ball diamond.

At this time, Mr. Brown suggested that there might be a possibility of obtaining some monies from the sale of Village lots for the purpose of installing water and sewer in the sports grounds. The availability of sufficient funds would depend on the area to be serviced and the price received for the lots.

Mrs. Harriet Ruddy then presented the brief from the Carall Rebekah Lodge showing their support to the Curling Rink Complex plans but only after existing debt on the swimming pool is cancelled.

The Ryley Lions Club had Mr. George Baker presenting their brief which supports the proposal of the Multi Purpose structure that will house the Curling Rink, Cultural area, waiting room, washrooms, and kitchen facilities

Mr. Walls then thanked the members of the delegations for their briefs and contributions to the successful meeting. The meeting adjourned at 9:55. The Local Recreation Board will be meeting on Wed. Nov. 22 to discuss various proposals of change to the Five Year Master Plan. Any changes in the board will be discussed then

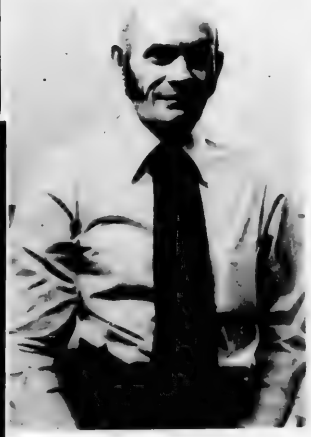
AUCTION SALES A SPECIALTY HONESTY OUR POLICY

Profile: Don Creasy



Don Creasy is well known in and around Irma, having been the Municipal Administrator there for over sixteen years.

He was born at Hardisty, Alberta and lived on a farm there, along with five brothers and three sisters, until 1950. Donald then moved to Irma, where he farmed for ten years.

In 1960, he was the unfortunate victim of an accident which ended his farming. During the next two years, until he became the Village Administrator, he completed three courses in accounting (while in hospital). He also studied Municipal Administration for four years.

In 1962, he opened his insurance business which ran adjacent with the Village Office.

Don has been active in the Irma and District Chamber of Commerce, the Irma Cemetery Committee since 1964 or '65 and as a member of the Co-op Development Board.

Don and his wife Ellen have two children - Leslie and Leanne, both eight years old. Don enjoys following hockey and baseball games in his free time.

If you have met him you will agree that Don Creasy is truly an admirable man.

Save Your Papers

Shortly over a year ago, the Viking Figure Skating Club opened the "doors" of a profitable fund raising project in our town - The Paper Depot.

Since that time, slightly over $1,000 has been realized through the salvage of wast paper products:- newspapers, catalogues, phone books, pocketbooks, cardboard, used office stationery etc. These profits have been used in the funding of community organizations.

The Viking Shamrocks are presently "manning" the paper depot and would appreciate you depot and would appreciate your continued support. The hours of operation will remain the same (Wednesday from 4 to 5 p.m.) and (Saturday 1 to 4 p.m.). As the club realizes that it is very difficult if not impossible for some people to deliver their papers, they are willing to pick-up bundles of papers. Please call Vern Hafso at 336-4783 days or Diann Clouston at 336-2473 evenings.

USE THE CLASSIFIED ADS

Girls Hockey in Viking?

With the hockey season upon us, interest has been shown in the forming of a girls hockey team in Viking.

The majority of those girls who have expressed a desire to play hockey this winter, are in the 8 to 14 year age group. To date, we have one volunteer willing to fill the position of either assistant or coach. However, a second volunteer is needed.

Minor Hockey has advised that some equipment will be available for the girls team as well as some sweaters and socks which were used by the girls team a couple of years back.

Anyone interested in either playing hockey or helping out is asked to call Irene Graham at 336-4707 or Nancy Keith at 336-3422 during the day.

Viking Ag. Society Receives $25,000 Grant

The Viking and District Agricultural Society has received a grant in the amount of $25,000 from the Alberta Department of Agriculture. Gus Quattek, President of The Viking and District Agricultural Society received the cheque in a letter from Mr. Marvin E. Moore, Minister of Agriculture in the Alberta Government.

The funds are to be directed solely towards the upgrading of the present facilities now under the control of the Agricultural Society. Following a request for the grant, a representative of the Agricultural Department visited the Community Hall and the Carena to ascertain the need for the full amount. Subsequent to his inspection, the full grant was approved.

In his letter, the Minister notes the specified uses for the funds. "It is our understanding that these funds are to be directed towards the rewiring of the arena, installation of an air system in the hall and other upgrading improvements of the hall which was constructed with the initial $50,000 grant."

The Agricultural Society was required to raise one-third of the funds necessary for the specified improvements. Through the successes of the Viking Fair and the Bonanza Ball, the necessary amount was raised.

The rewiring of the Carena was completed this summer, and the improvements for the Community Hall are in the planning stage.

Work has begun in obtaining core samples of the ground formation on the site of the proposed new Viking Hospital. Analysis of the core samples provides the contractor with necessary information with regard to foundation construction. Staff Photo

Cultural Assistance Awards Program

Alberta Culture invites applications to its 1979 Cultural Assistance Awards Program. Any Alberta artists or arts administrator participating in dance, drama, music, creative writing or visual arts may apply under the program for financial assistance in improving his or her qualifications or skills.

Cultural Assistance Awards offer the individual an opportunity to pursue studies at local, provincial, national or international institutions and universities or take independent studies under established artists.

Applications are evaluated by an independent adjudication board, comprised of professionals in the artist's own discipline. In some cases interviews or auditions are arranged prior to final decisions.

Alberta Culture offers cultural assistance awards annually in amounts from $50.00 to $1,000.00

The first deadline for receipt of performing arts applications for the 1979 program is February 15, 1979. The second deadline is August 1, 1979.

Application forms and further information is available from: Alberta Culture. Cultural Assistance Awards. 11th Floor, CN Tower. 10004 - 104 Avenue. Edmonton, Alberta T5J 0K5

Devonview Spiro, shown above by Gordon Rattray, captured Reserve Senior Champion honors in the Shorthorn Show at Farmfair '78 held recently in Edmonton. Raydor Farms of Viking also took Reserve Junior Champion Female in the Shorthorn class with Raydor Cheeky 31J. Raydor Farms is presently showing their stock at exhibitions in Saskatchewan. Wrap Parcels for Safe Delivery

Santa Claus has a tradition of delivering Christmas gifts in festive, flimsy wrappings - but the Post Office doesn't have his magical powers. Instead of little elves, there are over 60,000 hard-working employees trying their best to make sure 30-35 million parcels posted over the Christmas season reach their destinations successfully. And while the jolly old gent from the north pole makes his rounds by sleigh or flying reindeer, the Post Office is limited to such conventional means as trucks, trains, airplanes and boats.

Last year 2,569 parcels were forwarded to the Undeliverable Mail Office. These were parcels whose wrappings had split, whose addresses were unreadable or incorrect, which bore neither a return address nor any way of identifying sender or receiver.

Actually, the percentage of parcels lost or damaged in transit is surprisingly small - it is estimated at less than one per cent. Post Office officials would like to see it reduced even further

The four most common problems are incorrect addressing, improper wrapping, no return address and torn address labels.

Incorrect addressing doesn't necessarily mean the loss of a parcel. If it bears a correct return address, it will be returned to the sender who can correct the address and send it out again. But when it carries an incorrect address and no return address, there is simply no where to forward the parcel.

"We recommend you write the proper address, including postal code, on two sides of the parcel, then write your own name and return address, again including postal code, on the outside of the parcel as well, up in the top left hand corner.

As insurance, write the name and address of both the sender and receiver on another piece of paper and put this inside the parcel. Some people also include a list of items packaged so that if it happens to break open, the postal clerk handling it has an indication of which items to rewrap and forward.

The choice of packaging cartons is another problem. People think of decorative store boxes or shoe boxes as handy-sized containers for mailing. Usually, they are not. Bear in mind that the parcel riding on top may carry a curling stone or machine parts. If the light box underneath contains fragile items, damage is certain. Corrugated cardboard would be better, with lots of crumpled paper around for cushioning. Incidentally, popped corn makes an excellent packing material. Many people send paint, or bottles of spillable liquids without packing them in sealed, absorbent materials. Imagine what one broken container of liquid could do to the other parcels in the same shipment.

If Santa's offerings are sent via the Post Office - choose a properly sized sturdy carton, cushion goods so they don't rattle around. Include a slip with name and address of both sender and receiver. Wrap the carton in strong paper and tie with twine, then place complete mailing address of sender and receiver, with postal codes, on the outside of the wrapper.

A New Feature in The Weekly Review

Watch for the "Pencil Box" column soon to appear in the Weekly Review as a weekly feature. The Pencil Box is the title chosen for the creative writing club which was formed in June as a result of a writers course offered in Kinsella last winter. Everyone is aware that there is a variety of pens and pencils in an ordinary pencil box. The name is appropriate to the new column because of the variety of contributions that will be forthcoming from the members. There will be fiction stories, non-fiction articles, humorous stories, poems, reflective essays, etc. The column is open to club members only. However, anyone wishing to be a contributor is cordially invited to join the club for a fee and, of course, a written assignment for each meeting.

Be Brave! Dip into the Pencil Box with us. You might be surprised with what you come up with in the way of creative writing.

The next meeting will be held in the home of Jenny Lefsrud on Monday, November 27 at 7:30 p.m.

There is No Disgrace in Defeat.....

Yes, the hockey season is again upon us. The time of year when large numbers of young skaters lace on their blades to enjoy one of the world's fastest and most exciting sports.

Yes, these youngsters do play for enjoyment. To the majority of these young people, winning is not the most important thing. Most often it is the basic fun enjoyed in giving all they can in attempting to play the game as best as they possibly can. The competitiveness in the sport is also enjoyable. But this competitiveness should be within the youngsters themselves as well as between teams.

The value which we should instil in these young people is the importance of doing their best, putting forward their best effort at all times. This does not mean that they must win. In sports there are teams that are better than others. Thus a team will often meet another team which will defeat it. There is no disgrace in defeat if one has tried his/her best.

Often as parents and coaches, we place the emphasis on winning. We berate our children if they lose, call down youngsters of the opposing teams, and generally place pressures on these young athletes which they are not able to handle. Our objectives as fans of these youngsters should be to encourage them, to set a positive example of good sportsmanship, whether they win or lose.

This winter, take a positive approach towards being a fan. Support these youngsters efforts and successes, and encourage them to do their best. Be a good fan.

Mr. Helmer Hanson, President of the Viking Branch, Royal Canadian Legion, presenting a cheque for $2,400.00 to Mr. Jack Reddick, Chairman, Viking General Hospital Board. The cheque represents donations to the 1977 Christmas Card Fund and 1978 donations to the Memorial Fund. The proceeds of the Christmas Card and Memorial Fund are used to pay for the heart monitor - defibrillator which was purchased in 1977. Donations to the Viking Legion Christmas Card Fund for 1978 may be left at the Viking Veterinary Clinic. Staff Photo

The Homemaker By Diane Luke, D.H.E.

We are constantly reminded to save energy in the home. The kitchen, we are told, is a major energy consumer using approximately 10 per cent of the total energy in the home. Maria Nazarowec, food consultant, Food Advisory Division, Agriculture Canada completed a study to compare the amounts of electricity required for cooking using the electric range and several small electric appliances.

"The greatest energy user is the electric range", reports Nazarowec. "If used properly, however, it can be most efficient." Cooking inside the oven is generally better, energywise since it has a locked in energy conserver. As soon as it reaches the required heat, it shuts off and cooks with stored heat. In contrast, the surface elements stay on at the particular setting and therefore should be turned down to the lowest practical level. The energy saving depends upon your proper usage of the oven. Cook several items at one time for a total oven meal. Avoid opening the oven door during cooking - every time you open the door it costs you 20 per cent heat loss.

Nazarowec also studied the increasingly popular microwave oven. She reports "generally speaking, when the load is small, a microwave oven uses less energy than a range or other small appliances."

The slow cooker, another popular appliance, cooked such foods as pot roasts most efficiently.

Agriculture Canada's Food Advisory Division therefore offers some suggestions on how to save energy in the kitchen.

·Use utensils that fit properly on surface elements. Pots and pans with straight sides, flat bottoms and tightly-fitting lids make best use of heat.

·Make use of appliances as they are intended, i.e., the toaster, not the oven broiler, for toasting bread and the electric kettle, not the top stove element, for boiling water.

·Prepare large amounts of foods when using the oven and freeze the surplus.

·Turn off appliances when finished.

·Don't make a habit of standing in front of the refrigerator with the door wide open. Close it as quickly as possible.

Every little saving helps the total energy conservation program for Canada.

The Coyote - An Asset and A Problem

PART I - AN ASSET

The coyote is to be considered a nuisance by many a farmer who raises livestock, however the coyote is considered by hunters, trappers and biologists as a predator who is highly prized for its pelt.

As a predator the coyote not only regulates the numbers of other animal species, such as rodents, but helps in the cleaning up of carrion, which proves to be one of the assets to the farmer.

The second asset which is shared by the hunter or trapper is the value of its pelt, which ranges from $30.00 to the top price of $110.00 each. Therefore, the hunter or trapper is said to be the regulator of the coyote, because when the value of the pelt increases, the drive for coyote pelts increases, resulting in more coyotes taken by the trapper or hunter. One may say that the drive for coyote pelts may decrease the number of coyotes in an area, because the person has not seen a coyote in a particular area. That person is falsely informed about the coyote's habitat. The coyote, over recent years has been pushed back into heavily bushed areas, or protected areas, where the presence to an uninformed observer is unnoticed. Therefore, resulting in the observer stating that the coyote is becoming extinct. This statement is also false, because surveys show that the coyote numbers have increased in recent years to the point where certain people have been employed to control the coyote. This is said to be where a coyote becomes a problem....which will be dealt with in Part II - The Coyote A Problem. By Barry Kolenosky

On November 8, 1978, the Viking 4-H Beef Club held their weigh in day at the farm of Robert Ash. Thirty-eight calves were weighed in to mark the beginning of the 1978-79 4-H year which covers approximately 200 days until Achievement Day. Staff Photo

Alberta Book Week

This is the week - November 18 to November 25 - in your public and school library. Drop in, tune in, turn a page. It's Young Alberta Book Week.

A library card is your key to the world of books, magazines, films, records, tapes, pictures. This is Young Alberta Book Week. Go to your local and school library and get your own personal key.

What do Hockey, Heffalumps and Hallowe'en all have in common? They're found in books in your local and school library. It's Young Alberta Book Week.

This is Young Alberta Book Week. The launching pad to the world of books is your library. Take off during this week into a world of adventure.

Happiness is a visit to your library. This is Young Alberta Book Week. Help yourself to some happiness.

Reading is the door to fun and adventure. Visit your library and open the door during Young Alberta Book Week, November 18 to 25.

How? When? Where? Why? Why? Questions, questions, questions??? And the answers are in books. And the books, all sorts of books, are in your library or bookstore. Go get 'em during Young Alberta Book Week.

Do you like treasure hunts? Search for treasure on the shelves of your local bookstore or in your local library. Help celebrate Young Alberta Book Week.

Hey kids! Where can you find a good mystery story? Where can you find out how to catch a crocodile, or tame a skunk, or play a guitar? In your public or school libraries - that's where. This is Young Alberta Book Week, November 18 to 25.

If only the old woman who lived in a shoe
Had known what reading for children could do
She wouldn't have spanked them and sent them to bed
But given them books to look at instead.

The shoe that fits will take you to your library this week? Young Alberta Book Week.

Hey kids! November 18 to 25 is your week! It is Young Alberta Book Week. Visit your library and join in the fun!

Show You Care

The Viking Branch of the Royal Canadian Legion will once again sponsor the "In Lieu of Christmas Card" Campaign this festive season.

All proceeds from the Christmas Card endeavour go to help pay for the heart machine recently purchased by the Viking Hospital and towards helping with the purchase of other equipment for the new hospital which is not provided by government.

Instead of sending Christmas Cards to your friends and neighbors locally this year, give a donation to this very worthwhile cause and your greeting will appear in the Christmas issud of the local papers.

Your generosity and response in the past, to this unique community project has been most gratifying.

Let's see what we can do for our hospital this year.

You may mail or leave your donation with Isabel Barnes at the Veterinary Clinic Office and receive an official receipt for Income Tax purposes.

Deadline date for names to appear in the Christmas issue of the paper is December 15.

Mike Zentek of Zentek, Sheets and Hutchinson Auction Services, was one of many people who gave freely of their time at the Annual Viola Lodge quilt auction held at Viola Lodge on Saturday, November 18. Staff Photo

Buffalo Coulee W.I.

The Buffalo Coulee W.I. held their November meeting at the home of Mrs. Bob Lyall, with eight members and two visitors present.

Nina Kellar acted as secretary in the absence of Mrs. P. Prosser who is in an Edmonton hospital. After the regular opening we heard from the supervisor of the Girls Club who told us the girls are planning the Christmas concert for the Albert Community.

Any item of entertainment that you would like to put on would be welcomed. The girls are to study nutrition at their November 18th meeting as this is Nutrition Week.

Our Club had their election of officers in November and the slate for this coming year is President- Marney Mares, Vice President - Eileen Prier, Secretary - was left until next month as Francis was away. Treasurer - Nina Kellar, Sunshine Committee - Eileen Prior.

We decided to try something new at our Tea, Bazaar and Bake Sale. That is to put the sandwiches and quick breads on the tea tables and have a flat cover charge at the door. It was reported that the tickets are going fast on our quilt and doll raffle. These two items are on display at the Irma Co-op. We hope to see you at our Tea on Saturday, November 25. Each member is to bring a loaf cake and a sandwich filling or pickles for the kitchen and a table cloth for the tea tables with any baking or bazaar product they may have.

Marion Lokken had the contest won by Anne Jones while the hostess draw was won by Mrs. Clisdell. A pleasant lunch was enjoyed by all before going home.

The December meeting will be at Grace Archibald's with roll call being "Something Christmas'sy for the days program". With each member bringing a guest as well as something for a pot luck lunch.

Village of Irma Minutes

The Council of the Village of Irma met in special meeting in the Irma Village Office on Thursday, November 2, 1978.

Present were Councillors, Barber, Dempsey, Larson and Littlewood, as well as Municipal Administrator - D.D. Creasy.

The meeting was called to order by Mayor Larson at the hour of 1:10 p.m.

Moved that the agenda setting out items of business to be dealt with, be accepted. Carried.

By-law 482 has been prepared to authorize extension of water and sewer mains in 51 Avenue. The act requires that there be a separate By-law for water and for sewer. Moved that By-law No. 482 be rescinded. Carried.

By-law No. 482 A: This By-law has been prepared to authorize extension of water main in 51 Avenue. Moved that By-law No. 482A pass its first reading, carried.

By-law 483: This By-law has been prepared to authorize extension of sewer main in 51 Avenue. Moved that By-law No. 483 pass its first reading, carried.

Service Lines: The Municipal Administrator advised that the local Plumbers have stated that all future water and sewer services will be installed on an hourly basis only. Further that Snelgrove and Sons have agreed to install the services in Block F, Plan 1560W on a contract basis of $7.50 per foot complete. Moved, that upon refusal by the local firm to undertake the construction of the lines in question, on a contract basis, that Snelgrove and Sons Ltd. of Vermilion, be engaged. Carried.

The Municipal Administrator advised that six firms were invited to tender construction of the water and sewer main extension in 51 Avenue. Two firms tendered, Richardson Bros. Construction from Olds, Alberta and Snelgrove and Sons Ltd. from Vermilion. Snelgrove and Sons Ltd. was the lowest tender. Moved that Snelgrove and Sons Ltd. be awarded the contract to construct the water and sewer main extension. Carried.

An application by Lorne Anquist to construct a mobile home park on the westerly boundary of the Village was considered. Moved that Council has no objection to the proposed park. Carried.

A discussion ensued relating to the electrical service to the Pump House and Arena. Moved that Calgary Power be contacted to determine the feasibility of separate services for the Pump House and Arena. Carried.

The foregoing concludes business before Council and the meeting was moved adjourned. Carried.

The Council of the Village of Irma met in regular meeting in the Irma Village Office on Tuesday, November 7, 1978.

Present were Councillors Barber, Dempsey, Larson and Littlewood. Municipal Administrator D.D.Creasy was also present.

Mayor Larson presiding: Moved that the minutes from the October 3, 1978 regular meeting be adopted as written. Carried.

Moved that the minutes from the Organizational meeting of Council held October 24, 1978, be adopted as written. Carried

Moved that the minutes from the Special Meeting of Council held October 24, 1978 be adopted as written. Carried

Moved that the accounts for the month of October as presented be approved for payment. Carried

Financial Statement. Net balance end of the previous month was $26,302.67. Receipts for the month $4,365.87. Debentures issued $195,830.00. Disbursements were $52,878.47. Transferred to Trust Fund $220,000.00. Net balance October 31, 1978 $46,370.93. Moved that the financial statement as presented be approved. Carried.

Correspondence was received from University of Alberta Department of Extension relating to proposed Seminar on Planning. Moved that this correspondence be received. Carried.

Moved that correspondence from Recreation Parks and Wildlife relating to Operational and Project Co-operation grants (1978) be received and filed. Carried.

Moved that correspondence from Town of Hardisty relating to proposed development by Pacific Petroleum be received and filed. Carried.

Correspondence was received from University of Alberta, Department of Extension relating to Seminar on Local Government Administration. Moved that the Municipal Administrator be authorized to attend this Seminar. Carried.

Moved that correspondence received from Alberta Housing and Public Works relating to grant assistance for low cost housing units be received and filed. Carried.

Moved that correspondence received from Disaster Services relating to Course on Municipal Disaster Services Program Management be received and filed. Carried.

Moved that correspondence received from Wainwright General Hospital and Nursing Home District relating to Ambulance Operations Agreement be received and filed. Carried.

Moved that correspondence received from Alberta Municipal Affairs, Mobile Equipment Licensing Branch be received and filed. Carried.

Correspondence was received from Alberta Environment, Standards and Approvals Branch, advising that Water and Sewer main extensions in 51 Avenue have been approved, under Permit No. 78-MP-521. Moved that this correspondence be received and filed. Carried.

Correspondence was received from EPEC Consulting Western Ltd., approving progress payment No. 3 to Bell and Fountain Construction for work completed at the lagoon. Moved that progress payment as directed be issued. Carried.

Correspondence was received from the Provincial Planning Board Appeals Division, advising that Mr. R. R. Minchau has withdrawn his appeal of the Boards decision for subdivision of Pt. NE 28-45-9-W4. Moved that this correspondence be received and filed. Carried

Correspondence was received from Canadian Transporation regarding maintenance of Protective Services Equipment at C.N. Crossing and Secondary Road 888) be received and filed. Carried

Correspondence was received from Mr. and Mrs. Billy Dunbar requesting that service road along south side of Block 16, Plan 6088 HW be upgraded, also that street lighting be upgraded. Moved that this correspondence be received and that the service road be upgraded in the 1979 street program, no action on the upgrading of street lighting. Carried.

Correspondence was received from Alberta Government Telephones requesting permission to locate buried cable in 53 street. Moved that Council has no objection to the buried cable, providing it is located not more than 10 feet from west property line. Carried.

Correspondence from Mr. P. McNeil requesting permission to construct a building for commercial operation within a residential zone, lots 37/38, Block 7, Plan 1560 W. Moved that a Committee meet with Mr. McNeil to discuss the proposal. Carried. Committee: Mayor Larson and Councillor Littlewood.

By-law No. 481, Authorizing additional costs for the construction of the sewage treatment facility - this By-law has been approved by the Local Authorities Board, following first reading. Moved that By-law No. 481 pass its second reading. Carried. Moved that By-law No. 481 pass its third reading. Carried.

Correspondence from Alberta Environment, Standards and Approvals Division, advises that the village will receive a grant in the amount of $16,582.04 each year, at current population figures to assist with the capital cost of the sewage treatment facility. Moved that this correspondence be received and filed. Carried.

Moved that tax levy for the year 1978 on Lots 7-8, Block 6, Plan 1560W the New Horizons Drop-In Centre, be cancelled. Carried.

Moved that a joint agreement between the M.D. of Wainwright #61 and the Village for the stockpiling of sand for street purposes be approved. Carried.

Moved that a supply of coal be made available for thawing grave sites or utility lines that might require attention during the winter months. Carried.

A proposal as prepared by EPEC Consulting Western Ltd., for grading and gravelling of streets and curb and gutter throughout the village was presented. This project would qualify under the street improvement program, and would be eligible for funding in the amount of $80,220.00

Moved that costs for paving of two blocks on main street be acquired for consideration. Carried.

There being no further business before Council, the meeting was adjourned. Carried.

Irma Club to Sell Chocolates

The second business meeting of the year was held at the home of Mrs. Stella Glasgow. Robbie Pelton started the meeting by the leading of our pledge. Mrs. Mary Newton said that we might be selling some tickets.

We were invited by the Greenshields Beef Club to go to their curling bonspiel. We will be having a family dance on December 8th.

We are pleased to inform you that the Food Club will be selling chocolate covered almonds again this year.

The club will hold their next meeting on December 20. Leila Glasgow adjourned the meeting.

The new social committee is Tracy Copeland, Darren Costall and Darlene Wigmore.

Irma United Church Celebrates 68th Anniversary

On Monday, November 20 the United Church held their annual supper.

After the delicious supper, Mr. Charlie Milne was kind enough to show some beautiful color slides he had taken on their trip to Denmark and other parts of Europe. These were taken last winter when the oldtimers played hockey there. Everyone joined in the singing of the hymn, "How Great Thou Art", with Mrs. M. Fisher at the organ. The Senior Choir then sang "As The Years Go By" and "Take Up Thy Cross For Jesus".

We were then favored with some piano selection from some of Mrs. M. Copeland's students. The Snake Dance by Alana Ho Evening Song and My Pony by Amy Currie

Tune Twisters by Deana Prior

Polka by Diana Soucy

Bells Are Ringing by Diane Fleming

Sandman's Lullaby by Douglas Larson

Pierrot by Erin LeFage

Follow the Leader by Jacque Prior

Following these piano solos Mrs. Kate McLean gave two very humorous readings "The Ballad of Sam McGee" and a letter which she read. These were thoroughly enjoyed by all. More piano numbers were then presented: Air by Haydon and Good King Wenceslas by Kim Larson; Mary Had A Little Lamb by Leanne Creasy; Gertrude and Elizabeth by Leigh Curris; Prancing Horse by Leslie Creasy; Hear Those Lovely Bells by Linda Larson; Down the Road - a duet by Bidyra and Rosayo LaPage; At the Skating Rink by Shelley Jones.

Following these piano selections, Mrs. Edith Wilson gave a very good monologue. The program then came to a close with three final piano presentations; Prayer by Tracy Copeland; Silverbell by Blake Prior; Three Friends - a trio by Kerri, Trent and Leonard Larson; Blest Be The Tie That Binds by Linda Tomlinson.

Mrs. Wilson then thanked everyone who helped present the program and the ladies who cooked and served the delicious supper.

Strawberry Plains W.I.

Our November 15th meeting was held at the home of Mrs. Irving Bell with eight members and one visitor, Mrs. Sandy Harding present. Our rendering of "O Canada" was much improved with Doreen at the organ. Our Creed was repeated in unison.

Minutes of the October meeting were read and approved. Minnie Jackson advised she had heard from her friend, one of the English ladies visiting in Edmonton on September 10th. This lady had visited Minnie's home town and had even talked to an old school friend of Minnie's.

The treasurer's report was then given and adopted.

Our President reported that the Battle River Lodge would like us to visit them on Nov. 21, at 1:30, each member is to bring two dozen cookies. The program will consist of a singsong, music by Doreen Bell, Ernie Hall and Ole Nissen, and a reading by Lorna Jackson.

Ethel King, our secretary, read letters from A.W.I. Publicity Convener, Mrs. Christie and our new A.W.I. President, Mrs. Plaizier.

In the absence of Mrs. Hugh Tomlinson, Mrs. Jackson gave the handicraft report. There are items on hand to be worked on. Mrs. Jackson also displayed some small quilts or comforters which have been made to be sent where needed.

Twenty-five dollars is to be sent from our W.I. to the Girls W.I. Group, "Albert Busy Beavers". A memorial to Mr. Almost will be given from our group to the Cancer Society.

Our December meeting will be held at the home of Mrs. Harry Long on Dec. 13. Hostesses are Mrs. Ethel King and Mrs. Long. Raffle - Mrs. Tomlinson, Roll Call - Exchange of Christmas presents.

Our Christmas party is planned for Wednesday, Dec. 20, with a pot-luck supper at 6:30.

Mrs. Esther Creasy gave a resume of the Federated News, covering articles on the Kenya Conference and the motto of "Self Help - Pull Together".

The raffle supplied by Mrs. Betty Pastor was won by Mrs. Sandy Harding. We then enjoyed coffee and our choice of four lovely birthday cakes. Our hostess showed us the latest way to make fancy candies and we were pleased to make the acquaintance of "Monica" from Durando, Mexico.

Chacutenah Manor News

Mrs. Simmermon returned from a three weeks holiday, spent with members of her family in Ottawa and Edmonton. Her brother, Mr. S. Simmons of Delta, B. C. visited her on Saturday.

The monthly social evening was held in the lounge on Wednesday with Mrs. McLean and Mrs. Hooper as co-hostesses. Mrs. McLean welcomed the gathering. Out of town guests were Mr. and Mrs. Semple of Wainwright.

The program opened with a sing-song with Mrs. Semple at the piano. Following this, Mrs. McLean conducted an interesting contest. A duet - to Mrs. Parsons' accompaniment - "Walk Beside Me, Oh My Lord" by Mr. and Mrs. Wilson and two solos by Mr. Art Pierce brought well merited applause. Dancing to the music supplied by Mr. and Mrs. W. Parsons brought the program to a close.

Lunch was served by the hostesses. Mrs. O. Darling, on behalf of the guests expressed thanks for an enjoyable evening. Hostesses for the next social evening will be Mrs. Simmermon and Mrs. Cockroft.

The Bible Study Fellowship group met at the home of Mrs. McRoberts on Tuesday.

Candlelight Turkey Supper

At the Turkey Supper at Sharon Church on Wednesday, November 8, the ladies were rejoicing because the dire weather predictions didn't materialise when an unforeseen catastrophe struck. The power went off at 5:10 when hungry people were arriving and food was soon ready for serving, everything was in darkness. One or two produced flashlights, a couple of candles were located, some went to phone Calgary Power while others went home for gas lanterns, kerosene lamps and auxiliary trouble lights.

Finally, the darkness was dispelled and everyone feasted in the romantic atmosphere thus created. In fact, it was suggested by the diners that we do this again next year. All were in favor but the cooks. Thanks to all those who put up with the inconvenience that evening.

Sharon Lutheran Church Women wish to express their thanks and appreciation to all those who attended the Turkey Supper and Sale of Handiwork. A special thanks to Mr. Hans Paulson for his gift of turkeys. Through these endeavours a splendid sum was realized for church and mission work.

An opportunity to express your opinions on

alberta colleges

Alberta colleges, including the role of the college within the community, will be the topic under discussion at a meeting of a minister's advisory committee in Vermilion early in December

Public input is invited on policy matters and specific issues from those directly or indirectly concerned – college students and staff, prospective students, parents, employers, community groups.

The Minister's Advisory Committee on College Affairs gathers information and makes recommendations to Dr. A.E. Hohol, Minister of Alberta Advanced Education and Manpower. Composed of college students and public members representing all areas of the province, the committee visits the various regions to obtain a first-hand report of local views.

The meeting will hear public submissions at the VERMILION CAMPUS OF LAKELAND COLLEGE on DECEMBER 1, 1978, from 10:00 A.M. to NOON. Individuals and groups wishing to appear are requested to contact by November 28:

ADVANCED EDUCATION AND MANPOWER

Looking Back

1935 was a bad year for Viking residents. In May of that year farmers were treated to approximately six inches of snow. Later that year, on November 20, one block on the east side of main street was completely leveled by fire, with the exception of one building.

The top left hand picture shows the great amount of snow in May of 1935. A traveller passing through Viking that day woke up and found his car literally snowbound. The picture also shows the laundry and in the right of that, the Chinese Cafe where the fire was to start some six and one half months later.

The top right hand picture shows a scene during the fire. The laundry and the cafe are already down in this picture. On the left is Runyon's Pool Hall in the process of burning and further north, the Hotel (not shown). On the right side of the photo is Graham's Implement Shed. Also leveled in the blaze were Hardy's Red and White Store, Laurie's Coffee Shop and the Doctor's Office. The only building left standing was the old opera house presently Gary's Auto and Farm Supply.

The bottom picture shows the scene from the top of the opera house the day after the fire.

Immunize!!!

Rubella. Each year thousands of 12 year old girls are immunized against the disease in a province-wide program delivered by public health authorities through Alberta schools. Rubella is better known as German Measles and most people think it is just a childhood disease. But if a woman contracts Rubella during the first three months of pregnancy, the growth and development of the unborn child can be seriously harmed.

In Alberta, Rubella vaccination is directed not only at Grade 6 girls, but also at women of child bearing age who have no natural immunity to the disease. The objective of the program is to reduce congenital Rubella Syndrome in the babies of women infected during the first trimester of pregnancy. It's simple to detect whether a woman has a natural immunity to Rubella: a family doctor can determine immunity by taking a blood test. If the immunity doesn't exist, a Rubella vaccination should be obtained from the local health unit.

In the mid-1960's, a Rubella epidemic across North America caused the deaths of an estimated 30,000 unborn children, and left some 20,000 more with serious mental or physical handicaps.

Today, vaccine is readily available to prevent this and other communicable diseases. But the diseases have not been totally eliminated and still present a threat.

Irma and District News

Four members of Irma U.C.W., Mrs. Marjorie Fischer Mrs. Mary Dempsey, Mrs. Orril Darling and Mrs. Edith Wilson attended the Women's Banff Conference on October 29 to 31. The theme of Wholeness was carried out by The Rev. Lois Wilson, President of the Canadian Council of Churches; Miss Nantawen Boonprasat of Thailand and Rev. Rod Booth who gave media and music leadership. This annual conference is always a tremendous experience in Christian faith, fun and fellowship and is recommended for women of all ages.

Oren Spring Passes

Mr. Oren Denzil Spring of Irma, only son of Elva and the late Peter Spring, passed away at the University Hospital, Edmonton, on October 22, 1978 at the age of 52 years, after a year of failing health.

Oren was born December 6, 1925, at Viking, Alberta. He was baptized the following August. In 1940, he was confirmed at Sharon Lutheran Church by Pastor J.B. Stolee.

Oren attended Coal Springs school and gave much pleasure to both church and school activities with his sweet solo voice. In later years he played the saxaphone. Except for the years Oren worked for oil companies and at a machine shop in Drayton Valley, his life centered around the family farm. On his father's death in 1971, he took over the farm responsibilities.

A number of neighbors remember with thanks how Oren gave a helping hand with chores when they were on vacation. Oren was a kind and gentle person, especially concerned for his mother's welfare. He will be greatly missed by relatives and friends.

Oren leaves to mourn his passing his mother, Elva, six aunts and many cousins. The funeral service was held on Wednesday, October 25, at 2:00 p.m. at Sharon Lutheran, Pastor Ray Niebergall officiating. The chosen hymns were: "Rock of Ages", "What A Friend We Have in Jesus" and "Beautiful Savior". Mrs. Mabel Reilan was organist.

Pallbearers were Ralph Erickson, Arnold Lien, Orville Likness, Jim Owens, Hans Paulson, and Gordon Hollinger. Interment was in Sharon Lutheran Cemetery, McLeod's Funeral Home in charge.

Blessed be Oren's memory to his many relatives and friends.

CARD OF THANKS

Sincere thanks to everyone who sent cards in my sad time. Flowers to the house as well as baking were very much appreciated, also the many memorial gifts. Thanks to Sharon L.C.W. for the lunch at the church, to the organist, Mrs. Mabel Reitan, the pallbearers and McLeod's Funeral Home for their part in the service. The message by Pastor Niebergall was deeply appreciated.

Mrs. Elva Spring

Freedom By Onesimus

During the Last Supper on the night before He was crucified, the Lord Jesus Christ said that He is, "the Way, the Truth and the Life; no man comes to the Father but by Me" (John 14 Verse 6).

This is an exclusive claim - to be the only "Way" to God. He clearly states that any other "Way" to God is a wrong path ending up nowhere! In John's gospel, our Lord makes many exclusive claims concerning Who He is and What He is able to accomplish in the lives of people.

Another of these claims is concerning freedom, a subject so much talked about in our day in relationship to "rights" and "liberation". He says, "If you are truly My disciples, you will know the truth and the truth shall make you free . . . every one who sins is a slave to sin . . . if the Son (of God - Jesus Christ) makes you free, you shall be free indeed". (See John 8 verses 31-36).

The freedom He alone gives, is the only real and satisfying freedom, for it liberates the person from all those moral and spiritual "chains" which drag a person down - the sin which separates a person from God and ultimately destroys him.

In Corinthians 2, the Apostle Paul gives a further aspect to this freedom which Christ gives. He speaks about a great and marvellous 'secret wisdom' that the Christian has through faith in Christ. Our faith rests not "in the wisdom of men but in the Power of God". This being so, God reveals to us a wisdom which had the "rulers of this age" understood, they would not have crucified Christ. But, "eye has not seen, nor ear heard, nor the heart of men conceived what God has prepared for those who love Him. God has revealed to us through the Spirit, Who searches everything - even the deep things of God." Paul says that the true disciple of Christ - the one made free by the Son of God - has "received not the spirit of the world (which is against God) but the Spirit which is from God . . . and we interpret spiritual truths to those who possess spiritual understandings". He concludes by saying, "We have the Mind of Christ". A great claim and a glorious truth!

What wonderful freedom to possess! To be one of His liberated children and to have the Mind of the Son of God! With such a standing in the Eyes of God, the true standing of Christ has everything he needs to discern and understand his present situation in this life. He also has a hope for the future, and a certainty that all will be well, for, "all things work together for good to those that love God and who are called according to His Purpose" (Romans 8 verse 28)

It is very certain to my mind that we all need this freedom for without it we are lost, bewildered and without God or hope in this life.

Do You Know The Bible Says

By Mrs. W. Myers

(Speaking of God the Father, the Holy Spirit, and Jesus, who the 3 in 1 form the Godhead)

John 4:24 says God is a Spirit. Jesus is God who came to this earth and took on a body, so He is the part of the Godhead who experiences the agony and suffering which was rightfully ours.

Phil. 2:6-8 says - Who being in the form of God, thought it not robbery to be equal with God: But made Himself of no reputation, and took upon Him the form of a servant, and made in the likeness of men . . . He humbled Himself, and became obedient unto death, even the death of the cross.

Col. 1:15-19 again points out the seven superiorities of Christ. Quote - Who is the image of the invisible God, the firstborn of every creature: For by Him were all things created, that are in heaven and that are in the earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by Him and for Him: And He is before all things and by Him all things consist. AND HE IS THE HEAD OF THE BODY, THE CHURCH: who is the beginning the firstborn from the dead: that in all things He might have preeminence. For it pleased the Father that in Him should all fulness dwell. End of quote.

The point I am trying to make here is that we as lost sinners must seek Christ. He bore our sins in His own body. He suffered agony for us. He became the sacrifice for you and for me. This was and is God's plan of Salvation for you and me and who ever else will repent of their sin and accept Christ and Him only as their very own sacrifice. **This is the only sacrifice God will accept. When we have Christ we have everything and we become a newborn babe in the family of God, ready to grow in grace and in knowledge of God.**

And this we do as we feed our hearts and minds on the Word of God (the Bible). He and He only is my hope for eternity with God.

Col. 1:27 Christ in you the hope of glory. Friend, this is worth your consideration.

The Weekly Review

Ph: 336-3422 *Viking, Alberta*

Pioneer Portrait By Carol Maxwell

Mrs. Damer Anderson

Life began for Agnes McLaren in Hawick, Scotland in 1894. She grew up in a rather affluent family home, complete with maid and in-door plumbing, and was well on her way in a banking career when the call to Canada sounded. The beckoning came from her boyfriend of some years. Originally they had dated in high school days, but he had now been in Canada for seven years during which time they had had an on-again-off-again engagement. Back in Scotland on a visit in 1922, Damer Anderson wished to marry Agnes and take her back to Canada. Mr. McLaren was adamant. No daughter of his was traipsing off to that ice and snow (to say nothing of the Indians and Eskimos) when she had her future assured in Scotland. However, he relented; that is to say, he gave her three months to think about it, and Damer sailed without her.

Three months later, Agnes sailed alone, and after docking at the east coast, headed West by rail. Damer met her in Winnipeg where they were married by another native Scotsman, and friend of the Anderson family.

The limited luxuries of rail travel were only a prelude to the shock which greeted Agnes when she arrived in Viking and for the next 25 years she struggled to cope with a way-of-life for which, she is sorry to admit, she was never cut out or prepared for. After a ten month stay on the Kennedy farm where Damer was employed, they rented a farm in the Alice Hill district. They had a two room house and it was there that Damer was pressed into keeping a promise made to her father. She got a piano. She is today, appalled at her own selfishness but at the time was quite content to have again one of the amenities of life.

Two daughters were born there prior to their move to the Woodville district, where they stayed until 1947. Mrs. Anderson can tell many a story of her green-horn approach to "farm-wifery" and marvels at the patience of her husband as he coped with her ineptness. Their family increased by two boys during their Woodville years, and tales of that time can be found in "Wheels to Woodville", published this year as a complement to their reunion.

1947 brought the Anderson family to town where they bought the Dray business. Mrs. Anderson was more in her element as she made the rounds collecting freight payments from local business people. So it was over those years she became so familiar with the people of Viking for whom she retains strong ties of friendship.

If one endeavour could best portray her community spirit and personal vivacity, it would probably be her participation in the Walkathon, back in 1969, when she made the 25 mile round-trip to Bruce to raise money for the community.

Her love of people, laughter and good times found a new outlet when Vialta Lodge opened in 1961. Every Saturday evening she would go there to play the piano, dance and visit. In 1972 she moved into the Lodge herself, and continued to be a constant organizer of fellowship and good times. Last spring she decided to move to the Tofield Lodge where she is closer to her family, but she remains a "Vikingite at heart" - Saturday afternoon found her back for the bazaar, renewing friendships and enjoying the companionship of those she has grown close to over the years.

Vialta Lodge News

Mrs. Loveseth and Mrs. Sarjeant visited Tofield Lodge last Tuesday evening.

Mrs. Julia Johnson of Camrose visited Mrs. Elness last Sunday.

Mr. and Mrs. Marvin Johnson of Camrose called to see Mrs. E. Johnson on Sunday afternoon.

Calling on Mr. Cotter were Bob and Pat Jones of Winterburn and Shirley Cook of Edmonton.

Mrs. R. Thunell of Camrose visited her parents Mr. and Mrs. O. Loveseth on Tuesday.

Mrs. Gwen Hooper of Holden called on her Mother, Mrs. Evans.

Visiting from Vegreville on Saturday were Mrs. John Lowe, Jessie Ziegler and Elaine and Jannette Ferguson.

Calling to see Dutchy on Sunday were Harvey Farrell and A.M. Campbell of Edmonton.

Mr. and Mrs. Zeigler attended their granddaughter's wedding in Vegreville on Saturday.

Nora Giertsen and Frances Jasman and Tracy and Sherrie Jasman came to visit Mother Rodwell and take in the Bazaar on Saturday, travelling all the way from Fort Saskatchewan.

We were pleased to have visitors from Tofield Lodge, Mr. Bergum brought Mrs Teasler, Mrs. Anderson, Mrs. Hjelter, Mr. Harrison and Mr. John Stauffer down.

Residents and Staff of Vialta Lodge would like to express sincere thanks to each and all who helped and donated in any way to make our Anniversary Tea and Bazaar on Saturday such a great success. Special thanks to our Auctioneer, Mr. M. Zowtuk, and his helpers as well. Thanks are extended to all those who braved the cold weather to come out. Congratulations to Mrs. Marie Pedersen of Vialta Lodge on winning the Quilt and Mrs. Jennie Lefsrud who won the Cushion.

We will have a Card Party on Tuesday, November 28, at 8:00 p.m. See you there.

We are pleased to have Mrs. K. Weder home from the hospital. Hello to Mrs. Hunt who is in hospital in Viking.

Exchange Student at Holden

Tetsu Tsukamotor is a foreign exchange student from Japan. He is staying with the Schaning family while he attends Holden School for the 1978-79 school term. While Tetsu is here he hopes to learn about our Canadian culture and to become more familiar with the English language.

Tetsu arrived September 7th at the International Airport in Edmonton. Clay and June Schaning picked him up and brought him to Holden to begin his stay in Canada.

Mr. Fornal, last year's principal, and his staf decided to accept an exchange student for the 1978-79 school term. In order to participate in an exchange student program the students have to pass an exam. In Tetsu's case, one thousand students took the exam and only ten were chosen. The exchange student has to be 15 - 18 years old, in high school and have average grades.

The Schaning family chose to take in an exchange student and they are receiving no financial assistance. They are finding the experience very rewarding. Tetsu's family paid his air fare and personal expenses but the host family provide room and board.

Sixteen year old Tetsu has lived in Kodaira City all his life. Kodaira City, a suburb of Tokyo, has a population of 100,000. Tetsu is the only child in the family. His mother is a teacher of English and his grandmother is a seamstress. In Japanese the name Tetsu means "philosophy".

Here at Holden School, Tetsu is taking Grade ten and eleven courses. In Japan he has completed one of three semesters of his grade eleven. When he returns to Japan he will continue with his grade eleven. The coures he is taking are: Drafting 10, Chemistry 20, French 10, Social 10, Physics 10, French 20, Chemistry 30, Math 20, and Physics 20.

Tetsu says that the people here are kind and friendly. He also enjoys Canadian food. His hobbies include playing the piano, the organ, and the flute and listening to modern jazz and classical music.

Having an exchange student in Holden will be a rewarding experience for all of us. It helps us to understand how hard it is to adapt to another culture when we don't fully understand the language.

ATTENTION COUNTY SUBSCRIBERS

The County of Beaver will no longer be paying for a local newspaper effective January 1, 1979.

TO ENSURE THAT YOU CONTINUE RECEIVING A NEWSPAPER AND SO THAT YOU WILL BE ABLE TO BE KEPT UP-TO-DATE WITH WHAT IS HAPPENING IN YOUR COMMUNITY, MAY WE SUGGEST A SUBSCRIPTION TO THE WEEKLY REVIEW. ALL PERSONS LIVING WITHIN A 40 MILE RADIUS OF VIKING CAN RECEIVE A 1 YEAR SUBSCRIPTION FOR $5.00 AND THE COST FOR PERSONS OUTSIDE THIS RADIUS BUT WITHIN CANADA IS $7.00 PER YEAR.

HERE IS WHAT YOUR SUBSCRIPTION TO THE WEEKLY REVIEW GIVES YOU:

- *A weekly, community newspaper which is concerned with serving the people within its coverage area.*
- *A weekly T.V. Report, listing the T.V. schedules and also giving a variety of other interesting services.*
- *Until January 31, 1979, a FREE entry for a trip for two to Las Vegas, courtesy of The Weekly Review.*

At approximately 10:00 a.m. on Saturday, November 18, fire completely destroyed the work shop of Wellsite Industrial located one mile south of Viking on Hwy. 36. Estimated loss as a result of the fire is in the neighborhood of $35,000.00. Some time of Wellsite Industrial turned in the alarm at 10:30 a.m. but was unable to reach the fire department until 10:30. Staff Photo

Grain Drying Applications

Application forms are now available for rebates under the Grain Drying Propane Rebate Program announced earlier this fall by Premier Lougheed. They can be obtained from district agriculturists and propane dealers.

The program applies to farmers whose grain drying fuel requirements could not be met by a rural natural gas distributor, and it provides for a 10 cents per gallon rebate on all propane purchased for the purpose of drying grain between September 1 and December 31, 1978.

To obtain this rebate, farmers must apply on an individual basis, and they must submit receipts for the propane they purchased between September 1 and December 31. Applications will be accepted up to the deadline date of February 28, 1979.

Further information about the Grain Drying Rebate Program can be obtained from district agriculturists or from the rural services division, Alberta Agriculture, 9718-107 Street, Edmonton, T5K 2C8.

Echo-Rodino Report

Mervyn, Loretta and Karen Knull of Leduc were home to help Les and Doreen Prosser celebrate their 26th Anniversary. Mr. and Mrs. Bill Taylor and son from Lloydminster were also down for the weekend. Joe Holt received recognition at the Remembrance Day Service in Irma for having the second highest marks in grade nine in the Irma School. Keep up the good work Joe.

Mr. and Mrs. Phil Holt travelled to Ponoka to help Josie's brothers surprise her mother on her birthday.

THIS WEEK

The Rodino Country Club held their meeting this week to discuss further plans. Their card game last week was a real success so they decided to hold another on December 5. With Christmas not so far away they hope everyone is thinking of something for the Christmas Party. After the meeting several of the members decided to go and surprise Cecil and Marilyn Lockhart as it was their 20th anniversary.

Marvin Prosser is still visiting at the Prosser home. At present he is convalescing after an operation on a pinched nerve in his arem.

Brave football fans who attended the Edmonton and Calgary game in Edmonton Saturday in the bitter cold were Claudia and Bob Williams. Hope you didn't get any frost bitten spots for souvenirs.

Get well wishes go to Florence Hollar who is once again a patient in the hospital.

Yvonne Greenwood arrived home from Vancouver, reporting that the weather was sunny and warm with people still cutting their lawns. While away, she spent a few days on Victoria Island where she visited her uncle, Tom Johnston and his wife Ada.

Mr. and Mrs. Les Prosser took in the Foster Parent Convention at the MacDonald Hotel in Edmonton over the weekend. They report there were several very good workshops held which they attended and learned many things that they can pass on to others.

Recreation Report By Colleen Walker

I Just Don't Have Time

Ever heard that? The statement "I just don't have time" is a very familiar and sometime over used phrase. When I hear or use that phrase, I often wonder if I just don't want to do it or actually don't have the time.

During my attendance at college, I remember one of my recreation courses where we focussed on time management. Of coure we heard lots of lectures on the topic but the whole idea came together when we were asked to keep track of our time for an entire week. "What a stupid idea" we thought as first. "Does he just want to find out how many times a day we go to the bathroom or is he just snoopy?" Regardless, everyone went home and proceeded to dutifully record activities hourly.

Sound kind of boring and just plain silly? Well, I agreed at first but after a week of recording my time, I started to evaluate my doings. I could hardly believe that I spent 3-5 hours a day in front of the T.V. Sure, half an hour at lunch, an hour before supper and a couple of T.V. shows in the evening, does add up to four hours. Sure, I need some leisure time, but four hours in front of the T.V. And what about that darned old phone? The phone is becoming a necessity in our modern homes, but conversation of 15-20 minutes, are they really good time management? Speaking of time management, where does plain old daydreaming fit in?

As you see, I soon became very critical of what I did and spent time to just evaluate time management.

I am not trying to say that everyone should quickly rush and get paper to keep track of their time, but I think everyone should think about how they spend their time and question whether it is well spent. Perhaps by being more conscious of time management, we might evaluate that old and misused phrase, "I just don't have time!", from our vocabulary.

Winter Programs

If you are interested in a winter program this January and February, please be reminded that now is the time ot say. It does take time to plan and organize all activities.

We like to hear from you. Call our office at 663 3730 and discuss your idea.

Senior Citizens

The "Dance All Night" was scheduled for this last Wed., November 22. A number of people have asked me whether our seniors will actually "dance all night". Well, I don't know, but if that's a challenge..... stay tuned to next week and find out if our seniors did dance all night.

Parkland Nursing Home

Greetings to our friends Mrs. Elmquist and Mr. Hrdlicka. Both are patients in the hospital.

Mrs. Gustafson was visited by Robert Gustafson, Ellen Izzard and Sandi Olsen.

Mrs. Ward enjoyed a visit with her family Rose and Pete Ward from Ryley and Holly and Joyce Teed from Holden.

Grammie Haeberle spent Sunday with her granddaughter, Judy Labreche.

Joe and Kay Kawalilak called on Mom Kawalilak.

Calling on the Starobas were Mr. and Mrs. Rose.

Remember our Tea and Bazaar is on Tuesday, November 28 from 2:30 to 4:00. Be seeing you then.

Plan now and save for Christmas shopping

Is it really too early to start planning for Christmas? If you want to keep control over your pocketbook and still enjoy giving at Christmas, you'd better get going. A well thought out Christmas list will do more for your family's budget than all the bargain hunting and last-minute hustle so many of us resort to in panic.

Here's how to plan and save. Start by making a list of everyone you want to present with a gift at Christmas. Beside each name, write down a budget limit -- or the most you can afford to spend for that particular person. Of course, the amount will depend on the person's relationship to you, his age, his interests, wants and needs. But most of all, it will depend on what you can afford. Many, many people forget this golden rule.

The third step is to total your expected expenditure. Be sure to include the cost of Christmas wrap and cards. Is your total in line? Can you afford to spend this much for gifts? If so, fine - if not, go back to square one and re evaluate.

Now that you have your budget under secure footing, you can now decide on an appropriate gift for each person on your list -- of course, keeping within your budget.

And don't forget, many of the items on your list will be cheaper now than after November 30. Buy now and save.

Mail deadlines announced

Christmas is fast approaching. If you are planning to mail cards and parcels overseas for the festive season, the Post Office asks that you please take note of the following rates and mailing deadlines. Or, check with your local Post Office to ensure your Christmas greetings are delivered on schedule.

First class airmail cards and letters to international destinations, excluding the United States, require 30 cents postage for up to one ounce. Christmas cards sent to the same points are only 23 cents if the envelope is unsealed, but must be identified as "Printed Papers" on the envelope. Overseas Christmas cards mailed at the surface rate of 15 cents for up to one ounce must also be endorsed "Printed Papers."

There is still time to send cards by surface to Great Britain, Northern Ireland and the Republic of Ireland. However, the mailing deadline for cards to these points is November 24.

Deadlines for mailing overseas airmail parcels to arrive in time for Christmas are also fast approaching. November 24 is the mailing deadline for Oceania, including Australia and New Zealand; Asia; Africa; Cuba; Haiti and the Netherland Antilles. For Europe, Argentina, Paraguay, Central and South America and the West Indies, the deadline is December 1. The mailing deadline for Great Britain, Northern Ireland and the Republic of Ireland is December 3.

Christmas cards and letters airmailed to Cuba, Haiti and the Netherland Antilles should be mailed before December 1. The mailing deadline of December 8 for cards and letters applies to Europe, Argentina, Paraguay, Central and South America, the West Indies, Africa, Asia and Oceania, including Australia and New Zealand. December 13 is the deadline for Great Britain, Northern Ireland and the Republic of Ireland.

Christmas cards mailed to distant points in Canada and the United States should be mailed before December 13. The deadline for in-town mailing is December 17. Parcels destined for distant locations in Canada and the United States have a mailing deadline of December 3.

All greeting cards mailed within Canada and the United States should be sealed. They may still be mailed at the 12 cent rate for up to two ounces.

CARDS OF THANKS

CARD OF THANKS

In the recent loss of our loved one, Lorne, we wish to express our deepest thanks and appreciation to all those who offered kindness and aid during our bereavement. The floral arrangements, cards, donations, and gifts of food were greatly appreciated.

Special thanks are extended to Rev. Theo. J. DeKoning, Dr. Fernando, the choir, Mrs. Wiles, the organist, Mr. John Webb, the soloist, the Pallbearers, the Ladies of the Royal Purple and Mr. George Crooker of the Vermilion Funeral Home Services. A very special word of appreciation is extended to all of our relatives, friends, neighbors and Lorne's many friends and business associates. Your kind words of comfort and thoughtfulness will always be remembered with deep appreciation.

Robert, Clara and Laureen Weaver, Barry and Laraine, Gary and Gloria, Victor and June, Dave and Sharyn, Wayne and Janice, Don and Brenda, Ralph and Sandra and families. 41c

CARD OF THANKS

We would like to thank the Maple Lodge Community for the Welcome Party and the gift. Ralph, Muriel and Cindy Hansen. 41p

CARD OF THANKS

The Viking Branch #81 of the Royal Canadian Legion would like to thank all those who took part in the Remembrance Day Services on November 11th. Also to the C.G.I.T. who took care of the Poppy canvassing in Viking and Kinsella, and all those places of business that purchased Wreaths of Remembrance. 41c

IN MEMORIUM

IN MEMORIAM

In loving memory of Louis Kabesh who passed away November 25, 1964.
Beautiful memories, silently kept,
We loved him too much to ever forget.

Area Artists

By Marlene Sinclair

Sheila Horen is a newcomer to the Holden district. She and her husband Harvey moved here three years ago. Sheila was born in Vegreville, but lived most of her life in Edmonton until she graduated with a B.A. in Art from the University of Alberta in 1969. She then taught in several places in Alberta and British Columbia before coming to Holden. They are living on the old Walter Leuhardt place, just north of the Bershiw Parish.

Sheila is an active artist and craftsperson. Some of the areas in which she works are pottery, leaded glass, basketry, pressed dried flowers, Ukranian Easter eggs, off loom weaving, quilting, clothing design, toys, macrame, and right now is extremely busy producing Christmas crafts. Sheila stressed that her philosophy of life is "make it yourself", one she says runs in her family.

Her maternal (Sam and Mary Geleta) and paternal (Annie and Bill Herne) grandparents came from the same area of the Ukraine to the Pinin Lake area, where they both homesteaded. When they needed anything, they made it. That tradition comes down through her family and is one she tries to keep. Sheila is always busy creating something, whether it be a straw wreath for Christmas or experimenting with fabric art.

She and her husband are organically farming a half-section of land, as well as raising goats, sheep, cattle, pigs and fowl. They experiment with growing things and are continually trying to improve their results.

Sheila enjoys creating things and gets her designs from nature and uses natural textures and colors, rather than plastic or prefabricated items, which she does not like. She plans doing a lot more weaving and learning how to spin.

They went out and bought sheep, so that she could start from the ground up. She also wants to try her hand at metal sculpture and wooden toys. One other thing she has in the back of her mind is the building of new furniture.

If you're interested in seeing some of Sheila's wares, drop into Joan's Cottage Crafts in Vegreville. It is located on Highway 16, just west of main street. You will be most delighted with what you see.

4-H Record Book Explained

On Friday, November 17, thirty members of the Viking 4-H Beef Club attended the third meeting of the year, which was held at the club room.

The meeting began with the singing of "O Canada". Curtis Quattlek lead in the pledge. The roll call was "what do you think your calf will weigh"?

Mr. George Reddick, our assistant leader gave us a few pointers on how a committee should set things up to make the job easy and faster.

Karen Theos was the winner of the record book, from last year. She gave us a very interesting explanation and demonstration on how to fill out the record book.

Mr. Art Willans then gave us an explanation of how he marked the record books and told us a few pointers on how to fill the record book in. Our club would like to thank Mr. Willans for marking the books last year and hope he has continuous success this year.

The record books are to be handed in at the first meeting of every month.

The price of feed was also decided on - 3 cents per pound for barley and oats, 2 cents per pound for hay and 10 cents per pound for concentrate. The calf was decided on - 83 cents per pound.

Couple Celebrates 25th

Raymond and Adele Rokos celebrated their 25th Wedding Anniversary on Saturday, Nov. 4th. The evening began at 6:00 p.m. with a mass where they renewed their vows and exchanged wedding bands. This was held at St. Martins Catholic Church in Vegreville with Father Paul Olagewski officiating.

Later family and friends gathered at the Chateau Dining Hall for supper and a dance.

The honored couple were seated at the head table with five of their former attendents; bestman Bob Rokos and his wife Mildred, bridesmaids Catherine and her husband Alex Lambouski and Ruth and her husband Fritz Munkedal, flower girl Eileen Bilyk, and ringbearer Barry Kropielnicki. Also seated at the head table were Adele's parents, Frank and Ann Kropielnicki, Master of Ceremonies Tom Kropielnicki, Adele's grandmother, Mrs. Mary Kropielnicki, and her godmother, Ann Daskevich and her husband Joe.

After supper Bob Rokos proposed a toast to the couple and Ray replied. Their eldest son Gerry presented the gift from the family and Darrel Albrecht presented the one from the community. Letters of congratulations were then read from Bill Filevich and Monsignor Filevich of Thunder Bay, Ontario and Mr. and Mrs. Ed Hryeyk of Waterloo, Ontario. The honored couple also received a phone call from California from their bestman Adam Budinski. After the program, dancing began. The music was supplied by the two family bands. The Rokos boys and the Wowk boys played and were assisted by Scott Reil and Shaun Sinclair.

Out of town guests from Edmonton, Olds, Warburg, and Yellowknife attended. Everyone enjoyed the banquet, dance and midnight supper, and still more dancing.

Ryley and District News

RYLEY LIONS CLUB: The Lions will meet on Thursday, November 23 in the Community Hall at 7:00 p.m.

REBEKAH LODGE- The Cavelle Rebekah Lodge will be having a Senior Citizens banquet on Wednesday, December 6, in the Community Hall at 6:40 p.m. Invitations will be sent to every Senior Citizen and spouse. We hope that no one will be missed, everyone over 65 years is welcome.

SENIOR CITIZENS - The Senior Citizens are having a bazaar, tea and bake sale on Saturday, Dec. 2, in the Senior Citizen Sunshine Club Drop-In Centre from 2 - 5 p.m. Many beautiful Christmas gifts will be available. Last Wednesday evening there was a nature film shown on Eastern Canada and British Columbia. These films will be shown every two weeks but the dates for the showing will have to be set when the films arrive. All films will be shown in the evening and will be announced later.

RYLEY-HOLDEN SEA CADETS - The Sea Cadets went to Edmonton last weekend and stayed in the Griesbach Barracks. They were given a tour of Namao and saw the Radar Tower, an Army Museum and films on survival. They went swimming, rollerskating, and enjoyed a special show at the Planetarium. Around thirty cadets were involved in the trip.

RYLEY SCHOOL- The Senior High Volleyball teams played at the zone playoffs last week - both teams lost. The Senior High Girls played at Rosalind and the Senior High Boys played at Consort. These games finished off their season. The Senior High Basketball teams are starting their Inter-School Basketball games this week. This should help them get ready for the Homecoming Game that is to be held on Dec. 2. This Homecoming is a yearly event and starts at 7 p.m. The Basketball Game will continue until 10 p.m. and then a Disco Dance will follow.

Last Friday the Staff men played the Senior High Boys Volleyball team and the teachers lost both games, but not from lack of support as all the female staff members rounded up some old cheerleading costumes and donned them to help everyone get into the spirit. Marlene Podoborony stated that they may have looked funny but they made a lot of noise.

Young Alberta Book Week; the Elementary grades are having a contest to see who can make the best book-jacket and bookmarks. They are also practising and getting ready for the upcoming Christmas Concert. This week the Public Health Nurse will be giving innoculations.

RYLEY BROWNINE - The Ryley Brownies are pleased that the Lions Club have announced that they will give the Brownies the hall for the rental fee of $10 per session and that the Ryley Legion will also help. The Brownies are meeting with all clubs of Ryley this week and they should have some definite information regarding a home for themselves by next week.

RYLEY CALORIE COUNTERS - The club will be holding a bake sale at Wood's Hardware on Thur. Nov. 30, from 2 - 4 p.m. to raise money for the Ryley Brownies. The Ryley Brownies are also having a Bottle Drive on Thur. Nov. 23, from 3:30 to 5:00 p.m. as one of four projects that they are allowed to earn money at and is to help raise funds for supplies. If you will not be home please leave your bottles at the back step.

Newcomers Banquet Held

by Marlene Sinclair

The Newcomers Banquet held last Thursday was a great success. There was approximately 200 people that enjoyed the meal and fellowship. The Master of Ceremonies for the occasion was Councillor George Knudsiten. He gave the welcome address and stated that this was the third such event that had been held in Ryley, the first being in the spring of 1975, the second in the fall of 1976 and now this one. The United Church Women have been instrumental in the organization of all three banquets - they have spearheaded each one, while all organizations in the Village shared in the preparation, planning and carrying out of each of these get-togethers.

The program was started with Ollie Manderson leading a sing song. She was joined by Ruth Munkedal and Janet Winses, with Janette Johnson on the piano. They led everyone in a short singing session and then Mayor Ed Albrecht gave the welcome from the Village of Ryley. Following this, Councillor George Knudsiten welcomed all newcomers on behalf of the County of Beaver. Bob Rokos then gave the Ryley Lions Club welcome, followed by Walter Stensrud on behalf of the Ryley Royal Canadian Legion. Mildred Stenarud gave the Ryley Legion Ladies Auxiliary welcome, with Ollie Manderson speaking on behalf of all the churches and inviting them to worship at the church of their choice.

Bea Wickstrom welcomed the newcomers on behalf of the Cavelle Rebekah Lodge, while Harriet Ruddy invited everyone to the Ryley Library. Murray Lyons gave the welcome from the Beaver Heritage and Agricultural Society and also gave each newcomer a free pass to the Ryley Swimming Pool as a welcoming gift from the Society.

In all 104 newcomers were officially welcomed to Ryley.

Bride-to-be Honored

by Marlene Sinclair

Debbie Budinski, daughter of Emil and Madeline Budinski and granddaughter of Willie and Annie Pope had a bridal shower held for her by Peggy Lyons in Peggy's home last week. Debbie is marrying Mel Boyda of the Andrew area on Saturday, November 25 in the Hope Lutheran Church in Edmonton. The reception will be held in the Mundare Recreation Centre. Peggy Lyons was to be her Matron-of-Honor but Peggy's waiting longer than expected for her first child to be born.

At the shower a special chair was decorated for Debbie, games were played and when it came time for the gifts to be brought in they were driven in by a cardboard replica of Debbie's van. As she opened each gift she made a wish for each donor.

Debbie is teaching in Tofield and living in Ryley. She and Mel are looking for a house to live in in this district, but have not found one as yet.

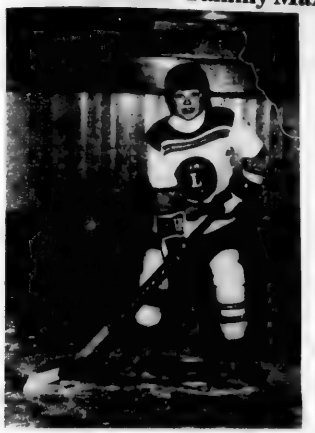
Supper only per person $4 12 & unders $2.50, pre-schoolers, free
Dance only - $2.50 per person

Profile: Tammy Maxwell



Something you don't see very often is a girl playing on a boys hockey team. But if you have ever watched a Tom Thumb game, the left winger for the Viking team is Tammy Maxwell, second oldest daughter of Cameron and Carol Maxwell.

Tammy is eight years old and has lived in Viking all eight years. She first became interested in hockey when she was four and after a year of figure skating, started hockey last year.

This year is Tammy's second season on the Tom Thumb team and she doesn't see any difference in the way the other players treat her. When asked how long she would play, she replied "I'll play until they won't accept me on a boys hockey team."

Besides enjoying hockey, she likes watching baseball respectfully when Dad is playing), playing baseball and football.

When asked what she would do after her hockey playing career was over, Tammy replied, "I hope it won't be for a long time yet."

We hope so too. Good Luck with your hockey, Tammy.

Bruce and District News

by Bea Fredericks

Don't forget to mark December 8 on your calendar. That's the night you can win your Christmas turkey at the Bruce Community Centre. (School) Bingo will begin at 8 p.m. and there will be fifteen games played. Tickets are $2.00 and extra cards are 3 for $1.00. There will be a draw on the advanced tickets.

The Bruce Agricultural Society Annual meeting will be held in the Recreation Centre on Tuesday, Dec. 5, at 8 p.m. Plan to be present to find out what is going on in the community.

Dorie and Bud Hammermaster picked a fine time to leave. They are off to Hawaii with Ellen and Ralph Hammermaster of Edmonton for a two-week vacation. How nice to escape the first onslaught of winter.

The dance sponsored by the Bruce Ball Club was well attended. The wives and mothers of the ball players served a cold supper at midnight, and Blue Suede Country provided the music. Bruce Kawallak, president of the Ball Club, reports that the affair was financially successful as well.

St. John's Lutheran Church in Vegreville celebrated its 50th anniversary on Sunday, November 19. Attending the special service were Lillian and Dan Teske, Joan and Irving Bablitz and Evelyn and Harold Hissett.

Leave your news items for The Weekly Review in the special box provided which is located in the Bruce Hardware.

Audrey Pratt and Paulette Erickson were in Edmonton on Saturday, November 18, to attend a 4-H Leader's Convention at the Four Seasons Hotel.

Vernon Pratt was this week's lucky winner of the cake raffled by the Women's Institute.

Holden and District News

For an enjoyable evening in Holden, plan to attend the Annual Carnival sponsored by the Holden and District Agricultural Society, on Sat. Nov. 25, 1978 at the Holden Community Hall. Supper is at 5:30 until 7:30 p.m. with the Variety Show from 8 until 9 p.m. with a dance to follow. Crowning of the Queen will take place at midnight. Supper and dance Tickets $12.00 per couple. Supper only $4.00 per person $2.50 for 12 and under with pre schoolers free. Dance only $2.50 per person. Refreshments will be available.

This Carnival is carefully planned to entertain all ages. The supper and variety show is great for senior citizens or any one who chooses not to dance. For young couples, babies and pre schoolers are free, therefore one does not need a baby-sitter. Dancing and the crowning of the Queen should be a must especially for all those taking dancing lessons at school.

Holden's Carnival Queen candidates for this year are four lovely young ladies and each hopes to wear the crown of November 25th. They are Audrey Halibut, grade eleven, age 16 years, Karen Chupka, grade twelve, age 17 years, Linda Mackay, grade 10, age 16 years and Diane Flynn, grade 12, age 17 years. The young girls are all selling tickets and would welcome your support.

4-H Girls Plan Bake Sale

On November 13, the Bruce 4-H Girls met for their regular meeting at the Bruce School. The project books on Metric Cooking were handed out and Lesson 1 was started. Miss Diane Lake, District Home Economist, showed a film and gave a very interesting talk on nutrition.

During the business meeting, a motion was passed that the Bruce 4-H Girls would have a bake sale on December 8, one hour before the Agricultural Society Bingo at the Bruce School. Coffee will also be sold during the Bingo.

The meeting was adjourned, followed by lunch.

Reporter, Joyce Lutz

Gas Kings Win Opening Game

The Viking Gas Kings skated to an easy 11 to 2 victory over the Looma Auto Parts on Saturday night in Viking. As the Gas Kings enjoyed only two practices prior to Saturday's game, their showing speaks well of the possible calibre of the team this year.

Viking started the scoring early in the first period when Ray Rattray connected at 1:26 followed a minute and a half later by Bruce Harray. Wes Jones made the score 3 to 0 at 11:16 when he moved in from the point to score. Nelson Kowalchuk made the score 4 to 0 for Viking by the end of the first, scoring his first goal at 1[illegible].

The second period belonged to the Gas Kings as they drove home five goals while allowing Looma their first. Kevin McGinitie started off the second period by scoring at 1:48. He was followed by Ray Rattray (5:30) and Nelson Kowalchuk (7:00) before J. Nelser of Looma managed to score at 8:29. Forty seconds later Blair Quinton netted the eighth goal for the Gas Kings. Nelson Kowalchuk scored his third goal of the game at 18:20 of the second period to give the Viking squad a 9 to 1 lead after two periods.

In the third stanza, Viking outscored the Looma team 2 to 1 on Kevin McGinitie's second goal at 4:10 and Murray Quinton's goal at 7:45. J. Nelser scored his second goal for Looma at 8:49, making the final score 11 to 2 for the Gas Kings.

In the early stages, the game was wide open and free wheeling. Throughout the game, the majority of the play was in the Looma end of the ice as the Gas Kings advanced on the Looma goal at will. Some excellent passing by the "Kings", coupled with the lack of consistent body play by Looma, provided the Gas Kings with many excellent scoring chances.

Although only 6 minor penalties were called, the game at times showed the signs of early season chippiness. However, any such displays were short-lived and easily over-shadowed by the fine passing and skating displayed by members of the Gas Kings. By midway through the second period, the short-handed Looma team realized its fate and both teams allowed the pace to slow considerably.

The Gas Kings would like to thank all of the game officials for donating their time and doing a fine job.

The next Gas King game will probably be this coming Saturday, November 25th, either against the Irma Aces or Beaumont. Either team promises to provide lots of action as they both have excellent players on their roster.

The Gas Kings are still in need of a coach or an assistant coach. Anyone interested is asked to contact Garry Howery.

Members of the Viking Gas Kings, in white, raise their sticks in the air immediately following the scoring of one of their eleven goals in their triumph over Looma on Saturday night. Staff Photo

Possible Winter Closure of Ryley Pool

The Ryley pool operated a full and varied program during 1978 at a cost of just over $40,000.00. This figure was included in the financial statement as given at the annual meeting of the Beaver Heritage and Agricultural Society held Wednesday, November 15.

Those in attendance also heard year end reports from the pool supervisor, the society president, the fair committee and farm family winner.

Ron Teske, pool supervisor, reported that a total of 11,593 people had utilized the pool for rentals, lessons and recreational swimming. The pool had taken in $22,496; the remainder of the operating budget was met through donations, swim-a-thon proceeds and lottery revenue.

In his year end report, president Murray Lyons noted the low figure for operation crediting it to sound management and hard work on the part of many individuals and especially Ron Teske as pool supervisor. Mr Lyons thanked all concerned for their willingness to give of time and effort. He also noted that a start had been made in school usage of the pool and hoped that this usage would continue in the future. In closing he mentioned that the operation of the pool complex is a demanding job and voiced his hopes that the local recreation boards would become involved in its operation.

Discussion was then open to suggestions from the floor. The question of the Agricultural Society's role in the planned Homecoming Weekend was brought up. To date, no specific activity has been assigned to the society, but the society has a representative on the planning committee.

Discussion then centered on a winter closure of the pool The outgoing board of directors are generally in favor of a closure because of a greatly reduced attendance and high operational costs during these months.

Nominations were then opened for the election of five members for the board of directors. Elected for the three year term were Ann Ewert, Janet Winses, Ines Reil, Walter Ewasiuk and Walter Weins. An organizational meeting was called for Tuesday, November 21.

Referees Clinic to be Held

On the weekend of December 2 and 3, the Viking Minor Hockey Association will be sponsoring a Referees Clinic at the Viking Canoa. The Clinic is open to anyone in the area who is interested in helping out the hockey program in their community by refereeing. As well, all players and coaches are encouraged to attend this Clinic in order to familiarize themselves with the rules of the game.

The Clinic will begin at 9 a.m. on Saturday with registration. There will be a $10.00 registration fee for the Clinic. The Viking Minor Hockey Association will reimburse this $10.00 fee to anyone who referees games for Viking Minor Hockey teams.

The Clinic consists of classroom sessions on Saturday with Rule Book interpretations and official positioning being the focus. Sessions are supplemented by C.A.H.A. films on officiating. On Sunday, an on-ice session will be included to better familiarize participants of official's responsibilities and positioning.

On Sunday afternoon a review session will precede the A.A.H.A. test which will qualify participants to referee hockey in this area.

All communities in our area are short of referees for both minor and senior hockey. This is your chance to participate and help out the sport in your area. Attend the Referees Clinic in Viking on December 2 and 3.

Curling Club Organizes

By Marlene Sinclair

The Ryley Curling Club held a dance on Friday, November 17 to open to curling season. They are now putting the finishing touches on the ice and expect to have a spiel this weekend, as well as hoping to have the kitchen completely renovated by this weekend.

The Curling Club have elected a new executive. They are as follows: President, Charles Magnesen, Vice-President Don Wagner, Secretary, Ona Strilchuk, Treasurer, Gertie Mizera, Draw Master, Bill Woods. This year many new ideas have taken effect. There will be a Farmers Draw in the afternoon two mixed nights are planned, a men's night and also a family night are set up. Everyone is welcome to curl up to three times per week for their membership fee which is $50.00 per person. This year the kitchen has been rented out to Sonia Booth who will have complete operation of the booth. There will be no need for the ladies to bring baking or to work in the booth. Curlers only need come and curl. If you're interested in curling this winter contact Bill Wood at 663-3550.

Serving the People from Ryley to Irma
Published every Wednesday at Viking, Alberta

WEDNESDAY, NOVEMBER 29, 1978 Volume 1 No. 42

The awards for most points in last summer's Holden Agribition were presented at the Holden Carnival on Saturday night. Joe an Doris Ogrodnick were presented with the family award, with Doris also receiving the award for the adult division. Greg Tkaczyk [center] won the award in the junior division. During the program John Batiuk, local M.L.A., presented Don Holtholm with a plaque in recognition of the Agricultural Society's contribution to the community. [More photos pages 2 and 12] Staff Photo

Holden's Winter Carnival Held

As this is one of the few opportunities for all the people of Holden and surrounding districts to come together in a social setting, the Winter Carnival, sponsored by the Holden and District Agricultural Society, held at Holden on November 25, 1978 was well attended.

Supper was a smorgasborg Guests began arriving at 5:30 p.m. and continued arriving right through until 7:30 p.m. during which time most of the tables were full.

Bill Dary was in charge of arrangements for the carnival but other people helped considerably. Cam Walden from C.F.C.W. in Camrose was M.C. for the talent show and Joe Watkins from Edmonton supplied the sound system. Linda Karenko kept things moving backstage. Many students from the elementary school supplied colorful postures of clowns that were used for decorations.

The hall was crowded. The show started a little late but the guests were treated to a variety program by some outstanding local talent and some of the audience were also lucky enough to win albums presented by C.F.C.W.

After a brief introduction of the girls running for Carnival Queen, the audience was treated to a song and dance routine by the East Holden Hillbillies. Cam Walden was wondering how a town the size of Holden could be divided into sections. When it was discovered the Hillbillies consisted of the Lutz family and some friends - the audience could understand the "East" in their title. Ukranian dancing was performed by Lori and Sindy Piwowar who also provided two songs each (one in Ukranian) on the program. Guitars, either played by the singer, a friend, or a family member, provided the accompaniment for songs sung by Anita Lemko, Dave Moddle, Joe Watkins, Leslie Hanson and Greg Erickson. A skit called "The Daily Life of a Paraplegic" was presented and "Stage Dance" was performed by Tina Tike who was imported from Shonts. Myrna Hisey sang "Peg Leg" and appeared on stage with all three legs a walking while Ron Bilyk treated all to an instrumental on the dulcimer. Young ones were delighted when Ernie and Bert from Sesame Street plus to pink piggys appeared on stage to lead them in the A B C song. Later, Charlie and His Angles who seem to have changed a mite from their T.V. appearances, did the hustle followed by a song and dance. Allen Zwierschke was the caller while two squares from the Beaver Square Dancers provided fond memories for some and enjoyment for others as they demonstrated for the audience the type of dances they are learning.

During the program John Batiuk, our local M.L.A. presented Don Holtholm with a special plaque in recognition of the Agricultural Societies contribution to rural communities.

Awards were also given to individual participants with the most points in last summer's Agribition. Greg Tkaczyk won the award in the junior division while Doris Ogrodnick was the winner in the adult division. The family award was won by Joe and Doris Ogrodnick.

Dancing which began at 10 o'clock was to the music of Johnny's Serenaders.

Public Meeting to be Held

Municipalities usually become active in planning to solve present problems, to avoid or alleviate anticipated problems, to take advantage of opportunities and/or to clarify the future development of the municipality. All of the above is true in Viking's case. The general municipal plan will essentially deal with concerns regarding present land use within the Town's boundaries and provide an overall framework in which future growth of the Town may be guided and directed.

WHO IS PLANNING?

The plan preparation will be under the direction of Boyd Oberhoffner of the Municipal Planning Section of Alberta Municipal Affairs. He will be able to draw upon other staff for technical support from both the Municipal Section and other sections and branches of Alberta Municipal Affairs.

To produce an effective and meaningful plan which will involve commitment on the part of many individuals working together, both in terms of being familiar with a substantial body of information and of being willing to participate in a positive manner. The planner is therefore working closely with the Town council and staff, other government departments, local organizations, and the general public through the Viking Planning Committee.

The Planning Committee members are Will Rushton, Ann Willmer, Eileen Brower, Selmer Hafso, Frank Morwood, Maurice Stephenson, Wm. R. Taylor, Bob Evans and Dick Morris. The role of the committee is threefold:

-to act as a liaison between the community and the Town's Planning consultants.

-to provide public input into the formulation and review of planning proposals and the planning document itself; and

-to facilitate a broader public participation within the community.

The structure of the planning committee is such that there is a group of people small enough to work effectively in a positive ongoing way with the project planners, and the composition ensures that public opinion is represented in a balanced and accurate way.

WHAT IS THE SCHEDULE OF THIS PROJECT?

It is envisioned that the adoption of the general municipal plan and the formulation and adoption of a new land use by-law will occur by next fall. The scheduling of the various phases of the plan preparation will be discussed in more detail in the next newsletter.

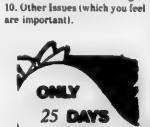
WHAT NOW?

To date, the Planning Committee has identified a number of important issues in the Town of Viking. Before proceeding to formulate goals and objectives of the general municipal plan, that is what should be, they would like to confirm and clarify those issues identified. For this purpose a public forum has been called for 7 p.m. on December 11, in the Town of Viking Council Chambers.

Should you or your interested group wish to submit a brief, please send them to the Viking Planning Committee, Town of Viking, T0B 4N0, by December 7. Please structure your brief according to the ten subject headings below. Deal only with those that interest you or your group. Please keep the length under 15 pages and indicate very clearly if the brief is being officially submitted by a group. The committee members will ensure that the opinions expressed in the briefs are seriously considered in the planning process.

If you are submitting a brief, please structure it along the following subject headings:

1. Land use (housing, parks, commercial, industry, community facilities, etc).
2. Urban Context (relation between land uses and other adjacent areas).
3. Pysical Constraints (topography, soil conditions, existing buildings).
4. Environment (water, air, noise, etc.).
5. Transportation (access, cars and parking, railroad, pedestrian movement, bicycles, etc.).
6. History (significance, character, preservation).
7. Economic and Development Policies (costs, jobs, phasing).
8. Social Factors (community needs, human factors).
9. Urban Design (view, scale, controls on new buildings).
10. Other Issues (which you feel are important).



Mailing Deadlines

Christmas cards mailed to points in Canada and the United States should be SEALED and include the post code or zip code in the address. Overseas Christmas cards mailed surface and air mail third class should be left UNSEALED. Christmas cards to all foreign countries including the United States mailed at the lower rate must be endorsed "Printed Papers".

RATES

Canada & USA - first class 14c
Canada - USA -third class 12c
Overseas-first class airmail 30c
Overseas-third class airmail 23c
Overseas-third class surface 15c

Cards for distant Canadian points and the United States should be mailed no later than December 13, and parcels before December 3, if they are to reach their destinations in time for Christmas. The deadline for in town mailing is December 17.

The deadline for air mail letters and Christmas cards both sealed and unsealed is December 8 for Europe, Australia and New Zealand and December 13 for Great Britain.

The final date for sending parcels air mail to Europe is December 1 and December 8 for Great Britain.

For further information about Christmas deadlines please contact the post office.

Let's Take The Bull By The Horns

Recently in our communities, incidents of vandalism have been discussed in various circles. These range from letting the air out of vehicle tires when people are attending social events to scratching vehicles with coins or nails. Some may feel that these are petty disregards for people's property. But are they?

The destruction or alteration of one's property is not a minor concern. If youth find themselves able to succeed in this type of vandalism, they may graduate to more serious matters. It is important that we, as a society, instil in our young people an honest respect for the rights and property of others. As individual members of society, it is our duty to see that this is achieved. The most important place where this can be accomplished is in the home.

Too often we, as parents, pass the responsibility for the conduct of our children onto others. We fail to spend the time necessary to properly instruct them in the basic values upon which our society is based. Then, when our children are caught breaking the law or causing trouble, we defend them at great lengths, thereby giving them reinforcement for their delinquent acts.

It is not the churches', or the schools', or the cubs', or the minor hockey associations' (to name but a few) responsibility to instil proper moral values or responsibilities in our children. They do have a part to play, but the greatest responsibility lies with the parents.

The time has arrived for responsible people to stand up to the blatant disregard which some people have for others and their property. Acts of petty vandalism must be brought before the courts in order to perhaps teach these youth some respect for others. If the courts refuse to decide cases in any "just" or proper manner, we must then bring our collective power, as citizens, to bear on the justice system in this province. The voice of the people is a powerful force.

Our hope is that such action will not be necessary. With a concerted effort by all parents to know what their children are doing, and to provide them with values that include a respect for others, these acts of vandalism should decline. If parents won't raise their children to be responsible citizens, pehaps we will have to work through the justice system to "straighten up" these young people.

The permissiveness which our society has experienced in the past decade in dealing with our youth must come to an end. If we hope to raise responsible citizens, we must all take the bull-by-the-horns.

Holden's Winter Carnival was highlighted by the crowning of their 1978 Queen, Linda Mackey, pictured above (center). She is surrounded by last year's winner Gina Hrabec on left and princesses (from left to right) Diane Flynn, Karen Chupka and Audrey Halabut. Staff Photo

What Is A Development Plan?

Work on the General Municipal Plan for the Town of Viking has already commenced. The plan is being prepared by the Municipal Planning Section of Alberta Municipal Affairs in conjunction with the Viking Planning Committee. This newsletter, the first in a series, will review the planning basis for the program and state what has taken place to date. Subsequent newsletters will be educational and informative about the various aspects of the General Municipal Plan and report the progress of it.

WHY PLAN?

Municipal councils have the power and responsibility to plan for the future. In their everyday decisions these councils manage and guide the common affairs of the community. But there are also decisions made by others - individuals, groups, businesses, industrialists, contractors - which affect the development and character of the community. The general municipal plan will assist council in co-ordinating the private sector decisions with those of the public sector in which it is traditionally involved. The plan also sets out policy which limits the necessity for councils to deal with each situation on an ad hoc basis. The policy is usually supported by implementation measures such as the land use by-law and by financial programs.

WHAT ARE GENERAL MUNICIPAL PLANS?

The general municipal plan is the primary planning document used at the municipal level in Alberta. Its principal function is to foster orderly and efficient land use development in a municipality.

The actual contents of a general municipal plan are only generally defined in the new Planning Act.

A general municipal plan shall(a) describe,

(i) the land uses proposed for the municipality and

(ii) the mannner of and the sequence proposed for future development in the municipality.

(b) designate the areas of the municipality that would, in the opinion of the council, be suitable for an area structure plan.

(c) contain such other matters as the council considers necessary.

The Act is worded in this manner to give municipality a high degree of flexibility in determining what unique local concerns should be addressed in their general municipal plan. Nevertheless, a general municipal plan is largely concerned with the physical development of a community and therefore should consider such matters as the location of different types of land use, the direction of future growth, the design of the transportation network and the level and location of utility servicing. In order to address these matters, certain information will have to have been obtained through background studies of current land use, projected population growth, economic base, availability of social services, transportation needs, etc. Once these studies have been completed, problem areas and areas with good development potential can be identified.

Although the actual physical development of a community is the major topic area, covered in a general municipal plan, attention must also be given to social, economic and environmental issues since any alteration to a municipality's physical structure will have a direct effect on these other factors. For example, the creation of a new residential neighborhood will have serious effects upon school enrollment, use of parks and recreation space, and demand for social services. The establishment of an industrial park can result in a spinoff of greater trade and employment in the municipality and also, if noxious industry is involved, lead to greater pollution of the environment. Therefore, a general municipal plan should be comprehensive in its investigation of community conditions even though any resultant policies in the final document will be specifically aimed at regulating land use.

Because larger, growing municipalities seem to gain the most benefit from long range planning designed to facilitate orderly development, the Planning Act, 1977 requires all incorporated municipalities of 1,000 or more population to prepare a general municipal plan (Sec. 59 (1)). Even if a municipality does not meet the population requirements of the Planning Act, 1977, its municipal council may still vote for the preparation of such a plan (Sec. 59 (2)

Workers Compensation

Changes to the Worker's Compensation Act affecting directors of corporations and family members engaged by proprietors will become effective in 1979. These changes, passed by the Alberta Legislature on May 16, 1978, are as follows:

Directors of a Corporation

Effective January 1, 1979, directors of a corporation will no longer be covered by the Worker's Compensation Act on a compulsory basis. Directors of a corporation are defined as "persons elected by the shareholders, whose names are recorded with the Registrar of Companies, and who are listed as such in the company's minute book".

Optional personal coverage will be available to directors of corporations as of January 1, 1979. Applications for optional personal coverage must be made for all active directors of the corporation.

Upon approval by the board, the persons included in the application are deemed to be workers in the industry named. Application forms have been mailed to all employers who have accounts with the board.

The minimum personal coverage available per person per annum is $7,608.00 and the maximum is $16,500.00

Compensation for persons who have obtained personal coverage will be computed on the basis of the amount of coverage approved in the event of an industrial accident.

The provisional rate applied to personal coverage is the same rate as that charged for other workers in the same industry.

MEMBERS OF THE FAMILY (Proprietors)

Effective January 1, 1979 optional personal coverage will not be available to the family of an employer when employed by him. However, family members of proprietors will be covered as workers of the proprietor when employed under a contract service.

All optional personal coverage for family members in effect at December 31, 1978 will be cancelled and coverage thereafter will be as outlined above.

Viking Rec Board Discusses Complex

The Viking and District Recreation Board held their regular monthly meeting on Nov. 21. The meeting was called to order at 8:00 p.m. by chairman Mr. Vern Hafso. Those present from the board were Georgina Nordstrom, Phyllis Lefrud, Robin Bittorf, Jim Jepson, Len Josephison, Vern Hafso and Brenda Weichenk. Those present from other clubs were Mrs. Jenny Bird and Mr. Ken Bird. Guest speakers were Mr. Bill Casey, Planning Consultant, Recreation Planning Branch, Recreation Parks and Wildlife, Edmonton, and Mr. Jim Singbeil, Recreation Parks and Wildlife, Vegreville.

The minutes were read by Secretary Brenda Wiechenk and adopted.

Business Arising from the minutes. The Committee that was formed to work on costs and location of the complex met with Jenny Bird, Vern Hafso and Jim Jepson present. Types of buildings were discussed eg. - Curling Rink, Meeting Rooms, Arts and Craft room and Bowling Lane or just one or two of the above. Locations- 1. near community hall area. 2. On site of old curling rink. 3. Centennial Recreation Park - Fair Grounds. 4. Some other location. All advantages of each site were discussed.

The chairman then introduced Mr. Bill Casey and Mr. Jim Singbeil. That afternoon they had toured the present recreation facilities and proposed sites. Mr. Casey stated that the arena - community hall site may become congested. Mr. Singbeil pointed out that the site by the arena may affect insurance greatly because of chance of fire to the whole area. They stated that bowling and curling are usually self-supporting once started. They then discussed available grants. Mr. Casey recommended the recreation board get in touch with our MLA for possible funding. Matching dollars can be partially met by donated labor and contractors within the community. They stated that is usually easy to come up with funds to build but hard to keep up with maintenance costs in years to come. Matching dollars can be borrowed but recommended against it because of such high interest rates. Culture grants are very sticky on Arts and Crafts rooms. Must have proper craft facilities before grant funds are realized. They recommend we get in touch with Mr. Nivel Sokol Culture Department, St. Paul for assistance in obtaining culture grants. Mr. Casey stated that we should find out what kind of financing the individual groups in the community are willing to put towards the complex.

We should also discuss with Council who is going to run the financing of the building. Then, organize a fund raising committee, promotion committee, planning committee - with one overseer co-ordinating body. Communication is very valid from all organizations. As we get closer to construction, establish written agreement from individual groups as to their financial involvement and future maintenance.

Mr. Singbeil stated that Bowling, usually requires one person to manage and set up schedules. He could also look after curling schedules. Mr. Casey then gave us a pamphlet on bowling facilities and a manual from the workshop that was held at Saddle Lake on arena management and ice-making. Both gentlemen volunteered their services in the future.

Mr. Singbeil stated that there has been some confusion about hockey referee clinics. He has the funding to pay an instructor $50.00 a day plus 21 cents a mile, accomodation and meals.

Mr. Hafso requested that correspondence from the Vegreville Recreation office be posted to the secretary of our board.

Mr. Casey stated he could supply us with a list of architects to choose from for hire on the complex.

The chairman then thanked Mr. Casey and Mr. Singbeil for coming to our meeting. Discussion then followed on Mr. Casey's and Mr. Singbeil's comments and recommendations.

Due to the high cost of land acquisition in the arena-community hall area and lack of space at present curling rink site for future development, it was moved that we recommend to the Municipal Planning Board we build our complex in the Viking Centennial Recreation Park. Carried.

Vern Hafso stated that he would be unable to attend the Regional Recreation meeting on November 24 and asked if anyone would be able to attend in his place.

It was stated that the meeting of the Municipal Planning Board in Dec. 11, They wish to have a brief from the recreation board pretaining to the Five-Year Master Plan and future recreation recommendations.

Correspondence was received from Mr. Reinhalt, Supt. of Schools informing us that funds previously set up in the Five Year Master Plan for school ground development are no longer required.

Correspondence was received from Mr. George Baker, Beaver Regional Recreation and Parks Board, stating that at their regular meeting of October 25, they discussed the possibility of holding a joint meeting of all councils and local recreation boards in some central place yearly. The board awaits a decision with interest so they can plan for a meeting in November or early December.

Moved that our Recreation Board is not in favor of participating in such a meeting at this time. Carried

Correspondence was received from Mr. Frank Morwood, Town Administrator, informing us there has been $1,340.00 realized from grants.

Moved that the project co-ordinator (municipal 50 per cent capital) grant of $600.00 go towards payment of the piano bought by Maple Lodge Community Association.

Moved that we take remaining monies if allow able by town council and put it in a short term savings plan.

Moved that the next meeting be held Dec. 12, 1978.

Do You Know The Bible Says

By Mrs. W. Myers

The devil also came out of many crying out, saying, Thou art Christ, the Son of God. He rebuked them and suffered them not to speak; for they knew that He was Christ. Luke 4:61.

Here is an instance where Jesus was healing the sick, and some of the sick were demon possessed. He laid His hands on them all and healed them, but the devils that came out of them knew and confirmed that Jesus was the Son of God. For they knew that He was Christ.

When Christ came on the scene the devils had to go. Another time in Luke 8:28, and Matt 8:29 they were confronted by Christ and they addressed Jesus as the Son of God. Read it. Satan was deceiving people in Jesus' day on earth just the same as he is in this day. Jesus recognized him for what he was, but today people are so blind and so reluctant to believe that satanic powers are at work that they can't understand why some things happen.

This awful slaughter that took place down in Guyana, South America last Saturday has aroused many to say how could such a thing be done, how could a mother spoon poison into her babies mouth and watch him die? How could people be so fascinated by a religion like that?

Satan uses the same technique to fool people as Jimmy Jones did. He mixes a portion of good works with his occult religion and as the cool aid tasted good and the people accepted it, so, they follow leaders such as Jimmy Jones and other false Christs to satisfy that yearn in their heart that God put there....that they would come to Him as the Supreme and Sovereign God and accept His Son as their savior. But this is what Satan is all about in our day and people will turn to just anything else but Christ. Do you believe that Satan is alive and working to keep people blinded and enslaved by many things to keep them from coming to Christ? He hates the name of Christ or Jesus, for that very name if breathed out in a penitant prayer will deny him of a soul he has tried to mislead. Jimmy Jones didn't have Jesus in his religion, Satan was his controller.

A.G.T. Installs 7000 New Phones

Alberta Government Telephones will have 1,000,000 telephones in service before the end of November 1978. The millionth telephone will be one of approximately 7,000 new sets installed this month by AGT.

AGT is the third largest telephone company in Canada, serving 730,000 customers in the province. Presently in Alberta there are 85 telephones per 100 population.

In the past AGT offered customers 4 types of telephones to choose from - all black of course. There were desk or wall sets, answer-only extensions without dials, and a variety of crank (magneto) telephones. Now residential customers can have telephones in ten colors and twenty-six different models, and business customers have dozens of different types of phones to choose from.

Initially AGT was formed in 1906 and 2 years later had 5,000 telephones in service after the Provincial Government bought the Bell Telephone System operating in Alberta and established the Telephone Branch in the Department of Railways and Telephones. Then in 1912 telephone operations were transferred to the Department of Public Works. Since 1958 the AGT Commission has been operating as a Crown Agency.

THANK YOU

Percy and Pearl Wilkie would like to thank everyone who supported them in business for the past 27 years. Percy and Pearl are pleased to have been able to serve the Viking area at the I.G.A. Foodliner.

They are also proud to introduce the new owners of the Viking I.G.A. Foodliner, Mr. Ron Mizera and Mr. Peter Lucas, and hope that all of their customers will continue shopping at I.G.A.

Peter Lucas

Peter was born in Ryley on July 6, 1930 and raised in Ryley on a farm. He married on July 4, 1953 and has three children, two boys and a girl. He has spent the last 23 years with Safeway - the last ten as meat manager in Camrose. He has also worked in Red Deer, and Dawson Creek stores. He is to fill the position of meat manager.

IGA®

Viking I.G.A. Foodliner

Ron Mizera

Ron was born in January, 1950 in Camrose and was raised in the Round Hill district. He married in 1968 and has two children, Kimberley who is 9 years old, and Dale, who is 6. He has worked 4 years for I.G.A. and 8½ years as Assistant Manager for the Wetaskiwin and Camrose Safeway stores. He will be the new store manager.

Profile: Vivian Hilliker

Mrs. Vivian Hilliker has been involved in Viking since she came to the area, though she insists she hasn't.

Vivian Runyon was born in Leduce, Alberta and moved to Viking with her parents in 1921. Mr. and Mrs. Runyon owned and operated Runyon's Pool Room and Barber Shop until the fire in 1935. Vivian herself worked in the Hilliker Bros. Store after she finished school.

In 1930, she married Kenneth Hilliker, her Boss' son. They had two children Lyan and Brock.

Vivian was very involved in the Viking United Church Women's group where she held every office except pianist. She also held offices in the Eastern Star Lodge and led the C.G.I.T. group for a number of years.

But, a lot of her time was spent travelling with her husband. He was the Viking Band leader for a number of years, and when the band travelled, Vivian went with it. She also enjoyed watching her husband curl, and went with him when he was a member of the team that made it to the Alberta Brier.

Since her husband passed away in 1968, she has developed a love for bridge, spending many hours enjoying the game. She also takes a keen interest in the activities of her young grandson Troy.

Vialta Lodge News

A most pleasant evening was enjoyed on Friday when members of the A.C.W. came and served ice-cream and cake for supper, then at seven o'clock Mrs. Lefsrud showed slides of her trip to Peru. After which the ladies served birthday cake and tea and coffee to all. During lunch they all sang Happy Birthday to Mrs. Sheets and Mrs. Johnson who celebrated their birthdays this month. Many thanks ladies for your thoughtfulness.

Saturday afternoon Mr. and Mrs. Ziegler, Mrs. Suddaby and Mrs. Rodwell motored to Vegreville to attend the United Church Women's tea and bazaar.

Several of the ladies were out on Tuesday to help Mrs. Beamish celebrate her birthday.

Mrs. Rodwell and Mrs. Austin were among those who went out.

Mrs. Sarjeant enjoyed a trip to Camrose on Wednesday.

Our greetings to Mrs. D'Arcy and Mrs. Hunt who are at present in the hospital.

Myron, Irene and Maurice Pasnak of Holden called to see Mr. Tchir also Nick and Ann Tkaczyk of Edmonton.

Visiting Mr. Cotter during the week were Shirley Cook, June Millard and Adelle Jones of Edmonton.

Doris Likness and Alva Spring of Irma called on Mrs. Elness. Ruth Likness visited on Sunday afternoon.

Calling on Mrs. Sorenson from Birch Hills, Saskatchewan were Candice, Lane Carrie and Angela Sorenson.

Also visiting at the Lodge were Jim and Olive Grant of Killam and Olive Good of Holden.

Mrs Ferguson is visiting with her family at Vegreville for a few days.

Carl and Wilfred Helgeland of Camrose called on Mom Reger.

Visiting Elmer Johnson were D. Person and D. Johnson

David, Gail and Kay Roddick were in to visit uncle Fred Roddick.

Mrs. Haugen had her two daughters Gladys and Goldie in for a visit also going out for supper with them.

Parkland Nursing Home

Hello to Mr. Hrdlicka, Mr. Finnemore and Mrs. Elmquist who are patients in the hospital at the present time.

Mr. Cotter of Vialta Lodge came over to visit his many firends.

Calling on Mrs. Tchir were Mr. and Mrs. J. P. Millar of Seattle, Washington.

Mrs. Kawallak enjoyed a visit from her family - Joe, Kay and Betty Kawallak and Betty and Anne Gaisinas.

Elizabeth and Clarence Marineck visited with Mrs. Cochriel and Mrs. Clegg.

Nick and Ann Takaczyk of Edmonton and Irene, Myron and Morris Paanak from Holden called on Mrs. Tchir and Mrs. Pasnak.

Because of a flue bug - our tea and bazaar date has been changed to December 5. We apologize for any inconvenience this has caused. Please keep this date in mind - Tuesday, December 5 - from 2:30 until 4:00. Also raffle tickets are still on sale and can be purchased at the Home.

Pioneer Portrait By Carol Maxwell

Oscar Holmberg

Mr. Oscar Holmberg has been an active member of the Viking Community for many years. A native of White Rock, South Dakota, he came north with his family in 1906. The railroad ended at Daysland, so they came cross country to their homestead southwest of Viking. That trip took two days not because of distance but lack of "road signs" and they became lost. A recent prairie fire had, however, made location of survey stakes an easier task, and they were able to get their bearings.

Oscar attended school at Cromer, but following that, except for two courses at Calgary Technical School, stayed on at the farm which he eventually took over from his father. Running his mixed farm did not, however, occupy all of his time.

For a number of years he was the mailman on R.R.#3, the southwest route. Most of the year, the 35 mile round trip was made by car, but part of the winter made horses necessary. With a change of horses midway, the route could be completed in roughly eight hours, depending of course on the number of more lengthy stops. For a mailman meant more to a farmer than a portable mailbox. He might, for instance, need his radio battery charged, and with a farmer on most every quarter the visiting time could easily add up.

The Iron Creek Mutual (the rural phone company) originally had 32 subscribers when Oscar's father served on the board. This grew to 63 by the time underground cable was laid, and for 36 years, Oscar served as lineman. Repair work on a rural line was a never ending job, and with one line out of order, service was disrupted for up to 14 households. (That was when a party-line was exactly that, as everything you said was party to the whole community!)

In agricultural oriented affairs, Oscar was kept busy as well. He served on the Co-op board for 15 years. He was secretary of the Farmers Union and also of the more recent Unifarm. Prior to the N.A.D.P. management of the creamery, Oscar served on the board of the Co-op Creamery.

The original Holmberg homestead remained Oscar's home over the years, and although he retains ownership, he now lives in a neighboring farm house.

Kindergarten Korner

The Viking Kindergarten has been a hub-hub of activities the last few weeks with the pupils learning about "Pioneers". They learned the construction of a log cabin (all in playdough), transportation of food and in general anything pertaining to pioneer life.

The students learned how to make butter by shaking a jar of cream until it turned into butter. Thank you to Ron at the N.A.D.P. Creamery for donating two quarts of cream. Next they saw bread being made - from scratch - and watched the yeast process, the mixing of the other ingredients and the kneading of the dough. Thank you to Mrs. Lawes (Wednesday) and Mrs. Thomas (Thursday) for the most delicious bread.

Last Tuesday and Wednesday were the official pioneer days at the Kindergarten. The students put on a dinner and invited all the moms and dads. Many parents came to sample the" stew, lastily cooked by Mrs. Bercik (Tuesday) and Mrs. Lancaster (Wednesday). Thank you ladies.

The highlight of the day was homemade ice-cream. Each student helped crank the ice-cream maker. Thanks to the Roddicks for lending it to us. Many were surprised to see the mixture actually turn into ice-cream. It was very delicious. We thank our expert ice-cream makers Mrs. Maxwell (Tuesday) and Mr. and Mrs. Nordstrom (Wednesday).

On Thursday and Friday, Mrs. Jenny Lefsrud came to the school to talk about her days as a pioneer girl. Her interesting information was enjoyed by all. Thank you Mrs. Lefsrud.

Let us hope this will help our children realize and understand what their gandparents endured in days gone by

Kindergarten Meeting

A belated first general meeting of the kindergarten was held on Thursday. Discussion was held on the Christmas party and we decided to have it on the 15th of December with both groups attending all day. We also were informed that the Christmas concert will be held December 20 and 21 with both groups attending both of these days. December 20 is the students dress rehearsal and December 21 is the parents day to come and enjoy all the productions. December 19 will be a regular day for Tuesday students while there will be next school for the Friday students on December 23. Notices about this will be sent to all parents.

We also distributed lists of days of supervision to all the attending parents. The rest will have to be sent by mail.

Then the many interested parents sat back and listened to Mike Miles, our guest speaker. He is from the Parent Resource Unit. To start the evening he had all the parents do an informal survey of each other - to get acquainted. He spoke on Parent involvement.

The evening ended with coffee and squares. The next meeting is planned for early in January. Our main topic then will be the construction of a tire playground. By Dawn Hodgins.

Holiday treats for season's sore feet

Whether queuing up at counters or rushing from store to store, holiday shopping sprees can take the twinkle out of anyone's toes.

To keep shoppers in step with the hectic holiday pace, the foot care experts at Scholl suggest these tips for treating seasonably sore feet:

- Bundling up in heavy winter footwear can restrict a foot's natural movement, so be sure boots fit properly. Leave some room for toes, arches and ankles to flex and "breathe." The extra space also allows warm air to circulate and helps keep out the cold.
- Be comfortable during rounds of shopping by slipping thermal cushions or fleecy insoles inside boots or shoes. Scholl's Sheep Wool Fleece insoles, for instance, contain layers of foam and fiber to block out chilly air, and sheep's wool to warm and cushion feet all day long.
- Take time to rest while shopping. Standing all day long can cause strain in legs and back as well as feet—and take all the fun out of choosing gifts.
- At home, freshen tired feet with a fragrant foot bath: just add Soap 'n Soak crystals to warm water to soothe and relieve achy muscles.
- Another way to put tired, swollen feet back into circulation is by raising and resting them above the heart level.

This season, comfortable gift shopping starts at the bottom, with happy holiday feet.

Betty Naslund received her Bachelor of Education at the fall convocation of the University of Alberta on November 25th.

Betty is presently employed by the Lac La Biche School Division. She is the daughter of Mr. and Mrs. Carl Naslund of Viking.

The Pencil Box

A Commercialized Christmas

Once again millions of TV viewers and Torontonians were subjected to the commercialism of Christmas on Sunday, November 5th.

Eaton's Santa Claus Parade was magnificent in its splendor of floats and bands. Indirectly this extravaganza cost the consumer hundreds of thousands of dollars and took a year's work to assemble. The animated floats were Santa's friends from Mother Goose Land and many Disney characters. The bands rendered lilting renditions of Jingle Bells, Frosty The Snow Man, and Rudolph the Red Nosed Reindeer. Each province was honored by having it's flag raised high, but Christ's birth was ignored.

It amazes me that the descendents of Timothy Eaton, the founder of Eaton stores, who in his lifetime refused to sell tobacco on his premises, could so blatenly bring in the Christmas season without any acknowledgement of its Christian beginning.

By Marjorie Orscheski

Jackass Corner

When taking a holiday trip, have you ever encountered a place that you felt a certain kinship with? I have and I'm not so sure I'm happy with the relationship. I'm speaking of a little place in British Columbia called "Jackass Corner". It all started during the Easter holidays, April 4, 1969 when Ridge and Agnes Gilpin, Harold and Jean Place, their two children and Alf and I with our two, embarked on a motor trip to Victoria, B.C.

It was with high spirits that we crammed the trunks of two cars, ours and Harold's with far more luggage than was necessary. The day was sunny but crisp. Snow still covered the countryside and the frozen sloughs still revealed the tracks of snowmobiles. Consequently, the thoughts of seeing the daffodils, crocuses, tulips and all the early spring flowers already blooming in Victoria, along with the break from the hum drum of daily routine, created a mounting desire to get started on our way.

The first day of travelling was uneventful apart from the fact that we discovered that the main attraction for the children were the A & W Drive-ins and every other hamburger stand along the way. We took the Yellowhead Highway through Jasper. The snowy peak of Mount Edith Cavell stood out in all its majestic glory. The mountains always give me an awesome feeling for they seem to be forever changing and yet are always the same.

We spent our first night in Valemont, B.C., in a lovely motel. We had a very refreshing night's sleep in the exhilarating mountain air, which was just as well, for the second day almost turned into a nightmare.

As in most cases, situations that often arise are caused by human error and it was no less so in this case. I must admit I had a part in the one we found ourselves in. However, Jean Place was right along with me. It's always nice to have company even in a clear case of stupidity.

It was our custom to change around passengers between the two cars from time to time so that the same people weren't together all the time. At the particular time of which I am to relate, Agnes, Jean, Karen and I were in our car with Alf at the wheel. Harold with the rest of the crew was driving ahead of us in his black Chrysler. Sometimes other cars got between but generally we managed to stay together and we each kept a look out for the other.

Everything was proceeding according to schedule. We were enjoying the scenery and company, happy that we had left the snow of Alberta behind. When the Ashcroft sign with "Museum in large letters came into view, the car in front of us turned in. It was black, I was positive it was Harold's so I quickly spoke up and said: "Turn in here, Alf, there goes Harold. They must have decided to go in to see the museum."

"I really don't think that was Harold", replied Alf, "He is two cars up ahead."

"No, he turned in", declared Jean and I in unison.

"I don't think that was Harold's car", said Agnes in a quiet, hesitant manner.

"Oh yes, it was", we declared.

"The kids are waving to us through the read window," I said and Jean agreed with me. After all, we should know our own kids.

Alf, much against his better judgement drove into Ashcroft. As it wasn't very big, we should have no problem finding the other car. We didn't find it or the museum but we did see a different road back that would bring us out to the highway further along and perhaps gain us some time. "I think I'll take this road out", said Alf. "Maybe we will be able to catch up to them quicker."

Continued Next Week.....

Palliser Wheat Growers Criticize Wheat Board

President of Palliser Wheat Growers Association, Mr. J. Wright, said, "If the United Grain Growers is any example, non-Board feed grains are not congesting the primary elevator system. U.G.G. has 100 elevators in Southern Saskatchewan. Only 3 have reached the 20% limit allowed for non-Board feed grains in a single elevator. Less than 5% of the total capacity of its elevator system is used for non-Board grains. That is only half the 10% allowable by regulation. Since August 1, country stocks of non-Board grains have ranged between 4.1% to 5.04% of available country elevator space in Western Canada."

A number of commodity groups were advised last Friday in a meeting with Wheat Board Minister Otto Lang that only 20 of the 3,729 country elevators are congested with non-Board feed grain (18 in Manitoba, 2 in Saskatchewan).

Mr. Wright emphasized, "Before feed grains can be blamed for congesting the system, a lot of questions must be answered. For example, how many elevators have reached their limit? What is the ratio of 'non-Board' to 'Board' purchases of wheat, oats and barley? Why were the companies not given rail cars long ago to move their non-Board grains to customers?"

According to the Palliser President, stocks in store at Thunder Bay were at 51% of capacity on November 14 (46% wheat, oats and barley, and 5% rye, flax and rapeseed).

Of the wheat, oats and barley stocks, 13% was 'non-Board' feed grain and 33% was 'Board' grain. Thus non-Board feed grains (at 13%) and non-Board rye, flax and rapeseed (at 15%) are well below the 80% figure alleged by Saskatchewan Transportation Minister Gordon MacMurchy.

Mr. Wright stated, "The current lack of grain movement off the prairies is not a railroad problem. The railroads are presently booked at only 50 to 60% of capacity to Thunder Bay, and only 40 to 50% of capacity to Vancouver." Due to recent floods no traffic is moving to Prince Rupert (CN cars are being diverted to Vancouver).

"Neither cars nor motive power are the problem", Mr. Wright continued, "the problem is that the Wheat Board has not programmed greater movement. This in spite of the fact that there are 45 boats either in port or expected by November 27 at Vancouver, and Thunder Bay is only weeks away from being closed. If this situation is not remedied immediately, wheat growers will lose more millions of dollars by way of lost sales."

Merle and I would like to express our sincere appreciation to the doctors and nurses and staff for the care given me in the Viking Hospital. Special thanks to Dr. Moffat and then to Miss Jaap, Bernie Delaney and Bill Girous during the trip to Edmonton. Words do not adequately express the heartfelt gratitude we feel for the many kindnesses shown us by Pastor and Mrs. Koop, Pastor and Mrs. Able, our family, relatives and neighbors during my stay in the University Hospital. Special thanks to Roger and Elaine and to those who babysat our grandchildren enabling our children to come and all those who helped in any way. Thank you so much for the visits, the beautiful flowers and lovely cards and for the many prayers on our behalf. Everything helped so much toward my speedy recovery. May God reward and Bless each one of you.

Sincerely
George Merta

Swinging Beavers Club

Monday evening, November 13, the square dancers gathered at Bruce and had a very enjoyable evening dancing to the calls of Murray Few of Edmonton. He taught us some new square dance calls and mixers. There was quite a good crowd and everyone had a wonderful time. Next Monday night our caller is to be Allan Zwierschke.

On the evening of November 18, club members and several friends gathered in Ryley and paid a surprise visit to John Thomasen who has been our club treasurer for several years. He had just completed and moved into a beautiful new home. There was between 35 and 40 people who joined in the evening, although it was a cold evening.

Allan Zwierschke who is so generous with his time and talents brought his records and we initiated John's new basement by square dancing until lunch time.

President Brian Westman cost, presented John with a lovely clock for his living room and best wishes from all of us. We hope that he will have many happy years in his new home. It is also hoped that he would keep on making sausage at the butcher shop.

John thanked everyone for the gift and for coming and invited us all to come again.

Recreation Report By Colleen Walker

This week I received a phone call from a lady with some comments that I really appreciate hearing. She mentioned that perhaps I am a little too brief in describing the courses in my column. Sometimes I am too brief. I guess I expect you to read my mind. The point is, I appreciate hearing from you be it either criticism or approval.

I encourage everyone to write, call in, or phone our office with suggestions. Hopefully, you'll find me easy to talk with and I can objectively take comments. So, take the time to talk with us, we do appreciate it.

NEW SECRETARY

This last month our Regional Recreation Board regretfully accepted the resignation of our secretary, Mrs. Maureen McKernon from our department. Maureen has been with us for over a year and we are sure sorry to see her leaving. We'll miss her cheery personality and her pleasing outlook on everything.

Maureen will be moving to Edmonton. Best of luck Maureen in your job. May the next office appreciate you as much as we have.

DRAMA CLUB

There will be a meeting of the drama club Tuesday, December 5, 8:00 p.m. at the Holden Theatre. Business of this meeting will be to discuss and select a play to be presented this spring.

SENIOR CITIZENS

DANCE ALL NIGHT

The "Dance All Night" for senior citizens was held last

I would like to thank the Tofield Golden Age Club for all their help in making the evening such a success. Thanks also to our bus drivers: Jim Ingram of Tofield, Doug Woods of Ryley and Tom Harray of Viking. I hope everyone had the good time I had.

P.S. I have an assortment of shoes and coats left over from the evening. Anyone missing anything?

DETAILS, DETAILS,

These are approximate details of our winter programs subject to change. Please keep this in mind when reading.

Area Artists

Mrs. M. D. Stutzman weaves gorgeous rugs and has been since 1908. This was when her family obtained their first loom for the large sum of $5.00. The loom is now about 100 years old and considered an antique. It is a Deen Steel Automatic Flying Shuttle and watching her operate it, you can see it has an apt name.

Mrs. Stutzman was born and raised in Iowa and took care of her parents until their death. She was then weaving rugs in her spare time. Twenty years ago she became the second wife of Mr. Stutzman and she moved to the Kingman area from her brothers in Goshen, Indiana. They lived on the farm in the Kingman area until ten years ago when they retired and moved into a house in Tofield. When the new lodge opened a year ago, they moved in and are enjoying it.

When Mrs. Stutzman first arrived here, she and her husband did custom rug weaving but found that it was harder because the rags they used were not prepared the way they needed to be, thus they decided to do all the work themselves and sell the finished product. Their rugs are widely known among the Mennonite population and are very popular. I am sure that when their clients hear that they have recently sold the loom, they will be saddened.

David Donaldson, a Mennonite in the Beaverlodge area has bought the loom and plans on using it. When asked why they decided to give up the loom, they said "Papa is 92 and Mama is 88 and they decided it was time to retire.

Mr. Stutzman is the oldest resident living in the Tofield Lodge. He was born in Milford, Nebraska and came to Alberta in 1911. He and his first wife had their first two children in Nebraska and their other three were born here. He farmed in the Kingman area from the time he arrived in Alberta, until he retired from farming. The Stutzmans belong to the Salem Mennonite Church and are active members there.

The Stutzmans rugs are well designed and made, and are very reasonable. They have obtained most of their material from a niece that is on staff at the Prairie Bible Institute. Whenever the institute had a rummage sale, the Stutzmans were the recipients of all the leftover goods. They would divide the material into colors, weight, and synthetics and then prepare it for weaving by cutting it into even widths and sewing these strips together. At this point, Mrs. Stutzman started operating the loom and would produce a rug a day. The rugs are very colorful and durable. Although rug making has taken a large part of Mrs. Stutzman's time, that is not her only talent. She makes and designs beautiful quilts as well. She is very busy at the lodge helping with the quilting going on there.

The Stutzman's rugs are almost a thing of the past in Tofield, but if you are interested in looking at or buying one, the Hearthstone in Tofield still has a few. By Marlene Sinclair

The Coyote - An Asset and A Problem

PART II - A PROBLEM

As the coyote population increased in recent years, the coyote predation on livestock also has increased. This is where the coyote has become a nuisance rather than a pest as named by a 1974 legislation passed by Alberta Agriculture. A nuisance under this act of legislation means that the coyote may be controlled where damage or the threat of damage exists. The damage which occurs usually resulting in a loss of life to the animal and a loss of money to the livestock raiser. However, the loss of mature cattle may occur if the cattle are attacked by a coyot pack and a single animal is then herded away from the herd and killed by the leader of the pack which is usually a very large and powerful male.

Although the livestock raiser suffers the greatest losses of coyote predation, this is not the only problem which the coyote creates. Also as the coyote population increases in an area, the loss of deer, rabbits and birds usually results in the sportsmans complaints of very little game in an area. This then leads to a complaint going to the Alberta Fish and Wildlife division, which states that the "coyote" as a predator, is over predating resulting in a decrease of game, and also a complaint that something should be done about the coyote. This leads no methods of controlling the coyote which is dealt with in part III - Control of the Problem Coyote.

PROGRESSIVE FARMING

James B. MacKay
Dist. Agriculturist

Bill Brass - Asst.
Dist. Agriculturist

A little tax planning between now and the end of 1979 could save you many tax dollars and leave you more money for family living or farm investment.

Tax planning or management necessitates assessing needs of the entire farming operation. Unfortunately, many of us think that tax management merely means filling out our income tax return before April 30 or getting the final line of the tax form to read zero! However the important thing to remember from the point of view of tax management is to maximize income after tax; not to minimize tax obligations.

If your only objective is to reduce your taxes, you will end up reducing your income and/or assets as well. For example, if you spend $2000 to purchase unnecessary farm supplies to save $500 in taxes, you will have tied up $2,500 that could have been generating more income and could have been used to improve your farm operation. It is possible to direct a farming operation towards achieving both personal and business goals by looking at the aftertax financial effects or production, marketing and tax strategy alternatives.

If your objective is to maximize your after-tax income, you should know before December 31 what your potential tax liability is going to be so that you can take the appropriate action. You will need to know the amount of income already generated from your business as well as your farm expenses. This should give you total income and expenses to date. If your farm records are in good shape, this should be easy. If your records have been neglected, it may be the most difficult part of tax planning. Remember, a good set of farm records is very important, not only for tax purposes, but for helping you assess your operation's strong and weak areas, and for obtaining credit.

If your objective is to minimize your tax payable within the provisions of the income tax laws, you should be aware of the general provisions of the Income Tax Act and the strategies available for tax planning. If you do not have a specific course of action in mind, or if problems arise, you should acquire the information you need regarding tax implications from a tax advisor and/or Revenue Canada.

When determining your potential taxable income and the tax strategies that would be useful for your operation, you should follow these steps:

1) Determine which method of reporting your income for tax purposes you are using. Revenue Canada allows farmers to report their income by the cash method or by the accrual method. Most farmers report their taxable income by the cash method because it allows them greater flexibility in adjusting taxable income levels. With this method, income is reported when it is received and expenses are reported when they are paid. With the accrual method, income is reported when it is earned and expenses are reported when they are incurred.

2) Ensure that your calculated potential taxable income is correct. Double check your calculations to be sure that:

a) only interest has been deducted as a cash expense on loan payments. Payments on principle are not deductible.

b) government subsidies on rebates that were received are reported as income for this year, even if they were designed to reduce expenses or to compensate for losses in previous years.

c) loans received are not included as income

d) tools and equipment purchases for more than $200 are reported as capital assets

e) all small expense items are included

f) the business portion of expenses is included. Remember that a quarter of house maintenance and utility expenses and up to two-thirds of car expenses can usually be deducted as business costs.

"The Financial Management Package", available from district agriculturists contains a worksheet which is designed to help farmers calculate projected farm income and expenses for income tax planning.

Once you have determined what your projected taxable income is likely to be, the question to consider is: Do you want to adjust it or if so, in which direction?

To decrease net and taxable income, you might consider the following strategies:

i) make payments of account payables (i.e. pay off fertilizer, fuel and feed company bills)

ii) buy fertilizers and chemicals that you intend to use next year. To be eligible as a tax deductible expense, fertilizers and other chemicals must be delivered and paid for before the end of this year.

iii) buy and take delivery of prepared feed, fuel and other supply items that will be required next year. They too must be paid before December 31 to be eligible as expenses.

iv) pay wages to your children if they worked on the farm. The wages should be reasonable for the children's ages and the work they carried out.

v) postpone some product sales or income until 1979. This is relatively easy to do with grain by using deferred delivery tickets. In the case of livestock, you could sell on an account receivable, which means that you dispose of the livestock, but do not receive the money until next year. However, since the person buying the livestock probably wants to use the deduction, it may not be easy to sell animals this way.

vi) buy machinery if you are going to need it next year. You may as well use the capital cost allowance deduction on your 1978 income as wait until 1979. If your purchase is eligible, you can also use the 5 per cent investment tax credit, (7½% in special designated areas) to reduce your 1979 tax payable.

vii) you could increase your charitable donations or political contributions within the regulated limits to reduce your personal income.

The following strategies can be used to increase net and taxable income if you want to claim previous business losses or to ensure that you use your personal exemptions.

i) purchase farm supplies on supplier credit

ii) sell livestock or feeds before the year end

iii) sell grain inventories

iv) use the livestock inventory adjustment provision. Farmers who have livestock, and who file their income on the cash basis, can add to their year's income any amount up to the fair market value of livestock (except the basic herd) on hand at the end of the taxation year. However, the value added to this year's income must be deducted as an expense next year.

Other strategies such as the purchase of a registered retirement savings plan or registered home owner's savings plan can be used to reduce taxable income in the long run. However, they require planning ahead. Still another strategy is five-year block averaging, which can be used to level out earnings over a period of five years and reduce the total tax burden.

In looking at tax management, you should assess the needs of the entire farming operation. It is important to keep in mind that what is advantageous for someone else may not necessarily be good for your situation. Keeping good records can tell you what you specific situation is and can be used to reveal which tax alternatives are best for guiding your farm business towards economic and personal goals.

Echo-Rodino Report

Claudia Williams along with the two youngest members of her family have spent the week away from home.

A bale hauling bee was held for Claud Hollar this week as he has not healed from his previous fall.

Ray Johnston spent a few days in hospital this week. This also was the result of a fall which Ray had taken sometime ago.

Harriet Faulkner motored to the city Friday with her daughter Dorothy White to see Bill McFarlane who is at present a patient in the W.W. Cross Hospital in Edmonton.

Victor Carter has taken some time off and made a trip to the Dawson Creek area with some of the Hutterite boys from the Mixburn colony.

Mr. and Mrs. Robert Hollar spent one day in the city on business.

Get well wishes go out to Ivy Mollier who is in hospital.

Village of Ryley Council Meeting

A regular meeting of the Council of the Village of Ryley was held in the Council Chambers on Monday, November 13, 1978 at 7:30 p.m. with Mayor Albrecht, Councillors Andrukow, Brown Kerlee and Kope and the Secretary Treasurer R.C. Hovland present. Others present were as follows:Mr. John Batiuk, Mr. John Jeffrey, Town Foreman, Garry Larson, Dale Booth and Allen Heilsen.

The minutes of the previous meeting were read and adopted and then minutes of a special meeting were read and adopted. After the accounts were approved for payment, items of concern were presented to Mr. Batiuk for his kind consideration in which Mr. Batiuk would obtain some information at his earliest convenience.

A special report was then given by Councillor Kerlee on the Development in the Village. It was later brought to the attention of the Village Council that there should be an extension of Curb and Gutter on 54th Avenue, east of 49th Street. Moved by Councillor Andrukow that the Village prepare the necessary By-law for the extension to the Curb and Gutter Program and that it be advertised as required. Carried.

A letter was then read from the Alberta Municipal Affairs advising of the appointment of Mr. Lloyd Johnson as Assessor for the Village. Moved by Councillor Kope that the appointment of Mr. Johnson be accepted and approved. Carried.

A letter was received and read from the Beaver Regional Recreation and Parks Department concerning the holding of a joint meeting of all councils and recreation boards in some central place to be held during November and possibly early December to discuss some common problems. Moved by Councillor Kerlee that the Village Council go on record as being in favour of holding such a meeting and that the Beaver Regional Recreation and Parks Department be advised of their approval. Carried.

Various lot purchases and building permits were discussed and then the next regular meeting was scheduled. There being no further business to be taken up at this time, Councillor Andrukow moved that this meeting be adjourned at 12 midnight. Carried.

What's New in Ryley

Peggy and Ron Lyons are thrilled with the arrival of their new daughter Jessica Ellen, born to them on November 22, in the Edmonton General Hospital. She weighed 7 pounds and 2 ounces. Both mother and baby are doing well. They arrived home on the 26th.

Mrs. Pauline Slywka passed away in the night on November 15th in Edmonton. She was an old time resident of Haight and for the past several years made her home in Edmonton. The funeral was held in the Park Memorial Chapel on November 20. She was buried in the Evergreen Memorial Cemetery in Edmonton.

Danny Manderson has been travelling all over Alberta taking in the District fall forums of Unifarm. He is getting and giving information to farmers regarding grain transportation and government intervention in farm policy. Last week he was in the Peace River District and this week he is going to Westlock and Namao.

Bruce Booth is home from Quesnel, B.C. to stay until he and Grace leave for Australia which will be in the middle of January. They will be visiting their sister Jeanne and her husband Martin Strahan. Jeanne and Martin are now on missionary work in the Solomon Islands. They are working at the Mission Hospital at Atoifi on the Isle of Malaita. This is quite a primitive island. We should get some interesting stories from their trip.

Gunner Oslund is in the University Hospital for a minor operation and should be home soon.

The Ryley Homecoming is set for July 20, 21, and 22, 1979. The next meeting of the Homecoming Committee will be held in the Legion Hall on Monday, Dec. 11, at 8:00 p.m.

Holden and District News

The Lutheran church Women will hold a Tea and Bazaar and Bake Sale on December 9, from 2 until 5 p.m. in the church basement. Everyone welcome.

Former Holden girl, Sharon Lemko Bohaychuk of Edmonton, won the Queen Elizabeth award in a course in Medical Dicta Type. Sharon obtained 98 per cent in this course and was honored at a Banquet at the Jubilee Auditorium. She was also presented with a cheque in the amount of $150. At present, Sharon is employed in the Professional Building.

Mrs. Telka Sroka of Holden passed away at the age of 93 years on November 22, 1978. Mrs. Sroka came to Canada in early 1903 and homesteaded with her husband twelve miles south of Holden. She remained there until 1963 when they moved to Holden. Her husband, Anton, passed away in 1955 on Christmas Eve. Mrs. Sroka enjoyed good health until recently. Mrs. Sroka is survived by four sons and one daughter Mike and Louis of Vancouver, Victor of Renfrew, Ontario, Joe of Holden and Mrs. Nellie Kaluzny of Holden. Mass of Christian Burial was held Saturday, November 25, at St. Gregory's Roman Catholic Church, Holden. Rev. J. Sienko and Rev. T.S. Rataj were celebrants, interment followed in St. John the Baptist Polska Cemetery. Park Memorial Ltd. Funeral Administrators and Directors (Vegreville)

Miss Linda Mackay was crowned Holden's Carnival Queen on Saturday, November 25. The next candidates were Audrey Halabut, Karen Chupka and Diana Flynn.

Ryley and District News

LIONS CLUB - The Ryley Lions Club general membership has agreed to rent the Ryley Brownie pack the Community Hall for the sum of $10 per night. The Lions Christmas Party for members and their wives will be held on Saturday, December 16th. A New Year's Eve Dance is also being planned, no details as yet.

RYLEY POOL NEWS - The Ryley Swimming Pool will be closed for the season on December 10th. If you want to get some swimming in it will have to be before then.

RYLEY SCHOOL NEWS - The Elementary School will be holding a Christmas tea and concert on December 21st, in the afternoon. The band will play and carols will be sung. Plan on attending. More information will be forthcoming. The Junior High Volleyball teams are doing well, both boys and girls won their games over Tofield last week when they played them at Ryley. On November 29th, they will be playing against Holden in Holden, then on December 6th, they play Viking in Viking. The Junior High Volleyball tournament will be held in Ryley on Saturday, December 9th. We would really like to see all you parents out for this. The kids need your support for this final event.

SENIOR CITIZENS- Remember the bazaar, tea and bake sale on December 2nd there will be a lot of Christmas present ideas for you to choose from.

Educational T.V. at School

Did you know that Holden School has closed circuit T.V.? Educational television programs broadcasted by ACCESS can be taped and used when most valuable. The teacher decides which programs would be useful.

Our Library Clerk tapes them and the tapes are ready for use whenever they best fit the cirriculum. When a time is set for replay, the video is put on the recorder in the library and it appears on any television set in the school. This method makes it possible for educational programs to be used when most valuable in our studies. All broadcasts used by Holden School originate from Alberta Education's TV and Radio Communications Corporation.

In appreciation to our Subscribers for the tremendous support, The Weekly Review is please to offer to our subscribers the opportunity to

Kinsella News Items

Congratulations to Mr. and Mrs. Hank Welch who were married on Saturday, November 18, at Hillspring, Alberta. An Open House and Dance was held on Friday, November 24, at Kinsella.

Recent visitors with Mr. and Mrs. Jack McKie were Jack's sister, Isabel McCallum of Vancouver.

Visiting with his parents Mr. and Mrs. Allan Barker, were Jamie Barker and wife Peggy and their two boys from Didsbury.

Also home were Brian and Ron, Richard and Penny Davis, spending the weekend. Richard also found time to get in a little hunting.

Isn't it dissapointing to open up the paper on a Thursday and find there is no Kinsella news? Anyone having news for the paper please phone Barbara Davis at 336-2354 or Jackie Pederson at 336-2527.

Don't forget Diaking has started for another winter. Tuesdays and Saturdays are set up for you to enjoy. See you at the School at 8 o'clock.

Eleven members of the Kinsella Senior Citizens travelled to Tofield to join in their "Dance All Night" and report having a fabulous time.

Cathy Pederson, now employed with Gainer's Ltd., spent the weekend at home.

Lucky ticket holders for the November Recreation Raffle were 1st - Don Haydon of Kinsella and 2nd - Cecil Lockhart of Irma.

Following the evening church service on December 3, there will be a Social honoring Mr. and Mrs. Clarence Horinek.

Kinsella Seniors News

On November 22, several Kinsella Senior Citizens boarded a bus driven by our own Tommy Harray and went to Tofield to attend their "Dance all Night". We stopped at Viking and left there with one "young" man standing, as we had 35 passengers. We stopped at Bruce but their bus had all they could handle so our friend from Viking sat on the steps the rest of the way. Coming home, four of the Viking group rode in Ed Evans car as he had driven up.

When we arrived at Tofield, a few minutes late the dance was in full swing. I believe there were 90 Seniors from Edmonton present plus large numbers from each of the groups in the County of Beaver.

They showed slides of the South Seas which some of our group took time out to watch. Some of us whose legs aren't what they used to be played cards throughout the evening, but by far the largest numbers were dancers.

The music was very good and also very lively and the agility of the ones on the dance floor would have surprised their grandchildren. The floor was full of dancers as soon as the music started and stayed that way.

After lunch consisting of mountains of sandwiches and numerous plates of squares, slices and coffee served by Tofield, the Edmonton group left for home and the rest went merrily back to dancing. A number of them would literally have "danced all night".

Our thanks go out to the Tofield Golden Club for a most enjoyable evening.

Car Accident Near Irma Claims Two

A two car collision three km. east of Irma claimed two lives on November 27. Dead are Adrian A Leroux, 25 years of age, of Edmonton and Peter R. Brandt of 56 Street in Camrose.

Constable Ashdown of the Wainwright R.C.M.P. reported that the two vehicles met head-on while rounding a curve at approximately 6:00 p.m. Mr. Leroux was the sole occupant of a 1977 Ford stationwagon and Mr. Brandt was alone in a 1977 Dodge Monaco.

Constable Ashdown reported that both men were pronounced dead at the scene by the coroner.

Rosegarland W.I. Notes

Eleven members answered the Roll Call of "A Favorite Recipe", at the regular meeting of the Rosegarland W.I. held at the home of Irene Hafso on Tuesday, November 14th, at 8:00 p.m.

Mrs. Edith Gunn, Constituency Convenor was welcomed as she made her annual visit to our branch. In her talk this year, she gave a clear verbal picture of the founding of the Women's Institute in Stoney Creek, Ontario in 1903. Mrs. Hoodless felt that the standard of homemaking in rural areas should be raised through education for it was her belief that "A nation cannot rise abouve the highness of its homes". With the help of Erline Lee who agitated for sewing to be taught in schools, she organized the Women's Institute. Their aim was to work toward (1) the betterment of domestic economy; (2) architecture - heat and light; (3) health; (4) music and art; (5) floriculture; and (6) education.

The Women's Institute is now world-wide with a membership of 8,000,000.

To conclude, Mrs. Gunn encouraged the members to further their education by taking courses offered through the government agencies. Education sets no limit on age in our present society.

The business part of the meeting included plans for our annual Christmas party to be held on December 12.

Donations of money were voted towards the A.W.I. office fund and the Olds Disaster Fund.

The election of officers for the 1979 year was chaired by Mrs. Gunn resulting in the following executive.

President-Erline Soddaby, Vice-President - Verna Ellison, Secretary - Margaret Hill, Treasurer - Merle Weder, Sunshine Committee - Jean Brook, Pearl Rodwell and Olga Skoney, Publicity - Irene Toverud, Directors - Molly Place, Marion Haugen, and Irene Hafso.

There will be no meeting in December. A hearty vote of thanks was extended to Irene Hafso for her four years as President. By Irene Toverud

Learning Problems Vision Problems

A Toronto vision specialist has challenged Canadian parents and teachers to help in the early detection of vision related learning disabilities. Dr. Dennis Bader, a Toronto optometrist specializing in children's vision, says early identification of symptoms of vision difficulties is a major factor in succesful treatment.

Recent studies have shown that 40% of all grade school students fail to reach their academic potential due to vision handicaps. "Simply knowing that the learning problems is, in fact, a vision problem," says Dr. Bader, "is a major step in enabling parents, teachers and others to understand the child's difficulties and help him avoid further physical complications and mental frustration." Symptoms of vision disabilities, often responsible for behavioral problems as well as learning difficulties, are relatively easy to identify if a parent or teacher knows what to look for. But Dr. Bader warns that traditional vision screening methods generally used by schools fail to detect the problems of meny school children. Parents and teachers are often misled, he said, into assuming a child has no vision problem because he or she gets a 20/20 rating on a Snellen Chart.

Such physical symptoms as reddened eyes or lids, excessive tear production, itching eyes or complaints of headaches in the forehead and temples, particularly when related to desk work or reading, indicate the need for a thorough professional examination. Other symptoms may be detected by observing a child's behavior. Does the child turn his head while reading across the page, or lose his place often, or use a finger or marker to keep his place? Is his attention span unusually short while reading or copying? Is his eye hand coordination poor?

Speaking to a regional conference of optometrists in Toronto recently, Dr. Bader, formerly a teacher of Pediatric Optometry and Learning Disabilities at the University of Waterloo School of Optometry, said that improved recognition of these easily identifiable symptoms by parents and teachers should be the aim of the optometric profession.

He called on fellow optometrists to follow recommendations by The Canadian Association of Optometrists (C.A.O.) which ask that children in the bottom third of their class have complete eye examinations. Both Dr. Brader and the C.A.O. also recommend eye examinations for all pre-school children to catch vision deficiencies.

A pamphlet on how to detect possible vision problems in children is available, free of charge, to interested parents, as well as teachers, from the Alberta Optometric Association, 441 Tegler Building, Edmonton, Alberta T5J 0T8

The Homemaker

By Diane Luke, D.H.E.

CHRISTMAS IS NEAR

As the Christmas season fast approaches our thoughts turn to entertaining ideas. This year you might like to try making some of your own party nibbles. Popcorn is always a popular choice or you might try...

CORN-NUT SNACK
1/4 c. butter or margarine
1 Tablespoon curry powder
2 Teaspoons onion salt
1/2 teaspoon ground ginger
6 cups bite-sized corn squares
2 cups mixed nuts
1-3 oz. can chow mein noodles
1 cup raisins

In a 13 x 9 x 2 inch baking pan, melt butter in a 275 degree oven, remove pan from oven. Add curry powder, onion salt, and ginger, mix well, stir in cereal, nuts and chow mein noodles until coated. Bake, uncovered at 275 degrees for 30 minutes. Cool, add raisins. Makes 11 and a half cups.

REMINDERS

We are busy taking registration for skill courses. You are not registered until you pay your fee.

TOFIELD - Upholstery. Learn to reupholster a piece of furniture. Preliminary meeting - January 26. Classes - February 12 to 15, 10:00 a.m. to 3:00 p.m. Class limit - minimum 8, Maximum 12.

Our Apology

The Weekly Review would like to apologize for the lack of Irma News in this issue of the newspaper. Apparently the bus which delivers the correspondence from Irma and District writers, failed to leave the news items at the bus depot in Viking. Watch next week's paper, as we will endeavour to publish all the items at time.

Merry Christmas

Filled with a happy holiday glow knowing we have so many good friends! Thanks all!

Viking Wins Opening Game

Viking Tom Thumbs [in white] are elated as they score one of their nine goals against Irma on Saturday at the Irma arena. Staff Photo

On Saturday, November 25, Viking's youngest hockey players, the Tom Thumbs, travelled to Irma for their first game of the 1978-79 season.

Making their hockey debut on the Viking team were: David Winter, Orin Maxwell, Robert Kamphius, Mark Rushton, Bradley and Bart Hodgins, and Corey Haeberle. Completing the team were: Jason Clouston, Corey Biddiscombe, Robin Naslund, Jack Hebert, Tammy Maxwell and Barry Voltner.

In Irma's line up, we found a number of new names which included Jason and Jody Cottell, Stacey Larson, Ron King, Davey Larson, Shannon and Sheldon Archibald, Glen Gwinn, Donald Lukens, Trevor Copeland and Dwayne White. Irma had a total of nineteen young men dressed for the game.

The game got underway at noon, with coaches Voltner and Larson encouraged their young players to do their best. Viking opened the scoring early in the first period and went on to score another 3 while Irma found the net only once during the period.

In the second, Viking scored another two and Irma got their second goal. In the final period, Viking again outscored Irma, three goals to two for a final score of 9 to 4.

Scoring for Viking were: Jason Clouston 4 goals, Orin Maxwell 2 goals, Tammy Maxwell 1 goal, Barry Voltner 1 goal, and Robert Kamphius 1 goal.

Goal scoring for the Irma team was handled by Stacy Larson, Leslie Creasy, Davey Larson and the fourth goal scored by number 18 (name not listed).

Viking Teams Doing Well

This year's volleyball season has gotten underway with a very good start. The girls and boys teams have defeated all other teams in the county which includes Holden, Ryley and Tofield teams.

The players for this year's Viking Girls team, coached by Mr. C. Pon are Connie Meakins, Roxanne Petras, Lynn Naslund, Tracey Midbo, Valerie Vitek, Donna Jakubec, Darry Babiitz, Elaine Rozmahel, Bobbie Massey, Melanie Fouts, Theresa Lysgaard, Sindy Piwowar, Lynn Makar, Valerie Selzler, and Lisa Lang.

The boys are once again have the makings of a fine year under the coaching of Mr. P. Pon. The team consists of Mike Hoffman, Scott Brower, Victor Sloboda, Doug McKie, Graham Wilkie, Greg Klein, Donna Wilkie, Greg Klein, Donald Hudson, Neil Gillard, Geoff Stephenson and Kenny Cikaluk.

All teams must be played once again before the tournament. The tournament will be held in Ryley on December 9th this year at which time the County Champs will be decided.

Murray Quinton [l] and Glen Kinnick [r] have just installed a Fleming and Gray double stone precision skate sharpener at the Viking Carena. They plan to operate the sharpener from 4:30 to 5:30 p.m. and 7:30 to 8:30 p.m. Monday to Friday and from 1 p.m. to 2 p.m. onSaturday. Skates can be dropped off at Globe Footwear. Staff Photo

Irma Chamber Honors Newton Family

Mr. and Mrs. John Newton - our 1978 Farm Family were honoured at the last general meeting of the Irma and District Chamber of Commerce.

Mr. Eric Eisner, President of the Chamber of Commerce, presented the Newton Family with the annual trophy recognizing the Newton's outstanding contribution to our community, and gave this minihistory of the family.

Mary Newton (nee Dootson) was born, raised and educated in and around Irma. John moved into the Irma area in the early 1950's working initially for Robert Dempsey. His winters were spent working at lumber camps, but John's heart has always been in farming. It was not surprising then, that shortly after their marriage, the Newtons decided to buy their own farm.

Blessed with four children, Bill, Anita, Randy and Karen, the Newtons have developed strong family relationships. Being very community minded, they have involved themselves in the Agricultural Society, the annual Irma Fair, Minor Hockey, Recreation Board, the Alberta Wheat Pool, 4-H Club, School and community band, and so forth. There is no doubt that if all families involved themselves as much as the Newtons do, the work load in community groups would be considerably lessened.

On behalf of Mr. Thurston, Milt Fahner presented the Newton family with the Thurston Trophy, thanking them for their tremendous support to the area. The Newtons have thoroughly deserved this honour and as a Chamber, we are proud to have them represent our community.

At the last meeting of the Irma Chamber of Commerce the John Newton family were presented with the Irma and District Farm Family Award for 1978. Pictured above [left to right] are Mary, Karen, Randy and John Newton. Bill and Anita Newton were not present for the Award Ceremony.

Matrimonial Property Act Revised

Alberta's new Matrimonial Property Act will become effective on January 1, 1979 as a result of an order-in-council passed last week.

The new law could have an effect on everyone in Alberta who is married, separated or divorced. It sets specific guidelines for the distribution of property owned by one or both persons when a marriage breaks down.

The new law states that on marriage breakdown, property acquired during marriage will be shared equally by the two spouses unless the court decides it would be unfair to do so. If the two parties agree upon a basis for sharing this property, a Judge's order is not necessary.

Although some property is exempted, the balance of the matrimonial property which is to be shared is almost all of the property the two persons acquired after marriage. If the court decides it will be shared on any basis other than a 50/50 split, the act sets guidelines for the distribution.

A marriage contract would override the act and allow spouses to be bound by the rules they choose, but the contract must be written according to the requirements of the act.

The new legislation does not deal with maintenance payments which are covered in the Divorce Act and the Domestic Relations Act.

When the two parties disagree on property distribution either spouse may apply to the courts for a Matrimonial Property Order which is in the form of a statement of claim for distribution of their property.

In Lieu of Cards

The Viking Branch of the Royal Canadian Legion wishes to remind the public that only a short time remains to get your donation in to the "In lieu of Christmas Card campaign. All proceeds go towards helping our local hospital to purchase equipment not provided by government.

The deadline date for your names to appear in the Christmas issue is December 15. Those missing this issue will be published in the next issue.

Your donation may be left or mailed to Isobel Borass at the Viking Vetrinery Clinic office.

Viking U.C.W. Wins Award

Beth Merta, President of the Viking U.C.W. receives the award for the best turnout of club members to the Blood Donor Clinic held in July from Dr. E. Cunningham [centre] and Earl Kindley on behalf of the Knights of Columbus. Staff Photo

At the November meeting of the Viking U.C.W., Dr. E. Cunningham presented the Viking Knights of Columbus Blood Donor Award.

This award is presented to the district organization with the highest percentage of members donating blood in July at the Red Cross Blood Donor Clinic. 48% of the members of the Viking United Church Women gave blood.

This remarkable act of generosity meant that nearly one out of every two members donated blood. The organization with the second highest percentage of blood donors was the Viking C.W.L.

The Viking Knights of Columbus would like to thank all participating organizations in giving "The Gift of Life".

Viking Christmas Concert to be Held

Everett Norris, the new and enthusiastic music teacher at Viking School, is presently adding the finishing touches to "The Magic of Christmas", a full evening music and dance show. The Christmas program will be held in the Viking Community Hall at 8 p.m. on Wednesday, December 13.

Over 300 musicians and dancers, most of whom are school students, will be participating in the gala evening. This will be the first full musical presentation involving the music classes from grades 1 to 12, the Community Stage Band, and the elementary choir. An added attraction for the evening will be performances by the Two Hills Ukrainian Dancers.

The Two Hills Ukrainian Dancers, about 6[illegible] strong, have performed at the Jubilee Auditorium, the Edmonton Coliseum, the Commonwealth Games and at the Provincial Museum.

The Community Stage Band numbers about 35 and includes residents of the Holden and Viking areas. The lighting and sound for this Christmas concert will be handled by the Viking School music department and Ward Music from Edmonton.

Mr. Norris has a full evening of fine entertainment planned with numbers being presented on two stages and on the main floor of the Hall. The program will include Christmas carol singing, ethnic dancing, stage band numbers and music class band numbers.

The price of admission for "The Magic of Christmas will be $2.00 for adults, $1.00 for students and no charge for pre schoolers.

Remember "The Magic of Christmas" in the Viking Community Hall on Wed., December 13 at 8:00 p.m.

Shopping Locally - The Other Side

In a recent editorial, we discussed the benefits of residents shopping at the businesses in their home communities. This practice benefits all of us, for in the long run, strengthened businesses strengthen our communities. However, a parallel issue runs with the idea of residents shopping locally.

The local businesses in our communities must also endeavor to provide the consumers with the best possible product for the least possible price which includes a reasonable profit. This is the basis of the free enterprise system.

In the 1700's, with the decline of mercantilism and the advent of laissez-faire capitalism, Adam Smith wrote a book entitled "The Wealth of Nations". This book formed the basis upon which the free enterprise system operated then and now. One of the keys to Smith's book was the idea of "the invisible hand". He determined that the businessman would be guided by an "invisible hand" which would cause him to provide the consumer with what he/she desired and in this way would be able to make a profit.

However, Smith also realized that with a freely competitive system, the businessman must not charge more than what was reasonable for a product. If this occurred, competition would move in and a pricing battle would ensue.

The local businesses must always keep Smith's concepts in mind. The public is the key to the success of a business and we must endeavor to supply consumers with the best possible product for the least possible price, plus a reasonable profit. If we fail to do this, then their shopping outside of the local communities may be their only reasonable course of action.

Viking Wildlife Club

The Wildlife Club left Viking at 8:50 a.m. on Saturday morning to visit the Muttart Conservatory and the Provincial Museum. We toured the Muttart Conservatory which was filled with many different kinds of plants.

We also toured a section of the Provincial Museum which was filled with many different habitats. Everyone enjoyed the tour.

We stopped to eat on the way home and arrived back in Viking at 7:45. Colin These

4-H Dairy Club Report

The second meeting of the Viking 4-H Dairy Club was held at the Anglican Church Hall on Thursday, November 23rd.

The pledge was lead by Clayton Rauser. There was no old business to discuss.

Our guest speaker for the evening was Miss Dianne Luke of Ryley - home economist for the County of Beaver. Miss Luke showed us how to properly run our meetings.

We talked about a Christmas party. The club has decided that the party would be held at Mr. Ken Childs on December 8th. The party will start at about 7 o'clock, then we will go to Killam and go bowling. After we bowl for a couple of hours we will go back to Child's and have a pot luck supper. Following this, we will open the presents.

Club Reporter Clayton Rauser.

4-H Beef Club Report

On Friday, November 3rd, 30 4-H members gathered at the club room for the fourth meeting of the year.

The meeting began with the singing of O' Canada. Joanne Klien then said the pledge. The roll call was then answered by telling the name of your calf.

It was then decided that Public Speaking will be on February 4 at the Lutheran Church at 2:00.

The club then decided that we want our annual bingo and that the tickets will go on sale soon. They may be bought from any of the members.

Mr. Jim Ruzicka then gave us all a chance to talk on a topic for ten seconds. Then he gave us some pointers to follow when public speaking. The club enjoyed this very much.

The meeting was then adjourned.

Club Reporter
Glen Maxwell

Letters to the Editor

Your letter of a few weeks ago encouraging readers to do their Christmas shopping in Viking was commendable but I reply, "Why should I?". Why should I shop in a town that cares so little about its customers that they won't even sand the streets?

Every winter it's the same story! Snow builds up, ruts are formed, corners and crosswalks become so icy that it's almost impossible to walk or drive. Other towns get their snow cleaned up and off the streets before the stores open in the morning by prohibiting main-street parking from 2 to 7 a.m., but I assume our town men only work from 9 to 5.

Last year the streets were finally sanded only when the R.C.M.P. appeared at the town office and ordered it done. I'm appalled that the town council and local merchants will allow such deplorable street conditions to exist.

It only takes 25 minutes to drive to Vegreville or 45 minutes to Camrose where the streets are clean and sanded and parking is no problem. I'd like to shop in Viking, Mr. Editor, but unless conditions improve I'll have to shop elsewhere!

Sincerely, Pat Erickson

The Pencil Box

- JACKASS CORNER

continued From Last Week

"They must be at that museum if we only took time to find it!" I wasn't ready to give up.

"Or maybe they went out this other road." piped up Jean. She wasn't ready to give up either.

"Or maybe they didn't come in at all" said Alf, as he drove the car towards the second exit.

"But they are here!That was Harold's black car and our kids waving at us!! am positive" I insisted.

Alf didn't say a word. He manfully concealed his disgust at being pressured into this state of affairs, but I knew exactly what was going through his mind.

We continued down the highway for miles with Alf and Agnes wondering why Harold didn't stop and wait for us and Jean and I insisting that they were behind us. We were trying to buoy up our conviction that we were right although as the afternoon wore on, an uncertainty tinged with a feeling of foolishness began to creep in. Everyone was politely keeping his true feelings to himself, but we were all aware of the growing tension and worry. Finally, we arrived at a wayside service station and restaurant with a large overhead sign that read "Jackass Corner". It was then that all tension broke loose as the irony of it struck us. We laughed and laughed until the tears ran down our cheeks. The appropriateness of that sign to the crazy situation we had got ourselves into couldn't have been timed better.

"To heck with it, let's go in for coffee." said Alf. For the first time that afternoon we were in agreement. With a great deal of merriment, we had our pictures taken under the sign as a final admission that perhaps we were wrong. However, it didn't solve our problem of the whereabouts of the other car.

We continued on to Hope after our coffee break, and signed into a motel. The front office was clean and nicely decorated which didn't prepare us for the dreadful rooms assigned to us. They did nothing to lift the depression and sense of frustration that once more prevailed. Night was upon us and we didn't know what more to do but to stay where we were. At that point, we were beyond caring.

Finally in a desperate hope that Harold may have got in touch with a cousin in South Burnaby where they had planned to stop for a visit, Jean phoned there. Sure enough!Her intuition was right. Her cousin had heard from him.

"Where in the world are you?" she demanded. "Harold phoned me and said you had disappeared."

"Where is he now?" asked Jean anxiously.

"Back at Spences Bridge where he last saw you" replied Grace. "They've been there for hours trying to locate you. Stay where you are. He's going to phone again. I'll put you in touch with each other. What in the world did you people do anyway? There was no doubt of the exasperation in her voice.

At last the pieces fell into place. Harold hadn't turned into Ashcroft. When he missed us, he turned back, surmising car trouble, just at the time that we drove back to the highway via the second route. It was pure coincidence that put us in front of him. Their bewilderment was very real indeed for to their knowledge we were behind and suddenly we weren't. Harold and Ridge endured some agonizing hours as they waited for us to show up. They phoned the R.C.M.P. with inquiries of any recent accidents. No one knew anything. To make matters worse, they didn't have our license number. It was unbelievable how we suddenly disappeared. Not being aware of the boner we had pulled, they didn't dare go on for they were positive we were behind somewhere. But where?

To make a long story short, it was the phone calls to South Burnaby that finally got us together again. Harold drove through the Princeton Hope Canyon in record time and all anxious moments were forgotten in the joyous reunion of three families, all of whom had been separated. Though it wasn't funny at the time, the comedy of the situation always becomes the focal point of our conversation as we rehash the story of our holiday to Victoria.

"They were so damn sure!" re iterates Alf every time the subject comes up.

Jackass Corner stands out most prominently in our memories, of all points visited. To this day, I can't figure out why Ridge evades all invitations to travel with us again. Can you?

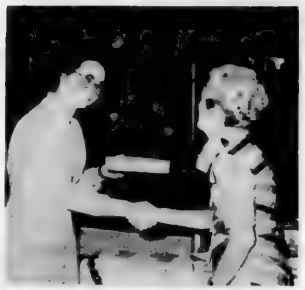
Ruth Hafso Honored

Jack Roddick - Board Chairman presents Ruth Hafso with an engraved plaque in honor of her many years of service. Staff Photo



Debbie Fernal - Chairperson of the Staff Committee presents Ruth Hafso with an engraved silver tray on her retirement. Staff Photo

Mrs. Ruth Hafso retired October 31, 1978 from the Nursing Department of Viking General Hospital. Ruth began her career in Viking after graduating from the Misericordia Hospital School of Nursing in 1941, stopping only long enough to raise a family. During the early 1950's Ruth worked as a part-time nurse and in 1957 became a permanent staff member until her retirement on October 31, 1978. The Staff and Board of Trustees of Viking General Hospital wish Ruth continued good health and happiness during her retirement.

Viking Elks Activities

The Viking Elks have sponsored Pre-Christmas Turkey Bingos Annually for many years. Due to relatively low attendance, the past few years have not been profitable. The Turkey prices have sky-rocketed this year, so a good turnout is required in order to meet the cost of top quality birds. We request your support so that we may continue to sponsor this annual event. As in the past, the proceeds are used to support youth activities in the district.

During December, we will be sponsoring a Banquet for the School Patrols and co-sponsoring a show for the kiddies Christmas party.

As fund raising projects we will be selling Christmas trees and holding two Turkey Bingos which will be held December 9, and December 16.

Wildlife Club Plans Trails

The Grade Seven Ecology class take notes as Mr. Ron Erickson points out different aspects on the winter existance of wildlife. Staff Photo

In the winter of 1976, the Viking Wildlife Club decided to obtain 18 acres of undeveloped land located about four miles east of Viking on Highway 14. Since this time, the club put forth inquiries to the Alberta Government and the County and after several letter of recommendations as to how the land would be used, the County decided it would lease the land for the purpose of environmental awareness, and gave approval to the efforts the Wildlife Club was trying to establish.

After the approval was given, the club members started to plot out trails and write up reports on the existance of wildlife in the area, which would be used to teach ecology to a class of students which Mr. Ron Erickson teaches in the Viking School. When the project was finished, it would be open for public viewing and education.

Long range plans include fencing off the property and the installation of wash-houses and maybe a central building located on the property to contain ecological information. We hope that the people in the surrounding area will support and benefit from this approach to wildlife and ecological teachings.

Automobile Advertising Policies and Principles

As set down and agreed by

THE ALBERTA AUTOMOBILE DEALERS' ASSOCIATION

To promote the credibility and sound business principles of the automobile dealer in the Province of Alberta, the following code of ethics has been agreed upon by the members of the Alberta Automobile Dealers' Association.

Sept. 1978

Advertising Code of Ethics

1. Specific Vehicles advertised must be in stock and available at the time the advertisement was placed.
2. When a specific vehicle is referred to the stock number or serial number must be included in the advertisement.
3. Any reference to demonstrators in advertising must only refer to vehicles purchased new and used solely for normal company purposes.
4. When "manufacturers suggested list price" is referred to, this price must be, in fact, the "manufacturers suggested list price."
5. The "manufacturer's list price", "suggested retail price", "list price" and similar terms may be advertised by a dealer for new vehicles for informational purposes and in comparision with his actual selling price **provided** the dealer does not make any manner of reference to the comparison which would indicate a "savings" "discount", "special", "percentage off" or by any other words of similar meaning unless it or other dealers have sold a reasonable number of the advertised vehicle at the MSL price. Similar information may be provided during the sale of demonstrators, however, the dealer must make it clear that the vehicle offered for sale is a demonstrator by using the term "demo price" or such similar term immediately adjacent to his asking price.
6. Taxicabs and police cars, when advertised shall be identified as such, when previous use is known by dealer.
7. Dealers may not use the terms — dealer's cost plus "X" number of dollars or "X" number of dollars over "invoice price" or at "cost" below invoice, etc. since the actual net cost to the dealer is dependent on a number of variables not necessarily known to the public.
8. Used vehicle advertisements should not include any reference to savings. Reference, however, may be made to a previously advertised price, provided an advertisement had been placed for that specific vehicle *and the dealer had been offering the vehicle immediately preceding the sale, on a regular basis, and for a reasonable period of time.*
9. Dealers must make full and complete disclosure when specific financing terms are mentioned and include:
   a) annual rate of interest in terms of percentage
   b) cost of borrowing in dollars
   c) number of monthly payments
   d) amount of monthly payments
   e) down payment required to obtain these terms
   f) the aggregate total price of the financing transaction must be as prominent as any part price.
   g) the total price of any "cash" price must also be as prominent as any part price advertisement.
10. No vehicle shall be advertised that is not available at that price.
11. No advertisement shall offer a flat trade-in allowance for any vehicle regardless of make, year, or condition.
12. No advertisement shall imply that a warranty exists if it does not.
13. No advertisements should include words or phrases such as: "Wholesale", "Take over payments", Repossession" (Unless it is.)
14. Implication should not be made that favourable or specific credit terms are available unless they are available to all persons.
15. No equipment, accessories or other merchandise shall be described as *FREE* if the advertised vehicle can be purchased at a discount or lesser price without such articles.
16. Any advertised statements about, and offers of, vehicles shall be clearly set forth and based upon facts. In particular, all statements as to the year, make, model, type, condition, equipment, mileage, price, finance charge and other terms shall be clearly stated and based on facts to the extent known by the dealer.
17. No advertising shall include such terms as "our prices are guaranteed lower than elsewhere", "We guarantee to sell for less", "We give $300 more in trade than any other dealers", etc. and statements such as "Write your own deal", "Name your own price", "Name your own monthly payments", and similar statements are obviously untrue and shall not be used.
18. All statements that are designed to mislead or confuse or which cause any unfair comparison to other dealers shall not be acceptable.

Bruce Senior Citizens

On Wednesday, November 22 eight senior citizens of Bruce rode the school bus to Tofield to attend an "All Night Dance" sponsored by the Beaver Recreation Board. Senior citizens attended from Kinsella, Bruce, Viking, Holden, Ryley and Tofield. There were also two bus loads from Edmonton.

It was a pleasure to see so many seniors on the floor. One of the oldest seniors from Bruce could sure trip the light fantastic.

On Friday, November 24, cards were played at the Bruce Drop-In Centre with four tables participating. High score prizes went to Vicky Field and John Stogryn while consolation prizes were awarded to Iver Boraas and Lillian Teske. Please come out and support us!

Live Theatre Presentation

The live theatre presentation "#1 Hard", presented by Globe Theatre of Regina that was held in the Holden School Gym on Friday, November 17 was both entertaining and educational. Research and excellent acting revealed how the settlement of the prairies through the battles with the commercial grain companies and the railroads, the history of Saskatchewan, can be seen as one struggle against exploitation by the rest of the country.

The evening concluded with discussion with the audience as a way of finding out how theatre can most effectively participate in the issues that confront people every day.

All who saw the presentation had only praise and admiration for the acting and singing by the group - showing many of us how little of Canadian history we know.

Local Area Artists

John and Anne Goodall

Anne and John Goodall are brother and sister and are well known throughout the County of Beaver for their artistry. Anne has been painting since 1950 while John has been painting since he was a young man in the 1920's.

Anne and John came to the Ryley district as school children in 1908. Their parents, John and Agnes Goodall, homesteaded the farm one mile east of Rudi Mizera's. They moved here from near Sarnia, Ontario. They had a family of seven children, three of whom have since died. They have a brother Donald living in Calgary and a sister Florence in Carstairs.

Both John and Anne are self-taught. They have taken a couple of University of Alberta Extension courses, but mostly they have learned by doing. They read a lot of books on painters and painting and have quite a library on the subject.

John has lived most of his life in the Ryley district. He farmed the family homestead, as well as land of his own. He and his older brother William both had farms and they farmed together until William's death in 1962.

Anne became a teacher and taught in various schools through the county for a period of six years. She then became interested in Pharmacy and decided to make this her occupation in life. She started her career in Black Diamond, Alberta, later taking a position in Carstairs and still later at Calgary. She enjoys Calgary and stayed there for some time, up until just two years before her retirement, when she decided to move to the Peace River country. Upon retiring she moved back to Ryley to live with John.

John and Anne both do a lot of landscapes, Anne has done a lot of mountain scenes over the years. She now paints mostly scenes or scenes from memory. She tries to make a picture that she thinks looks attractive or that brings back memories. She does not care for pictures that try to make life or people ugly.

John says that he is not an artist, that he is more of an illustrator. He paints exactly as he sees it. He works both in oils and watercolors, but finds watercolors limiting when he wants to go large due to the glass needed for mounting.

During the winter months their painting slows down considerably. Anne says she needs more daylight hours than the winter affords. John paints, but very little. He says that at the present time he reads a lot.

When asked how their paintings have changed over the years, Anne reveals that she finds hers have not changed much and John says he sometimes wonders whether he has learned anything since he started in the 1920's. However, upon studying their first and then more recent works, you can see a maturing and gradual change in both painters.

They are enthusiastic about keeping in touch with what is going on in the Art World in Alberta. They recently attended the Edmonton Art Club Exhibition at the Jubilee Auditorium, which they most thoroughly enjoyed. They also spend many days browsing through the public and private Art Galleries in the city. They themselves have been asked to exhibit their work in the County of Beaver for many years.

Every year the Cavelle Rebekah Lodge sponsors a Local Art Show in which Anne and John display their recent paintings. This show is held in the Ryley Community Hall every spring, so if you are interested in seeing some of their work be sure to take this event in. You will also see their paintings displayed in the Treasury Branch in Ryley and at the Ryley Senior Citizen's Sunshine Club.

By Marlene Sinclair

Vialta Lodge News

Miss Viola Lae of Edmonton was visiting Mrs. Elness on Tuesday.

Mrs. Elness and Mrs. Sorenson attended the funeral service on Tuesday for Mrs. Rollinson.

Calling to see Mr. Murray on Wednesday were Joan Measkins and Ellen Levinsky and Kelly of Edmonton.

Rae Sorenson of Edmonton called to see Gramma Sorenson on Thursday.

Saturday, Mrs. Sarjeant accompanied Mrs. Jennie Ebeltoft to Bawlf to help friends there celebrate a 25th Wedding Anniversary and also to visit with friends celebrating a 50th Anniversary.

Nick and Ann Tkaczyk of Edmonton called on Saturday to visit with Mr. Tchir.

Keith and Marg Ferrier of Edmonton were visiting with Mrs. Suddaby and Mrs. Rodwell on Sunday.

Visiting Grandma Ferguson on Sunday afternoon were her grandchildren from Sherwood Park - Ray, Darlene, Randy, Grant and Colin Fedoruk.

Other visitors at the Lodge were Ida and Phil Austin, Carrie Beamish and Nellie Dewart.

Parkland Nursing Home

The "Flu Bug" has come and gone, everyone is back on their feet again.

Get Well wishes to Mr. Kelly who is a patient in the hospital also get well wishes are extended to Kay Sroka, also a patient in the hospital, we miss you.

Welcome home to Mr. Elmquist and Mr. Finnemore who have been in the hospital.

Joe and Kay Kawalilak were in to see "Mom" Kawalilak last Tuesday.

Honey Curtis and Ernie Auburn called on Charles Auburn last week.

Mr. and Mrs. Ken Ruse of Edmonton visited with Roy Harris and Toole Bremner on Friday.

Mr. and Mrs. Carl Anderson visited with Mrs. Pryor on Saturday.

Heather Teed of Holden visited with her grandmother Mrs. Ward on Sunday, also Peter and Ross Ward of Ryley called in at the home.

Mr. Elwood Willans of Sherwood Park visited with Mrs. Willans on Sunday.

Phil and Ida Austin called on Mrs. Hutchinson on Sunday, driving down from Ranfurly. Mrs. Beamish was in to visit Mrs. Hutchinson on Friday.

What's New in Ryley

By Marlene Sinclair

Georgina Greenwald had a baby shower given for her and her new daughter Dawn on Thursday, November 30th in the evening at her mother-in-law, Mary Greenwald's, home. Around twenty ladies were present. Games were played, the beautiful gifts were opened and then lunch was served. Everyone had a great time.

Karen Jensen, niece of Cris and Eric Brix has returned to Give, Denmark. She left on November 30. Karen had a long holiday here, almost 6 months. While she was here, she taught Danish to some Ryley residents. She enjoyed being here and travelling around Alberta and British Columbia seeing all her relatives again.

George and Irene Kast are back from their trip to Brazil. They were there visiting Irene's relatives.

George and Audrey Knudsen and their friends George and Jo-Ann Pollack of Edmonton have gone to Las Vegas for a few days. They should be back this week.

Harriet Ruddy has gone to Vancouver to visit with her brother before he leaves for Australia. He will be leaving before Christmas.

Mrs. Olga Ranheim is in the Tofield Hospital as she has a bad cold with laryngitis. Mrs. Ranheim has been in since last week.

Mr. Thor Mahlum is in the Tofield Hospital and has also been in since last week. His back is causing him trouble again.

Donald Law is back in the Tofield Hospital also and so is Mr. Anton Podruzny and his granddaughter Diane Kosobrowski. I have no report as to why these three were admitted.

Barry Stumbo is still in the University Hospital in Edmonton, the thumb that they had tried to save had to be taken off. Now they have done some skin grafting hoping this will take. Barry should be out some time this week.

Craig Solberg had an unfortunate accident in a recent hockey game. He had fallen on the ice when someone skated over his finger, cutting it almost through to the other side. He was operated on, having the same operation that Barry Stumbo had. They are not sure whether his operation has taken as yet.

Mrs. Mary Ewaniw, mother of Mr. William Ewaniw, passed to her rest on November 23rd. She was 74 years of age. Prayer services were held on Sunday, November 26th at the Holy Trinity Ukrainian Catholic Church, Vegreville, The Basilian Fathers were the celebrants, with interment in the Riverside Cemetery.

The Ryley Homecoming Basketball game held last Saturday was well attended. A Disco was held after the game, a first for this event. Both basketball games were won by the alumni.

Echo-Rodino Report

The community wishes to express their sympathy to Harriet Faulkner on the passing of her brother Bill MacFarlene of Winfield. Bill once farmed in the Rodino area on the family farm which was north of the old Rodino School site.

Mike and Esther Mackowski spent one day shopping in Edmonton.

Doreen Prosser took advantage of the many trips to Lloydminster, that Les made hauling rape, to look over the stores and get in a bit of Christmas shopping.

Get well wishes go out to Florence Holkar and Ivy Mollier who are in Edmonton hospitals.

Mr. and Mrs. Mervyn Knull and Karen of Leduc were weekend visitors to the Prosser home.

The Holt family attended the Farewell Party held in Minburn for Hilda Davis. Hilda is returning home to England after many years here in Canada. She will be missed by her many friends, especially the Holt children as Hilda spent many years in their home.

June Chimco and Bob Knight of Edmonton were weekend visitors at the Prosser residence.

Rita Greenwood and Brent Hafso visited the Bruce Greenwood home to report on their holiday in the States.

Saturday night was the scene of a successful sommunity supported dance at the Rodino Hall the Club wishes to thank all those who helped make it so.

By Yvonne Greenwood

Ryley and District News

SWINGING BEAVERS SQUARE DANCE CLUB met in Bruce on Saturday ngith for a special open dance in which old time square dancing, modern square dancing and social dancing took place. The dance was well attended. The dancers meet every Monday at 8:30 p.m. in the Bruce School Auditorium. Everyone that knows how to square dance is welcome to attend. They are considering starting a beginners class. If you are interested phone Brian Westmancost at 663-2373 or Marie Brix at 663-2363.

RYLEY LOCAL RECREATION BOARD: Plans are underway for operation of the skating rink this year. The ice will be started very shortly and a caretaker is being hired. Watch for opening dates.

4-H SADDLE SORES: The next meeting will be the Christmas party being held at the Sinclair farm on Sunday, Dec. 10 in the afternoon. Everyone is to bring their gifts and skates. Hope to see everyone there.

Bruce News

The Swinging Beavers Square Dance Club entertained guests at the Bruce Community Centre on Saturday, December 2. It was family night with the youngsters participating in the dancing. Members of the club served a delicious lunch to all those present.

Don't forget to play Bingo at the Community Centre Friday night, December 8 at 8:00 p.m. The 4-H girls will be holding a bake sale just before the Bingo and will also serve coffee during the evening. There will be a mini-bonanza as well as the 15 games for turkeys. If you need a ticket contact Jean or Jim Tkaczyk at 668-3973 or call at any of the business places in Bruce. Tickets will also be available at the door.

Holden Village Council Minutes

Minutes of the regular meeting of the Council of the Village of Holden, held on November 15, 1978 in the village office

Present were Mayor Shykora, Councillors Mackay, Danilak, Lemko and Giebelhaus and Secretary Treasurer Sorenson.

The meeting was called to order by Mayor Shykora at 7:30 p.m.

Moved by Mayor Shykora that the minutes of the meeting of October 18th, 1978, be adopted as corrected. Carried

Moved by Councillor Danilak that the minutes of the special meeting of November 8th, 1978 be adopted as printed. Carried.

Moved by Councillor Mackay that the attached accounts for payment for the amount of $8,720.90 be approved. Carried.

Moved by Councillor Danilak that the cash statement for the month of October 1978 be accepted as presented. Carried.

Councillor Lemko reported that the Street Improvement Program had come to a halt due to the cold weather. Construction of some curb, gutter and sidewalks and laying of pavement was still to be done. However, all streets had been levelled satisfactorily.

Moved by Councillor Lemko that the progress payment for the amount of $65,952.35 to Border Paving Ltd., as recommended by Servold & Podmore Engineering Ltd., be approved for payment. Carried.

Moved by Councillor Lemko that the account to date of Servold & Podmore Engineering Ltd. in regards to the street improvement program for the amount of $11,083.49 be approved for payment. Carried.

Moved by Councillor Giebelhaus that the account of the Holden Volunteer Fire Department for the amount of $472.00 be approved for payment. Carried.

Letters Received

1. Municipal Affairs stating that Mr. L. Johnson has been designated as the village Assessor; that the southeast regional office Assessment Operation and the Assessment Crew will be moved to Leduc effective November 14, 1978 and re Mobile Equipment Distribution.

2. Regional Recreation - Minutes of meetings, Reports and re possibility of holding a joing meeting of all Councils and Local Recreation Boards in some central place once per year to discuss common problems.

3. County of Beaver re meting to review Land Fill Site Agreement with town and villages on November 29, 1978 at 7:30 p.m. in the county office and Minutes of School Committee meeting.

4. Alberta Education Association re Alberta Rural Development Study Program.

5. City of Edmonton re tenders for city-owned used equipment.

6. Disaster Services re Course No. 09/78 Program Management Nov. 21-23.

7. Recreation, Parks and Wildlife - REC News.

8. Town of Sundre requesting delegate from village to attend meeting with Faran & Foster on December 30, 1978 at 2 p.m. in Room 409, Legislative Building re Judicial System.

9. Local Recreation Board request for $600.00 additional expenditure for 1978 and notification of meeting on November 21, 1978 in the Holden Complex re Revision to the Five Year Master Plan.

10. Battle River Tourist Association inviting bookings for 1979 monthly meetings and information.

11. Faculty of Extension re Planning Mezannigal Open Space.

Moved by Councillor Danilak that the correspondence be received and filed. Carried.

Moved by Mayor Shykora that there is no objective to a meeting of all Councils and Local Recreation Boards once per year to discuss common problems but Council does not see any pressing need for such a meeting at this time. Carried.

Councillor Lemko agreed to attend the meeting of villages and towns in the County Council to review the Land Fill Site Agreement and requested a yearly cost estimate of operating the village nuisance grounds.

Moved by Councillor Mackay that Mayor Shykora be authorized to attend the meeting with Faran and Foster re Judicial System with expenses paid. Carried.

The Local Recreation Board request for $600.00 additional expenditure in 1978 was considered. Council agreed that this request could not be met as provision had not been made in the village budget.

Moved by Mayor Shykora that a letter be forwarded to the Royal Trust Corporation documenting the state of their building on Main Street. Carried.

Moved by Councillor Mackay that the purchase of 12 new strings of outdoor Christmas lights be authorized. Carried.

Moved by Councillor Lemko that an ad be placed in the Edmonton Journal advertising the old village grader for sale. Carried.

Moved by Councillor Danilak that the present thermostat in the fire hall be replaced with one which could be turned to a lower reading Carried.

Moved that a letter be forwarded to Alberta Dairy Pool Ltd. expressing concern in the state of the old creamery. Carried.

This adjourned at 11:00 p.m.

Holden and District News

By Anna Shavchook

Then maximize your profit by skillful marketing of those increased yields. Study when and where it's convenient to you. This 8 week course begins week of January 15, 1979. Registration deadline is January 8, 1979. To register send $20.00 in cheque or money order to Faculty of Extension University of Alberta, Edmonton, Alberta. T6G 2G4. For further information contact your local District Agriculturist

In hockey at Holden on Sunday, December 3, Holden Beavers won scoring 9 to 5 against the Ryley hockey team.

National Farmers Union Meets

The annual meeting of the National Farmers Union Local #715 was held in the Holden Masonic Hall on November 13, 1978. The meeting opened with the reading of the minutes followed by the financial statement. President Rudy Kiist gave the Board of Directors report - a report of the local activities for 1978.

The election of officers then followed. Rudy Kiist and Ed Zabanuk were re-elected president and vice-president respectively. Directors elected for 1979 were Doug McClay, Milton MacGregor, Rueben Laube, Barry Bruce and Jean Babiitz.

Business discussed included: the canvass for renewals and new members to take place on Dec. 16 which was to conclude with a supper for the canvassers and drivers and a re-evaluation of the day; final arrangements were made for the showing of "#1 Hard" to be held in the Holden School Gym on Friday, November 17. "#1 Hard" is a live presentation dealing with the wheat industry and the relationship of the Western Farmer to Ottawa

The youth seminar to take place in Vegreville on Nov. 18 and 19th was then discussed. The National Convention to be held in Ottawa was then talked about.

The meeting was adjourned, followed by lunch and coffee.

Lloyd Hanson Laid to Rest

Funeral services for Lloyd (Hap) Hanson, who passed away at the University Hospital in Edmonton on October 25, were held from the Golden Valley Lutheran Church on Friday, October 27, at 2:00 p.m. Pastor Tim Johnson officiated. Hymns sung were Rock of Ages and Abide With Me. Mr. Stanley Sorenson, accompanied by Mrs. Sorenson, sang The Old Rugged Cross. Pallbearers were Jim Taylor, Wes Howery, Brian Beamish, Bob McDonald, Wilbert Myers and Ron Petroskey.

Lloyd was born in Viking on November 30, 1919, the fourth son of Mr. and Mrs. Hans Hanson. He attended school at Ruthergien and farmed until 1940 when he joined the Canadian Army. After his discharge in 1945, he worked with his father on the farm for a few years then started in the trucking and gravel business. He was a member of the Canadian Legion. Lloyd, a very kind and generous dad and brother, led a very busy and active life but was never too busy to help someone in need.

He was predeceased by his wife Betty in July 1975, his father in 1960 and mother in 1967.

He leaves to mourn his loss his loving children - Harold, Lorraine, Larry and Charlene; four brothers - Helmer, Ernest, Julius and Leslie; three sisters, Esther (Mrs. Keith MacLaren), Anna (Mrs. Mel Helmer), Jean (Mrs. Bob Melnroy) and a host of nieces and nephews. Lloyd will be sadly missed by all who knew him.

Before and following the church service the Legion members formed the honor guard. After the graveside service by Pastor Johnson, the Legion members performed their graveside ceremony.

Ronaghan Funeral Home in charge of arrangements and interment was in the Golden Valley Lutheran Cemetery.

Two floral casket sprays - in loving memory from his children - Harold, Larry, Lorraine, and Charlene and from his brothers and sisters - Helmer and Hazel, Ernest and Thelma, Julius and Marje, Esther and Keith, Anna and Mel, Jean and Bob and families.

Floral tributes - with deepest sympathy were received from Gus and Irene Schmidt and family; Lacy, Norman, Ralph and Karen and family, Phyllis, Orville and family; Leslie, Charlotte, Arnold and Vaughn; Ruth and Bill; Ed Gustafson and family; Ellen, Rick and Darren; Gordon Hughes; Don, Yvonne Jansen and family; the Tkaczyk family; Bob McDonald and Brian Beamish; Fred and Irene These and family; Art and Ingrid These and family; Doug and Fern Currie and family; Ervin Currie; Dan and Lena Arndt; Patsy Frissell, John Williams and Mike Davis; Lefsrud Sales Staff; Kevin Leidl; Linda, Terry, Brenda, Christina and Tammy; Belle and Jim Taylor; Bud's Texaco; Jim and Eileen Lawes and family; Malcolm and Erica McDonald and family; Everett, Arlene and boys.

Expressions of Sympathy - Mrs. Pyke, Mollie Place, Gertie Kjelland, Ruth Likness, Grace and Louis Sutter, Jim and Eileen Lawes, Olga and Maurice Cumming, Mr. and Mrs. Ron Petroskey; Elsie and Peter Cannon, Leo and Mary Schuler; Ida Dorward; Roy and Margaret Maxwell; Dan and Lena Arndt; Vivian Garse, Gail Haydon.

Donations to the Heart Foundation - Wes and Betty Howery; Mary J. Kabesh, Mr. and Mrs. Ernie Lusk; Mr. and Mrs. Todd Hart; Len Seizler; George and Zelda Giebelhaus; Mr. and Mrs. James Lusk; Stanley and Olga Chomik; Hagen Hagenson and Mabel Rogland; Martin, Donna and Mrs. Mary Tkaczyk; Art and Myrtle Ronaghan; Ken and Sharon Pobuda and Jedi; Viking School Staff; Mr. Burton Benson; Mr. and Mrs. C. Hammer and Richard; Mr. and Mrs. Wilbert Myers; Bill Young and Mr. and Mrs. A. Sizer.

CARD OF THANKS

We wish to express our sincere thanks to relatives, friends, and neighbors for the many messages of sympathy, acts of kindness, donations and floral tributes during the loss of our loving dad and brother. Special thanks to Pastor Tim Johnson, the pallbearers and also the Royal Canadian Legion as well as Irv Beaumont.

Harold, Lorraine, Larry and Charlene and his brothers and sisters.

Andrew, the Manly Disciple.

By Onesimus

Last Thursday, November 30, was St. Andrew's Day, the occasion when one of the twelve disciples of Christ is specially remembered during the Christian Year. In Greece on Nov. 30, 70 A.D., Andrew was executed on an "X" shaped cross and since then has become the patron saint of Greece, Russia (not U.S.S.R.) and Scotland.

The name Andrew means "manly" or "courageous". The New Testament relates that Andrew was the brother of Simon Peter, and like Peter, and James and John, a fisherman, living by the Sea of Galilee.

Andrew became a disciple of Christ and was later responsible for finding the little boy whose lunch of loaves and fish were used by Jesus to feed five thousand hungry people. (John 6; Verse 8). He introduced his brother to Christ (John 1: Verses 40-42) and in doing so, led Peter into the great work that Jesus had called him to do. It was Andrew who, during the last week of Jesus' Ministry before His Death and Resurrection, brought some God-fearing Greeks to meet Jesus (John 12; Verses 20-36).

Andrew appears to us then, as a humble person who was dedicated to leading people to Christ, that their lives might be changed - and what greater practical activity can a person perform than that? As the Christmas Season approaches, it would be useful for Onesimus to be like Andrew and "lead", at least, our thoughts towards the Person of whom Andrew's first realisation was, "The Lamb of God, Who bears away the sin of the world".

The great Apostle, Paul, in his letter to the Christians at Colosse, says that Jesus if God's Beloved Son, " in Whom we have redemption, the forgiveness of sins". He is, "the Image of the Invisible God, the first-born of all Creation; for in Him all things were created in heaven and on earth, visible and invisible . . . all things were created through Him and for Him. He is before all things and in Him all things consist (hold together). He is the Head of the Body, the Church . . ."

Do You Know The Bible Says

By Mrs. W. Myers

In Him was life; and the life was the light of men. John 1:4. I am come that they might have life, and that they might have it more abundantly. John 10:10b. No man should boast before God, No flesh should glory in His presence, but of Him are ye in Christ Jesus, who of God is made unto us wisdom, and righteousness, and sanctification and redemption: 1 Cor.1:29...He has within His hand power to transform your life.

HIMSELF by A.B. Simpson

Once it was the blessing, NOW IT IS THE LORD;
Once it was the feeling, NOW IT IS HIS WORD;
Once His gifts I wanted, NOW HIMSELF ALONE.
Once 'twas painful trying, NOW 'TIS PERFECT TRUST
Once a half salvation, NOW THE UTTERMOST.
Once 'twas ceaseless holding, NOW HE HOLDS ME FAST.
Once 'twas constant drifting, NOW MY ANCHORS CAST.
Once 'twas busy planning, NOW 'TIS TRUSTFUL PRAYER,
Once 'twas anxious caring, NOW HE HAS THE CARE.
Once 'twas what I wanted, NOW WHAT JESUS SAYS:
Once 'twas constant asking, NOW 'TIS CEASELESS PRAISE.
Once it was my working, HIS IT HENCE SHALL BE;
Once I tried to use Him, NOW HE USES ME,
Once the power I wanted, NOW THE MIGHTY ONE,
Once for self I laboured, NOW FOR HIM ALONE.
Once I hoped in Jesus, NOW I KNOW HE'S MINE,
Once my lamps were dying, NOW THEY BRIGHTLY SHINE
Once for death I waited, NOW HIS COMING HAIL,
And MY HOPES ARE ANCHORED SAFE WITHIN THE VAIL...

Rejoice Together

Pioneer Portrait

By Carol Maxwell

Mrs. Pearl Redwell

A familiar, smiling face around Vialta Lodge is that of Mrs. Pearl Rodwell who has made the lodge her home for the past ten years. She was born Edna Pearl Suddaby in the Strathcona Hotel and lived in the McKernan Lake district within what is today Edmonton.

Her father had taken a homestead south of Lavoy and in 1905 he worked building on the C.P.R. as well, while her mother worked in the cook car.

Pearl began her schooling at Pleasant Ridge where she and her brother went on horseback. After some time spent at Lavoy schools, the Aplomb School Division was formed and she completed Grade 10 there.

Pearl recalls a very happy childhood, one which was full of tomboyish activities: snaring gophers and playing football were just a couple of these.

School picnics were great fun and the 25 cents allotted for the day's spending money could be augmented, if you were a speedy runner or adept at pounding spikes into popular logs.

School dances were prime entertainment as well and to ensure regular entertainment in the community, a committee was responsible for arranging a bi-weekly social at the school.

Pearl's carefree days were cut short by the death of her mother and rather than continue her education, she took over housekeeping duties. She married Leonard Rodwell in 1929 and spent her married life just a few miles from her childhood home. There she became mother to eight children, who have since given her 16 grandchildren, who have since given children.

Following the death of her husband, she moved to Vialta. Here she enjoys the companionship of others, for she is a friendly person who welcomes visitors anytime, except 3:00 p.m. - that is reserved as T.V. time.

CARDS OF THANKS

We would like to express our sincere thanks to friends and our neighbors for kindnesses shown after the sudden passing of brother and uncle, Jim. Thank you for the cards and those that helped with the lunch and for the baking brought to the Legion Hall after the service. Also, your contributions to charities are greatly appreciated. A special thanks to Rev. Wilson, the pallbearers, honorary pallbearers and Harry Creech who helped to make these trying times more bearable. Margaret Dunbar and family 43

CARD OF THANKS
I would like to express thanks to the Doctors and staff of Viking Hospital and to all those who sent cards and visited me during my recent stay.
Shirley Gracheski 43c

IN MEMORIAM

In loving memory of my dear husband Jimmy Brown who passed away suddenly December 10th, 1976.
When evening shades are falling
And I sit alone at home
To my heart there comes a longing
If you could only come home
Friends may think I have forgotten
When at times they see me smile
But they little know the heartache
Which the smile hides all the while
Still in memory you are with me
As you were before
A cherished smile a heart of gold
To the dearest husband the world could hold
When days are dark and friends are few
Dear Jimmy how I think of you
Friends are Friends if they are true
But I lost my best friend when I lost you
Always remembered and sadly missed. Your Loving Wife
Dorothy and Family

In loving memory of our beloved parents, and grandparents, Clive and Ethel McBride, who passed away December 3, 1974.
Four years have passed, since that sad day
When the ones we loved were called away.
The parting was so sudden, we often wonder why
To us the hardest part of all, we never said goodbye.
A happy home we once enjoyed, how sweet the memory still,
But death left loneliness, the World can never fill
So treasure them God, in your "Garden of Rest".
For in our world, they were two of the best.
Always remembered and sadly missed by Bill and Joy, Gordie and Wanda, Merv and Shar Neil and Penny and families and Laurie.

In fondest Memory of Willie Brown who passed away suddenly December 14,
A beautiful life comes to an end
He died as he lived, everyones friend
He was always thoughtful, loving and kind
What a gracious memory he left behind
He left us suddenly, his thoughts unknown
But he left us memories we are proud to own
Treasure him God in your Garden of Rest
For in our world he was one of the best
Always remembered and sadly missed by Dorothy and Family

Irma News and Views

We are glad to know that Donald Gunn is home and making steady progress on the road to recovery.

Minnie and Jim Jackson were in Sedgewick from Nov. 12th until Nov. 27th, taking care of the house of their friends, Alma and Joe Harding who were hospitalized at Daysland. Both patients returned home on Monday, feeling much improved but still weak.

William McFarlane passed away in Edmonton on Sunday, November 26th, after a short illness. "Bill" as he was known to his many friends, was buried at Minburn. The service at the Minburn United Church and at the graveside was conducted by RE. Donald Wright.

Bill was 64, having been born in Invergordon, Scotland on June 23, 1914 and coming to Canada with his parents the following year. Bill had many friends over a wide area, having worked at Lloydminster, Wainwright, Irma, Kinsella and lately on a community pasture at Buck Mountain.

Sympathy is extended to his sister Mrs. Faulkner and his nieces.

We are glad to see Ole Nissen home again feeling almost as good as new after five days in Viking hospital.

George Foreman has taken up residence in the Howard Jamieson property. He purchased the property from the executors of the estate. Welcome to our Village, George.

A welcome is also extended to Lillian and Tom Copeland who have just moved into the new house on 52 avenue which they purchased recently.

Helen and Alec Smallwood are among those who have recently become 'urbanites', having moved into their home on 51st. avenue, formerly occupied by Mrs. Irene Hill.

The Irma Medical Supplies was broken into recently and robbed of a rather large amount of jewellery, watches and other articles. David Ho, the owner, estimates the loss at approximately $3,000. Entrance was gained by forcing the back door.

The paper drive initiated by Irma New Horizons club is gaining momentum and quite a pile of papers and magazines have accumulated in Jackson's garage. We are hoping to soon have enough for a shipment to the city. Please do not burn paper. Deliver it to Jackson's garage or call 754-3961 and it will be picked up. Thank you.

Irma New Horizons

The Irma New Horizons club met in the Drop-in Centre on Wednesday November 29th, Georgina Enger called the business meeting to order at 2 p.m. with twenty-six members present.

After the minutes, and business arising there from was disposed of, the treasurer's report was given.

Several committees reported on their activities such as bingo being held in the centre on Monday evening, the Xmas party and other matters.

Edith Wilson and Harry Riley were appointed auditors.

A committee was appointed to nominate officers for the coming year. They are as follows: Harold Fuder, Dorcas Coffin and Jim Jackson.

A suggestion was made that officers be eligible to hold office for not more than three successive years. Nothing definite was decided.

The matter of the eastern portion of our building which had been leased by the Village Council for storing machinery, on the condition that the roof be repaired and the building be kept in reasonable condition was discussed. The Town, having used it for three or more years, and without any repair work whatever being done, we have now been notified that the Village has no further need for it. This matter was discussed, but no action taken at this time.

Whist and scrabble were enjoyed. Art Larson had the high score in whist. Jim Clisdell got the consolation. Mildred Smith got ladies first and Alma Enger the consolation. Gertrude Matthews won the prize for scrabble.

Lunch followed also a few games of pool. The Christmas Party has been arranged for Wednesday evening, Dec. 13, at 6 p.m. in the Centre.

Batts District News

The sympathy of the district goes out to Mrs. Ed Murray and John on the passing of Mrs. and John on the passing of Mr. Murray in the Viking Hospital.

Mr. Mike Oracheski flew to Ottawa recently to see his brother Eddie who has been ill.

Mr. and Mrs. Orville Olsen and Sandra, Marguerite, Patty and Brian Burr spent the weekend in the city. On Saturday a number of Burr-Olsen relatives gathered at the home of Irene Madsen in Sherwood Park for a pre-Christmas get together.

Mrs. Bill Holt attended a funeral in Edmonton on Wednesday for her great uncle.

We are pleased to see Shirley Oracheski feeling fine after a stay in hospital.

Mr. and Mrs. Wayne King drove to Rosalind on Wednesday to attend the funeral of Wayne's great aunt.

The Batts district was well represented at the concert put on by "Big Miller" in the Irma School Auditorium on Friday evening.

We wish to welcome a new family into our district. Mr. and Mrs. McInroy have moved onto the former Barry Holt farm.

Mr. and Mrs. Andrew Sparry and Cory have moved onto the former Dubaz farm which is now owned by Mr. Don Priddle.

Mr. and Mrs. Jerry Mark attended the Agribition in Regina this week.

Chacutenah Manor News

Mr. and Mrs. R. Simmermon of Calgary who but recently returned from a year's stay in Australia, spent the weekend with his mother, Mrs. Simmermon.

Mrs. MacIntosh - formerly Myrtle Anquist - of Guelph, Ontario, called on Manor friends this week.

Mr. and Mrs. R. Charron of Camrose, spent the weekend with her parents, Mr. and Mrs. Lambert.

Work has been completed on the T.V. tower. We anticipate much better reception now.

Mrs. H. Cockruft was a weekend visitor in Edmonton.

The Coyote - An Asset and A Problem

Part III - CONTROL

As an increase in population of coyotes occurs, problems also occur, which results in loses materially and financially, several techniques for the control of coyotes are available. These techniques are criticised from time to time in view of more effective methods of controlling coyotes, some of which are not directly concerned with the loses caused by coyotes. The loses suffered by the farmer and the ecosystem should not be underestimated by people who think that the coyote is a cunning, playful animal whose harm is irrelevant to the losses suffered.

Several of these controls are just thoughtful management, while others are techniques used in the destruction of the coyote. Thoughtful management involves such objectives as using well constructed fences, such as electric fencing, mesh or page wire which discourage the coyote from entering the area, another of these good management practises consists of keeping the grass and other debris off the fence and around the fence by the use of herbicides, which lessens the chance of coyote habitat, and finally the last and most important of good management practices is the removing of carrion from the herds, this may be done by burying the carrion, burning the carrion, or total removal of the carrion to another location where the predators (namely the coyotes) may proceed with its clean-up without harm to the herd. The second type of control concerns techniques for destruction.

These include strychnine bait or cyanide guns, which may be obtained from the Agricultural Fieldman or Predator Controller in the area. Secondly, the use of traps or snares, which if selected, can only be carried out by one who has a valid trappers license. These licenses may be obtained from the regional Fish and Wildlife Office. Finally, the most effective method is the use of a rifle, which may be used for control if you are the owner of the land where the predation occurs, of if you hold a valid trapper's license or Big Game License.

Barry Kolesnsky

Ecology in School

The Biology 20 class of Holden School is presently outuring and studying plots of land on their parents' or friends' lands. The whole class, working individually, is studying 30 meter x 30 meter (900 sq. meter) plots of land for all abiotic (non living) features. These include temperature, soil types, water retention of soils, precipitation and amounts of sunshine.

It is the goal of this Project that the students learn to do research work, how to write a proper scientific paper and increase their knowledge and awareness of the abiotic environment. This Project is part of the Biology 20 course and will count for 20 percent of the final mark.

Albert Busy Beavers

The fourth meeting of the Albert Busy Beavers Girls Club was held on November 18th, from 2 until 5 p.m. at the Albert Hall with eight members present.

After a short business meeting Diane Fleming gave her speech for the public speaking aspect of the club.

Leader Lynette Barss showed the girls how to write up their project books and keep them up to date.

The girls made Christmas stocking decorations and planted marigold seeds.

Roll call for the next meeting on December 9th, will be their Christmas draw. Larry and Lotty Fleming will do public speaking and the club will take a course in table manners.

The club is planning a community Christmas party on December 22nd. All friends and neighbors are invited.

Irma Band-Aiders Report

On November 28th the Band-Aiders held a meeting in the Irma School to plan objectives for the coming season and to review what has been accomplished since the club was organized.

The purpose of the Band-Aiders is to help finance the purchase of new instruments and music as well as provide transportation, make uniforms or do whatever is necessary to keep the band program running efficiently.

The forty senior band members rent or purchase most of the instruments they use. However, the large, expensive instruments have to be purchased by the band. Last year we bought a tuba which cost around $1,000. The School Division provided us with a French Horn and an Oboe.

The forty junior band members learn to play on instruments owned by the school. Recently the Band-Aiders purchased a good second hand trumpet for this purpose. During the year, we sponsor good entertainment such as Gilbert and Sullivan, Big Miller, Felix Possak etc. to raise money. Besides this, we served lunch at the 4-H Achievement Day, served at 2 pancake breakfasts, and supplied food for the Harvest Ball. Donations are gratefully accepted as well.

Last year the band put on a concert in Vermilion to help organize a band program there. On December 11th, they are playing in Edgerton for a similar purpose. For the past two years the Irma School Band has won a trophy for the best band in the Wainwright Parade, in their category.

The following will give you an idea of the larger income and expenditures to date. Audrey Nissen, our capable treasurer, itemized it as follows.

Receipts

Memberships	$175.00
Donations	$1,485.46
Parade Performances	$450.00
Food Concessions	$806.00
Miscellaneous	$5,186.24
Disbursements	
Band instruments, music, stands	$3,008.92
Con. Perform. fees	$1,384.00
Band uniform materials	$355.55
Miscellaneous	$1,354.23
Total	$6,102.70

The Irma School Band has been asked to play in many parades during July and August but are unable to do so because the band leader and many students are away at that time. However, we always look forward to hearing them at the Irma Days Parade and even though they are rather out of practice, we think they sound and look wonderful.

Big Miller at Irma School

On Friday, December 1st, the Irma School Auditorium was the scene of activity, with the music presentation of Big Miller.

The evening was classed as a fund raising concernt for the School Band by the Band Aiders Association. The concert began at 8:00 p.m. and was well received. Big's name and face are well known throughout the world for his many recordings, T.V. appearances, films and concert appearances and now known and much appreciated by the residents and music lovers throughout the Irma districts.

PARENT-TEACHER INTERVIEWS - We hope that you found our recent interviews as worthwhile as we did. If by any chance you were unable to attend, but would like to see various teachers, please simply contact the school and we will make the necessary arrangements.

STUDENTS UNION CONCERT - Remember to keep Friday, 15th of December free to attend the annual Students' Union Concert - plus the grand entrance of Santa - plus a dance. It should be a lot of fun and we hope to see you there.

EDUCATIONAL VOYAGE

Twenty-eight grade eleven and twelve students will be participating in this year's voyage from February 20th to March 8th under the leadership of Mrs. D. Lovig and Mrs. J. Mitton. All plans are going through smoothly and it should prove to be an excellent, enjoyable and educational experience.

One point to note for parents: during the time students are away on the voyage, there will be normal classes continuing for all students in grade eleven and twelve who are not going. These students are expected to be in regular attendance during this time.

Gas Kings Win Openers

The Viking Gas Kings opened up their regular season play in the Battle River Hockey League on Saturday, December 2 against the Hughenden Jets in Viking with a 2-0 victory.

A scoreless first period was dominated by ten minor penalties, six for Viking and four for Hughenden.

The first goal of the game came at 3:52 into the second period when Ray Rattray scored from Mark Wemp and Barry Field.

Viking's second goal came from Murray Quinton, assisted by Blaire Wuinton and Martin Laskoski at 8:48 into the third period.

Although the Gas Kings spent thirty-two minutes in the penalty box, Hughenden just couldn't seem to capitolize on a power play.

Monday, December 3 the Killam Indians were the visiting team. The Gas Kings opened up the scoring 42 seconds into the game when Barry Fields scored, assisted by Ray Rattray and Martin Laskoski. At 2:07 Ray Rattray scored, assisted by Bruce Harray and Martin Laskoski, while each team had a man in the penalty box. Viking's third goal came from Gordon Rattray at 5:20. Killam's first marker came at 5:55 when D. Schnetter scored from L. Ponto and D. Gunderson. At 12:01 Ray Rattray scored from Ron Naslund, at 12:50 Ron scored, at 13:27 Jim Laskoski and at 15:55 Barry Field made the seventh Gas King goal.

The second period was held down to one goal when at 14:09 Ray Rattray got his third for the night.

The third period saw the Killam Indians come alive with four goals by Wayne Grant, Dave Keindorfer, Lyn Ponto and Norm Matthews making the final score 8 to 5 in favor of the Gas Kings.

Carena Schedule Tenatively Set

The Carena schedule for the 1978-79 season has been tentatively set by the Carena Committee and is posted on the bulletin board at the Carena. The schedule is similar to last year's, but has been tightened up to minimize the waste of time. A new feature on the schedule this year is the introduction of power skating which runs from 3:30 p.m. to 5:50 p.m. on Mondays.

Also included in this year's schedule are designated ten minute spots for the maintenance of the ice. During these times, the caretaking staff will be flooding the ice in preparation for practices, lessons, public skating or hockey games.

In time allotment, minor hockey has 45% of the available time, while the Seniors get 16%, figure skating and power skating have 13%, and public skating has 20% of the time. The remaining 6% of the time is taken up by ice maintenance.

Public skating this year is set for Mondays from 6:00 p.m. to 8:10 p.m., on Tuesdays from 3:30 to 4:50, on Thursdays from 3:30 to 5:30, on Fridays from 3:30 to 5:00 and on Saturday afternoons from 2:30 to 5:30 p.m. As well, Sunday evenings from 8:30 until 11:00 p.m. have been scheduled for public skating in hopes that more couples and families will utilize the Carena for recreational skating. Public skating is also scheduled during any "hockey game" times not being used by minor hockey or senior hockey.

This year in the Carena, no admittance will be allowed to the furnace room except by authorized persons. As well, no one will be allowed on the ice when the Zamboni is in operation in order to remove the possibility of injury to anyone. The new hockey nets which were constructed for the Carena by the Viking Gas Camp will be used "only" for games while the old nets will be used for practices.

Dr. Walter Buck, M.L.A. for the Goldbar constituency spoke to the Holden Chamber of Commerce President's Night on Tuesday, December 5. Besides Mr. Buck, the head table include [left to right] Ben Lutz, M.C., Secretary-Treasurer Clay Schaning, President Marg Hallett, Joan Schaning and Bill Hallett. Staff Photo

Public Meeting Held on Viking's Future Development

The first public meeting concerning the future development plans for the Town of Viking was held on Monday evening in the Civic Centre building. Only 16 people attended the meeting, and this included the nine members of the Planning Committee and Boyd Oberhoffner from Municipal Planning.

Chairman Will Rushton opened the meeting shortly after 7 p.m. and noted that the objective of the Committee was to develop a long-range plan for the community. He pointed out that the purpose of the meeting was to let the public know what the Committee had been doing and to hear general proposals from the community.

Mr. Rushton then outlined the major concerns which the Committee had determined to date.

Some of these concerns were:

1. Residential - no rental accommodation, the cost of housing, the rehabilitation of older areas, and the housing mix.
2. Commercial - limited retail space, unsightly businesses, commercial mix, businesses for sale.
3. Industrial - lack of any industry and the possible types.
4. Institutional - need of a dentist and medical clinic, housing for senior citizens, and the need and location of future school facilities.
5. Parks and Recreation - a multi-use facility, the relocation of present facilities and the community use of the school.
6. Transportation - traffic congestion and control, off-street parking and a taxi service.
7. Utilities - water and water storage.
8. Urban Context - mixed land use in residential areas and mixed commercial activities on main street.
9. Town Services - snow removal, street-related improvements and fire and police service.

Mr. Rushton then opened the meeting to the presentation of briefs. Vern Hafso presented a brief on behalf of the Viking and District Recreation Board. The brief included an analysis of present facilities in the area and alternatives for a proposed multi-use facility. These alternatives include a curling rink, bowling alleys, club rooms and arts and crafts rooms in various combinations. The brief also suggested various locations for such a facility and the advantages and disadvantages for each location. The brief finally recommended that the new facility be located in the Centennial Recreation Park.

Bill Mattinson then presented a brief on behalf of the Viking and District Chamber of Commerce. The brief outlined the Chamber's concerns on Land Use, the Urban Context, Physical Constraints, the Environment, Transportation and Social Factors. Highlights in these areas included the need for an industrial area, the need for an adequate water supply, the advantage of the proposed airport, traffic and parking problems, and the introduction of a Co-ordinated Home Care program.

Following the presentation of briefs, Mr. Rushton opened the meeting to a general discussion on the issues.

Amnesty/Recall Program Successful

Almost 4500 firearms were turned in to police departments in Alberta during the month long Amnesty/Recall Program which concluded November 30.

George Reid, chief provincial firearms officer with Alberta Solicitor General, said today that 4431 firearms were turned in with 2110 of those turned in during the final week.

Many police departments saw a very heavy response in the final couple of days of the program, Mr. Reid said, noting that citizens still in possession of unregistered restricted firearms or prohibited weapons should immediately contact their local police department.

The objective of the Amnesty Recall Program was to provide gunowners the opportunity to register firearms, where appropriate, or to have prohibited or restricted weapons disposed of through approved means. The program was sponsored by the federal government and co-ordinated in Alberta through the Solicitor General's department.

Mr. Reid said that it is realized that a number of citizens may not have been able to take advantage of the Amnesty Program during November but who may still wish to legalize the possession of their firearms or dispose of prohibited ones.

"I urge them to do so immediately and call their local police department to make the necessary arrangements," Mr. Reid said.

Holden Presidents' Night A Success

The Holden Chamber of Commerce held its Annual President's Night on Tuesday, December 5 in the Holden Community Hall. Guest speaker for the occasion was Dr. Walter Buck, M.L.A. from the Goldbar constituency.

The affair began with cocktails, followed by the introduction of the head table (see photo) by M.C. Ben Lutz. Mr. Lutz then called on the various dignitaries in attendance to bring greetings from their respective organizations. M.L.A. John Batiuk brought greetings from the Provincial government, while Reeve Walter Krupielnicki spoke on behalf of the Council of the County of Beaver and Mayor Oleh Shykora brought greetings from the Village of Holden.

Following the official greetings, the large group in attendance enjoyed an excellent meal which was laid out by the Ladies of the Holden O.O.R.P.

Upon completion of the meal, Marg Hallett, President of the Holden and District Chamber of Commerce, delivered her year end address. Mrs. Hallett thanked the members of the executive and the committee heads for their help during her year in office. She listed the major efforts of the Chamber during the year, noting both the success and the failures.

Mrs. Hallett also pointed out that their meetings during the year had been interesting and informative. She noted the retirees who have chosen to live in Holden, and then concluded by stating that she hoped that everyone would work with the new president.

Mr. Lutz then called on Marilyn Shykora to provide the 1979 slate of officers. The executive for 1979 as approved by those in attendance are Marg Hallett as President, Clay Shaning as Secretary Treasurer, Kevin Stambaugh as 1st Vice-President and Lawrence Hrabec as 2nd Vice President.

Mr. Earl Hardy then introduced Dr. Walter Buck, M.L.A. for the Goldbar constituency. During his address, Dr. Buck emphasized the importance of the smaller rural communities and said he wasy glad to see the young people returning.

Dr. Buck said that he was concerned over what was happening to government and its involvement in the free competitive system. He stated that when we ask government what they can do for us, we lose our independence.

The M.L.A. also said that more local autonomy was needed by the municipalities. He felt that the control of the purse strings lies with the Provincial government and that it should lie with the Mayor and Reeve through unconditional grants.

He said that the Alberta Opportunity Company was a good government agency, but that it was not concerned enough with small businesses. Dr. Buck said that a sizeable portion of A.O.C. funding should be set aside for loans of $50,000 and under. He felt this was important because all rural communities could not have a major industry. He said that the emphasis should be on secondary and service industries.

Dr. Buck concluded his speech by stating that it is time to get back to basic things, and that means getting back to the rural communities.

During the evening, various people entertained the gathering. The Vegreville Ukrainian Dancers performed, Lloyd Wickstrom sang two selections, accompanied by Keith Robson on piano. Tetsu Tsukamoto, the Japanese exchange student played a selection on both the piano and the flute, accompanied by Janet McLevin on piano.

At the conclusion of the evening, Marg Hallett presented Mr. George Gsebelhaus, President of the Holden Senior Citizens Club with a cheque for $500.00 for use by his organization.

A Chamber Worthy of Praise

Last Tuesday, the Holden Chamber of Commerce held its annual Presidents' Night which officially ended the 1978 year for the Holden Chamber. The event was well attended and an impressive affair, as are most of the annual C. of C. meetings in the area. However, the Holden Chamber does not reserve impressive meetings for its annual meeting.

The Village of Holden is a relatively small rural community with a very "big" Chamber of Commerce. "Big" does not necessarily mean numbers (although there is a sizeable membership), but means enthusiasm, vitability, organization and spirit. The regular meetings of the Holden Chamber are not simply business meetings, which in many cases are boring. Their meetings come alive through the holding of supper meetings with interesting and informative guest speakers providing insights into various Chamber related areas. The incorporation of the regular business meeting into the evening's agenda takes nothing away from an interesting and informative Chamber gathering.

By making their Chamber meetings an occasion at which members of the community can socialize, be informed and kept interested, the Holden Chamber is definitely on the proper path towards working for the betterment of the community through fostering enthusiasm.

A lack of vitality and sincerity concerning their community can certainly not be labelled on the members of the Holden Chamber. We commend this group for being one of the more active Chambers in our area, and in the Province.

County of Beaver Council Minutes

Regular meeting of the Council of the County of Beaver No. 9 held in the County Office in Ryley on Thursday, November 9, 1978.

Present were Crs. Armitage, Brisard, Egenluk, Knudsiuo, Kropielnicki, Maxwell and Sears. Also present were A. Robert Cross, Secretary-Treasurer, Ronald G. Pepper, Assistant Secretary Treasurer.

The meeting was called to order at 10:15 a.m. by the Reeve, Cr. Kropielnicki.

Moved that D. Meddle attend the November 16, 1978 S.A.C. meeting. Carried.

The Superintendent of Schools and the Secretary-Treasurer presented the resolutions to be debated at the 1978 Alberta School Trustees Convention.

As there was no further business it was moved that the meeting adjourn. Carried.

Letters to the Editor

Dear Editor:

My letter of last week has brought forth comments on my courage to write to your paper; however, I must confess that it was not courage but frustration that produced the letter.

Now I am concerned why the taxpayers of Viking don't speak up! Why do you let these conditions go on year after year and never demand better service? We will always have winter and what better return for your tax dollar than snow removal. You are expected to keep your driveway and sidewalks clean and free of ice; therefore why should you expect less from your town? The back lanes can be kept plowed for the garbage truck, why not the streets?

Is there a shortage of equipment and men? There certainly seems to be a shortage of sand! Perhaps the Department of Highways could be asked to sand the street, at least they have success at removing ice. Why not try some fertilizer on your sidewalks, it works better than salt and doesn't damage the cement.

Okay, taxpayer, don't wait for your neighbor to complain, do it yourself; phone the Town Office and your Mayor and get rid of the ice in Viking.

Sincerely
Pat Erickson

Holden Christmas Concert Held

The Community Choir, along with many other fine examples of entertainment, performed at the Holden Christmas Concert on Saturday evening in the newly renovated Theatre. Photo by E. Norris

The Holden Christmas Community Concert was held on Saturday, December 9, 1978 in the new theatre. Mr. Ben Lutz was master of ceremonies for the happy occasion and a very interesting program was presented.

This was Holden's first event of this nature. Mr. Ben Lutz thanked Mr. George Baker for making it possible to be held in the newly renovated theatre.

Mr. George Baker of the Regional Recreation Board and many others of the Recreation Board have put much time and effort into the renovation of this old theatre.

Several draws were held throughout the concert with articles donated by some of Holden's business people.

At the end of the concert, a very tall and quiet Santa Claus came on stage to wish the large crowd Merry Christmas. Santa was so quiet that M.C. Ben Lutz asked Santa for the customery hardy Ho! Ho! It must have been a bit early for 'Santa'. The Holden community wishes to thank all those people who helped make this concert a great success and a thank you to all who attended.

Holden and District News

In the sports field we find Holden playing last Tuesday, December 5, against Lamont. The game ending with a scor of 6 to 5 in Lamont's favor.

Holden held a very successful community Christmas concert over the weekend.

Mrs. Hansinne (Sinne) Meannan formerly of Holden passed away on December 5, 1978 at the Killam Auxiliary Hospital at the age of 86 years. She is survived by three sons, Len and Bruce of Vancouver, Jim of Holden, one daughter, Mrs. Cliff (Grace) Pepper of Ohaton, ten grandchildren and three great-grandchildren.

Funeral services were held on Friday, December 8, 1978 at 2:00 p.m. from the Holden United Church with Reverend Model officiating. Interment followed in the Holden Cemetery. Burgar Funeral Home of Camrose was in charge of arrangements.

By Anna Shavchook

Ryley 4-H Saddle Sores Club

The meeting which was held on November 14 at the home of Grace Albrecht began with a total of 16 members present. Grace gave a demonstration on harnessing which inspired us greatly. Members are looking forward to a sleigh ride which will take place in the near future. Mrs. Albrecht also demonstrated on how horses should be driven. Goals were discussed and a lunch was later served.

The next meeting was held on November 28, at the Hisey home with 14 members attending. The Christmas party was discussed and it was decided that it would be held on December 10 at the Sinclair farm. There was also a demonstration on grooming and each member had an opportunity to groom a horse which helped out the Hisey kids in their grooming. Lunch was later enjoyed by all.

The next meeting on December 10, was the Christmas party and it was a huge success with 20 members and 10 visitors present. Everyone enjoyed a ride by hay rack to the pond for skating where a huge fire was lit and bales were set out for seats. Later we returned to Sinclair's for a weiner roast in their fireplace and a piece of cake made by Darlene Helgeland and Kerri Riel. One cake was in the form of an angel, the other a Santa Claus.

Everyone brought a gift and put it under the tree. The gift was then given a number and that number was put into a hat which everyone drew from. The gifts were horse orientated. Some got lead shanks, others brushes and hoof picks while some enjoyed receiving horse puzzles, books or posters. After the gifts were opened, everyone joined in and played games until the party ended.

Quinton Construction
and
Engineered Homes

As a team, we are equipped to provide outstanding home design expertise. Our library of 82 available plans offers bungalows, split levels and two-stories -- all created to enhance your lifestyle and ideally suited to any type of building location. Our home designs incorporate such features as fireplaces, sliding glass doors to sun decks or patios, attached garages and cathedral ceilings. Find out more -- contact

RYLEY — IN THE OLD MILK PLANT 663-3737

Ryley and District News

By Marlene Sinclair

Ryley Canadian Legion had their Christmas dinner and dance on Saturday, December 9th. The Skudness Ladies served the dinner and the music was by the Erickson's Band. There was a good turnout and everyone enjoyed themselves. The Legion and Ladies Auxiliary met on Wed., December 6th for the regular meetings. At these meetings the new executives for 1979 were elected. For the Legion they are as follows: President - Albert Burton, 1st Vice President - Keith Murray, 2nd Vice President-S.G. Pope, Secretary Treasurer - Jack Davison, Executive Council - Walter Stenarud, Harold Vergette, Charlie Herbert and Reg Dyer. The Ladies Auxiliary new executive are: President - Marie Dyer, 1st Vice President - Patricia Jeffrey, 2nd Vice President - Lois Murray, Secretary - Harriet Brown, Treasurer - Anna Burton, Sargeant-At-Arms - Mildred Stenarud and Chaplain - Anna Konsrud. The new executives will be installed at the next meetings to be held on Friday, January 12th.

Ryley Senior Citizens Sunshine Club: The Bazaar, Tea and Bake Sale were a tremendous success. All the money that was made will be used for the running expenses for next year. The lamp was won by Mrs. Dennis Adams and the door prize was won by Mrs. Marie Brix which was a ceramic planter and plant.

Cavelle Rebekah Lodge: The Cavelle Rebekah Lodge held their annual dinner for the senior citizens of the community last week with well over a hundred taking part. A turkey supper was served and a program of singing and slides was enjoyed. Mr. Lloyd Wickstrom sang a song accompanied by Mr. Keith on piano. Mrs. Nadine Wood played a number of piano solos and also played for the carol sing. Mrs. Erna Maaren then showed her slides of their trip to Denmark. Two Christmas Stockings are drawn for each year, the men's stocking was won by Oliver Lehman and the women's was won by Mrs. Annie Pope. Everyone enjoyed the program and fellowship.

Ryley Lions Club: The Lions Christmas Dinner and Dance for members is being held on Sat., Dec. 16 at 6:30 p.m.

Ryley School: The Junior Volleyball tournament was held here on Saturday, December 9th with both trophies being won by the Viking team. Never the less, both Ryley teams did well. The gymnasium has been in the process of being painted and has just been completed, thus the basketball practices will soon begin.

Wood's Hardware of Ryley have completed renovations to the front of their store in Ryley. Staff Photo

What's New in Ryley

Doug Wood is in the Tofield Hospital with pneumonia. He was hospitalized last Thursday and should be released this week.

Last week it was reported that Barry Stumbo's operation was unsuccessful and that the thumb had to be taken off. Well, that is only partially true. The operation was partly successful as his thumb only had to be amputated at the joint, meaning that part of the thumb actually grew back on. Amazing, considering the amount of time that passed from the accident until the doctors were able to operate.

Ray Hoveland had an unfortunate accident when he fell in the Village Office and cracked his pelvis. This happened last Saturday. He was taken into Dayaland to be x-rayed and went again on Monday for further examination. He was told he would have to stay off it for some time. He is now staying with his brother Ruben and wife until he mends.

Donald Law has been in the Tofield hospital for some time. On Monday he went to stay in the Viking Lodge until spring.

John Wells of St. Johns, Newfoundland, nephew of Mrs. Florence Booth, is in the Tofield Hospital with high blood pressure. He was down in California visiting relatives when he took sick. He decided to head home but only got this far before he needed to be hospitalized.

Mrs. Ranheim is now home from the hospital, but Thor Mahlum is still hospitalized in Tofield as is Mr. Anton Podrusny.

Ryley Brownies

The Ryley Brownies had an enrollment service for 8 new members to officially welcome the new members into the pack. They were led to the "Magic Pool" where they met Tawny Owl, Sharon McGaugky. From there they were escorted over "rocks" to Brown Owl, Diana Larsen where they were asked to repeat the law and promise. Brown Owl then pinned their pins on and gave them their scarfs and their six ensignas. After this ceremony the Brownies welcomed the new members into the pack with a Grand Howl. Those Brownies earning their service pins received them at this point.

Pictures were taken and lunch served. Mothers visited with the leaders and the Brownies enjoyed the freedom of the large Community Hall. This was their first time in the hall. They have signed a contract with the Lions Club to rent the main hall for $10 per week.

Echo-Rodino Report

Missed from last week's news was that Bradely Day of Wainwright spent the weekend at the Prosser residence.

Florence Hollar is now home from hospital feeling better.

Yvone Greenwood spent Monday in the city with her daughter Teresa. The trip home wasn't so pleasant as they had to travel most of the way in the sudden snow storm that travelled through the area.

Les Prosser escaped being seriously injured when the trees which he was bull-dozing down, came in contact with the power line. The community was out of power for a few hours. The Bag Whist game at the Rodino Hall had a total of eight tables of brave players out on a cool night. Everyone enjoyed themselves even if the game got rather chilly when the furnace decided to quit half way through.

Ken Husband was a weekend visitor to the Prosser home to help the family celebrate an early Christmas dinner as Les and Doreen plan to spent Christmas in Toronto with Leslie's mother.

Maxine Torrance has gone to spend sometime with her son in Edmonton so she can be with her mother when she goes through surgery in Edmonton.

Harriet Faulkner motored to Edmonton with her son-in-law Stan White to visit with her granddaughter Barbara. While there she dropped in to see Ivy Mollier who she reports is now feeling much better and anxious to be back home.

Progressive Farming

James B. MacKay Dist. Agriculturist

Bill Brass - Asst. Dist. Agriculturist

Instead of just being a good looking person, why not also take something intellectually stimulating this winter from your local D.A.'s office to help you achieve stardom. Here's a list of courses we thought you might enjoy:

1) Alberta Rapeseed Home-study Course - everything you wanted to know about rape but were afraid to ask.

2) Alberta Cattle Nutrition Homestudy Course - you say your cattle are dragging themselves across the range by their lips . . . might be a nutritional problem.

3) Farm Management Group got some strong points and some weak points on farm management you could share with other producers, and possibly help you out - come to this one; (we don't use couches, or head shrinks).

4) Tree Pruning and Grafting Course - your boy traded the milk cows for some beans and now the beanstalks are taller than the house - this might be a course for Jack's dad.

5) Acreage Course - want some ideas for the back quarter acre? This is the course for you acreage holders.

6) Welding Course - You want to get rid of that old machine shed - smoke 'er down with this course.

If any one of these coursen interest you, call us and we'll reserve a place for you!

Red Deer Area Feedlot Tour

On December 11, 12 and 13, 1978, we have planned a tour to examine different feedlot set ups and establishments in the Red Deer area. In talking to a variety of producers and picking up some ideas, it may prove profitable to you.

You don't have to be a feedlot manager to go on this tour! If you're interested and can spare the time, please give us a call. (seating on the bus will be on first come, first served basis).

Service for Mable Rollinson

Mable Rollinson passed away very suddenly on November 23, 1978 at the age of 77.

Mable Kalberg was born in Badger, Minnesota on March 9, 1901. The family farm was at Leagby, Minnesota, a few miles from Badger. It was here she spent her first nineteen years of her life, growing up and attending school. In 1920 she moved to New Norway where she was employed. In 1924 she returned to the States and enrolled at the Nazarene Missionary Institute in Nampa, Idaho, where she received her diploma in 1926. After she graduated from Nampa College she travelled to Ardmore, Alberta and spent the winter with her brothers who had taken over a homestead filed on by their father in 1921. She again returned to the United States, this time to Bellingham, Washington, where she later met and was united in marriage to George Rollinson on July 15, 1927. After their marriage they moved from Bellingham to Dear Island, Oregon. In January of 1928 they moved again, this time to Canada, where they farmed near Lloydminster Saskatchewan. In 1941 the family moved to the Viking district where she lived until her passing.

Her greatest treasure in life was giving of herself, and she will be sadly missed and remembered by us all. Mable leaves to mourn her death, one son, Jim, and his wife Margaret of Viking; one daughter Doreen and her husband Trev Sagert of Edmonton; one brother Palmer Kalberg of Ardmore, Alberta; five grandchildren, two great grandchildren, and many nieces nephews and other relatives. She was predecessed by her loving husband George on June 4, 1978, two brothers, Liever in 1920 and Reinhard in 1973, and one granddaughter Rhonda on June 8, 1975.

Funeral services were held from Golden Valley Lutheran Church, on November 28, 1978 at 2 p.m. with Pastor Tim Johnson officiating. Interment followed in the Golden Valley Cemetery. Ronaghan Funeral Services was in charge of all arrangements.

Honorary pallbearers were Ridge Gilpin, Bill Suddaby, Alf Toverud, Ed McIntosh, Sid Brooks, Ed Weder.

Active pallbearers were Don Klein, Bob McVittie, Lorentz Toverud, Joe Lefsrud, Reg Erickson, and Bill Kittle.

Hymns sung were "Nearer My God", and "Softly and Tenderly". Ila Sorenson was the organist and Stan Sorenson was the soloist. Stan sang the old time hymn "Will the Circle Be Unbroken".

Floral Tributes were from:

The Family; Palmer and Hazel; Deb and Ken; Alan and Anne; Eugene and Sharon; John and Eileen, Ken and Helen, Marilyn and Brian and girls; Lloyd and Mary, Raimer and Pauline, Maureen; Marlene, Hans and Melonie; Emma, Irene and Crossley Gibson; Mr. and Mrs. Sam Klein, Don and Betty Klein, Edwin and Carman Klein and families; Ron and Betty Warrington, John and Lilia Cwihuta, John and Vi Johnson, Harry and Doris Wade, Earl and Eva McNichol; Charlotte and Leslie Hanson, Arnold and Vaughn; Roger and Dianne Siermacheeky and family, Albin and Bernie Siermacheeky and family; The Board of Directors of the Viking Co-op Assoc.

Flowers to the home were from;

Mel and Pat Amundson and family; Joe and Emily Lefsrud and boys; Bob and Adeline McVittie and Kelly; Arnold and Mary Gibson and family; Lenard and Alberta Gibson, Donald and Darlene Gilson; Alf and Irene Toverud and girls, Lynn and Bill Kittle and girls, Shirley and Henry Pohada and boys; Mrs. Brower, Marnie and Ken Simpson, Ross and Ileen Brower, Bill and Agnes Brower Inid and Larry Lang, Jess and Gordon Campbell; Don and Betty Klein; Bev and Horton Thacker, Lovenda and Dianne Paull, Mel and Vera Lamb, Irene and Harry Wadstein, Evie and Claude Gillard.

Memorial Donations to Golden Valley Cemetery Fund in memory of Mable Rolinson:

Heimer and Caroline Kjelland; Leo and Alma Kelly, Viola Lee, Amanda Grue.

Memorial Donations to Golden Valley Lutheran Church in memory of Mable Rollinson

Lizzie Suddaby; George and Karen Cottrel; Sam and Edna Otto; Dorothy and John Wright Ole Lokken; John and Rita Hafso; Margaret and Bob Watson; Joan and Leo Stewart; Agnes and Helge Lefsrud; Guria Ohman; Herman Hafso and family; Ted and Winnie Henderson; Art and Myra Francis; Mr. and Mrs. Andrew Naslund; John Hansen; Ed and Merle Weder; Brian Beamish; Alfred and Margaret Hill; Henry and Irene Hafso; Theima and Otto Sorenson; Carl Sorenson; Martha and Selmer Holmes Reg and Ellen Erickson; Mr. and Mrs. Sam Klein.

Memorial Donations to the Legion Sponsored Hospital Equipment Fund in Memory of Mable Rolinson from:

Carl and Inga Thengs; Eugene and Margaret Rusicka and family; Art and Myrtle Ronaghan; Jack and Edna Roddick; Harry Otto; Glenda Langager; Solvie Salveson; Albert and Margaret Stubert; Isabelle Jorgenson; Ed and Elsie Bruhaug; Magnor and Lorentz Toverud; Palmer and Gerda Nordstrom; Burton Benson; Gail and Joyce Haydon; Alf and Irene Toverud; Mr. and Mrs. Elmer Thomson; Ross and Lil Fitzmaurice;

Memorial Donations to the Canadian Lutheran Bible Institute in memory of Mable Rollinson from:

Mrs. Julia Johnson; Ida Elness.

Memorial Donations to the Gideon Memorial Society [Bibles] from: Mrs. Sofie Sorenson.

Memorial Donations to the Canadian Cancer Society, in memory of Mable Rollinson from: Mr. and Mrs. Carl Tabler Mr. and Mrs. Jack McLeod; Mr. and Mrs. Ed Severson; Mr. and Mrs. Bill Rolaff; Mr. and Mrs. Albert Jackson.

Memorial Donations to the Canadian Red Cross Society: Lloyd and Connie McIntyre; Vern and Hilda Gilpin; Adolf and Stella Streit.

CARD OF THANKS

We extend our sincere thanks with heartelt gratitude for the many acts of sympathy shown us during the loss of our Mother and Grandmother. To those who expressed their sympathy by visitations, phone calls, letters, prayers, and words of comfort and concern. To those who sent flowers to the Church and our homes; to those who sent floral wreaths, sympathy cards and memorials. Thanks go also to our friends, neighbours and relatives who brought or sent food to our homes; to the Honorary and Active Pallbearers; to Trev Beaumont; and to the ladies who brought and served lunch after the service; and to all others who assisted in countless ways . . . Thanks also to Ronaghan Funeral Home for their countless thoughtful considerations during and after arrangements. Special thanks to Stan Sorenson, soloist, and wife Ila, organist, who graciously sang and played our solo request, along with the other hymn selections. A very special thanks to Pastor Tim Johnson for his numerous visits with us; his touching words of prayer and words of comfort with our families. We also wish to express our sincere thanks for the service with its message of comfort, courage, salvation and faith.

Jim and Margaret Rollinson and family and Doreen and Trev Sagert and family

Do You Know The Bible Says

By Mrs. W. Myers

Faith is the substance of things hoped for, the evidence of things not seen. Heb. 11:1. Faith cometh by hearing and hearing by the Word of God. Rom 10:17.

Paul in Acts 20 speaking to the Ephesian elders about his service for God among them said that he was ministering to both the Jews and the Greeks. Repentance toward God, and faith toward our Lord Jesus Christ. Many say, "Oh yes, we must have faith." Faith in what or who?

When we have Christ and when we make Him the prime object of our lives we don't think so much about our faith but what He can do for us. He wants to fill us with Himself. Matt 22:42 asks, "What think ye of Christ?"

There came a time when there was a little thing between me and Christ. I express it by a little conversation with a friend who said "You were healed by faith."

"Oh, no," I said, "I was healed by Christ."

There came a time when even faith seemed to come between me and Christ. I though I should have to work up faith. God seemed to speak to me so sweetly saying, "Never mind, my child, you have nothing. But I am perfect power, I am perfect Love, I am Faith, I am your Life, I am the preparation for the blessing, and then I am the blessing too. I am all within and all without, and all forever. It is just having the faith of God." Mark 11:22. And the life I now live in the flesh, I live, "not by faith on the Son of God, but by the Faith of the Son of God," Gal. 2:20. That is it, it is not your faith.

You have no faith in you, anymore than you have life or anything else in you. You have nothing but emptyness and vacuity, and you must be just openness and readyness to take Him to do all. You have to take His faith as well as His life and healing and have simply to say, "I live by the faith of the Son of God." Here, Lord am I. If you want me to be the channel of blessing to this one, just breathe into me all that I need."

Rejoice Together

Communion 1st Sunday, L.C.W. 3rd Tuesday. Council 2nd Thursday of the month

Christ the Great "I Am"

By Onesimus

When God appeared to Moses in the Burning Bush, as deserived in Exodus 3, He revealed to Moses a new name; "I Am". The Name stands for the Fact of God's Uniqueness and His Everlasting Existence. He is before all things, He is in existence now and always will be: "I am Alpha and Omega" sayd the Lord God, "who is and who was and who is to come, the Almighty" (Revelation 1, verse 8)

In John's Gospel, the same types of names and descriptions are given of the Lord Jesus Christ. This week we can consider three of them briefly.

1. The miracle that occured when Andrew brought the fish and lovaes to Jesus, led to Our Lord saying this of Himself: "I am the Bread of Life; he who comes to Me shall not hunger and he who believes in Me shall never thirst" (John 6 verse 35). He is saying that as man hungers and thirsts for food and drink, so he needs spiritual food and drink. Man needs satisfaction for his soul - his very being and existence. Christ alone gives that soul's satisfaction. Nobody else can His Life was given for us, so that "if anyone eats of the bread which I give, he will live forever"; he will have everlasting life.

2. In John chapter 8, verse 12, Our Lord says, "I am the Light of the World; he who follows Me will not walk in darkness, but will have the light of life". Of this Lord Jesus, John himself said in chapter 1 verse 4, "In Him was life and the life was the light of men". In order to obtain true wisdom and understanding and above all to attain to a true knowledge of God, "I Am" - we need to come to Him, Who is the Light of the World. He dispels spiritual darkness and moral failure and reconciles us to God.

3. In John Chapter 8, verse 59, Jesus makes the same claim for Himself as God when He revealed Himself to Moses! Jesus says that Abraham foresaw the day when He would come. When the Jews heard this they said, "You are not yet fifty years old - how have you seen Abraham?" (who lived about 1800 year before Christ came into this world as a human being) Jesus replied, "Truly, truly, I say to you, BEFORE ABRAHAM WAS, I AM". This tremendous statement establishes once and for all that Jesus is God. "I and the Father are One".

As Christmas approaches, let us remember Who the Child is in the manger of Bethlehem - the Bread of Life, the Light of the World, God in the Flesh, come to save His People and give glory to God the Father.

Bruce and District News

Bill Stefanik has been passing out cigars for the past week! He and Edna have a brand new baby daughter, born November 27 at the Royal Alexandra Hospital in Edmonton. Juanita Anne weighed 8 pounds 14 ounces and is joyfully welcomed by brothers Jimmy and Scotty.

The Agricultural Society Turkey Bingo was held on December 8, with a record crowd in attendance. Unfortunately, everyone could not take home a Christmas Turkey but someone did manage to take home four. The 4-H members had no trouble at all selling the goodies they had baked and were kept busy selling coffee during the evening. Following is a list of winners: Roy Haugen, Mrs. Russels, Peter Tkaczyk, Joyce Teed, Lillian Siegel, Rose Fornal, Annie Koppel - Mini Bonanza, Joe Kawaliiak, Elaine Laing, Bruce Kawaliiak, Joyce Teed, Ray Midbo, Edna Stefanik, and Joyce Teed. The door prize was won by Con Ell.

Vernon Pratt was once again the lucky winner of the cake raffled by the W.I., while Tracy Hissett and Jimmy Stefanik won the cakes raffled by the 4-H girls.

Betty and Ben Modin of Carrot Creek were here for a pre-Christmas visit with Betty's daughter Elaine Laing.

Ernie Hammermaster and Wayne Luak have both been patients in the hospital the past week...Ernie in Edmonton and Wayne in Viking. Both are wished a speedy recovery.

There will be a Santa Night for the children of the community on Friday, December 15. The evening will begin at 6 p.m. with a potluck supper. Each family is asked to bring two items, salad, main dish or dessert. Santa will be arriving from the North Pole sometime during the evening and there will be games and Christmas carols. Get your family group together to sing carols in any language and you just might win a prize.

By Bea Fredericks

McMullen Serves 4th Term Bruce Ag. Soc.

At the Annual meeting of the Bruce Agricultural Society held in the Recreation Centre on December 5, Stewart McMullen was re-elected as president. Peter Miciak retains the office of vice-president and Mary Hammermaster replaces Bea Fredericks as secretary-treasurer.

Elected for three-year terms were Board members Hank Field, Bud Hammermaster and Dennis Gahr. They along with Edna Stefanik, Roy Erickson, Anne Motkoski, Judy Kalita, Paul Malowany and Irvin Berkholtz make up the 1979 Board.

The Senior Men's Curling Playdowns will be held here in early January and the Farmers' Bonspiel will go from December 11 to 17 with 22 rinks entered. A donation of $100 will be made to the Women's Institute to assist with the annual children's Christmas party.

Caretakers for the ice are Bruce Kawaliiak and Jim Tkaczyk and janitorial duties will be shared by Judy Kalita, Myrna Curtis and Paul Christian.

By Bea Fredericks

Bruce 4-H Girls

A regular meeting of the Bruce 4-H Girls was held on Monday, December 4. The roll call was exchanging of names for Christmas. The girls worked on chapter two - The Milky Way and made hot cocoa, chocolate pudding and vanilla dream topping which they all enjoyed for lunch. Plans were finalized for the Bake Sale.

The 4-H girls would like to thank the Bruce Agricultural Society for allowing them to hold a Bake Sale at the Bingo and also a thank you to those who attended for making the sale a success.

Reporter Joyce Lutz

ATTENTION COUNTY SUBSCRIBERS

The County of Beaver will no longer be paying for a local newspaper effective January 1, 1979.

TO ENSURE THAT YOU CONTINUE RECEIVING A NEWSPAPER AND SO THAT YOU WILL BE ABLE TO BE KEPT UP-TO-DATE WITH WHAT IS HAPPENING IN YOUR COMMUNITY, MAY WE SUGGEST A SUBSCRIPTION TO THE WEEKLY REVIEW. ALL PERSONS LIVING WITHIN A 40 MILE RADIUS OF VIKING CAN RECEIVE A 1 YEAR SUBSCRIPTION FOR $5.00 AND THE COST FOR PERSONS OUTSIDE THIS RADIUS BUT WITHIN CANADA IS $7.00 PER YEAR.

HERE IS WHAT YOUR SUBSCRIPTION TO THE WEEKLY REVIEW GIVES YOU:

- *A weekly, community newspaper which is concerned with serving the people within its coverage area.*
- *A weekly T.V. Report, listing the T.V. schedules and also giving a variety of other interesting services.*
- *Until January 31, 1979, a FREE entry for a trip for two to Las Vegas, courtesy of The Weekly Review.*

Profile: Walter Kropielnicki

Walter Kropielnicki was born at Chipman, Alberta on December 9, 1914, one of two sons. He grew up in Chipman and Ross Creek, and then in Ryley from 1926 onward. Walter farmed with his father until 1936 when he began farming on his own. He is still farming in partnership with his son, Richard, 7 miles north of Ryley.

Also in 1936, Walter married Jo Engle from Mundare. Their 42 years of married life have seen the couple joined by four sons, Ron, Harvey, Richard and Gary.

Walter has been very active over the years in various church and community organizations. For many years he served on the board of St. Anthony's Roman Catholic Church north of Haight and has also served on the board of the Ryley Roman Catholic Church since the closure of St. Anthony's. Walter also worked with 4-H in the Ryley area for many years.

In 1962, the Ryley Rural Electrification Association was established and Walter was one of the original members of the Board of Directors. He also helped to organize the acquisition of natural gas for the rural area around Ryley.

Walter Kropielnicki is presently Chairman of the Tofield Municipal Hospital Board, a Board on which he has served for about 15 years. He also also been on the Board of the Vegreville Health Unit for 16 years and is presently Chairman of that Board as well.

In 1962, Walter was elected to the Council of the County of Beaver representing Division 4 and has held this elected post ever since. He served as Deputy Reeve of the County for about fifteen years, and in November of this year was chosen by the County Council as Reeve.

In years past, Walter has enjoyed baseball foremost amongst sports. He notes that "I'd sooner have played ball than eat." With the years, Walter has given up playing baseball and now enjoys fishing and carpentry, a hobby he has enjoyed for many years.

Walter Kropielnicki says he is a County man. He doesn't look at his job as Councillor as a prestige position, but a position through which he can work for the betterment of the County of Beaver.

Viking Vixons Start New Season

The Viking Vixon girls basketball team started off their season on December 1 and 2, when they toured to Camrose to play in the eighth annual Norseman Tournament. Under the coaching of Mr. P. Fon, the team members include: Karen Barber, Karen Overbo, Debbie Sloboda, Darlene Laskosky, Alana Fouts, Jenny Anderson, Cheryl Giroux, Paulette Rabby, Marilyn Forsyth and Connie Slavik.

The first game which took place on Friday night at 8 p.m. against Sedgewick, took a score to 28 to 27 in Sedgewick's favor. Scorers for the game were Karen Barber with 17, Darlene Laskosky and Jenny Anderson with 4 points each and Karen Overbo with two points.

The second game on Saturday morning, was against the McCoy School, Medicine Hat. The Vixons won by a score of 22 to 19. Game scorers were Karen Barber with 18 and Karen Overbo with 8 points.

In the last game, the Vixons played against Ponoka. The score at the end of the fourth quarter was 37 to 29 for Ponoka. Pointers for the game were Karen Barber with 17, Karen Overbo, Darlene Laskosky, Cheryl Giroux and Paulette Rabby with 2 points each.

The first County of Beaver Basketball game start on Wednesday, Dec. 20, at 6:30 p.m. in the Viking School gymnasium. Come on out and cheer your team on. We'll be expecting to see you there!

Last Thursday evening, the first curling event of the season was held as the Viking Curling Club held a Fun 'Spiel. **Staff Photo**

Success Follows Midget Team

Wayne Seizer of the Viking Midgets sends the puck down the ice during a shorthanded situation during their game with Dayland on Sunday. The Viking team defeated Dayland to remain undefeated in 5-M League play.
Staff Photo

The Viking Midgets started their hockey season with a fair measure of success...winning five games in a row. Their first victory came at the expense of the Irma team. Ronald Sutter scored twice, with singles going to Allan Evans, Kenny Lefsrud and Richard Sutter. Irma scored twice, ending the game with a 5 to 2 score in favor of the home town boys.

On Saturday, Dec. 3, Wainwright visited the home town arena to challenge the local club but came out on the losing end when the final buzzer sounded. The local Viking team won by a score of 8 to 2. Statistics from this game are not available.

On Tuesday, December 15, the Midgets travelled to Hughenden to play the Amisk team. After three good periods of hockey, the final score ended in favor of the Vikin boys by a 9 to 4 margin. Ronald Sutter scored five times, with Richard Sutter, Wayne Erickson, Allan Evans and Kenny Lefsrud tallying once for Viking.

December 8th saw the Amisk team return to Viking for a game. This also proved to be a good one, with Amisk skating right with the Viking boys. The first two periods were close hockey but in the final period the local boys out hustled the Amisk team, scoring six goals. The game ended 10 to 4 in favor of the Viking team. Ronald Sutter scored three times, while Allan Evans added a pair. Brian Vitek, Richard Sutter, Scott Taylor, Kevin Maxwell and Wayne Erickson each collected a goal in the winning cause.

On December 10, the local boys played host to the Dayland club. In a game that was very chippy, the local boys appeared superior in play to the visitors. With numerous penalties called and the score totally one sided, play became very rough and the game was called with three minutes remaining. Ronald Sutter who has been on a scoring spree, picked up four goals. His twin brother also has the scoring touch and picked up six goals. Allan Evans also on the "Sutter Line", scored three times to make a total of 13 goals for that line in the game. Singles went to Bob Graham, Kevin Maxwell and Kenny Lefsrud.

The Viking Midgets are presently five wins and no loses due to an over-all team effort right from goal tender to forwards. On Friday the boys travel to Sedgewick and with a solid effort by everyone, should make an interesting game and a possible addition to their win record.

At this time, the whole team would like to thank all the fans and family members for their support at these games. It means a lot.

Gas Kings on Winning Streak

On Wednesday, December 6, the Gas Kings travelled to Lougheed and came back with an 11 to 2 victory. Lougheed opened up the scoring at 12:00 minutes of the first period when Dean Armstrong scored unassisted. Viking answered 3 seconds later when Ray Rattray hit the spot also unassisted. Martin Laskosky added a second goal for the Gas Kings at 13:18.

The second period scoring began at 2:58 when Kirk McIlroy scored assisted by Lee Laskosky. At 5:54 Brad Clarke assisted by Dale Probst and Allan Probst tallied Lougheed's second marker. Lee Laskosky scored Viking's fourth at 6:36 with Ray Rattray and Wes Jones getting the assist.

In the third period, the Gas Kings ran away with the score. Gordon Rattray with a hat trick, Tim Kelly, Nelson Kowalchuk, Martin Laskosky and Ray Rattray with singles made the final score 11 to 2.

Viking took 33 minutes in penalties, including 3 majors and Lougheed took 26 minutes with 2 majors.

On Saturday, December 9th, the Gas Kings played their second road game in Irma. The first period was scoreless and only three penalties were called.

Thirty-six seconds into the second period Blair Quinton scored assisted by Gordon Rattray and Lee Laskosky. At 19:15 Alf Harbin answered the goal assisted by Allan Jones and Roger Levesque.

The third period scoring began at 8:00 minutes when Gordon Holt moved Irma out front. Roger Levesque and Darryl Nilson got the assists. At 15:43 Ron Naslund tied it up 2 - 2 with Robin Bittorf and Lee Laskosky getting assists.

Each team served 10 minutes in penalties in the preceding game.

On Monday night the Gas Kings hosted the Dayland team. Viking opened up the scoring at 1:22 of the first period with Kevin McGinitie receiving the marker and Wes Jones and Jim Laskosky assisting. At 2:18 Martin Laskosky scored, a second for the Gas Kings with Tim Kelly and Nelson Kowalchuk getting assists.

In the second period Murray Quinton scored for Viking at 3:51 and Bob Zimmer, assisted by Doug Zimmer, put up Dayland's first marker at 17:36.

The third period saw Ray Rattray score at 8:01, assisted by Wes Jones and Ron Nashand at 8:01; Merv Lansing, unassisted for Dayland at 15:06 and Jim Laskosky, assisted by Wes Jones and Ray Rattray at 18:28.

Viking received 26 minutes in penalties while Dayaland received only 6 minutes. Final score - Viking 5, Dayaland 2.

Viggo Lindberg Celebrates 85th

Thirty people enjoyed a buffet dinner at Golden Valley Lutheran Church in Viking on Sunday, December 10 in honor of Viggo Lindberg's 85th birthday.

The head table was centered with a white and blue birthday cake flanked by blue candles and a white and blue carnation arrangement designed by his granddaughter Cheryl Loveseth. Grandson Randall Loveseth welcomed the guests and capably handled the M.C. duties for the afternoon. Irene Hafso, friend of the family, said grace.

During the open house in the afternoon, several more friends arrived to bring birthday greetings. Much visiting and reminiscing about the old days was enjoyed. Granddaughter Sally Loveseth was in charge of the guest book. Ellen Loveseth read her composition "A Tribute to Dad" and Ole and Audrey Nissen entertained with several lovely piano and violin duets. Then as a special tribute to Viggo, his friend of many years, Mr. Nissen played several Danish songs, much to everyone's enjoyment.

Everyone joined in singing "Happy Birthday" and Elnar Loveseth, on behalf of the family and friends presented Viggo with a group gift. Mr. Lindberg then thanked everyone for the birthday celebration

Out of town guests came from Edmonton, Sedgewick, Camrose, and Irma. Youngest member of the Lindberg family present was Kwei Penny of Edmonton, great granddaughter of Mr. Lindberg.

(See Pioneer Portrait)

Attention Artists

The Viking Art Club is tremendously pleased to announce that they are going to resume their art lessons on Wednesday, January 17 at 6:30 p.m.

We have been very fortunate in obtaining Giselle Felsburg as our instructor. This talented lady has studied in Berlin, Banff and numberous other art centres.

Her work hangs in several world renowned collectors' galleries.

Giselle is rated as one of Alberta's top artists. Despite this success, she is a fantistic teacher, giving as much attention to the beginners as the advanced student.

She possesses a great sense of humor which makes learning a pleasure.

All persons interested please attend a short meeting at Mrs. J. Lefsruds, 8:30 p.m. on Sunday, December 17th.

If unable to attend, and interested, phone B. Klein, 336-2441 or C. Rauser 336-2193.

Elks Bingo a Success

The Viking Elks express their sincere appreciation to the community for their support and look for a good attendance once again on Saturday night, December 16, 1978.

Saturday Dec. 9, 1978

11. Elwood Garvie
13. Julia Manas
14. Wendy Roddick
15. Tony Chomik

Receiving Cash Consolation Prizes were Mrs. Rattray, Geraldine Place, Frank Fornal, Marg Erickson, Lydia Hanson, Lena Arndt, Ridge Gilpin, Gloria Garvie.

Special Game - 16 - was won by Gloria Garvie - Prize donated by Bill's Bulk Esso Sales

Door Prize Winners were Mary Johns and Debbie Fowler. Turkey Raffles were won by the following: Archie Sauers Lois Giroux, Molly Rusicka Father J. Adamyk, Flo Maxwell, and Alberta McCleary.

Babysitters Graduate

A well attended "Babysitting Course" was held in Viking. Those completing the program included [Front row left to right] Kelly McVittie, Novalee Bird, Gwenda Bauer, Sonya Leaden, Linda Cormack, Sue McKinney, Jacqui Watson and Bob Cormack. [Back row left to right] Pauline Bennett, Marion Zolinski, Sheila Winter, Karen Bauer, Kelly Rusicka and Valerie Schiller.
Staff Photo

Fourteen young people recently successfully completed and passed the Red Cross Babysitting Course. These members are now qualified and confident in the great responsibility of a babysitting position

But there is also a responsibility of the employer, the parent. It is important to take time on the initial visit of the babysitter to show her your home and to point out hazards (medicine cupboards, tools, etc.) and safety features (all exits and locks, furnace and controls, etc.) Also a parent must leave adequate written instructions as to where they will be at all times, the normal routine of their child or children and where to find essential needs such as diapers, extra clothing and blankets, pajamas and snacks. With these things in mind, it should make everyone's evening more enjoyable.

Marg Hallett, President of the Holden and District Chamber of Commerce, presented George Globellaus, President of the Holden Senior Citizens with a cheque for $500 at the Chamber's President's Night on December 5.
Staff Photo

Free Film for Viking Students

The film - Toby Tyler will be shown on Monday, December 18th, at 1:00 p.m. in the Viking School Gym.

Unlike other years, treats will not be provided as there is some feeling in the community that the considerable sum of money needed to provide candy and oranges could be spent on the needy and on other projects more in the true spirit of Christmas.

A number of service organizations-Elks, Lions, K.C.'s and the Chamber of Commerce, of the Viking district are once again sponsoring a film for pre-school children and students - grades one to six of the Viking School. Pre-school children are welcome, if accompanied by a parent.

Parkland News

Greetings to Mrs. Gabriel, Mrs. Kawaliak, Mrs. Stevens and Mrs. Starobe - all patients in the hospital. Get well soon. Mr. Hrdlicka has returned home from the U. of A. Hospital.

Mrs. Gustafson enjoyed a visit with her daughter, Mabel Sarsain and son Eddie Gustafson.

Calling on Mrs. Haeberle were Alleita Mitchell of Coronation, Mr. and Mrs. Emil Siebold from Camrose, Mrs. and Mrs. Glen Siebold of Castor and Mr. and Mrs. Bill Siebold of Bentley.

Mrs. Damer Anderson of Tofield was in for a visit with all her friends.

Visiting with Mrs. Bremner and Mrs. Hutchinson was Ruby Rattray.

Bunny and Cindy Hanson called on Grandma Swanson.

Maurice Cumming visited with Grammie Haeberle and Mr. Bill Kelly.

Mrs. Ward spent Saturday afternoon visiting with her son Ross and husband Pete.

Mrs. Lou Cole's visitors included daughter Mrs. Ed Percy, grandson John and great-grandson Ted, all from Coronation.

Sam and Audrey Kendrick of Edmonton were in to visit with Hollie Kendrick.

Mr. Auburn enjoyed a visit with his sister Honey Curtis from Strome

Our Fall Tea and Bazaar was once again a great success. We were able to raise enough money to purchase a projector and this is all due to the great response from our community. Thank you everyone!

Mrs. Headrick of Vialta Lodge was the winner of the hooked rug which was first prize and Mrs. M. Robinson was the winner of second prize - a hooked wall hanging. The decorated cake, donated by Mrs. Kay Kawaliak was won by Joan Stambaugh.

The C.W.L. from Prague and Viking provided entertainment on Thursday and Monday. Both groups treated us to a lovely lunch and then gathered around the piano for carol singing. Thank you for making our days more festive and gay!

WE WOULD LIKE TO EXTEND A SINCERE

THANK YOU

to all the people who have become our friends and customers over the yearsthat we have been in business as Viking Giftware and Jewellery. It has been our pleasure to serve you and we hope you will continue to support the jewellery store and the new management.

May we also extend a warm thank you to our devoted staff. We are pleased to announce that they will remain on staff with the new management.

Maurice and Diann Furmanek

We would like to take this opportunity to introduce the new owner, Mrs. Evelyn Carrington.

Evelyn was born in Viking and raised on a farm south of Bruce. She received her public schooling in Holden and following this, attended N.A.I.T. in Edmonton. She was married in 1970 and shortly after her and her husband returned to Viking where they and their two children now reside.

To make room for new stock orders which will be arriving soon, Evelyn is pleased to announce that she will continue the 20% Off Sale on all items now in stock from now until Christmas. Along with the 20% Off Sale, there will also be clearout specials throughout the store. You are invited to drop by and meet the new management and take advantage of the continued savings being offered during the 20% Off Sale.

Watch For Our Official Opening To Be Announced In January Of The New Year.

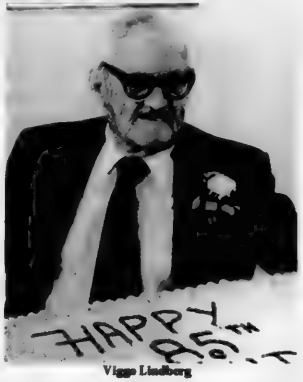
Pioneer Portrait

By Carol Maxwell



Viggo Lindberg

Mr. Viggo Lindberg was treated to a special party last Sunday to celebrate his 85th year.

40 of those years were spent in the Jarrow district where he and his new wife settled in 1915. There they farmed a half-section of land. Mr. Lindberg recalls the Jarrow of the twenties as a prosperous busy town hosting a bank, lumber yard, machine shop, hotel, restaurant and grocery stores. Their demise came during the thirties when one by one they closed their doors.

His activities prior to his stay at Jarrow were varied. He was born in Denver, Colorado in 1893 and his father did some farm and ranch work near there and Viggo attended school on the outskirts of Denver. There were sufficient students to have only two grades per classroom and he completed his grade school education there.

In 1908, his family headed for California and he worked at various jobs there for the ensuing four years: for a Buick Agency in San Diego and bus boy in a cafeteria in Los Angeles. The pace of life in those centres was still relatively slow in those days. Few cars were in use, almost all delivery work was done by horses and for those driving the horseless carriages, speed was restricted to 6 m.p.h. on the main streets.

Four years of California life ended when the Lindberg headed for Denmark. Once there, Viggo returned to school completing the equivalent of a high school and community college education. Then, following his marriage, he emigrated once again - to Canada - to farm near Jarrow.

It was the poor health of his wife that resulted in a subsequent emigration - back to the U.S.A., this time to coastal Oregon where more clement weather prevailed. Mr. Lindberg there worked for United Airlines until his retirement. They enjoyed a number of years of that retirement before his wife's death and last year circumstances found him changing his country of residence once again. He has since taken up residence at Viking Lodge.

At present he is involved in what has become a familiar go-round of late - obtaining citizenship papers. His 40 years of residence here hasn't simplified things at all but we hope that the rewards of life back in Alberta will make the hassle more worthwhile.

Vialta Lodge News

Jean and Bob Cotter of Calgary visited with Mr. Cotter.

Visiting Mrs. Elness this past week were Signe Abeltoft of Peace River, Irene Fleyeg, Doris Likness and Tom and Myrtle Harray.

Calling on Mrs. D'Arcy during the week were Gladys Christensen, Shirley Wanson, Marilyn Maertz, Russell and Elsie Grant and Mrs. Danielson all of Sedgewick.

Margaret and Reg Suddaby called to see mother Suddaby.

Mr. and Mrs. Jack Shaw of Sedgewick called on Sunday to see Mrs. D'Arcy, Max Hoyland and Mr. and Mrs. Zeigler.

Other visitors at the Lodge included Rev. and Mrs. Sandy Johnson of Vanderhoof, B.C. as well as Allen, Marilyn, Corinne and Derek Johnson of Hughenden, Alberta.

Many thanks to the ladies who came on Friday afternoon to decorate our Lodge.

Mr. Lindberg celebrated his birthday on Sunday with a family dinner and Open House in the afternoon at Golden Valley Lutheran Church. Those attending from Vialta were Mr. and Mrs. O. Loveseth, Mr. Gonmeringer, Mrs. Sarjeant, Mrs. Livingstone, Joan and Alice.

Mrs. Elness also celebrated her birthday last Thursday. Many happy returns of the day to you both.

Irma Daze Review

Irma was a busy and bustling place on Saturday, December 9. Irma Daze seemed again to be a huge success.

A can, the property of Ioger Le rogue was stationed on Main Street near the Bank of Montreal and the sound system was supplied by Northwestern Utilities. It was manned by volunteers who were rotated.

The main street resembled Jasper Avenue so heavy was the traffic. The weather was ideal. We were told that the Chamber of Commerce had placed an order for just such a day. A more detailed account will be published next week.

Viking O.O.R.P.

The regular meeting of the Viking O.O.R.P. was held in the lodge rooms on December 5 with H.R.L. Piscia officiating. Members welcomed 4 visitors from the Holden Lodge. The meeting opened with the regular ritual, followed by the draping of the charter in memory of the late Lady Truman.

Secretary Jean McInroy read the minutes of the November meeting, and Margaret Maxwell presented the financial report.

Due to the inability of Mr. Roddick and Mr. Kripps to be present at this meeting to report on the new hospital, it was decided to ask them to attend the February meeting.

Members please bear in mind that the January meeting will be held January 10, 1979 at 8:30 because our regular date is the day after New Year's.

Irma and Wainwright Lodges will be invited to attend.

The attendance prize, provided by Myrtle Ronaghan, was won by Rita Hill.

Irma New Horizons

Irma New Horizons club staged its first Bingo onMonday evening, December 4 in the Drop-In Centre. The winners were as follows:
Mrs. Wigmore, Audrey Nissen, Darlene Wigmore, Joe Burton, A.M. Cook, Louisa Prosser, Eileen Lewis and Donna Barber (split), Elsie Pond and Carol Meyer (split), Louisa Prosser, Emma Mark, Joe Burton, Elsie Pond and Carol Meyer (split), Donna Barber, Carol Meyer. The jackpot of $20 was won by Evelyn White.

Beavers to hold Ceremony

The Viking Beavers have been very active the past few weeks. The new kits have been busy learning ceremonies, laws and promises so they can be invested. The investiture ceremony will be held on December 20th at 3:30 at their regular meeting.

All parents are invited to attend to see their boy invested. Also all parents of Beavers are invited to attend as we plan to have our Christmas party the same day.

At the present time we have 28 Beavers. Eight old Beavers and 20 new Beavers. We are pleased to have Darla Biddlecomb and Diane Maxwell helping us.

On December 7, we had a table at the Farmers' Market where we sold fudge, candy and popcorn. We did extremely well...selling a grand total of $51.25. Thank you to all the mothers who brought fudge. Also a hearty thank you to Mr. Bagdan from the Brock theatre who donated us all the popcorn. It was greatly appreciated. Thank you to Mrs. Kloots for popping it for us.

The last few weeks we have been busy making Christmas gifts for our mothers and fathers. These will be presented to the parents at our investiture Christmas party.

Dawn Hodgins

Irma News and Views

Albert and Bev Jackson from Edmonton visited with Albert's mother and father over the weekend. Bev also visited her brother - Ray Lewis and Eileen. They both enjoyed meeting so many old friends at the W.I. Tea and sale in the Legion Hall on Saturday, December 9th, Irma Daze.

On Friday, December 8, Eddie and Albert Jackson and a friend from Sedgewick drove to Lethbridge on business. They reported sighting a number of antelope, also some buffalo on the Calgary Stampede farm.

Grace Archibald returned on the bus last Monday from an extended holiday in B.C. with her brother Frank and family at Campbell River. She also spent some time with Art and family at Port Hardy.

We are glad to notice a large neon sign at the V.I.P. Motel which read "Sorry", which meant "No Vacancy". This is encouraging for the owners.

Work is proceeding steadily on the "Irma Motel". Windows and doors have been installed and we have been informed that the heating system has been activated.

Lorna and Marilyan Jackson and Miss Joyce Bartholow combined their talents to provide a sumptuous repast for a party at the home of Minnie and Jim Jackson on Wednesday evening, December 6, in honor of Minnie's 71st birthday. Also celebrated on the same occasion was the birthday of her granddaughter Barbara who is 17. Mary and Bert Armitage and Betty and Clifton Holt were amongst the guests. Granddaughter Lorraine was also honored as her birthday was the following day.

Bob Jackson and his wife Geraldine and their friends Allen Smith and Andrea Nolan all from Edmonton visited with Bob's parents. They also called and had tea with Minnie and Jim on Sunday evening.

Elsie Coultman and Meg Dunbar visited with Minnie and Jim Jackson on Tuesday, Dec. 5th.

Congratulations to Alma and Mel Garbe on the arrival of another son, Michael William, at Viking Hospital on Wed., November 29, a brother for Melody and Melvin. Mother and baby are home and doing fine.

John and Ann Dunbar drove to Hanna on Monday to greet their new granddaughter Crystal May who was born on friday, December 8, their first grandchild. They took great grandmother Meg along to see the new arrival.

John and Betty Pasztor left on Friday, December 8 for a trip to Hungary. They expect to be away for at least a month.

A truck belonging to a drilling outfit went over the bank at McKay's Coulee, on Monday morning, December 11. The damage to the truck was extensive, but the driver sustained only minor injuries. One of Hap's trucks took the load - a tank - to Brownfield, while the truck went to Wainwright. Roads are very slippery in some places and extreme care is needed to avoid accidents.

Irma Alliance Sunday School Christmas Program will be held on December 21, 1978 at 7:30 p.m. Everyone welcome.

The Pencil Box

A Thinking Cap

By Irene Findlay

Do you recall the times during your childhood days when your parents would say to you:

"Johnny, do you have your thinking cap on?" or,

"Mary, put your thinking cap on." Sort of like an order.

I remember as though it were yesterday the many times this was said to me. It usually meant that my parents assessed my behavior as pretty stupid at those times. But isn't it evident today that we as human beings behave as though we had our thinking cap on backwards?

Daily, the news media brings up a blow by blow report on happenings from half way around the world. Bizarre happenings, such as the recent incident in Guyana. It was an unbelievable act by a man whose thinking no one will ever comprehend.

We hear of decisions being made by world leaders with whom we may not agree, but it is a democracy, and we don't expect everyone to look at a situation in the same way. Still, many of us cannot understand something like the abolition of the death penalty when crime in this country, contrary to what we led to believe, is on the increase. Surely we can't be thinking straight.

Just take the fashions of last year, for instance. If a woman was found tucking her pant leg into her boots, high boots no less, she would have been considered a kook. This year, albeit, it is the in thing.

Even though it is a well known fact that a small car is more economical to drive, conserves on the precious oil we are told will soon run out, and is adequate to transport one person, many of us continue to use the gasoline gobbling cars. In some countries, a bicycle, camel, elephant or taxi cab, peddy cab, rickshaw or even shanks pony is sufficient.

There are the air strikes. Just when it is very necessary and important that a person take a trip, such as a poor exchange student who is touring the U.S.A., on his way to Alberta from New York, Air Canada decides to go on strike. Where does that leave a traveller . . . up in the air?

Or take for instance the Post Office. Do they have their "thinking cap" on straight when they'll hold all of your mail when the elderly are living from pension cheque to pension cheque? Or the family allowance cheque is held up somewhere while mother wonders what she will do. You may even be waiting three months for a reply or a cheque for a manuscript sent to Farmers Report or some other paper or magazine. Why, it is sheer thoughtlessness for the postal workers to sit down on the job at such a time.

You would have to be terribly naive today to believe that male and female are only meant for each other. Your father could be someone's mother; or vice versa.

The weather man last fall, to beat all, got the weather all mixed up. When we should have been having rain, it was dry, then in the fall when we needed the nice warm drying winds there was so much of the wet stuff the farmers' crops confusingly started to grow again in the swath.

Perhaps what is needed is that old-fashioned parent again to say:

"Johnny, do you have your 'thinking cap' on?"

If Johnny reads this he will probably exclaim!

"Oh brother, she sure needs to straighten up her thinking. Where has she been living? This is North America and the twentieth century."

We're A Concrete Business!

When there's work to be done . . . we don't use guesswork . . . we plan each job exactly, expertly. If you have a cement job you want done right . . . call us!

REALTOR MLS

We are a M.L.S. firm.

Chacutenah Manor News

Mr. and Mrs. R. Simmermon of Calgary were recent visitors with his mother, Mrs. Simmermon.

Mrs. G. Coultman of Camrose spent the weekend with her sister Mrs. Cockroft.

Miss Mildred Smith was an Edmonton visitor last week.

Mr. and Mrs. J. Moore of Tofield visited with her mother Mrs. McRoberts on Tuesday.

The Bible Study and Fellowship group met at the home of Mrs. Riley on Tuesday morning.

We appreciate the visit of the Alliance Church carollers on Friday evening. Also the boxes of delicious home-made candy they presented to us were more than appreciated. Thank you girls. Thanks are extended to your Leader, Mrs. L. Skori and your pianist, Mrs. D. Creasy.... please come again.

Our Christmas party was held in the attractively decorated Lounge on Wednesday evening, hostesses were Mrs. Simmermon and Mrs. Cockroft. A sumptuous dinner had been prepared and was enjoyed by all. The toast to our Queen was proposed by Mr. H. Riley, to the Manor Family by Mr. O. Nissen and to Mr. and Mrs. Guy - our very obliging caretakers, by Mrs. Cockroft.

Jolly old Santa Claus appeared on schedule and delivered the presents stacked about the tree. Gifts of a box of "Jap" oranges from Mr. and Mrs. Guy and after-dinner mints from Mr. and Mrs. Nissen were appreciated.

Carol singing to music provided by Mr. and Mrs. Nissen was enjoyed followed by several games of Bingo. Humorous skit "Reuben and Rachel" presented by Mrs. Lambert and Mrs. Cockroft was well received.

Birthdays recognized this month were those of Mrs. McRoberts and Mr. Preveratt. Happy Birthday was sung, followed by the cutting of the nicely decorated cake and serving of coffee by the hostesses. Another happy evening came to a close.

Visiting with Mr. and Mrs. Hooper at the weekend were their son Clarence from Edmonton.

Kinsella Seniors

Kinsella Rose Senior Citizens Club held a meeting Monday, November 27. Pearl Brown presided as President as Ivy Millier is in hospital, we all wish her a speedy recovery.

It was decided to have one meeting only in December - the 13th. The next meeting will be in January. There were 15 members present. New members on the Board of Directors are: Pete Mollier, Hans Grube, and Wilfred Pyke.

It was decided that each member pay 25 cents for coffee and members don't have to supply lunch. Have a Merry Christmas.

Kinsella News Items

The sympathy of the community is extended to Mrs. Murray and family on the death of her husband Ed.

Barbara Davis spent a few days in the city with her sister Bella Olsenburg who is now spending a few days in Kinsella before returning to Ryley.

The Kinsella Men's Basketball team are having a successful year with a record so far of six wins and no losses.

On December 5, the team travelled to Tofield winning their game with a score of 44 to 27. The next home game is in the school gym on December 20, at 8:00 p.m. Spectators are more than welcome.

Doug McKie returned Monday from an all expense paid trip to the N.F.R. in Oklahoma City, Oklahoma. He was one of eight Boys Steer Riders chosen to make the trip.

Twenty members of the Kinsella Elks Lodge made a visit to Irma with the travelling gavel. Thanks to Art Pierce and the Irma Elks for returning "Frankie". Instead of being admired by the Irma girls, now "Frankie" is being admired by the Kinsella girls.

Congratulations to Karen Overbo on being chosen as one of the Allstars at the Norseman Basketball Tournament at Camrose.

We are glad to have Ivy Mollier home again and feeling better.

Irma W.I. News

The annual meeting was held at Mrs. Audrey Nissen's home with 18 members and one visitors present. Annual reports were given by President Kay Fahner, Edith Wilson, Secretary, Georgina Enger, Treasurer, and Betty Parsons, Social Services.

A Christmas Cheer Committee was set up and a collection taken to help finance the purchase of goodies for the parcels which will be delivered. The Community Christmas card is progressing well. Donations of $3.00 or more to your favourite charity are required to have your name placed on the card which is displayed in the co-op window.

Plans for the tea on Santa Claus Day, December 9, were finalized.

Mrs. E. Wilson presented a beautiful W.I. cup and saucer to the retiring treasurer, Mrs. A. Georgina Enger. Mrs. E. Gunn presented a like gift to the retiring secretary, Mrs. E. Wilson.

Mrs. C. Ballentine presented the nominating committee's report. The officers for 1979 are Mrs. Kay Fahner - President, Mrs. P. Fleming - 1st Vice President, Mrs. Phyllis Craig - Secretary, Mrs. Audrey Nissen - Treasurer.

Delegates to District 2 Conference at Gray Nun's Center, Edmonton on January are Mrs. G. Wilson, Mrs. Kay Fahner and alternate, Mrs. Phyllis Craig. Mrs. Edith Gunn, constituency convenor will also attend.

Donations were made to C.N.I.B., U.S.C., T.B. funds and Les Otho fund.

The January meeting will be at Mrs. Edith Gunn's home. Hostesses are members with names beginning with the initials M to Z. Part of the program will be listening to a cassette, "Dialogue Niarobi". Raffle - Mrs. G. Meyer.

WEDNESDAY, DECEMBER 20, 1978 Volume 1 No. 45

The Viking Elementary School Choir directed by Everett Norris, entertained at "The Magic of Christmas" concert which was held on Wednesday, December 13. Approximately 1,000 people took in the evening of entertainment. Staff Photo

Capacity Crowd Attends "The Magic of Christmas"

The community concert "The Magic of Christmas" presented at the Viking Community Hall on the evening of Wednesday, December 13, had the "magic" formula for outstanding attendance. Many extra chairs were carried in to accomodate the "capacity" crowd.

The evening opened with a "carol singalong" led by Arlene Norris, Dennis and Pauline Watson, accompanied by the Senior Band.

The Viking Elementary School Choir captured the audience with their spirited singing of "Have Necessities" as well as three other selections.

Band presentations by both the Grade Seven and Grade Eight bands were well received by the audience.

One of the highlights of the program was the surprise presentation of the familiar 'beats' of "Rock Around the Clock" complete with stage lighting.

A disappointment to many was the fact that although the Two Hills Ukrainian Dancers were featured throughout the program, a glimpse of flowers and costumes was all they saw. Due to the size of Viking's stage, the dancers found it necessary to use the dance floor for their performances.

Outstanding among the numbers chosen for the program was the remarkable rendition of "Super Star" by the Senior Band, complimented by the lighting effects of the Viking Drama Department. Young and old were awed by their presentation.

Adding further to the enjoyment of the evening was the delightful singing of "O Holy Night" by Mrs. Arlene Norris.

Viking is indeed fortunate to have in our midst the dynamic personality and talents of Band Director Everett Norris as was evident by Wednesday night's crowd.

Water - Sewer Accepted in Bruce Rejected in Kinsella

At a public meeting held in Kinsella on October 2, 1978, a vote of 24 to 9 in favor of proceeding with plans for the installation of water and sewer facilities in Kinsella was arrived at.

Voting was conducted by secret ballot and the results were forwarded to the County of Beaver council.

A legal petition was then prepared and delivered to Kinsella to be signed by the parties interested in obtaining water and sewer services. Only land owners within the Hamlet were permitted to vote with there being a 50 per cent "Yes" majority required to proceed with plans. Results of the second vote indicated a change of mind regarding the issue as the final count was two names short of the 50 per cent required.

Kinsella residents are now back to square one with regard to obtaining water and sewer services for the Hamlet.

At the same time, voting in Bruce went in favor of water and sewer installation with residents forseeing no problems providing a satisfactory cost factor can be arrived at.

Next Issue - January 3

In order that the managements, staff, and correspondents of The Weekly Review can enjoy the Christmas holidays with their families and friends,

The Weekly Review will not be publishing an edition on Wednesday, December 27.

The next edition of this paper will be published on Wednesday, January 3.

All news items of the two week period can be left in our drop-off boxes in your community for inclusion in the January 3, issue.

Our office will be closed from December 24 to December 27 inclusive and from December 30 to January 1, inclusive. The office will be open on December 28 and 29 as usual and will return to regular operation on January 2, 1979.

Teachers Accept Contract

Teachers in the Elk Island Regional School Authorities Association have accepted a contract for the calendar year of 1978. At a meeting of School Trustee and Alberta Teacher's Association negotiators held on Thursday, December 7, a memorandum of agreement was signed. At meetings of the teachers and trustees following this memorandum, the contract was accepted by both parties. Teachers in the Counties of Beaver, Minburn, Lamont, Leduc, Vermilion River and Flagstaff, and in the School Divisions of Wainwright, Devon and Provost are covered under the new contract.

Of the approximately 1050 teachers employed by the member education boards of the E.I.R.S.A.A., 584 voted for the offer while 84 voted against the offer. Approximately two-thirds of the teachers in the E.I.R.S.A.A. voted on the contract and of these, about 87 per cent accepted the agreement.

The contract provided for an average increase of 7.75 percent overall. One of the major benefits included in this 7.75 percent overall increase is the payment of 50 percent of Alberta Health Care premiums by the member boards on either the single or family rate, depending upon the particular teacher's situation.

The contract for 1978 was ratified with a little over two weeks left in the contract year. Negotiations for the 1979 contract year are expected to begin early in the new year.

A Time for Thanks

Christmas is the time of year when we as individuals often take stock of our situation. We may reflect on our position in God's creation. We may reflect on our family relationships. Or we may reflect on our personal achievements over the past year.

After reflecting on our very nature and existence, we may then be truly engulfed by the spirit of Christmas - that spirit of giving thanks to all who made our life during this year of 1978 more meaningful, enjoyable, and worthwhile. We at The Weekly Review are most definitely thankful to so many people that enumeration would be impossible.

We give thanks to the near 1,200 people who have supported us during 1978 by buying our paper. Without you, the reader, our efforts would be meaningless.

We also thank the many businesses in the various communities for their support in advertising with us. Without their support, our paper would not be possible.

The many correspondents in the towns, villages and communities and organizations who endeavoured to supply us with the news of their particular area or concern also deserve a hearty thank you. Local news is what a weekly newspaper is based upon, and these people have done a tremendous job for us and for their communities and organizations.

A sincere thank you is extended to our feature writers for contributing so freely of their time and talents. May we also thank those who have chosen our newspaper as a vehicle to convey their opinions and concerns to the community at large.

Finally, we thank everyone in the communities and surrounding districts of Ryley, Holden, Bruce, Viking, Kinsella and Irma for their over-all support of our efforts through placing their news with us, for keeping us informed of major events, and for dealing with us in their newspaper and printing needs.

With the type of support which we received during 1978, our first year of operation, we can only foresee a better year in 1979 in our efforts to serve you.

May we at The Weekly Review extend warmest wishes to you all during this Christmas season of 1978. We hope that you are blessed with joy and happiness at this time, and that prosperity and fulfillment will be with you throughout 1979.

Not A One-Day Affair

For most towns in the area, Parent-Teacher Interview Days have passed. Hopefully, i. was a time from which not only students will gain, but teachers and parents as well.

We all want our children to have the best in education – but we forget sometimes that by our actions, or lack of them, we parents aren't allowing that quality of learning to exist.

We joke once-in-awhile, saying our kids don't appreciate the education they're getting. But do we appreciate it? What other time of the year besides Parent-Teacher Interview Day do we demonstrate to our kids the importance we place on their education?

Giving a child a good education involved more than sending him off in the morning for someone else to run rule over. It means choosing the best school for that child - public or separate, and not only on the basis of religion.

It means meeting the teacher every year. Don't wait until Parent-Teacher Day to be invited. And give that teacher the common courtesy of talking to him or her first if something is wrong.

Find out what your child is being taught. You may believe in getting back to basics: the three R's, but what if the curriculum doesn't?

How often do we as parents gather to discuss our children's education? Are we really guiding our children through the most important mind-building time of their lives? If we're not, you can be sure we haven't fooled the kids as much as we've fooled ourselves. Maybe their lax attitudes are a result of ours.

Guest Editorial from The Community Press

Letters to the Editor

Dear Editor:

Seasons greetings and best wishes for the New Year.

Recent letters to the Editor prompt me to point out that, these kind of letters cause resentment in the one they're directed to, but not much effects otherwise.

I agree with much of the context of these letters, but not the methods of presentation. The Chamber of Commerce is called the sounding board of the public. And remember the old adage, "A community is as progressive as its Chamber of Commerce". If you have complaints, recommendations or proposals of any kind, bring them to the C. of C. meetings. Membership is open to all. They will be discussed, and if warranted, will be sent to the council of the town or county. Any suggestion sent to council is seriously considered, letters to the editor are not.

What is a Chamber of Commerce? It is you and me, and any other citizens, that want this, the best community in the country, to be a little better.

How can we be progressive though, when we hear more and more often, "I'm too busy to be involved"? Who is to blame?

Last week the band concert drew a large crowd. The same night a hockey game drew a near record crowd. The next night, the annual meeting of the Agricultural Society drew so few members that a slate of officers could not be elected. If this "too busy to be involved," attitude continues, we can easily foresee the finish of both the Chamber of Commerce, and the Agricultural Society. Who is to blame?

As we start the new year, let's make a resolution not to be "too busy to be involved."

Ken Bird
Pres.,
Viking C. of C.

Keeping in Touch

By Arnold Malone, M.P.

The year 1979 has been designated the International Year of the Child. The United Nations has proclaimed, in a Declaration of the Rights of the Child, that "a child ought to have a happy childhood and enjoy for his own good and for the good of society the rights and freedoms set forth by a specific statement of principles".

Some of the specific clauses include, "The child shall be entitled from its birth to a name and a nationality". Another principle states, "The child who is physically, mentally, or socially handicapped shall be given special treatment, education and care required by his particular condition". Principle 6 states, "The child, for the full and harmonious development of his personality, needs love and understanding. He shall, wherever possible, grow up in the care and under the responsibility of his parents, and in any case in an atmosphere of affection and of moral and material security; a child of tender years shall not, save in exceptional circumstances, be separated from his mother. Society and the public authorities shall have the duty to extend particular care to children without a family and to those without adequate means of support".

In part, Principle 7 states, "the best interests of the child shall be the guiding principle of those responsible for his education and guidance; that responsibility lies in the first place with his parents". Principle 8, states, "The child shall in all circumstances be among the first to receive protection and relief". Principle 9 in one that should bring relief to Canadian parents who have a compassion for the needs of children. That principle states in part, that "The child shall be protected against all forms of neglect, cruelty, and exploitation. He shall not be the subject of traffic, in any form".

The final Principle stated above is so vitally important in view of the increasing instances on using children in portraying pornographic literature and just as offensive and more frequent, the alarming number of cases of child abuse should concern us all. Every year literally several thousand children are found to have been neglected or abused in Canada. While many of these cases occur in the larger metropolitan areas, the facts are that there are a significant number of cases of child abuse in rural communities. Unfortunately, many of these cases are known about by neighbors but because there is a cultural belief that we ought not to get involved in the affairs of another family, most of these cases go unreported.

Recently, I spoke to an information officer with the Social Services Department who told me about some of the very severe instances of child abuse. His description was of bodies that had been beaten, lacerated, and bones broken by the parents who should have been extending guidance and care.

This new focus on the child ought to be viewed as an opportunity for all Canadians to join in a celebration of childhood and to do all in our power to make Canada and the world a better place for children.

No Pioneer Portrait This Week

The rush of the season has made interviewing for my column close to impossible, but I will resume in the New Year.

I do want to extend to all the readers of The Weekly Review a very Merry Christmas. To those who have cooperated so willingly with me and have made writing this column such a satisfying experience, I extend special wishes.

I have enjoyed meeting every one of you.

Three of Canada's newest citizens [left to right] Bert Large, Farzana Ahmad and Nasim Khan, all of Viking, received their citizenship papers during December. Mr. Large, a pressure station operator for Northwestern Utilities, came to Canada from England in 1947. Miss Ahmad, the Home Economics teacher at the Viking School, arrived from Pakistan in 1975 and Mr. Khan, the Medical Lab. Technologist at the Viking Hospital, also came from Pakistan in 1975. Staff Photo

Kinsella Concert Well Attended

Kinsella Community was treated to a very enjoyable evening last Saturday, when they staged their Christmas concert. Ray Johnston, as M.C. kept the program rolling.

Marion Zelinski started things off with her presentation of a parody on "Twas The Night Before Christmas".

The Viking-Holden Stage Band, under director Everett Norris, presented a medley of carols, with singing by Arlene Norris and Dennis Watson.

"The Toymaker's Dream" followed. The stage took on the atmosphere of a toy shop and to the accompaniment of piano and vocalists, the youngsters, dressed as toys, came to life as the toy makers slept.

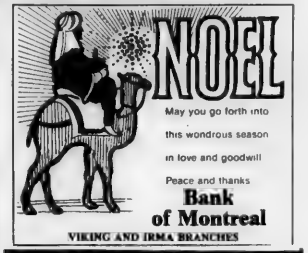
The stage band then performed again: Jesus Christ Superstar, Can't Help Fallin In Love - vocal by Dennis Watson; Sweet Caroline, complete with vocal; and Rock Around the Clock.

A local "Newlywed Game" was then presented by four couples, who with mates other than their own, represented four other local couples and answered the questions accordingly (with tongue in cheek). The gamemaster presented the winners "Bill and Hjordis" with free tickets for a ride on Santa's sleigh.

December draws were made for the monthly prizes. The $75 was won by Gary Minchau, the $25 by Glenn Lawrie. The grand prize draw from all the tickets from the preceeding six months for a broiler-oven was won by Casmer Garvie.

Carol singing by a group of women, and a visit from Santa ended a most enjoyable program. Coffee and lunch was then served to all.

Viking Burger Queen Will be Closed from December 25 to January 1



A CHRISTMAS CAROL

Kinsella W.I. Christmas Party

Our annual meeting was held on the 21st of November, 1978. There were ten members and three guests present. After opening in the usual manner, the financial statement for the year was given, minutes of the last annual meeting were read, and minutes of the October meeting were read.

Correspondence included a letter from A.W.I. President - Mrs. Marie Plaizier, in which she asked support for the A.W.I. Girls Clubs. It was moved we send a donation and congratulations on the re-grouping of the Alberta Busy Beavers, along with wishes for success.

A committee then reported on the catering for the Piwowar's 50th Anniversary, also a committe report on the Children's Hallowe'en party was given.

The executive stay the same as last year; President Mrs. Barbara Davis, Vice-President Mrs. Gwyn Daugherty, Secretary-treasurer Mrs. Helen Taylor.

Some of the educational convenors were changed. Those not at the meeting, please note. The Annual Christmas party for members and families was discussed. It was decided to have a pot luck supper and social evening at the Community Hall on the 11th of December.

A committee was formed for entertainment and tea to be held on the afternoon of the 26th of November for residents of Parkland Nursing Home.

Mrs. Mary Lancaster was to see our younger members with children regarding entertainment for the Community Christmas concert to be held on the 16th of December.

It was decided to have a table at the U.C.W. Flea Market. Motions were made to donate to the Kinsella United Church and the A.W.I. office fund.

We were very pleased to have one of our guests, Mrs. Pat Retzloff join our group - Welcome Pat.

Mrs. Betty Monaghan demonstrated the art of making centre pieces. Materials were brought by the members and with Betty's help, most went home with at least something accomplished for Christmas.

Lunch was served by Mary Lancaster and Helen Taylor, over which all enjoyed a pleasant visit. Our next meeting to be held on the 17th of January, 1979. Any ladies interested are most welcome.

If you're thinking of purchasing a dozer blade this winter, drop by and compare our prices and quality.

Kinsella W.I. Meet

The Kinsella W.I. held their annual Christmas Party on Monday evening, December 11. A very enjoyable evening commenced with a pot luck supper, continuing with the singing of Christmas Carols, Bingo for the children and card playing for the adults.

Prize winners were: Men's High - Clare Findlay; Ladies High - Phylis McBride. Travelling prizes went to Mary Lou Rawiuk and William Rawiuk.

This event was considered a real success with a total attendance of 54. A wish for a Merry Christmas and Happy New Year from your President, Barbara Davis.

No disking until after New Years. It will begin again on January 6, 1979.

Kinsella Rose Seniors

Kinsella Rose Senior Citizens held their last meeting of the year on Wednesday, Dec. 13, with 8 members present. Bylaws were read and approved. Casmer Garvie donated a carry-all for the Secretary to carry the books. Calol McKie donated a weaving loom for our crafts.

The annual meeting will be held January 10 and yearly dues will be paid then. Hope to see everyone out at the January meeting.

Christmas at Sharon Lutheran Church

The Christmas season is upon us, and well do we realize that at Sharon Lutheran Church. The festivities began on Thursday evening, December 14, with an L.C.W. family Christmas party in the church parlors. Carol singing by an enthusiastic group, a play "Oh Worship the King", presented by some of the L.C.W. members, and a few pencil fun games all contributed to a most pleasant evening.

However, the highlight was the presentation of lovely corsages to five senior members: Mrs. Tina Gulbrax, Mrs. Hattie Halvorsen, Mrs. Elva Spring, Mrs. Elsie Satre and Mrs. Dicka Hollinger.

The L.C.W. also remembered Pastor and Mrs. Ray Niebergall with a gift at this time. A delicious lunch brought the happy Christmas party to a close.

On Sunday evening, December 17, Sharon Sunday School presented an inspiring and delightful program to a filled church. Mrs. Solveig Rassok, Superintendent, welcomed the many visitors.

Smaller children out numbered older members, so this year more individual numbers were thought advisable. We were treated to solos by lovely little voices, recitations, a charming duet, a four-piece instrumental number as well as a beautiful solo by Mr. Gordon Hollinger, "No Room in the Inn".

Carolyn Erickson did a splendid job as both organist and pianist as well as singing a charming solo. The group singing by the Sunday School was enthusiastically rendered. The audience also participated in the singing of a few favorite carols.

In closing, Pastor Niebergall led the audience in a group reading of a special children's benediction.

Gifts stacked under surely the most beautiful tree in Canada were quickly distributed as well as candy bags for the children and an orange for each adult. Thus the evening for which the children had worked so hard to make successful, came to a close.

The next Christmas event at Sharon is a candlelight service from 4 until 5 p.m. on Christmas Eve.

Kinsella Elks Report

The regular monthly meeting of the Kinsella Elks Lodge was held on December 14, with 25 members present and only two officers absent.

Three members from Viking were introduced, Exalted Ruler Heinz Grube, Bert M. Hill, and John Mattinson. These visitors were very much appreciated for taking such an active part in business discussions.

Three new members, Lyle Orachenki, Kelly Overbo and Gordon Walker were initiated by the newly formed Kinsella Degree team. Chairman and acting Esquire of the Degree Team, Cliff Overbo, introduced the team as follows: Exalted Ruler Wayne King, Past Exalted Ruler Tobe Smith, Leading Knight Bert Smith, Loyal Knight Lawrence White, Lecturing Knight Harlan Fulton, Inner Guard Jerry Mark, and acting Secretary John Bobyak.

This team is looking forward to helping Viking Elks initiate candidates Tuesday evening December 19, 1978.

Members of Kinsella Elks Lodge are urged to attend the January 11 meeting to vote on a motion of intent to raise the annual membership dues.

The Kinsella Elks would like to thank everyone who helped make the two "Turkey Bingos" a big success this year. The proceeds from these functions go to help needy children and worthwhile community projects.

Wayne King

Irma and District News

Christmas visitors have begun to arrive. Mrs. Marian Yeomans of Vancouver is a guest of Mrs. Elva Spring.

Dennis and Lou Erickson and little daughter Teena are here from Smithers, B.C. to visit their respective parental homes during the holiday season.

Miss Lori Fuder was home over the weekend.

The Christmas Card fund now contains a fine sum to be divided between C.L.I.B. at Camrose, and the Gwynne Children's Home. Thanks to all who so generously contributed.

May the following sentiments expressed by Charles Dickens, reformed Scrooge, be those of each one of us. "I will honor Christmas in my heart and try to keep it all the year."

A Christmas Wish

There's just one wish we have for you, and that's a bountiful season of happiness!

Strawberry Plains W.I.

Seven members met at the home of Mrs. Harry Long, on December 13th, for our Christmas meeting. Mrs. John Passtor is holidaying in Hungary; Mrs. Irving Bell had to work and we are very sorry that Mrs. Erling Nilson will no longer be able to be a member of our W.I. due to a change in jobs.

Minutes of the November meeting were read and the Treasurer's report given.

Our Secretary, Mrs. King, read a letter inviting us to take part in a "Talk Back" show to be televised in February, March and April. One can write and receive material concerning this show or simply watch and send in your views.

A.W.I. President, Mrs. Plaizier, wrote further concerning the Fund Finders' Coach Tour, to start on June 16th. You must book before January 15.

The District Convention will be held January 17 and 18 at the Grey Nun's Centre.

It was agreed that our W.I. would sponsor a page in the Irma High School Yearbook for five dollars.

Donations of twenty five dollars each are to be made to the Irma New Horizons Club and to the Irma Minor Hockey Club's Clock Fund.

The trip to the Battle River Lodge on November 21st was enjoyed by all. The guests particularly enjoyed the music.

At this time election of officers for the following year took place. We were very pleased to know that Mrs. John Passtor agreed to be President, before leaving on her holiday. Mrs. Martin Creasy volunteered to be Secretary, Mrs. Harry Long will continue as Treasurer for another two year to be followed by Mrs. Ted Hill for the following two years. Mrs. Jim Jackson will take over Social Services. Mrs. Irving Bell will continue with the cards and Mrs. Hugh Tomkinson in her indispensable job of handicrafts. Our past President Mrs. Eddie Jackson wants to devote her time to our History Book.

Our Christmas party will be held on December 20th with the pot luck supper at 6:30. There will be a sing song and several contests, with time for visiting.

The January meeting will be held at the home of Mrs. Martin Creasy. It was decided the hostess will also supply the lunch. Raffle - Doreen Bell; Roll call - Dues.

The raffle, supplied by Aletha Tomlinson was won by Minnie Jackson.

We enjoyed a Christmas lunch which included chocolates made by Ethel King and friends. Ethel described how each one was made.

We would like to take this opportunity to wish everyone a very happy Christmas and all the best in 1979.

In the glow of the holiday spirit we wish one and all a happy, hearty Christmas!

Humor Highlights Christmas Party

The Irma New Horizons Club has staged a Christmas party every year since they came into being, all of which were enjoyable. The party on Wednesday evening December 13th as well as being the first in our own premises, was also the best to date.

The centre was tastefully decorated and the meal began at 6 p.m., served buffet style.

Approximately one hundred members and friends gathered. Rev. Gordon Wilson said grace. After the meal, a variety program was enjoyed. Edith Wilson, chairlady, welcomed everyone.

"Hello" staged by Georgina Enger singing "Ten Little Handshakes" with everyone shaking hands, produced much fun and laughter.

Audrey and Ole Nissen gave a piano and violin duet. Edith Wilson gave a monologue entitled "Oh Doctor" ...which was a scream.

Orril Darling conducted a session of carol singing. A contest by Edith Gunn was won by Phyllis Craig who had all ten questions correct.

A solo "Memories" by Peggy Fleming was encored and she responded with "A White Christmas". A skit arranged by Phyllis Craig proved to be hillarious..."A Mock Wedding," with Jimmy Craig rigged up in wig and wedding dress with lavish use of cosmetics, was a charming bride. Minnie Jackson as bridesmaid looked very demure. The groom, Elma Tomlinson seemed very much in command of the situation, and was supported in a manner which indicated much experience, by Gordon Wilson. The star of the show however, was Phyllis Craig as the clergyman, with Roman collar and slicked down hair, she looked more the part of a bishop than just an ordinary clergyman. She performed the ceremony, which had to be seen and heard to be appreciated. When she announced "You may kiss the bride" the couple embraced with such style that it seemed well rehearsed. The crowd went wild, some are still laughing.

Next on the program were several numbers by the "Over Sixty Sintillating Singers". These numbers were very well received. Then forming a large circle that spanned the complete centre, everyone joined hands and sang "You are My Sunshine". This was followed by the singing of "Auld Lang Syne" which brought a very delightful evening to a close.

Hazel Oracheski in a few choice words expressed thanks on behalf of the non-members for the nice evening and complimented the ladies responsible for the meal and entertainment.

Everyone was happy to find Donald Gunn well enough to be with us for our Christmas party and looking so well.

By. J. Jackson

Irma News and Views

Alma Enger was surprised on the evening of Wednesday December 13th. While watching the Banff School of Fine Arts presentation, which included the Banff Youth Orchestra Festival, she recognized her grandson, Dale Weigus playing percussion instruments. Alma reports that as well as practicing with his group, he also takes special lessons from a private teacher. Best of luck Dale.

Our good friend Mrs. Millar, who for so long wrote up the Irma news, is spending the weekend with friends in Irma. Her main purpose in coming was to attend the A.T.A. sub-district party which took place in the Legion Hall last Saturday evening. She is staying with her friend, Mrs. Campbell. Mrs. Millar is also planning to attend the choral service in the Anglican church on Sunday afternoon.

Our weather in the Irma area has been quite mild for several weeks. There is little snow, but roads are somewhat slippery. Highway 14 is in good driving condition. Irma streets and some of the lanes have been plowed.

Charlie Jackson and friend Caroline Czar spent the weekend with Charlie's parents, Eddie and Lorna. Caroline has just returned from a trip to Britain.

Annette and Don McKee and children from Wainwright visited with Meg Dunbar on Sunday.

Here's wishing all our readers and very Blessed Christmas and Health, Peace and Happiness in 1979.

Holden and District News

In the last week Holden and area welcomed a newly renovated cafe open. After months of renovating the old Fueylen's cafe, Mr. and Mrs. Ka Yee Yeung opened the new Whip Inn Cafe to the public. Each weekend the young couple from Edmonton worked and supervised renovations of this cafe, while operating a similar one in Edmonton. The cafe is beautiful inside with everything new, counter and tables, etc., where the public will be served Canadian and Chinese food. The hours will be 7 a.m. to 10 p.m. Monday to Saturday and 11 a.m. to 8 p.m. Sundays. Holden and area residents welcome Mr. and Mrs. Ka Yeung and are especially happy to learn they will have a cafe opened on Sunday.

Mrs. Ka Kee Yeung stated that they were very busy opening day and welcome future customers.

The Community Choir at Holden will take a Christmas break from December 18 to January 8. The choir will carol at village residents on Dec. 18. Choirmaster, Victor Dawson was welcomed by members of the choir being absent for several choir practices due to illness. Eileen Hartman of Viking directed the choir in Victor's absence. When the choir begins in January we still welcome newcomers. At present we welcome alto singers, several more alto's to add to the few in the choir.

In hockey on Sunday, Dec. 17, Holden scored 2 goals while Andrew scored 15 goals.

As the year ends,we see a big smile on many senior citizens' faces because of the progress on their Drop-in Centre. Many donations were received throughout the year from various clubs, as well as donations of slightly used chesterfield suites, etc. With the furnace installed, plumbing is next. A new rug has also arrived. In the new year, the senior citizens will have much enjoyment in their new drop-in centre.

As a reporter for The Weekly Review,I wish to thank all for helping me with news items for the paper. Starting January 1, I wish to receive many calls for a subscription to this paper. Merry Christmas to all.

Progressive Farming

James B. MacKay
Dist. Agriculturist

Bill Brass - Ass't.
Dist. Agriculturist

As the holiday season approaches many people will be receiving cut flowers as gifts. How to care for these flowers to preserve their beauty for as long as possible brings many questions.

Cut flowers can retain their fresh appearance for nearly a week when properly handled. Some longer lasting varieties may last for up to two weeks.

To achieve success in keeping all flower, one of the first steps is to cut the stems with a sharp knife or shears. More important than whether the cut is straight across the stem or slanting is the fact that it is made just above a side branch to encourage more blooms on the plant.

Strip the foliage from the lower four to six inches of the stem so that no foliage from the submerged in the water. This not only gives more room in the vase, but it reduces the amount of bacteria and fungi that will be carried into the plant by the water.

The next step is to remove another one or two inches from the stem of each flower. This will ensure the rapid absorption of water. Then put the stems into a pail containing about four inches of warm water (43 degrees C). Two points to remember here is to have the pail very clean and the water warm.

Containers, especially those which have previously been used for plants, should be thoroughly scrubbed inside to remove all traces of plant residue that may harbor bacteria or fungi. Multiplication and growth of these organisms can clog the water-conducting channels in the stems, causing the flowers to wilt rapidly.

Using warm water is recommended as it travels up the stems faster and more easily. Commercial flower preservatives added to the water can also prolong the life of the plant. These can be obtained from florists or garden centers. The final step in conditioning cut flowers is to place the container in a cool, shaded area for at least two hours so that the flowers and stems will absorb water rapidly, and, thereby regain their freshness and crispness. During this final step it can be hastened by wrapping the exposed stems and the flowers in a piece of plastic or paper to reduce water loss through respiration.

Recreation Report

Already it has come time again to wish our communities greetings of the season. The year has come and gone so fast, I can hardly believe it. Of course, I'm glad to see Christmas time come because it means less travelling and program visitations as you people are busy organizing your own recreational activities - you don't need me.

We'll be jumping into the New Year with a couple of programs designed to get you out and working off some of those Christmas goodies. Our winter programs are planned to commence late January and we will be bringing you an assortment from crafts, badminton, keep fit to senior citizen's activities. A brochure will be out January 5th with details. Be watching for it.

Ryley curling clinic

Kyley's curling clinic is scheduled for January 5, 6 and 7th at the Ryley curling rink. Times are as follows: January 5 and 6 - 7:30 to 9:00 p.m.; January 7 - 2:00 to 3:30 p.m. Fee $8.00. This clinic will strive to teach fundamentals of delivery, sweeping and equipment.

Students must pre-register so we divide into groups according to skill levels. Pre-register by calling Colleen at 663-3730 or drop by the County office building.

Down Hill Ski Lessons

Anyone interested in taking down hill ski lessons at Rabbit Hill, January 8, 9, 10 and 11? If we can get a group of 10 interested people, lessons will be offered at $45.00 instead of the usual $60.00. This fee includes 8 hours of ski lessons, all equipment and lift tickets. Car pools will be arranged and if we get over 20 persons, we will arrange a bus.

If you are interested, please call in prior to December 29th. Register with Colleen at 663-3730 or Phyllis at 662-3381.

We will taking inventory of stock from December 15, until January 15. Therefore no sales will be made during that time.

Regional Recreation Office

The regional recreation office will be closed during the Christmas season in accordance to the County of Beaver, on December 25 and 26, and January 1st.

At this time of year, our office would like to extend greetings for a Merry Christmas and wish you all the best in 1979.

We look forward to serving you in the New Year.

"Though Christmas may with time,
And old time customs give way to new . . .
Some things will never change, like
Merry Christmas, Happy New Year to you".

May the blessings of Christmas be with you today and always.

Holden School News

Both Physical Education 20 and 30 programs are designed to stress individual and dual sports. The program concentrates on those activities that can be enjoyed throughout life stressing purposeful use of one's leisure time.

The gymnasium in the Holden School is booked to its optimum without the physical education 20 and 30 programs. To offer these programs it is necessary to use out-of-doors facilities. The P.E. 20 and 30 program includes the following activities: golf, bowling, table tennis, billiards, archery, First Aid, fitness, cross country skiing and curling. Because of the nature of the above activities and the use of outside facilities, additional costs result and students are asked to bear these costs.

In addition to gaining skills and understanding in the various activities the physical educational 30's are expected to show organizational and leadership qualities.

Field trips to Elk Island Park, Tofield and Miquelon Hills have been enjoyed.

Happy Holiday

The Homemaker

By Diane Luke, D.H.E.

Although the Christmas spirit may lead you to splurge in various ways, balanced menus are still a must! Family and friends will thank you for it.

Canada's Food Guide provides you with a basic plan. It recommends a specific number of servings of food which should be chosen every day from each of the four food groups: two to three servings of milk and milk products; three to five servings of bread and cereals; four to five servings of fruit and vegetables; and two servings of meat and alternates.

Include foods from each group in your Christmas menu. For example, turkey from the meat and alternates group; stuffing counts as one serving of bread; potatoes and vegetables supply two portions from the fruits and vegetables group and Christmas pudding or mince pie contribute another half serving of fruit; cheese and crackers at the end of the meal supply a half serving from the milk and milk products group.

When planning menus, avoid foods that are either too fatty or too sweet. They often supply far too many calories for what they're worth. So go easy on the gravy. Remove excess fat in broth and sauces. Chill them and lift off the solid fat. Whenever possible, use yogurt rather than cream or sour cream on fruits or vegetables.

Agriculture Canada's food consultants advise you to look for frozen or canned fruit that is packed without sugar or in a light syrup. In terms of frozen dairy products, sherbet and ice milk contain less fat than ice cream. Snacks like candies, chocolates and chips supply empty calories whereas crisp vegetables, fruit, nuts, and raisins offer much more in terms of food value. Think about it!

SUPERMOM

The month before Christmas is always a hectic season. We wonder how we'll get everything done in the time available to us. Eileen Klein, D.H.E. at Lac La Biche offers the following advice for working women. Whether you're working home or outside the home here are some ideas to follow to make more efficient use of your time and energy.

Women who work outside the home have a special challenge to rise to. Husbands, children, employers and friends all have expectations which must be dealt with. The first step in planning any action is to realize what these people will expect from you. The only one you can be sure of is the employer. He is going to pay you to do a job, so for the hours in the day that you are working the job is top priority. Family matters, children and personal business must be shelved until you have time to deal with it. Some employers are more easy-going about work habits, but this is the general understanding. Of course in the case of an emergency, most employers are approachable.

Next - the family. If they expect you to care for them the way you did before you worked you are going to be very tired lady. Find out what they are willing to do without, what they think they can do themselves and what you have to do. It is necessary to know this before you plan your time and do some organizing.

Now the hard part. Organizing your activities to make the best possible use of the limited time you have available. Make sure you allow time for you. I may sound frivolous to include a half hour just for you in a busy schedule, but it may save your sanity. Start your plan by figuring out what is essential to your daily living. Meals, mending, laundry and general housekeeping usually fall into this category. Planning meals is probably your job. Try planning a week ahead and you can see more easily what groceries you will need and what preparation you can do in advance. Once you do that it is easier to decide who will do what. Husbands and children will fall into place if they know what you expect from them.

As for laundry and housekeeping, you don't have a corner on the market so teach other family members what it's all about. This is the fastest way to teach people to pick up after themselves. Try not to find fault in the way jobs are done. So what if the kids don't make beds as nicely as you do. Praise them a lot and they will be encouraged to try harder. Remember it is up to you to teach them to do things properly and that takes time. Be lavish with praise and affection so everyone knows how important they are to the whole family.

Taking care of family needs can be a family responsibility. The time you share doing chores and working together provides a good opportunity for you to get to know each other and develop mutual trust and respect.

So Supermoms, the challenge is yours. You may be rewarded with the satisfaction of your job and your family!

Hoping that the holy light of Christmas will brighten all of your days. To our friends, special thanks.

Santa Visits Bruce

The jolly old man from the North paid his annual visit to Bruce on Friday evening, December 15. The Women's Institute was in charge of planning the "Santa Night" and was assisted financially by the Agricultural Society.

The evening began with a pot luck supper which featured such a wide variety of delicious food that even the most finicky eater was promptly in the mood for feasting. The candle-centered tables, the Christmas decorations and the tree with its sparkling lights convinced everyone that the festive season had again arrived.

Anne Motkoski was emcee in her usual capable fashion and Bud Hammermaster was at the piano to accompany the carol singers. A small group of vocalists was brave enough to offer some carols in German but other than that, English appeared to be the official language. Joyce Lutz entertained with a piano solo, a group of girls sang "The Twelve Days of Christmas" and 4-H girls, Trudy Erickson, Cathy Pratt and Betty Laing gave some rather untraditional Christmas recipes. The 4-H group also spelled Christmas in an interesting manner.

Finally Santa arrived to distribute bags of goodies and take the children's orders back to his elves. Santa proved very popular this year for even the big girls were anxious to sit on his knee. The youngest child to be photographed with Santa was two-week only Juanita Stefanik. Edna and Bill are fortunate that Santa didn't mistake her for a doll and present her to one of the children.

At the conclusion of the evening, Michelle and Jackie Stelanik thanked the members of the Women's Institute for their great effort and the Agricultural Society for its support.

Bruce News

Evie and Harold Hissett were guests of honor at an Alberta Wheat Pool reception on Monday, December 11, at the Palliser Hotel in Calgary. Harold received an engraved gold watch, his reward for 25 years of service with the Company. Evie received an engraved silver spoon as a special momento of the occasion.

Irving Babilz, Barry Bruce and Joan and Rudy Kliist attended the N.F.U. convention in Ottawa from December 4 to December 8.

Family and friends gathered at the Bruce Community Centre on Saturday evening, Dec. 14, to honor Hazel and Bob Bruce on the occasion of their 25th Wedding Anniversary. The evening was spent dancing to the music of the Polka Kings followed by a buffet supper. Ernest Brown of Ryley spoke briefly and introduced family members while Barry Bruce presented his mother and dad with a gift from those present. Seated at the head table with the "bride and groom" were son and daughter-in-law Barry and Anita Bruce, daughter and son-in-law Connie and Dwayne Marcinkoski, daughter and son-in-law Kathy and Brian Pozerniuk and daughters Heather, Sharon and Jackie. Granddaughter Roxanne Bruce was a very special guest. Bob and Hazel also have one grandson who was not present. Congratulations Hazel and Bob! May you have many more years of health and happiness.

Hardisty Defeats Gas Kings

On Wednesday, December 13, the Gas Kings met the Hardisty Stampeders in Viking and came away with their first loss of the season. The first period scoring began at 56 seconds when Murray Quinton, assisted by Blair Quinton and Kirk McInroy, marked one up for the Gas Kings. Hardisty answered the goal at 2:32 when Dwight Granger scored unassisted.

Gary Bromby put Hardisty ahead just 10 seconds into the second period on a pass from Darren Morrison. Ken Schlosser made Hardisty's third goal at 2:27 and Dan Sim got the assist. The Gas Kings put their second goal on the board when Ron Naslund scored at 9:15 of the second, assisted by Jim Laskosky and Mark Wemp.

Third period goals went to Dan Sim, assisted by Brant Sim at 5:18, Duane Dico assisted by Brant Sim at 7:29, giving Hardisty a total of five goals and Blair Quinton, assisted by Murray Quinton and Martin Laskosky scored the Gas King's third as 12:14 making the final score 5-3 in favor of the Stampeders.

Monday, December 18 had the Rosalind A's visiting the Gas Kings. Barry Field opened up the scoring at 16:08 of the first with Doug Palmachuck getting the assist.

Barry opened up the second period scoring as well at 7:24. This time Ron Naslund made the assist. Brian Reinhart assisted by Bill Bowce put Rosalind on the score board at 12:22 and Brian Boden, assisted by Cal Herder tied the game up at 15:18 of the second. Barry Field scored his third goal of the game unassisted at 15:31 of the second period.

In the third period the Gas Kings scored 4 unanswered goals. Gordon Rattray from Bruce Harray at 7:34, Ray Rattray from Murray Quinton and Robin Bittorf at 9:47, Gordon Rattray again at 14:06 from Wes Jones and Kirk McInroy and Ray Rattray unassisted, also with the Gas Kings shorthanded at 16:43. Final score Gas Kings 8 - A's 2.

Are You Insured?

Do you have comprehensive farm liability insurance? Are you aware of the importance of this type of insurance or do you feel that you do not need this protection?

There is always a risk in farming of farm workers or the public being injured. As the owner and occupier of the property, a farmer can be held responsible for such things as the injury or death of a salesman, buyer, canvasser and even a trespasser if the accident occurred because he did not maintain his property with due regard to the safety of others. Farm animals, especially dogs and straying livestock, often cause injury or property damage, and people can be injured by farm equipment if it is used negligently. Other examples of risk situations include the spread of a fire that is lit to burn grass or brush and the drift onto a neighbor's property of a chemical weed spray. Since the latter risk is not included in most farm liability insurance policies, you should make sure that any custom sprayer that you hire carries adequate coverage.

In addition, a farmer can be liable for the sickness, injury or death of an employee which results from his work. Farmers who hire transient workers are especially vulnerable to such claims. And farmers who sublet construction work on the farm may be held liable for injuries to a workman if the contractor has no insurance.

The most common liability insurance coverage used by farmers is that obtained through a comprehensive liability insurance policy or through a rider on their farm fire insurance policy.

Although comprehensive liability insurance policies can differ in minor ways, the coverage is similar. Usually the insurance company accepts responsibility for investigating the claim and provides coverage up to a specified limit for injuries to people or damage to the property of others. If the insured is liable, the company pays the court costs, legal fees and any judgement up to the limit of the policy.

Most liability insurance policies also have a personal liability section, an employer's liability section and a product liability section. Some offer comprehensive liability insurance for a claim that may arise from the occasional use of the tractor off the farm.

Information on these sections of liabilty insurance policies and an outline of worker's compensation are contained in a publication entitled "Liability Insurance for Farmers". It can be obtained from district agriculturists

Mabel Hill Passes

Mrs. Mabel Hill, beloved wife of Ken, passed away suddenly at her home in the Forest Lawn area of Calgary, on November 18, 1978.

Mabel Lillian Crouse was born on April 12, 1910 at Plover, Iowa. At a very young age she came to Alberta with her parents, brothers and sister. They lived in the Bruce, Kinsella and Viking areas and after completing her high school in Viking, Mabel moved to Edmonton where she attended Alberta Colleges and completed a secretarial course. In January of 1961, she was united in marriage to Kenneth Hill and shortly afterward, they moved to Calgary where they remained until her passing.

Mabel is survived by her loving husband, three sisters and three brothers; john of Calgary, Milton of Red Deer; Aaron of Viking; Mildred Rasmussen of Edmonton; Rose Cameron of Lougheed and Mary Ricks of Calgary as well as numerous neices, nephews, grand-neices and grand-nephews. She was predeceased by her parents and brother Elmer.

Funeral services were held on November 22 at Jacques Funeral Home, Calgary with interment in Mountain View Memorial Gardens.

One gift... greater than any other... given by God that Holy Night. Thanks for your faith.

The Sear's rink of Tofield skipped by Brian Schultz defeated the Shyba rink from Holden to capture the trophies in the Grand Challenge event at Bruce last weekend.

The Shyba rink was down all the way but made a good comeback. At the end of the 9th end the score was 7-6 in favor of Sears. The final end saw Schultz take out the Shyba shot rock to win the game by a score of 10 to 6.

The second event final game was also a closely fought battle between Bugge and Strilchuk, both of Ryley. Bugge managed to pick up one on the 10th end but he was still one short.

The third event saw The Weekly Review rink of Viking defeat the Ken Heber rink of Bruce in another extremely close game.

The complete list of winners is as follows:

Grand Challenge
1. Sears, Tofield
2. Shyba, Holden
3. Malick, Holden
4. Lyons, Ryley

Second Event
1. Strilchuk, Ryley
2. Bugge, Ryley
3. Dary, Holden
4. Bratrud, Ryley

Third Event
1. The Weekly Review, Viking
2. Ken Heber, Bruce
3. Maxwell, Viking
4. Koetke, Holden

Midgets Extend Unbeaten String

The Viking Midgets continue with success in league play with a tie and a win over the weekend. On Friday, December 15, they travelled to Sedgewick for what proved to be a good game. Sedgewick came out checking well and scored two quick goals. It wasn't until the seven minute mark that Allan Evans scored to put Viking on the board. Assists went to Richard Sutter and Raymond Thengs. Thirty five seconds later, Ronald Sutter scored to even it up at two each. Allan Evans and Wayne Seizler assisted. Viking scored two more goals one by Raymond Thengs unassisted and one by Richard Sutter with Wayne Seizler and Allan Evans drawing assists, before Sedgewick scored to end the first period.

The second period was Viking's even though they had to kill five power play opportunities for Sedgewick. Ronald Sutter scored one with Richard Sutter and Raymond Thengs assisting and then Richard Sutter scored a short-handed goal with assists going to Ronald Sutter and Bob Graham. This was all the scoring for the period.

In the third period, penalties and some careless passing by the Viking boys gave Sedgewick the opportunity to score three unanswered goals to even the score at the final buzzer at 6 goals each.

On Sunday afternoon, Viking played host to Killam in what turned out to be a rather chippy game. The first period ended with Killam out scoring the locals two goals to one. Allan Evans scored with Richard and Ronald Sutter assisting.

The second period belonged to Viking with the boys scoring 4 unanswered goals. Ronald Sutter scored with assists going to Richard Sutter and Allan Evans. Then Richard Sutter scored with Allan Evans assisting. With Viking short-handed two players, Kevin Maxwell scored two goals to end the period with Viking leading 5 to 2. Assists went to Kenny Lefarud and Raymond Thengs.

In the third period the local boys stayed out of the penalty box and in doing so, scored 5 goals to Killam's 1. Two of those goals came on power play opportunities. Scott Taylor scored on a nice set-up by Kevin Maxwell. Later, Ronald Sutter scored with Allan Evans and Richard Sutter assisting. Next was Richard Sutter's turn with Allan Evans assisting. Kirk Maxwell scored on a power play with a shot from the point. Richard Lefsrud drew an assist. Viking rounded out the scoring with a goal by Darrell O'Neill, his first of the year, with David Darling assisting. Killam scored later on in the second period but by then the score was totally one sided and at the final buzzer, the local boys had skated to a 10-3 win, for their seventh victory.

Again the boys would like to thank all those involved and the fans for their support

Viking Basketball

The Viking Junior High teams started a brand new season on Monday, December 18th, 1978, against Ryley.

The girls, under the coaching of Miss Milkovich are Roxanne Petras, Tracey Midbo, Lynn Naslund, Connie Meakins, Angela Mattinson, Marlene Slavik, Elaine Rozmahel, Marilin Stubert, Cathy Pratt, Patricia Thomas, Lisa Laing, Dianne Maxwell and Melanie Fouts.

The girls losing to Ryley, found the score at 16 to 12 at the end of the game. Scorers for the game were Tracey Midbo and Roxanne Petras with six points each.

The boys team under the coaching of Cheryl Anderson and Karen Barber consists of Victor Sloboda, Donald Hudson, Mike Hoffman, Scott Brower, Greg Klein, Richard Stephensen, Dean Simmons and Roger Tessmas. Viking defeated the Ryley team by a score of 22 to 8. Pointers for the game were Scott Brower with 8 points, Mike Hoffman with 8 points, Victor Sloboda and Dean simmons with 2 points each. Completing the scoring was Donald Hudson with 1 point.

Sending a message post-haste for your every happiness this Yuletide season and tucking our thanks inside.

The WEEKLY REVIEW

Serving the People from Ryley to Irma

Published every Wednesday at Viking, Alberta

Second Section Volume 1 No. 45

Local Lutherans Involved

Lutherans in Viking are united with Lutheran congregations throughout Alberta this week in using television to encourage area viewers to worship the Christ with them this weekend.

Seen locally on channels 3 (CFRN), 5 (CBXT) and 13 (ITV) a number of minute and half-minute TV spots will invite Viking residents to worship with Golden Valley Lutheran Church.

Project: VENITE . . . the ancient Latin word for "O Come" is a joint endeavor this Christmas season by nearly 250 Lutheran congregations across Alberta. Spearheaded by Lutheran Councils in Edmonton and Calgary, Project: VENITE has placed the Christmas message on all the major Alberta television stations and many cable outlets.

Three different spots entitled "Gifts of Yesterday", "Christmas As You Remember", and "Sounds of Christmas", will be used. Each recalls for the viewer the real meaning of Christmas and our need to personally give thanks to God for the gift of his Son.

Albertan Marilyn Scott of Edmonton had a hand in the script writing of these messages which were produced by Lutheran Television in the U.S.

It is planned that this season's coordinated telecasting by Lutherans in Alberta may well be a prelude to a major media evangelism endeavor in early 1980.

Tim Johnson of Golden Valley Lutheran told us that "These telecasts call us all to reconsider the very heart of Christmas . . . that God sends us his message in the most personal terms."

Barbara White received a new wheel chair from the Viking Elks at the Elks Turkey Bingo held on Saturday night. Present for the presentation were Barbara's parents, Mr. and Mrs. Stan White [back left] and Ed Evans and Heinz Grube [right] of the Viking Elks. The chair was made available through the Royal Purple and Elks Purple Cross Fund. Staff Photo

Custom Of Christmas Tree

Christmas doesn't seem like Christmas until the tree is trimmed and the presents placed under it. But, how many of you know the story of the Christmas tree and the meaning behind the decorations we use?

The association of trees with Christmas began as early as the 10th century when an Arabian named Georg Jacob told of a beautiful legend. On the night that Christ was born, so the story goes, all the trees in all the forests, even those in frozen countries - blossomed for one night and bore fruit.

A 13th-century French legend tells of a gigantic tree lit with candles in the forest. Some of the candles were straight and some upside down, and at the top of the tree was an infant with a halo around his head. The tree represented humanity, the candles were people, good and bad, and the child was the Saviour, Jesus.

And still longer ago, there are stories that connect the tree with the season of Christmas. To pagan people, the evergreen trees were a sign that winter would end and warmth again return to the earth. During the feasts of the winter equinox, trees were hung with trinkets and masks. Some of our traditional Christmas tree ornaments, such as a sun, stars and moon, and animals, are thought to descend through the centuries from these ancient symbols of nature. The goodness of the creator as demonstrated in the return of spring may have been absorbed into the larger, greater celebration of the birth of his son, Jesus.

The tree that symbolizes Christmas today comes to us from Germany. Martin Luther is said to have cut a fir tree from his garden and placed it in the nursery of his home for his wife and children. He wanted to show them the great beauty of the night that Jesus was born.

Share the story of the Christmas tree and the meaning behind the decorations with your children when you decorate your tree this year.

We hope the glowing Spirit of Christmas will brighten every day of your holiday and its holy light always shine in your heart. Thanks to all.

Town of Viking Council Minutes

A regular meeting of the Viking Town Council was held on the evening of Dec. 6, 1978 in Viking Town Council Chambers.

Present were Mayor S.A. Halso, Deputy-Mayor R. Labreche, Councillors L. Josephson R. Evans, M. Stephenson, Wm. R. Taylor and Administrator F. Morwood.

The meeting was called to order by Mayor Halso at 7:00 p.m.

The minutes of the last regular meeting of November 1, 1978 were adopted as read on a motion by council.

The minutes of the Special Meeting of November 30, 1978 were adopted as printed on a motion by council.

Receipts for November 1978 totalled $19,268.00 and expenditures totalled $60,154.73 leaving a net balance of $52,332.14.

It was moved that the Financial Statement be accepted as read. Carried. It was moved that the accounts be paid. The motion carried.

F. Morwood read the Nov. 21, 1978 water analysis from the Vegreville Health Unit. It read: Standard Plate Count per Ml. of Sample (120), Total Coliforms (nil), Faecal Coliforms (nil), Remarks, Satisfactory.

A letter was received by Council from Mr. B.W. Wyley of Alberta Transportation informing them that the application for streets assistance has been received but that their budget will not be announced until sometime early in 1979. The Town will be advised at that time of the status of their application.

A letter was received by Council from the Alberta Urban Municipalities Assoc. stating that Reed, Shaw, Stenhouse is very busy but will be visiting Viking just as soon as possible to discuss a package insurance policy for the Town of Viking.

Council discussed prices on two lots to be surveyed directly north of Vialta Lodge. However, it was noted that the drainage ditch behind these could be less than the proposed 140 feet. Councillors Stephenson and Evans will remeasure them and reassess the proposed prices.

It was moved that Council pass a bylaw to change the zoning of the County of Beaver School Bus Garage from commercial to residential and that the county be advised of this by phone. The motion carried.

It was moved that the Town of Viking drop the present Social Services Director as of Dec. 31, 1979 and that the responsibility of that position fall back on the Town Office. Carried.

A letter was read to Council from Ping and Norma Pon complaining about the noise, smell and unsightly semi-trailers parked right next to their home. They noted that oil is changed in the alley and the trucks are chopping up the alley surface. They also noted that the trucks are a definite danger to small children especially since they being kept in a residential area. Council instructed the Administrator to contact the health dept. and have them look into the situation.

It was moved that Council write the Health Dept., Ruzicka Trucking and Ping and Norma Pon informing them that we are investigating the situation and that we have written the health department asking them to help the Town clean up this situation. Carried.

A letter was read to Council from the Alberta Heart Foundation requesting permission to hold an annual campaign in Viking during the month of February, 1979.

It was moved that the Alberta Heart Foundation be allowed to hold its annual campaign in February, 1979. Carried.

A letter was read to Council from Mr. P.O. Nordstrom, the officially appointed Returning Officer for the November 3rd, 1978 election of School Trustee. The report read that the nominations were held in Council Chambers on November 3, 1978 and only one nomination was received at that time. The official declaration read, "For the position of Town of Viking's Representative to the School Committee of the County of Beaver No. 9, I, Palmer O. Nordstrom, do therefor declare Mr. Leo J. Kelly to be elected by acclamation."

Councillor R. Evans officially resigned from his position as Council's Representative to the Regional Recreation Board for the County of Beaver. It was moved that Mr. Evans' resignation be accepted by Council. Carried.

It was moved that Lydia Hanson be appointed as Acting Administrator with signing authority for the time being. Carried.

It was moved that the position for Municipal Administrator be advertised in the two local newspapers as well as the Edmonton Journal and the A.U.M.A. magazine and that it be specialized that applications must be in by Jan. 5, 1978. The motion carried.

F. Morwood reported to Council that there will be a public meeting of the Planning Committee with the residents of Viking on Monday, December 11, 1978 at 7:00 p.m. in Council Chambers. Local Organizations have been asked to present briefs on planning concerns and ideas for the future of Viking.

Council instructed the Administrator to get the Town Men to put the no parking signs back up on the east side of 52nd St. directly across from the front of the Curling Club.

Fletcher Massey, the town foreman, appeared before Council and requested that the Town pay for his insurance and license for his red truck which is used almost totally for Town business. Council agreed that this would only be fair and the Administrator was instructed to compensate him for 1978 and for future years until the town provides him with a truck.

It was then moved that the meeting adjourn. Carried.

One gift... greater than any other... given by God that Holy Night. Thanks for your faith.

The Viking Elks Lodge #83 have been selling Xmas Trees for approximately 25 years. This is a part of the Viking Elks Lodge service to the community of Viking and surrounding area. The big tree is being sold to Colin Laing for the Viking Knights of Columbus by Santa Claus. The Xmas Tree sales were under the direction of Leading Knight Bro. John Mattinson and Santa Claus who is a member of the Division of Santa Claus Holdings. The Viking Elks would like to thank Mr. Ken Midbo for the use of Revelstoke lumber yards. Staff Photo

Viking School Patrol Banquet Held

The Viking School Patrols had their annual Christmas Banquet sponsored by the Viking Elks. It was held at the Burger Queen at noon on December 11, 1978.

We would like to thank the Viking Elks for inviting us to the delicious dinner. We really appreciate it. Mr. Bert Hill and Mr. Jack Mattinson were the representatives of the Elks.

Corporal Anderson, representing the R.C.M.P. and Dianne Little of the Alberta Motor Association also attended. Thank you to the R.C.M.P. and the A.M.A. for all their support and encouragement.

We also want to thank Mr. Kindley, Mrs. Hardy and Miss Milkovich who are our school patrol supervisors.

Thanks to the Burger Queen for the superb dinner.

Merry Christmas, Sincerely the Viking School Patrols: Lynn Hebert, Jackie Sevcik, Sandra Forsyth, Lori McIsaac, Shirley Petroskey, Debbie Maxwell, Robert Gotobed, and Patrick Voltner.

We give thanks for the unchanging and cherished traditions of the holiday and your everlasting friendship.

A New Elevator Concept

Calgary, Alberta, December 13, 1978 - Alberta Wheat Pool directors have announced a new concept in elevator design that is predicted to revolutionize the storing and handling of grain in Canada and other countries. For more than two years, alternate elevator designs have been studied by the farmer-owned cooperative. Through a joint venture, a pre-cast elevator design of exciting dimensions has been developed.

Early in 1978, Alberta Wheat Pool signed a joint research and development contract with Buffalo Engineering Limited of Edmonton to study the use of pre-cast concrete in elevator construction.

The unique structure is modular in design and will undoubtedly be called Buffalo Sloping Bin Elevator. Each base structure has approximately 256,000 bushel storage capacity. One feature of this incomparable elevator facility is the ability to add additional modules either at the time of construction or later.

It is capable of very high throughput rates. The rate of bin loading and discharge is limited only by the capacity of the equipment used in the elevator. Loading of grain cars can be accomplished as fast as the railway cars can receive the grain.

The efficient design of the storage bins and charging (loading) systems results in maximum space utilization.

The pre-cast structure is very adaptable. By physical arrangement of the transferring equipment, entirely unrelated commodities such as grain and bulk fertilizer can be handled as they would be in separate structures.

Utilization of space is used to the utmost. In about the size of a conventional double composite 170,000 bushel capacity elevator, this distinctive structure will house office, warehouse, and retail space as well as cleaning and drying equipment if desired, storing 206,000 bushels.

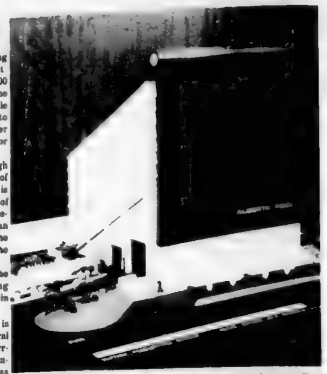
The facility is so designed that the elevator manager can carry out all of his business from one central location. This includes the weighing and receiving of grain, operating elevator controls, agro-product sales; in fact all business transactions can be carried out within a few steps of one another. Immediately outside the driveway wall, a farm or commercial vehicle may be loaded with comparative ease with a telescoping loading spout.

Another feature that makes the elevator design unequalled is five bins of 3,400 bushels each can be pre-weighed for direct loading into rail cars.

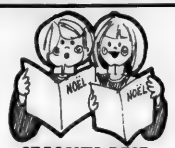
The Buffalo Sloping Bin design concept can be applied to structures as small as one farm storage bin on one end of the scale, to multi-million bushel port terminals on the other end of the scale.

Alberta Wheat Pool will commence construction of the new grain handling facility early in 1979 at Magrath, Alberta. Commencement of additional elevators will await performance testing of the Magrath structure.

Cost of construction of the new Buffalo Sloping Bin elevator design is comparable to costs of existing facilities.



A new concept in grain handling should soon be a reality in Magrath, Alberta, where Alberta Wheat Pool plans to construct its first Buffalo Sloping Bin elevator.



SEASON'S BEST

Happy voices ring out the music of this joyous holiday. They bring a harmonious note of thanks from us to all of you!

Jesus - God's Christmas Present

By Onesimus

I have several times quoted in this column the words of Jesus who claims, "I am the Way, the Truth and the Life; no man comes to the Father but by Me". He claims definitely to be the only true and sure approach to God and anyone who has gone this way in their experience has found that Jesus Alone can "open the gates of Heaven and let us in". He is the means by which God has chosen to reveal Himself to the human race. All other "ways" lead to a spiritual "brick wall" and spiritual darkness.

There are seven "I AM" passages in John's Gospel, in chiding the claim to be the Way, Truth and life - and we looked at three of them last week. There are three others remaining and we will consider them briefly at this Christmas season.

At the time of the Last Supper, Jesus said of Himself, "I am the True Vine and My Father is the Vinedresser". Grapes were commonly grown in Israel in Our Lord's time and were often used as illustrations of a person's fruitfulness and production of life. The True Vine is Jesus, from Whom Christians receive divine grace in order to produce the "fruit of the Spirit", which are "love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self control - against such there is no law" (Galatians 5, verses 22 and 23). As the Christian "abides in Christ", attached to or grafted into the Vine, so he can live the life God intends him to live. How we all need the fruit of the Spirit and the Life of Christ within us! Not the sham spirit which seems to evident sometimes at Christmas time, but a true and genuine life-long spirit!

In John, chapter 10, verse 11 and chapter 11, verses 25 and 26, Our Lord says, "I am the Good Shepherd. The Good Shepherd lays down His Life for the sheep" and, "I am the Resurrection and the Life; he who believes in Me, though he die, yet shall he live, and whoever lives and believes and Me shall never die". Now these statements seem to me to be the most remarkable ones of all in a very real sense. Why? First of all, the Shepherd, who knew His sheep by name and led them, going before them that they might see him and be secure in the fact of his leadership and presence, was a fact of everyday life in Jesus' day. So, the Christian may have the same glorious assurance that His Shepherd is leading him.

No wonder that Psalm 23, "The Lord is My Shepherd" is the best known and most satisfying statement of a Christian believer's assurance in God!

The Shepherd - Jesus - lays down His Life for the sheep; the "Lamb of God" He is, "Who takes away the sin of the world". These two descriptions of Him as both shepherd and lamb summarize the whole great point about Christmas and Easter. We need a saviour and guide and He is admirably fitted for both functions!

Secondly, as He lays down His Life for the Sheep, so He takes up His Life again in the Resurrection.

Our greatest enemy is death, the wages of sin! He Alone was able to lay down His Life and come to life again. In doing so, He triumphed and we share that triumph. The Everlasting Son of God, the Great "I Am", is the same, yesterday, today and even for evermore!

The glory of Christmas lies in the fact of this wonderful Jesus Christ, God's Son, our Saviour and Lord. He loves us so much that He came as a baby, Jesus; for "He shall save His people from their sins" (Matthew 1 verse 21). Let us be certain this Christmas that we are His sheep and that we know Him personally as our Shepherd, Saviour and Lord. He is truly our God's "Christmas Present". May we all rejoice in that.

Do You Know The Bible Says

By Mrs. W. Myers

Why doth this generation seek after a sign? Mark 8:12. And ye shall seek Me, and shall find Me, when ye shall search for Me with all your heart. And I will be found of you, saith the Lord. Jer. 29:13-14. Strive to enter in at the strait gate; for many, I say unto you, will seek to enter in, and shall not be able. Luke 13:24.

The question at the top is quite significant in this day of so many cults and replacements for Christ. Another question is, why do people seek in all other avenues that Satan offers before they seek for the true givern of peace? Why do people want to replace the Christ of Christmas with all the trappings that we see these days that really have no connection with the birth of the long ago promised redeemer of lost mankind? Today that very same Jesus is still in the world by His Spirit drawing lost mankind to Himself, transforming their lives, and giving them the peace they never had while under the control of Satan.

We are exorted in the scriptures above to strive to enter in at the strait gate, the narrow way of just Jesus and you or me. The gate is the door of John 10:9 which everyone must seek for, and go through to be on the Lord's side. Jesus says, Then I will be found of you.

As the Christmas carols are sung in this season, listen to the words, get the message, that God took on a body of flesh and came into this sinful world of lost mankind to pay the penalty for sin that you and I might have eternal life and peace and satisfaction in this life. Pick up you Bible and read all about it in the Gospels of Luke and John.

"Whom seek ye," John 18:8. When Jesus asked this question He was inquiring from those who were seeking to get rid of Him. He is asking you this same question. Are you rejecting Him or will you accept him?

Viking General Hospital
Christmas Message 1978

Christmas is the festive celebration of the birth of Jesus. With his birth we celebrate the highest ideals of faith, hope, charity, peace and goodwill.

It is in this spirit that we, on behalf of the Hospital and its Staff, extend a very sincere thank you to all the clubs, organizations, and many individuals who have assisted the hospital and its patients in some way this past year.

The items of equipment donated, the donations to the equipment fund, made in memory of friends and loved ones, the visitations, magazines, books to the library, the different holiday favours and the many items are all sincerely appreciated. The people of Viking have truly carried the message of Christmas throughout the whole of this past year.

Along with sending these words of thanks to you the people of Viking, we extend thanks to our staff for the kind of dedication and compassionate service they have given all the patients, we can only conclude by wishing you all "The Blessings of the Christmas Season and much Joy in the New Year".

Sincerely,

The Viking General Hospital Board

Edward Murray Passes

A long time resident of the Kinsella District, Mr. Edward Murray, passed away at the Viking Municipal Hospital on November 29th, 1978 at the age of 83 years. He was born in Kilmarnock, Scotland on July 31, 1895. Immigrating to Canada in 1926, he spent his days farming in the Kinsella area, with the exception of four years which he spent in Ontario.

In 1929 he was united in marriage to Margaret Bain, formerly of Glasgow, Scotland.

He leaves to mourn his loving wife Peggy, also one son John of Kinsella, one daughter Margaret (Mrs. Art Lomas of Bittern Lake), son in law, Art Lomas and five grandchildren, as well as one brother Mr. Wm. (Jim) Murray of New York city.

He was predecessed by his sister Maria McCullough in 1939.

Funeral service was held at 2 p.m. December 2, 1978, at the Kinsella United Church with Rev. Bennett officiating. The choir assisted with the singing of hymns "What a Friend we have in Jesus" and "Amazing Grace". Mr. Wm. Daugherty was organist. Pallbearers were Bert Armitage, charles Tessman, John Daugherty, Cecil Lockhart, Nick Piwowar and Alfred Oracheski.

Interment at "God's Acre Cemetery", Kinsella. Floral tributes were from: loving family, John and Ruth McCullough, Mr. and Mrs. Mike Piwowar, John and Sylvia Piwowar and family, Mr. and Mrs. Charles Tessman, Mr. and Mrs. Gerald Tessman and family and Mr. and Mrs. Myron Meyer. Flowers to the house: Grandchildren Mrs. J. E. Lomas and Margaret, John and Gwyn Daugherty and boys, Jean and Jack McKie, friends in Batts Valley Community, also many memorial donations to Kinsella United Church and God's Acre Cemetery.

Ronaghan's Funeral Home, Director Mr. Earl Kjelland in charge of funeral arrangements.

Hopper Purchase Opposed

The proposed purchase of hopper cars by the Canadian Wheat Board is unacceptable to the Palliser Wheat Growers Association. According to Jim Wright, Palliser President, "The key to increasing grain exports lies in better use of existing facilities. The main problem is proper co-ordination of grain movement and getting grain to and through the port terminals."

"High on the list of requirements is a reduction in the car cycle," continued Mr. Wright. "Rather than spending money on more cars (at a capital cost of $18 per bushel of space), more would be accomplished if we streamlined our grain forwarding and processing procedures For Example, $100 million spent on additional port facilities at Prince Rupert would increase our export capacity by 100 million bushels; and those facilities might be constructed without such a massive capital expenditure of producer funds if only a volume commitment were given to potential investors," declared Mr. Wright.

"Before anyone goes off and spend $100 million of farmers money, we want to be sure it is money well spent. We're waiting for the Booz Allen-Hill Study (Grain Transportation Operations Analysis) to tell us how many hoppers are required under a well-coordinated, properly streamlined forwarding system. It appears to us the problem is not one of rolling stock, but keeping the stock rolling." (The Hall Report noted grain cars sit idle 60% of the time.)

"The problem of railway revenue shortfall is now apparent to all grain farmers. We would rather tackle that problem head-on than through the backdoor by buying hopper cars," Mr. Wright concluded.

The Palliser Wheat Growers is a commodity group of 2500 acutal wheat growers in Manitoba, Saskatchewan, and Alberta organized to promote increased production and marketing of wheat.

Merry Christmas Readers

If there is one commercial that has annoyed me more than any other this Christmas, it is the one talking about giving a child everything he wants for Christmas. What a horrible thought!....to have everything we want. I think it is important that everyone gets something they want for Christmas. There is more to Christmas than getting presents.

SECRET OF CHRISTMAS

It's not the glow you feel when snow appears,

It's not the Christmas cards you've sent for yars.

It's not the joyful sound when sleighbells ring,

Or the merry songs the children sing.

That little gift you send on Christmas Day,

Will not bring back friends you've turned away.

So may I suggest the secret of Christmas,

Is not the things at Christmas you do,

But the Christmas things you do all the year through.

Louise C. Mildrum

Christmas is a time for family and friends. I look forward to being with my family in Moose Jaw, Michael, my fifteen month nephew, will add a lot to the celebration. It will be good to experience Christmas again through the eyes of a Child. I hope your Christmas celebration fulfills your every dream.

Viking Light Horse Club Report

A part of a horse was the roll call for the 23 members that were present on December 7th at 8:10 p.m. when Wanda called the meeting to order.

The members voted that the club should have a Pay-What-You-Pull raffle sometime in the near future. A $65 certificate or cash was suggested for first prize and then voted in. John Ruzicka, Shelly W. and Connie M. are going to see about getting the tickets.

John R. informed the club that we could receive personal cheques for $14.00 at the county if the club wanted them.

Christmas is coming and the majority of the members were in favour of having a sleigh ride. Henry Ruzicka is to supply the team for December 17 at 1:30 at his residence.

The leaders then handed out record books, and the president gave out 4-H membership cards

Bruce Bridgeman mentioned to the members about the 4-H horse workshops which are to take place in the spring.

Marilyn Ash made a motion that the meetings should start at 7:00 p.m. during the winter months.

The meeting was adjourned at 9:00 p.m. The next meeting will be at 7:00 p.m. on December 21st.

Parkland News

George and Zelda Giebelhaus of Vegreville called on Mrs. Haeberle last Tuesday.

Anne Galenza of Camrose visited with Mrs. Kawaliak.

Chester Lund had his daughter Karen and John Jackson from Neurberg, Oregon visit with him on Wednesday.

Pete and Ross Ward visited with Mrs. Ward last week.

Mrs. Kawaliak had a nice visit with Joe and Kay Kowaliak on Wednesday.

Emily and John Tkaczyk called on Mom Pasnak, and Annie Tchir also visited with Mrs. Pasnak, Pearl Tchir and Pearl Kowaliak.

The Christmas party for the guests at Parkland was held on Sunday. It was a lovely party with so many friends and relations calling on their loved ones. Thank you all for coming and making the day so wonderful for the people here. Special thank you to Santa for stopping in.

Merry Christmas and a Happy New Year to all.

Canadian League of Rights to Host Speaker

Phillip D. Butler, executive board member of the World Youth Anti-Communist League and B.C. Field Director of the Canadian League of Rights, will be speaking in Viking on Saturday, January 6 at 8:00 p.m. in the Viking Community Hall. Mr. Butler's presentation in Viking is being sponsored by the Canadian League of Rights.

The Canadian League of Rights is a non-party political movement dedicated to the preservation of freedom and justice, and to the defence of Canada's Christian heritage. The League maintains the following objectives:

-loyalty to the Christian concept of God and the Crown.
-fostering the strengthening of ties between the member nations of the British Crown Commonwealth;
-support of private ownership of property and genuine competitive enterprise;
-defence of the Rule of Law;
-opposition to all policies of totalitarianism, irrespective of their label.

There is a League of Rights in the United Kingdom, New Zealand, Australia and Canada. There is also a Crown Commonwealth Association of these Leagues. These organizations co-operate with similar movements in other nations of the "Free World".

Mr. Butler is scheduled to speak on Canada's Disaster Course, and will deal with such items as:

-Inflation - what is the answer?
-Bilingualism and Constitutional Reform?
-Centralization of Government;
-What in the world is the World Council of Churches doing?

Following Mr. Butler's address there will be a question period. Although no admission will be charged to hear Mr. Butler, a collection will be taken at the meeting.

Todd Hafso gave Santa Claus his Christmas list at the Viking Chamber of Commerce Christmas party on Saturday, December 23 while Lynnette Brissard looked on. Lucky winners of the Chamber's Christmas draws were: Roy Hoogen - Trip to Hawaii, Lazy Boy Chair - Fred Wilson of Killam, Lazy Boy Chair - Walter Stefanik of Viking and the T.V. Set was won by Harry Hayden also of Viking. Staff Photo

B.R.T.A. Submits Resolution

The Battle River Tourist Association is submitting a resolution to the Travel Industry Association of Alberta asking that the Government of Alberta institute a maintenance program in connection with marked historical sites. The resolution was approved for presentation at the meeting of the association held in Castor on Thursday, December 14.

As the preamble of the resolution states, it "has taken note of the commendable program of the Government of Alberta to research, preserve and mark a number of historical sites throughout Alberta", but is concerned that "there doesn't seem to be any subsequent maintenance program in place. As a result, the nicely-marked sites gradually deteriorate, become overgrown with vegetation, and present a very shabby appearance to the visitor".

The Battle River Tourist Association is suggesting that "a local organization, local government or provincial government department be charged with the responsibility of keeping these precious locations in a state of excellence for the enjoyment and appreciation of present and future generations of Albertans and visitors in perpetuity".

The three particular sites in the Battle River Tourist Zone that need attention include the Peace Hills Cairn north of Wetaskiwin, the Telegraph Cairn near Hay Lakes, and the Ribstone Cairn near Viking.

At the same meeting, it was decided to withdraw an earlier resolution submitted in connection with "the shabby appearance of Province House in Prince Edward Island". Since submitting this particular resolution, it has been learned that "the intent of the resolution is about to be carried out".

Metric Conversion Deadline Extended

Minister of Energy and Natural Resources, Don R. Getty, announced today that the government will extend the deadline for compulsory conversion to the metric system in Energy and Natural Resource matters for at least another six months to July 1st, 1979.

"There are already a great many communication problems for the public on energy statistics and facts," Mr. Getty said, "and while citizens are trying to make the adjustment to the metric system the conversion is difficult for them and the additional time should be helpful". (Industry may continue the conversion, if they wish, as of January 1st, 1979. However it will not become mandatory on that date.)

"While this extension of time may cause some inconvenience in the metrification process, I believe the average person needs additional time to make the adjustment", Mr. Getty said.

The Viking Volunteer Fire Department responded to a fire in a seismic truck on Wednesday, December 20, approximately ten miles north of Viking on Highway 36. Although the firefighters brought the blaze under control quickly, damage to the truck was extensive. Staff Photo

More Money for Opportunities Fund

Education Minister Julian Koziak has announced that funds in excess of $18 million will be available over the next three years to extend the educational opportunities fund elementary component to June 1982.

The Educational Opportunities Fund Elementary component provides over $6 million a year to school boards for programs to upgrade student's basic skills, particularly in language arts. Funds are to be used to provide direct services to children such as upgrading reading skills at the primary level. In other cases, the fund might provide an improved fine arts or physical education program. Funding is available only to school boards, and projects require the approval of Alberta Education.

The Educational Opportunities Fund, established by Alberta Education in 1973, has both an elementary and a compensatory component. The latter, which is funded until June 1981, provides school boards with about $2 million a year to equalize opportunities for children who experience serious cultural, social or environmental disadvantages.

At present, nearly all Alberta School jurisdictions take advantage of the educational advantage of the Educational Opportunities Fund Elementary Program which encompasses about 475 projects.

About 75 percent of the Educational Opportunities Fund Elementary funding supports projects to improve students' basic skills.

"Because the Educational Opportunities Fund has been so well received, particularly by teachers and school boards," said Mr. Koziak, "it continues to be a high priority with the Alberta Government."

The Year of the Child

This year, 1979, has been designated as the International Year of the Child by the United Nations. The intent of such a designation is to focus attention on the plight of children throughout the world and to hopefully, in some way, help to improve the situation of those less fortunate. As well, the focus will be placed on children in general and their role and place in the various societies throughout the world.

1979 should be a year when we, as adults, evaluate ourselves in view of the children. Are we creating a society which will better supply their needs and desires, or are we leading them to destruction? Questions of a general nature dealing with the survival of mankind should be answered with a view to the children.

And what of questions of a specific nature? We should also look at ourselves in relationship to "our" children. Are we doing for them the best that we possibly can? Are we concerned with their successes, with their failures, with their growing up? Do we take time to talk with them and try to understand them? Do we care about their participation in life?

We must ask ourselves questions such as:

When was the last time I asked my child about himself/herself?

When was the last time I took my child somewhere?

When was the last time I attended one of his/her activities or sporting events?

Do I know who his/her friends are?

Do I know what he/she is taking in school?

Do I know what his/her teachers are like?

And the list could go on and on.

Perhaps it is time that some of us got more involved in "taking" our children wherever they go rather than just "sending" them. Perhaps its time we placed our children's welfare above some of the other priorities we have established.

There are many ways in which we can help our children to become better people. In this, the International Year of the Child, let's put them "first".

From the Legislature

By Grant Notley - Leader Alberta N.D.P.

RURAL CONCERNS

During mid-December I went on a three-day tour through northeastern Alberta. I visited more than a dozen communities and met with local government officials, community groups, Indian and Metis leaders, senior citizens, and members of the public.

A whole range of issues and concerns were brought to my attention, but the general impression that emerged throughout the tour was a widespread feeling that the region has been largely ignored by the provincial government.

The impact of the provincial spending cutbacks on rural education and health services was raised on several occasions. I heard stories of young students forced to get on the school bus before 7:00 a.m., and ride the bus 50 miles each way. The lack of funds for education has also forced the closure of some classrooms and the layoff of teachers, and has made it difficult if not impossible for rural schools to offer trade skills.

The whole question of the movement of grain was another concern expressed throughout northeastern Alberta. Clearly there is a need for a complete revamping of the grain hauling system, including better rail links, more boxcars and improved terminal facilities.

Perhaps the most frequently-voiced concern was that of rural energy prices, particularly natural gas and electricity rates. We have found that power rates in rural Alberta are 53% higher than in rural Saskatchewan. There was a good deal of support in the region for my suggestion that power rates throughout the province should be equalized through a system of public power similar to that in effect in almost every other province in Canada.

All in all, the tour confirmed my view that while northeastern Alberta is a region of great potential, it is too often neglected by the provincial government.

What is needed in my view is a renewed provincial commitment to rural Alberta, with concrete proposals to improve grain handling, to equalize energy rates, and to maintain an adequate level of health, education and social services throughout the province.

Keeping in Touch

By Arnold Malone, M.P.

I have just returned from a fact-finding tour of our peace keeping Forces in Israel, Syria, Egypt, Jordan and Cyprus. The mission had an immense impact on me and made me feel both fortunate and proud to be a Canadian. Our great nation is a striking contrast to the cultural and economic diversity of these interesting and ancient lands.

It is difficult for Canadians to fully appreciate the hap-hazard life style of people from an antique culture who have suddenly been thrust into the middle of 20th century technology. All members of the committee were awestruck in Cairo and Ismailia to observe that cars were driven at a high speed in the dark of night without any aid of head lights. The reason - a battery costs $240 U.S. and the predominant belief is that driving with your lights on is extravagant and an unnecessary expense.

In Damascus, a different but equally indelible impression was made. The landing strips at the airport were observed to have an unusual characteristic. From the air we saw that the space between the runways was a mosaic of many colors. The area was not sand, grass, or pavement, just a mysterious conglomeration of texture and colors. When our plane landed we were appalled to find that this conglomerate landscape was infact a huge garbage dump. As each plane lands, they simply dispose of food trays, paper cups, bags and boxes in the simplest way possible - the refuse is just thrown out the door of the plane. Over the years the garbage has amassed to a depth of several feet. When the plane taxis on the runway to and from the tarmac, the blast from the jets floats garbage away from the airstrip like tumbleweed in a prairie wind.

In future articles I will write more about the impacting, educational experience of 2 weeks in the Middle East. In this first article of this series I want to inform all readers that Canada can be very very proud of the quality of soldiers we have in our Peacekeeping Forces. They are educated, articulate, ambitious people with a keen sense of responsibility and reason. Their quality has earned them an admirable level of respect.

These hard working men and women display an unusual level of energy. Eight hour days are neither known nor desired. When their shift of military duty is completed most soldiers volunteer many hours to "self-help" projects. They paint their mortar riddled buildings that reflect the acne of recent wars. They construct sitting lounges, recreation courts, improve housing, plant grass and shrubbery and a host of other activities.

Because of their determination to make their battle torn buildings a home away from home, most other battalions from other nations that serve in the Peacekeeping Force have the false impression that Canada is favored with finances and aid. We are favored; but only by the industry and ingenuity of our personnel.

They work hard, they are diplomats and they are a credit serving abroad, take the time to write them a letter, especially at this time of year.

A word from Canada is always appreciated....in the name of peace and service, where we can, let's keep in touch.

Taylor Criticizes Gaming Laws

Alberta Liberal Leader Nick Taylor charged the Lougheed government with being heavy handed and insensitive with regard to their administration of gambling laws in the province.

Taylor said that the attorney general's department was particularly "rough" on the service clubs and charitable and sports organizations of small towns who have traditionally run raffles within their own community to support various sports and charities.

The premier and his enforcers seem unable or unwilling to understand the difference between someone buying a ticket which they know is primarily a donation with little chance of winning anything and the person placing a bet in high hopes of winning a bundle.

The Alberta Liberal Leader claimed "that regulations to contain the heavy gambling at professionally run casinos held almost perpetually in the big cities have no place when judging merits of the traditional Kinsmen, Rotary or hockey clubs' raffles for local purposes".

"The Mafia may be hiding under the cabinet's bed or behind the big city gaming tables but it is unlikely to be lurking in Camrose, Bow Island or Lac La Biche. These organizations were doing community work long before Lougheed arrived on the scene, and hopefully long after, so let's not badger them with calls for professional audits, guaranteed returns and paperwork galore". Taylor called on the Lougheed administration to leave these service clubs, ladies auxiliaries, sports organizations and church clubs under the old regulations where they are continuing operations of the past.

"If they move into professional gambling casinos, a move highly unlikely if not impossible in a small town, they by all means apply the new laws".

Vialta Lodge News

Mr. Stanley Hendrick of Vancouver called in to see his mother Mrs. Blanche Hendrick.

Visiting Elmer Johnson were Arnold Knudson and Mary and Leroy Feuseth.

Visiting Dutchy were Lena Arndt of Viking and Ben Arndt of Golden Prairie, Saskatchewan.

Calling on Grandma Otto were Betty Hoines and Carl and Bev Otto and girls.

Mr. and Mrs. Terry Meakins, Joan and Gordon Meakins were all visiting with Mr. Frank Murray.

George and Karen Cottrell, Norman, Janice and Wendy Erickson, Bev, Marg, and Leah Bailey, Marvin and Olaf Sorenson all visited with Mrs. Sorenson during the holidays.

Visiting Mrs. D'Arcy were Gladys Christensen, Norman Hogstead and Maxine Josephson.

Leona Snider of Hinton and Helen Kimball of Campbell River B.C. called on Mrs. Elmen.

Mrs. Sarjeant had Dan and Susan Sarjeant and Valerie and Jack Hagen visit.

Gwen Hooper called on Mrs. Fhona Evans.

Calling on Mrs. Austin were Ida and Phil Austin and Dr. Nick and Joan Kuzyk.

Mr. and Mrs. Bob Thunell of Camrose took Mr. and Mrs. Olaf Lovseth out for Christmas. Mr. and Mrs. B. Lovseth of Edmonton also visited.

Mr. Tehir spent Christmas with his family. Visiting with family were Mike, Pete, Greg Tkaczyk and Myron and Ann Pasnak.

Mr. Max Hoyland spent Christmas with his daughter and family at Sherwood Park.

Mrs. Saddaay spent the holiday with her family at Edmonton and at the farm.

Mrs. Bedwell enjoyed a visit with all her family. They gathered at her daughter's home in Fort Saskatchewan.

Season's Greetings go to Mr. Gibson who is in Viking Hospital and Mrs. B. Didsey in an Edmonton Hospital. We also sent our get well wishes.

Everyone at the lodge enjoyed Wednesday, when Lucille and Joe Dubuc came to visit. They played several musical instruments - old time music and Christmas carols. Thank you for coming and spending this time with us.

We will be holding our Bingo on Wednesday, January 17, from 2 until 4 and our Card party will be held on Tuesday, January, 30 at 8 p.m. See you all then.

All at Vialta Lodge wish everyone the best in 1979.

On January 1, 1979, Mrs. Christine Mackay began her position as secretary-treasurer for the Village of Holden. Christine replaced Alfred Sorenson who retired after nine years of employment. Staff Photo

Parkland Nursing Home

Many of our guests went our for Christmas - Mrs. Clegg, Pearl Tebir, Gail Gustafson, Mrs. Blaeser, Pete Kowalchuk, Mrs. Haeber, Mrs. Pryor, Mrs. Ward and Mrs. Pasnak were very happy to have dinner and spend the day with family and friends.

Lorna Voltner of Tofield called on Mrs. Kawaliak on Christmas day.

Mae and Gordie McLachlan and family of Edmonton visited with Grandad Finnemore.

Mrs. Kawaliak visited with her daughter Anne Galenza and Bob.

Mrs. Pryor had her grandson Earl Pryor of Camrose visit with her Wednesday.

Mr. and Mrs. Henry Koral of Edmonton visited with Miss Tina Klatt.

Honey Curtis and Mabel Robson called on Charlie Auburn on Friday.

Mr. and Mrs. Carl Anderson visited with Mrs. Pryor on Saturday.

Vi Jesperson of Estevan, Saskatchewan called on her friends here on Sunday.

Mrs. Mary Pasnak had daughter Emily and husband John visit with her New Year's day.

The Homemaker

By Diane Luke, D.H.E.

NEW YEAR'S PRAYER
BY LOLITA PINNEY

A whole new year is mine today
May I be wiser, Lord, I pray!
I'd strengthen friendships, old and true,
And learn to cherish new ones, too;
To keep on learning and to grow
A little better as I go.
To cast aside each grudge and grief,
And hold fast to a firm belief
That life is joyous, gracious, good,
When lived in terms of brotherhood!
To welcome fun, and play a while,
To lighten work with happy smile!
To thank the Lord and every day
Remember Him, and kneel to pray
In gratitude for strength and health
And blessings which are all my wealth!
This year's a gift from God to me
To spend, or use, or set me free.....
A whole new year is mine today.....
May I be wiser, Lord, I pray!

Echo-Rodino Report

Mr. and Mrs. Henry Beckett and Rhenda of Williams Lake dropped in at the Bauer residence for a quick visit before Christmas.

Gladys and Lee Davis and family of Wildwood visited Harriette Faulkner for Christmas.

Kelly Smith spent some of the holidays in Lloydminster with her sister.

Rita and Shirley Greenwood and Bonny Machowoski of Edmonton were home to their parent's residences for Christmas.

Loretta, Mervya and Karen Knull of Leduc, Lorraine and Douglas Prosser and Morris Malderis of Edmonton were holidayers at the Prosser home.

Bruce and Yvonne Greenwood travelled to Camrose on Boxing day to have supper with Beth and Dave Greenwood.

Mr. and Mrs. Larry Minera and son were home to the Robert Greenwood residence for some of the holidays.

Bob Johnston spent some of his holidays in the city.

Lance Justin and Wyonne Welch and Doug White of Wildwester holidayed in the community at the homes of Ray Johnston and Yvonne Greenwood.

Les, Doreen and Marvin Prosser returned home from their trip down east reporting they had a good time visiting relations. Everyone down there sent up holiday greetings.

Mike and Esther Machowski visited friends in the Loomis area.

The power blackout New Year's Eve never put a damper on the neighborhood New Year dance at the Rodino Hall. We all dressed warm and even a few attended on their ski-doos as the roads were blown full. A good time was had by all.

Get well wishes go to Florence Hellar who is in the hospital.

By Yvonne Greenwood

4-H Sleigh Ride Held

The Viking 4-H Light Horse Club had a sleigh ride at the farm of Henry Ruzicka on December 27th at 1:30 p.m.

The majority of the club members were able to attend and showed a great deal of enthusiasm. The kids were all dressed for the occasion - in their ski-doo suits and parkas.

Mr. Ruzicka supplied the two teams and sleighs for the fun filled event. The sleigh ride ended with a bonfire and weiner roast. A wonderful time was had by all. The Club would like to thank the Ruzicka family for their hospitality.

The Kindergarten Class of the Viking School was one of the many groups which performed at the School Christmas Concert on Friday morning, December 22. The concert was postponed from Thursday afternoon due to the cancellation of buses due to a severe storm on Thursday morning. Staff Photo

The Pencil Box

A Bit of Yesteryear

by Margaret Rollinson

As I look back across the years, I am truly glad that I shared a few years of the basic life-style before 'the change of times'. I am aware of a warm feeling of pleasant memories, each touched with a glow of warmth and wholesomeness, yes even of sadness, like the beauty of a Nightingale's voice with its sad quality. I wish that my children also would have had the chance to have shared a part of 'that era past', of which I fondly recall.

Today life moves at a faster pace. We have more material things than before. (I wonder if we really appreciate them as we should?) Today we and our children have more money to spend, and countless conveniences and extravagances. The young people of today have fast cars, large wardrobes and plenty of pocket money, along with an abundance of spare time. Perhaps we, the parents, are to blame somewhat - with our attitudes - "I didn't have this or that as a youngster, so if I can afford it, my kid isn't going to be deprived of it". Or, "If Jonnie saves his money, and gets a part time job, he'll appreciate and look after what he has bought...."

Chores are an almost unheard of word - it's not the children, teenagers or parents, but seemingly a faster pace in a new life-style, that has brought along with it: drugs, alcohol, a lower drinking age, abandonment of morals, a new outlook on the church, sex shows, horror movies, glue sniffing, new concepts in marriage, and countless other natures of crimes and sicknesses, and seemingly less respect for those in authority. Today the media daily mention drug addiction, murders, sex crimes, accidents due to reckless, drinking or stunting drivers, each causing death to many teenagers and innocent citizens.

Generally speaking, people, especially the young, are looking for some of the good old fashioned basics in this new society. For instance, camping has become very popular. Hiking, barbecue pits and outdoor cooking, coal and wood burning stoves or fireplaces in our homes, antiques too, tend to be in demand and placed along side our expensive ornaments and furnishings. Is this a quiet whisper within us, a subconscious longing for a tiny bit of yesteryear's simpler and less complicated days of remembrances of perhaps our parents, grand-parents, and the pioneers who toiled for their daily bread, and an easier life for the next generation who never heard of making house payments, words such as 'tax exemptions, corporate laws, tax cuts, gun control, legal abortion laws, ...'. 'Flower Children' and 'Moonies' are searching for something - something greater than what they have. Could it be love and understanding, perhaps a feeling of wanting to belong, something they need? Could it be something that teenagers in 'Days past' had?

Our children have a rough road to hoe, even with their chance of a good education, high wages, material assets, and a large labor field offering a large variety of new opportunities. They have the opportunity today to complete a High School education, and if they wish, to enter Secondary Education Facilities where loans can be arranged if needed, on-the-job training and countless other avenues of job placement opportunities.

We have all failed to a degree. It's as though we've been set adrift, but still underlying, we really miss or don't know what the basics in life are anymore. It seems we're rushing through today, so that we can be ready for our business, pleasures and a constant number of meetings, socials, or other obligations for tomorrow.

Progressive Farming

James B. MacKay
Dist. Agriculturist

Bill Bruce - Ass't. Dist. Agriculturist

Healthy beef cows, five years and older, can lose 100 to 200 pounds (30 per cent of their fall body weight) during the winter without affecting the weaning weight of their calves.

This is the conclusion reached by P.G. Hiley and J. Hedges of the University of British Columbia's department of animal science after three years of investigations involving eight commercial cow-calf ranches (1,300 cows) in the southern half of B.C. However, the data they collected indicate that it could be advantageous to preferentially feed young cows during the winter.

The cows in all but one of the eight herds studies consistently lost weight each winter and regained it the following summer. The research results showed no valid reason for reducing winter weight losses even in one herd where the average weight loss was 250 pounds per cow. The weaning weight of the calves from this herd averaged 459 pounds at 220 days of age.

On the one ranch where the cows gained weight over the winter, the weaning weight of the calves at 220 days of age was only 420 pounds.

The research findings showed that, in general, calves were only six pounds heavier than the herd average at weaning time for each additional 100 pounds of weight gained during the winter by their dams. The research also showed that cows that lost 20 per cent of their body weight during the winter, compared with an average loss of 10 per cent, gained most of it back during the following summer.

Another important point that came out of the B.C. study was that the weight of a cow is very much determined by the herd she belongs to. Such things as general genetic makeup, management, feeding, quality of feed, location and climate all play a part in her weight.

Although cows of the exotic breeds have the potential for being bigger and heavier than the conventional breeds, the location and management of the herd was found to either enhance or inhibit this potential. For example, the crossbred cows of exotic breeds in one herd were no heavier than the straightbreds of the British breeds in the same herd; and the average cow weight (1,300 pounds) in one purebred Hereford herd was similar to that of the crossbred herds studied.

Even though the larger beef cows did wean slightly heavier calves, as mentioned above, the researchers felt that it was not worth either feeding or breeding heavier cows to increase weaning weights. Their reasoning is that good cows feed their calves well, and that cows that are well fed during the summer produce heavier calves without becoming heavy themselves.

The study also showed that two, three and four year-old cows weaned 9, 5 and 4 per cent lighter calves respectively than the herd average, and that five to 10 year-old cows weaned calves that were remarkably similar in weight (505 pounds). The latter fact shows that cows would not be culled on the basis of aged alone.

In one herd it was found that the two year-old heifers weaned average-sized calves, while the three and four year-olds in the same herd weaned smaller calves. Since it was also found that the three and four year-olds had gained more weight than the heifers over the summer, the researchers concluded that it could be advantageous to preferentially feed young cows during the winters following their first and second calves to prevent weight loss.

Frederick J. Roddick Passes

On December 13, 1979 at the Viking Hospital, Fred Roddick passed away suddenly at the age of 61 years.

He leaves to mourn his loss two brothers and sisters-in-law - Allan and Jean Roddick, Jack and Edna Roddick; two nieces and two nephews - Allan and Marilyn Johnson, George and Connie Southwell, George and Kaye Roddick and Bob and Pat Roddick, and a host of relatives and friends.

Fred was born in Viking, Alberta on July 10, 1917, and was the youngest son of the late Mr. and Mrs. R.H. Roddick. He received his education at Cobourg school and Viking High School. In 1939 he joined the Royal Canadian Air Force and served in England and Africa. During his military service he achieved the rank of Flight Lieutenant and was decorated with the Distinguished Flying Cross at Durban, South Africa. On his return to civilian life in 1945, he made his home with Jack and Edna Roddick and farmed until arthritis forced his retirement. For the past fourteen months, Fred had made his home at Viakta Lodge. Although he was badly crippled he was still able to drive his car and enjoy the countryside, and he remained very active in the Canadian Legion. He will be sorely missed by his many friends and relatives in the area.

The funeral service was held from the Viking United Church on December 16, 1978, with Reverend J. Bennett officiating. The pallbearers were Helmer Hanson, Dick Cottrel, Herman Hafso, Art Willans, Don Place, and Art Francis.

Monaghan Funeral Home was in charge of all arrangements.

Do You Know The Bible Says

By Mrs. W. Myers

In the beginning was The Word, and the Word was with God and the Word was God, the same was in the beginning with God. And the word was made flesh and dwelt among us. John 1: 1,2 & 14a.

And the Angel said unto them....Unto you is born this day in the city of David a Saviour which is Christ the Lord....Ye shall find the babe wrapped in swaddling clothes, lying in a manger. And the shepherds glorified and praised God for all the things that they had heard and seen as it was told them. (Luke 2: some chosen verses)

For God so loved the world that He gave His only begotten Son that whesoever believeth in Him should not perish, but have everlasting life.

For God sent not His Son into the World to condemn the world, but that the world through Him might be saved. (John 3: 16,17) I AM THAT I AM. (Exod. 3: 14a) Jesus as a member of the Godhead said....I AM the BREAD (John 6: 35) he who comes to ME shall not hunger, and he who believes in ME shall never thirst. (John 6: 35)....I AM the LIGHT of the world, he who follows ME shall not walk in darkness, but shall have the LIGHT of life (John 8: 12)

I AM the DOOR of the sheep, by ME if any one enter in, he who shall be saved, and shall go in and out, and find pasture. (John 10: 9)....I AM the WAY, the TRUTH, and the LIFE, no one comes to The Father but through ME. (John 14: 6)....I AM the vine, you are the branches, he who abides in ME and I in him bears much fruit, for without ME you can do nothing. (John 15: 5)...I AM the resurrection, and the life; he that believeth in ME, though he were dead, yet shall he live. (John 11: 25)

This very same Jesus, the babe of the manger, the Christ of the Cross, the risen Saviour, the ascended Son of Man, is the Saviour who God offers you as a gift at this Christmas time. WILL YOU ACCEPT HIM?

Rejoice Together

NOTICE

Many Ski-do operators are riding their ski-do's all over within the corporate limits of the Town of Viking. This contravenes Viking's Off Highway Vehicle By-law #306, which reads that ski-do's may be operated within the corporate limits of Viking for the sole purpose of moving them from a residence to outside the Town limits by using the shortest and most direct route and using alleys where available. Ski-doo cannot be operated before 9:00 a.m. and after 11:00 p.m. and speed limit in town is limited to 25 km per hour. Drivers are also asked to please stay away from residences as they are endangering children's lives by driving too close to houses.

CARDS OF THANKS

We would like to express our sincere thanks and appreciation to our many friends, neighbors and relatives for their acts of kindness, messages of sympathy, floral tributes, and memorial donations made in memory of our brother, Fred, who passed away so suddenly.

We would especially like to thank the doctors and nurses for their care over the past years. Also to Reverend J. Bennett, who was such a comfort to the family, to the choir and organist who assisted with the service, to the members of the Viking Branch of the Canadian Legion who acted as pallbearers and honor guard; the Ronaghan Funeral Home; and to the ladies who supplied and served a delicious lunch after the funeral, we offer our heartfelt thanks.

Allan and Jean Roddick
Jack and Edna Roddick
George and Kaye Roddick
Bob and Pat Roddick
Allan & Marilyn Johnson
George and Connie Southwell.

We wish to express our sincere thanks to all our relatives, friends and neighbours for the sympathy cards, beautiful floral tributes and memorial donations made in memory of our sister, Esther Duda, who passed away at White Rock, B.C. on December 13, 1978. Your kindness will always be remembered.

The Rosens - Karl, Klas, Billy, Alfred, Gerda, Edna, Elsie and Mildred.

Thank you to all my friends for their kindness and for all the cards and gifts. I would also like to wish everyone a very happy and properous New Year.

Isabel D'Arcy

I would like to say thanks to everyone that sent cards, visited, for the treats and fruit basket when I was in the University and Viking hospitals. Also thanks to the Doctors and staff and ladies of the Irma Alliance Church. It was greatly appreciated. Ernie Owen

IN MEMORIUM

TYMCHAK - In loving memory of our husband and father, Richard, who passed away December 28, 1977.

This month comes with deep regret
It brings a day we cannot forget
In our hearts you will always stay
Loved and remembered day by day
Memories are treasures no one can steal
Death is a heartache no one can heal
Life must go on, we know it's true
But it's not the same since we lost you.
You left so suddenly without a goodbye
But memories of you will never die.

Ever remembered and very sadly missed by Susan, Wade, and Jill 46c

Floral Tributes in Memory of Fred Roddick were received from: Jean and Allen; Edna and Jack; Marilyn and Allen and family; Connie and George and family; Kaye and George and family; Pat and Bob and family; Nan and John Wilson; Viking General Hospital Board; Bill and Betty Pobuda; Ed and Helen Ruzicka; Helmer and Hazel Hanson; Viking Lions Club; Bill Haire; Selma, ARt, Allen, Susan and Linda Willans; Dr. and Dorothy Cald well; Viggs Lindberg; Edith and Asa; Ardis and Guy; Kay and Vern; Betty and Dick; Harry and Jean Miskew; Hugh, Jean and family; Lem and Betty Burnham; Yvon and Shela Brochu; Ashley, Evelyn and family; George and Jessie Burnham; Elaine and Bob Banbury; Dick and Louise Burnham; Sophie and Bill Comisarow; Eldon and Lenora Oberg.

Donations to the Alberta Heart Foundation in memory of Fred Roddick
Beth and Ernie Merta and family; Bill and Lynn Kittle; Jack and Val Sullivan; Bruce and Laura Bridgeman; Helen Piscia.

Donations to the Canadian Cancer Society in memory of Fred Roddick; Julie Manas; Mr. and Mrs. V. Voltner; Ken and Jennie Bird.

Donations to the Alberta Heart Foundation in memory of Esther Duda: Ernie and Beth Merta and family

In Memory of Debs Faulkner who passed away December 29, 1976.
As time unfolds another year,
My memories keep you ever near.
Silent thoughts of times together,
Hold memories that will last forever.

Always remembered by Harriet, Dorothy and Stan and family, Jean and Phil and family, Gladys and Lee and family. 46c

Irma and District News

Eldon and Isabel Fenton and Georgina Enger spent Christmas day with May Carter in Wainwright.

Elfreda and Mervyn Stephenson with sons Marshall and Eldon from Fort McMurray spent Thursday and Friday, December 21 and 22 visiting with Elfreda's parents, Isabel and Eldon Fenton.

George Foreman, his brother Dave and wife, spent Christmas with Dave's daughter Florette and family in Calgary.

Lorna and Eddie Jackson had their son Bob and wife Geraldine, Charlie and girl friend Caroline Czar all of Edmonton, and Rickie and Phyllis Hammond from Winnipeg with them for Christmas. A few days later Phyllis and Rick flew to Vancouver to visit with the latter's mother.

Mabel Lovig and son Gordon drove to Fort Saskatchewan on Christmas day and spent an enjoyable time with her daughter Linda and husband Don Lievern and family.

Jeanie and Clyde Strong and family of Edmonton visited over the holidays with Phyllis and Jimmie Craig.

Mrs. Thurston, who is staying with her daughter Olive and family at Edgerton, spent two days visiting with Phyllis and Jimmie Craig and son Ted and family over the Christmas holidays.

Neil Jackson and friend Barry Phipps from Edmonton were down in Irma for a few days skidooing. They visited Eddie and Lorna and also called on Grandma and Grandpa, Minnie and Jim Jackson, returning to Edmonton on Friday evening.

Carol and Albert Reber and girls from Fort McMurray visited with Carol's parents, Chris and Mark Russell, during the Christmas holidays. They also visited Albert's mother and other relatives at Hardisty.

Fay Whitten and boys spent Christmas with her parents, Chris and Mark Russell, in Irma.

Terry Russell and Melda Guy from Edmonton spent the holidays with their respective parents in Irma.

Allie Bacon accompanied Harold and Mary Pasha of Viking to Wainwright where they spent Christmas day with Harold and Mary's daughter, Anne and husband Bill Hehr.

Isabel and Chester Bartholow of Sundre arrived in Irma on December 23 and spent Christmas with Isabel's parents, Minnie and Jim Jackson. At a party on Christmas eve in the Jackson home, a gathering of the Jackson clan arrived to help Chester celebrate his birthday. Eddie, Lorna, Howard, Phyllis and Rick Hammond, Arthur, Marilynn and girls were there and a social time was enjoyed.

On December 26, Isabel and Chester Bartholow and Minnie and Jim Jackson drove to Sedgewick to help their old Irish friend, Joe Harding, celebrate his 80th birthday. His son Stephen and family, and son George and wife Val were also there and a very pleasant time was enjoyed by all. Alma and Joe have recovered wonderfully after a two week stay in Daysland hospital, Alma suffering from a massive coronary and Joe from a stomach disorder.

Mel Garbe's mother, Irene Garbe, of Camrose and Mel's sister, Doreen, from Ontario spent a few days during the Christmas holidays with Alma and Mel in Irma.

Visiting with Joyce and Jack Veer on Christmas day were Pete and Gertie Funk, Bill and Effie Ewart, Lyn and Sandra from Wainwright, Les and Betty Tindall from Grand Prairie, Marilynn, Arthur Jackson, Barbara, Lorraine and Lorne.

Aletha and Hugh Tomlinson had with them on Christmas day, Norris, Shirley and family from Edmonton, Alice and Bruce Willerton and family from Fabyan, Grandma Tomlinson and Aunt Ella Skiles from Irma.

Meg and Hamish Dunbar, and Bennie and Bob and children from Lacombe were guests with Anne and John Dunbar and family on Christmas day.

Mina and Al Dykes and Neil visited with Doreen and Ted Hill during the Christmas holidays.

Erna and Wayne Burger and girls, Cindy and Frank, all of Edmonton, Louie, Connie and Cindy Fornal, Diane, Dave and Trudy all from Viking, and Doris and Howard of Edgerton all enjoyed Christmas day at the home of Ernie and Christine Owen.

News items should be phoned to 754-3961, or written down and deposited in the "Drop-off Boxes" in McFarland's or the Co-op store.

Minnie and Jim Jackson join The Weekly Review in wishing all their friends and all Review readers a Happy New Year blessed with Peace, Health and Happiness.

Chacutenah Manor News

Normally our Manor is a companionably active abode, but during the recent holiday season it was rather quiet as many of our residents were celebrating elsewhere.

Mr. and Mrs. J. Lambert spent the week with their daughters and their families at Camrose and Round Hill.

Mrs. McLean accompanied her daughter and son-in-law, Mr. and Mrs. C. Saville, to Red Deer where they joined a family party at the home of Mrs. Reed.

Mrs. R. Simmermon enjoyed the week at Calgary, guest of her son and his wife, Mr. and Mrs. R. Simmermon and their family.

Mr. and Mrs. Hooper spent Christmas day in Edgerton with their daughter and her husband, Mr. and Mrs. M. Bergley.

Mr. and Mrs. H. Riley were guests with the R. Thurston family.

Miss Smith spent Christmas day with the Creasy family.

Mr. Art Larson visited with relatives at Paradise Valley.

Mrs. Cockroft joined the family party at the home of her daughter and son-in-law, Mr. and Mrs. A. Larson.

Mrs. McRoberts, Mr. and Mrs. J. Moore of Tofield and Mr. Alan McRoberts and small daughter, Brandy, of Calgary were guests with Mr. and Mrs. Dick McRoberts.

Members of the 4-H Food Club were welcome visitors with us on the evening of December 20. We enjoyed the carol singing by this group of young folk and their capable leaders - Mrs. R. Glasgow, Mrs. R. Jones, Mrs. J. Newton, Mrs. B. Copeland and Mrs. C. Prior. Presentation of a box of chocolates was made by the Misses Diane Soucey and Vickie Nilson and was accepted on behalf of the Manor family by Mrs. Cockroft who thanked the group for the pleasant evening.

Spending the Holidays with Mr. and Mrs. Wm. Guy were Mr. and Mrs. R. Copeland and boys of Lethbridge and Miss Melda Guy and Mr. Terry Russell, both of Edmonton. Joining the family on Christmas day were Mr. and Mrs. N. Minchau and girls, Mr. Ernie Guy, and Mr. and Mrs. B. Copeland and family. Callers in the evening were Mrs. Russell and Faye, and Mr. and Mrs. D. Dennis and daughter Tina of Smithers.

Mr. and Mrs. Copeland are visiting friends at Ft. McMurray. Their children remained with their grandparents, Mr. and Mrs. W. Guy.

Irma 4-H Food Report

On December 8, the 4-H Food Club held their Christmas dance. A good crowd attended to dance to the music by Disco D.and R.

The Greenshields Beef Club invited us to their bonspiel onDecember 16 and eight of our members attended.

On December 20, we had our regular business meeting. After our meeting we had our Christmas party at the home of Stella Glasgow. We played games first and then had lunch and opened our gifts. After our party we went caroling.

On behalf of the 4-H Food Club I would like to thank Mrs. Stella Glasgow for letting us have the party in her home. Our thanks also to our leader, Mrs. Mary Newton, for all the time and energy she has devoted to the club since the beginning of this season.

Club Reporter - Patti Jones

At the Irma 4-H Food Club's Christmas party on December 20, Diane Soucy [left] and Randy Gaule tried their best to win a race of "pass the lifesaver" while Robbie Pekon looked on.

Strawberry Plains W.I. Holds Christmas Party

Strawberry Plains W.I put on its Annual Christmas Party in the Irma Legion Hall on Wednesday evening, December 20. After a pot luck supper had been enjoyed, a program was put on. Lorna Jackson, President, welcomed everyone and expressed the hope that all would enjoy the program which had been arranged.

Alex Smallwood then took charge as M.C. The first item was carol singing in which everyone took part. The next item was a reading by Mona McKay, followed by a piano solo by Linda Tomlinson. Doreen Hill then conducted a contest.

The outstanding feature on the program was a dance by Monica, a very vivacious Mexican girl who is staying with Doreen and Irvine Bell. She first did a Spanish dance and then the Can-Can.

A reading by Susan Creasy followed. Doreen Bell then held another contest. Carol singing was again enjoyed by all, followed by a reading by Minnie Jackson. The arrival of Santa Claus was timed to an appropriate carol. Santa came in a hurry, passed out gifts in his usual manner, then took off in haste as he had come. Oranges and candy were then handed out.

It was encouraging to see some babies and some small children present - another generation coming up.

Kinsella News

The Christmas holidays found a large number of our young people enjoying time at home.

Bruce and Barbara Davis spent Christmas in Red Deer at the home of Murray Davis and family.

It was nice to see Merlin McBride home for a few days and "up and around". Keep it up, Merlin.

On Thursday, December 28, some of the W.I. members enjoyed tea and birthday cake at the home of Peggy Murray. Peggy celebrated her 80th birthday on Christmas Day. Everyone extends congratulations and best wishes to her.

or 336-3196

Curling in Irma has been reorganized for the 1978-79 season as the Irma Curling Club. The executive of this Club for the coming season is as follows:
President - Leonard Jones
Vice-president - Clifton White
Secretary - Jean Smith
Treasurer - Margaret Smith

Six Ladies rinks including a High School Girls rink have started curling in a Monday afternoon and Wednesday evening league.

Eleven men's rinks have a Tuesday evening league.

Anyone interested in joining one of these leagues should contact a member of the executive. We have "keen ice" and "brand new" rock handles.

An opening "Fun Spiel" was held in conjunction with Irma Days, December 9. Fourteen rinks participated. Winners of the A Event were the Bryce Long rink capturing First and the Clifton White rink taking second spot. In the B Event, the Leonard Jones rink finished first while the Trevor Jones rink won second place.

The Irma High School Students' Union held a very successful "Homecoming Spiel" on December 26 with 18 rinks participating. Winners of the events were:
First Event - Kevin Mackay, Jim Dunbar, Dave Dunbar, Nola Peirce.
Second Event - Darrel Orachesski, Gail Orachesski, Ken Eisner, Dennis Eisner.
Third Event - Kelvin McKie, Kathy McKie, Ken Owen, Sally Owen.

Trophies for the bonspiel were presented by the Students' Union.

The Zone 9 Ladies Championship Curling playdowns will be held at our club on January 6 and 7. This competition is open to Ladies, senior Ladies and Girls in Zone 9 who are affiliated with the NALCA (Northern Alberta Ladies Curling Association). Ladies rinks must be made up of members of the same club. Seniors and Girls rinks can be made up of members from any club in the zone. The winner of the Ladies Section will advance to the Northern Alberta District playdowns being held at C.F.B. Cold Lake (Medley). Senior section winners will advance to district playdowns at Grande Center. The winner of the Girls section will advance to district playdowns in Edmonton at the Jasper Place Curling Club.

The Irma Curling Club invites the public to come watch championship curling this Saturday and Sunday, January 6 and 7.

Gas Kings Win Two More

After a five-four loss in Hughenden on December 23, the Gas Kings went to Killam on December 29 and came home with a 6 to 3 victory. The Killam Indians opened up the scoring at 9:46 of the first when Lyn Ponto connected from Eugene Niehaus. The Gas Kings answered it at 12:13 when Murray Quinton scored from Martin Laskoski.

Killam moved ahead again at 3:54 of the second with Daryl Gunderson getting the goal and Joe Spiller the assist. At 17:13 Doug Palmarchuck tied it up again, unassisted, and scored again at 19:10 with the help of Bruce Harray.

The fourth Gas King goal came from Jim Laskosky just 44 seconds into the third period with Mark Wemp getting the assist. Doug Palmarchuck came up with his third of the night from Ron Nastund and Wes Jones at 11:13 and Killam made their third goal 38 seconds later when Rod Simpson scored from Dale Schmeiler. The final goal of the game came at 12:43 when Jim Laskosky scored from Ron Nastund. Total Penalty times - 30 Minutes for the Gas Kings and 28 minutes for the Indians.

On December 30 the Gas Kings had the Lougheed Road Runners visiting them. The Gas Kings scored four unanswered goals in the first period, Doug Palmarchuck from Murray Quinton and Lee Laskosky at 47 seconds, Kevin McGinitie from Jim Laskosky and Gordon Rattray at 14:47, Ray Rattray, unassisted at 16:22 and Doug Palmarchuck again at 18:11 with Nelson Kowalchuck.

Greg Rawiuk put the first Road Runner marker up at 4:46 with Bryan Tweedy getting the assist. Doug Palmarchuck scored his third goal of the night at 5:29 assisted by Martin Laskosky and Mark Wemp. At 6:34 Gordon Rattray scored from Lee and Jim Laskosky. Stu Olsen came up with two goals just 34 seconds apart at 15:20 and 15:34 with Mark Wemp and Ray Rattray getting the assists both times. At 16:55 Brian Berg scored Lougheed's second goal assisted by Cliff Kelly and Randy Johnson.

The third period saw Greg Rawiuk score his second for the night from Randy Johnson and Bryan Tweedy at 4:13, giving Lougheed a total of three, Gordon Rattray from Neil Fitzmaurice and Kevin McGinitie at 6:30 and Ray Rattray from Gordon Rattray and Neil Fitzmaurice with just 1 second left giving the Gas Kings a total of 10.

WEDNESDAY, JANUARY 10, 1979 Volume I No. 37

Devonian Grant Approved For Town of Viking

The Devonian Foundation of Calgary, has approved a grant of $27,000 for Viking under its "Main Street-Alberta" program. The Town of Viking has received a contract to enter into an agreement with the Devonian Foundation which will see the expansion of the park at the south end of main street, the placing of a Town sign across Highway 26 and north of the C.N. tracks, and the placement of planters, benches and garbage containers along the main street on both sides from 1st Avenue to 4th Avenue and along the east side to 5th Avenue.

The grant was received conditional upon an adequate dollar value of store front refurbishments to the buildings presently on Main Street. Estimates of these refurbishments to date equal $49,510.00 thus making Viking eligible for the full $27,000.00. The total cost of the improvements to be made under the agreement is estimated at $32,500, with the Devonian Grant covering $27,000 and the Town being required to pay $2,500 outright plus $3,000 estimated for the use of Town equipment and the supplying of black dirt.

The estimated cost of purchasing and installing 15 concrete and cedar benches, 15 garbage containers and 20 planters along Main Street is $13,000. The construction of a berm on which to place the Town sign is estimated to be $1,500 with the Town supplying the sign.

The Main Street Park will be expanded up to the C.N. right-of-way and will extend westward to the southeast corner of the Texaco station and will encompass three sides of the present C.N. station house. A number of berms will be constructed and a variety of trees (green ash, mountain ash, birch mayday, spruce and flowering crabs) as well as shrubs will be planted in the park. A fence will be constructed along the south side of the park to limit access to the C.N. tracks.

The cost estimate for the construction of the park is $32,500, another $3,000 is necessary for project design, consulting and co-ordination costs. As well, the $3,000 in Town equipment use and top soil supply will be spread amongst the three sections of the total project. The cost estimates for the project were prepared by D. Dammann of Killam.

Under the Agreement, the Town is required to carry out the improvements as specified and are required to maintain the completed improvements that are owned or controlled by the Town in good order. As well, the Town is required to permit the use of the park areas for public park purposes only, and that this cannot be varied unless alternative park areas are provided within the Town boundaries.

At their January 3 meeting, the Town Council passed a motion to enter into the agreement with the Devonian Foundation and proceed with the specified improvements. See Map Page Two (2) of this issue.....

Annette Hoos of Irma with Clinton Vincent Hoos, the first baby born at the Viking Hospital in 1979. Clinton arrived at 7 p.m. on January 2 and weighed 7 lbs. 4 oz. The proud father is Vernon Hoos.

Holden Cadet Joins Cruise

The dream of almost every young sea cadet was recently realized by PO Jack Ducharme of the Holden Sea Cadet Corps, when he was chosen along with nine other sea cadets from Western Canada, to join a cruise on a Canadian naval vessel.

Departing from C.F.B Esquimalt on Vancouver island on November 20th, the cadets sailed to Hawaii on the Destroyer Escort H.M.C.S. Yukon. With a total of fifteen days at sea, the cadets were kept busy learning how to perform many of the shipboard duties of the regular crew. They were taught instruction in radio communications, weaponry, hull repair and maintenance, electrical system servicing, engine room duties, galley and deck tasks.

Hours of work were long and tiring for the cadets, but they were given a welcome break with a nine day stop over in Hawaii, where they enjoyed the beaches and some sightseeing.

Cadet Ducharme, who makes his home with Mr. and Mrs. Dennis Cooper in Holden, stated that the helpful and friendly attitude of the crew made the voyage a very exciting and educational experience, and most certainly one of the highlights of his four years in the sea cadet program.

Editor's Note: We regret that the above article was submitted too late for publication in last week's issue of the paper.

P.O. Jack Ducharme of Holden spent 15 days aboard the Escort H.M.C.S. Yukon in November as part of the program offered through the Holden Sea Cadet Corps.

Staff Photo

Holden Student Wins Bursary

Stanley Scherger of Holden was one of nine science students at the Northern Alberta Institute of Technology to win a $300 bursary from the Alberta Environmental Centre, Vegreville. Stanley was one of four winners for 1978 in the first year chemical technology category. Others were Colleen Koss of Mundare; James Kuper of Ranfurly; and Dan Wispinski of Two Hills.

The Education Sponsorship Program was expanded this year to include biology students. Dave Nesvold and Danny Richardson of Camrose received bursaries in first year Biological Sciences Technology.

Dr. Sherman Weaver, Director of the Environmental Center now under construction in Vegreville, explained that in addition to the $300, the NAIT students qualify for summer employment, second year bursaries and an opportunity for permanent employment after the centre opens.

"This is an excellent way for us to encourage local students in the sciences, enabling them to find employment within their own localities," said Dr. Weaver.

The Alberta Environmental Centre will employ more than 200 scientists and support staff in plant and animal sciences, chemistry and technology.

Viking Water Study Underway

Cicon Engineering of Edmonton is presently undertaking a study on the potential upgrading of the water supply for Viking. Ivan Chrapko of Cicon Engineering reported to Town Council on January 3 that the company is going ahead "full bore" on the study to improve both the quantity and quality of the Town's water supply.

Mr. Chrapko informed The Weekly Review that studies into underground water sources have been completely exhausted and that there is no possibility of an adequate water supply in the area to meet Viking's requirements. He stated that surface sources in the "immediate" area will now be studied. The possibilities of acquiring water from a river source are extremely remote due to the high cost of pipeline construction. Mr. Chrapko said that a pipeline can cost from $100,000 to $120,000 per mile, thus making the construction of a pipeline unfeasible unless a number of communities co-operate.

The Cicon engineer stated that the quality of the water can be maintained, and possibly improved, by upgrading the present water treatment facility. The present facility is designed for a population of 1,500 but can be easily doubled with equipment and capacity upgrading. He said that the study is being undertaken in relation to a design population for Viking between 3,000 and 3,500

Ivan Chrapko noted that the study has been underway for three months and that final results should be tabulated sometime in March of this year.

Is the Delay Unavoidable?

On September 19 last, an annexation hearing was held in Viking to the Town of Viking's application to annex three parcels of land to the present Town boundaries. The Town administration worked diligently to prepare the application with the fullest expectations of receiving a reply to the application within a few months.

The procedure for dealing with such applications follows two basic steps. Firstly, the Local Authorities Board studies the application for recommendation to Provincial cabinet. Secondly, the Provincial cabinet either accepts or rejects the application. In past applications on annexation in Alberta, this two step process has generally taken approximately eight weeks.

It is now 16 weeks since that hearing! The Local Authorities Board has already made their recommendation to the Cabinet. Yet nothing has come from this illustrious body.

Various people and businesses are interested in either residential or industrial land in Viking. Yet the Town Administration can provide little information to these people until word is received from the Cabinet. Is it fair for our politicians to stall the possible development of a small rural community? Is this the true indication of the type of concern which this government holds for the rural communities of Alberta?

Perhaps, with a provincial election possible this year, the Cabinet is holding back as many "election goodies" as possible. We hope that this is not the case, for our rural communities cannot afford to be caught in this type of political game.

It is time that this government seriously moved on its stated policies for the expansion and development of Alberta's rural communities. Promises were made by this government that Alberta's towns would receive the benefits of the diversification of the economy. Yet when a town does display some initiative of its own by attempting to expand, fully expecting a speedy decision, the government procrastinates.

Ag Society Organizes For New Year

The annual meeting of the Holden and District Agricultural Society was held at the Holden Complex on Thursday, December 1, 1978. President Don Hultholm reported a successful year and thanked the board members and committees for their support and work.

As well as a good hockey and curling season several fund raising and other activities contributed to a successful year. Some of these activities were: Holden Complex Bonanza Club, Sports day on Farmer's day, catering, operation of the concession, annual carnival in November, weekly cash bingos and the Holden Agribition in August.

A grant of $25,000.00 from Alberta Agriculture was used towards debt retirement and this along with an additional payment made by the Agricultural Society resulted in a new amortization schedule being drawn up for a four year period.

Election of officers took place for the ensuing year witht he following people being elected to the Board of Directors: President - Don Hultholm; 1st Vice President - Calvin Story; 2nd Vice President - Paul Shtokal; Directors - Mel Haas, Herb Kiist, Gina Hrabec, Earl Hardy, Milt Malick, Deanna Schuller, Reg Dolson, John Ogonoski, Doris Ogrodnick and Joyce Teed. Christine Mackay will continue as secretary treasurer.

The organizational meeting for the new board was held on December 4th, with the following committees being formed: Building: Chairman - Earl Hardy, Milt Malick, Kelly Story, Paul Shtokal. Operating Chairman - Paul Shtokal, Mel Haas, John Ogonoski, Reg Dolson. Fund Raising and Finance: Chairman - Don Hultholm, Joyce Teed, Reg Dolson, Herb Kiist, Mel Haas. Memberships: Christine Mackay; Catering - Joyce Teed, Doris Ogrodnick; Concession: Gina Hrabec, Deanna Schuller, Paul Shtokal, John Ogonoski; Curling Sub Committee - Milk Malick; Reporter - Christine Mackay.

Complex rental rates were reviewed with the following rates being approved: Curling Rink Ice - full day - $75.00; half day or evening - $40.00; Per game - $2.00 per person per game. Arena Ice - Outside teams $25.00 per hour plus a 60-40 split of gate. Local teams: rates negotiated every year. Skating parties (local) $10.00 per hour. Arena - Spring, Summer and Fall - Commercial - $65.00 with an additional charge of $25.00 if over 8 hours. Local non-profit organizations - $15.00, additional $5.00 if over 8 hours. Outside groups - non-commercial $35.00 - $40.00 depending on use. Lobby or Mezzanine: Parties - $35.00 plus $50.00 damage deposit. Meetings - Commercial groups - $35.00 a day, $10.00 extra if over 8 hours; $20.00 per half day or evening. Local non-profit organization - $0.00 per day, additional $5.00 if over 8 hours. $15.00 per half day or evening.

Recent winners of $500.00 in the bonanza Club draws are: October - Adam Schmidt; November - Bill Shyba and December - Margaret Hallett. A new series of Bonanza Club Memberships will go on sale shortly and draws in the new series will commence on April 15, as there are three more draws in the present series.

The complex is well used these days with hockey for all age groups, curling, weekly bingos on Wednesdays and other activities. As in other years the concession is operated through volunteer help. If you would like to volunteer your help and have not been approached please contact Deanna Schuller. Everyone's help and support is welcome.

Christine Mackay

Are Your Children Immunized?

Commencing January 2, 1979, a new childhood schedule of Immunization adopted by the provincial health department means infant immunization can now commence at two months of age

Under the new schedule, infants at two months, four months and six months of age will receive a combined diphtheria/pertussis/tetanus vaccine as well as an oral (sabin) polio vaccine. These initial doses are followed by booster shots when the child reaches 18 months of age, and again when the child is 4 - 5 years old. Twelve months old infants are vaccinated against measles.

Immunization is free, and available to all from your local health unit.

Clinic days for Well Child adult Clinics in Viking and Holden will be changed in January, 1979. Viking Clinic will be held every second and fourth Wednesday. Holden Clinic will be held every second Tuesday.

For further information and clinic appointments, please contact the Vegreville Health Unit Office at 632-3853. Viking residents may call collect for clinic appointments. If you have any questions, please contact me at 632-3331. Thank you.

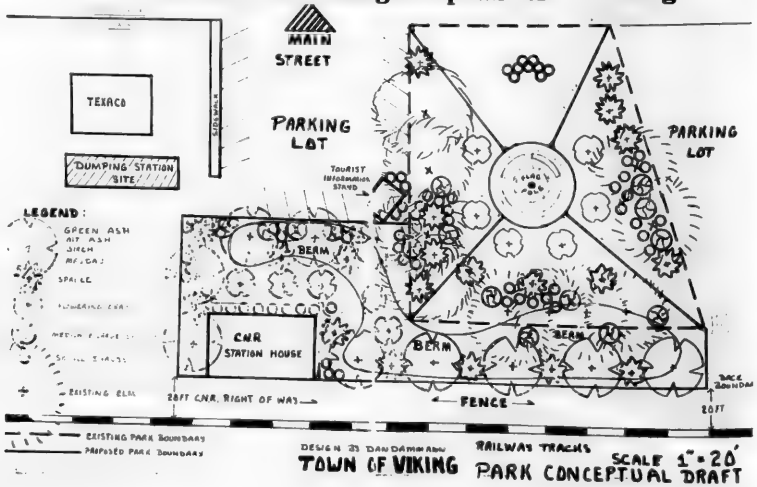
Devonian Park Design Proposal for Viking



Upgrading Course Offered to Ambulance Attendants

Initial locations and implementation details of the provincial emergency medical technician - ambulance (EMT-A) program have been announced by Dr. A.E. Hobol, Minister of Alberta Advanced Education and Manpower.

Under the program, basic training to upgrade Alberta's ambulance attendants will be offered at 12 learning centres throughout the province. Ten of these will be temporary centres, each operating on a rotating basis within one of 10 designated geographic areas spanning the province. The remaining two will be permanent, one each in Edmonton and Calgary.

The rotating centres will make the program accessible over the three-year period to all attendants in or near their home communities. The upgrading program will be optional, but limited, to ambulance attendants. Estimates of full-time, part-time and volunteer attendants place the current number of potential students to be about 1,000.

Selected as the temporary initial sites in each of the 10 areas are: Red Deer, Lethbridge, Fairview, Sherwood Park, Wainwright, Grande Cache, High River, Medicine Hat, Coronation and Fort McMurray. Beginning with the Red Deer centre, scheduled to open in early 1979, the 10 temporary centres will be set up one at a time in the above sequence, becoming fully operational over the following several months.

The time a learning centre remains at each site within its geographic area will depend on the demand placed upon it be interested students. Access to each temporary centre will be open to all attendants, regardless of location. The permanent centres in Edmonton and Calgary will give attendants the continuous opportunity to take training any time within three years.

A three-member implementation team from the Southern Alberta Institute of Technology (SAIT) in Calgary has responsibility for setting up the learning centres, overseeing ongoing operations and supervising relocations. Included in the establishment of a centre are selection of an appropriate and convenient setting, training or local supervisors, and orientation of students to the materials and equipment.

Dr. Hobol explained, "Although the intention is to locate learning centres in as many individual communities as possible, within the three-year period not every single community with ambulance services can be covered".

"However", he emphasized, "All centres regardless of location will be accessible to any ambulance attendant who wishes to travel to them."

The highly innovative program was developed by Advance Education and Manpower and SAIT, at the request and with the cooperation of the Alberta Ambulance Operators Association. Through use of a computer-managed learning system, it combines the attractive and flexible features of independent learning and individual pacing, as well as decentralized delivery of training.

Students will be registered at SAIT and will be issued certificates upon successful completion of the program. Each learning centre will consist of a computer terminal, audio-visual materials, textbooks and first-aid demonstration equipment. Practical skills will be assessed on-site by course supervisors. The theory portion of the program will be completed by students using a terminal connection to a central computer at the Calgary Institute.

The minister reported that the level of response has been high and positive, citing numerous inquiries from attendants and concerned communities throughout the province. He added that the new program continues to attract favorable notices from elsewhere in Canada and outside the country.

Second Languages

Many years of study and practice are required to learn a language, whether it be to learn one's native tongue from birth, or to learn a second language.

As a child grows up, sounds and patterns of speech are learned and practiced daily. These sounds and patterns are different in different languages, therefore, causing interference with a person trying to learn a second or third language.

A study of phonetics is one method of recognizing and helping overcome this interference factor. Students become aware of different ways of articulating sounds, practice these sounds and combine them into meaningful phrases and sentences through patterned practice.

Put your money to work
Earn high interest with
Treasury Branch Investment Certificates

Our Investment Certificates give you or your business a superior rate of interest on money you can invest for a fixed term — 1 year, 2 years or up to 5 years. The certificates are transferable and may be used as security for loans, although they are nonredeemable until maturity. And their high interest is paid semi annually, March 31 and September 30. You can deposit as little as $1,000. So ask me or my staff about our current interest rates. And expect a pleasant surprise.

Holden Village Council Meets

The regular meeting of the Council of the Village of Holden was held on December 20, 1978 in the village office.

Moved that the attached accounts for payment for the amount of $93,349.56 be approved. Carried.

Moved that the A.G.T. account for the amount of $226.80, for repairing cut cable on 47th Avenue, be deferred until a reply to letter in regards to same is received. Carried.

Moved that a letter be forwarded to Alberta Municipal Affairs Planning Branch stating that the application of Madison Development Corporation for subdivision of Pt. NE 14-49-16-4 does not conform with the land use of the proposed village "General Plan" which is in the process of being finalized. Carried.

Mayor Shykora reported on the meeting in regards to "Administration of Justice" which he attended on November 30, 1978. The meeting was attended by forty Alberta Mayors and two Cabinet Ministers. Moved that this report be accepted. Carried.

A letter, received from the Holden Local Recreation Board, stated that the following motions were passed at their meeting of December 12, 1978, and requested consideration of same:

a) "That the Senior Citizens Group be allocated funds in the Five Year Master Plan under Major Cultural/Recreational Facilities Grants".

b) "That the request of St. Gregory's Parish for a Major Cultural Recreational Facilities Grant as stated in a letter from the group be refused."

The Board members had agreed that the Senior Citizens would be providing a service not presently available to residents of the community and area, whereas St. Gregorys Parish would be providing a duplication of facilities which already exist.

Moved that Council approve the said motions. Carried.

Letters received:

1. Alberta Agriculture re Fireblight Control.
2. University of Alberta re Seminar on Conducting of Census.
3. Globe Equipment re equipment for sale.
4. Alberta Recreation, Parks and Wildlife - REC News
5. Vegreville Health Unit - Water Report
6. Battle River Tourist Assoc. - Information
7. Municipal Financing Corporation re Interest Rates effective January 1, 1979
8. Rural Education and Development Assoc. re Programs for People
9. Regional Recreation - Minutes of Meeting and reports
10. University of Calgary re Energy Conservation Seminar on January 29, 1979
11. Disaster Services re Rescue Kits
12. Municipal Affairs authorizing the extention of time for making application for Alberta Property Tax Reduction Benefits for 1974, 1975, 1976 and 1977 to December 31, 1979 and re licensing of Mobile Units.
13. Hon. M. Moore, in reply to village's letter concerning the location of the Edmonton Rendering Ltd. plant in the HOlden area, suggesting that the President of the said firm, Mr. B. Margolus of 6123-129 Avenue, be contacted for requirements of such a plant.
14. Alberta Environment re Land Reclamation
15. County of Beaver stating that the County Council has agreed to dig one garbage pit each year in lieu of a grant and that the Village of Holden would not be eligible for a pit until 1980 as the County dug a pit in 1978 for the village for which no charge would be made.
16. Canada Week - June 25 to July 1, 1979.
17. Servold and Podmore Engineering Ltd. re the phasing out of the Company, January 1, 1979.
18. Faculty of Extension re Adult Workshops.
19. P & G Land Services Ltd. advising that due to the delay in negotiations the proposed mineral lease relative to the village nuisance grounds has been cancelled and Kissinger Petroleums Ltd. hereby withdraws their offer.

Council agreed that a letter be forwarded to Mr. B. Margolus requesting requirements for location of the plant.

Moved that Christine Mackay be appointed as temporary representative of Council on the Local Recreation Board. Carried

Moved that Councillor Daniak be authorized to organize a Disaster Services meeting for January 22, 1979. Carried

The Secretary Treasurer reported that J. Podmore, P. Eng., had called us at the office that afternoon for information relative to the village water tower. Mr. Podmore advised that he would prepare recommendations and costs of alternatives concerning same early in January 1979 and meet with Council sometime during that month.

Moved that the selling price of village owned lots be set at two times the assessed value for assessed lots and $75.00 per front foot for lots that have not been assessed. Carried.

M. Tomashersky, M. Hallet, A. Michilich, L. Andrusky and J. Fornal, members of the Local Recreation Board, attended the meeting at 8:35 p.m. and presented Council with a copy of a proposed Recreation By-law which would update the present recreation by-law for their consideration.

Moved that the proposed by-law be approved as presented. Carried.

Moved that the Local Recreation Board be authorized to request matching dollars from Regional Recreation from the cultural portion of the Major Grant for upgrading the theatre. Carried.

The delegation retired from the meeting at 9:30 p.m.

By-law No. 14-1978 being a by-law of the Village of Holden to establish a Recreation Board to implement and pursue a recreation program for the village.

Moved that Bylaw No. 14-1978 be now read for the first time. Carried

Moved that Bylaw No. 14-1978 be now read for the second time.

Moved that third reading of By-law No. 14-1978 be now proceeded with. Carried unanimously.

Moved that Bylaw No. 14-1978 be now read for the third and final time. Carried unanimously.

There is presently a park reserve fund in the amount of $4,171.00 making a total of $5,671. Estimated cost of the proposed land is $6,500. including survey and annexation. Moved that Council exercise its option and apply for annexation. Motion lost.

Moved that committee reports be accepted. Carried.

Moved that notice be published calling for applications to fill the vacancy on the Irma Recreation Area Council following the resignation of Mr. Joe Myer. The successful applicant will be appointed to represent the village rate payers at large.

A discussion ensued relating to the sewer line in 50th avenue south of the hotel. After some deliberation, it was agreed that the line be kept under observation and if necessary repairs be undertaken in the spring.

There was not further business before Council and it was moved adjourn Carried

Irma W.I. Concerned With Child Welfare

Are you really concerned with the well-being of our children and grandchildren? Are you there when they arrive home from school and call, "Hi Mom! Are you really interested in their school work? Do you concern yourself with their dreams thoughts and plans? These and other related questions are to be considered by the Irma W.I. at the February meeting. This is "The Year of the Child". How are you going to respond?

Seventeen members and three visitors met at the home of Mrs. D. Gunn for the first time in 1979. Two delegates, Mrs. G. Wilson and Mrs. J. Craig with Mrs. D. Gunn, Constituency Convenor, will attend the District 2 Conference of the Alberta Women's Institute in Edmonton on January 17 and 18, where Dr. Sue Therrien of the University of Alberta will speak on "Kids are People".

The Community Christmas Card, sponsored by this branch yielded the excellent sum of $379.00. This will be sent to the various charities designated by the people whose names appeared on the giant card, an excellent way to say "Merry Christmas".

Mrs. G. Wilson displayed a map showing the many countries in the world where the Associated Country Women of the World are active. Taped speeches of the A.C.W.W. conference in Nairobi showed the needs of many countries and how the A.C.W.W. is trying to help meet those needs. As Citizenship Convenor, Mrs. C. Smallwood elicited the qualities of good citizenship by means of her commentary and readings given by the members. Kindness, love, consideration for others, and most of all, friendship, are all desirable qualities.

The next meeting will be held at the home of Mrs. O. Darling on February 1, with Mrs. C. Smallwood and Mrs. J. Craig hostesses. Roll Call will be a short poem or limerick. Mrs. E. Rae will provide the raffle. Visitors will receive a cordial welcome.

Your Message Gets Across Better

Irma News and Views

Bev and Albert Jackson from Edmonton visited their relatives in and around Irma during the week and also spent a day visiting Gertie and Pete Funk and Bill and Effie Dewart at Wainwright.

Gladys Whiteley formerly of Fabyan has been visiting friends in the Irma area.

John Jackson of Sherwood Park and his brother-in-law Doug Larson spent the weekend with Minnie and Jim Jackson. They got in some skidooing but said that six more inches of snow would add to their pleasure and satisfaction.

Minnie accompanied the two boys when they returned to the city on Sunday evening.

Gertie and Pete Funk of Wainwright visited with Minnie and Jim Jackson on Sunday afternoon, January 7.

Word has been received that Edward Elford (better known as Ed), a long time resident of Irma had passed away at his home at Ardrossan. Ed was in business in the building which is now the property of the Irma New Horizons Club. He first ran it as a garage, later as a grocery and dry goods store.

Sympathy is extended to his widow and family.

Since Christmas the weather in this area has been unpleasant to say the least, cold and windy, with some snow and some drifting. Sunday's weather was an improvement as although still fairly brisk, the wind had at least subsided.

Wally and Mary Dunbar and girls from Grand Prairie visited Wally's grandmother Meg and his Mom and Dad, Bill and Julie and other relatives and friends during the New Year's holiday.

Born on December 29, 1978 to Mr. and Mrs. Glen Fuder of Whitehorse, Yukon - a girl, Brandy Anne who weighed 7 lbs. 3 oz. Another granddaughter for Floyd and Ruby Fuder.

On January 2nd, Irma Co-op Store was closed for business while stock taking was being carried on by the staff, the members of the board of directors, assisted by some former board and staff members. At noon the workers were treated to a delicious meal in

A Bit of Yesteryear

continued From Last Week

Before this change of times, I can remember the peaceful feeling of walking the few miles on an old dusty road to my Grandmother's farm, to school everywhere I went it seemed. We didn't own cars at fifteen (maybe a bicycle). We walked and enjoyed nature. We heard the chirps of birds, the croaking of frogs, and the feel of the frost crunch under our feet. We noticed the cripple on the street, and felt somehow their pain and the retarded persons hurt at being teased and left out of things. Whether being crippled or retarded was due to birth or accident, that person had feelings also. We tried to put ourselves in their shoes, for it could have been us. But we always came up with the same questions - how can you really know if you haven't experienced it yourself? I believe we heard and saw because we weren't driving up and down the streets, playing our favorite tape at high volumn and laughing or joking about somebody getting an I.P., or how fast our car would do in the ¼ mile.

In those days gone by I recall the hard manual work of men and women - the work that caused physical tiredness and honest sweat. I remember the scrub-boards, the flat irons, the woodpiles, the butter churn, the nose bags for the horses, the oil lanterns, steel-wheeled tractors, the buzz saws, and the old hitching rail next to the Livery barn. Although these were on the way out, I still remember the buggy rides with my Grandmother. She didn't drive the car - she drove her mare and the buggy in her independent way.

In the lamplight shining dimly across the oilcloth tablecloth and throwing dim patches of light across the room, parents spoke of their childhood, of times past, of the war, of their dreams of Tom taking over the farm someday. The kids understood. There was a serenity in the setting - a family together, sharing, understanding, respecting and dreaming. The family shared their ideas and concepts, their news, and even helped Sally with her arithmetic. Highlights were few but caused a keen interest and was later 'something' to talk about for days. These events were sometimes a show, a special on the radio, a barn dance, a box sorial or even a country fair or exhibition.

Still, at times, when I look back to those days gone by, I feel remiss. It seems we had something - a special sharing and understanding of our parents, grandparents, friends and neighbours, and yes, perhaps life itself.

The old battery radio played, and I, the dreamy-eyed kid, dreamed of living such a life, with my mouth watering for another piece of homemade bread and butter. But most of all for the overall love that shone and mingled like sunlight through the memories that I had shared in a few of those wonderful years. I was the Nightingale, singing its song - and the sad quality of it's voice, wishing that all of today's youth could have shared in a part of that wonderful part of 'yesteryear'.

O.O.R.P. Bingo Winners

JANUARY 9th, 1979

1. Gail Antos
   Teresa Petras
2. Carl Naslund
3. Ann Diachuk
4. Ann Gahr
5. Hazel Johnston
6. Mini Bonanza, Pat Amundson and Alberta McCleary
7. Mike Diachuk

IN MEMORIUM

IN MEMORIAM
In loving memory of LYN HUNTER, husband, father and grandfather who passed away on January 14, 1976.
Three long and lonely years have passed
Since our great sorrow fell.
The shock that we received that day,
No one can ever tell.
God gave us strength to meet it,
And courage to meet the blow,
But what it meant to lose you
No one will ever know.
Too sudden to forget,
For the ones who loved you dearly,
Are the ones who won't forget.
You bade no one a last farewell,
And said good-bye to none,
A dear heart has ceased to beat,
And suddenly you were gone.
Always remembered and sadly missed by Nerine, Claudia and Bob and family, Goldie and Dave and family and Clarence and Gerald 47p

Profile

Herve Villechaize

Herve Villechaize, who plays Tattoo in 'Fantasy Island', got turned on to acting by watching television. He was born in Paris, France, and French surgeon father and an English mother; studying for three years at the Beaux-Arts School in Paris, he came to New York to continue his studies. Unable to speak a word of English, he learned the language by watching television. TV intrigued him so much that he decided to change schools and begin studying acting with Julie Bovasso.

His first film, 'The Guitar', was shot in Spain. His film credits include 'Hollywood Blvd, No. 2', 'Hot Tomatoes', 'Seizure' and most recently, 'The One and Only Genuine Original Family Band'. He has appeared in 'Honest to God Schnozola', 'The First and Gloria Experience', 'Off-Broadway', 'Elizabeth' and 'Herve' performed on Broadway in 'Elizabeth, the Queen'. He appeared in 'Honest to God Schnozola', performed mime in the New York City Opera's production of 'Pagliacci' and also appeared in 'Uncle Vanya' and 'Rosencrantz and Guildenstern Are Dead'.

One of Herve's pastimes is photography, and some of his photos have appeared in the *New York Times*, *New York Post* and *Photo Cite*.

He resides on Los Angeles Hs three children, one of whom is an assistant director, and his mother live in Paris.

The New Year

By Onesimus

I hope you all had a happy and joyous Christmas and that 1979 will be satisfying in every way, especially in the spiritual realm of your life.

I thought I would contribute two appropriate quotations, as we all enter the New Year. the first one was made famous for all time when it was quoted by his late majesty George VI on Christmas Day 1939 at the beginning of the Second World War. He quoted the words of Minnie Louise Haskins from her work, "God Knows", and used them in his annual Christmas broadcast to the Empire (as it was then called) to encourage us, all who heard it. The words are, "I said to the man who stood at the Gate of the Year: 'Give me a light that I may tread into the unknown".

And he replied: "Go out into the darkness and put your hand into the Hand of God. That shall be to you better than light and safer than a known way". In any state, whether in safety or in danger, we may certainly put out 'hand in the Hand of the Man Who Stilled the Waters.... the Man of Galilee".

The second quotation is from John H. Newman's famous hymn of Christian experience, "Lead, Kindly Light, amidst the encircling gloom. Lead thou me on. The night is dark and I am far from home. Lead Thou me on. Keep Thou my feet, I do not ask to see the distant scene. One step is enough for me". This personal confession of faith by a great and good man, who went on to become a Cardinal, or Prince of the Roman Catholoic Church, reminds us all to trust in Him, the Light of the World, who, alone can lead and guide us safely, step by step. What other encouragement or exhortation do we need than that? He, who is the "Way, the Truth and the Life", shall lead us into and through 1979 and throughout the rest of our life as we trust in Him and put our hand in His Hand.

Do You Know The Bible Says

By Mrs. W. Myers

Do you know the Bible says.... because the creature itself also shall be delivered from the bondage of corruption into the glorious Liberty of the children of God. Rom 8:21. Stand fast therefore in the Liberty where with Christ hath made us free and be not entangled again with the yoke of bondage. Gal. 5:1

If the Son therefore shall make you Free, you shall be Free indeed. And you shall know the truth, and the truth shall make you Free. Jh. 8:36 and 32.

Jesus said, I am the Way the Truth and the Life Jn. 14:6a

In the natural, we are in bondage to sin, and are children of darkness. When we see this and see ourselves as lost sinners and come to the Light (Christ) confessing to Him that we are lost, and accept Him as our Savior, we are delivered from darkness, and from the penalty of our sin. We become children of God, children of the Light, made free and having a blessed hope for eternity with God. But until then, while here in this world, we are to be strong in the Lord and in the Power of His might.

For, we wrestle not against the flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places Eph 6:10, 12.

These are the forces of satan but we have the Lord, the Sovreign God of the universe for our protector and on Him we must lean heavily, and in His grace and strength contend for the faith and our freedoms. We have the power of heaven on our side and we are in warfare against the evil forces, but we Must put on the Whole Armour of God that we may be able to stand against the wiles of the devil. Eph. 6:11.

Tire Playground for Viking?

KINDERGARTEN KORNER

A Tire Playground for Viking Has anyone ever taken notice of the elementary school playground? The small area serves many students and consists of a few good, and a few broken swings, 2 sets of monkey bars, 2 slides and one merry-go-round. We would like to add some more imaginative facilities to these. With proper planning and community help in the construction, we in Viking can have a fairly large TIRE playground.

The main material being old tires, which are fairly easy to obtain, could easily turn into a fun facility for the younger ones. The only other ingredient necessary is one day of man power to construct it. What dad or mom couldn't find a few hours to help with the building?

The Kindergarten Association has agreed to start the ball rolling, simply because there is no other association of parents in Viking to do it. But, we can not do it by ourselves. We will need much assistance from other parents of students who are now attending our school or will attend in the future. It is for the benefit of all the elementary grades, not just kindergarten. We will also need financial assistance to hire a competent planner to come and plan the construction.

On January 17, we are having a meeting to get our plans underway. Kathy Harrison, from Vegreville will be our guest speaker. She was instrumental in planning such a playground for Vegreville. She will be showing slides and giving us details about construction etc.

All parents and also representatives from local groups are invited to attend. The meeting will be held on January 17, at 8:00 p.m. in the Viking School Library.

KINDERGARTEN NEWS

We held our annual Christmas party on December 15, with forty students attending. Forty noisy students stood in awe as Santa entered, laden with gifts for all. Thank you is extended to Santa for taking time out from his busy schedule to attend our little party.

Both classes attended on December 20th, to prepare for the Christmas concert and then again on December 22, to perform before the many proud parents. Looking around the gym it was plain to see that the kindergarten class was well represented by parents.

Stuberts Celebrate 25 Years

Family and friends gathered at the home of Al and Margaret Seubert to celebrate their 25th Wedding Anniversary on Saturday, January 6. Approximately 40 people were in attendance to honor the couple. The Stuberts have made their home in Viking for the past 25 years. Staff Photo

Viking Light Horse Club Holds Two Meetings

The December 21 meeting of the 4-H Light Horse Club was called to order by Wanda Robinson. Colleen Ruzicka lead in saying the pledge. John Ruzicka said that Joan's Western Wear will donate a belt as the third prize for the raffle.

Our sleigh ride will be held at Henry Ruzicka's on the 27th at 1:30. Colleen Ruzicka was nominated for the Camrose Rodeo Queen.

Public Speaking was tabled for a later date.

Mr. Hoyland talked on Rapes and Knots. Mr. Bridgeman talked on Equipment and its care.

Colleen Ruzicka, Patti Ash, and Shannon Pince volunteered to be the phoning committee. The meeting was adjourned at 8:45.

On January 4th, 25 members sang "O Canada" and Brent Hoyland lead in saying the 4-H pledge.

The 4-H Public Speaking will be held on February 11 at 2:00 in the Lutheran Church. Sixty per cent of the members must participate in public speaking.

Three members volunteered to go to a 4-H curling bonspiel in Two Hills on January 13. The members voted to go to the Ice Capades on January 13 for the 4 p.m. performance. The phone committee will arrange transportation.

Jean's Western Wear will give the 4-H Light Horse Club members a 10 per cent discount.

Brenda Rauser then spoke to the members on public speaking. She gave some very good pointers on the topic and advised members on what to do and what not to do. Wanda Robinson then thanked Brenda for coming.

The meeting was adjourned at 8:15. The club will hold their next meeting on January 18 at 7:00 p.m.

Vialta Lodge News

We wish to extend our sincere thanks to each and all who remembered us in any way during the holiday season. The carollers who came to sing for us, those who came to visit and all who sent gifts...these are much appreciated.

Mrs. Ferguson returned Friday after spending two weeks with her family in Vegreville. Saturday she celebrated her birthday. Sunday she had members of her family call to help celebrate her birthday.

Mrs. Evans celebrated her birthday on Monday, January 8. We wish to extend congratulations and many happy returns of the day to them both. Mrs. Gwen Hooper called on Mrs. Evans.

Visiting with Mr. Tchir during the week were Reuben, Elaine Grinde and family, Myron and Irene Pasnak, Diane and Morris Pasnak and Nick and Ann Tkaczyk.

Cliff Suddaby called Sunday to see Grandma Suddaby.

Visiting Mrs. Pocsuk were her grandson and his wife, Mr. and Mrs. Larry Picuzik.

Marie Nesby and Arnold Knudson were in to see Mr. Elmer Johnson and Mrs. Evans.

Also visiting at the Lodge were Mr. and Mrs. Knott of Innisfree.

Dates to remember are Bingo - Wednesday, Jan. 17. Card Party - Tues., Jan. 30.

We were glad to have Mrs. D'Arcy home from hospital in Edmonton. Greetings to Mrs. Weder and Mr. Gibson who are still in our local hospital.

4-H Club Report

The third meeting of the Viking 4-H Dairy Club was held at the Viking Youth Centre on the evening of December 14th.

Following discussion, we decided that we are supposed to have the title of our speeches done by January 11th.

Mr. Don Gilles is going to attend, to assist us with preperation of our speeches.

The Christmas party was a lot of fun. We bowled from 7:30 p.m. to 10:00 p.m. Then we went back to Child's farm and ate a pot luck supper after which we opened our presents.

Clayton Rauser

Parkland Nursing Home

Greetings to Mrs. Hutchinson who is a patient in the Viking Hospital. Get well soon.

Calling on Mrs. Ward were he granddaughter, Holly Teed and son Ross Ward.

Mrs. Willans enjoyed a visit with Elwood and Jim Willans of Sherwood Park.

Mrs. Blasser had a visit from her son E. J. Blasser from Killam.

Everett and Gertie Olstad of Edberg called on Mr. Swanson.

Visiting with Mrs. Kawaliiak were John, Joe, Kay and Betty Kawaliiak.

Mr. Harris had Arnold Knudson and Marie Nesby in for a visit.

Calling on Mrs. Tchir were Elaine and Reuben Grinde and family from Holden.

Elizabeth and Clarney Herlosek visited with Mrs. Gabriel, Mrs. Clegg, and Mrs. Cartwright.

Alan Hrdlicka of Daysland stopped in for an afternoon visit with Joe Hrdlicka.

Mrs. Tchir celebrated her birthday on January 7, with cake and ice-cream and family visitors. Helping with the celebrations were her husband Mike and the family - Nick and Ann Tkaczyk, Myron and Irene Pasnak and Diane and Maurice Pasnak. Happy birthday from everyone at Parkland.

COUNTY OF BEAVER No. 9

Pre-School Census

The County of Beaver Board of Education are presently conducting the annual census to determine the number of pre-school children residing in the attendance area.

This Information Is Vital To Budgeting and Future Planning

Schools will be sending a form letter home with students which requests a list of your pre-school children. If you know of any family with pre-school children who may not receive a letter, please inform the school at your earliest convenience.

Your assistance in helping us with this census is sincerely appreciated.

Bruce and District News

Annie and Rudy Koppel att ended the 50th wedding anniversary celebrations of Annie's uncle and aunt. Martin and Mary Stasako of Camrose.

Geniene and David Laing flew to Arizona to spend Christmas with Geniene's parents. They reported pleasant 75 degree weather, quite unlike the bitter cold which greeted them on their arrival home. The Americans still measure temperature with the Fahrenheit scale.

Grace Gromley is holidaying in Vancouver where she is guest of her daughter, Helen. She left by train shortly before Christmas.

John Stefanishen spent part of the holiday season as a patient in the Viking Hospital. Best wishes for a speedy recovery.

Despite the extreme cold, the New Year's Eve Frolic at the Community Centre was very well attended. Approximately 220 people welcomed 1979 with the usual enthusiasm. Darryl Hissett won the door prize.

The Bruce ladies bonspiel will be held on January 27 and 28 with evening draws on the 25th and the 26th. Anyone interested in entering a rink can phone Vicky Field at 668-2316 or Joan Tkaczyk at 668-3973 or Judy Kalita at 668-2360 A banquet will be held on Saturday night.

The annual meeting of the Bruce Stampede Association will be held at the Community Centre on Thursday, January 11, at 7:45 p.m. Election of officers will take place. New members are always welcome.

Isabelle, Marvin and Garry Lund spent Christmas at Red Deer with Arnold and Bev Lund and family. Garry returned to Finland early in the new year.

The Pratts and Gladys Dorin were in Edmonton to share Christmas dinner with Glady's brother and sister-in-law, Ben and Rita Fredericks and family.

Lady Luck recently paid a visit to two of our local residents. Roy Haugen was fortunate enough to win a trip to Hawaii and Darlene Sroka won $100 on the Wednesday lottery.

Holden and District News

The Holden and District Chamber of Commerce held their first meeting of 1979 on January 2. Fourteen people were in attendance. Election of officers took priority and the new slate of executives is as follows: President: Kevin Stambaugh; 1st. Vice-Pres. - Marge Hallett; 2nd Vice-Pres. - Lawrence Hrabec, Sec. Treas. - Clay Schaning.

President Kevin Stambaugh and first vice-president, Marge Hallett were sworn in to office by Mayor Shykora. Before the meeting the Chamber members enjoyed a delicious supper prepared by the Royal Purple Ladies.

The Winter Programs being offered to Holden and District folk this season include: Horse Hoof Care, Welding Class I and II, Ladies Know your Car, Sewing with Knits, Upholstery, Babysitting, Badminton, and Cake Decorating. Anyone requiring any additional information should contact members of the County of Beaver Further Education or Beaver Recreation and Parks Department.

Anna Shavchook

Clara Sizer flew to White Rock, B.C. to be with her sister Agnes Vaian for a few weeks. Agnes has had to have surgery to put in a pace maker and was operated on yet again to lower the beat on the pacer. Agnes was allowed to come home on December 20 but is still very weak.

Attention Artists

Remember our first meeting is scheduled for 6:30 on Wednesday, January 17, at the Viking School, Art Room. The class should end at 10:30. Please note these times and dates as there has been a misprint in the brochures that have been sent out in the mail recently. There will also be two classes held in the month of March - on the evenings of the 7th and the 21st. These two dates were omitted in the printing of the brochure.

Materials to bring to our first class include: oil brushes #5 and #6, Drawing Pencils, Soft Eraser, Bottle of Turp, Sketch Pad.

Boxes of 12 tubes of artists oil colors as well as one king size white, will be on sale from the instructor for the price of $15.00. Also, for beginners, boards will be on sale.

Please forward your $ 60.00 cheque payable to Lakeland College to Ruth Iverson, Box 1739, Wainwright, Alberta. If you require additional information or have any questions regarding the course offered, please contact C. Rauser at 336-2195, Viking. Submitted by Cothele Rauser

Strome Team Wins Zone 11 Playdowns

Mel Froehler of Strome defeated Jack Wallis of Camrose by a score of 9 to 6 to capture the senior men's title for Zone 11. Froehler was assisted by third man Cliff Robbins, second Ed Blaeser and lead Gordon Loesch.

Four rinks entered the contest which was held at the Bruce Recreation Centre on the weekend. Dorin of Bruce and Olsen of Daysland lost out on Saturday.

Jack Wallis, who had Gordie Hiliker throwing third rocks, Henry Kroeger playing second and Ken McQuarry throwing lead stones, emerged as winner of the A event.

In the first game against Froehler, the winner of the B event, the Wallis rink got off to a bad start which resulted in a final score of 12 to 7 in favor of Froehler.

The second game was a hard fought match all the way. Wallis was one down at the end of the 9th, but Froehler had everything going his way in the 10th and managed to score two more points.

Bruce Girls go Carolling

A regular meeting of the Bruce 4-H Girls was held on December 21, at the Bruce School. The girls made grilled cheese sandwiches and prune-ola, which they enjoyed for lunch.

It was decided to donate $40.00 to the Agricultural Society for the use of the kitchen.

After the meeting, the girls went carolling to homes of various senior citizens in Bruce.

Reporter Joyce Lutz

Phillip D. Butler of the Canadian League of Rights spoke to about fifty people in the Viking Community Hall on Saturday night. Mr. Butler outlined what he felt was wrong with Canada's situation and commented on some world events. **Staff Photo**

Viking Midgets Undefeated in League

The Viking Midgets continue with success in league and exhibition hockey. On Tuesday, January 2, the Midgets hosted the Marwayne Midgets in what proved to be a very good hockey game.

All the scoring was done in the first period with Allan Evans getting three goals. Richard Sutter scored the other two goals, while Marwayne tallied two for the losing cause. Ronald Sutter and Kenny Lefsrud drew assists on some of the goals. The second and third periods were end to end hockey but, good goal tending by both goalies kept the score at 5-2 in favor of the home town boys.

On Friday the Midgets travelled to Vermilion for an exhibition game. What could have turned out to be a good game for the boys, turned out to be a rather "ho-hum" game on the part of the visiting midgets. While the Viking boys went through the motions of hockey players, Vermilion came out skating and by the end of the first period had a 4 to 2 lead.

Allan Evans and Richard Sutter each scored for Viking, while Raymond Thongs and Richard Sutter drew assists. In the second period the Viking boys played more aggressive hockey and with hard work by most of the team, closed the score to 6 to 5. Richard Sutter, Allan Evans and Bob Graham scored for Viking. Ronald Sutter drew two assists.

The third period proved to be a disaster for the visitors as Vermilion scored four unanswered goals. Again these goals were made easier by the lack of skating and checking by the Viking boys. This proved a point...to win a game against good opposition, three periods of hockey must be played. This marked the first defeat for the Viking Midgets as they lost by a score of 10 to 5.

On Sunday the boys travelled to Killam for a league game. The first period had the boys play a continuation of the game they had played in Vermilion. Killam took a 2 nothing lead in the first period while the visiting boys played a lackluster period.

The second period proved to be more of a period of hockey as the Viking boys came out skating and after a goal by Richard Sutter, they never looked back.

Richard scored twice more before the period ended to give the Viking team a 3 to 2 lead. Ronald Sutter and Kevin Maxwell drew assists.

In the third period, the boys kept skating and with some good checking by the players, kept Killam off balance. This in turn led to two more goals for the Viking boys. Kevin Maxwell and Kenny Lefsrud scored with Wayne Selzler drawing an assist. This ended the game with Viking winning by a score of 5 to 2 and keeping their undefeated league string alive at nine games.

With a total team effort by all players the boys could increase this string with a league game scheduled for Tuesday night against Rosalind at the Viking Carena.

The boys would like to thank everyone for the support they have received for all their home and away games and they hope the fine support continues.

Viking Mites on Winning Streak

In reviewing the Viking Mite hockey statistics, we find the team winning all three of their league games. They did however, meet defeat at the hands of the Killam team, in exhibition play early in December. The score of this game was 5 to 1 for the Killam boys.

The Mites have twelve players registered this year: Kenny Zemanek, Darcy Draper, Darin Antos, Jason Place, Cory Clouston, Doug Taylor, Steven Winter, Corey Siermacheshy, Grey Theags, Dean Haeberle, Corey Winter and Mark Newby.

The Viking Mites are being coached by Wayne Clouston this year, with the help of a young assistant, Cody Rogers. The team began league play in Dayslandon the 16th of December. This game went in Viking's favour with a score of 16 to 1.

Their second game held on December 23, was played on home ice against the Forestburg team. Viking again won by a wide margin. The final score found Viking with 15 goals while Forestburg scored 4.

Back on the road for their third game, the team once again chalked up a win. On Saturday, January 6, the team defeated Killam by a score of 6 to 3. Scoring in this game was headed up by Jason Place with four goals. Corey Siermacheshy and Cory Clouston completed the scoring with one goal a piece. The team will resume league play next Saturday, with their fourth league game to be held in Forestburg.

Viking to Host Texaco Farmer's Bonspiel

Curling enthusiasts in the area have another "Farmer's Bonspiel" to enter. Texaco Canada will, for the second year in a row, host a bonspiel at the Viking Curling rink. The Texaco Farmer's Bonspiel will be held the weekend of February 17 and 18.

Rinks comprised of bonafide farmers or ranchers in the area are eligible to enter the event. A limit of 16 rinks has been set for the bonspiel

Rinks will be competing for the Texaco District Trophy which will be presented to the winning team on Sunday, by Viking's Texaco Agent, Bud Graham.

The winners of the Viking Bonspiel will advance to the finals which are to be held in Grande Prairie in the latter part of March 1979. Here, they will compete for the Alberta Cup and numerous prizes.

A $20.00 entry fee per rink is required. Your entry fee includes a Texaco cap, a banquet on Saturday night and have the assurance of real keen competition on the ice. Just a reminder, the first 16 rinks only will be eligible for the draw. Interested rinks may leave their entries with Bud Graham at the Viking Texaco, or contact Bud by phone at 336-3066.

Tom Thumb Hockey Review

Viking Tom Thumbs are once again enjoying a busy year of action on the ice. Since our last reporting, they have had a game away from home and one on home ice during 1978 and have played one game at home in the New Year.

On December 16, Irma met with the Viking boys at the Carena. They met defeat by a score of 10 to 0 at the hands of the Viking team. Scoring for Viking were: Jason Clouston 4, Tammy Maxwell 2, Corey Biddlecomb 1, Darren Wadley 1, and Barry Voltner 1. Assists went to Tammy Maxwell, Cory Weichnik, and Darren Wadley.

On December 23, the Viking team played at Vegreville. The team were prepared to play hard and that they did, coming out on the winning end for probably the first time, against a Vegreville team. Handling the goal scoring for Viking was Jason Clouston with three unassisted goals and a fourth goal assisted by David Winter, for a final score of 4 to 3 in Viking's favor.

On January 6th, 1979, Manville Tom Thumbs were in the Carena for what proved to be a very exciting game. Manville opened the scoring in the first period with an unassisted goal from P. Todd. It wasn't until well into the second period that Viking scored their first goal - Jason Clouston, assisted by Corey Biddlecomb.

In the third period Tammy Maxwell scored unassisted to bring the score to 2 to 1 in Viking's favor. A second goal by Clouston put Viking up front by a couple of goals. Then P. Todd unassisted, scored the second one for Manville. A third goal by Jason Clouston once more gave Viking the advantage. Todd once again scored for Manville, followed up by a goal from Hubbard, which left the game at a 4 - 4 tie when the final buzzer sounded.

The Tom Thumbs wish to thank all the parents and fans who have shown them their support.

Zone 9 Ladies Curling

The Zone 9 Ladies Championship Curling playdowns were held at the Irma Curling Club on January 5, 6, and 7.

Entered in the double knockout competition were the F. Haun rink of Wainwright; the M. Grocock rink of Czar; the S. Manning rink of Amisk; the C. Snyder rink of Edgerton and the E. Mark rink of Irma.

The Carol Snyder rink of Edgerton was victorious with no losses. Curling with Carol were Beverly Tipler, third; Rita Tipler, second and Brenda Oneil, lead.

Runner up was the E. Mark rink from Irma. The Snyder rink now advances to the Northern Alberta District Playdowns at C.F.B. Cold Lake (Medley) on January 18, 19, 20 and 21.

In conjunction with the ladies event, a girls double knockout competition was run. Participating in this was the Roth rink of Wainwright; the Christensen rink of Edgerton; the Robinson rink of Wainwright; the Paulgaard rink of Provost; and the Oracheski rink of Irma. The Christensen rink of Marilyn Christensen - skip, Jackie Leskow - third, Vicki Hayda - second and April Sparks - lead, won the competition. The Roth rink of Wainwright was runner up.

The Edgerton girls now advance to the Northern Alberta District playdowns being held at the Jasper Place curling club in Edmonton on February 8 to 11.

Success Follows Vixons

Karen Overbo of the Viking Vixons shoots for 2 against the Tofield Titans in a County of Beaver High School basketball game last Thursday evening. The Vixons defeated the Titans by a score of 28 to 12. Staff Photo

On the 20th of December the Viking Vixon Basketball team travelled to Ryley.

Starting off on the right foot, the Vixons downed the Ryley girls by a score of 28 - 12. Scorers for the game were Karen Barber with 8 points, Jenny Anderson and Cheryl Giroux with 6 points each and Karen Overbo and Connie Slavik with 4 points each.

The Viking Vixons played again on Thursday, January 4th, and once again treated the fans to a victorious game Coming out on top, they defeated their opponents, the Tofield Titans. As the sound of the final buzzer was heard the score board read 36 to 7. Karen Overbo lead the Vixons scoring with 12 points with Connie Slavik tailing her with a total of 10. Karen Barber with 8 points, Jenny Anderson with 4 points and Debbie Sloboda with 2 points completed the scoring.

Norsemen Open Season

The first game of the boys highschool basketball team played, was in Ryley on the 20th of December.

The boys lost but put up a good fight as the score ended up at 28 - 22. High scorers for the game were David Chilibeck with 10 points, John Marcinkoski with 6 points, Glen McGinitie with 4 points and Chris Sloboda with 2 points.

Playing again on Thursday, January 4th, when Tofield came to Viking to challenge the Viking Norsemen, we find the locals taken over by a score of 32 to 26. Pointers for the Viking team were Reg Tiedemann with 10 points, John Marcinkoski and Allan Thompshon with 6 points each and Glen McGinitie and Chris Sloboda with 2 points each.

Players from the Viking and Tofield boys' teams anticipate a throw-in during their game last Thursday evening. The game was won by Tofield by a score of 32 to 26 Staff Photo

Power Skating Attracts Many

Viking's newest skate club will begin the year 1979 with an encouraging number of registered members. At final count there are forty-one members.

Mrs. Shirley Voltner, who organized the Viking Power Skating club, with the support of her husband Joe, states she is not only pleased at the number of skaters who registered, but also at the wide range of interest shown.

The members include first year skaters whose enthusiasm makes up for ability, hockey players, figure skaters and those whose interest is only in becoming better skaters.

It is noted that their ages are as varied as their experience.

The most senior member is Rod Kripa, local hospital administrator. Hopefully, Rod's participation will encourage a number of other adults to become involved. If this were the case the possibility of having an adult class is feasible.

Now that the holiday break is over, Instructor Ron Naslund and his assistant, Wayne Seltzer, will be working hard at lessons which are held every Monday afternoon. Members are encouraged to use the public skating time that is available to them, to practice in preparation for the spring tests. As this is a first year club, the Alberta Recreation Skating Association will be supplying free judges.

The success of this 1st year's operation will determine whether or not power skating will be continued in future years.

Viking Beef Club Report

On Friday, January 5th, all the 4-H members gathered at the club room and then we went up to the Farmer's Meat Market, where we saw how a side of beef was cut up. This side of beef is for our beef bingo.

After the very interesting beef cutting demonstration, we went back to the club room to finalize our bingo plans.

The Bingo is to be held on January 19th at 8:00 p.m. in the Viking Community Hall. There will be 20 games which are all for parcels of beef.

On January 13th and 14th, two curling teams will be travelling to Two Hills to participate in a fun spiel.

We hope to see you at our bingo.

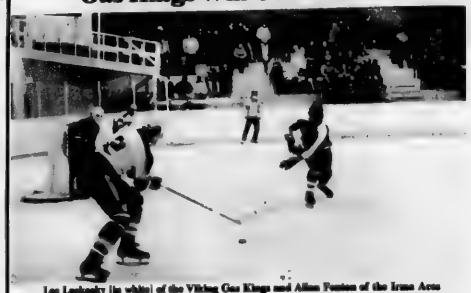
Gas Kings Win One - Tie One



Lee Laskosky [in white] of the Viking Gas Kings and Allen Fenton of the Irma Aces both go for the puck in the teams' encounter on Wednesday, January 10. The Gas Kings outscored the Aces 2 to 0 in an exciting contest. Staff Photo

On January 3, the Viking Gas Kings had the Irma Aces visiting them. After a scoreless first period, Barry Field scored for the Gas Kings at 6:25, assisted by Ray Rattray and Doug Palmarchuk. At 19:59 of the second period a major disruption caused from one fight, resulted in each team receiving five game misconducts.

The third period saw Blair Quinton make a second goal for the Gas Kings at the 4:25 mark, assisted by Bruce Harray and Kirk McInroy, making the final score 2 - 0 in favor of the home team.

On January 6th, the team travelled to Daysland. The Northstars opened up the scoring at 4:55 when B. Zimmer scored from H. Lansing and then again at 7:46 when L. Koehli scored, again unassisted. The first Gas King marker came at 9:03 when Ray Rattray scored from Martin Laskosky. The second Viking goal came at 15:56 from Jim Laskosky and Lee Laskosky and then they moved ahead at 18:36 when Neil Fitzmaurice scored from Doug Palmarchuk.

The Gas Kings took a two goal lead at 6:36 of the second period when Doug Palmarchuk scored unassisted, but Daysland scored at 19:56 from H. Lansing assisted by B. Spiller and L. Koehli and then Lansing again scored at 13:32 unassisted to tie up the game.

The Gas Kings moved ahead again at 6:43 of the third period when Ray Rattray scored unassisted but the Northstars tied it up at 15:15 with a goal from R. Robinson, assisted by Dan Spiller making the final score 5 to 5.

The Viking boys took 25 minutes in penalties while Daysland received only 4.

Viking Chamber Holds Annual Meeting

The Viking and District Chamber of Commerce Annual Meeting was held in the Community Hall on Thursday evening. Approximately 130 people attended the banquet and meeting which featured M.P. Don Mazankowski as guest speaker.

The meeting was chaired by Chamber President Ken Bird who was joined by Mr. and Mrs. Tom Lysons, Mr. Bill Fowler, Mr. Cliff Brueger, M.P. Don Mazankowski, Mrs. Jeanie Bird, Mr. and Mrs. Bill Mattinson, Mr. Bob Evans and Mr. Maurice Stephenson at the head table.

Following the fine meal prepared by Myrtle Monaghan the minutes of the last Annual Meeting and the treasurer's report were adopted. Will Rushton, First Vice-President reported on the Devonian grant and the proposed new airport (See story below).

Second Vice-President, Rod Kripa, then reported on the progress of the new hospital, noting that tenders should be let in March with construction to begin in April and completion slated for November of 1980.

Membership Committee chairwoman, Ruth Hanson then listed the names of the new businesses or new business owners in Viking and presented those in attendance with a one-year honorary membership in the Chamber. Tourism chairman, Graham Rieme then reported on the Tourist Booth, noting that the booth was operated only part time in 1978 due to the lack of a government grant and that the number of tourists registering at the booth dropped from 1,754 in 1977 to 938 in 1978.

Bill Mattinson, chairman of the Retail Merchants Association, reported that the group sponsored meetings, looking into the proposed Hutterite colony for northeast Viking and sponsored the Christmas promotion campaign.

Sam Klein reported that the Viking Farm Family for 1978 was the Bruce Bridgeman family. Mr. Bridgeman then related the family's experiences at Klondike Days in Edmonton and thanked the Chamber for their selection and for supporting the 4-H Beef sale.

Ken Bird then introduced the winners of the Chamber's Christmas Light-Up Campaign. Placing first in the rural category was the Joe Volkner display, followed by the Stan Zemanek decorations. The Town winner was the Harold Pascha residence while Nellis Taylor placed second.

President Ken Bird presented the President's Report by reviewing the Chamber's activities during the year, and reporting on the Viking Chamber's being awarded the Chamber of the Year Award and an award for the Crossroads Chatter, the Chamber's newsletter. He stated that the Chamber owed Vince Slavik, editor of the bulletin, congratulations on the award. He thanked both the executive and the Town Council for their co-operation and support during 1978.

Councillors Maurice Stephenson and Bob Evans then installed the officers for 1979. The officers are: President - Ken Bird; 1st Vice-President - Will Rushton; 2nd Vice-President - Rod Kripa; Secretary - Bill Mattinson and Treasurer - Bill Kamphius. Committee Heads are Al Willmer (Trade and Industry), Shea Arnett (Highways), Ruth Hanson (Membership), Graham Rieme (Tourism) Peter Mykityshen (Finance), John Pullen (Public Affairs), Ed Klein (Agriculture), and Garry Howery (Retail).

Head table guests M.L.A. Tom Lysons, Alberta Chamber President Bill Fowler and Alberta representative to the Dominion Chamber Cliff Brueger then each said a few words.

Will Rushton then introduced the guest speaker, M.P. Don Mazankowski. Mr. Mazankowski noted the importance of Chambers of Commerce and encouraged the participation of, the farmers in the area. He stated that 1979 will be an exciting year in the political domain as there is the strong possibility of a federal election. He then pointed out the major weakness of the Liberal government and spelled out the major policies of the Progressive Conservatives in the upcoming election campaign. He concluded by stating that he was confident that the economy can be turned around, but it will require some give and take from everyone.

M.P. Don Mazankowski, as guest speaker outlined the P.C. policy platform for the upcoming general election at the Viking and District Chamber of Commerce Annual meeting held last Thursday evening. Staff Photo

Mr. Bill Mattinson thanked Mr. Mazankowski for his interesting and informative speech, followed by Mr. Bird's call for a motion to adjourn.

Lysons States Viking To Get Airport

A light aircraft airport is to be built near Viking sometime in the near future. According to M.L.A. Tom Lysons, Viking will have a paved and lighted air strip built as part of the provincial government's overall development to help the smaller communities prosper.

Speaking at the Viking and District Chamber of Commerce Annual Meeting, Mr. Lysons stated that forty such airports are proposed for Alberta communities. He noted that the airport is needed as a safety precaution for light aircraft travel in the area. He also felt that the new airport could mean a lot to the development of the Town of Viking. Mr. Lysons stated that if all goes well, the Viking airport will be built in a unique way. He did not elaborate on this point as he said that the details for construction are not complete.

Tentative plans have the airport situated approximately three miles west of the Town along Highway 14. Proposed arrangements call for the acquisition of land and the construction of the airport to be the responsibility of the provincial government while the Town of Viking will be responsible for snow removal and maintenance.

Will Rushton, head of the Chamber's Airport Committee stated that he expects an official announcement within the next month or two concerning the purchase of the land, and he expects construction to begin in the spring.

The new executive of the Viking and District Chamber of Commerce was installed at the Annual meeting on Thursday evening. Members present for the installation were: [front row - left to right] Bill Mattinson, Ken Bird, Rod Kripa and Will Rushton. [back row - left to right] Peter Mykityshyn, John Pullen, Ruth Hanson and Graham Rieme. Staff Photo

Irma Chamber Announces Contest Winners

Once again the Village of Irma and surrounding farm area had a beautiful display of Christmas lights, making it very interesting for the judges to pick a winner.

In the residential category, Ron Thurston had a massive disply and took first prize. This display was outstanding. Comments from the general public who saw the display, indicated that they were better than anything they had seen in larger towns or cities.

went to Nathan Fuder, who had a display completely around the house and in the window. This was a toughie to pick as there were so many that were close.

Commercial First Prize went to J.C. McFarland and Co. This was a very nice display and not too hard to pick as a winner; as in the business section of Irma there was a very poor showing. We hope next year the business people will take a little more interest and pride in displaying their establishments.

Second prize in Commercial went to Irma Restaurant -Kitty and Bud McNeill. This was judged not only on the outside appearance but you also had to go inside to appreciate the very nice display. They put a lot of work and effort into this.

The contest was sponsored by the Irma and District Chamber of Commerce.

We now have a new slate of officers for 1979, and our supper meetings are held once a month at the Irma Hotel. Come and join us.

Improvements Are Needed

The approval of the Devonian Grant for Viking was based on the expenditure of a certain amount of money by businesses on the main street to refurbish their buildings. The Devonian Foundation realises the importance of well-kept and improved buildings tso the looks of a community. They also work towards helping those people who help themselves.

In the communities in this area, many business people have taken steps to renovate and upgrade their estblishments. As well, some clubs and organizations have refurbished their old premises. These people, clubs and organizations in our communities must be commended for their efforts. Yes, some businesses increase their trade when they complete such improvements and thus the business person benefits. However, there is also a certain degree of social conscience involved in a decision to undertake such an expenditure.

Very, very few people who live in our communities have anything positive to say about the buildings which through neglect have become a veritable "eyesore". Old buildings are not necessarily "eyesores". Only when those people who own them fail to take any pride in the ownership of their property, and have little respect for their communities, does this situation seem to occur. By allowing the building itself to become dilapidated and shoddy, by not keeping the grounds around their building in a tidy state, or by accumulating junk or garbage on their property in full public view, these owners definitely do little to improve the overall beauty of our communities.

Communities attract business by presenting an environment which is pleasing to the shopper. This is only too evident by the elaborate decor of shopping centres in the cities. Perhaps it is time that our communities, through public pressure, encouraged certain property owners to "clean up their act", and help make our communities a more pleasant place in which to shop and live.

Farmer Seeks Nomination

Grant Bergman has announced his intention to seek the New Democrat candidacy for the Vermilion-Viking constituency. Grant, age 26, was born in Edmonton and finished his High School at Victoria Composit. From high school, Grant went to the University of Alberta for two years in a general arts program. Since that time Grant has been farming for the last 6 years. Grant and his brother Reid farm 700 acres south-west of Innisfree and also raise Polled Herefords and Simmental cattle.

The New Democrat nomination for the Vermilion-Viking constituency will take place January 25, at 8 p.m. at the Community Centre in Innisfree.

The Homemaker

SELECTING THE RIGHT FABRIC

Every paper I pick up is advertising fabric sales. There are so many bargains. As a "fabricholic" I'm tempted. We need to be able to choose fabrics that are suitable and are of good quality.

Your pattern envelope has some suggested fabrics listed on the back. It might also list restrictions like "knits only", "not suitable for obvious diagonals". Usually, too, there is a description of suggested fabrics such as soft or lightweight. Be sure that the fabric you choose fits this description if you want your garment to be successful.

The following tips from the "Forecast for Home Economics" may help you recognize high quality fabrics.

- Make a uniformity test by holding the fabric up to the light. If the texture varies in its thickness or thinness, the fabric will not wear evenly.
- Judge the firmness of the weave by separating the fabric surface. If the threads move easily, holes are likely to appear around the stitches.
- Crinkle a section of the fabric to determine its potential for wrinkling. If the fabric doesn't bounce back, an iron will probably be a constant companion.
- Look closely at the angle formed by the lengthwise and crosswise threads to see if the fabric is on- or off-grain. If the threads do not form right angles, the constructed garment will neither drape properly nor keep its shape.
- Check for white spots or crease lines where the color has faded. This is a preventive measure to avoid unevenly dyed or printed fabrics.
- Rub the fabric between your fingers. If a powdery substance appears, excessive sizing was used on the fabric. Because it is used to strengthen a fabric, excess sizing can indicate an inherent weakness in the weave.
- To test the stretch and recovery ability of a knit, mark off a four-inch section along the crosswise rib, using pins or tailor's chalk. Place the pattern envelope's knit guage on a flat surface, matching the pin or chalk marking with the guage. Holding the left side firmly, stretch the knit comfortable to the indicated length on the guage. If the knit does not return to its original size, the garment will sag or stretch out of shape.

REMINDER: Our Mother's Morning Out program (Coping with Kids) is scheduled for January 24th from 9:30 until 11:30 a.m. in the United Church in Ryley. The Viking program is January 25th from 9:30 a.m. to 11:30 a.m. in the Carena Club room. We would appreciate pre-registration.

Unique New Service Offered

Cindy Amundson [left] is entering data into the computer terminal which will enable customers to gain access to their accounts at any mechanized Bank of Montreal Branch in Canada as Sylvia Sofranka looks on. Staff Photo

A unique new service for personal customers is being offered by the Bank of Montreal in Canada. It is called Multi-Branch Banking (MBB) and allows customers to gain access to their personal accounts at more than 900 branches rather than being limited to their own branch.

Derek Whittle, Senior Vice President, Alberta Division, said the new "MBB" service marks "the start of a new era in banking convenience for Canadians. Bank of Montreal customers can quickly gain access to their personal accounts to over 900 branches."

With the new "MBB" service customers can make deposits, withdrawls from their account of up to $500 a day, transfer funds and update their passbooks at any of the over 900 "MBB" branches in Canada.

The "MBB" service is made possible by the Bank's advanced on-line real time, computer network that now links over 900 of the 1239 Bank of Montreal branches across Canada. These branches that offer the "MBB" service will prominently display a decal on their door to identify that branch as offering the "MBB" service. Additionally branches are being added to the "MBB" network on a regular basis.

To take advantage of "MBB", Mr. Whittle said, all that customers require is a special "MBB" card or a Bank of Montreal Charge card. He emphasized there is no additional charge for this service.

To obtain an "MBB" card customers simply have to go to their own "MBB" branch and ask for it...they receive the card on the spot. The "MBB" cards are available immediately and the service will begin February 7. The "MBB" service is known as "Inter-Service" in French.

Mr. Whittle said that the Bank expects the "MBB" service to become very popular with customers. "We believe our customers should be able to do their personal banking wherever it is most convenient to them. Whether they are at home, work, shopping or travelling, they will now be able to get to their personal bank account even when they can't get to their own branch."

Farmers Upset Over Grain Handling

On the evening of January 15, 1979, a meeting of concerned farmers was held at the home of Richard Nordstrom.

The objective of the meeting was to have a general discussion amongst local farmers and various people directly involved in grain handling and transportation. From this, and hopefully other talks like it, there will evolve a better understanding as to where the problems lie and what some of the solutions may be, with regard to the inadequacy of the present day grain handling system in Canada.

Ralph Child opened the meeting by reading several excerpts from two speeches given by officials at the 9th Annual Palliser Wheat Growers Association meeting held recently. These readings indicate that Canada's state of affairs in the grain industry is not good. It is generally accepted that last year Canada lost in excess of $350 million worth of sales because customer demands could not be met.

The fault lies not with the grain producer but with those directly involved in the delivery of the product to the customer. This is truly a sad situation. Canadian farmers produce adequate grain to meet the market demands but our present-day handling system is not efficient enough to deliver the grain to meet these demands.

Canada is at a point in time where dramatic changes in our grain industry must be implemented to correct the yearly loss suffered when grain sales can not be completed due to hold-ups in the transport and handling industry.

During the Monday night meeting, various problems were pointed out and discussed by the fifteen people present. The problems stressed were: rail transport from inland sources to the ports; the delayed unloading time of cars, at the terminals; ship loading facilities operating at half capacity; labor and union problems with dock workers; political and private influence and intervention in the handling system as well as in proposed changes and improvements to the present operation.

Some of the possible solutions discussed were: declaring the dock and terminal workers as essential labourers and depriving them of the right to strike; forming organizations such as Palliser to promote and safeguard the interests of the producers; the expanding of rail and terminal facilities; the review of present freight rates and an improved control over the delegation of authority within the grain transportation and handling system.

The meeting concluded at 11:30 p.m. with the serving of coffee and a thank you to those who had attended.

Vixons First Place

The Vixons travelled to Holden on January 10, 1979 to see if they could hold on to first place, and naturally they did.

Ending with a score of 28 to 11, scorers for the game were Karen Overbo hitting the basket 8 times for 16 points, Connie Slavik with 6 points, and Debbie Sloboda and Paulette Rabby with 2 points each.

The girls play again on Wednesday, January 17, at 6:30 in the Viking gym, when the Ryley teams will come to challenge the Viking teams. See you there!

Junior Basketball

As the juniors get into the swing of things, playing the Tofield team on Monday, Jan. 15, to give Tofield some mean competition. The girls, playing first, won their game 21-6. Scorers for the game were Tracey Mladbo and Lynn Naslund with 6 points each, Connie Meakins with 5 points, Roxane Petras, Elaine Rozmahel and Melanie Fouts with 2 points each.

The boys, playing next, took over the Tofield team. High scorers for the game were Scott Brower with 18, Donald Hudson with 12, Victor Sloboda with 8 points, Mike Hoffman with 4 and Greg Klein with 2 points, making the score 44-21 in Viking's favor.

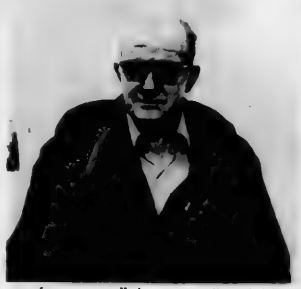
Profile: Ken Bird



At the annual Viking and District Chamber of Commerce meeting, W. Kenneth Bird was re-elected as President for his second year.

Ken was born in Wilcox, Saskatchewan in 1910. He grew up in this small town just south of Regina, in the centre of Saskatchewan's "dust bowl".

In 1931, he moved with his parents, two sisters, and four brothers to just northwest of Prince Albert where he resided for 25 years and farmed alongside his father.

It was there that Ken met and married Jenny. The Birds have three daughters, and one boy, all of which are married. They also boast having twelve grandchildren.

Ken and Jenny came to Viking in 1956 where Ken continued farming for a couple more years. He then started working at the creamery, a job he stayed at until his retirement.

Ken Bird has been very active in the Chamber since he retired, and also the Agricultural Society. He is also a member of the United Church and the Masons and Eastern Star.

Ken is an ardent hockey fan, and kept score and time for games for many years. He is also an avid golfer and enjoys reading.

Ken also enjoys living now as compared to when he grew up. He likes the convenience of having a warm car during the winter and good roads to drive them on, as well as other things.

When asked about his Chamber duties, Ken replied that he felt being President was for a younger man but that they usually don't have the time to really devote themselves to the job. He also feels that not enough people really get involved in chamber duties. But he enjoys working for his community and the betterment of it.

Recreation Report

By Colleen Walker

Upcoming Programs

The following is a list of programs happening in the next week or so. Please register as soon as possible if you are interested in attending.

Holden - Badminton on Mondays, 8:00 to 10:00 p.m. at the Holden School. Bring your own racket.

Bruce - Badminton every Wednesdays, 7:30 to 10:00 p.m. at the Bruce School.

Music Lessons - Holden & Ryley

Are you interested in taking lessons on one of the following instruments; clarinet, flute, saxophone, trumpet, guitar, trombone, french horn, tuba and baritone horn. If enough people are interested, we have an instructor available within the County and we would like to organize some lessons. Lessons would be 16 weeks long (February - May) for half hour sessons weekly. Rates would be $12.00 per person for group lessons (we need at least four people to make up a group and not more than ten persons). private lessons would be available at $20.00 per month for weekly half hour lessons.

Students would be responsible for their own instrument. Rentals can be arranged at reasonable rates. All students must be at least Grade 4 age and up.

If you are interested in these lessons, we want to know. Please call Colleen at 663-3730 or if you would like to talk to the instructor, why not call Valera at [illegible]

Senior Citizens - Let's Do It Again - Dance All Night"

Because of the very successful dance all night evening held in November, we are going to do it again. On Wednesday, February 7, a dance and social evening has been planned for the County of Beaver seniors to be held at the Viking Community Hall. Hosts for the evening will be the Viking Senior Citizen Club. Again this time we will have music by the same band. Cards will be set up for those not wishing to dance. Ticket for the evening is $25.00 which includes admission, transportation and lunch. For advance tickets, contact your local senior citizen club or Colleen at 663-3730.

North Eastern Alberta Winter Games - This Saturday we will be attending a meeting about the North Eastern Alberta Winter Games happening in Vermilion on February 23 to 25, 1979. This year the games co-ordinator is expecting 1,000 athletes, quite a rise from our 1978 figure of 700. Details of the games will be discussed at this meeting and will appear in the following week's column.

Upcoming Winter Programs - Viking - Loom Weaving

Viking's loom weaving course will be starting on Wednesday, January 24, from 7 to 9:30 p.m. Register with Phyllis Lefsrud at 336-2257.

Ladies Keep Fit - Begins Monday, January 29, 9:00 p.m. A minimum of ten ladies must pre-register by January 26. Register with Phyllis Lefsrud at 336-2257.

Ski Weekend - Would anyone be interested in a weekend skiing trip to Jasper? It has been suggested that we get a gang together, charter a bus, arrange a motel and go sometime in March. We need at least 30 people interested in order to warrant chartering a bus. Contact Colleen at 663-3730 if you are interested in this activity.

Irma 4-H Beef Club Report

The Irma 4-H Beef Club held its second meeting on December 4th at Jerry Mark's home. An executive meeting was held before the regular meeting to discuss the coming year's calendar.

This month we went curling in Wainwright with three team which included the Kevin Mackay team which was awarded third prize. In January we planned to have our Christmas party at the Battle River Campsite, but as it turned out, cold weather prevented us from holding it. February will be our month for Public Speaking and we hope to have more participation this year than in the past. In March we are going to try to attend the rodeo in Edmonton. Our annual club tour will be held in April where we go and see how everyone's 4-H calf is progressing. In May we will have our field day in which we will have a grooming and showmanship demonstration. Finally, we will end up the year with our Achievement Day which is scheduled for June 13.

Doug Fischer opened the regular meeting with the 4-H pledge. Sharon Lockhart gave us a little talk on her trip to Prince Edward Island.

The members were told to bring rope to the next meeting as we are to learn how to make a rope halter. The next meeting is to be held on January 8 at Fischer's.

On January 8, our third meeting was held at Fischer's home. It was opened by Mona Mackay who led the pledge. Several were interested in attending a Public Speaking Workshop held at Blessed Sacrament School on Saturday, January 13, from 10 - 4. Dianne Smith and myself attended and found it most helpful and very interesting. The District Public Speak Off will be held on February 17 at Chauvin.

Our Tea and Bake Sale will be held on Saturday, January 27th at 3 p.m. There will also be some handicrafts sold by individual members.

The Edgerton curling bonspiel will be held on January 27 with three teams from our club invited. On January 20th the Irma 4-H Beef and Food Club will hold a Funspiel at Irma. Every club member will be allowed to curl.

Due to the large number of bonspiels in the area this year, it was decided that Irma will not host one this time.

A family skating party is scheduled for the arena on Sunday, February 11th from 5 until 8 p.m. with lunch being served. Near the end of the meeting Chris Orascheski assisted by Bert Smith demonstrated how to make a rope halter. Then we opened our "late" Christmas gifts, as our Christmas party has been postponed.

Our next meeting will be held on February 5th at the Cub and Scout Hall where films will be shown. Any change in this date will be announced.

By Karen Newton
Club Reporter

Kinsella News

The community was saddened by the sudden passing of Mr. Roy Lysgaard on Friday evening. Sympathy is extended to all members of his family.

The Kinsella Men's Basketball have played a couple of games in the new year and are pleased to report their scores as follows: January 3, game in Kinsella against Tofield, with the Kinsella team winning 55 to 34. On January 10, the team again played at home against the team from Viking. Once again they came out on top with a score of 67 to 41 in their favor.

The Kinsella Rose Senior Citizens Club held their annual meeting on Wednesday, January 10, with eighteen members present.

New Officers for 1979 were elected and are as follows: President - Barbara Davis; Vice-President - Edna Pyke; Secretary-Treasurer - Hilma Garvie. Directors are William Rawluk, Cazmer Garvie, Pete Mallier, Bill Johnson and Bruce Davis to represent the Citizens Club for Kinsella Reunion in 1980.

The social evening on January 24th - each member is to try and bring another Senior Citizen and a little lunch. A card party will be held in the school on Wednesday, February 21st.

Irma News and Views

Mark Russell underwent surgery in the Misericordia Hospital in Edmonton to correct a knee ailment which has bothered him for some time. He is expected home this weekend.

Claire Lukens accompanied Linda Lou and Denis Erickson when they returned to their home at Smithers, B.C. after New Years holidays.

We are glad to see Dorothy Bacon home again after a prolonged stay in Edmonton. She spent some time in the Misericordia Hospital but was able to spend the Christmas holiday with her son Billy and family before returning to her home in Irma.

We are glad to report that Kitty McNeill is home and recuperating nicely after a bout with pneumonia in Wainwright Hospital.

Phyllis Craig and Adelaide Dootson made a flying trip to Edmonton, by bus, on Tuesday, January 9 and returning home that same evening.

Irma New Horizons club held its annual meeting in the centre on Wednesday, January 10, a full report will appear in another column.

At the December meeting of Buffalo Coulee W.I. the following members were presented with 30 year pins: Marion Lukens, Eileen Prior and Grace Archibald.

Mr. and Mrs. Leigh Pierce are rejoicing over the arrival of a son in Mannville Hospital on Sunday, January 7. Bert Arthur weighed 7 pounds 9 ounces on arrival.

L.L. Guiltner, after spending a week in Viking Hospital, was forwarded to the University Hospital on Sunday, January 7th. He may possibly have to undergo surgery.

Mary, Maureen and Bert Armitage called at the Jackson home on Thursday evening and had a visit with Jim. They had been in Wainwright where they visited Mary's Dad, Tom Shaw.

Highest or any other tender not necessarily accepted.

D.D. CREASY
Municipal Administrator
VILLAGE OF IRMA

Village of Irma Minutes

The Council of the Village of Irma met in regular meeting in the Irma Village Office on Tuesday, January 2, 1979.

Present were Councillors, Barber, Dempsey, Jackson, Larson and Littlewood. Also present was Municipal Administrator, D.D.D Creasy and the following Committees: Irma Inn - Messr's G. Archibald, G. Grant and K. Firkus. Irma Ag. Society - Messr's J. Newton and Bert Smith. M.D. of Wainwright #61 - Reeve Johnson and Councillors Meyer and Smallwood, Mr. Norman Minchau.

The meeting was called to order by Mayor Larson at 7:00 p.m.

The Municipal Administrator advised that there have been no objections or comments relating to the proposed zoning of Lot "A" Plan 772-1881 and that a hearing as scheduled will not be necessary.

Moved that the minutes of the meeting of December 5, 1978 be accepted as written. Carried.

Moved that the schedule of receipts for the month of December be accepted. Carried.

Moved that the accounts for payment as presented be approved. Carried.

Moved that the financial statement for the month ending December 31, 1978, be accepted. Carried.

Moved that correspondence from Alberta Municipal Finance Corporation relating to the issuance of debentures be received and filed. Carried.

Correspondence had been received from Alberta Disaster Service advising that Municipal authorities may make application for a Disaster Services Kit. Applicants must organize a team and undertake the training programs which are sponsored periodically. Tabled until later in the meeting.

Correspondence was received from Alberta Environment, Land Conservation Division, relating to grant funds that are available fro the reclamation of land. Moved that the Municipal Administrator submit an application to restore the area in the north west corner of Pt. S.W. 34-45-5-W 4th. Carried.

Correspondence was received from the Wainwright General and Auxiliary Hospital and Nursing Home District requesting population and census information, also that progress is being made towards an extension to the facility. Moved that the information as requested be forwarded. Carried.

Moved that correspondence from D.W. Russell Engineering relating to services which the firm provides, be received and filed. Carried.

Moved that the minutes from the Battle River Tourist Association be received and filed. Carried.

Moved that the minutes from the Chacuenah Manor regular board meeting be received and filed. Carried.

Moved that correspondence from the Worker's Compensation Board relating to 1979 levy be received and filed. Carried.

Moved that correspondence from Alberta Recreation, Parks and Wildlife relating to Project Cooperation grants be received and filed. Carried.

Correspondence was received from Alta Gas Housing Corporation advising that acquisition of Block G, Plan 1560W for industrial purposes is progressing. Transfer should be finalized by the end of January. Moved that this correspondence be received and filed. Carried.

By-law N° 484 - Zoning By-law. This By-law received first reading at the December 31, 1978 meeting of Council and has been advertised as required. No objections or comments received. Moved this By-law 484 pass its second reading. Carried. Moved that By-law No. 484 pass its third and final reading. Carried unanimously.

Correspondence was received from the M.D. Wainwright No. 61 acknowledging final payment for the grader shed. Moved that this correspondence be received and filed. Carried.

Correspondence was received from the M.D. Wainwright No. 61 advising that maintenance costs for the traffic control devices at C.N.R. crossing and S.R. #881 will be billed directly to the village by Railway Transport rather than by the Municipal District. Moved that the M.D. No. 61 be billed a proportionate share of the costs. Carried.

Correspondence was received from the department of sociology, U. of A. regarding a workshop on census taking and regulations pertaining thereto. Moved that the Municipal Administrator attend this workshop. Carried. This workshop is scheduled for February 6, 1979.

Moved that the next regular meeting of Council be held on Monday, February 1, 1979 at the hour of 7:00 p.m. Carried.

By-law No. 485. This By-law has been prepared to provide for the imposition of off-site costs. Moved that By-law No. 485 pass its first reading. Carried unanimously. Moved that By-law No. 485 pass its second reading. Carried unanimously. Moved that By-law No. 485 be presented for third reading. Carried unanimously. Moved that By-law No. 485 pass its third reading. Carried unanimously.

Moved that Council act as the Court of Revision to hear appeals against the 1979 assessments. Carried.

Correspondence was received from C.N. Railways advising that a new lease has been prepared for the park and camp kitchen between the highway and railway tracks. There will be a nil rental fee for this lease. Moved that the Mayor and Municipal Administrator be authorized to execute this lease.

Utility rates. The Committee from the Irma Inn were present to discuss the water and sewer and requested that consideration be given to the revision of same.

Moved that utility rate for the Hotel and Motels be revised as follow: Motel - water $3.00, Sewer $3.00 per unit per month. Hotel - Water $3.00, Sewer $3.00 per room per month plus $17.50 per month for the kitchen and bar. Carried.

Irma Ag. Society. The Committee members were present to discuss the proposed expansion of the flargrounds and outlined the reasons why the proposed additional area is considered necessary. Firstly to accommodate the livestock events which are being planned for future events. For parking which can not be accommodated on the grounds at the present time, and that there are park reserve funds plus a commitment from the Ag. Society to cover a major portion of the costs. Mr. Smith requested that Council reconsider the matter and proceed with the necessary procedure to acquire the land in question. Moved that the Municipal Administrator contact the Provincial Planning Board for clarification regarding the park reserve funds. Carried.

The Municipal Administrator advised that an application has been received for Industrial land in the proposed industrial park. Moved that a site be made available subject to approval by Alberta Housing Corporation. Carried.

M.D. of Wainwright No. 61 Committee - Reeve Johnson opened a discussion relating to servicing and other matter relating to the parcel of land purchased by the M.D. to relocate its yard and grader shed. After some deliberation it was mutally agreed that the village would contribute toward the cost of 6 inch water line rather than a 4 inch. The larger pipe is required to facilitate a fire hydrant and future expansion should the property in question be subdivided.

A continuation of the above minutes to appear in next week's issue of this paper.

Rosegarland W.I. Notes

The regular meeting of Rosegarland W.I. was held at the home of Irene Toverud on Tuesday, January 9, at 8:00 p.m. Roll call was the Pollyanna draw for 1979. Plans were finalized for delegates Erline Suddaby and Jean Brooke to attend the District Conference and Workshop at the Grey Nun's Centre in Edmonton on January 17 and 18.

Vera Ellison consented to convene our week of work at the Viking Carena snack bar.

"People Talking Back" a T.V. audience interaction dimension focusing on Canadian Issues will be broadcast from C.B.C. Television beginning Sunday, February 4th at 6 p.m. People are urged to form discussion groups in their homes to listen, discuss and participate by telephone during the program. This seems to be a take off of C.B.C. Radio's Farm Forum Broadcasts from C.B.C. Radio of the past. As some members expressed an interest, the Secretary was directed to send for informational material on the program.

Pennies for Friendship draw was made and the instructions were "A penny for every nationality background in your immediate family". It was quite revealing just how multinational most of us are.

The next meeting is to be held at the home of Agnes Gilpin on February 12, at 8:00 p.m. Hostesses are Merle Woder and Jean Brooke.

Double Door Units - 4 left

French Doors - 1 set only

SPECIAL LOW PRICE

Z-Brick - White or Antique Red

$4.45 per ctn. Carton covers 4 sq. ft.

Cedar Strip

PACKAGE CONTENTS

Each Woodstrip package contains enough 1, 2, 3, and 4 ft. long strips - 3 7/16 in. wide, 1/10 in. thick - to cover approximately 33 square feet

$18.75/carton

Create wall art. Face a fireplace. Cover furniture, planters, cabinets and more. Woodstrip cuts easily to any length you need. So you can enjoy the warmth and glamour of real wood in hard-to-fit places without the waste of 4x8 foot panelling. Use the strips vertically, horizontally or diagonally. Woodstrip offers endless decorating variety with the ultimate in handling ease.

Woodstrip is flexible, too. The thin strips bend to cover curves, corners or arches. With Woodstrip, you'll be putting real wood where you never could before, without wrestling unwieldy panels or boards.

Register Your Guns

After January 1, all persons acquiring guns, whether by purchase, exchange or borrowing, must have a valid firearms acquisition certificate. Persons prohibited by a court, under 16 years of age, have recent records of violent crime, or who have received treatment for mental disorders associated with violence will not receive certificates.

George Reid, chief provincial firearms officer with Alberta Solicitor General, said that the applications for certificates must be made with the local police department in the area in which citizens reside. The certificates will cost $10 and be valid anywhere in Canada for a period of five years and allow the holder to purchase any number of guns.

Application forms, and detailed instructions are available at police departments in Alberta and at many firearms businesses.

The certificate requirement is the final phase of gun control legislation passed by the Federal Government in 1977. Although it is a federal act, the administration of it is coordinated through the provincial solicitor general's department.

In cases where application are refused, the applicant will be notified in writing along with the reasons and has the right to appeal to a provincial judge. About five percent of applications are expected to be refused.

Mr. Reid also stated that all firearms and ammunition businesses in Alberta will require a permit in the new year.

The legislation applies only to the acquisition of guns after January 1st. Gun owners will not require a certificate in reclaiming firearms they have taken to gunsmiths or dealers for repair.

Irma New Horizons

The Annual meeting of the Irma New Horizons Club was held in the Drop In Centre on Wednesday, January 10th.

Donald Gun called the meeting to order at 8 p.m. and extended New Year's greetings to all the members. He said how glad he was to be able to be with us again.

The minutes of the last annual meeting on January 18th of 1978 were read

Alma Enger read the Secretary's report which indicated an active and interesting year. This was adopted without the need for any discussion.

The treasurer, Dorcas Coffin gave her report and also read the auditor's report. Both were satisfactory and were adopted.

Donald Gunn who has been president since the beginning of the club gave his report and expressed appreciation for the co-operation and help of so many members in getting our project off to such a good start.

He mentioned the fact that 16 of our members had passed on since we organized four and a half years ago. His report was adopted.

Since Donald was retiring as President, and also Dorcas as Treasurer, Georgina Enger presented each of them with a token of appreciation on behalf of the members. They expressed thanks and got a hearty round of applause.

It was agreed that meetings would be held on the first and third Wednesdays of each month. The first Wednesday to be the business meeting except for the meeting in January when the business meeting will be held on the third Wednesday.

The nominating committees report was accepted with the result that the following slate of officers were elected for 1979. President - J. Jackson, Vice-President - Phyllis Craig, Treasurer - H. Riley. Secretary - Alma Enger. Directors will be Elma Tomlinson, Elsie Satre, Georgina Enger, Harold Fuder, Alex Smallwood and Gunnar Larson. Committees were set up as follows. Entertainment - Edith Wilson, Edith Cockroft and Edith Gunn. Lunch Committee - Adelaide Dootson, Elsie Satre and Orril Darling. A Business Committee to run the Bingo Games consists of Dorcas Coffin, Mamie Keller, Gunnar Larson. Cards - Edith Cockroft and Minnie Jackson.

Yoga Lessons will be given in the Centre every Wednesday and Friday from 10 until 11:30 a.m. from February 28 until March 28. This class is free to senior citizens while others are required to pay $8.00 for the ten lessons. Those wishing to take part please leave names with Phyllis Craig.

The business meeting adjourned and the remainder of the afternoon was spent playing cards, shuffle board and scrabble followed by lunch.

Irma Royal Purple

Irma Order of the Royal Purple held its regular monthly meeting on Tuesday, December 19th at 7:30 p.m. We had a very short meeting followed by our regular Christmas Party. At 8:30 a large number of Irma ladies joined with our Lodge members for a short party. A sing song, several contests, a reading and a skit were presented for entertainment.

During the past two months we initiated three new members and were appreciative of the help of two of these new members, Mrs. Pomeroy and Mrs. Prosser with our program.

Santa Claus made his regular visit and with the aid of his elves distributed presents to all present.

The evening came to a close with a social hour over the tea cups.

Our Lodge is ready for the New Year with the resolution to make 1979 the most successful year we have had.

The True Wealth

By Onedunne

The first psalm contrasts the "righteous" with the "wicked", and - as the Bible often does - divides the human race into the category of those who are the true children of God and the category of wicked or rebellious "children of wrath". There is no in-between state before God, a kind of grey or "off-white"! No - either a person is one or the other, good or evil, saved or unsaved, righteous or wicked.

The first two verses of Psalm 1 state, "Blessed (or happy) is the man who walks not in the counsel of the ungodly, nor stands in the way of sinners, nor sits in the seat of the scornful (or scoffers); but his delight is in the Law of the Lord, and on His Law he meditates day and night". Here we have very clearly stated the character and disposition of the true child of God, the genuine Christian. Such a person is never happy in the company of people or things which detract from, "whatsoever things are true, honorable, just, pure, lovely, gracious, excellent and worthy of praise."

If you have the Spirit of God within you and the certainty that you belong to Christ, you do not feel free in the company of those who take things lightly who blaspheme or otherwise treat God with little respect. You do not feel relaxed or "at home" in the company of those who do not walk, stand or sit in the Way of the Lord Jesus Christ.

Verse 3 describes the nature of the genuine believer in God; "He is like a tree planted by the streams of water (like a tree which is watered by the word of God and the Spirit of the Lord Jesus Christ), that yields its fruit in its season and its leaf doesn't wither. In all that he does, he prospers".

What is the true prosperity? Riches and wealth? "How difficult it is for a rich man to enter the Kingdom of Heaven," said Jesus. Fame and a good name? "Ye shall be hated of all men for My Name's Sake", said Jesus, again! What about goodness, purity of thought, cleanness of speech, delight in spiritual things, desires to do the Will of God? These are the things which please God and in doing so, cause a person to prosper in this life and - more importantly - in the life to come.

It is not much fun to be the victim of scoffers and people who ridicule what they do not understand, but Jesus said, "Be of good cheer for I have overcome the world". He has overcome all that which wars against goodness and truth. The Christian Faith is not meant to be "fun", but joy in obedience to our Lord. In that exhilaration and practice a person can prosper and know that "this is the victory", our faith which triumphs over all discouragement and adversity.

All the treasure of Heaven is available to those who approach God by faith in our Saviour, Jesus Christ.

Irma U.C.W. Hold Annual Meeting

The December annual meeting for 1978 of the Irma U.C.W. was held in the church parlor on Friday, January 5 at 2 p.m. with our President, Mrs. M. Fischer, in charge. Rev. G Wilson conducted the worship service. His topic was Epiphany". Scriptures selections were Luke 2:29 and II Corinthians 5:17. We sang Hymn No. 570 and closed with Prayer.

The Secretary, Mrs. Georgina Enger, read her annual report. The Treasurer, Mrs. Peggy Smallwood, read her annual report and President Fischer also gave a report. The reports given showed quite a successful year.

The new 1979 executive as presented by the nominating committee and accepted on a motion by Mrs. Peggy Fleming and Mrs. Dorcas Coffin:

President - Mrs. Edith Wilson
Vice-Pres., Mrs. Kay Clumstad
Treasurer - Peggy Smallwood
Secretary - Helen J. Smallwood

The annual Report is as follows:

The Irma U.C.W. held 11 meetings plus one special meeting re the help we could give in promoting the formation of youth groups in the church.

We had an average attendance of 11.2 from a membership of 15 - members and 2 life members. There were 26 visitors, 20 attending at our annual friendship meeting held in March.

The meetings were all conducted by the President, Mrs. Marjorie Fischer, except one by Vice-president, Mrs. Edith Wilson.

The worship service at each meeting was conducted by a member on such topics as "Stop, Yield and Listen", "Three Stages of Faith", "Justice Begins with One Person", "What does Easter mean to you and me", "Life and Duties of a Christian", "Prayer is Returning", "God be in my head", "Jesus can use it somehow", "Thanksgiving", "Religion is caught not taught" with Rev. Wilson giving the annual meeting devotions.

All the meetings are held in the church with an open invitation to any churchwoman to attend.

In Community Friendship, we sent 528 cards, made 195 visits to newcomers, sick and shut-ins, and read 105 readings of suitable church oriented literature. We catered to the mourners after four funerals, sometimes to over a hundred persons.

The area vice-president of St. Paul's Presbyterial U.C.W. Mrs. Findlay of Kinsella, came to one of our meetings. She emphasized how the U.C.W. was different from other societies, especially where our priorities should be. Also are we passing on our faith to next generations.

Four of our members took part in the World's Day of Prayer Service. The U.C.W. also conducted one worship service in the church during our Pastor's holidays.

Members attended the Presbyterial U.C.W. Workshop in Wainwright, the Presbyterial meeting in Vegreville, and four to the Banff Conference for Homemakers. Full and interesting reports were given of these at our meetings.

We arranged and worked at the Annual Supper; also assisted at the Pot Luck Supper following the White Gift service

We catered to the Easter Star Banquet in June. Other money making projects were two very successful New-To-You Sales and a Bazaar and Tea plus returns of lunch at Harry Riley's sale. Besides this we have our regular tea collection at our meetings as well as forfeits and birthday box.

Around 750 pounds of used clothing was sorted, packed and shipped to Saddle Lake Mission, Bissel Centre in Edmonton and the Salvation Army in Wainwright. For the deliveries to Saddle Lake Mission we say thank you to Mr. and Mrs. Keith Currie and Mr. and Mrs. Joe Burton. Two pounds of stamps were sent to the Leprosy Mission of Canada.

Our president, Mrs. Marjorie Fischer, accepted the office of Press and Publicity in St. Paul's Presbyterial U.C.W. We gave $1050 to the local church, $250 of this for the M & S fund and $800 for the general fund of the church.

A patchwork quilt, each member donating and making three blocks, was made and quilted, as well as top given by Mrs. J. Chiodell. These we sold at the bazaar.

A special thank you to the whole congregation, in fact the whole community that make our New-To-You sales so successful, also the Bazaar work done.

Programs of Friendship, The God who goes Before, Study of Origin and Meaning of Communion, Temples of Jerusalem and Mow, Women of the Bible. The first money raised for the establishment of this congregation in 1960 was a chicken supper be the Ladies Aid in a private home.

May we, the U.C.W., always be ready to help too in the work for God in our community and the world.

Mrs. Helen J. Smallwood
Secretary-Treasurer
Irma U.C.W.

Vialta Lodge News

Rev. Robert Seal of Vegreville spent the afternoon visiting with residents and enjoying mostly his time spent with those who came to the Lodge from the Vegreville district.

Cheryl Chetney of Holden called and had coffee with Mrs. Reger.

Mrs. Elness had Mrs. Doris Likness call in for a visit with her.

Frank and Irene Crable visited with Mr. Masson.

Mr. and Mrs. David Davidson of Killam and Mrs. E. Scholy of Killam also called in at the Lodge.

Our sincere sympathy goes to the family of Mrs. Blanch Headrick formerly of Vegreville who passed away on January 11th at the Lodge. She had made her home with us for the past two years and will be greatly missed by all at Vialta.

Our card party will be held on Tuesday, January 30th at 8:00 p.m.

Do You Know The Bible Says

By Mrs. W. Myers

In creation "God said, Let there be Light: and there was Light Gen. 1:3. Can you imagine what it would be like to be in total darkness and not have any sort of a light? Hear what the Bible says, and thou shalt grope at noon-day, as the blind gropeth in darkness, and thou shalt not prosper in thy ways, thou shalt be only oppressed and spoiled evermore and no man shall save thee. Duet. 28:29.

They meet with darkness in the daytime, and grope in the noonday as in the night. Job. 5:14. We grope for the wall like the blind and we grope as if we had no eyes. We stumble at noon day as in the night. We are in desolate places as dead men. Isa. 59:10. If the people in darkness as in the above verses heard a voice say, "Let there be light, and there was light", and suddenly found themselves in an altogether different world, do you not think they would choose the light rather than the darkness?

Jesus is Life and Light and 8:12. Then spoke Jesus again unto them saying, "I am the Light of the world: he that followeth Me shall not walk in darkness, but shall have the light of life.

Then Jesus said, Yet a little while is the light with you. Walk while you have the light, lest darkness come upon you, for he that walks in darkness knows not whither he goes. While you have light, believe in the light, that you may be the children of light. Jon 12:35,36.

Friend, you either have repented of your sin and accepted Jesus as you Saviour which means that you have found the True Light; or you are in darkness, blind to your souls need and under the domination of the powers of darkness. (Satan and his forces). Where are thou? This is God's question to Adam and Eve and also to you.

IN MEMORIUM

IN MEMORIAM
GWEN - In loving memory of our mother who passed away December 16, 1975.
God took her home, it was his will
But in our hearts we love her still.
Her memory is as dear today
As in the hour she passed away.
We often sit and think of her
When we are all alone,
For memory is the only friend
That grief can call its own.
Ever loved and deeply missed
By her sons, daughters
and grandchildren 48c

CARDS OF THANKS

I'd like to thank the doctors, nurses and staff of the Viking General Hospital for their good care, and all relatives, friends and neighbours for the get well cards, chocolates and visits while I was in the hospital and a very special thanks to my neighbor Bob Starky for looking after my chores. This has been greatly appreciated. A Happy New Year to all.
John Stefanishen

Mary and Harold Pascha would like to extend their appreciation and sincere thanks to the Viking and District Chamber of Commerce for the lovely dinner and the honor of being chosen re - Christmas "Light-Up". This includes the judges who made it all possible. 48 c

We would like to thank Dr. Cummingham and staff of the Viking Hospital for their care and attention during our stay. We would also like to thank the many businesses of Viking for the gifts given to our baby.
Vernon, Annette, Brandy and Charles Haun

I wish to thank the doctors, nurses and all the staff of the Viking Hospital for the good care and their kindness to me during my stay in the hospital. Also thanks to the neighbors, friends, and relatives for their many cards, goodies and visit. It all helped to make my stay shorter. A special thanks to those who provided rides for Agnes to come and visit me and helped her out in any way possible. — James A. Knudson

We wish to express our sincere thanks to relatives, friends and neighbors for the many messages of sympathy, floral tributes and donations during the recent loss of our wife, mother and grandmother. A special thank you to Rev. J. E. Bennett, Mrs. Ralph Jacobson, the pallbearers and Monaghan Funeral Services, Viking for services rendered. Also, we would like to express our gratitude to the ladies who prepared and served lunch. Your kindness was greatly appreciated and will always be remembered.
Mr. Bernie Ball, sons, daughters and grandchildren 48c

The Viking and District Chamber of Commerce would like to say thank you to the following businesses of Viking for their contributions towards the Chamber sponsored New Year Baby "Welcome" program. The businesses involved are Kelly's Hardware, Crossroads Pharmacy, Globe Footwear, Greensleeves Ladies Wear, Macleods Maxwell's Men's and Children's Wear, Sunny Days - Sears, Viking Drugmart, Viking News Viking Sports Shop and The Weekly Review.
The Viking Chamber 48

The Viking Chamber's Christmas Light-Up winners were announced and introduced at the Annual meeting last Thursday. They are [left to right] Harold and Mary Pascha [1st. in Viking], Nellie Taylor [2nd in Viking], Stan Zemanek [2nd in Rural]. President Ken Bird introduced the winners. Absent was the Joe Veltzer Family who placed first in the rural area. Staff Photo

Ryley and District News

At a special meeting on January 12, the Ryley Branch of the Royal Canadian Legion presented life memberships to four World War One veterans. The four receiving memberships were Elmer Anderson, Ben Jacobson, Thomas Harris and Robert Wesmancoat. A large crowd of Legion and Auxiliary members, and family and friends were present. The presentation was made by Mr. Jim Foote, Provincial President of the Canadian Legion.

Installation of the 1979 Officers of the Ryley Branch also took place the same evening. Those to hold offices during the new year are President - Al Burton, Vice-Presidents - Keila Murray and F.G. Pope, Secretary - Treasurer - Jack Davidson.

Ryley Ladies Auxiliary Officers were installed by Zone Commander Ernest Brown and are as follows: President - Marie Dyer, Vice-President - Patricia Jeffrey and Lois Murray, Secretary - Harriette Brown and Treasurer - Anna Burton.

Ceremonies were followed by lunch and a social evening.

The Ryley 4-H Clothing Club met in the Home Ec. Room on Thursday for their regular meeting. Final plans were made for the trip to the Regional Public Speaking Work Shop to be held in Vegreville on January 27 as well as plans for their trip to the A.C.T. Telethon in Edmonton.

The girls practiced their speeches for the Public Speaking Competition to be held in the Home Ec. Room on February 12. The two top speakers from the group will be advancing to the County Speak-Offs in Tofield on February 18. The next meeting will be held on January 25.

By Nadine Wood

Fredericks Re-Elected

At the annual meeting of the Bruce Stampede Association held on January 11, Grand Fredericks was re-elected as president. Vice-President Harold Hissett and Secretary Treasurer Bruce Kawalilak were re-elected by acclamation. Directors for 1979 are Morris Erickson, Bud Hammermaster, Dave Laing, Donald Laing, Henry Field, Paul Chrystian, and Paul Malowany.

The Bruce Stampede will be held on July 29 and prize money will be increased by $1,300. The annual Stampede party will be held on February 24 if it can be arranged.

Bruce News

BRUCE NEWS Stewart McMullen was in Edmonton last week to attend the Unifarm convention.

Carol and Dale Knievel of Slave Lake were visiting on the weekend with Carol's parents, Annie and Rudy Koppel.

The Erale Doris rink of Bruce was one of 14 rinks competing to represent Zone 11 in the Northern Alberta playdowns to be held in Edmonton. Erale, who had Gordie Maxwell as third man, Ken Heber playing second and Peter Miciak throwing lead rocks, won his first two games and then lost two straight.

Don't forget that the Bruce Ladies' Bonspiel will be held on January 27 and 28 with possible evening draws on the 25th and 26th. You can phone your entries to Vicky Field, Judy Kalita or Jean Tkaczyk.

By Bea Fredericks

Bruce Busy Bees

The Bruce Busy Bees and their families bundled up and attended the Ice Capades on Saturday, January 13. A good time was reported by all.

The Ice Capades were really good and the treats at McDonalds were even better. Thanks go to Vernon Pratt for driving the bus and to the Stampede Association for the use of the bus.

Holden and District News

Hockey at Holden on Tuesday, January 9, saw the Holden Beavers play against Tofield. Holden scored 3, Tofield 6. A Tofield player was injured as he was skating swiftly, fell and crashed against the goal post. Holden ambulance was called to take the injured player to the hospital.

In other hockey action which took place on Wednesday, January 10, the Holden Old Timers met against the Holden Hilltop Good Timers. The score went in favor of the Old Timers 12 to 4.

The 1979 membership committee for the Holden and District Chamber of Commerce is Kevin Stambaugh, Dennis Shavchook and Marvin Giebelhaus. Anyone wishing to join the Chamber of Commerce may contact one of the committee members. Last year the Chamber had a membership of over sixty members.

If any of you ladies are looking for something to do, remember the Basic Car Care and Maintenance course, which includes much of the basic information required by operators of motor vehicles. The classes are Wednesdays from 7:30 to 10:00 p.m. January 24 to February 21. Location - Holden School. Fee for the course is $5.00. Instructing the course will be John Tiedeman. Anyone interested may register with Mrs. Pearl Allan at 688-3775.

The Holden Senior Citizen's Club will be holding their annual meeting on January 23, in the Drop-In Centre.

By Anna Shavchook

Students Visit Citadel

On January 3, thirty-eight students and two teachers from Holden High School had the opportunity to see the world premiere of the musical stage production "Flowers of Algernon" at the Citadel in Edmonton.

Special student matinees are performed for school groups and many teachers feel this is an effective way to culminate a unit on drama. In order to take advantage of this special offer, reservations must be made well in advance and each person attending must pay $2.50 some weeks before the actual performance. Unfortunately the $2.50 is not refundable if anyone is unable to attend. Both Ryley and Tofield also had classes in attendance as city schools were not in session and rural areas had a better chance of getting reservations. This is the third year some Holden students have been able to attend a play at the citade.

This year the Citadel is also offering special rates to groups of fifteen or more if they wish to attend some specially designated plays in the Rice theatre (a smaller theatre in the Citadel) on Saturday and Sunday Matinees. Individuals may also attend but the matinees will be $3.00 and evening performances will be $5.00. O. Shykora, Principal - Holden

Viking Rink Captures "Super League"

The Doug Dobry rink of Viking captured the Zone 11, 1978-79 "Super League Championship" on Wednesday night, January 10, in Tofield.

Leading up to Wednesday nights finals was a "Round Robin" playdown between the teams along Highway 13 as well as a playdown between teams along Highway 14. The two top teams from each round robin met in a sudden death playdown held on the Tofield ice.

Representing Highway 14 in the finals were the Cobalt rink of Tofield and the Dobry rink of Viking. Completing the Dobry rink were Gordie Maxwell - third, Donald Hafso - second, and Vern Hafso - lead.

In the opening game, the Viking team met Miller of Strome in a somewhat one-sided game which found the Viking team ahead 10 nothing in 6 ends, after losing the toss.

Advancing to the final, the Dobry rink met Gibb from Killam. The Viking rink came out on top of a 5 to 4 match by stealing the final end.

REVELSTOKE

Midgets Undefeated During Week

The Viking Midgets started off their successful game string by defeating Rosalind on Tuesday night at home. Kevin Maxwell scored just six seconds after the puck was dropped. From there on, the local boys didn't look back. Allan Evans and Kirk Maxwell also scored in the first period.

In the second period, Raymond Thengs, David Darling and Wayne Seizler scored for Viking. Rosalind scored a goal to round the score out at 6 to 1.

The third period belonged to the Viking boys as they scored six unanswered goals. Scott Taylor scored a pair with assists going to Wayne Erick son, Darrell O'Neill, David Darling and Richard Sutter. Ross ended the game with the boys walking off the ice with a 12 to 1 victory.

The next evening the boys travelled to Paradise Valley for an exhibition rematch with Marwayne. This game proved more of a close game with one team never having more than a two goal lead. Richard Sutter scored the first goal only to have Marwayne score right back. Richard Sutter scored again and a little while later Ronald Sutter added another. Marwayne in return added two goals to even out the game. With only 47 seconds left in the first period, Ronald Sutter scored on a power play which was set up by some nice passing.

The second period saw both teams score a pair of goals. For Viking, Ronald Sutter and Allan Evans handled the goals.

The third period had Viking score early in the period with a pair of goals from Ronald Sutter. This gave the boys an 8 to 5 lead which they kept until they let up a bit and allowed Marwayne two quick goals. With only a minute and a half left in the game, they held on for an 8 to 7 victory.

On Saturday night the boys hosted the Sedgewick midgets in a league game that proved to be a close game in the first period. Richard Lefsrud started off the scoring and then Kirk Maxwell added another one to give Viking a 2 to 0 lead.

Sedgewick scored just before the end of the period to close the lead.

In the second period, Viking scored a pair of goals to increase their lead to 4 to 1. Richard Lefsrud picked up his second goal and then Richard Sutter scored an unassisted goal.

The third period saw the local boys out score Sedgewick three goals to one, ending the game with Viking on to 7 to 2. Viking's goals came off the sticks of Bob Graham, Richard Sutter and Allan Evans.

Sunday's game with Ardrossan turned out to be a well played game on both sides.

It wasn't until the seven minute mark in the second period that the first goal was scored. Richard Sutter put Viking ahead with a goal and then five minutes later Ronald Sutter scored. Richard Sutter scored his second goal giving the boys a 3 to 0 lead.

Ardrossan with their hard skating scored a goal before the end of the period, narrowing the gap to 3 to 1.

The third period saw both teams trade a pair of goals. For Viking it was Kirk Maxwell and David Darling scoring. Dave's goal came after some hard and persistent checking which paid off with him getting the puck and scoring.

Ardrossan never gave up and narrowed the score to 5 to 3 but finally time ran out on the clock and the Viking boys picked up their fourth win in a row.

Pee Wee Hockey Review

The Viking Pee Wees began the season with a total of twenty-one boys registered. Because of the large turnout it was decided to divide the group into equal teams, thus Viking now has the Purple and the Green team playing in the Pee Wee category. Coaches for the two teams are John Antos - Purple and Ed Majeski - Green. Both teams are playing in the Battle River League.

The Viking Purple have played three of their league games and are undefeated. The Viking Green have also played a total of three league games and have one win with two losses.

Last Friday night found the two teams come up against each other. This proved to be a very good game with fine hockey displayed by both of the teams, leaving very little to choose between the two.

Viking Purple opened the scoring on a goal by Donnie Lawes with Shaun Clouston receiving an assist. Viking Green tied up the game with an unassisted goal by Rocky Hanson. Hanson scored again late in the period to give Viking Green a 2 - 1 lead going into the second period.

In the second, Dean Antos scored unassisted to again tie the game. Darren Wincenre scored the third goal for Viking Purple, with Dean Antos receiving the assist, to give the Purple a brief lead before Pat Voltner again tied it up at 3 - 3 late in the second period.

In the third period, Donnie Lawes scored his second goal of the game, again assisted by Shaun Clouston to end the game scoring at 4 - 3 in favor of Viking Purple.

From these two teams a Provincial "C" team has been chosen. This team has played a total of four exhibition games, winning one and losing three.

The "Provincial" team has a game scheduled for Sunday January 21 at 1:00 p.m. in the Viking Arena against the Camrose team.

COUNTY OF BEAVER No. 9

Pre-School Census

The County of Beaver Board of Education are presently conducting the annual census to determine the number of pre-school children residing in the attendance area.

This Information Is Vital To Budgeting and Future Planning

Schools will be sending a form letter home with students which requests a list of your pre-school children. If you know of any family with pre-school children who may not receive a letter, please inform the school at your earliest convenience.

Your assistance in helping us with this census is sincerely appreciated.

F.W. Reinholt

Tom Thumb Tournament to be Held

Saturday noon, the Viking Tom Thumbs played host to the Innisfree team in exhibition play.

The first period found the teams quite evenly matched - a lot of action, but no goal scoring. This was the first game of the season for the Innisfree team and a good size group of parents were on hand to support their team.

In the second period, Corey Biddlecomb opened the scoring for Viking with Corey Wiechnik drawing the assist. Following up the scoring for Viking was Jason Clouston with an unassisted goal and a third goal scored by Tammy Maxwell on a rebound from Clouston.

Innisfree found the net in the closing minutes of the third period with a goal from Darcy Saskiw.

Next on the schedule for the Tom Thumbs is their tournament which will be held on Saturday, January 20, at the Viking Carena. Entered in the tournament are teams from Irma, Innisfree and Mannville. The tournament will begin at 12:30. Going on the ice for the first game will be the Viking and Irma teams.

Mannville will meet Innisfree at 2:00. Following the second game the B Final (2 losing teams) will be played with the game scheduled for 4 o'clock.

The A Final is scheduled for 5:45.

The WEEKLY REVIEW

Serving the People from Ryley to Irma
Published every Wednesday at Viking, Alberta

/ WEDNESDAY, JANUARY 24, 1979 Volume 1 No. 40

Christine Otto of Viking is congratulated by Mr. Art Willems for placing first in the Intermediate Poem Section of the Canadian Legion Zone 2 Poppy Promotion contest. Christine received a $10 cheque from Mr. Helmer Hanson earlier in the week and her poem (see p. 2) will be entered in further competitions. Staff Photo

Irma Chamber of Commerce Holds Annual Meeting

At the general meeting of the Irma and District Chamber of Commerce held on January 9th, 1979, the President, Mr. Eric Eisner, gave the following annual report:

"The 1978 year has been a most successful one for the Chamber. From the Financial Statement below, we can see that we have a much larger cash flow than in previous years, and again monies accrued have been used in upgrading services within the community.

Some of the highlights of the past year are: for the first time we have built our own Irma float and entered it in parades outside of Irma. The float won first prize in the Wainwright parade. The theme of the float (to be representative of Irma in a way of life) has not yet been completed. With $2,500.00 and much sweat, the new booth has now been completed and in operation at the fair grounds. Upgrading the ball diamonds for the biggest ball tournament ever held in Irma. Building new bleachers for the fair grounds. Building and or purchasing tables and chairs for the arena at a cost in excess of $2,000.00 A Harvest Ball was financially successful. Other complications such as shortage of help and irresponsibility on the part of some of the patrons makes me wonder if this type of functions is desirable.

Lastly, I would like to thank all those people for their support which made my four year term (3 as vice-president and 1 as President) an experience I will never forget

The financial statement is given below:

INCOME	
Harvest Ball	$10,031.05

	$480.00

The executive for the 1979 year elected by acclamation will be President - Dick Mitton, Vice President - Ron Dempsey, Secretary-Treasurer - Roger Leveque - offered to maintain this position until a suitable person was found.

Some notes for the new year.

1. Both the Agricultural Society and the Chamber have put $1,000.00 each into a fund for better Christmas lighting on the streets of Irma. From the Chamber Ron Thurston and Sonny Archibald will examine possible alternatives to our present system.

2. At our March meeting, a representative from the Viking Hospital Board will make a presentation on their plans for the new hospital.

3. On February 1st, the Chamber will be sponsoring a meeting with the A.L.C.B., and the R.C.M.P. on the topic of drinking permits and regulations. All organizations are warmly invited to join us at this meeting. It will be held in the school library at 7:00 p.m.

We look forward to another good year for both the Chamber and the community. A very big thank you to all you who supported the events organized by the Chamber - it is much appreciated.

Coordinated Home Care Announced For Area

In April 1978 the Alberta government announced a Home Care Program to be funded and administered through health units. Plans have been progressing in this area and Mrs. Mollie Cunningham, Director of the Vegreville Health Unit, recently announced that the Co-ordinated Home Care Program is now accepting referralls and admitting patients throughout the area served by this health unit.

The program is designed to meet particular needs of the people in this area with special emphasis on elderly and handicapped persons. The goal of Co-ordinated Home Care is to prevent, delay or shorten hospitalization by extending health care and support services to people who, with some help, could remain at home.

Co-ordinated Home Care brings community services and volunteers together with health care personnel such as nurses and rehabilitation therapists. Many support services can be arranged such as homemaking, home-help, handiman, visiting, transportation, telephone contact and Meals-on-Wheels, if they are available within a reasonable distance of where the patient lives. The Health Unit cannot establish these services. Mrs. Cunningham is concerned on behalf of the people in the Health Unit area who live in communities where these support services are not yet available.

Local committees are being formed by volunteer representatives in many communities.

Each committee will be finding out what support services exist in their area and who the home care staff can contact to make arrangements when patients need support services. As well, the committee wants to find out what services the people in the area would like to establish.

In the Viking area, Mr. Jack Roddick and Dr. A. E. Caldwell are looking for interested people who might like to help or offer suggestions.

As Co-ordinator of the Home Care Program, I am eager to provide what ever assistance I can. Contact me for more information regarding any aspect of Home Care, by phoning the Health Unit in Vegreville, 632-3331 or by writing to Vegreville Health Unit, Box 99, Vegreville, Alberta.

Gloria G. Lerand
Home Care Co-ordinator

Highway Pedestrian Accidents Cause Concern

The Accident Investigation Team of Alberta Transportation has noted that of pedestrians killed on Alberta highways during the past three years, six lost their lives while trying to flag down passing vehicles for assistance. In the same period there were nine other persons killed by other vehicles while in the vicinity of their own vehicles.

Moments before these fatal crashes the victims had experiences a vehicle break-down, run off the roadway, or became stuck in snow filled ditches. All occurred during the hours of darkness.

A spokesman for the accident investigation team further noted that most of these fatality victims had all placed themselves directly in the path of the vehicle they were trying to flag down for assistance.

Alberta Transportation reminds the motoring public that highways are dangerous for pedestrians during the hours of darkness due to the limited visibility of approaching drivers.

The spokesman recommends that drivers who desire assistance at night would be much better to activate the four way flashers or inside dome lights of their disabled vehicles. Most passing drivers will stop on such signal to render assistance

If it is necessary to give more direct signals for assistance the pedestrian concerned should stand well back from the path of approaching vehicles, wear some bright colored clothing, or have a white handkerchief or cloth to attract the attention of passing motorists.

A little thought and caution would save many pedestrian lives along out highways.

Taylor Criticizes Insurance Policy

Alberta Liberal Leader, Nick Taylor, came out in disagreement with the Alberta Human Rights decision that Alberta automobile insurance companies were discriminating on the basis of sex.

Taylor said that under present regulations in Alberta automobile insurance is not a right but a privilege and is supposed to be based on a persons record.

To say that both sexes should pay the same rate means that the present rate for women will be increased which is surely discrimination of another and worst sort.

"Are we opening up a can of worms...for instance is it correct that older people pay more for life insurance than the young, should those in safer occupations pay more in order to bring down the costs for the more hazardous professions, should city people give up their cheaper fire insurance rates than rural people because of the city persons proximity to fire fighting equipment, the list is endless, although these other discriminations are on the basis of age, lifestyle and location.

The Alberta Liberal Leader said insurance costs should depend on the person's record, not their sex, and "I'm afraid that the recent Human Rights Commission ruling, well intententioned as it is, will be used by the insurance industry to take away the present lower rates to women drivers and those with a spotless record".

"It is time that the Alberta government defied as entrenched legal lobby and implemented a no-fault insurance system with rates based entirely on accident record".

They May Hang On

The speech delivered by M.P. Don Mazankowski at the Viking and District Chamber of Commerce Annual meeting, laid out the major problems which Canada is currently facing. Yes, it was a "political" speech, but this is supposedly an election year and Mr. Mazankowski is a politician.

As well as indicate the negative nature of the Canadian economy, Mr. Mazankowski stated the major policies which the P.C. party will carry into the upcoming election. Many of these policies seemed more reactive than initiative. However, it seems that these policies may take a back seat to another issue in the campaign - the leadership of Joe Clark.

On two occasions recently, Mr. Clark has brought his leadership ability into question. All last summer, Mr. Clark and the P.C.'s berated the Liberal government for the large deficit which our country is sinking into. The deficit is immense and something must be done about it. However, in early January, Mr. Clark stated that if the P.C.'s are elected, he would increase the deficit so that in 2 or 3 years we would rise out of this situation. Is this an indication of "flip-flopping" policy and a leader unsure of which direction to take?

Most recently, Mr. Clark returned from a trip around the world to help him gain greater knowledge of foreign matters. The continuous foul-ups and embarrassing situations on the international scene which occurred reflect directly on the P.C. leader. His lack of "presence" with world leaders became obvious if one simply watched the pictures taken by the T.V. cameramen.

The Liberals seem "ripe for the picking" in the upcoming federal election, but they may just "hang on" due to the leadership of Mr. Joe Clark.

Irma Home & School Concerned

This *"article"* is written in regard to the rebuilding of the Chauvin High School which was destroyed by fire last summer. The Irma Home and School Association would like you to know that we are putting strong and unanimous support behind the Chauvin Save the School Committee. We feel that they are being unjustly and unfairly treated by the Wainwright School Board. The fact that the School Board failed to consult and failed to inform the Chauvin Community of their change of plans is an utter disgrace to our democratic society. This community was totally unaware of what was taking place and so was unable to make a presentation or a brief to the board before their former motion *to rebuild* the school was rescinded and a new motion *NOT to rebuild* the school was made and passed.

If our small communities with their vigorous community spirits are going to survive we need our high schools and the high school students. We feel that the School Board acted unjustly and has given no valid reasons for its decision. Who knows for certain what the population of the Chauvin community will be in 1983?

In closing we feel that the Chauvin community had the right to be advised and consulted by the School Board before such an important decision which effects the lives and futures of students, parents, and indeed every citizen of this community was made. We feel that the elected officials of the Wainwright School Board, which are seven in number, did not show the respect and understanding due to the Chauvin people.

We hope that with our help and the help of others these people will be met with the understanding they deserve and they will be able to rebuild and retain their High School.

Beaver Regional Recreation Minutes

A regular meeting of the Beaver Regional Recreation and Parks Department was held on January 3, 1979. Present for the meeting were Mr. Alwyn Whidden, Mr. Ed. Regher, Mr. Glenn Jones, Mr. George Baker, Miss Colleen Walker, Mrs. Aileen Quiring, Mr. Keith Watts, Mr. Larry Andrukow, Mr. Marvin Tomashavsky, Mr. Marvin Giebelhaus, Mrs. Hjordis Armitage, Mr. Gordon Maxwell and Mr. Eugene Ewasiuk.

Mr. Marvin Tomashavsky, Chairman, called the meeting to order at 7:30 p.m. This December meeting was held in January because of the holiday season.

The minutes of the November 29, 1978 regular meeting were reviewed.

Moved that a recommendation be made to the Management Committee to renew Miss Colleen Walker's contract.

Moved that the minutes of the November 29, regular meeting be adopted as presented. Carried.

Moved that Mr. Marvin Giebelhaus be nominated for the Policy Committee. Carried.

The Accounts for the month of December were presented in printed form and reviewed by Mr. G. Baker.

Moved that the question of out of County people going on courses be referred to the Policy Committee. Carried.

Moved that the accounts for the month of December 1978, be accepted and paid. Carried.

The correspondence for the month of December 1978 were presented in printed form and reviewed by Mr. G. Baker.

Moved that the correspondence for the month of December be accepted and filed. Carried.

Verbal Board Member Reports

Ryley - skating rink is in operation, curling going on, but very slowly, no caretaker, and the ice is very poor.

Holden - held a meeting with the council, and renewed the Recreation By-law, working on the five year plan. Curling, minor hockey, both going well.

Kinsella - Christmas concert was held, ice is done at skating rink, discing is to start Jan. 6, 1979. Senior Citizen's will be starting up again, badminton and volleyball will be going in January. Youth Club started in December with 18 members.

Moved that the verbal board member's reports be accepted as presented.

The Administrator's report was presented in printed form and read by Mr. George Baker. Discussion of work done at the Holden Theatre Building. Moved that the Administrator's report be accepted as presented.

The Program Supervisor's report was presented in printed form and read by Miss Colleen Walker.

Moved that the Program Supervisor's report be accepted as presented.

Program Committee - Mr. Eugene Ewasiuk reported that a program committee meeting was held on Wednesday, December 27, 1978 at the County Office Building in Ryley. Committee members present were Mr. Eugene Ewasiuk and Mr. Glen Jones along with Staff, Mr. George Baker, Administrator and Colleen Walker, Program Supervisor.

Some guidelines set out for Regional Recreation program planning were as follows. All of these guidelines are tentative upon the Regional Recreation and Park Board's approval.

1. Minimum numbers will vary with the program. The program supervisor will be responsible to decide upon minimum numbers according to various programs and their budgets.

2. Estimated budget figures should be calculated according to instructor salaries, instructor expenses, facility rent, insurance, materials and equipment.

3. Letters should be sent three weeks prior to the starting date reminding the local recreation board of the program. If problems occur with registrations, the local recreation board will be contacted.

4. There will be six planned Senior Citizen programs, County-Wide, or within a 50 mile radius during the year. Two of these will be extended trips.

5. Program evaluations should be brought to Regional Recreation and Parks Board meetings. Evaluations will include times, and dates, evaluation of the instructor, list of participants, final budget, and recommendations or comments if necessary.

Moved that the Program Committee's report be accepted as presented. Carried.

The rental policies were looked at under Policy Number B-1 and the following changes were made: - Numbers 3 and 4 were committed as they are no longer relevant, also number 6A was committed as we no longer have skis. It was decided that the Slide Projector would be rented out for $5.00 for a week end and that the Archery Net should be added to the list, and rented out for $15.00 per month.

Moved that a list of available supplies for sale be advertised in the local papers by the end of January and that purchases of $10 or more should be given a 10 percent discount. Carried.

Planning Committee - Jim Singbeil Workshop. The first point of Jim Singbeils Board Workshop was discussed. That point being, "What commitment do I have to the Regional Board"? Points that were discussed are as follows:

- to represent rural ratepayers interests, and to help promote a harmonious feeling among ratepayers and the recreation board.
- to attend the meetings, work on committees, and to support the administrator and his staff. To seek problems out and to try to solve them in the best way possible.
- to strive for cooperation among the board and its employees.
- to see that the finances are divided up properly and to see good business procedures are practiced.
- to see that the citizen's interests are brought to the board.
- to lik at recreation on a regional level and to see what facilities we have and how we can administer the programs, so that it is done to help everyone.

It was discussed, that the Towns of Viking, Tofield, Holden Kinsella, Ryley and the County of Beaver would be willing to go along with an Annual Meeting of all Councils and Recreation Boards.

Moved that this be tabled to the March meeting and that everyone would report to his own council about this being changed. Carried.

Arts Centre Committee - Mr. Marvin Tomashavsky presented in printed form a suggested list of what the Arts Centre Committee should be responsible for.

Information about the Arts Committee was tabled to their meeting being held on January 11, 1979 at 4:00 p.m.

Moved that the Arts Centre Committee meet and have a report for the next Regional Recreation Board meeting. Carried.

Moved that the meeting be adjourned at 10:40 p.m.

AGRICULTURE FROM MY VIEWPOINT

BY MARVIN E. MOORE,
ALBERTA MINISTER OF AGRICULTURE

Last September 12 we announced a rebate program for propane used in drying grain. Providing a rebate of 10¢ per gallon, the program covers propane purchased between September 1, 1978 and December 31, 1978 which was used for drying grain on farms where the operator had no access to natural gas.

It is important to note that if your land, where the grain drying took place, is located in an area covered by a natural gas franchise, you must have an officer of the Natural Gas Co-op or other distributor sign your rebate application. The intent of this program is to provide the rebate to farmers without a natural gas supply whether they live outside a natural gas franchise area or inside such an area if a natural gas utility is not yet operating.

In other circumstances producers may also be eligible for a propane rebate, such as when the natural gas utility was unable to install a large enough capacity line to accommodate a grain dryer.

In cases where officers of a natural gas utility are unsure of signing your application form, the application can still be forwarded, together with a written explanation of the circumstances, direct to the Department of Agriculture in Edmonton. The Department will then determine, in consultation with your gas utility, if you are eligible for a rebate.

Remember - pick up your application forms today at your district agriculturist's office, and forward them without delay.

Let's hope '79 will see a harvest with bright and sunny weather.

Viking Girl's Poem Wins First Prize

Why I Wear A Poppy

When I think of all those
soldiers fighting for our lives,
I think of huge, loud guns and
sharps, shiny knives,
Gallant galloping horses and
many running feet,
Covering the green meadows
like a huge red sheet.

To be killed and left dying on
the grass,
Eyes staring upward and shiny
like polished glass,
The memory of those brave
soldiers will always remain,
Of those who fought in the cold
and pain.

Every year when that honourable day is here,
The memory of those brave men is always near.
On this day, I wear a poppy to thank the men
Who fought the war to the very end.

Viking, School

M.L.A. Report

By Tom Lysons

It has been three months since my illness and now my doctor feels I can get back to some light work.

A great deal has happened during those three months. The most important has been the offer of a loan of $100 million to a group to build a grain terminal at Prince Rupert. Questions have been asked as to whether this would be a grant or a loan. It would be a loan as there are four provinces that could be delivering grain through the port.

Perhaps we should briefly look at the need for expanded facilities for grain. The grain handling system has remained relatively unchanged for a long time. In order to properly iron out the weak spots, it is felt that we should start at the end of the system. The Alberta government is very aware of soft spots along the line but perhaps many of these will disappear with more throughput.

Almost everyone involved in the system has been blamed for delays, however, the one important consideration is that when there is a delay, the producer pays the bill.

Increasing costs make it important that the extensive farm lobby continue so that your government can effectively deal with problem areas.

Prairie farmers contribute many millions to the welfare of Vancouver, Thunder Bay and the entire seaway system, and our voice must be strong. The lobby from huge population areas can be very convincing and our task is to meet the challenge as the producer pays the bill.

Over the next few weeks I will attempt to catch up, and if you have any questions please feel free to call me at home, telephone 853-5295 Tom Lysons

M.L.A., Vermilion Viking

The Homemaker

I always remember comedian Alan King's routine of Little League. He suggested that parent's butt out and leave the kids to play on their own. I was reminded of this at Christmas as I watched Michael play with his gifts. Adults have a tendency to expect children to play their way. We know how the train should run.....on the track, not on the floor Michael. I guess Santa should bring a train for his Aunts to play with next year.)

Children use toys in a way that is meaningful to them at the moment. Remember that play is a child's work. The child works hard at mastering and perfecting new ideas. Even those forms of play that seem aimless to the adult feed into his growing awareness of self and world. A child's level of achievement and satisfaction with play may be very different from the adult. Frequently a child abandons a project midway in a way that adults find frustrating. The crayon is dropped, the toy abandoned, the train track torn apart. For the toddler, it is the activity that counts, not the completion of a total task.

Remember too, that a child's imagination is a wonderous thing. They may see a completely different use or purpose for a toy. The big hit at our house over Christmas was two cans of nails and a magnet....so much for expensive toys.

REMINDERS: The "Living with Teenagers" program is planned for Bruce Recreation Centre on February 1 and 8 from 1:30 - 3:30 p.m. Nadine Vester, Alberta Agriculture's Family Living Specialist will conduct the program.

EXCERPT FROM
ROBERT BURNS

"Whatever mitigates the woes or increased the happiness of others, this is my criterion of goodness; and whatever injures society at large, or any individual in it, this is my measure of iniquity."

R. Burns

The Pencil Box

Christmas Company

By Cothele Rauser

Ripping open the telegram in trepadation, I read with mixed emotions. "Arriving December 23 with Trev, Trewyn, Mr. and Mrs. Calverly Senior, Rod and baby. Love Janeen." My first emotion was one of joy and excitement at the thought of seeing my beloved family again. However, Rod's society parents were another situation all together. I had first met them at the Hotel Vancouver. A truly glamorous evening with divine music by Mark Kennedy.

Mr. Calverly, a tall grey haired typical judge, might understand, but his wife, a bit of a social climber and rather in de dah, would look down her nose at us all.

My sister knew the primitive situation and how depressed I was about it. Why was she imposing this huge gathering onto me?

Then I remembered her saying that they only had a few days left before flying to Afghanistan and Malaysia for two years under the Medicare Program. I imagine it was their only way of bidding us all farewell. Slowly my eyes travelled over the walls which resembled maps of Europe. The boys and I had diligently been chipping away seven coats of flaking calcamine of all different shades, from a sickly brown to a jaundiced yellow, and now a predominant pink color. The latter looked absolutely nauseous with the barn red floor. Dust, cobwebs, and mildew occupied every single nook and cranny. It was impossible to keep clean as we were constantly lugging coal and ashes in and out. The four large stoves that were kept burning night and day to keep the place liveable still couldn't prevent my cold cream from freezing.

Slim had been hired to brush road allowances which was the only job available at the time. Working nine to ten hours a day in waist-deep snow he would arrive home exhausted and half frozen. Somehow the boys and I managed to pack coal, water, and ashes, besides trying to feed our one cow who had just recently given birth to a fragile little calf. This was company for the delightful holstein heifer orphan which a neighbour had given to Randy. She was the beginning of our dream herd. In addition to this they had acquired seven bantams, two kittens, and lovable mongrel dog named Old Yellar.

My whole family was anxiously awaiting the arrival of spring, more animals, and the boy's promised pony. To date they had met all problems with undaunted enthusiasm. I had to somehow welcome my brother-in-law's parents sincerely, as he was their only child of latter years. My only chance of doing this effectively was through good food and a warm welcome.

Determinedly I set to work. The gigantic, antique stove was a blessing in disguise, turning out bread, cookies and flaky pies.

The day before their arrival dawned with the temperature dropping ominously. My final angel food cake was cooling on the counter and I was frantically trying to make our antiquated toilet facilities look a little more inviting and sanitary with a coat of gray paint.

Strawberry Plains W.I. Meet

Eight members were present at the first meeting of 1979 at the home of Mrs. Martin Creasy, Mrs. Irving Bell was absent having been called to work. Minutes of the December meeting were read and adopted. The treasurer's report was given by Mrs. Harry Long and was adopted.

Roll call was payment of dues, also to tell what you did for Christmas.

Mrs. John Paszter Sr. gave an interesting resume of their trip to Hungary, and of how they spent Christmas there. Mrs. Hugh Tomlinson, the handicraft convenor, had articles ready for members to embroider for the fall bazaar. Greeting and other cards were available for members to purchase.

It was agreed that we serve a hot roast beef dinner at Harry Long's bull sale on Wednesday, February 7, 1979 from 11 a.m. to 2 p.m. A motion was presented and carried to start our winter meetings at 2 p.m. from November to April inclusive.

Mrs. Martin Creasy had a synopsis of news items from W.I. Federated News. From now on this duty will be undertaken by Mrs. Ted Hill.

This being "the year of the child", donations were made to "Cubs and Scouts" and "Brownies and Guides" in honor of the year of the child. Mrs. Jim Jackson read the write up on Mrs. Kate McCauley McLean which appeared in the November-December issue of "Heritage". It was agreed to give some assistance to Marney and Harley Barss whose home was destroyed by fire on New Year's Day. Harley was severely burned and is still in hospital. Wishes were expressed for his speedy recovery.

Raffle was won by Mrs. George King. The February meeting will be held at the home of Mrs. Eddie Jackson, with Lorna as hostess, and Esther Creasy on raffle. Roll call - White Elephant Sale.

We wish to take this opportunity to wish all a healthy, happy and prosperous New Year.

Rapeseed Purity Demanded

What kind of rapeseed are you planning to grow next spring?

According to Phil Thomas, Alberta Agriculture's supervisor of oilseed crops, both the domestic and export markets are in the midst of a change-over to double-zero rapeseed (low erucic acid and low glucosinolate content). In fact, he says that next year the domestic crushers will crush only rapeseed that meets the double-zero standard, and that the export market, which purchases large quantities of Alberta rapeseed, is now starting to order double-zero rapeseed. Although this means that the market for rapeseed which is not double-zero will slowly dry up, the export demand for the older rape varieties (Span, Torch and Midas) should be adequate for the next couple of years.

The double-zero rape varieties available to Alberta farmers are Candle (a Polish variety), Tower, Regent and Altex (Argentine varieties). However, because of the short growing season here, only the Polish varieties can be grown on a large proportion of the province's rapeseed acreage.

Contamination of the double-zero rape varieties is a major concern at the present time. He explains that the production from many thousands of acres of rapeseed grown from supposedly double-zero seed was rejected this year by the crushing plants because of contamination. Contamination means a direct loss to farmers in that the rapeseed can only be sold on the export market, which has a lower delivery quota than the domestic market.

"One way of helping to ensure double-zero rapeseed purity" Mr. Thomas says, "is to plant certified seed." Certified seed ensures genetic purity of low erucic acid and low glucosinolate content. However, even crops that are grown from certified seed can become contaminated if they are sown on land that has volunteer rape plants which are high in erucic acid and glucosinolate content. Hence, to avoid contamination, double-zero rapeseed should be sown only on land that is as free as possible of other rape varieties. Mr. Thomas points out that it takes only a few Torch or Midas plants to contaminate a crop of Candle or Tower rapeseed grown from certified seed. He reports that certified seed of the double-zero varieties will be in short supply next spring and suggests that anybody who wants it should contact his nearest seed supply dealer or his nearest seed grower now to find out where he can get it.

Farmers who are not able to get certified seed and decide to use their own seed or to buy commercial seed should make every effort to ensure that the seed has good germination and that it is low in erucic acid and glucosinolate content and free of weed seeds.

Alberta Agriculture

Irma New Horizons

The Irma New Horizons club passed the afternoon of Wednesday, January 17th very enjoyably playing whist (six tables). Gunnar Larson and Harold Fuder tied for the gents high score and on cutting the cards, Fuder got the prize, and consolation went to Bob Hanson. Ladies high score went to Peggy Fleming, while Helen Smallwood received the consolation. Four members played scrabble with the prize being awarded to Winnie Riley and Gertrude Matthews who played as partners.

Chacutenah Manor

Our lounge is brightened by the lovely Poinsettia plant given to us at Christmas by Mr. and Mrs. R. Simmermon of Calgary.

Mr. and Mrs. Semple were recent guests with her parents, Mr. and Mrs. Hooper.

Mrs. G. Cosford of Ft. McMurray visited her aunt Mrs. McLean recently.

Guests with Mr. and Mrs. Wm. Guy over the past week were Sandra and Wayne Fleming of Paradise Valley, Mr. and Mrs. R. Copeland and boys of Lethbridge, Mrs. Melda Guy and Mr. Terry Russell, both of Edmonton and Mr. and Mrs. Minchau and girls. Mr. Minchau is presently employed at Pincher Creek and was home for the weekend.

The monthly Birthday and Social Evening held in the Lounge on Wednesday was in the form of a Games Meet, with Mrs. Cockroft and Mr. D. Peverall as hostess and host. Mrs. Cockroft welcomed the gathering which numbered about thirty.

Games of cribbage, scrabble, whist and bridge were enjoyed. Door prizes were drawn for during the evening. Following the games Mrs. E. Prosser gave a humorous monologue which was well explained. Violin music supplied by Mr. E. Ilse with Mrs. W. Guy chording on the piano brought the program to a close.

Lunch was served and Happy Birthday sung to Mrs. Simmermon, Miss M. Smith and to a guest Mrs. Prosser. The birthday cake, baked and decorated by Mrs. Cockroft was cut by Mrs. Simmermon.

Mrs. Darling thanked the manor friends for an enjoyable evening. Mr. and Mrs. Riley and Mrs. McRoberts will convene the February party.

Mr. E. Guy was an Edmonton visitor on Friday of last week.

Kinsella W.I.

The meeting opened with O'Canada and the W.I. Creed. Minutes from the November meeting were read and approved. Mrs. W. Rawiuk reported for the Quilt Committee and gave out quilt blocks with the request that they be handed in at the next meeting.

Jackie Pederson moved that we send $25 to the Viking School Band to be used as they see fit, also to send a note of thanks for the music which all attending the community concert, enjoyed so much.

Correspondence included a letter from the Minburn Vermilion Health Unit, after discussion Mrs. I. Findlay said she would contact the U.C.W. with regard to this matter and report back.

Mrs. B. Davis advised that she had been contacted by Mr. J. Makar requesting two delegates from our group to attend a meeting with regard to a possible "Home Coming" for Kinsella in 1980.

Mrs. Tessman and Mrs. Lancaster attended the meeting.

The District Home Economist is to be invited to our May meeting. A decision was made to obtain films of the A.C.W.W. Conference inKenya as well as slides of the "Hoodless Homestead" for our meeting in July.

Roll Call was answered with 25 cents each to go to the F.W.I.C. project. The birthday draw, for this meeting, was won by our visitor, Mrs. Andersmon.

A good visit was had over lunch served by Mrs. B. Davis and Mrs. W. Rawiuk.

Kinsella Elks

The regular meeting of the Kinsella Elks Lodge was held on January 11 at 8:30 p.m. with 19 members present and 4 officers absent.

A Kinsella and District Homecoming 1980 was discussed. As this is a large undertaking, all community organizations are asked to get involved.

The New Year's Eve dance was discussed and it was decided to sponsor another closed New Year Eve dance in 1979.

Representing Kinsella at the B.P.O.E. District 14 curling held in Hardisty on January 13 and 14 were Cliff Overbo, Wayne King, Jerry Mark, and Bert Smith. Kinsella came out second best in the final grudge match against Wainwright. The Kinsella Senior rink of Geo. Rawiuk, Mike Oracheski, John Clouston, and L.R. White did better in the Senior division by winning first place. They will represent District 14 Seniors at Drayton Valley on February 10

Profile: Dick Mitton

Although Dick Mitton has only lived in Irma for two years, he is well known in the community by both student and parent.

Dick brought his family to Irma in 1977 when he took over as Principal of the elementary, junior high and senior high schools. Previous to this, he had taught at Fort McMurray and been Vice-Principal at Mountainview Senior High school near Calgary. During the four years at Mountainview Dick also worked on and received his Bachelor of Education and finally his Master's Degrees.

But Dick has only lived in Canada a short time, as one can tell by listening to his interesting accent.

He was born in a small country village in England; small meaning a population of about 120. His father farmed and, as Dick puts it, "Mother had her hands full looking after the nine of us." Dick was the middle child of seven children.

He spent his first eighteen years in the small village before heading out to Birmingham to begin training to become a teacher. After three years at the University there, he taught for a couple of years in Birmingham. His last job in England was in London where he was head of the math department.

In 1968 Dick and his wife Jean emigrated to Canada - in particular, to Fort McMurray. The Mittons now have three children - Nicole who is in Grade 1, Julia, and Matthew.

As well as spending a lot of time on school work, meetings and other related activities, Dick also takes part in various community organizations. Time is spent on organizing and planning the Kinsmen newsletter, as Dick is Bulletin Editor. He is also a member of the Masons Lodge in Irma. Just recently, Dick was voted in as President of the Irma and district Chamber of Commerce.

In what spare time he can squeeze in, Dick enjoys working with his hands. He is, in fact, building his own house and hopes that he can do the wiring and plumbing totally by himself. He also likes camping, sports and generally, being outdoors.

By Nancy Keith

Irma News and Views

Joyce Teer has gone to Nanaimo, B.C. to be with her sister when she celebrates a birthday. (Her sister, I mean)

After ten days in University Hospital taking tests and X-rays, Bob Dempsey got home on Saturday morning and was busy all day on Saturday taking care of some necessary chores. On Saturday evening, Bert and Mary Armitage and Minnie and Jim Jackson spent the evening with Bob and Mary. On Sunday forenoon daughter Maureen Currie drove Bob to the University Hospital where he expected to have surgery the next day.

Bob reported having visited L.L. Guilner in the hospital where he had undergone surgery and was able to be up, and was improving rapidly.

George and Muriel Jackson from Sedgewick visited with Minnie and Jim on Friday. Minnie and Jim took their visitors to the "drop-in" where they met the members who were present and also enjoyed shuffleboard, pool and socializing.

The weather during the past five or six days has been really mild. Many people have taken advantage of the improved weather to get out and do some visiting. The lengthening days, with daylight until 5 p.m. also helps.

Starting on Thursday, Jan. 18th, Minnie Jackson began giving lessons in basic knitting, commencing at 7 p.m. Classes run til 9 p.m. In three weeks time the classes will be for advanced knitting. Those interested in taking knitting lessons are advised to contact Eunice Gulbraa. Classes are held in the Jackson home.

We have learned that Joe Harding of Sedgewick is again taking treatment in Daysland hospital, but are glad to hear that he is responding to treatment and is much improved.

Edith Wilson, Edith Gunn and Phyllis Craig left by bus on Wednesday morning to attend a W.I. workshop in Edmonton, to return on Thursday evening.

Allie and Dorothy Bacon also went to Edmonton on the bus on Wednesday. Allie returned that evening, but Dorothy stayed in the city for a few days.

Irma Figure Skating Report

The first meeting of the Irma Figure Skating Club was held on October 26, 1978. It was decided that the club would operate with directors, each to act in the president's capacity. Our directors are Jean Smith, Nina Kellar, Linda Minchau and Beverly Copeland. Carol Creasy was elected secretary and Stella Glasgow treasurer. Fees were set: Preschool and learn to skate - $10; Juniors - $15; Seniors - $25; and Family $40, family rate not including seniors. Instructors for this term are Dee White, Heather Bacso, Faye Liew, Jeannie King and Gail Orscheski. Parent registration was held on November 10.

The second meeting was held November 24, 1978. A schedule for parent supervision during figure skating lessons has been drawn up. It is the responsibility of each parent to make herself aware of her time and if unable to attend make arrangements accordingly. The time schedule is posted in the arena. A theme committee for our ice show was chosen: Marion Fisher, Jean Mitton, Janet Inkster and Darlene Lovig. Evelyn Larson and Solveig Rassok volunteered to serve as the queen committee.

The third meeting was held on December 20th. The theme committee reported that a space theme had been chosen - possibly Cosmic Fantasy.

Ice Carnical Costume committees were chosen: Preschool - Audry Inkin, Ruth Jamison, Lynda Jones; Juniors-Maureen Currie, Linda Minchau; Seniors - Nina Kellar, Aletha Tomlinson; Music Committee - Bev Copeland, Della Nilson and Sonja Skori.

The fourth meeting was held on January 16, 1979.

It was explained by our secretary, Carol Creasy, of the changes in raffle lottery regulations. If tickets are sold for different prices, that is, 50c a tickets or 3 for $1.00, they must be color-coded. Twenty percent of the gross revenue based on tickets printed must be paid out in prizes. It was then decided we have 4500 tickets printed and sell them 3 for $1.00. The queen candidates chosen are Darlene Lockhart, Lori Prior and Beverly Bell. Door prizes were set at $100 and $50.

Heather, Jeannie and Fail will be having a test day on February 2nd.

The next meeting will be held on January 30, 1979 at 7:00 p.m. at the Arena. The Ice Show will be the main item on the agenda and it is hoped that all parents will endeavor to attend. It takes a lot of work to put an ice show together and we are counting on your support.

Irma O.O.R.P.

The Irma Order of the Royal Purple held their regular meeting on Tuesday, January 16th., with H.R.L. Correen Larson in the chair. There were twenty-seven members answering the roll call with four officers absent.

The committees were reminded to complete their arrangements for visitations to Chacutenah Manor, Vialta and Battle River Lodges.

Correspondence consisted of a New Year's letter from Supreme Secretary-Treasurer as well as mention of Convention dates.

The C.N.I.B. sent us a letter thanking us for our canvas and telling us of the work they are carrying on with the donations.

We also had greetings from an out of town member, Irene Drewicki.

Weather and roads permitting, some members hope to accept Chauvin's invitation to attend their regular meeting on February 13th. at 8:00 p.m.

We plan to hold our St. Patrick's Tea, Bake Sale and Raffle on Saturday, March 17th in the Legion Hall

We decided to invite several lodges to our next regular meeting.

"Happy Birthday" greetings were sung to Louisa Prosser, Cynthia Ballentine and Sherrilee Fischer.

An enjoyable lunch was served by our hostesses and a pleasant half-hour was spent over the tea cups. Doreas Coffin Irma O.O.R.P.

Holden and District News

Hockey in Holden on January 18, resulted in the Holden Beavers defeating the Smoky Lake team by a score of 8 to 4. On January 20, Holden Beavers lost to the Lamont Nuggets by a score of 1 to 4.

Twenty ladies, the maximum class limit have registered for Ladies Do You Know Your Car. The classes began on January 24 with instructor John Tiedemann.

Mr. George Scraba senior citizen of Holden, donated a large and very beautiful clock to the Holden Senior Citizen's Dropp-In Centre. Mr. Scraba stated that he looked around the centre and noticed many donated articles but there was no clock.

The Community Choir meeting at Holden each Monday will take a break until March 5. At the last meeting on January 15, members of the choir decided that they would be willing to meet in other communities from Viking to Tofield.

If any of these communities have choirs or some people who are interested in singing and want us to join them please attend our next choir practice on Monday, March 5 at 7:30 p.m. in the United Church at Holden.

At present we are looking for some Alto singers but any newcomers are welcome to attend. Hope to see you on March 5th.

Anna Shavchook

Work Experience

Work Experience taken through the Holden School is a five credit course available for most students in high school, but cannot exceed more than ten credits.

Mr. Ness, guidance counsellor for the County of Beaver, arranges several work stations in each area. Most of the businesses in Holden are involved in this program. They provide a variety of activities that concern the operation of their business.

Students then learn more about how private enterprises are developed and operated. Employees are usually willing to help student workers with problems about the work or about business relations.

Work experience is a real job because you earn credits just as you would normally earn a salary. For many students this is an enjoyable way to earn their high school diploma.

Bruce News

Joan Bablitz left last week for a two-week holiday to Cuba.

Agricultural Society president Stewart McMullen and secretary-treasurer Mrs. Mary Hammermaster attended a two day workshop in Vegreville. They expected the information received at these sessions will be useful as they carry out their duties in this organization.

Mr. B.B. Starkey is spending a few days in Cawston, B.C. visiting his son Brian, daughter-in-law Jill and grandson Jackson.

Bud Starky left for Waterloo, Iowa on Monday morning. He will be on a special tour as guest of the John Deere Company.

Dwyer Elected

On January 10, 1979 the Bruce Senior Citizens met at the Drop-in Centre for the annual meeting. Tom Dwyer was elected president, Ivor Borass - vice-president and Donna McKinney secretary-treasurer. Social conveners for 1979 are Vivian Benson and Ruth Dwyer.

It was decided to hold card parties on Wednesday nights. The first card party was held on January 17. Top prizes were won by Vi McCracken and Bud Hammermaster. Consolation prizes went to Ruth Dwyer and Ed McKinney.

Recreation Report By Colleen Walker

At a time when annual meetings are happening here and there, the following are some hints on the "annual report".

THE ANNUAL REPORT

Active accountability (letting people know what you've been up to) is the cornerstone of public understanding and acceptance of your group. A well-designed, easy-to-read annual report is one of the best ways to do this.

Groups who don't see their annual report as important usually prepare reams of mimeographed pages, written so only a few insiders are able to read them.

Here are some guidelines to preparing an effective annual report.

1. Form an annual report task force at least four weeks before the report must be finished, to allow for delays.

2. This task force should consist of one policy-level person, e.g. a board member; one senior staff person (if you have staff); one person professionally involved in the communications field, particularly the print medium; one person who has solid connections with writers, designers and printers in the community, such as advertising executives.

3. Collect a number of corporate and nonprofit annual reports to get an idea of the content, design, etc.

4. Decide on the content, theme, and organization. Write the report.

5. Use figures to back up program descriptions wherever possible. Use graphs, and diagrams too. Photographs are particularly effective in making your report appealing.

6. Present an annual report in synopsis form only if the main report is long or complicated. State where the readers can locate the full report and encourage them to do so.

7. If possible, always take photographs of your program events throughout the year.

8. Keep the text of your report crisp. Do not be afraid of being constructively outspoken - it usually keeps the readers attention and communicates more. Remember - jargon, complicated phrases cliches and long words are no-no's!

SENIOR CITIZENS

"Let's Do It Again - Dance All Night" Wednesday, February 7th, 1979 at 7:30 p.m. is the evening planned for the County of Beaver to dance all night. The evening will be hosted by the Viking Senior Citizen's and will be held at the Viking Community Hall. Tickets are $2.50 which includes admission, bus ride and lunch. Tickets are available through your local senior citizen club:

Tofield	Mr. Herb McAdoo
Ryley	Mr. Alf Anderson
Holden	Mrs. O. Hurum
Bruce	Mrs. Lillian Teske
Viking	Mrs. Kay Dorward
Kinsella	Mr. Casmer Garvie

MUSIC LESSONS
HOLDEN AND RYLEY

Are you interested in taking lessons on one of the following instruments; clarinet, saxophone, trumpet, flute, trombone, french horn, guitar, baritone horn and tuba. If enough people are interested we have an instructor within the County and we would like to organize some lessons. Lessons would be sixteen weeks long (February - May) for half-hour lessons weekly. Lesson rates would be $12.00 per person for group lessons (we need at least four people to make up a group and not more than ten persons). Private lessons would be available at $20.00 per month for weekly half-hour lessons.

Students would be responsible for their own instruments. Rentals can be arranged at reasonable rates. All students must be at least Grade 4 and up.

If you are interested in these lessons, we want to know. Please call Caolleen at 663-3629

Cadets Compete

This past weekend found the Sea Cadets from R.C.S.C.C. Nootka travelling to Wainwright for a competitive sports weekend. The cadets participated in Volleyball, Basketball running and range events, against cadet teams from Wainwright, Rocky Mountain House Drumheller, Sherwood Park and Lloydminster.

Cadet Jack Ducharme won a trophy for top points in the shooting event. All those attending and participating in the events enjoyed themselves.

Ryley Hosts Bonspiel

The Annual Ryley Farmer's Bonspiel sponsored by the local curling club was held over the past weekend. The following are the winning teams in the three events.

First Event
1. E. Dorin
2. C. Magnesen
3. B. Strilchuk
4. Wyllie

Second Event
1. F. Strilchuk
2. D. Wagner
3. C. Sears
4. R. Bratrud

Third Event
1. W. Holowachuk
2. H. Shyba
3. E. Strilchuk
4. A. Gaubalt

The bonspiel was rounded off with the enjoyment of a dance on Saturday night with music supplied by Knight Life. The Ryley Curling Club would like to thank all those who once again made this bonspiel a success.

Parkland Nursing Home News

A big hello and get well wishes to Mrs. Block who is a patient in the Viking Hospital.

Mildred Dunlop visited with her mother Mrs. Swanson last Monday.

Ellen Izzard of Vegreville called on her Grandmother, Mrs. Gustafson Monday last.

Mr. and Mrs. Claude May had a nice visit with their uncle Mr. Elmquist last week.

Ben and Vic Pasnak called on Mrs. Pasnak last Tuesday.

Thelma Lawe and Honey Curtis visited with Barb Bleser and Charlie Auburn.

Pete and Ross Ward were in to see Mrs. Ward.

George Ford of Irma visited with Ken Carter.

Sofie Benson and Iaga Thengs visited with their aunt, Clara Swanson on Friday.

Ann and Nick Tkaczyk called on Mrs. Tchir on Sunday1.

Sunday saw many visitors here. Pete and Ross Ward, and Mark Teed called on Mrs. Ward. Elizabeth and Clarsey Horisek visited with Victoria Gabriel and Mrs. Cartwright.

Greetings to Mr. Swanson who is a patient in the hospital.

Mrs. Hutchinson, Mrs. Block and Mr. Tennant have returned home from the hospital.

Mrs. Laube called on her husband Adolf.

Emily and John Tkaczyk visited with Mom Pasnak.

Calling on Mrs. Kawaliiak were Joe and Kay Kawaliiak of Holden.

Mrs. Gustafson had many visitors during the week. They includeo: Ellen Izzard, Fern Gardiner, Gertrude Mallard, Beulah Danielson and Bud and Cheryl.

Mrs. Haeberle spent Sunday afternoon with her son Ross and his family.

Mrs. Ward was visited by Pete and Ross Ward and Ida Nord all from Ryley.

Zerah Candlish of Daysland was in to visit her mother, Mrs. Clegg.

Mrs. Giesler enjoyed a visit with Mr. and Mrs. Henry Steinwand and Wallace and Doreen Myers.

Sid and Jean Brooke called on Mr. Kelly and other friends.

Ann and Armand Cartwright of Edmonton visited with Armand's mother, Dora Cartwright.

Anne Galenza from Camrose was in to visit with Pearl Kawaliiak.

A big welcome to our new resident, Mrs. Lundberg. We all hope her stay in Viking is very enjoyable.

The Adult Educator

What makes an adult educator effective at the community level?

What makes one community program exciting, successful, and noteworthy while another, equally well-intentioned, program is a dismal failure, or worse, destructive in nature?

Lakeland College has planned a one-day workshop, February 23, to help answer these questions.

Under the direction of Dr. Roger Hiemstra, this community Development Course, "The Adult Educator and The Community" will teach techniques, methods, and knowledge necessary to perform effectively in the community.

The results can be surprising, intriguing, powerful and immediately adaptable for use by adult education practitioners working at the community level.

Roger Hiemstra heads adult and extension education at Iowa State University. Several years ago he became concerned with the distressing things being done in the name of community education.

Many educators and non-educators were beginning to go after the consumer "dollar" at the community level. Principles of adult education were not being applied to programming for adults in communities.

Imaginative, creative, humorous, and personable, Dr. Hiemstra conducts the most action-packed program on community study techniques available. This workshop is a "must" for all adult and community education practitioners.

Join us at Lakeland College's Vermilion Campus on February 23 at 8:30 a.m. for Dr. Hiemstra's presentation. Tuition fee is $5.00. Pre-registration is essential. Contact your nearest regional office to register.

It will be of particular interest to municipal government officers, social workers, district agriculturists, district home economists, school trustees and superintendents, planners, and parks and recreation specialists.

Pioneer Portrait

by Carol Maxwell

Adina Hammer - Gilbert Boraas

Gilbert Boraas and Adina Hammer are two of the three surviving members of one of the earliest homesteading families of the Viking district. Carl Boraas brought his wife and then eight children north from South Dakota and settled north of the present day town. Two more children, one of them Adina, were born in the log house which he built.

A sod chicken house was also one of the early construction projects but Carl, being a carpenter, soon built a house and other buildings of which a granary has survived the years.

One of the tales told many times in the Boraas family is that of the three little sisters who set out by horse and buggy to bring home the cows. With no fences to guide the youngsters, they became lost and a search by family and neighbors failed to find them by nightfall.

The next day they were eventually found; they had unhitched the horse and slept under the buggy. Although a harrowing experience for the family at the time, Adina regrets having been too young to have been a part of the adventure.

The Boraas children attended school at Lake Thomas. Walking in winter guaranteed frozen lunches which remained so in the unheated cloakroom. Sandwiches were thawed at noon on the pot-bellied stove which was the sole source of heat.

With the death of Mrs. Boraas in 1909, the eldest sister, only a young teenager, took over the household duties. These included supplementing the food supply by shooting ducks and rabbits. All the children aided in carrying water from nearby sloughs which had to be boiled before drinking.

The severe winter of '06-07 remains an unpleasant memory for Gilbert. The Boraases raised quite a number of cattle, but lost comparatively few to the large numbers that succumbed to the cold.

As with all early prairie people, fires were a constant threat and everyone did their part. Girls drove the buggy with barrels of water to dip the sacks in for the boys and men to beat the flames.

Except for one winter of working out, Adina stayed home until her marriage. For that job, which included in- and outdoor work, she received $10 per month.

The Boraas' moved in 1918 to farmland east of Viking, and Gilbert remained there until he was left alone following the death of his father and two brothers. The farm was then sold, and he worked about the community. One job he had was herding sheep for a neighborhood farmer for 50c per day.

Adina has worked at various jobs in Viking. Many will recall the general store she operated for a time on the site of the present Civic building.

More historical tales of the Boraas family's early days can be found in the books that have been published on local history, and at present, there is a family history being compiled by the branch of the family that stayed in the United States.

Viking Fair Committee

As the days lengthen and the month of January rapidly comes to a close, one's thoughts turn to the new growing season which lies ahead of us with all its promise and glory. For though the land rests throughout the winter, not so the avid farmer and gardner who is continuously planning for the next year. An abundant supply of fertilizer is already stored away and seed grains are being purchased and cleaned for the busy season ahead. With the arrival of seed catalogues the "green thumbs" are feverishly picking out new flower and vegetables varieties. And even before the seeds are planted we all envision the bountiful harvest which surely will be ours in 1979, for due to fall rains there is plenty of submoisture and an abundance of hoar frost this January must surely indicate rain for our "heading" crops next July.

So too then, the Viking Fair Committee never rests for long and plans are getting underway already for this year's fair. But, we need help from every interested individual in Viking and surrounding districts. People who are willing to give of their time to plan, to try new ideas and improve on the old ones to make Viking Fair a meaningful and rewarding experience for us all.

Agriculture is the main industry in our country. It is the very life-line that binds our rural and urban neighbors together...each interdependent on the other. This too, makes our Agricultural Fair not only a project of the rural people but the towns people as well. It is a community effort to promote our main industry and to raise money to be used for our recreational facilities, which town and country share the responsibilities for. But, not only should the fair be a promotional and profitable venture but a learning and creative experience as well. The fair is a family event with activities for every age, every occupation and every interest taking part in the planning of the fair.

Let's have a good cross-section of our community present at the organizational meeting of the 1979 Viking Fair Committee on Wednesday, January 31, at 8:00 p.m. in the Viking Community Hall.

Vialta Lodge News

We are pleased to have Mr. Gibson home from the hospital. Mr. and Mrs. A. Gibson visited with him on Thursday.

David and Jean Arychuk visited with Dad Gommeringer.

Gwen and Cecil Hooper called on Mrs. Phena Evans.

Lewis and Cora Anderson visited with Walter Nordstrom, Mrs. Elness and Mrs. D'Arcy.

Mr. and Mrs. W. Helgeland and Don of Camrose came to help Mom Reger celebrate her Birthday.

Visiting with Elmer Johnson were Ken and Eleanor Paulgaard of Provost, Mary and Leroy Fenseth of Tofield and Ken and Ann Hudson of Edmonton.

We have for sale at the lodge one older type piano - it may be seen at the lodge. Closed bids are to be sent to Lydia Hanson, Box 369, Civic Building, Viking, before February 7.

The six Cubs pictured above graduated to Scouts on Monday evening. The new Scouts are [left to right] Byron Tiedemann, Dennis Lawes, Calvin Krips, Steven Winter, Bobby Ash and Shaun Clouston. Missing from the photo and also moving up are David Zaraki and Jimmy Walker. Staff Photo

Kindergarten Wants More Support

The Viking Kindergarten met for the first time in 1979 on January 17. After a short business meeting, we went to our guest speaker, Mrs. Karthy Harrison.

Mrs. Harrison headed the building of the Vegreville tire playground. After a very interesting talk, she showed us slides of before the building took place, and after the playground was complete. It takes a lot of planning and work but is well worth the effort.

Enthusiasm was shown by the kindergarten parents, with a fairly decent turn-out of both mothers and fathers....but, we had literally no representation from the rest of the community.

Isn't it obvious to parents of children in the elementary grades what an asset a thing like this would be.

If more people don't help it will have to be dropped and that would be very bad. With this year being the "Year of the Child" a grant to help with expenses. This would help alleviate that problem. So let's make it the year of our children.

When there is another meeting about this, it is hoped more parents will show up. It is not up to a handful of kindergarten parents to built it, when there are a lot of other grades that will benefit more if something like this is built.

The meeting drew to a close with the serving of coffee and a most delicious lunch.

Scouting Activities

The Viking Beavers, Cubs and Scouts will once again be involved in various Ice Stampede competitions during the month of February.

The Flagstaff District Stampede will once again be held in Viking. The date allocated for the event is Sunday, February 25, 1979. It is hoped that five or six teams will be competing in this annual affair.

This year the Viking group will also be participating in the Edmonton Komatik Ice Jamboree on February 3, 1979. Komatiks are Eskimo sleighs and are powered by teams of eight boys on skates. The Viking Komatik sleigh is being built by Ralph Tiedeman and boys.

Echo-Rodino Report

Supper by candlelight seems all the rage now as the neighborhood had another blackout on Monday night.

Several of the neighbor ladies met at Doreen Prosser's home to start lessons on finger spelling. These lessons will enable them to talk to the deaf.

Mr. and Mrs. Bruce Greenwood and Mr. and Mrs. Mike Mackowosky took in a day at the Dayland Auction Mart.

Bruce, Yvonne and Harold Greenwood made a business trip to Camrose. While there, they dropped in for coffee at the Dave Greenwood residence.

Donna Prosser spent the weekend at her parents home. Her course at Vermilion College will take her to Innisfree and Minburn Kindergarten classrooms this week.

It is nice to see Florence Hollar home from the hospital.

Douglas Prosser is home with his grandparents for the week.

Intended for Last Week

Cold weather this week has kept most people home by the firesides. The neighborhood men are the bravest as they took in the Hardisty and Viking hockey games.

Tuesday night there was another Bag Whist at Rodino Hall with six tables of brave card players out trying to do their best to out-play the other fellow just for a chance on getting the best prizes out of their bag. At least these games everyone goes home a winner.

Tom, Maxine and Kelly travelled to Lloydminster for a day to have a peek at Maxine's new granddaughter.

Teddy Hollar made a couple of trips to Edmonton to visit Florence who is still in hospital there.

Mr. and Mrs. Jessie Hollar of Edmonton were weekend visitors to the Brent Hollar home.

Shirley Greenwood of Edmonton spent the weekend at her parent's home.

Viking Wins Bonspiel

The Innisfree curling club held their Annual Farmer's Bonspiel on January 19, 20 and 21 with a total entry of twenty rinks. The 'spiel received good support from out of town teams with four rinks from Viking participating in the event.

Winners of the Grand Challenge Playdown was the Dan Arndt rink from Viking. Second Event winner was the L. Hutchinson team from Ranfurly and Third Event went to the Henry Hafso rink from Viking.

Listed below are the top four rinks in each event:

First Event
1. Dan Arndt
2. D. Stephanik
3. Cam Maxwell
4. Albert Hiba

Second Event
1. L. Hutchinson
2. W. Tarapaski
3. R.R. Nott
4. M. Smith

Third Event
1. Henry Hafso
2. George Sample
3. D. Sydora
4. John Nott

The Universal Poet

Tomorrow, January 25th, is the 220 anniversary of the birth of Robert Burns, the Scottish poet. He was born in Alloway, near the town of Ayr, to a gardner father and a God-fearing mother, to whom "Rabbie" as he is called, was devoted. His education and training was the work of his father, who is to be credited with giving his son a reasonable and sensitive attitude in life.

Robert Burns lived at a revolutionary time in history when events were shaping the future course of the World's Experience. During his life the American War of Independence and the French Revolution took place and many "liberal" ideas were present in men's thinking. The young poet was greatly influenced by these events but basically, Burns' poetry resulted from his own hard, personal experiences as a tenant farmer. England during this time was experiencing the great Christian Revival under the Methodists, John and Charles Wesley, but this did not affect Scotland until after Burns' time.

He was a humitarian, overall his sympathies were for the poor and oppressed and these sympathies extended to all the Creation. He hated cruelty, oppression and arrogance. Above all, he hated hypocriay and pretense. He was "a man of his word" and took the responsibility for his failings in the realm of mortality as it was seen in his day. He knew terrible poverty in his own life.

Burns is generally a popular and well received poet throughout the World. One writer has said, "So close is he to Chinese thought and feeling that the Chinese have suggested that he was of their race! French, Germans, Italians, Austrians, Russians, and Americans have claimed him as their own." All the types of people he describes and writes about in his poems are not exclusive to his time - they are universal and timeless. The people of his day are very much the same as people in 1979.

There is a cutting satire in , "Holy Willie's Prayer" which exposes the hypocriay of the so good, the "unco guid", and self-righteous. The story of "Tam O'Shanter" is superb. Rabbie gave the world great songs like, "A Man's a Man for all that" and the universally popular "Auld Lang Syne"; and possibly one of the greatest love songs, "My love is like a red, red, rose". There is great compassion and pity in those matchless poems, "To a Mouse" and "To a Daisy", and great respect for God and loyalty to "Scotia my dear, my native soil", in "The Cotter's Saturday night".

We believe that Robert Burns is a man for all seasons, a modern poet who in our day speaks as if he were still alive. He would understand us and reveal to us our nature and character and he would have a great faith in man's ability to solve his problems because of his enduring worth and value.

Margaret & Victor Dawson

A Hard Truth By Onesimus

Having described the nature and character of the true man of God, the Psalmist goes on in Psalm 1 to describe the opposite type of person. Last week we saw how the true Christian is like a tree planted by streams of water so that he produces the fruit of the Spirit. He prospers as he heeds and obeys the Word of God. But there is another category of person described in verses 4 to 6 as, "the wicked".

The wicked are like chaff which the wind drives away in the harvesting of the grain; the wicked will not stand in the Judgement; the Lord knows the way of the righteous, the genuinely good, but the way of the wicked will perish.

Throughout the Bible, the word "wicked" is used to describe all those who are openly or secretly opposed to God, His Law and His Gospel of Salvation offered in Jesus Christ. As we saw last week, there is a clear distinction between the righteous and the wicked and there is no "is-between" condition - people are either the one or the other in the Sight of God. Psalm 1 clearly teaches that.

Some people reading these words may be shocked by or angered at such a description. Well, the Bible is clear about the human condition whether we like it or not. In Ephesians Chapter 2, there is a grand and clear description, matching Psalm 1!Generally, it says that man by nature is "dead through trespasses and sins" and therefore (by nature) a "child of wrathe, like the rest of mankind". We are born SPIRITUALLY dead although biologically and physically living, and there is a radical cancer in our make-up which fits us for ruin and destruction. This moral "cancer" Ephesians describes as man living in, "the passions of the flesh, following the desires of body and mind" (2 verse 3). This state of mind and body is hostile to God and fit for His Condemnation. But, read on!

The Lord Jesus Christ came into the world to save people in this dreadful condition. The name "Jesus" means "Savior". He was baptised to identify Himself with sinful man. He was tempted just as we are, yet He Himself was sinless. He said, "Repent, for the Kingdom of Heaven is here", meaning He was present, and He also said, "Unless you repent you will perish" (Luke 13 verse 3).

John 3, verse 16 records the Words of Jesus; "For God so loved the world that He sent His Only begotten Son, so that those who believe in Him should not perish, but have everlasting life". This puts it completely and to the point. "The Lord knows the way of the righteous (who are so, through faith in His Son, The Savior), but the way of the wicked shall perish". By this Biblical test we know where we stand in the Presence of God. Let us make sure where we are in this life, and in doing so, we can be sure of His Promise that, "all who come to Me (Jesus) I will not turn away" (John 6 Verse 37). That is very encouraging.

Weekly Inspirational Corner

We know that we have passed from death unto life, because we love the brethren.

He that loveth not his brother abideth in death. Whosoever hateth his brother is a murderer: and ye know that no murderer hath eternal life abiding in him.

Hereby perceive we the love of God, because He laid down His life for us: and we ought to lay down our lives for the brethren.

But who so hath this world's good and seeth his brother have need, and shutteth up his bowels of compassion from him, how dwelleth the love of God in him?

My little children, let us not love in word, neither in tongue, but in deed and in truth.

Gas Kings Win Three More

On Wednesday, January 17, the Viking Gas Kings had the Hughendon Jets visit them The game was delayed in starting, due to some members of the Hughendon team experiencing car trouble and arriving late with the equipment.

Hughendon did not have their full line up and the Gas Kings ended the game with an eight to two victory. There were only four penalties called in the whole game with Viking getting two minors and a major and Hughendon getting one minor.

On Saturday, January 20, the Gas Kings had the Killam Indians for a home game and walked away with a 14 - 0 victory. Leading scorers for the game were Doug Palmarchuk with 4 goals and 2 assists. Jim Laskosky with 3 goals and two assists and Ron Naslund with 3 goals and 1 assist. Adding singles were Ray Rattray, Blaire Quinton, Gordon Rattray and Lee Laskosky.

On Monday, January 22 , the Gas Kings travelled to Lougheed. The Road Runners opened up the scoring at 8:18 of the first period when Randy Johnson scored unassisted.

Martin Laskosky answered for the Gas Kings at 12:20 unassisted and Alan Probst moved Lougheed ahead again just 30 seconds later with Dean Armstrong and Randy Johnson getting assists. At 17:10 Doug Palmarchuk tied up the score. From then on the Gas Kings got together and scored 14 more goals. Blaire Quinton lead the scoring with a hat trick, Doug Palmarchuk, Jim Laskosky, Gordon Rattray, Neil Fitzmaurice and Ron Naslund with two and singles going to Martin Laskosky, Ray Rattray, Kirk McInroy and Mark Wenp.

The next Gas King game will be in Irma on Wednesday night.

High School Basketball

The Vixens started the county basketball season off with a good number of victories, winning three out of three games.

Playing the Ryley High School Basketball team on the 17th of January, the Vixens showed their fans how to fight for what they want, as they blasted Ryley 34-12.

Scorers were Karen Overbo with 10 points, Jenny Anderson with 6 points, Darlene Laskosky and Cheryl Giroux with 5 points each and Karen Barber, and Debbie Sloboda with 4 points each.

The Viking Norsemen basketball team played against the Ryley boys team on the 17th of January. They put up quite a battle but came out on the losing end of the score with the game going to Ryley at 34-15.

David Chilibeck led the team scoring with 6 points, Reg Tiederman following with 5 points and John Marchinkoski and Glen McGinitie with 2 points.

Midgets Lose in Finals of "B" Side at Marwayne

On Saturday, January 20, the Viking Midgets travelled to Marwayne to take part in an 8 team two day tournament. Their first game had them play against the Lloydminster "A" team and this turned out to be very good opposition for the boys. The first period saw Lloydminster score two goals to pull ahead for most of the period. With only 16 seconds left in the period, Ronald Sutter scored to close the gap to 2-1, Allan Evans assisted. The second period was the opposite to the first as Viking outscored Lloydminster 2 goals to 1. Ronald Sutter scored again with Evans and Sutter assisting, then Kenny Lefsrud scored with Richard Sutter assisting. The third period had the Viking boys pull ahead of Lloydminster with goals by Allan Evans, Scott Taylor and Kenny Lefsrud. Lloydminster tallied once giving Viking a 2 goal edge. This wasn't to be held long, because with Viking shorthanded for 4 minutes, Lloydminster scored 3 quick goals to give them a 7 to 6 edge in the score. It wasn't until the 4:49 mark that Ronald Sutter scored to even the game at 7 to 7. Allan Evans assisted on the goal.

With the score at 7 to 7, when the final buzzer sounded, both goaltenders were removed and each team went with 6 attakcers. The overtime was only 1½ minutes old when Lloydminster was awarded a questionable penalty shot. This proved costly for the Viking boys as Lloydminster scored, winning the game 8 to 7.

Viking's second game that afternoon turned out to be a penalty filled game. This game took place against Lloyminster's second team and had they played hockey the way it should be played, the game could have been a good one. As it was, they spent most of the game in the penalty box for various foolish infractions.

Viking built up a 3 goal lead in the first operiod and then they just skated around trying to protect themselves from the sticks and elbows. Allan Evans, Kirk Maxwell and Richard Sutter scored for Viking with Taylor and Graham drawing assists.

The second period was scoreless even though the boys had 7 powerplay opportunities, but they just couldn't put the puck in the net. Good playing by the Lloydminster goalie kept the boys off the score sheet.

The third period had the boys score two unanswered goals to give Viking a 8-0 lead, a lead which they held right to the final buzzer. Raymond Thengs and Richard Sutter scored for Viking. Sutter and Evans assisted. Scott Brower played well throughout the whole game and was chosen the game's first star. This victory put Viking in the final of the "B" side of the tournament.

On Sunday, the final game had the boys against the St. Paul midgets in what turned out to be a very good game. St. Paul scored first and they held the one goal lead at the end of the period.

The second period had St. Paul score two more goals before Viking got on the score board. Allan Evans scored with both Sutters assisting. The third period was wide open hockey and this type of hockey provided for 6 goals. Of the 6 goals, Viking got four of them which evened the score at 5 to 5. For Viking it was Richard Sutter with a pair, Scott Taylor and Ronald Sutter adding singles. Assists went to Evans, Maxwell and Darling. This game, like the first one, ended in a tie at the end of regulation time. Again, both teams pulled their goaltenders and went with 6 attackers.

Viking was to be done in again as St. Paul scored into the open net giving them the victory. With his two goals and two assists, Richard Sutter was chosen the star of the Viking team.

Those two overtime losses were tough to take, but the boys have to be proud of their showing against teams of a higher category. The boys would like to thank the parents who travelled with them and offered their support, and also to the Marwayne Chamber of Commerce who provided a great supper for all the players. They hope to see this support continue at their first two-day 8 team tournament which will be held on February 3 and 4.

Mites Defeat Innisfree

On Saturday, January 20, the Viking Mites travelled to Innisfree for an exhibition game.

Although the absence of goalie Kenny Zemanek caused some confusion, Stephen Winter donned the goalie equipment and made his debut in net. In a hard fought battle, Viking came out on the winning end with a score of 7 to 5 over the Innisfree team.

Goals and assists for Viking were as follows: Cory Siermachesky 3 goals, Cory Clouston 2 goals, Jason Place 1 goal - 2 assists, Doug Taylor 1 assist and Greg Thengs 1 assist.

Scoring for Innisfree was handled by Ray Horne who accounted for all five goals with one assist going to Kevin Kassian.

Midgets Schedule Tournament

The Viking Midgets hockey team will be holding an eight team, two day hockey tournament on February 3 and 4. Invitations have been sent to teams in northern Alberta and some confirmations have been received.

Two BB Midget teams from Edmonton are scheduled to participate, along with teams from Marwayne, Wetaskiwin, Camrose, Provost and Lloydminster. One of the Edmonton teams expected to attend has just returned from a series of exhibition games in Europe.

The two-day affair will consist of ten games, with six games being played on Saturday and four games being held on Sunday. Each team is guaranteed two games, with three consecutive victories needed to win the championship.

The opening contest is scheduled for 9 a.m. Saturday. First round games will have the first period as straight time and the second and third periods will be stop-time. The tournament will have an A (winners) and a B (losers) side, with the final game of the B event going at 4 p.m. on Sunday and the A final at 6:30 p.m. Sunday.

The teams are fully expected to provide exciting hockey games. For fine entertainment, attend the two-day Midget Hockey Tournament on Saturday and Sunday, February 3 and 4.

Mannville Wins Viking Tournament

The yearly Tom Thumb Tournament hosted by the Viking team was held on Saturday January 20.

Games got underway at noon with Viking on the ice against the Irma team. This wac a very exciting game that could have gone either way. It wasn't until late in the third period that Viking put on the pressure and scored a few quick goals to win the opening game by a score of 6 to 1.

Scoring for Viking was handled by Darren Wadley 2g; Tammy Maxwell 2g-1a; Corey Biddlecomb 1g; Jason Clouston 1g and Robin Naslund 2a.

Mannville and Innisfree met in the second game which found Mannville taking the game by a score of 4 - 0. Handling the scoring for Mannville was Yonker with three Christenson one.

The third game matched the losers of the first two games against one another. This was an exciting, well balanced game that resulted in approximately 12 tense minutes of overtime. Finally after much effort by both teams the Innisfree team broke out of the tangle of sticks and players to score the tie breaker.

Competing in the A Final at 6:00 p.m. were the home town team and Mannville. Mannville opened the scoring in the first period with a break away goal by Yonker. Mannville then added another one in much the same style to end the first period with a 2 to 1 lead over Viking.

Viking fought back in the second period to come within one goal of their opponents. Cory Weichnik banged in a break away rebound by Jason Clouston.

Although Viking worked hard in the third period and put the pressure on during the final 5 to 10 minutes they were unable to get the equalizer. Mannville won a clean hard fought game which secured the Tournament Trophy.

On behalf of the Viking Tom Thumb team, Diann Clouston vice-president of Minor Hockey presented the B Section trophy to the Innisfree team and the A Section Trophy to Mannville. Gerard Wadley thanked the teams, their coaches and the parents and fans for providing an enjoyable afternoon and a successful tournament.

Pee Wee Team Defeats Camrose

Viking's Pee Wee Provincial "C" team hosted the Camrose team at the Arena on Sunday afternoon, January 21.

The teams began play at 1:00 p.m. with Camrose securing the opening goal in the first few minutes of play. Before the Viking boys had found sure footing, Camrose fired another one into their net.

Viking reacted quickly and by the end of the period the score was 4 to 2 in favor of the home team.

During the second period the Camrose team felt the pressure of being out played, short of players and out scored and kept the referees busy with unnecessary trips to the penalty box. Viking held Camrose at their two goals, while scoring another six to end the second period with a score of 10 to 2.

In the third period Viking scored twice to end the score on an even dozen. Camrose, unable to take command, remained at two.

Securing Viking's win were the following:
Hoffman 4g-1a; Wincmura 2g-2a
Antos 2g-2a; Hanson 3g-2a;
Lawes 1g-3a; Majeski 3a;
Clouston 3a; and Voltner 1a

Costing of Sewer and Water Approved

At a meeting in the Kinsella Community Hall on Monday night, Councillor Hjordis Armitage and M.L.A. Tom Lysons fielded questions about water and sewer for Kinsella from about 30 concerned residents.

Most of the questions revolved around the cost of a sewer and water system for the hamlet and to the property owner. Chairman, Ken Johnson pointed out that the petition which had succeeded was necessary to have an exact cost figure determined. This has not been completed as the County Council must first approve water and sewer for Kinsella and the Council has not met since the second petition was successful.

Councillor Hjordis Armitage explained that after the first petition on sewer and water had not been successful, the County learned, through working on sewer and water for Bruce, that a federal grant for sewer was available this year. About two weeks ago she met with property owners and relayed this information. From that meeting, the legal petition for sewer and water was circulated and this time was successful.

Mrs. Armitage stated that the County has already applied for the federal grant as it is given on a first-come, first-served basis. She also noted that if the grant is approved, construction must begin within the first six months. The councillor did point out that the County Council must first approve sewer and water for Kinsella and that this matter should be dealt with at the February meeting.

Mrs. Armitage said that Cambrian Engineering had been hired to determine the costs of sewer and water in Bruce and that they will presumably do the same for Kinsella. She stated that when these cost figures have been determined, a meeting will be called and the residents can then determine whether or not they wish to proceed with the sewer and water construction.

A major concern raised by several people in attendance, was the possible inability of senior citizens to pay for their sewer and water. It was suggested that more money be available to these people to assist them in this cost.

M.L.A. Tom Lysons said that $1,000 was available to senior citizens for the installation of sewer and water. He also stated that there will be considerable grants for sewer and water. He also stated that there will be considerable grants for sewer and water, but that he was not sure of the amounts. Mr. Lysons said that assistance to areas such as Kinsella had been talked about, and that he now had a concrete example to take to his colleagues in discussion.

Mr. Lysons stated that he would find out the type of assistance available to the community and if more types of assistance could be made available. He said that he would work with Mrs. Armitage on the problem.

The meeting concluded with Chairman, Ken Johnson calling for a show of appreciation to Mr. Lysons and Mrs. Armitage for attending the meeting. He also thanked the ladies who prepared lunch for the meeting.

At a meeting concerning sewer and water for Kinsella held on Monday evening, the head table consisted of (l to r) Marie Greer, recording secretary, Chairman Ken Johnson, M.L.A. Tom Lysons and Councillor Hjordis Armitage. Staff Photo

Veterinary Plan Proposed for Area

At an evening meeting held in the Viking Carena Youth Centre, Veterinarian Dr. Albert Bildfell presented a proposed prepaid veterinary services plan for Alberta. V.S.I. (Veterinary Services Incorporated) is a plan designed to pay the major part of a producer's veterinary bills.

Dr. Bildfell, who is with the Vegreville Veterinary Clinic, and representative of the Alberta Veterinarian Assoc., stated that the V.S.I. plan has been in operation in the Peace River area on a county-wide basis since July 1, 1970. He also pointed out that other provinces across Canada already have various forms of veterinary care programs in effect, although some of them are government controlled or operated. Alberta producers feel they would rather see veterinarians operate on a private practice basis.

V.S.I. is owned jointly by the Alberta Veterinary Medical Association and representatives of the users of the plan. It is governed by a board of veterinarians and non veterinarians.

To finance the plan, M.D.'s and I.D.'s that are involved, pay a premium that is based on livestock population and on usage. A suggested fee schedule, not including mileage and medicine was given, whereby the user paid 20% of the fee and the V.S.I. paid 80%.

The amount of 80%, representing V.S.I.'s share of the fee would be paid for, half from provincial government and half from local government. County involvement in the plan represents 40% of the fee and it is wondered how the grain producer will feel about his tax dollars being used to help fund a plan aimed at aiding the cattle producer.

The suggested cost for the County of Beaver, should V.S.I. come into effect, would be approximately 1.3 mills or somewhere in the neighbourhood of $21,000 per year.

The basic idea of V.S.I. seems to be to better the present working conditions and financial status of today's large animal veterinarian and consequently give the producer better service. It would allow for more extensive use of preventative medicines and better control of new diseases as well as allowing for continual upgrading of knowledge concerning new vaccines, drugs, diseases, etc. Hopefully the V.S.I. program would also encourage young veterinarians into the large animal practice which at present is not as economically viable nor are the working conditions near that of the small animal practice.

V.S.I. is designed to serve only the large animal producer and does not cover non-food producing animals such as dogs or horses.

At present there are approximately 4,600,000 head of livestock in Alberta. Albertans produce 1/5th of Canada's livestock and from 30-40% of its red meat.

It was the general feeling of the people present at the meeting that certain changes in the veterinary field were required and that the meeting was in favor of the principles of the V.S.I. proposal. A petition stating these feelings was drawn up and signed to be sent to the Minister of Agriculture. The minister has already been made aware of the V.S.I. plan and is at present supposedly gathering input from farm and cattle producing groups and organizations as to the general feelings of the people.

The meeting concluded with the serving of coffee and doughnuts and a thank you to those in attendance.

Alberta By Teens

The Edmonton Art Gallery and Alberta Education announced an art exhibition for 1979 entitled ALBERTA BY TEENS which will show through pictures how teenagers in Alberta feel towards their province.

Every teenager in Alberta is invited to create a representational or abstract picture in which he or she interprets an Alberta scene or activity, or an area of concern...and enter the picture in ALBERTA BY TEENS.

Commenting on the objectives of the exhibition, John King, Head of the Art Education Department of The Edmonton Art Gallery, said, "Alberta by Teens" is being organized to increase the public awareness of the high quality and diversity of expression in the art of Alberta's young people. It will also give teenagers an opportunity to exhibit their art to a wider audience than is normally available.

Fifty pictures will be selected from all over the province for an exhibition at The Edmonton Art Gallery in July of 1979. Later, twenty of these pictures will be chosen to form a three year travelling art show that will visit all regions of Alberta. The selection committee will be looking for interpretations that are original and creative.

This project is open to all residents of Alberta between the ages of 13 - 19 and is limited to one entry per person. There is no admission fee. Participants can use whatever technique they like: drawing, painting, print-making, collage (photography and sculpture are not included). The size of the work must not exceed 24 inches (56 cm) in length or width. The deadline for submission is Monday, April 2, 1979.

Entry forms are available in all junior and senior high schools and from every Regional Office of the Department of Education.

Professional Development Day to be Held

The County of Beaver Local of the Alberta Teachers Association will be holding its annual Professional Development Day on Friday, February 9th at Tofield.

The Professional Development Committee has invited various professional people to speak and work with the teachers of the County. There will be "Workshops" in Elementary Reading and Secondary Language Arts, conducted by members of "English Commandos" team from Edmonton. These will be on-going throughout the day. Presentations will be given by C. Y. Oh of the University of Alberta Faculty of Education - his topic being "Preparing Instructional Materials with Canadian Content"; Dr. H.L. Janzen of the Faculty of Education - his topic being, "Stress Management"; and Mr. D. Stoker from Alberta Environment - his topic being "Practical Techniques for Local Studies".

During the lunch break the teachers and invited guests will be addressed by Mr. Larry Langley of C.B.C. Radio in Edmonton. He will speak on a topic relating to presentation of news and education.

V.J. Dawson P.D. Chairman

Be Positive, Not Negative

Minor Hockey Week across Canada was held during the week of January 21 to 27. Having just concluded, some interesting points about the attitudes of parents and relatives toward their young hockey players come to mind.

When it comes to any endeavour, whether it be athletics, scholastics, or socializing, some youngsters simply have more basic ability than others. No matter how hard some youngsters try, they will never become a Bobby Orr or an Albert Einstein. But that is no problem. Individual differences amongst human beings is what makes life so valuable. And yet parents and relatives often forget this.

All we can ask from our youngsters is that they try their hardest. Yet parents sit in the stands at hockey games and chastize both their own youngsters and other players for being "no good". We must present a positive attitude to our children for what they can do if they really try. Being negative because they make mistakes or don't have the basic necessary abilities satisfies only the insecurities of the persons doing the criticizing.

A positive attitude will encourage the youngster to try his/her best. But this attitude should not be solely associated with monetary reward. We presently have parents in our communities who "pay" their child for every goal scored, or assist made, or for each "A" achieved on a report card. In athletics, this leads to individualism at its worst, and very often can jeopardize "team effort" in a game.

As well as hurting the team, we also are instilling in our children the attitude that with every accomplishment must come monetary reward. What then of the importance of involvement in community life, not to gain monetary rewards, but to help others? What happens to our minor hockey if coaches would coach only if they were being paid? The questions are innumerable.

Our efforts as parents should be to encourage our children to do the best with what they have, both physically and mentally, and that our only efforts in life should not be directed towards the "almighty buck".

Village of Irma Minutes

Continued from January 10 Issue

Subdivision of Pt. N.E. 28-45-9-W4th. Mr. Norman Minchau was present to outline a proposal on behalf of himself and his father. In his proposal a portion of the land immediately west of 53rd street would be annexed into the village and a second subdivision in the adjacent land would be made. Council advised that the matter would be looked into.

Moved that the Provincial Planning Board be contacted for direction regarding the subdivision of land and land use. Carried.

Moved that the request for annexation Pt. N.E. 28-45-9-W4th be tabled until next meeting. Carried.

Moved that Committee reports be accepted. Carried.

Salaries: Moved that the Foreman be granted a $50.00 per month increment plus a 9% cost of living increase effective January 1, 1979. Carried unanimously.

Moved that no action be taken relating to the Municipal Administrator's salary. Carried.

Moved by Clr. Jackson that in order to qualify for Council, a nominee must live in a property owner. The Municipal Administrator advised that this motion is in conflict with the Municipal Election Act. Council does not have jurisdiction over this matter. Clr. Barber seconded the motion. Carried. Mayor Larson and Clr. Dempsey opposed.

There being no further business before Council, the meeting was declared adjourned. Carried.

Letters to the Editor

Dear Sir:

It is highly time and important to show our appreciation to all those that had a hand in giving aid in anyway, be it work, money, or a word of advice.

It took work and a lot of patience to get it all underway. Once the location and building were decided on, the difficult task of raising money was next. A board of Directors was chosen, and at the first Board of Directors meeting, it was decided to tear down the old building and build a new one (Holden people know what the old store building was like). Donations were started at that very meeting, and those senior citizens present did donate very generously. A drive for donations was decided upon.

This was a very unpleasant task to undertake but our only way out if we wanted to get a Senior Drop-in Building in Holden.

The drive finally got underway and results were very encouraging. A very hearty thank you to all those good people who gave so generously, as without your donations large or small we would have been unable to succeed....not to forget our creditors. After all was decided, work had to be done. April 1978 - the old building went down and plans for the new structure were next. This was not easy, as help was scarce it seemed. If it had not been for one person, "Steve Bilyk", we may not have that new building standing there today. A start is required in any undertaking and that is what was needed. After that, things came along quite well. Thank you for your great support, be it money, labour, encouragement....it all helped, not to forget the ladies for serving coffee and lunch.

I hope you will all enjoy the pleasure and comfort that this building has been erected to provide. We hope donations will still continue coming in as we are still in the "red". Anyone wishing to make a donation may leave it with our Secretary-treasurer, Mrs. O. Hurhum. Thank you all very sincerely. George J. Glebelhaus
President Holden Seniors Club

Village of Holden Council Minutes

Minutes of the regular meeting of the Council of the Village of Holden, held on January 17, 1979

Present were Mayor Shykora, Councillors Dziuk and Lemke and newly elected councillor Stambaugh and secretary-treasurer Mackay. Others: Marjorie Holder, John Podmore.

The returning officer reported that only one nomination had been received on nomination day, on January 10, 1979, resulting in Jack Stambaugh being elected as councillor by acclamation. The newly elected councillor subscribed to the Oath of Office before the Returning Officer, and the signed oath was filed with Oaths of Office taken by previous councillors. Mayor Shykora welcomed Mr. Stambaugh to Village Council and congratulated him on his new position.

The following changes were made in committees: Rural Development and Recreation - Councillor Giebelhaus; Police, Fire, Ambulance, Hall and Village Garage - Councillor Stambaugh. Moved that this change in committees be approved. Carried.

Moved that the minutes of the regular meeting of December 20, 1978 be adopted as printed. Carried

John Podmore, P. Eng., attended the meeting to discuss the preliminary investigation and cost estimates for construction of a new water reservoir. Moved that Podmore Engineering be authorized to proceed with design and tenders on a new water storage system as recommended by John Podmore in his report. Carried.

Correspondence from Alberta Environment re upgrading of the sewage system was read and discussed with John Podmore. Moved that Podmore Engineering be authorized to do a study on expansion of the sewer system. Carried.

The secretary was instructed to write to Podmore Engineering requesting submission of a proposal re development of a servicing master plan for the Village. Public involvment was discussed and it was agreed that the plan should be printed in a newspaper form and distributed to each household after an initial presentation to the Holden and District Chamber of Commerce in March. May 16 was set as a tentative date for the public hearing.

Sale of lots B & C Block 25 was discussed. Moved that the request for purchase of Lots B & C Block 25 be referred to the Village Solicitor for drafting an agreement. Carried.

Moved that the Court of Revision be comprised of any three of the five councillors. Carried.

Moved that the following accounts be turned over to the lawyer for collection; Fred Mackay $30.00; Lysio Motors $191.73; Stockson Holdings $89.25; Henry Keller $174.69; Dale Booth $93.10 and Robert Goodw in $141.00. Carried.

It was reported that the key to the village garage for the ambulance drivers was being removed from its present location. As no alternative was suggested, the location will remain the same.

Moved that the action of the secretary-treasurer in approving the development permit applied for by Alberta Housing be ratified.

Moved that the accouse from Northwestern Utilities be paid if approval was given by the engineer Carried.

Moved that a tax arrears list be filed. Carried.

Moved that council has no objection to Ann Scherger washing the towels and charging users for this.

Moved that a quarter page advertisement be placed in the Holden School Yearbook at a cost of $20.00. Carried.

Moved that an interim payment of the Street improvement grant be applied for. Carried.

The secretary was instructed to the Fire inspectors to see why we have not received an inspection report on the property of the Royal Trust building.

A second letter is to be written to A.D.P. expressing concern about the condition of the creamery building.

A letter is to be written to the Department of Highways and County of Beaver #9 re the untidy appearance of property housing A & A Electric.

1979 Dog licenses must be purchased by dog owners who are to be notified of this.

This meeting adjourned at 11:50 p.m. on a motion.

Viking Recreation Board

A Viking and district Recreation Board meeting was held on January 16, 1979. Vern Haßo called the meeting to order with Robin Bittorf, Phyllis Lefsrud, Jim Jepson, Georgina Nordstrom, Len Josephison and Brenda Wiechnik present. Dennis Watson was in attendance to represent the Viking Kindergarten Assoc. and George Baker from the Regional Recreation Office was there.

The minutes of December 12, 1978 were adopted

In business arising from the minutes: Tennis Program. There has been some response to our item in the newspaper. A volunteer will contact the Arena Management Board as to rent, operation costs, and possible funding for the program. He is also to check the defined size of arena width. The Viking Sports Shop is to be approached re the price of tennis nets and accessories.

It was stated that approval was granted by Town Council to set up a Rec. News stand in the Viking Civic building.

It was checked in the Five Year Master Plan and the Viking Lions Club is not responsible for maintaining the park directly behind Vialta Lodge.

New Business: Mr. Dennis Watson spoke on behalf of the Viking Kindergarten Assoc., who have agreed to be instrumental in improving the Viking Elementary School playground via a tire playground.

It was moved we support the tire playground at the elementary school grounds morally and financially. Carried. A volunteer will report back to our board from the meeting being held January 17 to get the planning of the playground underway.

Correspondence: A letter from Colleen Walker, Beaver Regional Recreation and Parks Dept., informing us that Eileen Hartman is available to teach a music program. Instruction will be through either group lessons or private lessons. This is being advertised in all the newspapers.

A letter from Coleen Walker, Beaver Regional Recreation and Parks Dept., stating that a badminton clinic is being held at Lakeland College in Vermilion on January 20. Also a badminton meeting is being held January 22 at the County Office in Ryley to discuss the annual county-wide tournament and representation at the 1979 Northeastern Alberta Winter Games in Vermilion.

A reply was received from a curling rink questionnaire with information on ownership and operation of curling rinks.

A letter from Regional Recreation with program information and registration forms for the Recreation Board members' Provincial Workshop being held March 1-4 at Peace River.

By-law No. 281 was checked over for the benefit of new members. In accordance with 10(b) of By-law No. 281, we have Robin Bittorf, Ross Brower, and Ken Midbo in their first year, Georgina Nordstrom, Phyllis Lefsrud, and Brenda Wychnik in their second year, and Vern Haßo, Len Josephison and Jim Jepson in their third year.

Election of officers for 1979 then followed. Nominations for chairman were Vern Haßo. Moved that nominations cease. Carried. Vern Haßo was elected chairman by acclamation. Nominations for vice-chairman were Jim Jepson. Moved that nominations cease. Carried. Jim Jepson was elected Vice-Chairman by acclamation. Nominations for secretary-treasurer were Brenda Wiechnik. Moved that nominations cease. Carried. Brenda Wiechnik was elected secretary-treasurer by acclamation.

Volunteers for representation to Regional Recreation meetings were Vern Haßo and substitute Robin Bittorf.

A phone call was received from Shirley Volmer concerning power skating. They are asking for funds to pay the instructors of the Power Skating Program.

The Budget for 1979 was then discussed. Moved that we present the same budget as last year because of the lateness of getting it drawn up last term. Carried.

Discussion then followed on the planning of a new curling-bowling complex. It was decided that we set aside our next regular meeting of February 20 for planning of recreation facilities in Viking.

The meeting adjourned at 10:30 p.m.

Town Planning Discusses Local Issues

Over the past months the Viking Planning Committee has met to identify local issues as the first step in the preparation of the Viking General Municipal Plan. Various viewpoints were derived from the community and business surveys, essays from students in Grades 11 and 12, briefs submitted by the Chamber of Commerce and Viking Recreation Board, committee meetings, and a public meeting held December 11, 1978.

The committee summarised and categorized the issues under 7 main headings. These include: Residential; Commercial; Industrial; Institutional; Parks and Recreation; Transportation and Parking; and Utilities and Town Services.

Regarding Residential, the issues identified were: insufficient multi-family and mobile home areas; not enough rental accommodation; the cost of lots and housing; rehabilitation and redevelopment of older areas; housing mix; incompatible uses in residential zones; public housing schemes; and housing for senior citizens.

With respect to commercial, the main concerns are limited expansion space for retail uses; unsightly businesses on Main Street; mixed commercial activities along Main Street; the need for a restaurant, bakery, clothing store and other key retail establishments; lack of a dealership to handle large machinery parts; and improved visual image of downtown.

Concerning Industrial, the main problems are the lack of industry; the type of industry to attract; and to attract it.

The need for a dentist in a medical facility; the location and need for future school facilities; a day care program and facility; the location and size of a new Post Office; and the location of proposed Government buildings were items identified relating to Institutional.

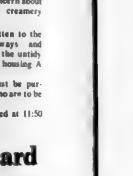
In the matter of Parks and Recreation, the issues at question were the location of a multi-use facility and sports grounds; how to get the maximum use out of existing facilities; the relocation of some present recreation facilities; the limited neighborhood playground space for children; the need for more park and open space; improvement of existing parks; and the community use of the school facility.

With reference to Transportation and Parking, traffic congestion on Main Street; off-street parking in the commercial core; traffic control at major intersections and in the school and hospital zones; and a taxi service were contentious points.

Water storage and quality; front-ending costs and timing for provision of municipal services (water and sewer); streets and street related improvements; fire protection; police protection; and determination of priorities were the issues identified for Utilities and Town Services.

The committee's next step in their planning process is to define the community's ideal situation through the determination of goals and objectives. These goals and objectives will be the basis for formulating alternate strategies for development. The public will have an opportunity to review the various strategies and voice their opinions at a public workshop to be held during the spring.

Queen Candidate



Miss Colleen Ruzicka - Queen Candidate. Colleen is the youngest daughter of Eugene and Margaret Ruzicka of Viking.

She will represent the Viking 4-H Light Horse Club in this year's Camrose Kinsmen Rodeo Queen Contest.

Colleen is 17 years old and in grade eleven at Viking School. She is an active member of the newly formed Viking Light Horse Club and has been extremely fond of horses as far back as she can remember.

Upcoming Barley Growers Functions

The WBGA will be hosting two Producer Transportation and Marketing Seminars early in February to acquaint grain producers with some of the current transportation problems and possible solutions.

The first will be on February 6, 1979 in the Alberta Government Agriculture Building in Fairview and on February 7, 1979, the seminar moves to the curling rink in Westlock.

Both programs commence at 9:30 a.m. and the Alberta Grain Commission film 'West Coast Grain System' will be shown. Other topics covered are Transportation, Prince Rupert, the Canadian Wheat Board, 'Crow' rates and producer cars.

Speakers will include area producers as well as Alberta Government and railway representatives.

All producers are welcome! Come and bring your neighbour for a cup of coffee with us.

In addition to the above two free seminars, the WBGA is planning a series of 'Producer Car Courses' to be held during March 1979. Two previous courses, held in Drumheller and Lacombe during the first week of November 1978, were very well attended and have prompted many requests for similar courses in other areas. Final details as to times and places will be announced later.

The 1979 Western Barley Growers Convention will be held in the Chateau Lacombe, Edmonton, Alta. on Thursday and Friday, March 1 and 2, 1979.

There will be speakers featured from the Canadian and Alberta Governments, the Canadian Wheat Board, the Railways and from both the domestic and export grain trade companies. Presentations and discussions will centre around transportation and handling, marketing, research, etc; of both Malt and Feed Barley.

Vialta Lodge News

Visiting with Mrs. D'Arcy this past week were Ross Grant, Mrs. A.P. Grant, Sylvia Safranka and Greg and Lynn Ruzicka.

Diane and Irene Pasnak and Myren and Irene Pasnak called on Mr. M. Tchir.

Joyce Bryden and Elaine Ferguson called in to visit with Mrs. M. Ferguson.

Visiting Mr. and Mrs. G. Lovesetts was Mrs. R. Thunell of Camrose.

Gordon and Betty Holmes were in to see Mrs. Otto.

Jean Meakins visited Mr. Frank Murray who is now a patient in the Viking Hospital. We all send our get well wishes.

We extend our sincere sympathy to the family of Mrs. J. Mattinson at this time of her passing. Mrs. Mattinson made her home at the Lodge for many years.

The piano for sale at Vialta is a Heintzman. Bids to be in before February 7th.

Ryley and District News

On February 4th, the Ryley Legion is hosting the Legion Zone Curling Playdowns. Five rinks will be competing in this event. They will represent Ryley, Tofield and Edgerton.

Guests at a recent Ryley Lion's Club meeting were District Govenor Murray Corlett from Lamont, Zone Chairman, the Deputy District Govenor and members from the Cooking Lake Lions Club.

Last weekend, Mr. and Mrs. Reg Dyer, Mr. and Mrs. Al Burton and Mr. and Mrs. Bob Rekos travelled to Red Deer to attend the Multiple District Lions Convention which was the largest Mid-Winter Conference in Multiple District 27. In attendance was International President, Mr. Lynam who spoke to those present. Everyone enjoyed themselves.

The Ryley School Staff and Students wish to recognize a very special person who will be leaving their midst. On February 11, at 2:45 p.m. a tea will be held in honor of Mr. Reg Dyer who has given 18 years of cheerful careful service as school custodian and will be retiring at the end of January.

During his years at the school, Reg has burned hundreds of kilograms of garbage, scrubbed several hectares of floor and applied many litres of wax.

He has always taken a personal interest in everyone and he never failed to greet Staff and Students alike with his friendly smile.

Everyone is invited to join in marking Reg Dyer's retirement and to wish him well with his new lifestyle.

By Nadine Wood

Holden and District News

Hockey news from Holden, the Beavers played in Tofield against Ryley on January 23rd. What looked like a tie game ended Holden - 3 and Ryley - 2 when Andy Chamberlain scored in the last 56 seconds of the game.

Tenders are out for Holden Senior Citizens residence of eight units to be built in 1979. This is an Alberta Housing project. The eight units will be built on the lots behind the Creamery in Holden. The Village of Holden, Chamber of Commerce and several interested residents worked with the M.L.A. Mr. Batiuk and Alberta Housing personnel to bring this project to the village.

Mr. Jack Stambaugh is the new member on-council for the Village of Holden. He was elected by acclamation when no other names were submitted when nomination day was held on January 10th. This seat for the council was vacated when Councillor Christine MacKay resigned to become village Secretary Treasurer. Jack Stambaugh is welcomed by the village as their new councillor, coming with experience as he was on village council for several years before.

By Anna Shavchook

Bruce and District News

Board members of the Agricultural Society met for their regular monthly meeting last Tuesday. A decision was made to hold an Easter Ham Bingo on Friday, April 6. There will also be a Mini Bonanza and coffee will be served by the girls from the Bruce 4-H Club.

Winners of the last Senior Citizens' Whist Drive were Lillian and Dan Teske. Consolation prizes went to Ruth Dwyer and Ernie Dorin.

The Bruce Busy Bees will be holding their annual public speaking competition at the Community Centre on Thursday, February 8. The public is welcome to attend.

Volunteer firemen are reminded that meetings are held the second Monday of each month at the grader shed.

Bruce Busy Bees

On January 8 the Bruce Busy Bees held a regular meeting at the Bruce School. The roll call for the meeting was a New Year's Resolution. After the business meeting, the girls made porridge, Yum Drop cookies, and sesame seed squares, which they enjoyed for lunch.

Another meeting was held on January 22nd. The roll call for this meeting was an Impromptu Speech. They then made Bunsteads and hard cooked eggs. It was decided that the girls have their public speaking on February 8th at 7:30 p.m. in the Bruce School. All interested people are invited to attend.

Premium Condition V/8 Auto. P.S. P.B.
$1695.00

Profile: Al Willmer

Most people in Viking have, at one time or another, seen Al Willmer, a man who is involved in helping people of the community through his job, and through different organizations.

Al has been the post master in Viking for the past six years. Previous to that, he was post master at Grimshaw, Alberta and before that, in Derwent, Alberta.

Al was born near Derwent, on a farm in the Angle Lake district. He was the third child of eight, and took all his schooling in the district.

At 18, Al joined the Army. After serving overseas for three years, he returned to civilian life and bought a farm near to where he grew up. He spent the next nine years farming alongside his father until 1964 when he joined the post office in Derwent. He started as Post Master there, backed by his Army training and 'veteran' status. While in Derwent, Al also was the Justice of Peace for fifteen years and Commanding Officer for the Cadet Corps. The latter was again because of his army experience.

As a note of importance - Al also filled the position of Zone Post Master while in Derwent, a job which included supervision of nine offices in that area.

Al's years in Derwent were busy. It was also there that he met and married Anne. They now have four children - three daughters and one son - and two grandchildren.

Since coming to Viking, Al has become involved in numerous activities and organizations. He is a member of the Elks, the Viking and District Chamber of Commerce, the Ag. Society and is Vice Chairman of the Hospital Board.

As well as being Past Vice President of the Chamber, Al also is Chairman of the Town and Country Executive. This committee tries to promote Viking to prospective businesses, welcome new businesses, and keeps harmony between town and country people. In the Ag. Society, Al has filled the Vice President's position, as well as being on the Finance Committee. He also takes time out to coach baseball, as he did for the minor league for a number of years.

Although you can see Al at most Gas King hockey games, he says that curling and golf are his favorite sports.

By N. Keith

Special Projects Program

Two grade eleven students are currently involved in the Special Projects program offered by Holden School.

Valerie Steinwand works Miss Lawson's grade two class while Marie Chrystian aids Mrs. Hallett's Junior Opportunity Room.

The three credit course requires a minimum of 75 hours of class time assisting the teachers who supervise the course. This involved helping the children who have difficulties in reading and word recognition. It requires a great deal of patience and understanding yet it is a rewarding experience

Recreation Report

Last week you may recall that my column dealt specifically with the annual report and contained some ideas on how to do the report. This week I would like to deal with some ideas on the annual meeting.

The Annual Meeting

As with every other type of meeting, getting people out for a group's annual meeting is a problem. Perhaps the following ideas will help:

1. Make sure people know about your meeting. Send a press release to local newspapers, radio stations, etc. Put up posters or pass out leaflets door-to-door. "It is no longer enough to reserve a hall, stick a notice on a lamppost and wait for everyone to arrive. Your first meeting must have particularly careful planning and publicity. Ask yourself as an outsider: "Would I go to that meeting?" "Who's holding it?" "What for?"

2. Hold your meeting on a weekday evening, and check to see it won't be competing with another important event.

3. Start your meeting with a written background of the group's activities over the past year.

4. What do you want from the annual meeting?

5. Keep your meeting short and to the point. One to two hours is long enough.

6. Always be guided by what comes out of the meeting. If you go your own way, you will lose group support.

7. Try to have refreshments after the meeting. People will get to know each other much better in a social environment.

8. Beware of special interest groups who seek to pack an open meeting - and with their majority push something on your group that is not wanted by the real majority of involved members.

Follow-up makes the difference between action and more hot air. Be sure to get everyone's name, address and telephone number. Send a report of the meeting to everyone who attended as well as notices of further meetings. If people volunteer to do things, check to see if they are doing what they said they would.

1979 North Eastern Alberta Winter Games

This year the 1979 North Eastern Alberta Winter Games will be held in Vermilion, on February 23, 24, and 25th. Sports this year include badminton, men's and ladies' basketball, bowling, men's and ladies' broomball, cross country skiing, ladies' ice hockey, snowshoeing, table tennis, and men's and ladies' volleyball.

The North Eastern Alberta games include the following areas in their competition. Fort McMurray, Lac La Biche, Lamont, Bonnyville, St. Paul, Cold Lake, Vermilion, Lloydminster, Minburn, County of Beaver, Wainwright, County of Two Hills and Fort Chipewyan.

Again this year the format of the games is identical to previous years. Friday night everyone registers at Vermilion. Some games take place on Friday night but are scheduled late enough that all competitors will be there. Saturday morning begins with a pancake breakfast followed by opening ceremonies. Saturday is spent in competition. Saturday evening is the time for some relaxation, a banquet and dance Sunday morning finals occur and all competitors are finished playing competitions early Sunday afternoon so everyone has a chance to get home early Sunday.

If you are interested in competing in these games please call your zone coordinator, Colleen Walker at 663-3730. Final day of registration for the games is February 9th.

Badminton

A badminton tournament will be held February 4, 2:00 p.m. at the Tofield School for all those interested in attending the winter games. This tournament will be held to determine who will represent the County of Beaver at the 79 North Eastern Alberta Winter Games.

To participate, call Colleen at 663-3730 prior to February 2nd.

The annual County-wide badminton tournament is scheduled for Sunday, February 18, 1979 at 9:00 a.m. at the Tofield school. Fees this year for the tournament are $3.00 for the first entry and an additional $2.00 with each entry after the first. Registrations forms are available through your local club. Last day of registration: February 14th.

Basketry - Viking

Viking's basketry course has been cancelled due to low preregistrations. A minimum of eight people are required to run a course.

Babysitting Course

A reminder that Holden's babysitting course will be starting Tuesday, February 6 and Ryley's course will start Wednesday, February 7th. These programs include the ethics of babysitting, child care, first aid, fire, safety, and a final examination to gain certification. Fee $5.00

To register for Holden's course, call Marvin at 688-3619 and Ryley's course, call Regional Recreation at 663-3730.

Senior Citizens

"Let's Do It Again - Dance All Night"

Wednesday, February 7th, 1979 at 7:30 p.m. is the evening planned for the County of Beaver to dance all night. The evening will be hosted by the Viking Senior Citizen's and will be held at the Viking Community Hall. Tickets are $2.50 which includes admission, bus ride and lunch. Tickets are available through your local senior citizen's club:

Tofield - Mr. Herb McAdoo
Ryley; Mrs. Alf Anderson
Holden; Mrs. O. Hurum
Bruce; Mrs. Lil Siegel
Viking; Mrs. Gladys Holt
Kinsella; Mr. Cazmar Garvie

Ski Weekend

Presently we are looking at a weekend trip to Jasper, March 16, 17, and 18th. We would be chartering a bus from Edmonton which means we would need at least 30 people to make it worthwhile. I've also written away for some rates on motels. I can't quote too accurate a figure yet, so will leave it for a few weeks.

If you are interested in participating, please contact Colleen at 663-3730.

Dairy Club Report

The fourth meeting of the Viking 4-H Dairy Club was held on January 11 at the Viking Youth centre. The pledge was led by Bob Gotobed. There was no old business to be discussed. The annual public speaking will be held at the Youth Centre on February 8th. There will be sandwiches, pop, and coffee served. Everyone is welcome to attend.

The Dairy Club Bingo is planned for March 28th. The Bingo will cost three dollars for the first card and one dollar for every other card.

We would like to thank Mr. Don Gilles very much for coming and giving us an excellent talk on how to write and present a good speech. We hope the points he gave us will help us on February 8th.

Club Reporter
Clayton Rauser

Camera Buffs Sought

At the meeting of the Battle River Tourist Association held at Bawlf on Thursday, January 18, 1979, it was reported that work is proceeding on a new edition of a "Winter Brochure". The brochure chairman, Leon D'Albertanson of Wainwright, would like to embelish it with some new pictures of winter activities.

The goodwill of camera buffs is sought. Anyone with particularly excellent slides of winter activities is asked to loan them to the association for use in this particular brochure. Skiing, snowmobile activities, snow-shoeing, curling, hockey, figure skating, and ice-fishing pictures are needed. Slides will be handles with care, and returned to the owners after the brochure is printed.

Camera fans are also reminded that two of the classes in the photograph contest now in progress also relate to winter activities. Class D is for Indoor Winter Sports, and Class E is for Outdoor Winter Sports. Prizes of $60.00, $30.00 and $15.00 will be awarded in each class.

It is suggested that cameras be kept ready, as choice opportunities for winter shots will likely come up during the next two months.

Former Viking Residents Honored

Former Viking residents, Shirley and Bud Henderson were honored by a surprise party on December 27, 1978 at their home in Hines Creek, Alberta.

The party marked their Silver Wedding Anniversary. Bud and Shirley were married on December 15th, 1953 but being so near Christmas, their daughter Terry Gilbert and their son Scott Henderson decided to have the party on the 27th.

The bridesmaid and best man Mr. and Mrs. James White of Manning, Alberta were in attendance. Guests were from White Rock, B.C., Peace River, Manning, Fairview and Edmonton. A delicious buffet lunch and wedding cake were served by Verla and Don Bonnett and girls and Terry Gilbert.

Do You Know The Bible Says

Thou shalt not take the name of the Lord thy God in vain; for the Lord will not hold him guiltless that taketh His Name in vain. Dust. 5: 11

Ever since man fell into sin, he has profaned the Name of his Creator. But it seems that the practice has never had a wider hearing than it does today. Turn on the T.V., pick up a modern novel, or monitor the small talk in a mall or some other public place, and you will most likely encounter expressions like "Jesus!, "Christ!, and "My God!" They are used to add emphasis to a conversation or are casually tossed about with complete disregard for the Blessed Person to whom thy refer.

No one who has come to know the Saviour personally should ever take His Precious Name lightly. Commenting on its meaning, Bernard of Clairvoux wrote, "As honey to the taste, as melody to the ear, as songs of gladness in the heart, so is the name of Jesus . . . It alone can restrain the impulse of anger, repress the swelling of pride, cure the wound of envy, bridle the onslaught of luxury, extinguish the flame of carnal desire, and covetousness, and put to flight impure and ignoble thoughts. But when I name the name of Jesus, I think at once of a man, meek and lowly of heart, benign, pure, temperate, merciful, possessing every honorable and saintly quality. Then I think that in the same Person is the Almighty God who restores to health by His example and renders me strong by His assistance. No less than this is brought to mind by the name of Jesus whenever I hear it".

Dear Lord, forgive us for getting used to hearing Your name taken in vain. Fill us with shame if it should come from our lips in a casual or sacrilegious way. May it ever be to us a hallowed name!

By Mrs. W. Myers

Profanity is a lazy man's way of trying to be emphatic.

He hears you blaspheme;
But oh, if you knew
How much He loves sinners,
How much He loves you,
You would fall at His feet
and adoringly sing:
Jesus! My Saviour!
My Lord! and my King!

The Pencil Box

Christmas Company

By Cothele Rauser

(continued from last week)

A knock at the door revealed Carl Sorenson bundled to his eyebrows. He surveyed the chaotic state of my kitchen and my object of art. His only comment was "Goodness gracious! What are you doing now?"

Laughingly I explained. Rather dolefully he delivered our eggs and told us that people and livestock were freezing, unless properly sheltered, for the temperature was below 40 and it was still dropping. The boys' horrified gaze fastened on me. No words were necessary. Our barn, if you could call the lean-to shelter by such a name, was only slightly warmer than the vast outdoors. Even after valiant attempts by my husband at patching the worst holes. My mind searched for and discarded various solutions knowing full well that if any of the boys' dear pets froze to death, the tragedy would break their hearts and shatter their fragile, unfulfilled dreams. The only solution, regardless of our prospective, high society company, was our fairly warm cellar.

I asked the boys to get their dad to help them carry the calves up to the house, along with the bantams, kittens, and some straw, and to put them in the basement.

A hour later showed the calved to be settled in their new quarters happily munching on straw, and me sweeping up the alfalfa and oats from the kitchen floor.

Meanwhile Slim was installing the rejuvinated toilet in the far corner of the cellar with a flashlight. None too soon, as a loud pounding on the door announced the arrival of company. Over our excited voices my ears detected a faint crow. I was just going to explain the unusual situation when Mrs. Calverly clasped my hand. Her anguished voice pleaded for instant directions to the bathroom. I hurriedly led her to the basement door, while searching in vain for the flashlight.

Her rotund figure, clad in mind, gingerly descended the shaky ancient ladder. Her terrified scream scared everyone but me. After finally locating the flashlight beneath the calves' buckets, I ran to help, but the sedate and dignified judge grabbed the light from my nervous hand and he, himself rushed to the rescue.

The beam of light displayed an absolutely petrified figure sprawled on the dirt floor, knocked there by several hungry calves. The pot rooster was perched on her shoulder and her paris creation was askew over one eye.

"Howard, help me, you fool!" she screamed. But Howard was so convulsed with laughter that he was unable to help himself.

Soon her hearty laughter also drifted up the stairs.

Meanwhile my brother-in-law was carrying in a huge box of groceries, from soup and nuts to home-baked goods to help me feed such a clan.

The next thing I knew, Mrs. Calverly had shed her mink coat, donned an apron and was regaling us with hilarious stories of the dirty thirties.

PUBLIC UTILITIES BOARD
FOR THE PROVINCE OF ALBERTA

IN THE MATTER OF "The Public Utilities Board Act", being Chapter 302 of the Revised Statutes of Alberta, 1970, as amended;

AND IN THE MATTER OF an application by Calgary Power Ltd. to the Public Utilities Board for an order or orders approving changes in the existing rates, tolls or charges for electric light, power, or energy and related services rendered to its customers within Alberta.

NOTICE

TAKE NOTICE that Calgary Power Ltd. (hereinafter referred to as "CP") will apply to the Public Utilities Board (hereinafter referred to as "the Board") at the Court House in the City of Calgary, in the Province of Alberta on Wednesday, the 14th day of February, 1979 at 9:30 o'clock in the forenoon or as soon thereafter as Counsel may be heard for an Order of the Board.

(a) determining a rate base for the property of CP that is used or required to be used in CP's service to the public and fixing a fair return thereon;

(b) fixing and approving just and reasonable rates, charges or schedules (issued for electric light, power or energy and related services to be supplied by CP, whether present rates and charges have been established by agreement or otherwise;

(c) giving effect to such part of any excess revenues received or losses incurred by CP as may be due to any undue delay in the hearing and determining of the application;

(d) fixing and approving such interim rates and charges pending the fixing of final rates as the Board may determine, and establishing a date for the commencement of such interim rates and charges.

AND TAKE NOTICE that at the said place and time the Board will hear the Application for fixing interim rates and will hold a pre-hearing conference to give direction as to the manner in which and the date and times at which the hearing of the Application may continue and for such other directions as may seem proper to the Board;

AND FURTHER TAKE NOTICE that CP has filed with the Board materials, including the Evidence-in-Chief intended to be called in support of its Application. Those parties who wish to take part in the hearing may apply to examine or to obtain the material filed by contacting CP in care of its solicitors at the address given below:

IN MEMORIUM

GOLKA — In Loving memory of a kind husband, father, and grandfather, Chris, who left us so suddenly on January 30, 1976.
Softly the leaves of memories fall
Gently we gather and treasure them all.
Unseen, unheard, he is ever near
Still loved, still missed and very dear.
For those who have a father,
Do treasure him with care,
You never know the heartache
'Til you see his empty chair.
Lovingly remembered by
Nellie and the family 50c

MEMORIAL DONATIONS
Memorial Donations to the Prague Cemetery Fund in memory of Fred Swoboda from: Lou, Molly and Perry Ruzicka; Mr. Lad Metajka; Mr. and Mrs. Stan Zemanek St.:; Mrs. Marguerite Erickson

Denis Potvin

Hot Apparent?
The juggernaut that is the New York Islanders has been the dominant team in the NHL and perhaps all of hockey in the past four years. Denis Potvin has been chastised in the past by the press for his rather candid observations about his team mates.
Potvin also inked his talents as a writer before signing with the Islanders. He has also authored a children's book entitled Denis Potvin, Hockey Star, a simply because of the isle's geographic location.

Progressive Farming

LAND LEASING

In view of current developments in the grain sector (depressed prices and continually rising costs), farmers who are renting land should review their old land leases and study alternative types of arrangements to determine the best for their particular circumstance. In the long run "the best" is also "the fairest" and the fairest method of land leasing is to use the relative contributions of each party as a basis for calculating the amount of rent to be paid in cash or in crop share.

CROP SHARE LEASE

Traditionally with a crop share lease the landowner supplies the land and buildings while the tenant supplies the labor and machinery and pays operating expenses. However, since there are many variations, it is important to examine the relative cash and non-cash contributions of each party. (A one-third: two-thirds split between landlord and tenant may be fair, but to satisfy both parties, the facts and figures should be down on paper.)

POINTS TO CONSIDER

- The landlord and tenant share the risk and uncertainty of grain prices and yields.
- The tenant has a further incentive to use good farming practices if the landlord pays a share of the cost of seed, fertiliser and chemical.
- The landlord may be willing to sign a longer-term share lease than cash lease, thereby increasing the renter's security of tenure and time horizon for planning major machinery investments.
- The landlord and tenant may disagree on major management decisions such as the optimum amount and type of fertiliser and chemical to use, cultural practices and the amount of summerfallowing to be done.
- Gains from superior farming ability or losses from inferior ability are shared with the landowner.
- The landowner has no short-term guarantee of covering his investment costs.

CASH LEASE

The most common form of cash lease is one in which the tenant receives all of the income and pays all of the expenses, except taxes and building insurance, in return for a fixed cash settlement, since the tenant is bearing all of the risk of poor crop yields, the landlords contributions should be adjusted downward to compensate. For example, his share should be reduced by 10% in the long run, one year in 10 is a reasonable estimate of the frequency of crop failures for the area. To establish a fair cash rent, the expected gross returns per cultivated acre are calculated using average yields and average prices. This gross return figure is multiplied by the landlord's adjusted share of contributions to determine the cash rent that should be paid.

FLEXIBLE CASH LEASE -

The advantage of a flexible cash lease over an ordinary cash lease is that price risk is distributed between landlord and tenant. As with cash lease agreements, the contributions approach is used as an adjustment for yield risk made to determine an equitable contribution ratio.

The next step is to calculate the base annual rent in bushels per cultivated acre. Then reduce the average yield of a crop commonly grown in the area by the percentage of rented land to be summerfallowed. Multiply this base annual rent by the total realized price to arrive at cash rent per cultivated acre.

Since the flexibility of the agreement centres around price determination, it is very important to specify in the agreement the way in which price is calculated. For example if the Canadian Wheat Board prices are to be used, the type of grain, grade and delivery point must be specified. Alternately, if feed grain prices are used, an average price for 30 days prior to the rent payment is made. It is also important to specify when payment of rent will be made since if wheat board prices are used, the final payment will not be know for some time.

The landlord receives a guaranteed return for his investment because the tenant must pay the fixed rent even if low prices and poor yields occur.

- Many potential areas of disagreement are eliminated since the tenant has more flexibility in production and management decisions.

- The tenant receives all the benefits of good production and management practices as long as he is renting the land. Because of the wide fluctuations in grain prices cash lease agreements are usually short term. Hence, the tenant has less incentive to use improved cultural practices, the benefits of which will accrue in the long run and not necessarily during the term of the lease.

- Accurate yield determination is of lesser importance than in the crop share lease.

- A "fair" rent now may be "unfair" before the term of the lease has expired because of the uncertainty of prices and yields.

POINTS TO CONSIDER

- A well-thought-out flexible cash lease may facilitate longer-term leasing arrangements.

- Both the landlord and tenant share in some of their risk and uncertainty of variations in prices and yields.

- With the flexibility of the agreement based on price, considerable time may elapse before final payments are known. However, with open market feed grain marketing numerous alternatives are available).

- A flexible cash agreement which is to complicated provides for misunderstanding. Adjustments for actual price and yield variations are best obtained by using the crop share method of leasing

The Homemaker

by Diane Luke

Most kids are fussy eaters at some time, either at a young age or as a teenager. According to experts, food crisis in teens is best avoided by developing "good taste" early in life. Since eating vegetables is a common complaint in many households, food consultants at Food Advisory Division, Agriculture Canada, have a few pointers for frustrated parents.

Canada's Food Guide recommends four to five servings of fruits and vegetables every day including at least two vegetables. It also suggests choosing a variety of vegetables - cooked, raw or their juices, and including yellow or green leafy vegetables. This may sound simple but can be most challenging at times.

Children like color in their meals. Bright-colored vegetables such as carrots, sweet potato, broccoli, squash, corn and tomatoes will perk up any meal. A variety in shape and texture is equally as important: carrot sticks, coins, cubes, mashed. Mixing vegetables in the same dish can be interesting as well, offering a variety of not only color, shape and texture, but also in flavor, for example, carrots and turnip, peas and cauliflower, turnip and potatoes where a mild-flavoured vegetable is combined with a stronger-flavoured one.

Some vegetables like cauliflower, broccoli and cabbage are eagerly accepted when served raw, even though these same foods are rejected when cooked. Serve them as between meal snacks (turnip sticks, cauliflowerets dipped in yogurt for example) or in salads (spinach, cabbage). It's a good idea to make small colorful salads a daily habit and to vary the salad dressing often.

Children are turned off by large platefuls so offer small portions and let the little tot ask for seconds. Also, it is important to respect the size of the child's appetite. An average serving of a cooked vegetable is two to four tablespoons, a raw vegetable - four small sticks or one-quarter cup. The size of a serving of food for a young child can roughly correspond to the child's age to number of tablespoons.

Food is fun too. Give a child the pleasure of taking part in preparing the food that will be at the table. It is a learning experience to enjoy potatoes that are baked or broiled, then mashed. The following recipe for "Potato Cheese Balls" could be just the thing to share with Mom and Dad before sitting down at a relaxed meal.

POTATO CHEESE BALLS

125 ml grated cheddar cheese
5 ml salt
0.5 ml pepper
500 ml mashed potatoes
1 egg
15 ml milk
75 ml dry bread crumbs.

Grate cheese on piece of waxed paper. Mix cheese, salt and pepper with potatoes in a bowl. Shape potato mixture in 3 cm balls. Crack egg into bowl and beat gently with a fork. Mix the beaten egg and milk together. Dip the potato balls in the egg and milk mixture, then roll in crumbs. Place balls on greased cookie sheet. Bake at 230 degrees C. until browned (10 to 15 min.) Makes about 20 balls.

Irma News and Views

Congratulations to Mrs. Jenny Plaxton of Wainwright who won the Western Express lottery dray on Wednesday, January 17th for $100,000. Mrs. Plaxton bought the ticket from a Mrs. Ganderton who is selling the tickets for the Quota Club of Wainwright. The club will receive $1000 for selling the winning tickets. Irma's turn is coming up next.

Eileen and Ted Prior made a substantial donation to the Canadian Cancer fund at the end of the year, in memory of those who had passed away during 1978 in the Irma district.

The Leonard Jones rink of Irma were defeated in the final game of the Consol Playdowns in Edgerton by the rink of Dean Olson, Scott Olson, Doug Dalton and Can Martineau of Wainwright. The Olson rink now advances to Zone 10 Northern Alberta Playdowns at Edmonton's Shamrock Curling Club from January 26 to 28th.

Nine members of Irma Arts and Crafts Club drove to Camrose on Wednesday, January 24th where they visited with Camrose Arts and Crafts Club. They were most interested in weaving, and after some instructions most of them tried their hand at weaving. It goes without saying that most, if not all, did some shopping. All arrived back in Irma safe and happy at approximately 6 p.m. They had left Irma at 9 a.m.

The curling team of Bob Smallwood, Dave Prior, Don Lukens and Gordie Rischer won first in the second event at the recent Uniform bonspiel at Viking.

Meg Dunbar arrived home in Irma on the bus on Thursday evening, January 25th, after a two week holiday visiting with Frank and Irene Drewicki, and Sarah and Don Parkin in Spruce Grove.

Bob and Geraldine Jackson and friends, Allen Smith and Andrea Nolan, also Charlie Jackson and cousin Neil, all from Edmonton spent the weekend with Lorna and Eddie Olson. Minnie and Jim also arrived on Saturday evening for supper and watched the hockey game in which Montreal defeated Boston 6 to 1. Afterwards all enjoyed cards.

Esther and Leslie Creasy left on Friday for a trip to Disneyland and other attractions in southern California.

Word has just been received that Irene Drewicki had a bad fall at her home at Spruce Grove. Her collar bone was broken and a cut on her head required several stitches. She was taken to hospital by ambulance, but is home again.

Her and Frank's trip to Bermuda which was arranged for Monday, January 29th, had to be called off. Get Well wishes are extended to our old friend Irene.

We are glad to see Dorothy Bacon home again and able to be around.

Bob Dempsey underwent surgery in the University Hospital in Edmonton on Monday, January 22nd. The operation was successful and he has continued to improve. He was discharged from hospital on the forenoon of Monday, January 29th and was conveyed to his home at Irma by Cecil Blackburn, a long time friend of the family.

Bob expects to return to hospital in two weeks for a series of treatments covering a period of approximately four weeks.

Grace Archibald has taken over supervision of the Firkus household while Vivian and Keith are enjoying a holiday at Las Vegas and points south.

Peter and Rosa Ward called on Mrs. Ward last Tuesday.

A number of ladies from Stromne visited with guests here. Thelma Rawe, Honey Curtis, Kate May, and Genevieve Friehler called on Mrs. Pryor, Barb Blaeser, Lis Dumont and Charlie Auburn.

Diane and Irene Pasnak visited with Mrs. Tchir and Mary Pasnak on Tuesday.

Mabel Sarasin visited with her mother Mrs. Gustafson.

We had our monthly birthday party on Thursday. The Anglican W.I. came and served cake and ice-cream and entertained for us. Celebrating birthdays were Mrs. Tchir, Ken Carter, who turned a young 94 years and Mrs. Giesler. Tom and Pauline Mattinson sang and in honor of his mother, who passed away on Wednesday, sang three of her favourite hymns. Our sincere sympathy to the Mattinson families.

Emma Reger was in visiting friends.

Allan Auburn, J. E. Auburn and George Curtis visited with Charlie Auburn on Saturday.

Myron and Irene Pasnak visited with Mrs. Pasnak and Mrs. Tchir.

Jessie Swanson of Edmonton and Joan Meakins were in to see Mrs. Swanson and Ivan Hollar.

In to celebrate Mrs. Giesler's birthday on the weekend were Art and Donna Giesler of Edmonton. Peter and Kay Skorchid, Fred Giesler and Harry Giesler of Chilliwack, B.C.

Our sympathy is extended to the friends and relations of Mr. Don Swanson who passed away on Sunday morning at the nursing home.

Parkland Nursing Home

Edna McLachlan and Eleanor were in to see Mr. Finemore last Monday.

AGRICULTURE FROM MY VIEWPOINT

BY MARVIN E. MOORE,
ALBERTA MINISTER OF AGRICULTURE

Over the past few months, the Alberta Dairy Control Board has been engaged in discussions with members of the Alberta dairy industry on the subject of modifying the Graduated Entry Program.

Introduced in 1974, the program is intended to give industrial milk producers the opportunity to enter the fluid milk market gradually. Under the program, producers who maintained a minimum daily production average of 800 lb over a 12-month period and whose premises meet inspection requirements were provided with a daily fluid milk quota of 400 lb. In each of the following two years producers received an additional 200 lb of quota so that after a three-year period, a participating producer received a total daily quota of 800 lb. Since 1975, 465 new fluid milk shippers have entered the market.

Our dairy industry has suffered from some quota problems in the industrial milk sector which is administered by the Canadian Dairy Commission. However, fluid milk producers have benefited significantly over this period from increased consumption of fluid milk within the province. To some extent, that increase comes from a cooperative government-industry advertising program introduced in 1975 to assist in promoting milk. The program has been so successful that Alberta can now boast of having the highest milk consumption per capita of any province in Canada. In total, Alberta fluid milk sales have increased by almost 21 per cent since 1975, a considerable change from the pattern of decreasing consumption which existed prior to the advertising program.

To meet our increased consumer requirements modifications were necessary to speed up conversion from industrial to fluid milk production. As a result, the Alberta Dairy Control Board is amending the Graduated Entry Program to enable more producers to participate in the fluid milk market. No longer will producers be limited to joining the program on January 1. Effective immediately, new entrants will be accepted on a quarterly basis.

In addition, the qualifying period of 12 monthly shipments meeting a minimum daily average of 500 lb is being reduced to two months. Therefore, a producer who, (1) has expanded to a 500 lb per day operation (2) maintains that production for two months and (3) meets inspection requirements, will now be eligible to participate in the Graduated Entry Program as of April 1 if he wishes.

Over the next year, the Alberta Dairy Control Board will continue to discuss with the dairy industry additional modifications to be made to the Graduated Entry Program. Two items under consideration will be whether or not to increase the individual total amount of fluid milk quota and whether or not the three-year term should be reduced

I urge any dairy producers with comments or recommendations on those items or with suggestions for other changes to the Graduated Entry Program to write to my office

Irma Agricultural Society Again Sponsors Cash Draws

The annual meeting of the Irma Agricultural Society was held in late November with many items of business attended to. The executive remains nearly unchanged.

President - John Newton; 1st Vice-President - Bert Smith; Secretary - Mary Newton. Directors newly elected for a two year term are- Jerry Mark, Hugh Tomlinson, Alex Smallwood, Margaret Smith, Erling Nilson and Doug Coffin. Directors remaining for one year are: Phyllis Craig, Wayne King, Hazel and Joe Oracheski, Tobe Smith, Eddie Jackson, Bob Fischer, Charlie Soucy, Don Lukens, Keith Coffin, Fred Clisdell, Ron Dempsey, Charlie Allen and Aletha Dempsey.

Bert Smith and John Newton were elected by ballot to a one year term on the Irma Recreation Board. A motion was passed that we give the Irma Village Council $1,500 towards the purchase of additional land at the fairgrounds as had been requested.

A set of by-laws must be drawn up for our own Society to abide by. It is required now by the government in order to be eligible for the various grants.

Another motion was passed to increase our contribution from $300 to $600 towards the purchase of the Time clock at the arena.

We have also offered to help the Chamber of Commerce purchase additional Christmas decorations for the Village during the off season. One thousand dollars has been put aside for this.

We decided to hold our February 9th meeting at the Legion Hall and after our regular meeting we will hold a complimentary wine and cheese hour open to the public. Our M.L.A. Charlie Stewart will be on hand to make a presentation to the Society. We will also make our final big draw on the Cash Draw that evening. Remember the final draw is for $500 and $300.

Tickets will go on sale this week for our new draw. There will be 120 tickets sold at $60 each with 11 draws for $125, $100 and $75 monthly and one big final draw for $500, $125 $100 and $75. First draw on this series will be the 30th of March, 1979. Remember that all winning tickets go back in the box so you're eligible on all 12 draws.

Considerable discussion was held on the last two beer gardens. There is no doubt of their success but is there not a better way to raise funds and still provide entertainment.

The Chamber is sponsoring a meeting this Thursday, February 1, in the Library to discuss the situation with officials. Any interested persons are welcome to attend.

Once again we must begin plans for the Annual Fair so committees can be set up and the Fair book printed. Anyone with ideas for improvements and willing to help please plan to attend.

A financial statement of the Agricultural Society will be printed as soon as it is completed by the auditors.

Remember, the next meeting on Friday, February 9th at 7 p.m. in the Legion Hall with complimentary wine and cheese hour to follow. Also new tickets for the Cash Draw will be on sale later this week by any of the Directors.

Everyone is welcome to attend any of our meetings.

Chacutenah Manor News

Highlight of this week was the visit of a group of friends from the Sharon Lutheran Church. The fine program was as follows:

Welcome- Marina Hollinger; Hymn - "Oh Master Let Me Walk With Thee"; Devotions - Solveig Rassok; Musical selection - Eunice Gulbrsa, Nan Larson, Lilly Erickson, Marina Hollinger, Barbara Fuder and Mabel Reitan. Readings - Doris Lihaess; Solo - Margaret Engter; Skit - entitled "The Lord's Prayer" in which the lighting of candles stressed the importance and values of this prayer; Duet - Eunice Gulbrsa and Mabel Reitan; Reading - Della Nilson. Closing Hymn - "How Great Thou Art".

Eunice Gulbrsa conducted a Musical Contest in which Mrs. Cockroft had the highest score. A nice lunch was served by the visitors. Mrs. Simmermon, speaking for the Manor family, thanked the ladies for their well thoughtout and well presented program and invited them to come again. This was the first visit some of these people had made to the Manor and they were favourably impressed with our lovely lounge, our home-like suites and well kept halls.

The Anglican Church Women's Group met at the home of Mrs. Cockroft on Thursday.

Thursday dinner guests with Mrs. McLean were Mr. and Mrs. C. Saville of Edmonton, Mrs. and Mrs. Jose of Newcastle, Ontario and Mrs. and Mrs. W. Parsons of Irma.

Sunday guests with Mrs. Simmermon were her daughter Mrs. S. Smith and granddaughters Jocelyn and Erin Smith and Beverly Simmermon and her grandsons Kevin Smith and Drew Moyer, all of Edmonton.

Mr. D. Poveratt was an Edmonton visitor on Saturday.

Mrs. McRoberts is presently in Edmonton, guest at the home of her daughter, Mrs. S. Taylor.

A grant from the New Horizons Program, Ottawa, has been received at the Manor. In order to get this a club "The Chacutenah Happy Gang" was formed with President - Mr. Harry Riley, Sec.-Treasurer - Mrs. McRoberts, Co-signers of cheques - Mrs. Simmermon and ten Directors. The money is to be used for recreational equipment.

A shuffle board was delivered to the Manor on Saturday and a sincere thank you to Mr. Wayne Parsons for bringing it from Edmonton. Card tables and folding chairs have been bought and plans are being made for the purchase of a movie projector. Directors' meetings are to be held monthly.

A.O.C. Increases Loans

In 1978 the Alberta Opportunity Company (A.O.C.) lent almost 19 percent more money to approximately 16 percent more businesses. The chances of having an application approved were greater, especially for those businesses in communities outside the metropolitan centers. The A.O.C. took more risks and was rewarded by fewer business failures.

A total of 396 businesses received loans in 1978, a 15.8 percent jump in net new authorizations from 292 in 1977.

The average amount these businesses borrowed also increased slightly from the previous year. However this is somewhat misleading. A few large loans boost this average figure. The more accurate picture is that the type of loans A.O.C. tended to make most often in 1978 were to smaller businesses.

There was a significant acceleration of the proportion of A.O.C. financing going to businesses outside the metropolitan centers of Calgary and Edmonton. Historically about 70 percent of A.O.C. monies have gone to businesses in smaller communities, but in 1978, 87 percent of all A.O.C. new borrowers came from the non-metropolitan centers.

One important reason for this is the increasingly aggressive approach being taken by conventional lending institutions who are primarily based in the metropolitan centers. If the banks and other lending institutions are prepared to provide the necessary financing A.O.C. does not compete with them. A.O.C. provides loans to Alberta businesses only when they cannot obtain financing from conventional sources.

Action in the Irma-Viking hockey game played at Irma on Wednesday, January 24 resulted in a Viking victory by a score of 12 to 4 over the Aces.

Gas Kings Win Three - Tie One

The Gas Kings have had a good season so far and if it goes as planned they will be having an exhibition game against the Alberta N.H.L. oldtimers from Edmonton on March 11. Such players as Lloyd Hadden (Detroit), Bob Fuleonburg (Cincinatti) and Bruce MacGregor (numerous teams) will be playing and the full line-up will appear in a later issue.

On Wednesday, January 24 the Gas Kings travelled to Irma to take on the Aces in what turned out to be a decisive victory in their favour. Doug Palmarchuck opened up the scoring assisted by Ray Rattray at 4:34 of the first. Gordon Holt answered for the Aces less than two minutes later at 6:15 assisted by Phil Racine and Jaye Fenton. Gordon Rattray scored the second Gas King goal at 9:28 assisted by Ray Rattray and Blair Quinton and Gordon Holt answered again just a minute later for the Aces at 10:25 assisted by Phil Racine. Neil Fitzmaurice moved the Gas Kings ahead again at 12:04 assisted by Doug Palmarchuck and Ray Rattray added another at 13:00 assisted by Barry Field. Darryl Nilson added one more for the Aces assisted by Allen Jones and Allen Fenton at 14:25 and Doug Palmarchuck finished the first period scoring at 15:15 from Blaire Quinton, moving the Gas Kings out in front to stay.

Gordon Holt opened up the second period scoring with his third of the evening at 3:45 from Jaye Fenton. From then on the Gas Kings moved on to score seven unanswered goals - Doug Palmarchuck with two in the second period and one in the third, Barry Field with two in the third, Blaire Quinton with one in the second period and Stu Olsen finishing it off at 18:29 of the third. Penalty minutes included 17 for the Gas Kings and 21 for the Aces.

On Saturday, January 27 the Gas Kings had the Dayslend North Stars visiting them. Ray Rattray opened up the scoring unassisted at just 1:19 of the first and Gordon Rattray added another from Ron Naslund at 2:36. Lawrence Koehli put the first North Star marker at 5:49 unassisted. Lee Laskosky scored the Gas King's third at 9:06 assisted by Blaire Quinton. Blaire moved the Gas Kings ahead one more at 14:00 assisted by Doug Palmarchuck. Barry Field wound up the first period scoring at 15:44 with Ray and Gordon Rattray getting assists. Dayeland's Bob Zimmer opened the second period scoring at 2:58 assisted by Lawrence Koehli. Mark Wemp added another for the Gas Kings from Barry Field and Ray Rattray at 10:48. Bob Zimmer scored his second of the game at 14:07 unassisted giving the North Star's their final score of three. Ray Rattray scored unassisted with just 31 seconds remaining in the period.

The third period was scoreless however. The Gas Kings received 22 minutes of penalties to make a game total of 30 while the North Star's took only 8 minutes for the whole game.

On Sunday, January 28 the Gas Kings travelled to Sedgewick in the afternoon to make up for a game missed earlier in the season. Gordon Rattray opened up the first period scoring at 9:18 from Jim and Lee Laskosky. Jim scored again for Viking at 13:04 assisted by Ron Naslund and Gordon Rattray.

The second period saw only two goals scored, Jim Laskosky from R. Naslund and G. Rattray again at 1:35 and Rick Bergwath from Graham Anderson and Vern Bergum at 13:10.

Jim Laskosky opened up the third period scoring at 2:33 with his 3rd of the game, assisted by Lee Laskosky and Ron Naslund. Sheldon Tindall added Sedgewick's 2nd marker at 7:58 assisted by Graham Anderson and Darrell Simpson. Ray Rattray added another for the Gas Kings from Gordon Rattray and Jim Laskosky at 11:57 and Blaire Quinton scored at 17:08 with Martin Laskosky getting the assist, making the final score 6 to 2 in Viking's favour. The Gas Kings took 22 minutes of penalties while the Sabres took fourteen.

On Monday, January 29 the Gas Kings had the Hardisty Stampeders visiting them and treated the fans to a superb game of hockey. Gordon Rattray opened the scoring at 5:23 assisted by Ron Naslund and Ray Rattray. At 7:06 Garry Bromby answered for Hardisty from Dwight Grainger.

At 10:04 of the second, Darren Morrison scored from Garry Bromby and Brandt Sim to move the Stampeders ahead. Murray Quinton answered for the Gas Kings just eight seconds later with Ray Rattray getting the assist. At 12:18 Doug Palmarchuck moved the Gas Kings ahead again with Ray Rattray and Blaire Quinton getting assists. Just 19 seconds later Mike Kroetsch scored the final goal of the game from Garry Bromby, making the final 3 to 3.

Pee Wee Hockey Review

With two Pee Wee teams in league play and a third working towards the provincials, the Pee Wee players are having a busy schedule.

On Friday, January 19th, Viking Green met with Lougheed in regular league play. Most expected this to be a close hard fought game as the two teams occupy second and fourth place in the Battle River Hockey League. It was not a good night for Viking Green. They couldn't get it together as a team and went down by a score of 9-0.

Saturday, January 20 found Viking Purple at Sedgewick. A real crowd pleaser from all reports - with a fantastic display of goal tending by Sedgewick. Viking and Sedgewick went off the ice with 5 goals apiece. To keep the scale balanced, the teams were found to have each received a total of 12 penalty minutes as well.

Scoring summary: Majeski, 1 goal, 1 assist; Wincura, 2 goals; Lawes, 1 goal, 1 assist; Antos, 1 goal; and Ash, 1 assist.

The provincial team was called into action at 8:00 p.m. on Friday night, playing host to the Sherwood Park boys.

This game, with an element of the unfamiliar, brought out a number of fans to see the home team record another victory. Although Viking came away with a win, they had to work hard for it. Sherwood Park had the lead at the end of the first period with a score of 2-1.

In the second, the Viking team regained their composure and score 4 goals to Sherwood Park's 1.

Again in the third, Viking outscored the visiting team to end the game at 8-4.

Summary of scoring: Antos, 3 goals, 1 assist; Wincura, 1 goal, 2 assists; Hanson 1 goal, 2 assists; Erickson, 1 goal, 2 assists; Lawes, 1 goal; Hoffman 1 goal; Vitek, 2 assists.

On Friday, January 26, a group of volunteer workers met at the Viking Youth Centre and spent the entire day giving the meeting room a complete face lifting, including painting and general clean up. Staff Photo

Dobry Enters Playdowns

The Doug Dobry rink, curling out of the Sedgewick club with Ian Eckstrand third; Don Hafso second; and John Anderson throwing lead, captured the Zone 11 Men's Consol Playdowns which were held in Daysland recently. This entitled the team to advance to the Northern Alberta Playdowns which were held at the Shamrock Curling Club in Edmonton.

In the ensuing competitions the Dobry rink won their opening game but met defeat in the following three. All three were very close, well curled games. Out of this playdown the three rinks advancing to the Provincial Playdowns in Calgary are the Devlin, Fink and Reed rinks.

Curling enthusiasts following the results of the provincial playdowns may be interested to note that John Hunter, Viking lawyer, throws third rocks for the Devlin rink.

Gallinger Wins Bruce Ladies' Bonspiel

The Darlene Gallinger rink of Tofield captured the Grand Challenge at the Bruce Ladies Open Bonspiel on the weekend. Judy Kalita [l] is shown congratulating the victorious rink of [l to r] Skip Darlene Gallinger, Third Linda Sears, Second Ann Adamson, and Lead Denise Neville. Staff Photo

On Sunday evening the Darlene Gallinger rink from Tofield won the Grand Challenge at the Bruce Ladies' Bonspiel after a hard fought battle against Strilchuk's Ryley foursome. At the end of the 9th end the score was 9-8 in favor of Gallinger. Strilchuk missed her last takeout to leave the Tofield rink with a pair.

The second event saw the Dorin rink from Bruce easily defeat the Rzatiuk team from Vegreville by a score of 9-4.

In the third event Nellie Sribney of Vegreville skipped her rink to victory over the Betsy Ann Gallinger rink from Tofield. Sribney was leading 7-6 at the end of the 9th and made a perfect takeout with her last rock to remove the tying rock.

A total of twenty-two rinks from Bruce, Holden, Ryley, Tofield, Viking and Vegreville participated in the bonspiel. The large entry, along with keen ice and attractive prizes made for a fine time for all. On Saturday night the ladies from the Agricultural Society catered to the banquet which was held in the Community centre. Judy Kalita welcomed the guests and Ellen Dorin said grace. Following the tasty meal the skips introduced their rinks.

Following is a complete list of winners:

GRAND CHALLENGE
1st, Darlene Gallinger, Tofield
2nd, Strilchuk, Ryley
3rd, Watson, Tofield
4th, Erickson, Viking

SECOND EVENT
1st, Dorin, Bruce
2nd, Hantiuk, Vegreville
3rd, Wilde, Vegreville
4th, McCormack, Vegreville

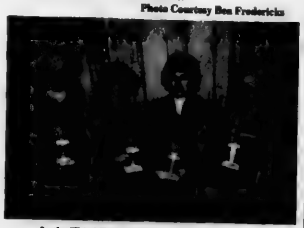
THIRD EVENT
1st, Sribney, Vegreville
2nd, B. Gallinger, Tofield
3rd, Story, Holden
4th, Curtis, Bruce

Largest end in the bonspiel was a 6-ender laid by Wilde of Vegreville. Consolation trophies - Langrer of Holden.

—Jea Fredericks

Winners of the second event in the Bruce Ladies Bonspiel were [l to r] Skip Ellen Dorin, Third Jean Tkaczyk, Second Florence Lockner, and Vicky Field, who filled in for Annemarie Fornal.

Photo Courtesy Bea Fredericks



In the Third Event in the Bruce Ladies Bonspiel, the winners were [l to r] Skip Nellie Sribney, Third Barbara Dreger, Second Liz Kuchik, and Lead Elsie Medryk.

Vixons Attend Champion Tournament

and Jenny Anderson, all with 2 points.

The next game, which took place Saturday morning against Noble Central Bladettes, Noble Ford, 1978 - 1A Provincial Champs. In the last quarter of this game the Vixons played with four players because of the fouls called against them, but still they didn't give up so they ran their hardest for the last eight minutes. End score of 33-21 for the Bladettes. Again Karen Overbo led the scoring with 10 points, Darlene Laskosky and Debbie Sloboda with 4 points each, and Connise Slavik with 2 points.

The Vixons play their next county game in Tofield on the 31st of January at 6:30. See you there!

The weekend of the 19th and 20th of January, the Vixons travelled all the way to Lethbridge to participate in a two day tournament affair where the Vixons played against provincial champs from many different areas in Alberta.

On Friday night, the Vixons played the Sir Winston Churchill Griffons of Lethbridge, 1978 - 3A Provincial Champs. The Vixons, getting outshot but not out-hustled, lost 50-24. Karen Overbo led the team in scoring points with 12, Debbie Sloboda following with 6 points, Darlene Laskosky, Cheryl Giroux

Bantam Hockey Report

The season for the Viking Legion's Bantam hockey team is well into league play. This year's team is large in number if not in stature. Statistics taken from league competition find them with 4 wins, 3 losses and 1 tie game. They have faired equally well or better in exhibition play with 5 wins and only one loss. The team will complete their league play on February 10.

This team will also be entering in Provincial "C" playoffs, which will begin soon. This hockey promises to be exciting and the team hopes to see many fans at these games.

Skaters Raise Funds

The Viking Figure Skating Club and Viking Minor Hockey Association held their annual Skate-A-Thon on Sunday. 63 participants skated for a maximum of three hours to help raise money for their organization. Staff Photo

Quite a number of young skaters accepted the challenge of raising money for their respective clubs by seeking pledges and participating in the annual Skate-A-Thon.

The event took place on Sunday afternoon, January 28, at the Viking Arena. A total of sixty-three skaters took part, which included members of both the Figure Skating Club and the Minor Hockey Assoc.; with the added support of five adult skaters - Ellen Lefsrud, Frank Vitek, Norma Bauer, Lois Antes and Frances Winzura.

Although the number of skaters was less than anticipated, the enthusiasm and determination of those involved once again produced favorable results.

President of the Viking Figure Skating Club, Mrs. Shirley Voltner estimated the gross income to be in the neighborhood of $1100. The money will be shared by the two sponsoring clubs.

Skaters are reminded that their task is not complete until all pledges have been collected and turned in.

Diann Clouston at The Weekly Review office will again be collecting the pledges for both clubs.

Municipal Debt Reduction Program Announced

The provincial government has announced a massive municipal debt reduction program for all Alberta Municipalities. Premier Lougheed noted that due to the governments oil and gas royalty arrangements of 1973 and 1974 togwther with effective federal and provincial negotiations since then dealing with oil and gas prices, the government is acquiring in the short term substantial cash surpluses over and above the allowance to the Heritage Savings and Trust Fund.

The provincial treasurer, Merv Leitch noted that property taxes in Alberta continue to be among the largest in Canada and that the portion of disposable income which goes toward the payment of real taxes has decreased over the past decade. The government is concerned about the increases in the portion of individual Albertan's property taxes, which are applied toward the retirement of municipal debt.

The government has therefore established a major Municipal Debt Reduction Program for Alberta Municipalities. The program will provide over one billion dollars to municipalities, about ⅔ of which will go directly toward the retirement of Municipal Debt held at 8% or greater interest rates. The continued effect of the program will eliminate millions of dollars of interest expense to Alberta tax payers in subsequent years.

In fairness to all Albertans, the funds will be applied on a per person basis to every Alberta municipality. Many municipalities will have a large portion of their debt dramatically reduced and these municipalities with low or nominal debt will receive unconditional grants to establish their own special "Municipal Surplus Funds" for their own future needs. This allocation will amount to $500 for every Alberta resident in each municipality, based on the official population as of June 30, 1978. It is to be noted that these funds do not come from the Alberta Heritage Trust Fund.

The program will result in the elimination of 90% of municipal debt, which is a direct burden on every tax payer. In three-quarters of Alberta municipalities this debt will be totally eliminated. The program will result in a direct annual saving to Alberta tax payers of at least 85 million dollars in annual debt charges. This in turn will result in a direct tax reduction of 10 to 20 percent for the average urban home owner.

The program is to take effect on April 1, 1979 and include all debt undertaken up to December 31, 1978. Details are being forwarded to each of the local municipal councils in the province in order that the Municipal Debt Retirement Program can be enacted prior to the finalization of the 1979 municipal budgets and mill rates.

For the communities in our area this will eliminate the major portion of the debt on all existing water treatment and sewage facilities. All new sewer and water facilities will come under the new Alberta Environment capital assistance program which replaces the debenture shielding program previously enacted by Alberta Environment.

Partial Annexation Approved

Two parcels of land totalling approximately 160 acres have been approved for annexation to the Town of Viking.

On Wednesday, January 31, the Provincial cabinet approved the addition of approximately 40 acres to the west of Viking (the Roddick property) and approximately 120 acres to the east (the Laughlin property).

According to Ray Meroniuk of the Local Authorities Board, the 120 acres to the east is designated for residential while the 40 acres to the west is designated for light industrial and highway commercial. He said that these parcels were included in the annexation because both areas could be easily and economically serviced.

A third parcel of land, approximately 80 acres northeast of Viking (the Naslund property), is not included in the annexation. According to Mr. Meroniuk, the Cabinet decision indicates that the inclusion of this piece of land would be in excess of the established residential demands unless other potential for development materializes. The decision noted that the land was used for agricultural purposes, and would remain in that use for some time, so it was not annexed to the Town now.

As well, the half section owned by the Town on which the sewage lagoon is located, was not added to the Town's boundaries. The decision noted that the deletion of the Naslund property from the annexation would make an irregular Town boundary if the half section were annexed, and that it would be joined to Viking only by a thin strip of land. The decision noted that the land was not needed within Viking at this time and would therefore be premature.

The annexation of the two parcels of land is retroactive to January 1, 1979. Full details of the annexation decision were received by the Town on Tuesday.

On Friday evening at approximately 8:30 p.m., a single vehicle accident occurred on Hwy. 14, [illegible] west of Viking. The driver of the ½ ton truck apparently lost control and hit the guard rail. The truck then flew through the air and upon landing rolled 5 times. Robert Runnels, driver of the vehicle is in Tofield hospital suffering from a concussion and the passenger, Brian Pochynok was treated for minor lacerations to the hands and released. Both the men are from Holden. The inserted picture on the bottom right shows better the end result of the accident. Staff Photo

Provincial Candidate Nominated

On January 25, the Vermilion-Viking New Democrats held their nomination meeting at the Innisfree community centre.

Steve Leskiw, the New Democrat candidate from the Redwater-Andrew constituency was the guest speaker. The meeting was well attended and the result of the meeting was that Grant Bergman was nominated as the New Democrat candidate.

Grant Bergman, age 26, was born and raised in Edmonton. He finished his high school at Victoria Composite and then attended the University of Alberta for two years.

For the last six years Grant has been farming. Grant and his brother Reid, run a mixed farming operation on 700 acres, six miles southwest of Innisfree. Besides raising grain they also raise Registered Polled Herefords and Simmentals.

"Farming For The Future" Grants Awarded

Alberta Agriculture Minister Marvin Moore, Chairman of the Agricultural Research Council of Alberta, has announced confirmation of the first seven grant awarded in the "Farming for the Future" program.

Established in late 1977, Farming for the Future is a five-year, $10 million program funded by the Alberta Heritage and Savings Trust Fund which aims to promote agricultural research in Alberta. Project proposals involving all sectors of the agricultural industry, with possible benefits in both the short and long term, are being reviewed by this program.

At the November 1, 1978 meeting of the Agricultural Research Council of Alberta, Administrator of Farming for the Future, 34 grants worth more than $1.27 million were approved. Those awards include the seven grants just recently confirmed.

At the most recent council meeting on January 10, an additional 20 grants totalling more than $700,000 were approved, for a total allocation to date of $2 million for 54 projects.

The seven finalized awards cover many agricultural sectors. The first project, to cost $43,500 in the first year, will establish an in-field farm management laboratory. The project is being conducted by Dr.'s Len Bauer, T.A. Peterson and M.L. Lerohl of the University of Alberta. Studies into the development, spread and control of four economically important diseased of greenhouse crops is the second approved project, to cost $42,000. Dr. J. Wiebe, director of the Alberta Horticultural Research Centre, will conduct the second project as well as another $7000 study into the effects of various soil active herbicides on succeeding rotational crops.

The date of the next research council meeting has not yet been set though its intent will be to identify gaps in existing research programs as well as opportunities to improve technology available to Alberta's farmers.

We Are Our Own Worst Enemy

The Town Planning Committee in Viking is presently involved in attempting to establish some long range guidelines for the total development of Viking. One of the uncertainties plaguing the meetings was the status of the annexation proposal by the Town. By not knowing the exact availability of land within the Town, the Committee therefore stalled projections.

Even though a partial annexation has now been approved, and Viking has acquired this land, what specifically will be placed on it? One of the problems experienced by our rural communities is that we lack the funds to put forth a concerted effort to attract businesses or industry to our area. One effort along these lines in the area is the Rural Development Group 4. This group works along these lines, as well as in areas of total community development.

But how successful can any efforts to attract industry to our community be if we don't support those efforts. In a discussion with Mel Warren of R.D.G. 4, he said that in the years he has worked with Rural Development, he has seen efforts put forward by local entrepreneurs to start a small manufacturing business in their communities. Yet very little support or interest was shown by the local business people or residents in most cases. As well, Albertans generally tended to look on these "Alberta made" products as being inferior to foreign made products.

Do we, as Albertans, have an inferiority complex when it comes to our abilities to produce a quality product? If this is so, we must endeavor to "get over" it and start to throw our full support, both financial and moral, behind these people who are willing to take a chance. Without this, failure is assured. With it, success is an excellent possibility.

EROSION PROBLEMS FOR BLACK SOILS

Very few people like wind and even fewer like blowing dust. However there is nothing we can do about it once soil starts to blow, the only thing that will stop wind erosion is rainfall, a drop in the wind, or in some cases, working the soil to bring lumpy material to the surface.

But instead of attempting to cure this problem, it is more beneficial to the farmer to attempt to prevent the occurance of wind and water erosion. Thus the farmer should examine their farming techniques carefully and consider these questions:

1. Does the cropping program allow soil organic matter to remain at a sufficiently high level to protect the soil from erosion either by wind or water?
2. Is the straw being burned rather than being worked back into the soil? Is it being partially used for feed or bedding?
3. Is land worked to such a condition in the fall that there is little or no trash or lumpy material on the surface to hold the snow or protect against erosion?
4. Are too many crops which add little to the soild organic matter being grown (rapeseed, for example)?
5. Should more forage crops (like sweet clover) be grown to permit a build-up of organic matter that protects soils from erosion and improves subsequent productivity?

As is stated by Dr. Stan Beacom, Director of Agriculture, Canada's research station at Melfort, Saskatchewan, it is time all of us who manage productive agricultural land realized the responsibilities we have to maintain this precious natural resource in a highly productive state. Coming generations will need it to sustain their standard of living at a level similar to ours and continue to provide food at reasonable costs to a hungry world. Beacom then concludes that the technology is available to prevent soil erosion so let us do it now before it's too late.

FEEDLOT TOUR-February 19, 20, 21, 1979. Touring feedlots in the Red Deer area. This will be useful to producers who intend in finishing cattle, have feedlots or interested in feedlot operation. This is an opportunity to observe and discuss various methods used by feedlot operators and discuss markets and market predictions. If you're interested, we invite you to register with us by phoning our office in Ryley to reserve space for you.

Also a reminder to preregister for the Surface Rights, Veterinary and Gardening courses to be held soon.

just about every form of art from painting to rug making and many other items. If you're interested, come and have a look. A lot of prices are low and may result in quite a saving.

Our office is located in the County of Beaver building in Ryley. Come in and see what we have.

9th ANNUAL BADMINTON TOURNAMENT - FEB. 18

The 9th Annual County-wide Badminton Tournament will be held on Sunday, February 18 at Tofield School. This year's entry fee is $3.00 per person and a $2.00 fee for additional events. Each event will include a trophy and two consolation prizes.

Registration forms are available through your local badminton club. Last day of registration is February 14.

This tournament is limited to only persons actively involved in one club within the County.

The Dance All Night is scheduled for Wednesday, February 7th, hosted by the Viking Senior Citizen Club. We are anticipating approximately 150 seniors from our County to attend this activity, so watch out Viking, I'm hoping it will be the success that we had in Tofield. Next week's column will contain some news on the dance.

BRUCE BADMINTON AND RYLEY FAMILY BADMINTON

Because of the very low attendance at badminton in Bruce, we have had to find it necessary to cancel this activity. We will be trying this again next fall and we hope interest will be re-vitalized during the spring and summer.

As you recall this winter we decided to plan a second night for badminton in Ryley because of the very crowded conditions on Thursday evenings. This has not worked so well. Attendance has been low on Tuesday evenings so after trying for three weeks, Ryley Family Badminton will be cancelled.

Badminton will still be played in Ryley Thursday evenings, 8:00 - 10:00 p.m. until spring.

CAKE DECORATING

The Adams community centre will be hosting a cake decorating course, Tuesdays, starting on February 20, at 7:30 until 10:30 p.m. This is a five week program costing $12.00 per student. The course is aimed at a beginner level and will teach basic decorating skills. To register please call Mrs. Klammer at 668-2116

Letters to the Editor

Dear Sir:

I would like to clarify that the feed lot adjoining my place to the east, one half mile west from the town of Irma, with a bunch of skinny horses and pigs, does not belong to me.

The skinny stock are not there now, thanks to the S.P.C.A. All that is left now are the torture pens and the manure piles.

I do hope from now on I can go to a neighboring town without being accused of owning such a poorly arranged feed lot, and also cruelty to dumb animals.

James A. Knudson
Irma, Alta.

Dear Editor:

"International Year of the Child"

I love children, I always have. Lately I have become angered and more or less disgusted to hear them being referred to as "kids".

I have heard it on all sides, T.V., radio, press and even on occasion, from the pulpit. I maintain that referring to children as kids is disrespectful and even degrading.

I am sure that once people realized this fact they would use the word "children" or young people.

I wonder if many people who use the word "kids" really know the meaning of the word. It's in the dictionary.

Let's give children the respect they deserve.

"Child Lover"

At 5:00 p.m. on Wednesday, January 31, 1979 Mayor Selmer Hafso of Viking made the draw for a trip for two to Las Vegas courtesy of The Weekly Review. Ken Stambaugh of Bruce was the lucky winner. Lane Carrington [right] receives the lucky ticket while John Pullen [centre] witnesses the draw.

Parent involvement is an important part of an E.C.S. program. Marilyn Ligard takes part by playing the piano every Wednesday morning to the Holden Kindergarten students. The children shown are: Dale Zemlak, Wesley Giebelhaus, Aaron Lutz, Kai Ligard, Sara Ligard, Elise Mathews, Gerald Pratt, Derik Schuller, Shaun Wakefield and Lori Kraus.

Holden and District News

On January 31, 1979, Mrs. Carrie Olson of Camrose, formerly of Holden, passed away at the age of 80 years. Survived by three sons, Arthur of Camrose, Herbert and Harry of Holden; one daughter - Mrs. Alice Jones of Edmonton; two grandsons - Vernon Jones of Swift Current, and Raymond Jones of Penticton; six grandchildren, one brother Bud Sizer of Holden. She was predeceased by her husband Bill in 1964. Funeral services were held on Monday, February 5 at the Holden United Church with Reverend David Meddle officiating. Interment was in the Holden Cemetery.

Hockey news at Holden last week was Holden Beavers playing against Tofield Satellites on February 1st. At the end of the first period the score was 4 to 0 for Tofield. In the second period Holden scored 2, and 1 more score in the third period. But the game ended with Tofield scoring 3 more goals making it a 7 to 3 game.

On February 3, the hockey game between Holden and Andrew saw Holden scoring 3 goals and Andrew scoring 9 goals, in a game at the Holden Complex.

Holden and District Agricultural Society will hold a Skate-A-Thon at the Holden Complex on February 11 at 1 p.m. Many youngsters are looking for sponsors.

—Anna Shavchook

Ryley Students Study Taxidermy

During this last semester twenty-five grade eight students from the Ryley Junior High School had the privilege to study taxidermy. This took place in the Natural History course that was led by Mr. Pat Nolan, their teacher, who learned this art from reading books. Each student chose a specimen, some decided on fish while other chose birds. The pictures shown are all different stages of the process. Mr. Nolan is very happy with the results and it seems that the students are also.

At the present time these students are working on projects for the County of Beaver Science Fair to be held in Ryley on March 5th. Each student or pair of students are doing a display type research project. Projects from all over the county will be entered, making for an interesting time for all science buffs.

Bruce and District News

Vicky and Hank Field and Agnes and Roy Erickson left Saturday for a two-week holiday in Hawaii. Agnes and Roy missed by one day the birth of their first grandson. Colleen and Jim Warren became the proud parents of a baby boy on Sunday, February 4. Congratulations Colleen and Jim.

The Bruce Busy Bees will hold their public speaking competition on Thursday, February 8 at 7:30 p.m. in the Community Centre (School). Everyone is welcome to attend.

Ken Stambaugh hit the jackpot last week when he won a trip to Las Vegas. As yet, he hasn't made any definite plans but likely he will wait until he feels lucky enough to beat the one-arm bandits.

Dan Teske is a patient in the Viking Hospital. Best wishes for a speedy recovery.

Thirty rinks are participating in the Men's Open Bonspiel this week with three draws each night beginning at 5 p.m. On Saturday and Sunday curling will go on all day with the first draws scheduled for 8 a.m.

Members of the Bruce Women's Institute have planned a Valentine Strawberry Tea and Bake Sale to be held from 2 until 5 p.m. on Wednesday, February 14, at the Recreation Centre.

By Bea Fredericks

The Homemaker

Thank goodness for St. Valentine's Day in February. It helps to bring a special romantic aura to what could otherwise be a cold and blustering February day.

General Foods Kitchen suggests you make this a special day, with a special cake. The Chocolate Cherry Pudding Cake is a simple version of a Black Forest Torte. If you've got heart shaped pans, use them.

CHOCOLATE CHERRY PUDDING CAKE
1 pkg. (4 ser. size) chocolate Instant Pudding
1 pkg. (2 layer size) chocolate cake mix
4 Eggs
1 Cup water
1/4 Cup salad oil
1 can (14 oz.) dark pitted cherries
1 Envelope Dessert Topping Mix
1/4 Cup milk

Blend pudding mix, cake mix, eggs, water and oil in large mixer bowl. Then beat for two minutes at medium speed. Pour into two greased and floured 9 inch layer pans. Bake at 350 degrees F for 30 minutes or until cake tester inserted into centre comes out clean and top springs back when lightly pressed. Cool in pans 10 minutes. Remove from pans and finish cooling on racks.

Drain cherries reserving 1/4 cup of syrup. Prepare dessert topping mix with reserved syrup and milk as directed on package. Arrange one cake layer on serving plate and top with half the prepared topping and repeat with second layer. Arrange cherries on top of cake.

Substitute your favorite chocolate cake recipe if you don't want to use a mix.

Vialta Lodge News

Mrs. Doris Likness of Irma called in to visit with Mrs. Elness last week.

Mrs. Gwen Hooper of Holden called on Friday to see her mother, Mrs. Evans and take her up town during the afternoon.

Shannon Mackey of Killam was visiting with Mrs. D'Arcy.

Mrs. Sarjeant who has been with us for three years, moved to Camrose Lodge the first of the month. We shall all miss her but wish her all the best in her new home. Last Saturday Alice Hoines and Solvie Salvesson had a tea for her and had several ladies in the Hoines home.

Mrs. Suddaby spent several days in the city last week with her daughter.

Mr. Dillane went to Calgary on Thursday and will take the plane from there for California, where he will visit with relatives for six weeks or more.

We are all so pleased with our new piano, and would like to extend sincere thanks to the Roddick Family for donating it in memory of Fred.

Mrs. Reger spent Thursday in Tofield visiting with her sister and friends.

Marg, Bill and Leah Bailey of Drayton Valley called to see Grandma Sorenson.

Calling on Sunday to see Mrs. D'Arcy were Mr. and Mrs. T. Christenson and Mr. and Mrs. Bob Glennie of Sedgewick.

Guests out with their family Sunday were Mr. Gibson to Holden, Mr. Hoyland and Mrs. Johnson, Albert Whitford attended the hockey tournament held in Viking on Saturday and Sunday.

Our Bingo for this month will be held on February 21st., and the card party will be held on February 27th.

Greetings to Mrs. Otto and Mr. Murray who are at present in the hospital.

We will be quilting on Thursday, February 9th, at the Lodge. Hope to see all our old friends and anyone else who is interested in helping us.

Echo-Rodino Report

Luck is finally finding its way out here as bingo winners last week in Viking were Karen Baur and Yvonne Greenwood.

Yvonne and Harold Greenwood spent a day in Edmonton shopping.

Mervyn, Lorette, and Karen Krull of Ledue and Douglas Prosser of Edmonton were weekend visitors at the Prosser residence.

Rita Greenwood of Edmonton spent the weekend at the home of her parents, Mr. and Mrs. Bruce Greenwood.

Maxine had a pleasant surprise last Sunday when her daughter Rhonda and son-in-law and family of Saskatoon, Saskatchewan dropped in for a visit.

Shirley Greenwood has taken up residence with her parents, Mr. and Mrs. Everett Greenwood while she plans her forthcoming marriage to Tom Nott.

Leonard Greenwood spent a few days in the hospital this week. Hope you're on the mend now Leonard.

Mike, Esther and Dean Mackowosky spent a day visiting in the Looma area.

Horse Club Prepares for Public Speaking

The Viking Light Horse club members met on February 1st, with the meeting beginning at 7:15. Twenty-four members were present. Melanie Mattinson led in saying the pledge. All members are to hand in their raffle tickets on the 14th. Connie is collecting the money. The members were reminded that Public Speaking will be held on the 11th of this month.

The lunch committee will supply the food for our Public Speaking evening.

The treasurer's report was then given. Darlene made a motion that everyone bring 50 cents to cover our 25 dollar pledge to the 1979 Telerama.

Bruce Bridgeman gave the adult report. On March 2nd, the county is having a 4-H recreation day at Holden. Each family is to bring a pan of cookies or a cake.

The Club can purchase 4-H jackets if they wish.

The president then handed out New Year's greetings from the northwest regional 4-H office.

Bruce talked to members on Public Speaking preperations for next Sunday.

The next meeting will be at Garry McClement's home on February 14, at 7:00 p.m. The meeting adjourned at 8:15 p.m.

If you're thinking of purchasing a dozer blade this winter, drop by and compare our prices and quality.

The Pencil Box

Take Time to Smell The Flowers

By Marion Cottrell

This summer I purchased an item with these words printed on it. "Don't go through life so fast, you forget to smell the flowers."

In this world of hurry, scurry and involvements in this and that, how difficult it seems to take time to appreciate the small things of life. Small, yet how much our lives could be enriched if only we took time to notice.

May times children, perhaps especially ones raised on the bald-headed prairie, will lie watching the ever-changing cloud formations. They may have the opportunity of seeing a hawk gliding effortlessly on the air currents. Perhaps, if they are fortunate enough, they might be made aware first hand of the marvelous eye sight these birds have, as from high up, they suddenly dive and second later mount again into the blue with a prey clutched in one talon.

Per chance they will observe a crow being driven away fiercely by several smaller birds who have joined together in a counter attack against this nest robber.

In the warmth of that summer day, the ever present but seldom noticed sounds may begin to penetrate. A meadowlark singing his heart out for the pleasure of his mate. The sharp click as a grasshopper leaps from blade to blade. Perhaps the constant trills from the red-winged blackbirds as they sway back and forth on the cattail reeds. Even the grass rubbing against each other as a gentle breeze blows, adds to the harmony of sound. A bee busy collecting pollen leaves an intermittent sound in the air as he moves from flower to flower.

How long has it been since you have taken the time to be aware of these things around you?

The feel of a wet snowflake as it quietly falls towards earth and settles on your eyelash. The sparkling of a million jewels dropped from heaven ona crisp and frosty winter morning. Fresh, soft snow banks blown up in mounds of huge meringue topping, covering the landscape after a storm.

As you weed your little pansy patch, take time to notice the little faces peering up. Before you grumble about those dandelions spoiling your once perfectly green lawn, pick one and look closely at the structure of this yellow intruder. This surely is a marvel of our Creator's designing.

Observe the tightly curled rose buds which will open to reveal a flower of beauty, both for sight and smell. In the spring you plant one little sun flower seed and are rewarded several months later with a head of perhaps a multiple of one hundred.

So many wonders are all around us to give us a moment of joy if we will just reach out with our senses and observe.

One triumphant entry often missed, because we are too busy, is the show of strength and perseverance of little bean sprouts as they bravely push against the solid earth which has nourished them for several days. As last they burst through and in a few short hours have unfurled toward the sun.

There are such a variety of day lilies to feast your eyes on. Did you know the Greek name of this flower means "beautiful for a day"? If you miss observing your day lilies just one day, a blossom will pass you by and never again will you have a chance to see that particular one.

"Don't go through life so fast you forget to smell the flowers" Each day of our lives we can have a 'special blossom' to 'smell'. It may be small, but added together, they can form our lives into one large bouquet of gratefulness.

Heritage Savings Trust Fund II

Alberta New Democratic Party Leader Grant Notley has released a second major policy statement on the Heritage Savings Trust Fund, entitled "An Economic Strategy for Alberta".

The document, which outlines a number of specific investment programs, was released at an Edmonton news conference by Mr. Notley, Dr. Jim Russell, the Party's energy critic, and Dr. Ed Shaffer, an economic adviser. It is the second of four such statements to be released by the NDP over the course of the election campaign.

Mr. Notley charged the Alberta government has failed to come up with an investment strategy for the Fund. "Hoarding cash does nothing to secure our future and makes Alberta subject to resentment in the rest of Canada."

The NDP economic strategy focuses on opportunities for expansion in agricultural processing, research and development, forestry, transportation and tourism. It is proposed that an inventory of products which can be produced in Alberta be undertaken at an early date.

The New Democratic Party is committed to expanding Canadian ownership and control. It is proposed that an inventory of products which can be produced in Alberta be undertaken at an early date.

Jane Mattinson Passes

Jane Mattinson was born on May 27, 1903 at Fell End, Cockermouth, Cumberland, England to Mr. and Mrs. William Taylor.

She passed away January 25, 1979 at the Alberta Hospital, after a lengthy illness.

Jane immigrated to Canada with her parents in 1911 and shortly thereafter, they settled three miles south of Viking on the Snettlegarth farm. She attended Cromer School. Jane was united in marriage to William Mattinson on March 5, 1924. To this union four children were born.

Jane Mattinson was predeceased by her husband in September of 1960 and two brothers, George in 1953 and Willian in 1972. She is survived by one daughter, Rosemary of Edmonton and three sons, Thomas, William and John all of Viking; one sister Mary of Victoria, B.C; two brothers, James of Viking and Jack of Santa Barbara, California, as well as ten grandchildren, two great-grandchildren and numerous cousins, nieces and nephews.

Jane spent all of her married life on the family farm five miles south of Viking. She moved into town in 1965 and lived here until her passing.

She was a devoted wife and mother and always a willing neighbor, until her failing health would no longer allow such. Besides her family and friends, music and nature were her fondest interests. She loved the outdoors. She will long be remembered by her family and friends.

Funeral services were held on Saturday, January 27th in St. Matthews Anglican Church with Rev. J. Bennett officiating. Burial was in the Viking Cemetery, Ronaghan Funeral Home was in charge of arrangements. Pallbears were Messrs. Carl Naslund, Ralph Child, Jim Wesley, John McIntosh, Mel Amundson and Norm Bennet. Organis was Mrs. Ila Sorenson, soloist was Mrs. Eileen McIntosh.

Floral tributes were from the family, Mr. and Mrs. C. Naslund and family, G. Heinz family and Wm. Cikaluk family, Mrs. Mildred Robinson and Mr. and Mrs. Norm Bennett. Donations to the Mitchener Centre, Red Deer, Alberta were from Gerry and Vonnie Hauser and family of Rosalind, Steve and Marg Yuha and family of Bawlf, Rod Meyer of Camrose and Albert and Muriel Ziesel and family of Strome. Donations to the Rosalind Community Centre were received from Mr. and Mrs. Willie Sydor of Rosalind.

Do You Know The Bible Says

By Mrs. W. Myers

Jesus, speaking to the pharisees who would not believe Him to be the true Son of God, said, "If God were your Father, ye would love Me: for I proceeded forth and came from God; neither came I of myself, but He sent Me. Why do ye not understand My speech? Even because ye cannot hear My Word. Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaks of his own; for he is a liar, and the father of it." John 8:42 - 44.

Who is the devil? Do you believe there is a real devil? The Bible refers to him as Angel of the bottomless pit. (Rev. 9: 11). A roaring lion and an adversary. (1 Peter 5:8). Accuser. (Rev. 12:10). Dragon. (Rev. 12:7) Beelzebub. (Matt. 12:24). Lucifer. (Isa 14:12). Serpent. (Rev. 20:2). Satan (Job 2:6), and The god of this world (II Cor. 4.4).

He is a deceiver and appears as an angel of ligh.. Jesus had many encounters with him in His earthly ministry. Do you think he was present only then?

He is just as present today but not so recognised as such by many. Hal Lindsey writes of him that he is alive and well in Planet Earth, and so he is. He has millions of followers throughout the world, many of which are not aware that he is the instigator of the religion they so firmly adhere to. This is the reason so many missionaries have gone to many lands to enlighten those people of the Gospel, the true message of Hope. The devil is just as present in our part of the world but in a more subtle manner.

Where there is abundance of money and material things, he gets people so satisfied with material things that they go on as if this will never end, but world conditions are presenting a different picture. SEE NEXT WEEK.

the crowning touch for beautiful rooms

Buffalo Coulee W.I.

The Buffalo Coulee W.I. held their December meeting at Grace Archibald's with 10 members and two visitors present. After a short meeting, they had a enjoyable Christmas party with gifts being handed out and a bountiful lunch.

The club decided to send donations to Kenya for Water Wells and to Lesoto towards a landrover.

The treasurer's report shows we had a very good Tea and Bazaar in the fall with the quilt raffle being successful. We would like to thank the people who sponsored both. The quilt was won by Mr. Stuart Warriner of Wainwright and the 2nd prize by Esther Miller of Red Deer.

Frances Prosser volunteered to stay on as Secretary for 1979.

On January 11, the first meeting of the 1979 year was held at Mrs. Harley Barss' house with 10 members, who planned their program for the year.

The group donated to the Irma High School Yearbook and 3 volunteers to look into what we can do for the International Year of the Child.

Our president Marney Barss had the honor of pinning 30 year service pins on Mrs. Grace Archibald, Mrs. Eileen Prior and Mrs. Marion Lukens.

We had this meeting early so Marney Barss and Frances Prosser could attend the Workshop and District 2 Conference in Edmonton January 17 to 18th. They reported a very good conference so we will be awaiting a report at the February meeting at Mrs. David Prior's. At this meeting we will also pack cookies.

Our January meeting was capped off with a good visit over a very nice lunch.

Parkland Nursing Home

Mr. Auburn and Mrs. Blaser enjoyed a visit with Honey Curtis of Strome.

Calling on Mrs. Pryor were her son Allan and Mr. and Mrs. G. Pryor.

Mabel and Ray Sarasin drove from Edmonton to visit with Gail Gustafson.

A big welcome is extended to Mr. Lars Ritland, who has moved here from the nursing home in Leduc. Also greetings to Mr. Tony LaFleur who has returned after a lengthy stay at Alsike.

Mr. Peter Scott has moved to the Gunn Centre at Gunn, Alberta.

Mrs. Kawaliak had many visitors during the week - Peter, Kathy, and Bob of Edmonton, Joe, Kathleen and Betty from Holden, as well as Anne and Betty Galenza and Rose Wancho.

Mr. Ritland also had company this week - Helmer and Julius Hanson, Neil and Dorothy Batemen of Elk Point and Jim and Denise and Darcy Warawa from Redwater.

Visiting with Mrs. Pasnak and Mrs. Tehir were Myron, Diane and Irene Pasnak.

Mrs. Ward was visited by her daughter Joyce Teed and grandchildren Holly and Rob.

Rejoice Together

PUBLIC UTILITIES BOARD FOR THE PROVINCE OF ALBERTA

IN THE MATTER OF "The Public Utilities Board Act", being Chapter 302 of the Revised Statutes of Alberta, 1970, as amended;

AND IN THE MATTER OF an application by Calgary Power Ltd. to the Public Utilities Board for an order or orders approving changes in the existing rates, tolls or charges for electric light, power, or energy and related services rendered to its customers within Alberta.

NOTICE

TAKE NOTICE that Calgary Power Ltd. (hereinafter referred to as "CP") will apply to the Public Utilities Board (hereinafter referred to as "the Board") at the Court House in the City of Calgary, in the Province of Alberta on Wednesday, the 14th day of February, 1979 at 9:30 o'clock in the forenoon or as soon thereafter as Counsel may be heard for an Order of the Board.

(a) determining a rate base for the property of CP that is used or required to be used in CP's service to the public and fixing a fair return thereon;

(b) fixing and approving just and reasonable rates, charges or schedules thereof for electric light, power or energy and related services to be supplied by CP, whether present rates and charges have been established by agreement or otherwise;

(c) giving effect to such part of any excess revenues received or losses incurred by CP as may be due to any undue delay in the hearing and determining of the application;

(d) fixing and approving such interim rates and charges pending the fixing of final rates as the Board may determine, and establishing a date for the commencement of such interim rates and charges.

AND TAKE NOTICE that at the said place and time the Board will hear the Application for fixing interim rates and will hold a pre-hearing conference to give direction as to the manner in which and the date and times at which the hearing of the Application may continue and for such other directions as may seem proper to the Board;

AND FURTHER TAKE NOTICE that CP has filed with the Board materials, including the Evidence-in-Chief intended to be called in support of its Application. Those parties who wish to take part in the hearing may apply to examine or to obtain the material filed by contacting CP in care of its solicitors at the address given below:

ATTENTION: Mr. C. D. O'Brien
Messrs. Jones, Black & Company
Barristers and Solicitors
3300 Bank Centre
600 - 4th Avenue S.W.
CALGARY, Alberta
T2P 0X9

AND FURTHER TAKE NOTICE that any person intending to make any submission to the Board respecting the matter or to otherwise participate in the hearing should indicate such intention by being present or represented at the Pre-Hearing Conference above mentioned;

AND FURTHER TAKE NOTICE that future dates will be set from time to time and no further publication of Notice will occur;

AND FURTHER TAKE NOTICE that any person who fails to attend the Pre Hearing Conference above mentioned or to otherwise advise the Board of his intention to participate in the hearing of the application may not receive further notice respecting the continuation of the hearing.

DATED AT THE CITY OF EDMONTON, this 17th day of January, 1979.

PUBLIC UTILITIES BOARD
C. R. LEISHMAN
SECRETARY AND EXECUTIVE DIRECTOR
11th Floor
Manulife House
10055 - 106 Street

CARDS OF THANKS

I would like to say thanks to everyone that sent cards, visited, for the treats, baskets of fruit and bouquets of flowers when I was in the hospital. Also thanks to the Doctors and nursing staff. It was greatly appreciated.
Agnes Antos

We wish to express our sincere thanks to relatives, friends and neighbors for their many acts of kindness, messages of sympathy, floral tributes and food sent to the house during the loss of our husband, brother, step-father and grandfather Fred.

A special thank you to Dr. Amin, sisters and nurses at the Killam hospital, Father Joe, and Fee and Sons Funeral Services. Also we would like to express our gratitude to the ladies who served lunch, those who prepared the grave, and those who handled the mass cards. Your acts of kindness are greatly appreciated.
Pat Swoboda and family; Alice Monk and family; Lou, Molly Ruzicka and family; Joe Swoboda

We wish to express our sincere thanks to Rev. Bennett, the pallbearers, organist, soloist and ushers, Ronaghan's Funeral Home, the ladies who supplied lunch, brought food and flowers to the homes, for floral tributes, memorials, sympathy cards, phone calls, visits and to everyone who helped in any way to comfort us in the loss of our dear Mother and Grandmother.

Viking 4-H Beef Club Decides Winners

The regular meeting was called to order at 7:30. Jason Place then said the pledge and O'Canada was sung. The roll call was the name of a grooming implement.

The club sent their pledge of fifty dollars to the telerama.

A committee of Gordon Maxwell, Kirk Maxwell and Glen Maxwell was set up to plan a farm tour for this year.

The club held their public speaking competitions on February 4th. The winners of the Senior section were Karen These and Carolyn Klein. In the Junior section, winners were Elizabeth Reddick and Leann Lefarud.

The 4-H Beef Club would like to thank those who conducted the judging and all the other people who contributed to the public speaking. Congratulations are extended to the winners and also to all the members who took part.

THE ALBERTA HERITAGE LEARNING RESOURCES PROJECT

A legacy of Canadian knowledge for the people of Alberta.

The great natural resources of our Province will not last forever. They are a gift from the land which must be returned as an inheritance to the greatest long-term resource we have . . . the People of Alberta.

The Alberta Heritage Learning Resources Project is **a legacy of knowledge** about our Province and Country for young and old alike to be passed on to future generations.

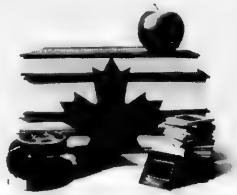
The Government of Alberta provided $8.3 million from the Alberta Heritage Savings Trust Fund to create the Alberta Heritage Learning Resources Project.

This ambitious learning resources project, directed by Alberta Education, includes **Alberta Heritage Books for Young Readers.** A specially written series of 12 high-quality reference books about the history, geography and natural environment of Alberta and Canada for Grades 4, 5 and 6.

Western Canadian Literature for Youth. This ten-volume series of selected literary works about Western Canada is for Grades 7 through 12. Three hundred and forty-nine western Canadian authors are represented in these anthologies. Two additional volumes will be in Ukrainian and French.

Alberta Literature for Senior Students and Adults. This is a classic thirty-volume library collection of already-published books. It includes such famous Canadian authors and historians as James Gray, Grant MacEwan, James MacGregor, Andy Russell, Maria Campbell and Hugh Dempsey.

The Canadian Content Social Studies Kits (KanataKits). The sixteen multi-media resource kits are for all grades. They are being developed through the cooperation of teachers and school boards across the Province.



Junior Atlas and Relief Model of Alberta. The atlas, for Grades 4, 5 and 6, is the first of its kind for young children to focus on a region. The 4' x 8' relief model will be distributed to all schools and selected public buildings.

Phase I of the Alberta Heritage Learning Resources Project is a kit of no fewer than 620 colour slides, 24 full-colour study prints, teachers' guides, and six 15-minute films about the flora and fauna of Alberta.

The Alberta Heritage Learning Resources Project Material will be provided free of charge to all schools and selected institutions in the Province of Alberta.

THE ALBERTA HERITAGE LEARNING RESOURCES PROJECT IS A POSITIVE LONG-TERM ASSET, A GIFT FROM THE LAND TO THE PEOPLE OF ALBERTA.

Profile: Ross McFarland

Having lived in Irma all his life, Ross McFarland cares about what happens to the village and does his best to get involved in it.

Ross was born in Irma, and took almost all of his schooling there. He recalls many happy occasions which he shared with his brother and sister. His parents owned the store in Irma which Ross now operates and where he has worked for many years.

Ross joined the navy after he finished Grade Eleven, where he spent nine months of training. After he was discharged, he attended Mount Royal College in Calgary and received his Grade Twelve education.

He started working in the store full-time in 1965, and in 1960 went into partnership with his father. Ross took over sole ownership of McFarland's when his father passed away eight years ago.

Ros has been a part of most of the Village's clubs and organizations at one time or another, though he says he's cut out a lot over the past few years. He was Mayor for one term while on the Village Council, past master of the Masonic Lodge, a member of the Legion and Elks and served as President of the Irma and District Chamber of Commerce.

Ross and Ethel McFarland have two daughters, Lynn and Laurie Anne. Ross enjoys curling, hockey and the collecting of antiques, as is evident with just a quick glance around his store. But, Ross is the first to admit that his real hobby is work. And whether it is in the store or for the community, Ross McFarland does just that.

Irma News and Views

The extremely cold weather resulted in several absentees from the basic knitting course being conducted each Thursday evening by Minnie Jackson.

Joe and Alma Harding of Sedgewick, their son Stephen and wife Sandy, spent the day with Minnie and Jim Jackson on Saturday, February 3rd. Joe is recuperating after a spell in Daysland General Hospital.

Bob Dempsey got home from the University Hospital on Monday, January 29th, after surgery. He is returning for a series of treatments on Tues., February 6th.

The Irma Midget hockey team journeyed to Daysland on Sunday, February 4th and beat the Daysland midget team by a score of 3 to 2.

Some people have the idea that if the weather is cold and miserable with sub-zero weather, it is healthy weather and inhibits the spread of flu and colds. Well, it doesn't seem to be working that way at the moment, as colds are in fashion. Almost everyone has, or is recovering from colds.

About 50 adults and children enjoyed the Alberta Wheat Pool delegates report meeting on Tuesday evening in the Legion Hall, on January 30th. Ivel Frickelton brought the meeting to order and announced that the Walt Disney picture "The Little Outlaw" would be shown right away so that students who wished to, could leave when the film was finished. (Red, who grew up and got most of his schooling in Irma, is now Alberta Wheat Pool P.R. representative).

The film was exciting and held the crowd to the end. It was really enjoyed.

At the conclusion of the film, some students did leave. Delegate Stan Chenoweth of Wainwright then gave an interesting account of the Wheat Pool annual meeting and operations of the pool for the year which ended July 31, 1978. Red gave a short talk, a few questions were asked and answered and the evening concluded with coffee, donuts and socializing.

Bert and Mary Armitage and Mr. C. Garvie called on Minnie and Jim Jackson on Tuesday, January 30th.

Minnie and Jim Jackson visited Mrs. F.T. Thurston who is a patient in Wainwright hospital on Saturday evening, January 27th. She is being treated for a heavy cold.

Don and Annette McKee and children from Wainwright visited Meg Dunbar Saturday, February 3rd.

There was a family get together at the home of Anne and John Dunbar on Sunday, February 4th. Bonnie and Bob and children from Lacombe, son Billy, Charlene and baby Crystal May, and Grandma Meg were all visited. A real gathering of the Dunbar clan.

We are glad to report that "Irma Motel" is now completed and is ready for business. Congratulations and best of luck.

Glad to see Albert Copeland feeling better and back to school after his most unfortunate skidooing accident.

Irma Fish and Game annual Wild Game Supper, Friday, March 9th. Watch this paper for further particulars.

Mr. and Mrs. Doug Enter (nee Creasy) and Kirk have moved into their spacious new home on the former Leonard Peterson farm about 5 miles south of Irma.

Mrs. Marion Yeomans of Vancouver has returned home after spending the past 2 months with Elva Spring.

Mrs. Ralph Erickson is enjoying a holiday out at Smithers, B.C. with Dennis, Lou and Tina.

Sharon Lutheran congregation was notified of the upcoming Crusade with Alf Ross to be held in Sedgewick the first part of March.

Miss Lorraine Gulbrau of Olds was home to help Grandpa Satre celebrate his 81st birthday. Willard and Aves Shaw and boys of Edmonton were also home for the big occasion.

Miss Diana Long of Olds was home to help with their Purebred Hereford Sale.

New Horizons Bingo Winners

The Irma New Horizons Club held a Bingo on Thursday, February 1st at their Drop-In Centre. Prizes went to the following participants.

1. Ed Haugan
2. Evelyn White
3. Peggy Nearing
4. Roy Burton
5. Kitty McNeil
   Walter Littlewood
6. Kitty McNeil
   Phyllis Craig
7. Louise Prosser
   Alma Enger
   Carol Meyer
8. D.H. Gunn
9. Louise Prosser
10. D. McNeil
11. Elma Tomlinson
12. May Carter
13. Jean Burton
14. Darlene Wigmore
15. Blackout - Mrs. Wigmore

We are planning to hold two Bingos a month, so watch for poster. Next Thursday, Feb. 8th we are planning a card party. So come join the fun and give us your support.

I guess one angel in another's hell:
The truth I shall not know,
but live in doubt,
Till my bad angel fire my
good one out.

"You Can" With Further Education

"You Can With Further Education" is Irma!..... Since our fall season started several courses have been completed. In November the "Pant Fitting" course was very well received. The Adult Beginners Band, Dan Naaha' 10 Week Wonder - perhaps still has him wondering but even though the course is completed the class is continuing with hopes that others will have time to join us on Wednesday evenings at 7:30 at the school. The St. John's Ambulance Course offered by the Lakeland College with Garry Exinga as instructor, saw 8 Irmaites plus several from Wainwright completing their exams last week.

A variety of people, ranging from 16 to senior citizens, and occupations including firemen, oilmen, farmers, teachers, butchers, students, and housewives, each expressed satisfaction in the course.

On February 10 and 11 the Cross Country Ski Class will meet at the school at 9 a.m. where Dan Nash will instruct them. There is still room for more if you wish to register.

Quilting is pending. So far, we have not had enough registrations, but if Tuesday, Thursday or Friday evenings meet your approval, please let your Town Representative know. Don't forget Aletha Tomlinson will show how to make sleeping bags with the cover made from left over jeans etc.

Mrs. Jackson's knitters are busily working on their articles. The Basic and Advanced classes had to be put into one class due to the lack of registration.

We tried another new course which proved to be very interesting. Mrs. Sherilee Fischer demonstrated sewing machine embroidery. The students were shown many exciting ways to use their machines besides patching.

Keep Fit and Volleyball have both registered full classes with Erika Foley instructing.

Betty Gann's Denim Class was moved up to March 10th. With the price of jeans what it is, why not come and learn how to make them for about one third the price. There is room for three more registrations.

If you are interested in Yoga for Seniors, be sure and let Phyllis Craig know. This class begins on February 28th at the Drop-In Centre.

I see where I haven't mentioned Margaret Smith's Basic Sewing Class. These beginning seamstresses are learning how to sew several basic garments.

The Scandinavian Hardanger Class is filled, but the Cedar Chest Construction only have two persons registered. Don't miss this class if you enjoy carpentry work.

We are glad to see the Rodino Country Club picked up the Square Dancing that didn't materialize here in Irma.

Your Town Rep. is considering giving up this position and would appreciate hearing from you if you would consider taking my place.

E. Gulbrau
Town Representative

Albert Busy Beavers Keep Busy

The A.B.B.G.C. met at the A.C.O. Hall for a club Christmas Party on December 16. They began the afternoon by decorating the Christmas treeeach girl having brought an ornament such as cookie decorations, popcorn strings, etc. All decorations were also made by some of the girls.

The party was organized by the intermediate girls, Lorry Fleming, Donna Puree, Lotty Fleming, and Diane Fleming. A very interesting Christmas Treasure Hunt was enjoyed by all. A mystery gift of many wrappings was passed around and in turn unwrapped.

The Albert Community Christmas Party was sponsored this year by the Albert Busy Beavers G.C. They began the evening with a puppet theatre showing the birth of Christ and the true meaning of Christmas. The girls sang carols during the puppet show. Jackie Prior then played a piano solo. Frosty the Snowman was then "made" and sang by the G.C. with piano accompaniment by Mrs. Carol Prior.

Denna Prios then recited a poem. The audience was then taken to Sesame Street with interviewer Kermit the Frog questioning a number of residents about what they wanted for Christmas. Oscar, Bert, Ernie, the Count, Cookie Monster, Big Bird, Mr. Hooper, Sam, Kermit and Munford sat and began to sing "Here Comes Santa". No one came. So with repeated tries and finally with the assistance of the audience the voices carried and Santa came bouncing in. Santa was stopped short with the rapidly fired questions of Darcy Haun. After much laughing Santa handed out the gifts to the children and past-presidents of A.C.O. He retreated to his sleigh and under amidst good wishes, jokes and laughter. It is hoped Santa will be able to come back next year.

Pot-luck lunch was enjoyed by all. Thank you to the A.C.O. for their donation of candy bags and oranges.

The A.B.B.G.C. met at Anne Jones' home. Each girl made a stuffed doll, stitching the seams with the sewing machine by themselves. These dolls will be judged on their achievement day planned for April 21st.

A donation of $25.00 was received from the Kinsella W.I. Thank you.

The Girls Club met at the A.C.O. Hall on January 27. They began a business meeting and discussed future plans. It is hoped to have a skating party on February 4 if the weather is feasible.

The girls made Valentine cookies from a sugar cookie recipe. When they were cooled, the girls iced them. These cookies are to be used for the Skating Party.

Next meeting will be on February 12 after school at the A.C.O. Hall. We hope to have a liquid embroidery demonstration.

Brownies Start Projects

The Irma Brownies are well underway for another season. Registration took place in November with a total of 20 girls registered. After the new year, we had 3 more girls join the Pack giving us a total of 23 Brownies.

Meetings are held every Wednesday after school with one meeting a month set aside for crafts.

Our sponsor, the Ladies Orange Benevolent Association has offered an award this year to the Brownie who shows the highest achievement.

Some of the things the Brownies have done so far are: attended the Remembrance Day service at the school; had a very successful Peanut Sale; and had a table rented at the Flea Market in Kinsella. The Brownie Christmas Party was held at the Cub Hall on December 13 with all the girls in attendance as well as a great number of parents and grandparents. The program consisted of songs by all the girls, poems by the older Brownies, skits and a few joke skits. The girls then sang a few Christmas carols, the last of which was Here Comes Santa Claus, with Santa then entering the hall. After Santa had passed out the gifts a very delicious lunch followed.

The girls are learning the basics in knitting and crocheting. This being the International Year of the Child, the girls have a number of activities and projects upcoming. Right now the girls are working on a quilt for the U.S.C. of Canada. The girls can also make, if they wish, a poster for Cookie Day. These are to be in by February 28th. Another project the girls are to do - this being mainly done at home - is to prepare a scrap book on the importance of water in our lives and why the conservation of our water supply is so vital to our future. Also each girls is to earn $1.00 with the total being donated to the Woodsoke Area International Water Project. The above two projects are to be completed and handed in to Brown Owl by May 31st.

Two activities the Brownies have coming up in the near future are the Church service in Wainwright on February 18th and the Pancake Supper on February 27th in the United Church basement from 5:30 to 7:00 p.m.

Maxwell Rink Wins Viking Bonspiel

First Event Winners in the Viking Mixed Bonspiel - Skip Cam Maxwell, Third Carol Maxwell, Second Mick Hafso and Lead Nettie Petrowski. Staff Photo

Second Event Winners in the Viking Mixed Bonspiel were the Ernie Dorin Rink of Bruce. Pictured are Skip Ernie Dorin, Third Mrs. E. Dorin, Second Malcolm Dorin and Lead Marion Dorin. Staff Photo

The Magnor Tovered rink of Viking captured the Third Event. Pictured are Skip Magnor Tovered, Third Emma Maxwell, Second Gordie Maxwell and Lead Glen Maxwell. Staff Photo

Once again the Viking Curling Club sponsored their Mixed Open Bonspiel with a total of 24 rinks entered.

Events got underway with a draw at 7 p.m. on Thursday night and continued through with the finals being played at 7:30 p.m. on Sunday evening. Competing for the Grand Challenge Playdown were the Cam Maxwell rink of Viking and the Peter Micisk rink of Bruce. Emerging on top after 6 ends of play was the Viking rink.

Following are the top four winners in each event.

FIRST EVENT
1. Cam Maxwell
2. P. Micisk
3. C. Kranzler
4. H. Hafso

SECOND EVENT
1. E. Dorin
2. R. Siermachesky
3. J. Andrukow
4. E. Fornal

THIRD EVENT
1. M. Toverud
2. L. Kelly
3. Rick's Drywall
4. K. (Bucks) McLaren

Members of the Viking Curling Club extend thanks to all who participated and look forward to your continued support of the club at their upcoming dance and social evening being held at the Viking Community Hall on February 17th.

Irma Figure Skating Club Receives Grant

A second meeting for the month of January was held Tuesday, the 30th. The regular business as well as business pertaining to the ice show was dealt with first.

Ron Dempsey was present was a representative from the Recreation Board. At the last recreation board meeting a government grant of $744 was approved to be given to the Irma Figure Skating Club and it was suggested that this grant be used for a P.A. system for the Arena. The Club must match the grant dollar for dollar. We were quoted a price of $2,828.00 for the total system. It was suggested this could be done in stages with $1,552 as the start for the amplifier and some speakers.

After a short discussion, Mary Newton moved we accept the government grant of $744 from the Recreation Board. Maureen Currie seconded the motion. Carried.

A committee to raise money for the P.A. system was formed with committee members being Mary Newton, Maureen Currie Evelyn Mark, Lynn Prior and Jean Smith.

It is hoped that we will receive a great deal of support in this project, since it is not only the Figure Skating Club itself that will benefit. All donations both financial ones and ones of time and labor will be most gratefully appreciated.

Janet Inkster gave a report on the Ice Show preparations. Costumes, music and time schedule were discussed.

Our ice show is set for March 24 and we would like you to meet our queen contestants.

"My name is Beverly Bell and I am taking Grade 12 in Irma High School. I have many hobbies including reading, skiing, sewing, and volleyball. After the completion of Grade 12, I plan to take a two year Behavioral Science course at Grant MacEwan College in Edmonton.

"Darlene Lockhart is a grade twelve student who enjoys horseback riding, curling, skating, swimming, and most other sports. She is also an active member in the 4-H Beef Club and can be found cheering for the Irma Aces. During the weekends she is employed as a waitress at the Black Knight restaurant. However, after completing high school, she plans to attent Grant MacEwan to enrol in an interior design course. Darlene also wishes her opponents the best of luck."

"Hi, my name is Lori Prior and I am a Grade 11 student in the Irma High School. I enjoy such activities as swimming, volleyball, skidooing, our High School band, and watching hockey and softball games. I have also enjoyed taking figure skating in previous years. Upon graduating, I hope to enter a career in nursing. At this time I would like to wish the best of luck to Darlene and Bev."

Gas Kings In First Place in League

The Viking Gas Kings have finished off their regular season with two victories. On January 31, the team travelled to Sedgewick and returned home with a 6 to 1 victory.

Lee Laskosky opened up the scoring at 10:17 of the first period, with Ray Rattray and Neil Fitzmaurice getting the assists. Less than two minutes later Neil scored from Blair Quinton at 12:06. At 14:51 Lee scored his second of the game, unassisted and at 19:36 Gord Rattray added the fourth and final goal of the period from Ray Rattray and Mark Wemp.

The second period saw only one goal when at 11:00 Gord scored his second, with assist going to brother Ray.

Ray scored at 4:26 of the third period to make the final Gas King score of six. Dennis Bergseth scored the single Sabre goal at 11:06 unassisted. Penalty minutes included 25 for the Gas Kings and 8 for the Sabres.

On February 3, the team travelled to Rosalind for what turned out to be a very close game.

Rosalind's Al Holberg opened up the scoring at 9:48 of the first with Doug Baker getting the assist. At 11:59 Gordon Rattray tied the score, unassisted. The Gas Kings moved ahead at 16:06 when Barry Field scored from Martin Laskosky.

Rosalind came back at 4:32 of the second when Tim McTavish scored from Al Holberg and then moved ahead at 15:49 when Dale Scott scored from Tim McTavish and Doug Yuha.

Ray Rattray tied it up again for the Gas Kings with just 33 seconds left. Neil Fitzmaurice and Gordon Rattray received assists.

Lee Laskosky moved the Gas Kings ahead just 34 seconds into the third period, scoring from Doug Palmarchuk and then Doug scored the winning goal at 12:37 from Lee.

Doug Yuka moved Rosalind within one again at the 15:12 mark. The Gas Kings were able to hold off a tying goal and won the game, which secured them first place in the league.

Penalty minutes were assigned to the Gas Kings (22) and the A's (14).

Vixons At It Again

The Vixons once again played and defeated the Tofield Titans when they played January 31. Karen Overbo added 10 points for the Vixons. Jenny Anderson scored 7, Debbie Sloboda scored 4 points, Cheryl Giroux and Connie Slavik with 2 points each, making the score 25 to 18.

The boys, not as fortunate as the Vixons, lost 47-27. Statistics are not yet available.

The Vixons took in one more invitational tournament on February 3rd in Sherwood Park. Playing their first game Saturday against Red Deer, the came out on the losing end with 59-33 for Red Deer. Scorers for the game were Karen Overbo and Jenny Anderson with 8 points, Connie Slavik with 7 points, Darlene Laskosky, Cheryl Giroux and Debbie Sloboda with 2 points each.

The next game the Vixons played the home team, Salisbury. The girls, playing short handed, fought it out to the bitter end. Jenny Anderson led the teams scoring 9 points. Karen Overbo with 4 points, Debbie Sloboda with 3 points, Darlene Laskosky, Connie Slavik with 2 points each, and Cheryl Giroux with 1 point, making the score 65-21 for Salisbury.

The next county game will be on Wednesday, February 7th at 6:30 against Holden in Viking. Come and support your team.

Kinsella Hosts Basketball Tournament

The Kinsella Men's Basketball team, pictured above, hosted their Annual Tournament on Friday and Saturday. Members of the team are [Front row L. to R.] Carter Oakes, Larry Baumgartner, E. Hutchison, Jack Welch and Eldon Gile. [Back row - L. to R.] Glen Welch, John Bobyak, Hank Welch, Ralph Hanson, Leigh Francis. The A Side was won by Lloydminster while Kinsella placed second in the B Side.

Staff Photo

The Kinsella Men's Basketball team hosted their annual two day tournament on the weekend of February 2 and 3. A total of 8 men's teams competed. Teams from Ft. Saskatchewan, Vermilion, Lloydminster, Forestburg, Marwayne, Tofield, Dayaland and Kinsella contributed to the success of the venture, which is quite an undertaking, considering the size of the hamlet.

The local team played in the opening game of the tournament on Friday night. In this game Lloydminster met Kinsella and although the score was very even, Lloydminster came out on top by one point to defeat the host team 52 - 51.

Following is a listing of the game sequence and the results:

2. Tofield defeated Forestburg 45-35
3. Marwayne over Dayaland 55-53
4. Ft. Sask. over Vermilion 68-54
5. Lloydminster over Tofield 66-39
6. Kinsella over Forestburg 51-35
7. Vermilion over Dayaland 60 - 47
8. Ft. Sask. over Marwayne 64-51
9. B. FINAL WINNERS Vermilion over Kinsella 50-45
10. A FINAL WINNERS Lloydminster over Ft. Sask. 51-45

The tournament concluded with a most lively and successful dance in the Kinsella Community Hall on Saturday night. The Kinsella team wish to extend a special thank you to the Kinsella Hotel and also to Jack McKie for their support and donations. As well, the help of the ladies of the community was much appreciated by everyone.

Viking Boys Do Well at Edmonton

Members of the Viking Scout Movement travelled to Edmonton on Saturday, February 3, where they competed in the 12th Annual Kamotik Ice Jamboree held at Edmonton Gardens. In these competitions teams of eight (4 pullers, 2 outriders, 1 tailgater and 1 rider) compete against each other in a timed race. The rider travels the route in a flat bottom sleigh (Kamotik).

The Jamboree drew a total entry of 23 Cub packs, 9 Scout troops, and 8 Beaver colonies. Although the majority of entrants were from Edmonton and vicinity, teams also attended from Morinville, Ft. Assiniboine, Medley, Sherwood Park and Viking. An interesting factor and learning experience for many of our boys were the Cub and Scout entries from the Alberta School of the Deaf. The School's Scout troop won the gold medal in their event.

The day's activities began and closed with the traditional ceremonies - color parade, the singing of O' Canada and the presentation of medals.

an inflated tire tube, complete with hardwood seat, moved across the ice surface much easier, enabling the smallest to cover the distance with speed. The Viking Beavers won their event "hands down". They were off and gone and crossing the finish line while others were only half way there and still others were just getting going.

Representing Viking equally well, were the Cubs, placing first in all five heats leading up to the final. They captured the record for the fastest time of the day with 40.1 seconds in the semi-final. One of the teams they defeated in this race, with a 5 second margin, eventually captured first place. In the final race Viking met with rough going, one puller kept loosing his footing, falling three times. Eventually they pulled their act together and crossed the finish line fourth. A series of time faults and penalties collected by an opposing team, secured them a third place finish. Each Viking team member received a bronze medallion.

The Scouts entered their first heat with a complete lack of talent or skill....the stumbling, falling and uncoordinated movements of the team almost left them out of the race. They regained their composure and with determination and hard work reached the semi-finals. Here they fought hard for a fourth place to secure their position in the final. Competing against teams superior in size and age, the Viking team hung on for a third, and received a much deserved bronze medal.

At the request of the scout movement, pictures will appear in next week's issue in order that all participants will be present.

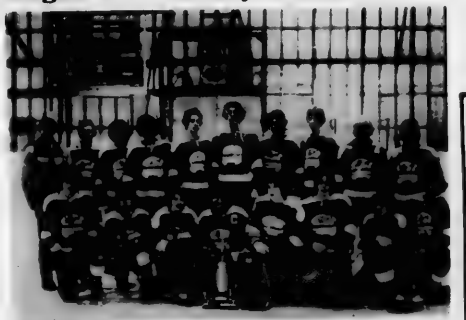
Viking Midgets Win Two-Day Tournament



The Viking Knights of Columbus Midgets won the first two-day midget hockey tournament held this past weekend. Members of the victorious team include [front row - L to R] Brian Vitek, David Darling, Darrell Mabin, Kenny Lefarud, Scott Brower, Darrell O'Neill, Scott Taylor and Kevin Maxwell. [back row - L to R] Coach Gary Woloshuka, Kirk Maxwell, Allen Evans, Richard Lefarud, Richard Sutter, Raymond Thengs, Ronald Sutter, Wayne Erickson, Bob Graham and Wayne Sekler.

Staff Photo

The Viking Midgets came out victorious over Provost in the final game of their first every two day tournament held February 3 and 4 in Viking. The tournament started off at 9 in the morning with Viking hosting the Camrose Flyers. After one period of play, Viking was ahead 4 to 1 on goals by Wayne Sekler, Raymond Thengs and a pair from Ronald Sutter. The boys outscored Camrose again in the second period 5 to 1. These goals came off the sticks of Kevin Maxwell, Allan Evans, and three by Richard Sutter. The third period saw the local boys let up and in turn Camrose scored two goals to Viking's one. The lone goal was scored by Kevin Maxwell. This ended the game with the boys winning by a large margin of 10 to 4. The most valuable player for the Viking team was Richard Sutter.

The second game saw the Edmonton Allendale team play against the Wetaskiwin Midgets. This game was won easily by the Edmonton team who out-classed Wetaskiwin. This win by Edmonton advanced them to the semi-final against the local Viking boys.

The third game of the preliminary series took place at one o'clock with Edmonton Greenfield against Lloydminster. This proved to be a good close game with the first period ending at 2 to 2. In the second period, Lloydminster outscored Edmonton two goals to one. This was mainly due to the shortage of players that Edmonton came down with, and thus were tiring out. In the third period, Lloydminster again out-hustled Edmonton and scored two more goals. Edmonton only managed one goal and the game ended with Lloydminster winning by a score of 6 to 4.

The fourth game had Marwayne against Provost. The first period ended with each team scoring two goals, but in the second period, the roof fell in on Marwayne. Provost completely dominated the period and outscored Marwayne seven goals to one. This about wrapped the game up as Provost managed another goal in the third period, giving them a 10 to 2 victory and putting them up against Lloydminster in the semi-final game to be held on Sunday.

With two games remaining that day, Camrose took to the ice against Wetaskiwin. This was one of the semi-final games of the B Event and saw Camrose leading 5 to 0 by the end of the second period. In the third period, Wetaskiwin rallied for two goals, but by this time it was too late. This victory put Camrose in the final of the B Event.

The last game of the day had the local Viking boys play host to the Edmonton Allendale team. Viking held a 4 to 2 lead at the end of the first period. Richard Sutter scored a pair, with Allan Evans and Bob Graham adding singles. The second period saw Viking totally dominate this period, in turn they outscored Edmonton 5 goals to none. Ronald Sutter had three with Allan Evans and Richard Sutter scoring singles. With a comfortable lead, the local boys started slacking off and, with a few foolish penalties, the Edmonton team caught fire and outscored the local boys four to 0. The boys settled down and played defensive hockey the remainder of the period and when the final buzzer sounded, the boys won 9 to 6. This victory put them in the finals of the A Event to be played on Sunday evening. Scott Taylor was chosen most valuable player on the Viking team.

Sunday morning saw Marwayne and Edmonton Greenfield skate to the ice. The first period had Marwayne out skate Edmonton and at the end of the first period they held a 2 to 1 lead. The second period saw Edmonton start to make a comeback as they picked up two goals and led 3 to 2. In the third period, Marwayne completely fell apart and this allowed Edmonton to score eight unanswered goals. When the final buzzer went, Edmonton had put themselves into the final of the B side with a 11 to 2 victory.

The next game had Lloydminster and Provost play off. This game was the closest game of the tournament, with neither team running away with the score. At the end of the first period the score was tied 2 to 2. The second period saw Provost score 2 goals to Lloydminster's one, giving them a one goal margin. The third period was exciting hockey as each team played very well. Lloydminster scored first to tie the game and then Provost scored to give them a 1 goal lead which they held until the game ended. This put Provost in the final against the Viking boys for the trophy of the A Event.

In the afternoon, Camrose and Edmonton Greenfield played to decide the winner of the B Event trophy. Edmonton Greenfield opened up a three goal lead in the first period and later they scored two more in the second period to give them a 5 to 0 lead. It wasn't until in the third period that Camrose scored, spoiling Edmonton's shutout, but that was the only goal they got. When the final buzzer sounded, Edmonton had won the game 5 to 1, along with the B Event trophy. This left the final game of the tournament which would decide the winner of the A Event and trophy.

At 6:30, Viking and Provost came out to decide that final winner, in what turned out to be the best game of the tournament. The first period saw Viking go ahead on an unassisted goal by Bob Graham. This one goal lead was held the first period. In the second period, Provost played very good hockey, scoring three times. The local boys were not to be outplayed though and they replied with three goals also. Allan Evans had a pair, with Raymond Thengs getting a single. The third period saw all the Viking boys give a 100 percent effort and this in turn completely upset the Provost team with this consistent forechecking. Viking outscored Provost four goals to none. Kenny Lefarud, Allan Evans, Richard Sutter, and Ronald Sutter scored. At the end of the game, Viking had defeated Provost 8 to 3 and won their first ever two-day tournament. Allan Evans was chosen as Viking's most valuable player.

The tournament was a complete success, and the Viking players would like to thank everyone for making it turn out that way. On behalf of the team and team management they would like to thank the following for their help:

First the ladies who put on the meal in the hall for all the teams.

The Viking Chamber of Commerce for donating money towards the meal.

The people who donated time for goal judging and time-keeping and also a special thanks to Carl Baumgartner who spent the whole weekend as timekeeper.

To the persons at the ticket booth and to the game officials.

And last, but not least, to the Carena caretaker, Leonard Sekler for giving us good ice for all of the tournament.

We're A Concrete Business!

Mites Complete League Schedule

On January 24 and January 27 the Viking Mites completed their league schedule. On Wednesday their opposition was the Daysland team. Daysland, although a much improved team since their opening game, were no match for Viking and fell to a 13-1 defeat.

Scoring for Viking were Corey Stermachenky, 3 goals, 3 assists; Cory Clouston, 3 goals, 2 assists; Jason Place, 3 goals, 2 assists; Doug Taylor, 2 goals, 2 assists; Dean Heeberle, 3 assists; Dean Antos, 1 goal; and Greg Theng, 1 goal.

On Saturday, the 27th, Viking met the Killam Mite team. This time the story had a different ending. This hard fought game saw Viking finish the first period down 5-1. In the second period Viking launched a good battle and tied the game at 4 each by the end of the second.

Back on the ice for the 3rd period, Viking's hopes took a deep plunge as Killam scored 3 quick goals within 5 minutes. Viking was unable to reply and the final score was Killam, 7 and Viking, 4.

The two teams ended their league play in a tie for first place. A deciding game must be held between these clubs. The time and place for this play-off has not yet been decided.

Finishing third in the league was Daysland and holding fourth place is the Forestburg team. These two teams split in points acquired in league play with equal wins and losses but Daysland was awarded third based on 10 goals for and only 8 against in the two games where these teams played each other.

The Mites played an exhibition game in Irma on Monday night and came home with a win.

Their next two games will be held at the Viking Canvas. The local team are hosting a tournament on Saturday, February 10. The opening game will be played at 12:15 with Innisfree and Viking on the ice.

Killam and Irma are scheduled to play at 2:00 p.m. with the B Final at 3:45 and the A Final at 5:45.

These young players are at a very important stage in their hockey "Careers" and your encouragement and support is immeasurable.

Viking To Host Stampede

Viking will again host the Annual Flagstaff District Ice Stampede. The date booked for the competitions is Sunday, February 25, with action taking place at the Viking Canvas.

The Scout Movement, together with members of the Group Committee have, for the second consecutive year, undertaken the organizing of the ice competitions for scouting members.

These competitions are to include "chariot races" for the Scouts, "chuck-wagon races" for the Cubs and Beavers and an interesting competition requiring co-ordination and balance for the adults.

Invitations have been extended and participation is expected from the following Districts: Black Gold (Leduc), Battle River (Wainwright and Irma), Wildrose (Camrose), Buffalo Lake (Coronation and Castor) and the Flagstaff District, which includes the towns of Viking, Killam, Sedgewick, Forestburg, Daysland and Alliance.

The competitions offer fine entertainment for the spectator. Of interest to the general public will be the actual races, the performances of the Viking School Band, the official ceremonies - color parade, the raising and lowering of the flag etc., not to mention the hilarious antics of adults trying to shuffle the entire length of the canvas on plank skis. More details will be provided in this paper, when plans are finalized.

Gas Kings Lose First Place As Protest Upheld

At a meeting of the Battle River Hockey League in Daysland on Friday evening, a protest launched by the Rosalind A's hockey club concerning a game played against the Viking Gas Kings was upheld. The game between the two teams on Saturday, February 3, which was won by Viking, was then given to Rosalind, thus dropping Viking from first place to second place in the final League standings.

The protest questioned the el igibility of four players on the Gas Kings as it was alleged that they lived outside of the 30 mile limit of residency as stated in the League constitution. The protest was accompanied by a $25 deposit as is required by the Battle River Hockey League.

Following the introduction of the petition to the representatives of the nine teams involved in the League, a lengthy discussion occurred concerning whether or not the players listed (Jim Laskosky, Doug Palamarchuk, Barry Field and Kevin McGinkle) met the residency requirements. The arguments included the players' postal addresses, their residence phone numbers, their place of employment and their frequency and length of stay in Viking.

It was determined during these discussions that for years teams have not abided by the thirty mile residency by-law and that other teams in the League are using players similar to those being used by Viking. President Gene Weiderf maintained that the protest dealt only with a particular game and team. Past President Tony Schnettler of Killam said that the best idea was to get rid of the thirty mile residency rule as the League had had trouble with it for twenty-five years. He felt that the rule was unenforceable.

Besides the Killam representatives, Ivan Bacon and Mel Garbe of Irma supported Garry Howery, Gordon Rattray and Bill Sheets of Viking in the discussions against the protest. Ivan Bacon pointed out that these players had played last year and not been questioned, but felt that they were questioned this year due to Viking's first place finish. He also noted that he was transferred to Edmonton last year for five weeks, and questioned if that meant he should not have been playing for Irma during this time.

Following a motion by Rosalind that the protest be put to the floor for a vote, President G. Waldorf of Daysland ruled that if any one of the players in the protest was considered ineligible, then the protest should be upheld. A secret vote of the seven voting members (Hughenden and Lougheed do not have a vote this year) was carried out with the final result being 4 to 3 in favor of the protest.

Following the vote, and Viking's demotion to second place, a discussion ensued concerning the eligibility of these players for the rest of the year. It was suggested that a strong possibility existed that a protest could follow every play-off game to determine the eligibility of players.

In order to facilitate the smooth operation of the play-off schedule, Bill Gibb of Killam proposed that the official rosters for each team be accepted for the play-offs and that the 30 mile residency rule be examined prior to next season. This motion was carried.

Cable T.V. for Viking Being Studied

A representative of Q.C.T.V. Ltd., W.W. Lee, informed the Viking Town Council on February 7th, that his company has commissioned Alberta Government Telephones, to study the feasibility of feeding cable television into Viking. He stated that this has been done due to a request by C.R.T.C. that Q.C.T.V. look into providing cable T.V. for Viking.

Mr. Lee said that A.G.T. is studying the possibility of using V.H.C.M. (Very High Capacity Microwave) to supply Viking with cable signals out of Vegreville. He stated that this is a new, not fully proven method of transmitting signals, but if feasible, would make the supplying of cable to Viking economically viable.

The Q.C.T.V. representative said that the governing factors in providing cable to this area are strictly economic as the rates for service must be affordable. Under the present system, subscribers in the area could not afford the cost. The hope for cable lies with the possibility of using V.H.C.M. which is a new development within the last year.

Mr. Lee informed Council that the A.G.T. report should be completed in March and that Q.C.T.V. would then study the economics of the situation and report back to the Council in June as to whether or not they would be going ahead with the system. He said that a $10 per month rental fee was the standard on which the Company operates. He also stated that the communities west of Viking would then be studied for a possible cable link. The acquisition of cablevision by communities such as Bruce, Holden, Ryley and Tofield depends on Viking acquiring the service.

Council was told that the Q.C.T.V. hook-ups would include at least two American channels, the Edmonton channels, probably the Lloydminster channels, and possibly the Red Deer channels out of Coronation. They were also informed that if Q.C.T.V. were to make an application to the C.R.T.C. for cable in Viking that they would want to be in operation by the summer of 1980.

Mr. Lee also informed Council that Q.C.T.V. would provide information on how to wire buildings for cable to anyone presently building.

Although Q.C.T.V. doesn't solicit support from communities in their applications to the C.R.T.C., Mr. Lee stated that the Council could write to the commission indicating its desire for cable T.V. in Viking.

Break-Ins Shock Irma

Shock waves reverbrated through the Village of Irma on Friday morning, February 9th when it was discovered that five break-ins had occurred.

Entrance to the Irma Co-op was made by smashing the glass front door when efforts to pry the back door failed. Eight guns were taken and large quantities of assorted ammunition. The barrel of one shotgun was sawed off, all tape decks and every record was taken (they must enjoy music) as well as other items missing. It's very difficult to determine the exact amount of the loss, but it is estimated to be between $1500 and $2000.

The pool hall was robbed and vandalized, also. Here again the loss sustained is high. Larson's garage was broken into and the thieves, as well as small items, got away with a new truck and a used pick up.

Irma school was broken into, but as far as can be ascertained, only a small amount of cash was missing. The "Irma Inn" garage was broken into and gas taken.

A butcher knife which the thieves left behind had "Vilna School" engraved on the handle so it seems evident that the culprits are an organized gang and operating on a big scale.

R.C.M.P. are investigating the break-ins. We have learned that the new truck stolen from Median Automotive (Larson's Garage) has been recovered at Strathmore, Alberta.

Bill Gibb, a grade 12 student at Viking High School will be attending the Forum for Young Canadians in Ottawa at the end of March.

Viking Student to Attend Ottawa Conference

Bill Gibb, a grade 12 matriculation student at the Viking School, has been chosen by the Foundation for the Study of Processes of Government in Canada to attend the Forum for Young Canadians in Ottawa.

Bill is one of eight students from across Alberta who have been chosen to attend a one week course from March 24 to 31 in the Nation's capital. A total of four courses are to be held with two in March and two in June. Eight Alberta students have been chosen for each of the four courses.

Bill was born in Calgary in 1961 and moved to Viking in 1964. He acquired all of his schooling in Viking and fills the position of Student's Union Vice-President during this school term. Bill plans on entering the Pre-Medicine program at the Camrose Lutheran College in September.

The one week course will include sessions of the House of Commons and the Senate, and meetings with various figures from parliament, business, labour, the public service, the media and national organizations. Participants will also be involved in visits to the Governor General's residence and other points of interest in the Ottawa area.

Sewer and Water Rate Increases Proposed

At the February meeting of the Viking Town Council proposed sewer and water rates were unveiled for 1979. The proposed water rates call for an increase of 15 cents per thousand gallons of water used in each category over 20,000 gallons used. The sewer rates will remain at 60% of the minimum rate for each category of water usage, but will increase for large water users due to the increased water rates.

Councillor Maurice Stephenson stated that the rates for water usage up to 20,000 gallons per month will not be increased this year. Thus, few homeowners will be affected by the new water rates.

When contacted, former Municipal Administrator P.G. Nordstrom said that water and sewer rates had not been increased in Viking for 17 years prior to the increase last year. This has necessitated the increase last year and the proposed increases for this year.

Another factor involved in the proposed increases is that the pumping of water by the provincial government cost the Town $13,514.60. This year, no government assistance is available to offset this cost to the Town.

The proposed rates must be incorporated in a Town by-law. Council expects to have first reading of the new by-law at its March 7 meeting.

The proposed rates will see rates rise from $1.80 per thousand gallons to $1.75 per thousand gallons for users of between 20,000 and 40,000 gallons per month. The 40,000 to 70,000 gallon consumption rates increase from $1.40 to $1.55 per thousand gallons, the 70,000 to 100,000 gallon rates increase from $1.20 to $1.35 per thousand gallons, and the over 100,000 gallons rate increases from $1.00 to $1.15.

Volume 2, Number 1

Some people said we couldn't, but we did. Others said we wouldn't, but we did.

Some people say we can't, but we will. Others say we won't, but we will.

The first year of The Weekly Review has come and gone. We have enjoyed it. We have learned from it. And it has shown us that many more years of service to this area are now of the greatest probability.

Certain parties have struck out at us with unintelligent, unsupported, and at times idiotic attacks. We have not replied to such base arguments because we hold you, the reader, in higher regard. The pen is only mightier than the sword if the one who holds it has the intelligence, the integrity, and the respect of those to whom his writings are directed.

Our purpose for existing is to supply a quality local newspaper for the people of this area. By attending major events and writing stories (not just copying from hand-outs), by putting in up-to-date news (not pictures which are nearly two months old), and by providing interesting features, we hope to provide you with a better paper than during Volume 1. We are sincerely looking forward to serving you during Volume 2.

Perhaps a Change in the B.R.H.L.?

The protest launched by the Rosalind A's hockey club concerning the use of ineligible players by the Viking Gas Kings in a game on February 3 raises some interesting questions concerning the Battle River Hockey League. At the meeting the protest was upheld by a vote of 4 to 3 as the facts clearly showed that Viking was using players from outside the 30 mile radius for residency.

The major problem with the protest is that many other teams in the league also use such ineligible players. The only difference is that no team protested the use of these players. The acceptance of the use of all players on the official playing roster was done purely out of expediency, as without this, the smooth operation of the B.R.H.L. playoffs was in jeopardy.

From this protest, a questions arises as to the purpose of the operation of the B.R.H.L. Is it solely to win the championship of the League, or is it to provide an opportunity for local players to play hockey for their local fans? The majority of Viking players involved in the protest were locally raised and played their minor hockey in Viking. It seems these players' willingness to travel great distances to play in their "home" towns should be encouraged, for these are the players that rural fans like to watch. The importing of non-local players simply to "beef-up" a team should be discouraged by the league as these players may take the place of local players.

Perhaps the league should open up its rosters to all locally raised players and all other players who are working or living in their respective communities. A close scrutiny of all players on the rosters following these guidelines early in the season would eliminate the situation which occurred at the end of regular play this season.

Another question arising is the value of alternating the executive of the League throughout the teams involved. A lack of co-ordination and knowledge of past events seemed evident at the meeting. Perhaps a search should be undertaken to find people who would fill the executive positions for a period longer than a year. These people should be interested in and knowledgeable about hockey and specifically interested in the smooth operation of the B.R.H.L.

A move to a stable executive would lead to a consistency in interpretation of the League Constitution and in decisions which arise from year to year. Perhaps in this way, problems such as last Friday's protest would not have arisen, as this matter has been a thorn-in-the-side of the League for a number of years.

Viking Takes All at Coronation

Capturing a number of placings in the Buffalo Lake District annual Ice Stampede were the Viking entries.

On Sunday, February 11, Cub Master Gerard Wadley and his assistant, Pete Melsaac travelled with their "ice stampede teams" to Coronation to enter the ice competitions and for the second year, brought home the district trophy.

The Viking Scout troop divided into two teams with four members each to form a double entry in the "Chariot" races. Here, the Scouts defeated all opposition and placed first as well as second in the event. Later in the program, the Scouts combined their strength to form an eight man "Chuckwagon" team. Getting control of the race right from the start, the team completed the race in 66 seconds. This secured not only a first place finish, but also established the record time standing for the event.

In the Cub section of the "Chuckwagon" races, Viking was again well represented. The Viking Horns and the Viking Vaiders, complete with costuming - compliments of the Melsaac family, brought home another first and second for Viking.

In addition to receiving recognition as top contenders at Coronation for their racing performances, the two Cub teams were selected as "first" and "third" in the best dressed team section.

Entered in the days competitions were Scouts, Cubs and Beavers from Castor, Coronation, Veteran, Brownfield, Wainwright and Viking as well as other points. The Viking Beaver colony did not participate on this occasion, due to the distance of travel, and their events not allowing the teams to perform on skates.

Having established a pattern of great success in other districts, the hometown youth are anticipating your support when they in turn host the Flagstaff District Ice Stampede in Viking on February 25th. Circle the date and come to the races.

Pictured above are members of the Viking Scout Troop that participated and won third place in the Kamotik Ice Jamboree held in Edmonton on January 3. Front row left to right are Calvin Krips, Bobby Ash, Dennis Lawes, Byron Tiedemann. Second row - Kevin Stephenson, and Brent Heyland. Standing in the back is Ralph Tiedemann who built the Kamotik [sled] which the Scouts used during the competition. Missing from the photo is Shaun Clouston, Steven Whalen and Cub Master Gerard Wadley, who accompanied the team.

Rise In Tuition Fees?

Alberta NDP Leader Grant Notley has called on the provincial government to reject the recommendation of a task force report for large fee increases for technical institutes and colleges in Alberta.

Speaking at a meeting at Fairview College Wednesday night, Mr. Notley condemned the Grantham Report as a "backward-looking document" for proposing tuition fee increases of up to 119 per cent at technical institutes and 20 to 55 percent at community colleges and vocational schools.

Mr. Notley said Alberta is a rapidly-industrializing province and as such will increasingly require skilled manpower. However, increasing tuition fees at vocational and technical schools will tend to restrict access to those institutions, and will inhibit the development of a well-trained and skilled population.

"Clearly large tuition fee increases will be a disincentive to lower-income students who are trying to decide whether to further their education or enter the work force," Mr. Notley said.

Viking Council Unhappy With Annexation

At their February meeting, the Viking Town Council expressed its disappointment with the failure of the Provincial cabinet and the Local Authorities Board to annex the Town owned half-section on which the new sewage lagoon is situated.

With the land remaining part of the County, the Town must submit plans for its subdivision to the government. Since the land is not municipal land, the Council feels that subdivision will be impossible because of the 20 acre minimum which the government has set on such subdivisions. The Town has received requests from various companies and individuals to locate storage facilities and/or businesses in this area. The refusal of its annexation to the Town means that such requests will be very difficult to fulfill.

Council felt that the information in the annexation report dealing with the increased taxation of the Naslund land, if it were annexed, was not correct. As the annexation of the Town's land appeared tied to the annexation of the Naslund land, the Council felt that the annex decision was improperly determined.

The Council passed a motion to write a letter to both the Local Authorities Board and to Dick Johnston, Minister of Municipal Affairs, stating the Town's dissatisfaction with the annexation. Also to be included in the letter is a query into the possibilities of re-applying for this area to be annexed.

At the meeting, Council agreed to move the August civic holiday from a Monday to a Wednesday. This resulted from a request by the Viking Fair Committee. Council expressed its desire to support the Fair Committee in their endeavours to possibly move the Fair Day from a Monday to a Wednesday.

Viking Students Busy

Holden Chamber of Commerce

The Holden and District Chamber of Commerce held their regular meeting on February 8th, 1979 at 6:30 p.m. at the Holden Community Hall. Twenty-two people were present. President Kevin Stambaugh chaired the meeting. Clay Schaaing, secretary treasurer, read the minutes of the last meeting and gave the treasurer's report. The by-laws of the Chamber were reviewed, discussed and approved.

The 1979 proposed budget was passed. Before the meeting Chamber members enjoyed supper prepared by Ladies of the Royal Purple. The guest speaker of the evening was Cpl. E.F. Lammerts, N.C.O. in charge R.C.M.P. Tofield, who has been at Tofield for 2½ years. Cpl. Lammerts spoke on policing and stated that his area from Tofield was west to the Fort Scot monument, two miles east of Holden, 16 miles south of Holden and 2 miles north of Highway 16. This consists of 2000 square miles and has a population of 12,000 people. This is manned by four policemen and one stenographer. At present the Cpl. stated he would not be getting any more manpower. There are 1700 RCMP in the province of Alberta.

The Cpl. pointed out the importance of branding cattle as over the past five years statistics show that 88% of the cattle stolen, missing or assumed missing were not branded. The Cpl. mentioned that there will be a meeting on gun control on February 15, 1979, at 8:30 p.m. at the Tofield Community Centre. There is no admission charge to this meeting and all questions will be answered free of charge. The Chamber members were very pleased that Cpl. Lammerts was able to be the guest speaker for this meeting. The guest speaker for the next Chamber of Commerce meeting is Marjorie Holder, Planning Officer, Municipal Planning, Planning Services Division of Alberta, Municipal Affairs.

Four directors were nominated to add to the executive. They are Melvin Haas, Marilyn Skykora, Marvin Tomashavsky and Bill Ogrodnick. Anyone still wishing to join the Chamber of Commerce, memberships are sold by president Kevin Stambaugh, Dennis Shavchook and Marvin Giebelhaus.

Light Horse Club Holds Public Speaking

On February 11th, the 4-H Light Horse members gathered at the Lutheran Church for their first public speaking competition. Brenda Rauser, Joan Weeks and Muriel Hill were the judges for the Junior Competition. Danny Lefarud, Irene Toverud and Jim Runicks were the judges for the senior public speaking. Joyce and Carl Naslund were the official timers during the speeches. Ellen Ash, as the M.C. for the afternoon, started everything rolling at 2 o'clock.

The following Junior members participated with their speeches: Patti Ash - Neanderthal Man; Cheryl McClements - Beyond I Wish; Jody Lutz - My First Pony; Jeanette Voltzer - How and Where I Have Travelled.

The following senior members spoke: John Runicks - Quarterhorse; Holly Hoyland - The Horse; Linda Erickson - Commercials; Wanda Robinson - Proud to Be a Canadian.

Impromptu speeches were presented. The judges then presented their final decisions.

In the Junior Division, Patti Ash took first and Jody Lutz took 2nd. In the senior division, Wanda Robinson took first while second went to Linda Erickson.

The first place winner in the Junior Division and the first and second place winners in the Senior Division will be attending the County Public Speaking on February 18 in Tofield at 1:30 in the Legion Hall. Coffee was then served.

The Club would like to thank the judges and the M.C. for coming and helping out.

Also 4-H members, don't forget that the next meeting is at Gary McClements' on the 14th at 7 o'clock.

Let our reputation go to work for you.

More people buy and sell homes through CENTURY 21 than through any other real estate sales organization. That's a lot of friends who can be influenced by an ad on this page. Whether you're buying or selling, let our reputation go to work for you

Viking O.O.R.P.

Viking O.O.R.P. lodge #122 met February 6th in the club rooms with H.R.L. Piscia presiding and twenty members present. The short form of opening ceremonies was used, as guest speakers were expected to attend at the conclusion of business.

Correspondence included a letter stating that the new subordinate lodge constitution is now printed and copies may be obtained upon request. Invitations were received to visit the following sister lodges - Irma on February 20, Chauvin on February 13, Hardisty on February 15, and Elk Point on April 1.

The district meeting will be held in the Viking Community Hall on April 22.

Two members of the hospital board attended the meeting at this time to report on the new hospital proposed for Viking. Mr. Roddick spoke on the numerous pitfalls encountered in years of negotiations and the progress being made.

Mr. Kripa, armed with scale drawings and models, described the plan of the new building. They also pointed out that the hospital board feels it would be desirable to organize a hospital women's auxiliary in the community.

Vialta Lodge News

Sympathy is extended to Mrs. Elsesse, who had word on Tuesday, February 6th of the passing of her sister, Mrs. Jane Hjelle of Seattle.

Mr. Law spent the weekend with relatives in Ryley.

Thanks to all the ladies who turned out Thursday afternoon to join the quilting bee. We will be quilting again this Thursday the 15th. We will be glad to see any who can come.

Bingo this month will be held Wednesday, the 21st at 3 p.m. Tea will be served from 2 p.m. to 3 p.m.

Anne Tkaczyk of Edmonton visited Mr. Tehir on Sunday.

Mr. Hoyland is spending a few days with his family.

Greetings to Mr. Murray, who is still in hospital.

EMERGENCIES ONLY

For other than emergencies requiring immediate treatment, please book an appointment at the Medical Clinic.

Board of Trustees and Medical Staff Viking General Hospital

The 19 unit "Irma Motel" rented its first room on January 31, 1979 and is now officially open. Owners, Dean Olsen, Allen Roberts and Brian Roberts have appointed Pete and Helen Maitlock as managers of the new complex. Construction began on May 25, 1978 with just over 8 months being required to assemble the structure. A new neon pole sign should be arriving in the near future. Staff Photo

Time Clock Installed

Saturday evening, February 10th saw another milestone reached in Irma when a much needed time clock was put into operation in the arena.

At their meeting in October, Minor Hockey decided to order a clock and set up a committee consisting of John Newton, Charlie Soucy, Keith Currie, A. Archibald and John Ganie to choose the model best suited to our needs and to solicit donations to help pay for it. Minor Hockey pledged $1000.00 - five hundred from the club and five hundred from the coaches who didn't collect money for the phone calls made over the years. We asked the Agriculture Society to act as sponsor so that we can issue registered receipts for donations received.

The time clock was ordered in Oct., but as it had to come from Illinois, it didn't reach us until late December. There was a further delay when it was found the wiring materials did not come with the clock and had to be ordered from Calgary.

We sincerely appreciate and wish to thank Jim and Bob Foley of Wainwright for generously donating their labor to wire the clock. Many thanks go to the Minor Hockey fathers who did the installations. When time permits a plexiglass shield will be put around the clock and control panel to protect them from flying pucks and vandalism.

The clock is 100% solid state and completely transistorized requiring no complicated wiring. The scoreboard can be used for recording many games other than hockey. The clock cost $4820.00 plus added costs of wire, plexiglass, lumber, etc. making a total cost of $5600.00

Donations to date are as follows:

Minor Hockey	$1000.00
Irma Aces	500.00
Alta. Elks Foundation	500.00
Irma Elks Lodge #366	500.00
Chamber of Commerce	300.00
Agricultural Society	500.00
Norm Murray Realty	100.00
Merland Explorations	100.00
Ranger Oil	100.00
Gratton Lodge Masons	66.00
Behlin Grain Bins	50.00
Walker Flying Services	25.00
Willerton Moto Ski	50.00
Irma Lumber	60.00
Fred Jack Hardware	25.00
William Ramsay	100.00
Tom Copeland	75.00
Rick Gulliner	75.00
Charlie Soucy	75.00
Strawberry Plains W.I.	25.00
M & H Repair	15.00
D.D. Creasy	25.00
Irma Pool Hall	5.00

Further donations have been promised.

Echo-Rodino Report

Lady luck was on hand again Monday night as Christine Bauer and Yvonne Greenwood came home from the bingo with their winnings.

Home on weekend leave from an Edmonton hospital was Marvin Frosser. He reports he is not looking forward to next week when he is under going surgery on his arm.

We were pleased to have Ed Orscheski of Ottawa a visitor at our square dance last Friday night.

Tuesday night found all the "Bag Whist" players out in full force once again trying to out wit their opposition.

Bruce, Yvonne and Harold Greenwood had dinner with Doug White and Wyonne Welch and boys of Slave Lake at Yvonne's parents home in Kinsella.

Saturday night found many dancers attending the Box Social at Rodino Hall. The evening of dancing to Walter Beeton's tapes climaxed with the auction of the decorated boxes the ladies had brought. Due to the lack of boxes, the ones there made the bidders keep on their toes as some of the bids went over the $20 mark. All report having a good time.

Walter and Ivy Beeton were weekend visitors at the Prosser residence.

Irma and District Agricultural Society News

The regular meeting of the Irma Agricultural Society was held on February 9 at 7:00 p.m. in the Legion Hall.

A report was given on the meeting which the chamber held with the A.L.C.B. officials and the R.C.M.P. on the beer gardens being held in Irma. Some changes recommended were that parents must accompany underage children but once they are in the gardens they become the responsibility of the sponsoring organization.

They also recommend segregation of the under age teens from the actual beer garden. Another suggestion was for a closed dine and dance in the fall. The Clock Fund has been transferred to the Minor Hockey Association.

A motion was made that we donate $500 towards the new P.A. system that the Irma Figure Skating Club are sponsoring; a committee has been set up to look into the formation of an arena committee. Another committee will draw up a set of by-laws for our approval at the next meeting. These by-laws are a necessary part of each Agricultural Society to help run our organization more efficiently.

Two delegates, Margaret Smith and Mary Newton will attend the Seminar and Annual Meeting in Edmonton on February 28 and March 1.

We will now pay the Village $1,500 to help purchase regravel and at the fairground.

Ron Thurston was on hand to give us a description of the lovely new Christmas decorations they will be purchasing this year.

We welcomed to our meeting our local M.L.A. Mr. Charls. Stewart and his wife. Mr. Stewart presented a lovely plaque to the Agricultural Society. Mr. Stewart commented how much the Agricultural Societies have contributed to rural communities in Alberta over the past years. The plaque was to show the government's appreciation and recognition of the many individuals and communities as a whole who continually strive to improve rural life.

Mary Newton presented the 1978 Fair Family Award to Bert and Jean Smith who have now won it two years in a row.

We then asked Charlie to make our final cash draw on our money draw. The lucky $500 winner was Lynn Prior, Irma and Wayne Tindall of Lloydminster won $300.

Our next meeting will be held on March 7 at 7 p.m. in the school. After adjournment, the members and guests enjoyed a pleasant social hour visiting and sampling the wine and cheese or coffee.

Irma News and Views

We are all pleased to welcome Harley Barss home and coming along quite well after spending three weeks in Islay hospital as a result of burns sustained when his home was destroyed by fire on New Years Day.

Congratulations to Mr. and Mrs. Merle Hellover on the birth of a son in Wainwright hospital recently. The baby had a breathing problem and was sent to Edmonton where it is coming along satisfactorily and is expected home soon.

Buffalo Coulee W.I. is holding its next monthly meeting at the home of Dianne Prior on Thursday, February 15th. All district residents are welcome.

Congratulations to Mrs. Ron Prior on being the lucky winner of the $500.00 at the Manaville Agripiex recently.

A gentleman who lives in Irma's west end and who so graciously uses his snow blower to clear sidewalks and drive ways over a wide area of the village has earned the heartfelt thanks of his friends and neighbors. The gentleman is Frank Teseman. Thanks Frank.

Iris and Donald Armitage and children visited Minnie and Jim Jackson on Sunday evening February 11th.

Irma New Horizons News

In spite of the severe cold, a good crowd of senior citizens and friends were on hand for the Whist Drive in the Drop-In Centre on Thursday evening, February 8th. Seven tables played, with George Foreman having the high score for the gents, while Eddie Haugen received the consolation.

Ladies high score went to Margaret Cook, and low to Dorcas Coffin.

Edith Cockroft and Minnie Jackson were in charge and the event went off smoothly. After cards, coffee, sandwiches and socializing were enjoyed.

All score cards are being kept and a grand prize will be awarded for the highest aggregate score at the end of the series.

Cedar Strip

Create wall art. Face a fireplace. Cover furniture, planters, cabinets and more. Woodstrip cuts easily to any length you need. So you can enjoy the warmth and glamour of real wood in hard-to-fit places without the waste of 4x8 foot panelling. Use the strips vertically, horizontally or diagonally. Woodstrip offers endless decorating variety with the ultimate in handling ease.

Woodstrip is flexible, too. The thin strips bend to cover curves, corners or arches. With Woodstrip, you'll be putting real wood where you never could before, without wrestling unwieldy panels or boards.

IN MEMORIUM

In loving memory of my dear husband Gordon who passed away on February 16, 1970.

I lost my souls companion
A life linked with my own
And day by day I miss him more
As I walk through life alone.
The rolling stream of life moves on,
But still the vacant chair
Recalls the love, the voice, the smile,
Of the loved one who once sat there.

Ever remembered and sadly missed by loving wife Bella D'arcy. 1c

CARDS OF THANKS

I wish hereby to express thanks and appreciation to my friends for the cards, letters, flowers and visits as well as other acts of kindness during my recent hospitalization.

Special thanks to the Newton family for taking care of my chores, and for visits by members of the family. All is fully appreciated. Bob Dempsey 1c

Trudy Erickson Wins Public Speaking

Nine junior 4-H girls and one pee wee participated in the speaking competition held in the Bruce Community Centre on Thursday evening, February 8th. Club leader Paulette Erickson welcomed the guests and introduced each speaker. Judges were Sylvia Parin, public health nurse from Holden, Marvin Tomashavsky, Holden Grade VI teacher and Bill Brass, assistant D.A. from Ryley. Trudy Erickson placed first with her speech about "Peanuts" while Joyce Lutz was second with a speech about "The Common Potato".

Following the presentations by the girls, Bill Brass commented on the speeches. He commended the girls on the quality of their presentations and praised them for the fine research they had done on their topics. He also stated that all participants were winners in that they had gained confidence and experience from their involvement.

Anne Motkoski, representing the Bruce Women's Institute, presented Trudy Erickson with a trophy and also congratulated Joyce Lutz for placing second.

Despite the bitter cold, families and friends of the girls were on hand to give them moral support and applaud their efforts. At the close of the evening, the mothers served coffee, sandwiches and goodies.

Following is a complete list of participants and the topics chosen: Tracy Dewart - Cats, Leann Kraus -Canada's North, Lynn Hebert - History of the American Quarter Horse, Rhonda Koppel - Hereford Cattle, Trudy Erickson - Peanuts, Joyce Lutz - The Common Potato, Cathy Pratt - What is Television Doing to Your Children? Phyllis Giebelhaus - Chickens, Kathy Giebelhaus - Shrews, Cheryl Giebelhaus - Smoking.

Anne Motkoski, representative of the Bruce Women's Institute, presents a trophy to Trudy Erickson, winner of the Bruce 4-H public speaking competition.

Joyce Lutz, who placed second in the Bruce 4-H speaking competition, is being congratulated by Anne Motkoski representing the Bruce Women's Institute

Holden and District News

Perohi Supper will be held at the Holden Community Hall on Thursday, February 22, 6 to 8 p.m., sponsored by the Holden Ukrainian Ladies Aid. Everyone welcome.

In hockey in Holden, the Holden Beavers played with Waskatenau Raiders. Holden scored 8, Waskatenau 6. Gordon Myer led the scoring for Holden with 3 goals, and 3 assists. This game was played at Holden, February 6.

A three act comedy "George and Margaret" will be held at Holden Theatre, presented by Beaver Hill Player, on March 8, 9, and 10. At present Holden Theatre is known as Regional Arts Centre.

Mr. George Giebelhaus, president of the Senior Citizens Drop-In Centre states that the Centre will be officially opened on Saturday, February 24, at 2 p.m.

Holden residents were saddened to hear of the death of Mr. John Cwikula, a village resident here for many years. Mr. Cwikula was a patient in Viking Hospital, then in an Edmonton hospital. He passed away Monday, February 5. The funeral was held February 10, in Greek Catholic Church (Holden South)

Holden Fire Department was called upon a tragic fire Saturday morning, February 10, to the farm of Robert and Doreen McKibbon south of Holden, where the barn and some livestock were a total loss.

inte W.I. News

Then discussion was held on the last minutes and on the District 2 Conference. It was attended by Mrs. Betty Dennett and Mrs. Angela Johnston on January 17th and 18th, at the Grey Nun's Centre in Edmonton. Children were the main topic of the conference and combined workshop.

Next there was discussion held on the correspondence read by the club secretary, Mrs. Lois Crouse. The items discussed were about working in the Carena snack bar the week of March 26th to April 2nd, the upcoming handicraft, cultural activities workshop to the ATC Telerama held on Saturday, January 27th and a donation to the repair of a landrover in Lesotho, Africa were decided upon, as was our entertainment at the nursing home on March 29th.

After all the business was finished we had a delightful talk given by Mrs. Gunn, the W.I. Constituency Convenor about the beginning of the W.I. movement and its founder, Mrs. Hoodless. The W.I. movement now has eight million members.

After the talk by Mrs. Gunn, was had roll call and as each member's name

Barsain and Ellen Izzard of Vegreville.

Helen Kawalilak from Edmenton and Ralph Kaye of Vancouver called on Mrs. Pearl Kawalilak.

Zerah and Heather Candish visited with Mrs. Clegg.

Mrs. Block celebrated her birthday on January 29th. Her family and friends brought a birthday cake and had an afternoon party. Visitors included Mr. and Mrs. Jack Carrington, Phyllis Rabby, Mary Kabesh, and Henry and Fern Rabby. Happy Birthday, Theresa from everyone at Parkland.

Recreation Report

By Colleen Walker

The 9th Annual County-Wide Badminton Tournament will be held Sunday, February 18th, at Tofield School. This year's entry fee is $3.00 per person and a $2.00 fee for additional events. Each event will include a trophy and two consolation prizes.

Because of the bad weather experienced last Wednesday, the "Let's Do It Again - Dance All Night" has been re-scheduled for Wednesday, February 14. Tickets sold for the February 7 dance will still be honored Wednesday. It's Valentine's Day, so come and have a dance with your sweetheart.

This year the County of Beaver will be well represented when we leave for the games in Vermilion February 23, 24, and 25, 1979. Teams going this year will include: Mens Basketball - Kinsella Team, Men's Volleyball - Ryley Team, Badminton - Members of Viking and Holden Clubs, Men's Broomball - Viking Team, Ladies Basketball - Viking and Ryley Teams are currently playing off to determine County of Beaver representation.

We are sending 55 athletes this year, a rise from our 1978 figures of 35 athletes to Fort McMurray.

Alberta Agriculture
FARMER VET COURSE
A practical veterinarian course to include Beef and Dairy Cattle, Swine and Horses.

EMPHASIS WILL BE ON:
1. Preventative Medicine
2. Herd Health
3. When to spot problem animals before they die.

With the prices of today's livestock markets, you can't afford to miss this course.

NOTE: This course will be put on by reputable practicing veterinarians.

Viking Loses Bid for Provincial Tournament

At a general meeting of the Viking Minor Hockey Association, it was noted that Viking had not been successful in their bid to host the Provincial Midget "C" Tournament. As this was not the first, but the third time, that Viking had been turned down in their efforts to host the provincials, the association felt they had been treated unfairly. Although too late to change the situation for this season, a letter is being forwarded to the A.A.H.A. voicing dissatisfaction with their decision.

In view of the success of previous years, minor hockey is again conducting a $500 cash draw. Tickets are being distributed and are available from hockey players, the executive, and several business establishments in Viking.

Plans were finalized for the annual dine and dance being held on March 3rd. Advance tickets may be obtained from minor hockey representatives.

The first two day Midget tournament hosted in Viking was a definite success in all aspects. The support shown the Viking team resulted in substantial gate receipts. Other tournaments to be held in Viking were discussed with the Pee Wee Tournament booked for Sunday, February 18th with games beginning at 12 noon. Viking and Vegreville meet in the opener, while Sherwood Park and Wainwright go on the ice at 1:45. The B final is scheduled for 3:30 while the A final should get underway at 5:15 p.m.

The Viking Bantams will host their tournament on Sunday, March the 4th. Minor Hockey urges you to attend these tournaments. Your support provides the players incentive to better themselves through the sport of hockey.

Three More

10 - 3 victory when the final buzzer sounded.

On Sunday afternoon, the boys hosted Killam for their third game in three days. This turned out to be the best of the three, but again the line of the Sutter twins and Evans proved to be too tough to hold in check. At the end of the first period, Viking led 3 - 1 on goals by Ronald Sutter, Richard Sutter and Allan Evans.

The second period saw Killam check closer and as of this, Viking scored only once. This goal came off the stick of Richard Sutter.

In the third period, the boys only scored once with David Darling getting a shorthanded goal.

When the final buzzer sounded, Viking had defeated Killam 5 to 1 and with this victory have gone undefeated in 18 league games. With 6 remaining league games and provincial playoffs coming up, it is hoped that the boys keep up the skating and checking that has made them successful so far this season.

The team would now like to thank everyone who has given them support and hope that everyone will continue to attend throughout the remainder of the season.

Parkland Nursing Home

Mr. Ritaland enjoyed a visit with Lawrence Ritland, Bertha Nohr, and Carol Waugh all of Edmonton.

Visiting with Mrs. Hutchinson are Louisa and Ray Mueller from Upper Fraser, B.C.

Calling on Mrs. Ward was her husband Peter and son Ross of Ryley.

Mrs. Gustafston had many family visitors during the week Mabel, Bud, Bryan and Ray Sarasin and Ellen Izzard of Vegreville.

Helen Kawalilak from Edmonton and Ralph Kaye of Vancouver called on Mrs. Pearl Kawalilak.

Zerah and Heather Candish visited with Mrs. Clegg.

Mrs. Block celebrated her 99th birthday on February 6. To celebrate the event, her family and friends brought a birthday cake and had an afternoon party. Visitors included Mr. and Mrs. Jack Carrington, Phyllis Rabby, Mary Kabesh, and Henry and Fern Rabby. Happy Birthday, Theresa from everyone at Parkland.

Quinte W.I. News

Eleven members and two guests attended the last Quinte W.U. meeting on Thursday, January 25th, at 8:00 p.m. at the home of Mrs. Betty Bennett.

The meeting was opened with the W.I. creed, the new program books were handed out, the minutes of the last meeting and the treasurer's report were read.

Then discussion was held on the last minutes and on the District 2 Conference. It was attended by Mrs. Betty Dennett and Mrs. Angela Johnston on January 17th and 18th, at the Grey Nun's Centre in Edmonton. Children were the main topic of the conference and combined workshop.

Next there was discussion held on the correspondence read by the club secretary, Mrs. Lois Crouse. The items discussed were about working in the Carena snack bar the week of March 26th to April 2nd, the upcoming handicraft, cultural activities workshop conference, and a thank you letter received for our donation given to the Busy Bees, Brownies and Guide troops.

After the correspondence was read, discussion of the new business was next on the schedule. Included in the new business was the discussion of catering to two weddings; one on March 10th and the other on June 2nd. A donation of $50.00 to the ATC Telerama held on Saturday, January 27th and a donation to the repair of a landrover in Lesotho, Africa were decided upon, as was our entertainment at the nursing home on March 29th.

After all the business was finished we had a delightful talk given by Mrs. Gunn, the W.I. Constituency Convenor about the beginning of the W.I. movement and its founder, Mrs. Hoodless. The W.I. movement now has eight million members.

After the talk by Mrs. Gunn, was had roll call and as each members's name was called, each member gave a short talk on "How I Spent Christmas".

Then the draw for the Hostess gift was held and Mrs. Doris Fee was the winner this month.

The meeting was then adjourned by Mrs. Lillian Evans. The evening was ended off with coffee and lunch.

Mrs. Mary Leidl

Irma W.I. News

At the regular meeting of the Irma Women's Institute, held at the home of Mrs. Orril Darling, plans were made to sponsor a film concerning Cancer in Women. Probable date for this is early April, and it will be open to the public. Watch for the date - this is of concern to all women.

The Branch is compiling a history of the members, past and present, of the Irma W.I. Personal histories are to be handed in as soon as possible.

New living quarters for a custodian have been built at the Adelaide Hoodless Homestead, home of the Women's Institute. The President of Federated Women's Institutes, Mrs. Martha Belish, has asked that every W.I. member contribute $1 to this project. The member's name will then be inscribed in a book to be retained at the Homestead. If you were not present at the meeting, your donation may be given to Mrs. Phyllis Craig.

A donation was also made to help support our own Provincial Office.

Interesting reports were given by Mrs. Edith Wilson and Mrs. Phyllis Craig, who had attended District 2 Conference in Edmonton.

Next meeting will be on March 1 at Mrs. K. Fahner's home. Hostesses are Mrs. Fahner and Mrs. Ballentine. Roll call - household hints, program - report by our Constituency Convenor, Mrs. E. Gunn.

Rejoice Together

Viking Mites Emerge Winners By Narrow Margin

The Viking Elks' Mite team squeaked past Irma in overtime to win the A final in their tournament, held at the Carena on Saturday, February 10. Pictured [left to right, front row] are Dean Hasbarie, Cory Clouston, Kenny Zemanek, Cory Sternenchesky, Jason Pince, and Doug Taylor. Back row [left to right] are Mark Newby, Corey Winter, Greg Thengs, Shaun Clouston, Darren Antos, Steven Winter and Darcy Draper. Coaching the team for their tournament is John Antos.

On Saturday, February 9th the Viking Mites hosted a four team hockey tournament. John Antos, in the absence of team coach Wayne Clouston, handled the Viking team. Viking emerged the A winners when an overtime goal tipped the scale in their favor, against the powerful Irma team.

Viking played Innisfree in the opening game. The first ten minutes of the game were scoreless with Innisfree finding the net at 11:07. Viking got their first goal shortly after, followed by Innisfree's second. Viking scored two more goals in the first, to end the period at 3 to 2. The second and third periods found Viking controlling the action to end the game at 10 to 2.

In the second game, Irma and Killam, both strong evenly matched teams, competed. Killam scored a pair of goals in the first period to take a two point lead. Irma captured the second period to move ahead by a score of 3 to 2.

The third period resulted in equal goal scoring by the two teams. Killam scored and Irma replied, to keep the lead at 4 to 3. Killam scored their fourth goal at 14:43 which tied it up once more. Irma fought hard and with less than three minutes remaining scored the final goal to win the game 5 to 4.

Innisfree met with Killam for the B final at 3:15. Although the Innisfree team played hard, the Killam boys were stronger and the game ended with a 12 to 3 score in favor of the Killam team. This win awarded the Killam team the B trophy.

The A final resulted in an exciting contest between Irma and Viking. Irma scored twice in the opening period while Viking was held at one. In the second, the reverse occurred - Viking score two with Irma getting a single, to end the period at 3 goals each.

The third period found the Irma team just as strong as ever while Viking had to work very hard to keep in the game. Viking scored and Irma followed up with the tieing goal seconds later. Viking again took the lead at the 11:22 mark and with much persistence held the Irma team off until only 38 seconds remained on the clock. Irma tied it up again to end the period at 5 goals each.

In an exciting few minutes of overtime, Viking found the net to win the A final.

Vixons Take County Tournament

Wednesday, February 14, 1979

The Vixons attended the annual county Basketball Tournament on February 10th in Holden. The Vixons played the home team first, with Karen Overbo scoring 19 points, Karen Barber adding 10 points, Jenny Anderson with 8 points, Cheryl Giroux and Connie Slavik with 2 points each and Paulette Rabby added 1 point to pace Holden, who took control of the game early with a 23-10 second quarter spurt. As they led the way to a 42-16 victory, and walloping Holden, they walked away with an easy win in the semi-finals.

The Vixons' next game was the final against the Ryley team. The Vixons started off good but the slacking off in the second quarter allowed Ryley to come within being the county basketball champs, as the lead went back and forth.

At half time, it looked as if an upset was evident with the Ryley team in control leading 12-10.

But second half action set the tables straight with the Vixons coming back to overpower the Ryley defence and rally for a 2 point victory, 24-22, to take the trophy home. This makes it three years in a row for the Vixons. Karen Overbo led the Vixons with 8 points, Connie Slavik with 6 points, Karen Barber with 4 points, Jenny Anderson, Debbie Sloboda and Paulette Rabby with 2 points each.

The Norseman's played their first game against Ryley in the county basketball tournament. The Norsemen weren't about to be put to shame by Ryley so they gave them the best competition of the season blasting their way from 21-19 point lead at half time to a tight finish 50-40 in Ryley's favor

David Chilibeck hit 20 points for the Norsemen with Reg Tiedeman following with 12 points, John Marchinkoski with 4 points, Glen McGinitie with 3 points and Chris Sloboda with 1 point.

Viking Junior High Boys won the County Basketball Tournament which was held on Saturday, Feb. 3. They defeated Ryley in a close game which ended with a score of 21-19. Team members pictured [back row left to right] are Victor Sloboda - coach Karen Barber - and Scott Brower. Front row [left to right] Dean Stanoenoda, Butch Hudson and Greg Klebs. Missing from the photo are Cheryl Anderson and players Mike Hoffman, Richard Stephenson and Roger Tessman. Staff Photo

Full-time Dental Practice to Serve Viking and Area

Dr. Richard (Dick) Mann, presently working in Kitimat, B.C. will be establishing a full-time dental practice in Viking within a month to six weeks. Dr. Mann plans to operate out of the Medical Clinic in Viking.

Dr. Mann stated that he has contacted equipment suppliers in Edmonton and has made arrangements for all the necessary equipment. He plans to have the equipment installed in about two weeks.

Dr. Mann graduated from the University of Manchester in England in 1964. He moved to Canada in March of 1978, establishing a practice in Kitimat. Dr. Mann and his wife Margaret have been in Kitimat since their arrival in Canada.

The establishment of a dental practice in Viking was one of the top services requested by Viking residents in the Community Survey which was conducted in June of 1978. The establishment of this practice by Dr. Mann meets this request by local residents.

On Wednesday evening, February 14, approximately 100 Senior Citizens from across the County gathered at the Viking Community Hall for a "Dance All Night". Owing to the extremely cold weather, attendance by senior citizens from other towns was less than anticipated. The evening hosted by the Regional Recreation Board and the Viking Senior Citizens featured a Vegreville band lead by Jim Davis. Staff Photo

Holden and Viking Students Chosen to Attend Alberta Forum

Four students from the County of Beaver have been chosen to attend the Forum For Young Albertans during May. The four students, two from the Holden School and two from the Viking School, have been accepted for a one week session in the dynamics of government.

The two Holden students are Marie Chrystian and Eric Schanning. Both are Grade Eleven students at the Holden School.

The two Viking students are Margaret Fulton and Faye Oakes. Both girls are Grade Eleven students working on their matriculation diploma.

The program includes three days in Calgary and four days in Edmonton. The objectives of the one week course are to provide an opportunity to develop an understanding of local and provincial government, and generally to promote good citizenship and community responsibility in Alberta youth.

Tuition for the week long conference is $250.00. This will cover accomodation, meals, transportation and academic materials during the program. Students will be responsible for costs incurred for travelling from their homes to the Universities involved and back, plus spending money. Organizers of the Forum have urged the participants to seek financial support from local organizations.

Attendance by these students at the Forum will depend upon the acquisition of the funds necessary to pay the tuition fees. The Board of Education of the County of Beaver has presently allocated enough funds to pay the tuition of one student.

Miss Linda Erickson of Viking received her trophy for winning first place in the Senior Division at the County 4-H "Speak-Offs" in Public Speaking held in Tofield this past Sunday. From here, Linda progresses to the Regional Level with competitions to be held on February 25, in Vermilion.

Watch Canada's Last Solar Eclipse

It happened over the Winnipeg area in 1900, and it will happen this year . . . 1979, but never again in our lifetime. The next time that it will occur in this area will be in the year 2263 A.D. (Dates checked by the Canon of Solar Eclipses). It's the last total solar eclipse for Canada and the United States of the 20th century, and CBC television will telecast this spectacular natural phenomenon live Monday, February 26th at 9:00 a.m.

This one hour special, "Solar Magic", will include a wide variety of topics including the scientific, medical and historic significance surrounding one of nature's most spectacular events . . . a total solar eclipse.

On February 25, 1979, the bright disc of the sun completely vanishes behind the moon and they will appear to be exactly the same size as seen from the earth. The best place in the world to observe it is in Manitoba. (Specifically Hecla Island and Brandon). For a few minutes daytime becomes night time and the brightest starts, planets and the eerie glow of the sun's corona surrounding the dark globe of the moon will be clearly visible. The ponderous movements of the heavenly bodies will become very pronounced and a primeval and emotional effect will be experienced by these watching.

The main purpose of this "live" one hour production will be to show viewers the eclipse as it progresses from its early stages, through totality and beyond. Coupled with this will be the scientific contributions from the special guests pointing out the things to watch for, such as the shadow, the shadow bands, Baily beads, the Diamond Ring and other important factors and effects that occur before, during and after this marvelous natural phenomenon.

Teachers' Convention March 1 and 2

The Central East Alberta Teachers Convention will be held in Edmonton on March 1 and 2. Teachers in the area encompassed by Camrose, Castor, Provost and Vermilion will be attending both general and specialist sessions during these two days.

School will be cancelled for all students in the Central East area (including the Wainwright School Division and the County of Beaver for the duration of the Convention).

The theme for this year's Convention is "Connexion: The Year, The Child and You". Major addresses will be given by Dr. George Mager of McGill University, Jack Farrell of Saskatoon, and Rabbi Lewis N. Ginsburg of Calgary.

Throughout the two days at the Edmonton Plaza Hotel many specialist sessions will also be conducted. These workshops range from the use of picture books from kindergarten to grade eight to the teachers as counsellor to workshops in upper-elementary and junior high mathematics. As well, various tours will be provided to major educational points of interest.

On Thursday evening, entertainment and a dance will be held at the Plaza. The entertainment is scheduled to be two belly dancers, while the music for the dance will be provided by "Timothy Bridge", a country rock group under the leadership of Everett Norris of Viking.

More Soft Drink Cans Now Depositable

Non-carbonated soft drink cans will be accepted for deposit refunds by bottle depots beginning February 1.

Alberta Environment has expanded the container return program to include those cans which contain such drinks as: Quist; Hi-C Orange, Grape, Apple, Punch; Spot, orange, apple, lemonade; Crush Homestead, Orange, Grape, Apple, lemonade, fruit punch; Bright's lemonade; Welsh Ade, white, grape, concord.

As of February 1, consumers can return these to beverage container depots and receive a two cent deposit refund on each The two cent deposit will be made at the time of purchase. Fruit and vegetable juice containers are not included in the program - no deposit is made on them and no refunds are given. They are not accepted by the beverage container depots. Beverage containers also accept empty liquor and wine bottles, soft drink cans, and refillable soft drink bottles.

Last year in Alberta, about 40 million soft drink cans and 40 million liquor and wine bottles were returned through 170 beverage container depots.

Bottles which are not refilled are recycled. The broken glass is reused in the manufacture of new glass containers; the cans are shredded and sold as scrap steel.

Does This Make You Wonder?

An interesting document was received by The Weekly Review this week. The document was a Customer Experience Record issued by the Better Business Bureau of Edmonton. The document is a complaint form issued by the Bureau to help them determine the status of any business on their files.

The complaint against The Weekly Review was lodged under "Misrepresentation-Oral". The document lists Douglas C. Weeks, Box 90, Viking (Viking News) as the complainant, and is accompanied by the signature, D. Weeks.

The explanation concerning the complaint is as follows: False information given to sell advertising by Lane Carrington (Weekly Review, Viking) - exagerated (sp.) circulation figures & area to Barnes Furniture, Camrose, Canadian Advertising Rates & Data. Figures quoted: Weekly Review - 1050.

The circulation of The Weekly Review has always been listed and/or stated in its true form. The complainant in this case has never asked to audit our circulation, therefore he cannot have the "facts" on this matter. Our present paid circulation is 1193 newspapers per week, with a total press run of 1500 copies. The complaint is dated January 25. On January 25 our paid circulation(as listed in C.A.R.D) was well over the 1050 mark.

We find it very interesting that our "competition" would lodge a complaint against The Weekly Review without any factual evidence. Our circulation has been *accepted by the Post Office* and by C.A.R.D. by means of a sworn statement. As well, our circulation is open to inspection by anyone who wishes to know the "truth" and not "complain" or attempt to create unjustified problems on the basis of little, if any, factual information.

The newspaper business is based on obtaining and presenting the "facts". A complaint such as the one received this week from the Better Business Bureau on behalf of the Complainant, the Viking News, makes us wonder about the true nature, ethics and responsibility of the complainant. Are actions such as these characteristic of the type of people who area residents should trust or respect in any way?

Operation Provident

During 1979, the Viking R.C.M.P. Detachment will be initiating a crime prevention program which is aimed at assisting business establishments. The program is similar to the Neighborhood Watch Operation Identification programs already in effect in this area. The program, Operation Provident, is available to any business in the Town of Viking and Hamlets of Bruce and Kinsella.

The program operates as follows: A coded number is assigned to a participating business and they are encouraged to engrave this number on al property of a reasonable value which is susceptible to being stolen. The code number is nine digits made up of the letters O.P., followed, in Alberta, by the numeral 2 and six subsequent numerals. A block of numbers have been assigned to this Detachment.

The Operation Provident Program is a Canada Wide crime prevention program and exists in all provinces. The coded number allotted to a particular business is recorded at the local Detachment and then forwarded to our Division Headquarters in Edmonton. The number and correspond- ing business name is then recorded at that level. Plans are currently underway to have all coded numbers and businesses placed into a computer in Ottawa which is the headquarters for all provinces in Canada.

A feature in this particular program is that a number is allotted to a business as opposed to an individual. Therefore, when businesses change hands, the coded number remains the same.

Decals should be made available to businesses which have participated in this program, for conspicuous display in their establishments. Should stolen articles which have been coded turn up or come to the attention of the Police, even in another province, the identity of the owner is very simple to find. It also provides for positive identification should legal proceedings arise.

Engraving equipment is available at our Detachment Office. Businesses wishing to participate are asked to telephone the Detachment Office any Tuesday, Wednesday, or Friday during the day and arrangements will be made for the loan of the equipment.

Letters to the Editor

Dear Editor:

With a Federal and Provincial Election in the offing many electors will, as the old saying goes, be between the "Devil and the Deep Blue Sea" of which party or candidate to support.

Firstly, let us look at their record since they were elected. Second- what difference is there between the four major Parties? Third- do they (the candidates) represent their Constituents or their party?

Our Conservative Party in Alberta has been in office two terms. When they took office Alberta had the best roads in Canada. My wife and I have travelled from coast to coast and today many of our roads are a disgrace. Travel down Highway 36, try Highway 41, two of our main arterins north and south. Both promised to be finished at the time of the last election. The statement made recently by our Provincial Government that all Alberta road machinery was working full time last summer...'working where?' In B.C. - Not in Alberta for we were on every Hwy in Alberta and road construction in Alberta was conspicuous by its absence. Anyone can see an election is near, almost every farmer is going to have a first class road to his door "until after the election".

When the present Conservative Government took over in Alberta, we in Alberta had the best campsite and rest areas system in Canada. We still have BUT how many new ones except locally built ones as in Mannville? How many new Senior Citizen's homes have gone up in the last few years? Senior Citizens do not need homes, far better, give the money to our Conservative friends in Newfoundland, Manitoba and New Brunswick. How about our fine hospital system - close a third of the wards and save the money for our Heritage Fund so to impress the balance of Canada as to how rich we are.

Now, what is the difference between the four parties, very little between the Conservatives, Liberals or New Democrats. During the last four years their policies have become so identical. They will all tell the electors what they need and in an evasive way promise - but, keep them to their so-called promises. Third - do the candidates represent their Party or their Constituents. Only the Social Credit Party is a 'delegate Party' or run from the grass roots and all policy is decided by the delegates at their Annual Convention. The Social Credits' Candidate's first responsibility is to the Constituents, second the Party. The Candidates of all the other parties first duty is to the Party second, to the Constituents.

The Conservative, Liberal and New Democratic Party are all run from the top down, the leader and a select group of the Cabinet decide the policy of the Party and DARE any M.L.A. or M.P. break the Party line and vote against Party policy?

To my knowledge Mr. Editor there has only been two delegate parties (run from the grass roots) to date in Canada or should I say run by the people - old Old U.F.A. Party in Alberta and the Social Credit Government which succeeded it.

The authors of democracy in Alberta in trying to disparage the U.F.A. and Social Credit systems of Government only opened the eyes of all who are 'fed up' with the old line Party 'ballyhoo'.

I would advise every elector before he or she places their X on the ballot these coming tow elections to read Abraham Lincoln's Ten Rules if they wish to stop this slide into the worst financial crash and depression this world has ever seen. One cannot tax the worker to keep the unemployed and one cannot borrow oneself out of debt.

Yours truly,
E.M.Cashe

The Homemaker by Diane Luke

WATCH THAT SET!

Television can be a good learning tool if parents exercise good judgement in its use. Parents whose children watch television have a responsibility to supervise their viewing, to limit random viewing, and to help children choose shows in advance so they can learn to discriminate in selecting programs. A few basic rules, established and respected in a consistent manner can make television a source of enjoyment and learning for the entire family.

In itself, television is not necessarily a cause for conflict. Its use or abuse is the determining factor. Adults who think of television as a babysitter or an acceptable alternative to active play or who assume that choosing appropriate T.V. programs is merely a matter of changing channels are misusing a powerfully influential tool.

There are many youngsters today who spend the majority of their free time passivily watching television. They are exposed to a wide range of morals, values and behaviors with little if any adult guidance in their acceptance or rejection of what they are. I enjoyed a commercial in Oregon which said: "Hay Dad and Mom, come see what your child is watching on T.V." Parents need to review T.V. programs and regulate viewing accordingly. Sometimes it is fun to watch a program together and then discuss it.

Television can provide valuable information and new ideas for children. It can stimulate their imagination and give them glimpses of a world that we were never exposed to as a child. It can take you places and events you will never otherwise have a chance to experience. It can make you laugh, it can make you cry.

Every television set I've seen has an on/off switch. Don't be afraid to say no and use the off if a child requests to watch a program of which you disapprove.

Each family's viewing habits are different. If parents recognize the benefits of television as well as the limitations and they plan viewing time wisely and use it to exchange ideas and information, television can provide an opportunity for the entire family to participate in mutual growth.

By Diane Luke, District Home Economist

On behalf of the Viking Senior Citizens Club, Mr. Ed Chandler presents Colleen Walker with gifts as a token of appreciation for all she has done for the senior citizens during her two years as Program Supervisor with the County of Beaver. Colleen will be starting work on March 1 as a hostess for Nagel Tours of Edmonton. With Miss Walker leaving and there not being a motion on the books to hire a replacement, it would appear that the various clubs, groups and organizations throughout the County will be without a program supervisor. Staff Photo

Pioneer Portrait by Carol Maxwell

Mr. and Mrs. Victor Theroux

George and Olivia Theroux are residents of Vialta Lodge. George was born in Wisconsin in 1887, his wife in South Dakota in 1890. A brother of George's had come north in '07 to cook for the crew on railway construction and he thus came and took a homestead north of Jarrow in 1909.

Here, with advice from a stone mason he broke the stones to form walls for the house he built on his land. In addition to the traditional farming tasks, he tried his hand at other endeavors, one of which was raising silver fox. This effort was abandoned due to the desire for short furs making his furs less desirable. He also was a Raleigh Man for a short period of time.

It was while serving as secretary of the school board that he met his future wife. Olivia Knudson had come to the district to teach school. Following their marriage they farmed for many years before retiring to Irma. Here they are remembered for the excellent garden they grew each year.

Three daughters were born to the Theroux's union which has seen over 60 anniversaries come and go. Their mutual reliance and care for one other has certainly not diminished with the years.

Viking Resident to Represent Mutual Life

Bill Giroux of Viking has just recently completed training and has passed provincial examinations enabling him to become a licensed life insurance agent. Bill has chosen to pursue his life insurance career with The Mutual Life Assurance Co. of Canada and will be the Viking and District Agent.

As a local resident of Viking, Bill arrived and spent the first three years of his residency as Corporal of the Viking R.C.M. Police Detachment. After going on pension in 1976, he became part owner in the local B.E.L. Auto Body Shop where he worked as office manager. Following a near fatal accident in June of 1977, Bill chose to dispose of his interest in the body shop as his health would no longer permit this type of occupation.

In the fall of 1978, he began working toward receiving his license to become a life insurance agent and with the accomplishment of that goal we wish him every success.

LIGHTS FLASHING

DO NOT PASS

Every school day, more than 115,000 young Albertans will be getting on and off those familiar yellow buses when travelling to and from school.

As a driver you must not pass a school bus displaying alternately flashing red lights. Except of course if you are approaching on the other side of a divided highway.

Know and obey school bus safety rules for our children's sake.

Viking C.G.I.T. Hold Graduation

Graduation exercises for the Viking C.G.I.T. were held on Monday, February 19, at the United Church. Members of the graduating class are [front row left to right] Faye Oakes, Debbie Hanson, Linda Erickson. [back row left to right] Connie Fountain, Carole Dunnett and Louise Petroskey.staff Photo

The Viking C.G.I.T. held its mother and daughter banquet and graduation on Monday, February 19, 1979. The banquet, attended by approximately thirty people, was held in the basement of the United Church.

A toast to the mothers was given by Linda Erickson, and replied to by Mrs. Pat Erickson. Jacqui Watson gave the toast to the graduates with Debbie Hanson replying.

Debbie Hanson gave a brief and humorous summary of the activities of the graduands during the five years that they were in C.G.I.T.

The toasts were followed by short presentations by other members of the C.G.I.T. group. Marion Zelinski, Jacqui Watson and Kelly McVittie presented a very funny rendition of the song "The Bare Necessities".

A project of the C.G.I.T. was to take the babysitting course that was given last fall. They showed the before and after life of a babysitter who had completed the course.

Valerie Seizler and Kelly McVittie sang the song "You Light Up My Life", accompanied by Jacqui Watson on the saxaphone and Mrs. Pauline Watson on the piano. Marion Zelinski gave a piano solo of the song "Blowin' In The Wind".

The program was then moved upstairs to proceed with the graduation exercises. Kelly McVittie welcomed the people attending the graduation. Faye Oakes explained who had been their leader for each year and a brief summary of C.G.I.T. Then Mrs. Ellen Loisrud presented each of the graduates with a gift.

Guest speaker for the evening was Lorraine Morris.

The leaders, Mrs. Gaye Cumming, Mrs. Jan Gillies and Mrs. Isobel Quinton presented the graduates with a red rose and a C.G.I.T. graduating pin.

An enjoyable evening was had by all and the C.G.I.T. should be commended for the hard work and planning that went into the program.

The Pencil Box

Hall!! Procrastination!!

Raymond T. Johnson

"Never do today what you can put off until tomorrow, and if tomorrow never comes you won't have to do it."

At this point I am in defence of the procrastinator. There is no one as eloquent as a professional procrastinator, for everything is on his or her side. First of all procrastination is based on the element of time. There has always been time Sometimes I find it difficult to find time, but time is always there. It goes on forever and forever is a long time. At the beginning of time, possibly whoever was making it procrastinated first. We all have to admit time never runs out of time, does it?

Now there are events and I use them vaguely here, that should fall under procrastination. It is good to procrastinate slipping on a banana peel today. Put it off until tomorrow; for by then maybe the peel will be dried up or someone will have picked it up. See, even one could procrastinate on picking it up and someone else would do it.

Putting off has its merits when you set out to make a purchase of a certain item that you see a week later at half price. I term that "profitable" procrastination as well as a "healthy" one. The same goes for dietics; just put off that second helping.

Oh, there are numerous procrastinations that can come to mind. Even the creative writer can put off until a better subject comes to mind. In fact it is likely that everyone has gained by procrastination at one time or another.

Mind you, let's not over-procrastinate. That can get you in trouble. Of course, if one is careful and does not procrastinate trouble then you are safe. Don't put off paying a traffic ticket, meeting your spouse, putting gas in your car, or an appointment in court to name a few. Those are some of the things that just don't take to "putting off." There are others too; paying your phone bill, answering your mother-in-law, calling the fire department, calling the police when they are needed and eating your soft ice cream when it is one hundred above.

However, all of these can be procrastinated and one has to admire those who are able to get away with it. As a matter of fact, I must admit there isn't a situation that can not be procrastinated. However, we must bear in mind the result.

Now there is another subject; the result.

WE ARE A M.L.S. FIRM

Irma News and Views

Visitors with Lorna and Eddie Jackson over the weekend included Jeaneene and Lorne MacLeod of Wainwright, Arthur Jackson, Marilyn, Barbara, Lorraine and Lorne. Also son Charlie and his cousin Neil Jackson from Edmonton.

Minnie and Jim Jackson visited in Hardisty on Sunday with Tillie and Jimmie Bell and Dolly Hearn.

Bob Dempsey was home from Edmonton for the weekend and went back by bus on Monday morning for some more treatments.

We are glad to report that a large "Now Open" sign now appears on the Irma Motel.

Correction: In last week's Review appeared "Congratulations to Mr. and Mrs. Merle 'Hellover". This is either a typographical error or else poor hand writing on behalf of your correspondent. It should have been "Congratulations to Mr. and Mrs. Feilhauer". Sorry.

Bernie and Harry Long left on Saturday, February 17 from Edmonton by bus for a trip which will take them to Disneyland and other points in southern California, via Calgary, Swift Current, Dakota, etc., returning in about two weeks by a different route.

There was a widely held idea in the area that the Irma Fish and Game wildmeat dinner which was so much enjoyed in former years was not being put on this year. However, we are glad to have been informed that this rumor is false and that arrangements have been made to hold the wildmeat dinner in the school auditorium on March 9th. The outdoor reporter for the Edmonton Journal, Mr. Thornberry has been secured as guest speaker.

Bonnie Dunbar and children from Lacombe visited over the weekend with Meg. Robbie played on the Pee Wee team from Lacombe.

John and Anne Dunbar's girl Bonnie and Hamish Dunbar's boy Jimmie are going on the Carribean tour with the other students from Irma, who left Irma by bus at 1 p.m. on Monday.

Claire Lukens was taken to Viking hospital on Sunday, February 18th and expects to be taking treatments for at least a week.

Visiting with Marian Allred and the Long family last week were Mr. and Mrs. Jack Schmidt and Tammy and Mr. and Mrs. Brent Hall and baby. They came for the Long bull sale and took some bulls with them to their home at Taber, Alberta.

The Eastern Star tea and bake sale, which was to have been held on Saturday, the 17th was postponed on account of the sub zero temperatures. It will now be held on Saturday, February 24th, commencing at about 3 p.m. in the Legion Hall.

The milder weather which developed on Saturday was really appreciated. The long spell of sub zero temperatures was really hard on the nerves, as well as on the gas and power bills.

Edith and Art Gwinn returned home last Wednesday night after a month's holiday visiting relatives and friends in Spokane, Seattle and Olympia, U.S.A. On their way back they spent a couple of days at Edson with Clarence and Olenda Larson and also visited with Mrs. Paul Wiesner and some of her family who used to live in Irma. In Edmonton they spent a few days with Mr. and Mrs. Hugh Millar, Mr. and Mrs. Harvey Gulkner, Mr. and Mrs. Ray Terry and Mr. and Mrs. Floyd Hinecker.

Everyone has heard the story of the boys sheep herder who cried wolf wolf, when there was no wolf. People ran to help kill the wolf and the boy laughed and jeered at them. However, when the wolf did come and he hollered wolf, no one came and the sheep were destroyed as a result. Now in Irma the fire siren has gone several times in the past year and our volunteer firemen have rushed to the fire hall to find that it was a false alarm. This is bad, worse than bad, for if we do have a fire, those men who have always responded so promptly and I might add so effectively, may just decide that it is another false alarm - when in fact there is a fire. This could have disastrous results.

At least six couples from the Irma area attended the symposium sponsored by the Alberta Cattle Commission in Mannville on the evening of Friday, February 16th. Supper was served at 6 p.m. Following this the almost capacity crowd was addressed by Dr. Radostits, a veterinarian from the college at Saskatoon. He talked mostly on cattle diseases and treatment and stressed particularly the problem of calf scours. His talk was interesting and informative. Other speakers included Chris Mills - Secretary Treasurer of the Canadian Cattle Commission and Tom Thurber of the Alberta Cattle Commission. Several directors of the Alberta Cattle Commission were also present. The evening concluded by dancing until 2 in the morning to the music of the "Emeralds" from Edmonton. This was a very worthwhile and pleasant evening.

A group of 27 grade eleven and twelve Irma students with their chaperones Mrs. Darlene Lovig and Mrs. Joan Mitton left by bus Tuesday at noon for Edmonton. There they boarded the airbus to Calgary and from there they left by jet on their Mediterranean 3 week Educational Cruise. Photo Courtesy Lynda Jones

Chacutenah Manor

Mrs. G. Burke and son Bob of Edmonton visited with her mother, Mrs. H. Cockroft at the weekend.

Mr. and Mrs. Hooper are recovering from severe bouts of flu.

Mrs. R. Simmermon is in Edmonton, guest of her daughter, Mrs. S. Smith. On Sunday she joined in the celebration of granddaughter Erin's fourth birthday.

Our projector and screen are now here and Mr. Charlie Allen has been most helpful in the instruction of its use.

Correction of a misprint: Thanks were due to Mr. Wayne Larson for bringing our shuffle board from Edmonton and not Wayne Parsons as quoted.

Sunday visitors with Mr. and Mrs. Guy were Mr. and Mrs. C. Pyle and Mr. and Mrs. H. Larson, all of Wainwright.

FEEDING THE BEEF COW AFTER CALVING

It is vitally important that beef producers meet the greatly increased feed requirements of cows that have just calved, says R.E. Berg, animal nutritionist with Alberta Agriculture.

"Failure to do so reduces the growth rate of the calf and results in problems with the re-breeding of the cow", Berg said. "It would lead to this year's breeding season being extended, and there would be a consequent extension of next year's calving season.

"A cow's feed requirements increase markedly after calving because the animal needs to produce milk for her calf. Special attention to feed also hastens the cow's recovery from calving and allows the cows to start cycling sooner and with better conception rates."

Each additional one pound per day of milk produced by the cow ensures an average of 10 pounds higher weaning weight on her calf, said Berg.

Mrs. Berg suggests the following ration samples, based on average feed analysis and average requirements, for meeting a cow's feed requirements after calving. Adjustments for different farm situations should be based on feed quality, cow weights, levels of production, and the general condition of the cows.

For a 1000 lb. cow, low production, 10 lb./day (first number); 1200 lb. cow, moderate production, 25 lb./day (second number)

RATION A:		
Alfalfa Hay (lb/head/day)	22	33
RATION B:		
Grass Hay (lb/head/day)	20	24
Oats Grain (lb/head/day)	3	8.5
RATION C:		
Oat Straw	15	12
Alfalfa Hay	10	25
RATION D:		
Cereal Silage (65% moisture) (lb/head/day)	57	70
Oats Grain		4.5

1.U./head/day vitamin A.

HOMESTUDY CATTLE NUTRITION COURSE

As a result of the interest generated by the Homestudy Cattle Nutrition Course in this area, we have decided to hold a seminar at the Ryley Legion Hall on March2, 1979 at 1:00 p.m. All those participants who wish to discuss problems or require additional information on specific lessons thus far, are urged to phone our office to indicate if there is sufficient interest in such a seminar.

Recreation Report

By Colleen Walker

Most of you are aware that I will be leaving my position of program supervisor at the end of February. As of to-date, the regional management board are unsure whether they will be hiring a future program supervisor due to budget restrictions. Therefore, I am starting no new projects, just trying to finish up the old.

SENIOR CITIZEN'S

Well last night despite the cold weather, we danced all night. Since there seemed to be no break in the weather and time was running out for me, we decided to go ahead with the activities. We had kind of a bad time getting started with the band getting stuck in route to the dance, but when they arrived we got down to some serious dancing.

There were approximately one hundred seniors' out for the dance representing the County from one corner to the other corner. Lunch was put on by the Viking Senior Citizens and dance music provided by the Jim Davis Band of Vegreville.

The evening was made very special for me by the seniors of the County. My Grandpa and Grandma Burnham bought me a huge birthday cake which was divided one hundred ways. I was also presented with some momentums to remember the towns of our County. Thank you seniors for making the evening so special for me. I'll remember your kindness for years to come.

1979 NORTH EASTERN ALBERTA WINTER GAMES

We've got our gang together to go to the winter games in Vermilion, February 23, 24, and 25th. The County of Beaver will be represented by the following athletes:

Men's Volleyball - Rylay Team-Andy Nimchuk, Ken Fleming, Ron Teske, Allan Fleming, Bruce Fleming, Robert Lysle, Pat Nolan, Arnie Fleming.

Men's Broomball - Viking Team- Allen Otto, Daniel Foster, Jim Veenstra, Dennis Christian, Terry Pyzik, Dale Stevens, Gary Pyzik, David Foster, Hector Dumunch, Sammy Pon, Joe Girczjc, Kelvin Erickson, Don Stefanik, Dennis Sarafinchir.

Badminton - Men's Singles- Boyd Ash, Men's Doubles- Tom Harray, Bill Harre, Ladies Doubles-Ruth Lever, Ruth Likness, Mixed Doubles - Walter Stefanik, Doris Fouts.

Ladies Basketball - Ryley team-Tanya Nordby, Sheila Mizera, Fay Strilchuk, Lee Gudmunson, Loralie Norton, Marlene Magneson, Betty Boettger, Lorna Stauffer, Janice Kirkelund, Mona Knudsion, Sheila Senarud, and Val Gudmunson, Coach - Floyd Taylor.

Men's Basketball - Kinsella Team - Jack Welch, Eldon Gile, Hank Welch, Glen Welch, Ralph Hanson, Leigh Francis, Less Hutchinson, Joe Bobyak, Larry Baumgardner, Carter Oakes.

SKI TRIP TO JASPER

I got a very good response from my previous article in the paper, so definite plans have been made for a trip.

DATE: March 16,17, and 18. We will be leaving late Friday afternoon(5:30 p. approximately). Pickups will be made at Viking, Holden, Rylay, and Tofield Sunday afternoon we will be leaving the slopes around 3:00 pm, arriving home early Sunday evening.

WHERE: We will be skiing at Jasper's Marmot Basin which specializes in a variety of slopes from gentle hills for the novice to packed slopes for the intermediate skier.

HOW: We will be travelling on a Diversified bus which has all the conveniences; stereo, P.A. system, bathroom, and lots of luggage space.

ACCOMMODATION:

Accomodation has been booked at the Mount Robson Motor Inn.

AND NOW THE COST . . .

I have go together a group package which includes the following:

$27.00 Transportation
$16.00 Motel (bases on 2-bedroom suites-6 person)
$17.00 Lift Tickets. The total comes to $60.00. These rates are based on 30 people registering. Please contact Collen at 663-3730 to register.

Echo-Rodino Report

Josephine Holt spent last weekend visiting her Father in hospital at Edmonton where he is resting following an operation.

Christine Bauer was the only lucky lady from our neighborhood at the bingo last week.

Mike Mackowoski, Everett Greenwood and Bob Williams travelled to Rosalind to help cheer on the Viking Gas Kings.

Doreen and Les Prosser were in Edmonton for a couple of days on business. While there, they dropped in at the hospital to visit with Marvin Prosser who has been under going an operation on his arm. Hurry and get well Marvin.

Claudia Williams and girls visited for a couple of days in Wainwright with her sister-in-law, Betty.

On Thursday night 25 adults signed up for the Adult Swimming lessons at the Prosser pool. Many were beginners in this field which lead to gales of laughter as we took turns at trying things that the children always handle so simply. Saturday the children's classes started with well over 50 registering.

Yvonne Greenwood took in a days shopping in Camrose.

Rodino Hall was the scene of a lovely shower held on Sunday for Shirley Greenwood. The bride-to-be opened a lovely variety of gifts after a couple of games were played by the large crowd of ladies who were present.

Visiting with their grandparents for a short time is Karen Krull and Douglas Prosser.

AGT GOOD NEWS PARTY LINE

The Viking Historical Society will hold their annual meeting on Friday, February 23, at the home of the Mr. and Mrs. A.A. Burnham at 8 p.m.

The Kinsella U.C.W. are sponsoring their annual Smorg - Friday February 23, from 5 - 7 p.m. in the Kinsella Hall

Kinsella Rose Seniors are sponsoring an open card party in the Kinsella School on Feb. 21 at 8:00 p.m. Admission $1.00.

Do You Know The Bible Says

By Mrs. W. Meyers

But now is Christ risen from the dead, and become the first fruits of them that slept. For since by man came death, by man also came the resurrection of the dead. For as in Adam all die, even so in Christ shall all be made alive. But every man in his own order: Christ the first fruits afterward they that are Christ's at His coming. I Cor. 15:20-23. Also 15: 16-19. "For if the dead rise not, then is Christ not raised. And if Christ be not raised your faith is vain: ye are yet in your sins, then they also which are fallen asleep in Christ are perished. If in this life only we have hope in Christ, we are of all men most miserable."

This article, I am going to show how just belief in God is a false cult.

Many today will say, I believe in God. The pharasees also believed in God, but Jesus said our righteousness and faith or belief must exceed that belief.

They shunned Jesus' claims that He was God's Son. They wouldn't believe Him.

They even shouted "Crucify Him". They were no different than the ordinary man today who believes in God. John 3:3 says, "Except a man be born again (born of God, born of the Spirit) he cannot see the kingdom of God." And also Rom. 8: 6-10 says, "They that are in the flesh cannot please God. Now if any man have not the Spirit of Christ, he is none of His. And if Christ be in you, the body is dead because of sin, but the Spirit is life because of righteousness."

If just believing in God was sufficient why did Christ have to come and suffer and die? He shed His blood for you and me, for the remission of our sins. He arose from the grave and is alive today, and He is the WAY, THE TRUTH, AND THE LIFE, and no one can come to God but by Him (Christ) no matter how much he believes in God. What hope has anyone for eternity with God if he refuses to admit he is a lost sinner and refuses to accept Jesus as his Saviour?

The New Testament is so available today and so understandable to anyone who wants to know the truth that there is no excuse for anyone. Jesus made the way of salvation so plain, and pointed out that we must accept Him: and not just believe in God. I say, again, just belief in God is a false cult and the devil is hiding people into hell with this very religious idea.

The "Shepherd" in Winter

By Onesimus

I wonder if you are tired of the Winter? February seems to have been a cold month what with temperatures at minus 30 and thereabouts! And yet can Spring be far away? It will be good to see the green grass and the warmer days again, or at least that is how I feel!

In John Chapter 10, there is recorded an event which occurred during a visit by Jesus to Jerusalem. It was winter and one of the Feasts was being celebrated. Many people were puzzled about Jesus; some said He was devil-possessed because He was (to them) a very unusual person; others said, "Can a demon-possessed person open the eyes of the blind?" No wonder that when Jesus was next seen in public, the people flocked to Him asking, "How long shall You keep us in suspense? If you are the Christ, tell us plainly." Are You the Messiah, the Promised Savior as the prophets foretold?

Jesus' reply was very clear to those who were willing to be told the truth. "I told you (I am the Christ) and you do not believe. The works I do in Thy Father's Name, they bear witness to Me". He said once to His Disciples that the works He did (that is, His Miracles) were meant to be a proof of Who He Is! As then, so today, people will not accept the miracles of Christ because they do not want to face up to Him as the Son of God - the enemy of sin and spiritual darkness.

After the remarks that the miracles He performed were evidence of His Deity, Jesus said of His followers, "My sheep hear My voice and I know them and they follow Me; and I give them eternal life and they shall never perish and no one shall snatch them out of My Hand. My Father, Who has given them to Me, is greater than all, so no one is able to snatch them out of the Father's Hand. I and the Father are One". Verses 27-30. If you are one of His "Sheep", you are secure, now, in this life and forever.

We may complain about the Winter and the cold, but do we ever think of the Eternal "Winter" and cold misery of a life separated from Jesus, the Good Shepherd, the Lamb of God who bears away our sin? Do we lament the coldness of our hearts towards Him and long for the day to dawn when our love might spring up in sincere love and devotion to Him, the Lord and Giver of Life? When we truly realize our spiritual winter condition, the "Spring" of His Power witnessed in the Resurrection cannot be far behind!

As we listen to His Voice, the "coldness" is banished and the "warmth" He gives, thaws out the ice, giving life and gladness to His faithful people.

Weekly Inspirational Corner

Seek ye the Lord while He may be found, Call ye upon Him while He is near:

Let the wicked forsake his way, and the unrighteous man his thoughts: and let him return unto the Lord and He will have mercy upon him and to our God for He will abundantly pardon.

For whosoever shall call upon the name of the Lord shall be saved. Isaiah 55:6-7 and Rom. 10:13.

Rejoice Together

Irma U.C.W. News

The regular meeting of Irma U.C.W. was held in the church parlor with Mrs. Wilson presiding. Mrs. Dorene Coillie gave devotions.

Mrs. Louisa Prosser was in charge of the program. She read a chapter from the book "Women of the Bible". This chapter dealt with "Jockabed", mother of Moses.

Thirteen members answered roll call and we had one visitor.

It was decided that we have our New-to-You Sale on Sat., April 28th.

A delicious lunch was served by Mrs. Peggy Fleming and Mrs. Marjorie Fischer.

Next meeting on Tuesday, February 27th. Devotions - Mrs. Helen Smallwood. Program - Mrs. Kay Clumstad, Hostesses - Mrs. Allie Bacon and Mrs. Mary Dempsey.

ALBERTA AGRICULTURE

Home Gardening Course For Country and Town Folks

Thought of planting a garden this spring BUT not sure of particulars such as:

* 1. Seed bed preparation
* 2. Seeding practices
* 3. Crop rotations
* 4. Fertilizer requirements
* 5. Weed and pest control or
* 6. What type of varieties are best suited for planting in this area?

THEN COME TO THIS SMOKER OF A COURSE - EMPHASIS WILL BE ON VEGETABLE CROPS AND ALSO SOME SMALL FRUIT VARIETIES.

PLACE: Ryley Legion Hall
DATE: March 8 and 9, 1979
TIME: 1:00 p.m. each day
COST: $5.00

Pre-Register by Phoning your D., Box 200 Ryley, Alberta Phone: 663-3555

Holden Farmers Union Regular Meeting

Holden Local 715 of the National Farmers Union held their regular meeting on February 6, 1979 in the Holden Masonic Hall. Minutes of the last meeting were read and adopted.

Miss Bernadette Jober attended the meeting to ask the N.F.U. if they wished to place an advertisement in the Holden High School 1979 Yearbook. After discussing the matter, the meeting decided to either place a quarter page ad or sponsor a number of pages.

The youth exchange program was brought up. To date, names of two interested youths were submitted. The choosing of one participant to represent Local 715 will take place at a later date.

The pyrogy supper to be held in the Holden Hall February 16, 1979 was discussed. Advanced tickets are available from N.F.U. members. The supper will feature a guest speaker followed by a dance. This will be an opportunity for new members and non-members to become more acquainted with the National Farmers Union as well as socialize.

President Rudy Kiist announced the District Convention to take place in Vegreville on February 21, 1979. Eight delegates were chosen and visitors are urged to attend.

The Plant Breeders Rights issue was discussed. The implications of this issue could be serious as if the proposed Bill C-21 is passed it will give our private sector the right to produce our seed as opposed to the public sector as it is now.

The slide presentation "Who Pays Who Profits" was shown after adjournment, followed by coffee and doughnuts.

Bruce and District News

The Bruce Men's Open Bonspiel wound up on the 11th of February. Following is a list of winners in their respective events.

FIRST EVENT
1. H. Shyba
2. L. Maxwell
3. B. Dary
4. M. Dorin

SECOND EVENT
1. Kallal Motors
2. J. Fornal
3. E. Hammermaster
4. K. McClaren

THIRD EVENT
1. D. Winsnes
2. D. Albrecht
3. Kinsella Hotel
4. J. Tkaczyk

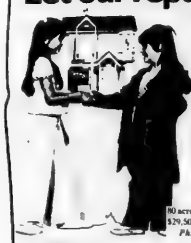
Grant and Bea Fredericks and Jos and Doris Ogrodnick left Friday for a four week tour of New Zealand and Australia. How nice to be escaping from this cold weather and snow.

Hank and Vicky Field and Ray and Agnes Erickson arrived home from Hawaii on the weekend. Looking tanned and rested, they reported a really nice holiday.

The County of Beaver senior citizens got together for a Valentine's Dance in Viking on February 14. Despite the cold weather there was a good turnout. Attending from the Bruce Sodbuster's Club were Vivian Benson, Roy Haugen and Ivor Boraas. They reported a really good time was had by all. While there they presented a farewell gift to Colleen Walker from the Bruce Club. Colleen is leaving the County Recreation Department for a job in Edmonton.

The Bruce Chapter of the Women's Institute held a successful Tea and Bake Sale on Saturday afternoon. A good number of people emerged following the cold weather of the previous week to enjoy the delicious strawberry shortcake and coffee and to buy some of the home baked goodies. The winner of the homemade candy raffle was Mrs Sigrid Erickson.

Let our reputation go to work for you.



More people buy and sell homes through CENTURY 21 than through any other real estate sales organization. That's a lot of friends who can be influenced by an ad on this page. Whether you're buying or selling, let our reputation go to work for you

Holden and District News

Members of the Senior Citizens Drop In Centre want to welcome everyone to attend their official opening on Saturday, February 24 at 2 p.m. Several guest speakers will be present. Free admission and free lunch will be served. The Senior Citizens have purchased a shuffle board, pool table and card tables recently. Many people are donating dishes, dish towels etc. for the kitchen. Everyone is eagerly waiting for the opening day.

The Holden Complex was busy this weekend. The Annual Ladies Bonspiel was held also, in hockey the Holden Beavers and the Ryley Flyers played on Saturday, February 17, with the score ending at 5 to 1 for Ryley. On February 18, Sunday, Holden Old Timers played against Camrose A.G.T. with the final score 9 to 8 for the Camrose team.

Swinging Beavers Square Dance News

On January 13th, twenty square dancers from the Swinging Beavers club, including Allan Zwierschke as caller journeyed over to Camrose, to entertain guests at the Bethany Nursing Home. We received a thank you letter, telling how much they had enjoyed the evening. The only mishap, Pete Munkadal lost his way, but everything came out all right.

February 12, we had our Valentine party, Clem Nadon of Edmonton called the dance and kept us moving. In spite of the cold stormy weather we had five squares dancing, most of the time.

During intermission, the ladies of the club modeled the latest styles in square dance panties for 1979. The models were varied and colorful with many ruffles and styles. I'm sure the judges, Clem Nadon Jack Brooke and Stu McMullen had a difficult time judging the most fetching styles for 1979.

Sam Field twirled the ladies in turn for the benefit of the judges and spectators. First prize went to Ruby McMullen, Second to Marie Westmancoat and third to Donna Brooke.

A lovely valentine cake made and decorated by Donna Brooke was drawn for as a door prize and was won by Boyd Ash of Viking.

Pie, ice cream and coffee served for lunch, brought the very enjoyable evening to a close. Everyone is hoping for better weather for next Monday night.

Holden 4-H Club Holds Public Speaking Competition

On Tuesday, February 13, the Holden 4-H Beef Club held its public speaking competition along with a short business meeting. In the Senior division, Brian Hejnar placed first and Kevin Dewart was second. Dale Lutz was first in the Junior division with Michael Lutz second. Eight members participated in the Public Speaking. Judges for the event were Mrs. Mary Laskosky, Mr. Robert Lyulo and Mr. Milton MacGregor.

Mr. Paulette Erickson of Bruce acted as time keeper and teller. During the meeting the club members decided to donate $50.00 to the McRibbin family following the loss of their barn and livestock in a recent fire.

It was decided to order 4-H T-Shirts for all club members. The Holden Club is planning its annual pancake supper for March 23, 1979, from 5 to 7 p.m. at the Holden Complex.

The next 4-H meeting will be held on March 20th. The Ryley club has been invited to attend this meeting to discuss a possible joint Ryley-Holden Club Calf Sale and Achievement Day. Lunch was served to members and guests.

Bread Price Hike Not Farmers' Fault

Don't blame farmers for the bread price hike," Jo-Anne fried from the National Farmers Union said today.

"The actual cost of wheat in a 20 ounce loaf of bread at $3.25 a bushel is 5.3 cents. At $4.00 a bushel, the wheat is worth 6.5 cents a loaf.the difference is 1.2 cents," she stated. "Tomboy, I.G.A., and Safeway raised their prices by five or six cents a loaf and then attributed the bread increase to the elimination of the consumer subsidy by the federal government which had held wheat prices at $3.25 a bushel and now raises the producers floor price to $4.00 a bushel," Fried said.

The large bread companies and the grocery chains go for profit and pass along their overhead to the consumers and unfairly blame the farmers," the National Farmers Union spokesman said.

Jim Waters of Canada Safeway said in a telephone interview that the bread price increase has been overdue for awhile. Only bread made from wheat should be raises in price but Safeway raised the price of a 27 ounce loaf of rye bread from 96 cents before Christmas to $1.08 in the new year, while the price to rye producers has remained the same at $2.10 a bushel.

"Business and industry pass along their overhead costs to the consumer but farmers can not,"Fried said. It is the National Farmers Union view that the price of grain should reflect the cost of production and a return on investment for the farmer."

Phone 336-3284 Viking, Alberta

Profile: Myrtle Ronaghan

Myrtle Ronaghan is one lady who has accomplished a lot for her community.

Myrtle Kjelland was born in Viking, the second child of a family of four. She took all her schooling at Maple Lodge, a small one room school 12 miles northeast of Viking.

Upon completion of Grade 12, she worked at the hospital, doing a variety of jobs and for three years, was cook.

Then in 1940, she married Leonard Loades. During the next sixteen years, until his passing, she cooked for the Gas Company employees and raised her two children.

Son Harold still lives in Viking and has 2 daughters and daughter Myrna has a son and a daughter and lives in Edmonton.

After her husband's passing, Myrtle started hairdressing. Then in 1962 she built the Burger Queen in Viking, backed by her rather extensive cooking experience. Her venture succeeded and in 1964 she found it necessary to build on. The addition of the dining room and beauty shop to the Burger Queen gave Myrtle and her daughter the chance to continue hairdressing.

Myrtle sold the Burger Queen in 1968 when she married Arthur Ronaghan. Together she and her husband operated the Funeral Home until their retirement.

Myrtle has been active in the Viking and District Agriculture Society for many years. Although she never actually held any official position, she spearheaded and caters for the pancake breakfasts, an event always well attended. She also volunteered her cooking experience many times for various dinners for the Agricultural Society. Myrtle also operated the Carena snack bar and the curling rink snack bar for a number of years.

As well, Myrtle has been involved in the Viking Royal Purple and the Eastern Star Lodge, having gone through all the chairs in both organizations. She also held the positions of Honored Royal Lady for three years in the O.O.R.P. and was Matron for the Lodge for two years. She was instrumental in setting up the Viking O.O.R.P. weekly bingos, the proceeds from which go to the Ag. Society.

Myrtle continues to keep busy by hairdressing and knitting and enjoys curling and fishing.

By Nancy Keith

Parkland Nursing Home

Ernie and Olive Good from Holden visited with Lars Ritland last Wednesday.

Ivy and Claude May of Seba Beach called on her uncle Edwin Elmquist.

Mr. Ritaland had many visitors on Saturday. Terry, Karen and Jason Lunk and Mrs. Judy Danilak and family.

Peter and Ross Ward visited with Mrs. Ward, also calling were Heather and Robbie Teed of Holden.

Ben and Vic Pasnak called on Mrs. Pasnak also Myron and Irene Pasnak. They also called in on Mrs. Tchir.

Mr. and Mrs. Henry Steinwand of Holden visited with Mom Giesler on Saturday.

Mr. Richard Burman from Ottawa visited with his sister Olive Willans on Sunday.

Dave and Dorothy Good of Edmonton called on Lars Ritland on Sunday.

Mrs. Miciak had a nice visit with her son Sam of Camrose.

Vialta Lodge News

Visiting Mr. and Mrs. Zelger the past week were Roland and Genieve Weder and Audrey, Shirley Sangster, Pauline Paranych and Ken Weder.

Mr. and Mrs. Phil Austin of Ranfurly called to see their Mother, Mrs. Autin.

Mrs. Norma Hogstead and Sandra visited with Mrs. D'Arcy.

Bob and Sofie Thunell and Ryan Brook of Camrose called on Mr. and Mrs. Loveseth on Saturday.

Ras Sorenson of Edmonton visited her grandmother, Mrs. Sorenson.

Pat and Erica Mansell of Innisfree were in visiting Carl and Kathleen Weder.

Joanne Nott of Innisfree called to see Mr. Larson

Greetings to Mr. Gibson who is a patient in the University Hospital and also to Mr. Murray who is a patient in our local hospital.

Guests from the Lodge who attended the Social Evening at the Viking Community Hall last Wednesday were Mrs. Rodwell, Mr. Allen, Mrs. Pederson, Mrs. Reger, Mr. Law, Mr. Loveseth, Mr. Zeigler and Mr. Gommeringer. All enjoyed the evening and may we express our thanks to those who came with their cars to pick them up and bring them home at the end of the evening.

Dairy Club Report

The fifth meeting of the Viking 4-H Dairy Club was held at the Viking Youth Centre on Thursday, February 8th. The pledge was led by Tom Gotobed.

There will be a skate and curl night at Bruce on Friday, February 27th. The charge is one dollar per family and please bring a cake or cookies.

The public speaking competition started at 8:30 p.m. and ended at about 10:00. We had lunch and then the judge announced the winners. For the junior section, the runner up was Lisa Lang, and first place went to Clayton Rauser. For the senior section, the winner was Willie Gotobed.

Clayton and Willie will go to Tofield on Sunday, February 18th.

We would like to thank the judges, Phyllis Lefsrud, Dan Lefsrud and Robert Baldwin. Thank you for helping us out.

Club Reporter, Clayton Rauser

Hello! I'm Doug Livingstone, the Social Credit candidate for Vermilion-Viking. My family and I farm with my parents west of Vermilion. I am concerned about people, this province and the future of both. I am an Alberta Wheat Pool delegate a private pilot and have belonged to various community organizations. My concerns have prompted me to seek election as your representative in this constituency on March 14.

SOCIAL CREDIT BELIEVES:
In open, responsible and limited government. That individual initiative should thrive and flourish. Private, competitive enterprise is a people's right. In equal opportunity and social justice.

I BELIEVE:
Quality education and adequate funding is essential. Local health care facilities are priorities. Revenue sharing for municipal financing is necessary. Viable communities should be encouraged and guaranteed.

Authorized by Vermilion-Viking Social Credit

Holden Holds Successful Skate-A-Thon

Holden and District should be proud of their community spirit.

On Sunday, February 11, they held their first skate-a-thon, clearing over $3,500.00. Fifty skaters participated in this event, which lasted over four hours. The skaters were allowed a break every thirty minutes, if they desired, with free hot chocolate and donuts at each break.

Pledges have already started to come in, and will be taken on Thursday night at the Beaver's Hockey game. Saturday morning from 10 to 12 at the complex and at any time at Holden Trading. Skaters are reminded to get in their pledges as soon as possible.

After all pledges have been turned into the Society, trophies will be presented to the eight people who have collected the most money in the following categories: 10 and under, boy and girl; 11-14 boy and girl; 14 and over - boy and girl; oldest and youngest. Winners will be published at a later date. In addition each skater will receive 10 percent of the money that he or she collected.

Proceeds of this skate-a-thon will go towards the purchase of a P.A. System for the Holden Complex.

The Holden and District Agricultural Society sponsors of the Skate-A-Thon would like to thank everyone who participated, sponsored and worked so hard on Sunday to make this event a great success.

Holden Fares Well in School Curling

On Saturday, February 17, Ryley hosted the County of Beaver Junior and Senior High School Curling Playoffs.

Holden teams dominated in all four events entered - Junior High Boys and Girls, and High School Boys and Mixed.

Competition started with Holden defeating Ryley teams in both Junior High Boys and Girls events. Both Holden teams then went on to beat Tofield later in the day, earning them the County of Beaver Championship.

Holden High School Boys won games against Viking and then Ryley to win the County Trophy.

The Senior High Girls event saw Ryley beat Tofield for the Senior Girls Trophy.

The Senior High Mixed event saw Holden beat Tofield and then win over Ryley in a close game to take first place.

The names of players representing Holden are as follows:
Junior High Boys - Rodney Tkaczyk, Kevin Zowtuk, Kevin Dewart, and Darrin Banack.
Junior High Girls - Betty Mackey, Debbie Milimaka, Brenda Shyba and Shelly Bilyk.
Senior High Boys - Roger Shyba, Darrel Malick, Perry Story and Ed Shyba.
Senior High Mixed - Wayne Ogrodnick, Linda Mackay, Marcel Zowtuk and Leanne Rurka.

The winning teams in the High School division will represent the County of Beaver in Zone Playoffs on February 23 and 24 as follows:

Holden Boys	Forestburg
Holden Mixed	Viking
Ryley Girls	Daysland

Saddle Lake Visits Viking Teams

The younger members of the Viking Minor Hockey Association, the Tom Thumbs, Mites and Pee Wees made adequate use of the Carena facilities over the weekend.

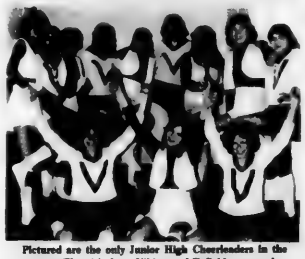
On Friday night, the Viking Pee Wee Green's and the Viking Pee Wee Purple's went on the ice for their second encounter in league play. This game again found the Purple team ahead by one goal when the final buzzer sounded. Securing the three goals for the Green team was Michael McLean.

On Saturday, February 17, Saddle Lake Indian Reserve - north of Two Hills, arrived in Viking with their Mite and Tom Thumb teams.

Action between the Saddle Lake Mites and the Viking team got underway shortly after noon. This was a hard fought contest with the outcome uncertain until just before the final buzzer sounded. Saddle Lake defeated the home-town team by a score of 5 to 4.

In the second game, the Tom Thumbs met. Viking out played the visiting team by a wide margin. Only the excellent play of the Saddle Lake goalie prevented the score from climbing higher as the Viking team controlled the play. Viking lead three goals to one at the end of the third period.

The Viking Pee Wee players hosted a four team tournament in which Viking won the B trophy defeating Sherwood Park, Vegreville, having won their first against Viking, met Wainwright in their second game. They won this game as well to take home the A trophy.



Pictured are the only Junior High Cheerleaders in the county - The girls from Viking and Tofield got together during a recent school sports event, after cheering on their respective teams. Photo Courtesy Kathy Mischa

On Thursday evening, the Viking Old Timers and Ouchie's Grinders once again met in exhibition play. In spite of an all-out effort put on by the Grinders and in particular some dazzling displays put on by their leader "Ouchie", the Grinders fell victim to the Old Timers with a final score of 11 to 7. **Staff Photo**

Midgets Extend Unbeaten String

The Viking Midgets continue with success in league play with two wins and a tie over the weekend, extending their unbeaten string. This started on Friday night when the boys travelled to Irma for what turned out to be a very good game of hockey.

Irma started out fast and by the four minute mark, had a 2-0 lead. It wasn't until the 14 minute mark that Viking got on the score board, when Richard Lefsrud scored unassisted.

In the second period both teams scored four goals with Allan Evans getting a pair, Kenny Lefsrud and Ronald Sutter added singles.

The third period saw Irma's goal tender make some very good saves keeping his club in the game. After consistent pressure from the Viking boys, Richard Sutter finally scored to even the game up at 6 - 6. Both goalies then made good saves keeping the game at a 6-6 deadlock.

On Saturday, the boys travelled to Wainwright for a catch-up game. After a lengthy delay, the game finally got started and at the end of the first period Viking had a 4 - 0 lead. Allan Evans, Richard Sutter, Ronald Sutter and Richard Lefsrud scored. The second period saw the Viking boys completely out play Wainwright, and the result was that the boys scored seven goals to their two. Ronald Sutter scored 3 more, while Kevin Maxwell got a pair. Richard Sutter and Allan Evans got singles.

The third period saw the boys let up and this kept the score more even that period. As was, the boys still scored four goals to Wainwright's two. For Viking, Richard Sutter scored his third of the game, while Scott Taylor, Brian Vitek and Wayne Erickson tallied once. When the final buzzer sounded, Viking had defeated Wainwright 15-4 to add to their league total.

Sunday saw the boys travel to Rosalind for their 21st league game. This could have easily been another lopsided victory for the boys had it not been for the outstanding performance of the Rosalind goal tender.

At the end of the first period, the boys had only a 4 - 1 lead despite many good chances. Richard Sutter, Wayne Seltzer, Ronald Sutter and Allan Evans scored.

The second period saw the Rosalind goalie continue his performance as he stopped everything the boys shot at him. Rosalind scored once to close the lead to 4 - 2.

In the third period, Viking managed to score three more times while Rosalind tallied once. For Viking it was Allan Evans and Richard Sutter getting their second goals of the game, while Kevin Maxwell scored his first. With the sound of the buzzer, the boys had defeated Rosalind 7 to 3.

The Viking Midgets would like to thank everyone for their support and they hope that it will continue when they try to extend their unbeaten string with a game against Amisk on Friday night at Viking. They also hope this support continues for Provincials, which could start this weekend against Sherwood Park.

Viking Takes B Trophy In Pee Wee Tournament

Captain of the Vegreville Pee Wee team, David Rapp receives the A Trophy in the Viking Pee Wee Tournament. Presenting the Trophy is John Autoe, coach of the Viking team. **Staff Photo**

The Viking Pee Wee Tournament was held on Sunday, February 18th. The Viking Purple and Green combined for this event and met Vegreville in the opening game. Vegreville won this one 7 to 3. Scoring for Viking were: Hanson 1 goal, Autoe 2 goals, with 1 assist each to Wincura, Tkaczyk, Hoffman, Lawes and Vitek. Most Valuable player chosen for Viking was Erickson, for Vegreville it was Wakaruk.

The second game saw Wainwright and Sherwood Park have a close game with Wainwright winning 3 - 2.

The B final was played off between Viking and Sherwood Park with Viking winning 7 to 1. Scoring for Viking were Wincura 3 goals, 1 assist, Hanson 3 goals, Autoe 1 goal, 2 assists, Lawes, 1 assist, Tkaczyk 1 assist, and Maxwell 2 assists. Chosen most valuable player for Viking in this game was Hanson.

The A final was won by Vegreville over Wainwright by a score of 13 - 1.

The first Provincial game for the Pee Wees will be played in Viking against Gibbons. This game will be held on Saturday, February 24, at 2:30 p.m.

With the league now past the halfway mark and the threat of warm weather an increasing threat to some natural ice rinks, I am encouraging the coaches of all teams to play as many games as possible in the next 2-3 weeks with the hope of winding up the league possibly by the 10th of March.

As it is impossible to compile up-to-date league standings without game sheets, it is imperative that these be forwarded immediately following each game. As you can see in the standings, some teams have played (according to game sheets received), double the amount of games than other teams.

Wayne Clouston

Town of Viking
OFFICE OF THE MUNICIPAL ADMINISTRATOR

NOTICE

The Planning Act
R.S.A. 1970 as Amended

Take notice that the Council of the Town of Viking propose to pass an ammending zoning by-law pursuant to Section 134 of the Planning Act. The purpose of the proposed by-law No. 319 by rezoning from: Secondary Commercial (C2) to Residential (R-1) Lots 4,5,6, Block 24, Plan 465 EO. (Old County Bus Garage).

A copy of the proposed by-law may be seen at the Viking Town Office and may be inspected by the public at all reasonable hours.

At 6:45 p.m. on the 7th day of March, 1979, the Council will cause a public hearing to be held at Town Council Chambers at which time objections to the proposed by-law may be made and discussed.

DATED AT TOWN OF VIKING, THIS 21st DAY OF FEBRUARY, 1979.

F.W. Morwood

Power Skaters Tested

Testing for participants enrolled, in Viking's power skating program commenced at 8 o'clock on Saturday morning.

Conducting the tests at the Beginner, Power I and Power II Levels were Jim Taylor and Eileen Weidenhamer of Edmonton. Jim is the Director of the Alberta Recreational Skating Association and Eileen represents the association as Director of Teachers and Judges.

The Power Program, having faltered in its early stages, can now be deemed a success. The club members achieved a 100 per cent passing rate among those being tested. However, some members did not fulfill their commitments and were absent on Saturday morning.

Three skaters from Streome who are also members of the A.R.S.A., were tested at the Carena and achieved a passing grade in their respective levels.

The judges felt the Viking Club most worthy of praise and were very impressed with the achievements of the skaters and instructors alike. The quality of instructing conducted by Senior Instructor Ron Naslund and Junior Instructor Wayne Selzler spoke for itself.

The Alberta Recreational Skating Association provided financial assistance to the Viking Club as it was in its first year. The Association assumed the cost of training the instructors, provided judging fees and travelling expenses, badges for the skaters etc. In addition, the Viking Figure Skating Club provided monetary assistance in the form of a loan and the Carena Management division of the Ag. Society provided the club with ice time, without charge.

In talking with Shirley Voltner, President of the V.F.S.C. and Director of the V.P.S.C. she stated that in order to have the power skating program continue in Viking next year, the Club will be forced to meet these financial obligations on their own. She felt that the future of the power skating program may hinge on the amount of support that is forth coming through the Recreation Association.

Action during the Holden Ladies Bonspiel held in the Holden Sports Complex during this past weekend. The Strilchuk rink from Ryley captured the Grand Challenge honours with first in the second event going to the Sherri Krushelnitzki rink of Holden and third event being won by the Janet McLevin rink.

Gas Kings Win First Round of Play-offs

Saturday, February 10 found the Gas Kings beginning quarter final play-offs on home ice against the Rosalind A's. Ron Naslund opened up the scoring unassisted at 7:51 of the first and then at 15:11 Gordon Rattray scored from Ron and Jim Laskosky.

Gordon Rattray scored his second of the game at 6:20 of the second and at 6:41 Cal Herder scored from Brian Boden to put the A's on the score board. Doug Palmarchuck then got on the move and scored three goals in a row at 7:19, 10:32, and 11:49. At 12:01 Ed Yuha scored Rosalind's second goal from Reg Yuha and Cal Herder. Ron Naslund and Doug Palmarchuck each added one to the Gas Kings' score to end the second period 8-2 in their favor.

At 4:34 Ed Yuha scored from Reg Yuha to set off the third period and then Reg Yuha scored from Brian Boden and Ed Yuha at 10:46. Just a minute later Jim Laskosky scored from Gordon Rattray. At 12:31 Barry Field scored assisted by Mark Wemp. Ken McTavish, assisted by Dale Scott and Mark Yuha, scored Rosalind's final goal at 18:13 but the Gas Kings added two more, Murray Quinton from Gordon Rattray at 15:57 and Barry Field unassisted at 16:43 to make the final score 12-5 in favor of the Gas Kings.

On Monday, February 12, the Gas Kings travelled to Rosalind for the second game in the series. Ron Naslund opened up the first period scoring just 54 seconds into the game, assisted by Doug Palmarchuck, and then Jim Laskosky scored from Gordon Rattray at 8:18. At 10:31 Mark Yuha scored for Rosalind assisted by Cal Herder and Ed Yuha. Ray Rattray scored from Murray Quinton with 2:34 left in the period to end it 3 to 1.

The second period saw two goals go to each side, Ray Rattray from Murray Quinton and Martin Laskosky at 2:36, Jim McTavish from Mark Yuha and Reg Yuha at 6:40, Gordon Rattray from Jim and Martin Laskosky at 14:19 and Jim McTavish from Bill Bowie at 15:05 for Rosalind.

Jim Laskosky opened up the third period scoring at 4:40 from Ron Naslund and then Reg Yuha scored from Ed Yuha at 4:34. The Gas Kings went on to score three more goals, Gordon Rattray from Jim Laskosky and Kirk McInroy at 11:35, Murray Quinton from Mark Wemp and Bruce Harray at 13:49 and Gordon Rattray wound up the scoring at 14:15 unassisted. The final score was 9-4 for the Gas Kings. However they also received 20 minutes in penalties compaired to only 10 for Rosalind.

On Wednesday, February 14 the Gas Kings had home ice advantage and finished the series off with a 7-3 victory. Rosalind's Bill Bowie opened up the scoring at 5:53 assisted by Jim McTavish and Dale Scott. Gordon Rattray answered for the Gas Kings from Ron Naslund at 6:58 but Ed Yuha moved the A's ahead again at 13:19 assisted by Mark Yuha and Ron Hauser. Ray Rattray tied it up at 16:53 with Barry Field getting the assist.

The second period scoring all belonged to the Gas Kings. Mark Wemp scored from Ray Rattray and Lee Laskosky at 1:33 and then again at 7:54 from Doug Palmarchuck. Gordon Rattray added another from Blaire Quinton and Lee Laskosky at 11:06.

Al Holmberg scored from Mark Yuha and Ron Hauser to give Rosalind another but Murray Quinton scored from Doug Palmarchuck and Blair Quinton to keep the Gas Kings on the move. Lee Laskosky scored from Ron Naslund with just 4 seconds left in the game to give the Gas Kings a 7-3 victory and the series victory. Penalty minutes again were 20 minutes to the Gas Kings and only 10 for the A's.

Viking Ice Show Scheduled

The more tedious stages of the Viking Figure Skating Program have come to an end for another season. Instruction and lessons have been completed for another year, and testing was conducted on Saturday.

Judging the performance of the Viking skaters were Jim Taylor and Eileen Wiedenham from Edmonton. Although the skaters have accomplished a great deal this year, both judges felt that the majority of skaters were very small and very young and would benefit most from additional instruction and practice at the same level. From the interest and enthusiasm evident among the skaters, the judges predicted a bright future for the skaters and commented on the fine job done by instructor Nellie Cikaluk and Junior Instructors: Cheryl Anton, Valerie Selzler and Angela Mattinson, while working with a group of exceptionally young skaters.

Preparations for the 1979 ice show - "Fantasy on Ice" to be held on Saturday, March 24 and Sunday, March 25, will now take top priority among the skaters. This year's "carnival queen' will not be determined by ticket sales, but was selected by club members, from the learn to skate and beginner levels.

The Figure Skating Club is however conducting ticket sales for a Cash Draw. Tickets are now available from club members and at various business establishments throughout Viking. The draw will be held on Sunday, March 25, with cash prizes of $100, $50, and $25 being drawn.

"Fantasy on Ice" features a number of highlights - music presentation by the Viking School band, a clown act, and a senior dance duet by grandparents of one of the young club members. Watch this paper for further information as the date draws near.

Darryl Sutter Returns From Japan

Darryl Sutter

Darryl Sutter, son of Louis and Grace Sutter of Viking, has returned from Japan after playing hockey for Iwakura of the Japanese Hockey League. Darryl was one of two imported players who played for Iwakura the third place team in the Japanese professional league, which is owned by a major Japanese pulp and paper company located in northern Japan.

Darryl played a total of 36 games for Iwakura during his stay in Japan. Of these, twenty were regular league games. He scored 28 goals in his 20 league games and finished the league as the top scorer.

The league consists of 6 teams which are all supported by major Japanese companies. The league schedule consisted of a series of one week tournaments with often 10 to 14 days between league games. Besides this, a number of sponsored tournaments were held at various times. Iwakura also played the Finnish National team and the West German National team.

Darryl stated that 24 players were on the roster of his team. He said that all players were professionals, but that they worked extremely hard to maintain their positions with the team. Without a university education, these Japanese athletes have very little. Their contracts are for a one year period only, and each one is afraid of being dropped from the team for they have few occupational options.

During the season, Darryl noted, the Japanese players all leave their families and move into a team dormitory. He said that there are curfews every night for the Japanese players, and that these players were allowed to go home for only four days during the New Year's holiday.

Darryl said that the "age heirarchy" is still predominant in Japan. The younger hockey players are expected to consistently show respect and obedience to the older players on the team. He said that most players and referees are ex-players, as they have simply moved up the ladder of employment with the team.

Darryl sees the major problems with Japanese hockey as their lack of trained coaches and their limited schedule of games. He stated that some of the players who turn professional have played as few as 15 or 20 games in their entire hockey career. He said that they seem to have enough arenas as most facilities are multi-purpose structures with the ice surface being placed over a swimming pool by means of a false floor.

Darryl returned from Japan on Sunday after six enjoyable months. He is now slated to report to the Chicago-Toronto farm team at Moncton, New-Brunswick by the first of next week.

Holden Drop-In Centre Officially Opened

With Pearl Allan as Mistress of Ceremonies, and Mr. Don Mazankowski, M.P. as cutter of the ceremonial ribbon, the historic occasion of the official opening of the Holden Senior Club Drop-In Centre took place last Saturday February 24, 1979.

Mrs. Allan welcomed about two hundred visitors who filled the Centre. She stated that this was truly a day of triumph for the small group who had completed this enormous task in less than one year under the leadership of Mr. George Gieselhaus.

The distinguished head table guests were then introjuced by Mrs. Allan.

Congratulations and good wishes were extended by Mr. Mazankowski M.P. who presented the club with a picture and a Canadian flag.

Mr. John Batiuk expressed his best wishes and gave the Holden Seniors an Alberta flag.

Mayor Oish Skybera presented the president with a congratulatory plaque from the Village of Holden. He stated that he had watched with sympathy the work and difficulties that had gone into this project. He expressed his pleasure and satisfaction in having this fine new main street building reach successful completion by the hard working seniors.

President of the Holden Chamber of Commerce Kevin Stambaugh brought greetings and congratulations from his organization.

Greetings from the County of Beaver were expressed by Reeve Krupinicki and Recreation Administrator George Baker.

Mrs. Kathleen Hurum then gave the History of the Holden Seniors Club. The Holden Senior Club was organized in April of 1977 and during the years it has been uppermost in their minds to have a Drop-In Centre but no suitable place seemed available until 1977 when arrangements were made with the Village to take over the old Bilyk Store. We received the Title in December of 1977 and then began the discussion as to remodelling or demolishing of the old building.

The decision was made to tear it down and on March 30, the destruction began with the women working right along side the men.

The new building was started in June and now is as we see it today. All work was volunteered. President George Gieselhaus in his report told about the trials and tribulations of the demolition of the old store and building of the new centre. He spoke of the necessary drive for funds and thanked all organizations and individuals who had responded so generously. He thanked all who worked, encouraged, and helped in any way to see the project through its completion. He stated the cost of the building to be around $30,000.00

Mrs. Hurum, Secretary-Treasurer gave the treasurer's report stating that total contributions to date totalled $14,806 New Horizons grant $13,052.00 This was increased on opening day by over $1,200.00 which will do much towards reducing the debt.

A number of the Holden High School Home Coming groups attended and Grant Grealand on behalf of the group presented the club with their proceeds a cheque for $696.59, a plaque and their guest book. This surprise was especially appreciated.

The New Horizons representative Mr. Williams presented the centre with an Achievement Certificate and he praised the members for their accomplishment and made worthwhile suggestions as to how to use the building to advantage.

Rev. Mr. J. McKinstry in his dedication prayer praised the pioneer spirit, work, and cooperation that had gone into the fine building. He expressed the hope that it would reward the members with enjoyment, peace and fellowship.

Mr. Mazankowski, M.P. expressed his pleasure in being asked to officially open the fine new building and praised the pioneer spirit that had made it possible.

With Charter members, Mrs. Lila Giebelhaus, Miss June Clark, Mrs. Kate Nichols and Mr. Otto Hurum assisting, Mr. Mazankowski then cut the ceremonial ribbon and declared the Holden Senior Club Drop-In Centre open. He expressed the hope that it would give members many years of pleasure and enjoyment.

John Semotuik on behalf of the Elks brought greetins and Mrs. Pearl Shehinski brought greetings and presented a cheque on behalf of the Greek Catholic Ladies Aid.

Beautiful Boquets were received with thanks from St. Gregory's C.W.L., Hilltop Construction and Holden Business Section.

A telegram was received from Monique Begin, National Minister of Health and Welfare.

Municipalities Pressing for Revenue Sharing Scheme

The Alberta Urban Municipalities Association is pressing ahead with its effort to convince the Provincial Government to implement an equitable revenue-sharing scheme with Municipalities, says President Ralph DeWolfe, Mayor of Raichaw.

The Association in January appointed Dr. Richard Plain and Dr. Melville McMillan, Associate Professors of Economics at the University of Alberta, to conduct a thorough study into the financial relationship between the Provincial and Municipal Governments in Alberta.

Mayor DeWolfe said the assistance to Municipalities recently announced by Premier Lougheed is "welcomed" but does not remove the need for the study.

"The need for an equitable and consistent system of sharing provincial revenue with Municipalities has not diminished," he explained.

"While Municipalities certainly appreciate the programs announced the Premier, they also are aware that these are 'one shot' relief measures, which do not hit at the heart of the problem."

Mr. DeWolfe said Drs. Plain and McMillan will examine the existing situation and recommend ways in which it can be improved. The first phase of the report, which will identify the problem areas, is expected by may, with the final report to be ready for the AUMA's Annual meeting in October.

The consultants will work with the AUMA's revenue-sharing committee comprising Mayor Selmer Hafso of Viking, Alderman Ron Hayter of Edmonton, and Mayor DeWolfe

"We intend to keep the pressure on because Municipal Government requires a commitment toward equitable and sensible revenue-sharing," Mayor DeWolfe said.

Seniors Lodge Proposed for Holden

Tom Chambers, Minister of Housing and Public works recently announced a recommended list of Rural Alberta centres proposed for Senior Citizens' lodges and Senior Citizens' self-contained units.

A 44 bed Senior Citizens Lodge is planned for Holden.

The Lodge program is a program whereby the physical facility is developed and built by Alberta Housing Corporation and then is turned over for operation to the sponsoring group, usually a foundation consisting of a number of Municipalities which are served by the Lodge.

The capital cost of the project is absorbed by the housing corporation. Rents are currently $153.00 per month for single occupancy and $173.02 per month for double occupancy.

About $35 million will be spread around 45 rural communities in the provinces to provide for 201 beds and 587 self contained housing units in various senior citizen's lodges said Mr. Chambers. Both programs represent one of the largest budgetary contributions of (Alberta Housing Corporation) for the 1979-80 fiscal year.

We Have a Responsibility

The election called by Premier Lougheed was naturally made at a time when the P.C's feel that their chances of winning are at their best. This is all part of the political process within any democratic system.

It was very very obvious that an election call was near. For the past month, the Lougheed government has been distributing his proverbial "election goodies" to the segments of society which he feels will attract the most votes. This is all part of the "game". But a government that saves many social valuable programs until an election call, rather than instituting them when they are needed, should be evaluated in this light.

Voters in a democratic system must be careful to evaluate the entire term of a party in power, then compare this to the platforms as put forward by other political parties. Premier Lougheed stated that one of the major issues will be control of Alberta's resources. However, the opposition parties in Alberta are of the same mind as is Mr. Lougheed on this issue. Mr. Lougheed is not running against Mr. Trudeau, but against his political opponents in Alberta. Voters should put this issue to the background because all Alberta parties have a similar platform on this issue.

As voters we should attempt to ignore the last round of "election goodies", and evaluate the Lougheed government over the past four years. To administer any organization or government with unlimited funds is simple. Mistakes can easily be "written off". This is why we must attempt to learn the facts on what the P.C. Government has done for Alberta, not what the oil dollars have done for Alberta. We must then evaluate what each party will offer us, then evaluate carefully the type of candidate who is running for each party in our riding.

The "vote" in a democratic society carries a tremendous responsibility with it. We must become knowledgeable about the political scene, evaluate intelligently, then cast a vote for the individual of our choice.

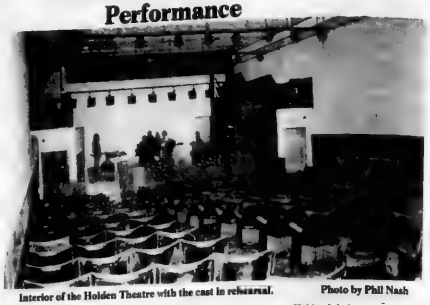
Theatre Group to Hold First Performance



Interior of the Holden Theatre with the cast in rehearsal. Photo by Phil Nash

Who would have believed it! One of the best Theatres in Northern Alberta is to be found in (of all places)Holden, Alberta and what a Theatre it is! It has a unique stage which will lend itself to several types of performances. It has dressing rooms and washrooms for the performersIt has 300 comfortable well-upholstered seats and all seats are good seats. The Theatre has a new grand piano and oh what a grand piano it is. The acoustics are superb, but just in case someone can't speak above a whisper an electronic sound system is there to back him up. It has lights-house lights, spot lights, colored lights, and frenel lights. Lights for every setting and lights for every mood. The whole thing is wrapped in a clean bright interior and best of all- soft and warm carpeting underfoot. Hard to believe? Believe it! It's there!

How did it all start? The Holden Theatre came about through the foresight and wisdom of the Beaver Regional Recreation Board with a lot of help from the Regional Recreation Director, George Baker. It was a project that took 2 to 3 years of hard work to take it from a dream to reality. Funding came from winter and summer work programs offered by the Federal and Provincial Governments. Funding also came from the Municipalities working together in the Beaver Regional Recreation System as well as from Alberta Recreation, Parks and Wildlife and Alberta Culture through the Major Cultural/Recreation Facility Development Program. Most important of all a lot of the work was done by volunteers. The dream has become a reality. The facility is there. Now, how do we, the people in the district use it? One way would be to become involved with the Beaverhill Players, a newly formed group of amateur actors and actresses,(more about them later) and another way would be to support the performances and events that are planned in the future. Alberta has a vast number of professional and amateur entertainers and at last we have a first class facility for performers and spectators, right here in our district. Watch for announcements or upcoming performances and be sure to get tickets. The Theatre is also open for rental by any group or agency. This can be done simply by contacting the Regional Office in Ryley.

Now, more about the Beaverhill Players: Amateur Theatre is one of those Recreation activities that appeals to all ages and both sexes and this certainly shows in the membership of the organization. Our oldest member is 60 and our youngest 13 and they come from all over the District. The following are just a few words about each of the members to illustrate quite graphically the diversity of people that can and do get together to experience the magic of Amateur Theatre. (Photos courtesy of Phil Nash)

GEORGE BELCHER
Vegreville, Alta.

George is an Adult Probation Officer with the Government of Alberta stationed in Vegreville. George is the father of four children and is presently in the process of remodeling his house. George and his family served a two year term with CUSO in Africa.

George plays the part of Claude in the present production.

MARYLOU DOLSON-Holden.

"I am playing Frankie in the present production. I am really thoroughly enjoying working in the newly renovated Theatre in Holden and with the founding members of the Beaverhill Players. Other than this opportunity to explore my interest in the Theatre living here in Holden I do hope to learn about raising my own cow."

TERRY DOLSON-Holden

"I am 13 years old and some of my interests are hunting, fishing, mechanics, sea cadets, and electronics. I hope to be a millionaire when I'm older. In the play I am the Official Prop Manager."

ERIC SCHANNING - Holden

"I am 16 years old and am in Grade 11 in the Holden High School. My interests include sailing and camping. I am an active member in Sea Cadets. Eventually I plan to sail around the world."

Erie plays Dudley in the present production.

KAREN MOTKOSKI - Bruce

"I am 17 years old and attend the Holden High School. I am in Grade 11. My interests include badminton, camping, and sometimes swimming. I love travelling and meeting new interesting people. My ambition is to be someone rich and famous."

Karen plays Gladys in the present production.

CLAY SCHANING - Holden

"I moved to Holden four years ago. I am employed by the Royal Bank. I have lived in various Communities in Alberta and my hobbies are painting, music, and singing. I have never acted before."

Clay plays the part of Roger in our first production and is also the front end manager which he refers to as a "lofty title".

ERLE MAYLA DAVIS
County (Viking District)

"I was born October 12, 1919 at Ranfurly, Alberta. I was one of six children. I have lived my life on a farm except for the early forties when I served with the active forces Overseas. I really like to entertain. It is my favourite pastime. Of course I can't overlook the horses-they have a large place in my life. We have four children and 9 grandchilren."

Erie plays the part of Malcolm in our first production.

JOAN DUNHAM
R.R. 2 Tofield

"I recently retired after 17 years at the Freebury Clinic in Tofield. I have had a life long interest in the Theatre, with extensive acting experience in England. Since arriving in Canada I have attended the Provincial Summer Drama Schools and the Winter Workshops in Red Deer. I am delighted now to have the time free to permit me to work fully with the Beaverhill Players."

Joan plays Alice in the production and is our very capable dirrector.

The Beaverhill Players are presently rehearsing a Samuel French play known as *George and Margret* written by Gerald Savory. The dates and times for the Play are as follows:

March 8, 9, 10 8:00 p.m.
Sunday, March 11 2:30 p.m.

Tickets are adults $3.00, Students (under 18) $2.50 and Senior Citizens $2.50. Groups may purchase tickets in blocks or 10 or more and receive a 10% discount. Tickets are available from the following outlets:

Lindbrooke Store	Lindbrooke
Hearthstone (Simpson-Sears)	Tofield
Woods Hardware	Ryley
County Recreation Office	Ryley
Royal Bank of Canada	Holden
Holden Trading	Holden
Bruce Hardware	Bruce
Viking Drug Mart	Viking
Lucky Dollar Store	Kinsella
Recreation, Parks and Wildlife Rm. 204	Vegreville
Provincial Bldg.	

Tickets are also available from members of the cast and will also be sold at the door on the days of the play.

PLEASE PLAN ON ATTENDING!

ALBERTA VOTERS
Special Voting Facilities

ADVANCE POLLS

Thursday, Friday and Saturday
March 8, 9 and 10, 1979
11:00 a.m. to 9:00 p.m.

All 79 Electoral Divisions will have at least one Advance Poll open to eligible electors between the hours of **11:00 a.m. and 9:00 p.m., on Thursday, March 8, Friday, March 9 and Saturday, March 10.** These polls are for electors who are invalids or who will be away from their normal residences on Polling Day, Wednesday, March 14, 1979.

INCAPACITATED VOTERS

Polling Day

An eligible elector who is unable to read or who is incapacitated from any physical cause **other than blindness**, may, on Polling Day, March 14, 1979, upon taking an Oath, be assisted with the marking of the Ballot by the Deputy Returning Officer at each Poll.

An elector, who, by reason of blindness, if accompanied by a friend, may, after the elector and friend have taken the appropriate Oaths, have the friend accompany him/her into the Voting Compartment for the purpose of marking the Ballot Paper,

or

such elector may use a Ballot Template which will be available at each Polling Place enabling him/her to vote in complete secrecy without the assistance of a friend.

TREATMENT CENTRE VOTING

Hospitals, Sanitoriums, Senior Citizens Residences and Mental Institutions

Where there are ten or more patients in a Treatment Centre who are eligible electors, a Poll will be established in the Treatment Centre on Polling Day, March 14, 1979. The hours of the Poll will be set by the Returning Officer.

ABSENTEE STUDENT POLLS

In a number of Alberta Universities, Institutes of Technology and/or Public Colleges, Polls will be held for **Alberta Students** who are attending institutions away from their home cities or towns. The date for such Polls shall be at least **4 days prior to Polling Day, Wednesday, March 14, 1979 and during hours set by the Returning Officer.**

INCAPACITATED VOTERS UNABLE TO VOTE ON POLLING DAY, WEDNESDAY, MARCH 14, 1979

An elector who, because of a physical incapacity, is not able to personally visit a Polling Place, may apply to his/her Returning Officer **no later than March 1, 1979** to vote by mail. Ballots used for this method of voting must be mailed or delivered to the appropriate Returning Officer not later than 8:00 p.m. on Polling Day, March 14, 1979.

For detailed information on any of the preceding special voting facilities, contact the Returning Officer of your Electoral Division, whose name and address appears on the Proclamation which you will find posted in your Electoral Division, or published in a newspaper.

Holden and District News

Introduction to basic car care and maintenance classes were completed at Holden on February 21. Classes began on January 21, with 21 ladies attending. The instructor was John Tiedeman, mechanic of Swift's Garage at Tofield. The first and second week of three hour classes were held at Holden school on Wednesday evenings. On February 7, the third week of classes, Mr. Tiedeman and ladies moved from the classroom to Beaver Motors Garage. Here the ladies had instruction on parts of the car. Basics such as air filters, brakes, battery, how to check the oil and many numerous parts were explained in detail.

The fourth week of classes Mr. Tiedeman showed slides on some parts of the car. The last class was held at Beaver Motors Garage where the class was taught how to change a flat tire, change burnt out head lights, use of different car jacks etc. Throughout the lessons the ladies were able to ask questions which Mr. Tiedeman answered in detail. The classes were sponsored by Further Education. All the ladies who attended the classes were very pleased and felt they learned many things about their car and will now be able to drive and care for their car with much more knowledge.

The ladies wish to thank the instructor John Tiedeman, Joe Komarnisky of Beaver Motors for donating the use of his garage and his car, also for the coffee, and Pearl Allan for making this class possible through Further Education.

Guests seated at the head table for the official opening of the Holden Senior Citizen Drop-In Centre included [left to right] Alberta New Horizons representative - Mr Williams, Kevin Stambaugh, Mayor Oleh Shykora, Don Mazankowski M.P., John Batiuk, M.L.A., Reeve Walter Kropilnicki, Rev. J. McKinstry, Grant Grealand, and George Baker - Recreation Administrator. Staff Photo

Strawberry Plains W.I. Meet

Seven members and one visitor were present at our February meeting at the home of Mrs. Eddie Jackson. The meeting was called to order by our president - Mrs. Betty Paastor, with O'Canada and repitition of the creed.

Minutes were read and adopted. The treasurer's report was given by Lorna Jackson in the absence of our treasurer Bernie Long. The report moved, seconded and carried. Business arising from the minutes was then dealt with.

Reports of Committees: Aletha gave her report on handicraft. She has stamped articles on hand for members to embroider. Social Services report was nil. The cold wea ther kept everyone healthy.

A discussion took place on giving a donation toward the P.A. System to be installed in the arena. It was decided to give a donation toward this project.

Mrs. Edith Gun, Wainwright Constituency Convenor, was present and had been welcomed at the beginning of the meet ing. She told us that the Women's Institute was started in Canada on February 21st in 1897 at Stoney Creek, Ontario. She also stated the number of papers that had been proposed for the ladies to study to further their education for bet terment of Home and Country, and followed up with a report as to how these studies have been carried on up to the present time by all branches of the W.I., which is a world wide organization.

On March 28th, there will be a handicraft workshop in the Irma United Church. Mrs. Barbara Grannigan will be in charge. Mrs. J. C. Holt of Viking will demonstrate the making of necklaces etc., with beads. Pot Luck dinner will be served. Monday, April 9th is our Constituency Conference at Wainwright in the Banquet Room of the Curling Rink.

A committee was appointed to meet with Guilt Edge to make arrangements for co hosting the Conference.

Pennies for Friendship - Pay 3 cents if you did not have any children going to school.

After the meeting was closed a White Elephan Sale was conducted with Ethel King as auctioneer. Bidding was brisk and a good sum was raised. A delicious lunch was served by Lorna which brought an enjoy able afternoon to a close.

Irma News and Views

We are glad to report that Jimmie Knudsen is home and improving steadily and getting impatient for some mild wea ther which will allow hime to get out and around.

L.L. Guiltner is also coming along nicely, and gradually getting his strength back after his operation and many weeks stay in the University Hospital.

Eddie and Lorna Jackson left on Friday afternoon for Sundre where they planned to visit with Isabel, Chester and family briefly, before going on to Calgary to help Lorna's cousin and husband celebrate their 25th wedding anniversary. Grace Archibald preceeded them by several days to take part in the same happy event.

Joyce and Kenny Veer re turned from Saskatoon Friday where they had been visiting with Jackie, Harry and family.

Alex Smallwood got home from Wainwright hospital on Friday feeling much improved after being in hospital since Sunday last.

Charlie Jackson and girl friend Caroline Czar arrived from the city on Friday evening and are helping Howard with the chores and house keeping during Lorna and Eddie's ab sence in Calgary.

Georgine Enger has been visiting in Edmonton, and is expected home on Monday, February 26th.

George and Muriel Jackson and Ellen and John Armitage from Sedgewick visited with Mary and Bob Dempsey on Sunday afternoon. Bob was home from Edmonton for the weekend, returning to Edmon ton by bus on Monday for more treatments.

Best wishes are extended to Mr. Albert Knudson who cele brated his 82nd birthday on Saturday, February 24.

Sincerests sympathy to the Mikkelson families on the passing of their loved one.

Kinsella Rose Seniors

Kinsella Rose Senior Citizens Club held their business meeting on February 15th with 10 members present.

Bruce Davis attended the "Homecoming 1980" meeting. There was a motion to give $25.00 to this to help with expenses and help when possi ble.

We had our Card Party on Wednesday, the 21st with 30 card players all having a good time.

Winners were - Ladies High, Charlie Teasman (no mistake); Ladies Low, Angela Johnston; Mens High, Ben Armitage; Mens Low, Bert Armitage. Winners of the grocery hamper were Elwood Garvie and second Helga Barker.

Four members attended the opening of the Holden Senior Citizens Club Drop-In Centre on Saturday, February 24, and reported having a good time.

Mr. Don Mazankowski, M.P. and Mr. John Batiuk, M.L.A., congratulated Holden on their opening.

"To Stay Youthful is To Stay Useful".

We will be having a St. Patricks Dance on March 16 in the Kinsella Hall. Everyone welcome.

Chacutenah Manor

Mr. and Mrs. J. Lambert spent the weekend with the Banks family at Round Hill.

The Bible Fellowship group met at the home of Mrs. Mc Roberts on Tuesday. Monthly Birthday and Social evening was held in the Lounge on Wednesday with Mr. and Mrs. Riley and Mrs. McRoberts as host and hostesses. Mr. Riley welcomed the group and in order to get the folks circu lating Mrs. McRoberts conduc ted and active "Mixer".

Mrs. Dick McRoberts led in a lively sing-song with Mrs. Nisse en at the piano. Mrs. McLean contributed a reading "The Nile Expedition" in her own inimit able style. A skit "Mistaken Identity" in which Mrs. Cock roft, Mrs. W. Iskin and Dick McRoberts played the stellar roles, was well applauded.

Dancing to the music pro vided by Mr. and Mrs. Nissen and Mr. E. Rae completed the program.

Birthdays recognized this month were those of Mrs. Lambert and Mr. E. Guy. Cards were presented and Happy Birthday sung to them and also to three of the guests, Mrs. J. Moore of Tofield, Mr. L. Satre and Dick McRoberts. Mrs. Lambert cut the cake which had been bakes and dec orated by our resident artist, Mrs. Cockroft. Mrs. Lambert thanked her friends for recog nition of this special occasion.

Mr. Keith Coffin thanked the Manor family for the pleasant evening and Mr. Riley thanked all those who had contributed to the program.

Sunday visitors with Mrs. McLean were Mr. and Mrs. G. Cline (nee Jeannie Kirkman of Edmonton).

Sunday visitors with Mr. and Mrs. Hooper were their daugh ter and her husband, Mr. and Mrs. Bergky of Edgerton.

The Homemaker

Have you been noticing the increased pace of living your family has been swept into these past months? If your answer is yes, you are not alone! Coping with the schedule of Johnny's hockey, Susie's music lessons and figure ska ting, Mom's Further Education courses and Dad's work sche dule and community involve ment takes concentration. Unless families take steps to coordinate their activities, the possibility arises of the family becoming strangers all residing in the same four walls and under one roof.

Now, the suggestion of a family-time may cause you to groan - just one more straw on an almost broken camel's back. No, family-time need not be a burden - plan it as a vital part of the week, prioritze it, and watch it grow.

Family-time is usually an evening. It is set aside by all family members to share in fun, conversation and togetherness. When the family is primarily comprised of young members activities are simple. Playing table games, reading books or putting together simple puzzles are exampies. When the chil dren are of school age have them relate the day's activities to each other - tell about a project they are working on or about a new friend. Joke and riddle nights are favorites. These evenings together are good times to embark on learning activities - teach children to write a cheque. Why not open a savings account for the children where the child is designated the saver and father and mother the bankers? Take a good look at the telephone book and together discover the merits of the yellow pages. The family can also adopt service projects - i.e. bake cookies for shut-ins, or make scrapbooks for children in the hospital. Teenage family members often choose to discuss problems and needs with parents in the open loving atmosphere of a family night. Outings, during which the family window shops, nature hikes, or attends a concert are away from home alternatives.

Do you notice something? None of these activities utilize the television, radio or any other form of media entertain ment. Family-time - to be successful, must be people oriented!

Why not resolve to adopt family-time as a 1979 project? Investing time with the mem bers of your family will pay a big dividend - a growing, loving family relationship!

I thought you might enjoy this article from Elizabeth Druriе, D.H.E. Vegreville.

Echo-Rodino

Lorraine Prosser, accompan ied by Morse Malderis of Edmonton were weekend visi tors at the Prosser home. Douglas and Karen returned home with them on Sunday

Brent Hafso and Rita Green wood of Edmonton dropped in for a short visit Friday night at her parents' home.

Many of the area took in the Dine and Dance at Minburn Saturday night. A good time was had by all.

Not much news this week as everyone is busy with square dance and swimming lessons. Don't forget to phone me when you have news to report.

Fred and Gladys Hunter of Killam and Doris Schwartz of Abbisford were Sunday visi tors at the home of Bob and Claudia Williams.

Irma New Horizons Club

On Wednesday afternoon, February 21st, Irma New Horizons Club members enjoyed 5 tables of whist, while others played scrabble, pool and crib-bage. Gunnar Larson got the gents high score for whist while Jim Jackson succeeded in securing the consolation. Elsie Satre was the high scorer for the ladies, with Alma Eager taking the consolation. Ashley Murray took the prize for scrabble. During and after lunch, socializing was enjoyed.

Irma New Horizons sponsored a very enjoyable evening of Military Whist on Thursday evening, February 22nd in the Drop-in Centre. There were seven tables; including four senior ladies present from Hardisty, namely Margaret Tinholm (formerly Reber of Strawberry Plains), Dolly Hearn, Eleanor Moody, and Orma Thorp. Mrs. Tinholm very efficiently supervised the proceedings amidst plenty of laughter and banter. Table number 4 was the winner with 15 flags. Bob Hanson, Barbara Froland, Mamie Kellar and Lewis Littlewood were the lucky ones. The consolation went to table number 1 with only 6 flags. The prizes went to Dolly Hearn, Jim Jackson, Eleanor Moody and Orma Thorpe. Lunch was enjoyed.

Edith Cockroft thanked the ladies from Hardisty for coming over and thanked especially Margaret Tinholm for having conducted the drive so efficiently. Margaret replied, thanking Irma for inviting them, and extended an invitation to the members of Irma to attend whist in Hardisty, which runs every second Saturday evening at 8 p.m.

Irma Chamber Report

On Tuesday, February 13, the Irma Chamber of Commerce held their regular monthly supper meeting at the Irma Hotel. With fourteen members present, the new executive Mr. Dick Mitton President and Gwen Seip - Secretary-Treas. began their duties for the new year.

The Chamber has made a donation of $1,000 for new Christmas lights for Irma. This plus equal donations from the Irma Agricultural Society and the Town of Irma has given sufficient funds to purchase decorations enough for four-teen poles.

Mr. Ron Thurston and Mr. Sonny Archibald have spent some time checking into the purchase of lighting decorations. It was unanimous that they had made a good choice, all factors considered. Thanks to the generous donations and the working committee Irma streets will brighten the Christ-mas Season with new attire.

A discussion with the ball committee brought about the decision to have our Annual Harvest Ball on August 4, 5, and 6. Plans for the forthcom-ing festivities shall begin taking shape.

Watch this paper for monthly reports on the activities of the Irma and District Chamber of Commerce.

CAMPAIGN '79

Serving Albertans

Charles STEWART

- Dedication to a strong Alberta within a strong and unified Canada
- Over 168,000 new jobs created in Alberta since last provincial election
- No gasoline tax
- Agriculture - our basic industry - net farm incomes have tripled in seven years. We are processing more of our own farm products here at home.
- Responsible management of resource revenues through the Heritage Savings Trust Fund benefits all of us today and tomorrow.
- Alberta's proud and generous record of aid to the unfortunate in undeveloped countries in 1978 exceeded $8 million.
- The quality of life of our senior citizens is a continuing priority of government programs.
- Improved financial grants to all schools, with increase support for small schools and schools with declining enrolments.
- Provincially subsidized mortgage rates help young couples on lower incomes to purchase their own homes.
- 236 communities have benefited during the past five years from the Alberta Opportunity Company's assistance to small businesses.
- New home care program provides needed health services to 25,000 persons a year.
- Additional street construction for towns and villages. Extension of primary and secondary highways.
- Expanded apprenticeship and retraining programs help young Alberta meet growing job opportunities.
- 175,000 rural Albertans now served by an expanded natural gas program.
- Unexcelled new recreation and park program
- Citizens of Alberta continue to enjoy the lowest level of taxation in Canada.

Alberta - and what it means to me

When I think of our great province, I experience a feeling of pride, a sense of fulfillment, a promise of greatness. And I believe most Albertans feel this way. But you and I know that this a new experience. There was a time when Alberta was just one of the western provinces, and it has taken good management, courae, and confiction to gain the proper recognition we now have as a strong province, working for a strong, united Canada.

Alberta today is a good place to live, and I want to share this experience with future generations. But the quality of life they will experience will depend on the plans we make today. Now, more than ever, we must continue to manage our resources wisely; and we must be willing to put aside a portion of today's success as a saving for tomorrow.

Today is just the beginning - an indication of the great potential of our province and our people. And I want to play a part in meeting the challenges that lie ahead of us.

IN MEMORIUM

IN MEMORIUM
Quinton Hugh Robert

In loving memory of our dear husband, father and grand-father, who passed away on February 27, 1978

This month comes with deep regret
It brings days we cannot forget
In our hearts you will always stay
Loved and remembered day by day
Memories are treasures no one steal
Life must go on we know its true
But it's not the same since we lost you
You left so suddenly without a goodbyes
But memories of you will never die

Ever remembered and very sadly missed by your loving wife Hattie and family - Blair, Barry and Debbie, Murray and Isabel, granddaughters Stacey and Deanne 3c

CARDS OF THANKS

For the many messages of sympathy we received since the passing of our father and grandpa, we wish to say thank you.

Charlie, Sophie,
Brent and Bobby

We wish to express our sincere thanks and appreciation to our friends, neighbors and relatives for their many acts of kindness to both of us, during Merlin's long stay in hospitals, as well as Phyllis' stay in Viking hospital. The many cards and words of encouragement and goodies received were a great help.

Our gracious thanks also to Dr. Cunningham, Drs. and staff of Viking hospital, Dr. O'Cal-lihan and staff of 8th floor, General Hospital, and last but not least Drs. and staff of station 30 of W.W. Cross Institute.

Merlin and Phyllis McBride
30

Debra Anne and I would like to thank Doctor Webster, nursing staff and aids for their wonderful care while we were in Mannville Hospital. Also to the many friends who visited me, sent gifts and lovely cards - thank you. Thanks also go to the ones who helped the family at home.

Barbara Fleming
